

Harry Clark Says . . .

## Locating Industry Takes A Lot Of 'Do-It-Yourself' Activities

"Securing industry for your county is a 'do-it-yourself' undertaking," Harry Clark, veteran of 27 years in industrial development and director of the state's industrial commission, told Eastland Countians last week.

## Eagle Scouts To Be Honored January 14

Four Eastland and two Ranger boys will be among 25 Boy Scouts and Explorers who have earned the rank of Eagle Scout during 1964 and will be recognized for their achievement when the Comanche Trail Council, Boy Scouts of America, holds its annual recognition dinner Thursday, Jan. 14, 1965 in Brownwood.

## Native Of Cisco Fatally Wounded In Gun Accident

Funeral service for Mrs. J. C. DeMoss, 47, a native of Cisco, was held at 2 p. m. Monday at the Owens and Brumley Funeral Home chapel in Wichita Falls with Rev. M. O. Evans, pastor of First Baptist Church, officiating. Burial was in Crestview Memorial Park.

Mrs. DeMoss died Saturday morning, Jan. 2, at her home when a shotgun accidentally discharged, wounding her in the head. Red Slack, justice of the peace at Holliday, ruled death was due to an accidental gunshot wound.

## Large Number Of Entries In For Pee Wee Boxing

There'll be lots of leather-sliding in the first annual Pee Wee Gloves Boxing Tournament to be staged in Ranger Friday and Saturday, Jan. 15-16.

Jack Allen, Ranger Junior College business manager and director of the two nights of fistic action, said late Friday that the large number of entries already signed for participation indicate that the card will be loaded.

The divisions, according to Allen, will be separated in five pound brackets ranging from 45 to 105 pounds. Contestants must be under 12 years of age to be eligible to compete in the tournament.

day in connection with the "EC-65" seminar in Eastland, Clark said that the success of a given town or area in luring industry depends on the ability of its people to "sell" their town or area to industry.

"Putting Facts and Figures To Work" was the topic of his talk and he cited his own

Carl Araspiger, chairman of the advancement committee for the eight county Boy Scout council announced this week. The dinner program will be held in the Starlight Roof of the Brownowner Motor Inn.

Both Ranger boys are from Post 10. They are Richard Herweck of 203 N. Austin St. and Jimmy Ratliff of 301 Summit St.

Mrs. J. M. Gray has returned from a visit in Dallas with her daughter and family, Mr. and Mrs. J. A. Lovell.

Texas operators spent \$714 million drilling in 1963, \$262 million lost to dry holes.

## Fire Alarms Are Down For Year, Report Shows

Eastland Volunteer Fire Department answered 13 calls less in 1964 than in 1963, reports show. A total of 98 alarms were answered in '64; 111 in '63. Of the 98 calls answered in '64, there were 29 calls outside the city limits.

Residential alarms totaled four in Jan.; Feb?—1; March—3; May—2; Oct.—3; and Dec.—2, making a total of 15 for the entire year. There

was one non-residential fire in June and fires in buildings numbered, mercantile, one in July, one in November; and manufacturing, one in September—all other buildings, one in October.

Grass or brush fires totaled eight in Jan.; Feb.—4; March—one; May—one; June—4; July—10; Aug.—3; and Dec.—one, making a total of 34 for the year.

All other fires numbered one in Feb., one in March, one in April, one in July, four in Aug., three in Oct., one in Nov. and one in Dec., making a total of 13 for the year.

There was one false alarm in October and one first aid emergency call in September. Number of alarms outside the city were as follows: Jan. 6 Feb., 3; May, 1; June, 3; July, 7; Aug., 3; Sept., 2; Oct., 2; and Dec., 2, making a total of 29.

experiences while employed as a researcher for a world-wide firm which specializes in finding plant locations for clients. The firm had found, he said, that within a given 200-mile radius, there would be at least eight towns which would be suitable for the location of certain industry.

"The ability of one particular town to sell itself to the industry, after the industry had been determined if it can make a profit in that particular area, was usually the deciding factor in the location," Clark said.

His example was the first major plant he helped locate, ironically in his hometown of Gulfport, Miss., where Phillips Company built a milk of magnesia plant. He and the town learned later that the president picked the town "because the fishing was good there."

"Our goal at the Texas Industrial Commission and in the "EC-65" pilot program is to make available to you information from experts which you can use to "sell" your county," he emphasized.

The purpose of the seminars is education — touching five points (community betterment, research, sites, financing and prospects) and after the first four are taken care of, the fifth, prospects will come, he said. And after you have thoroughly familiarized yourself with the first four you'll be ready to "sell" the prospects when they come.

Prospects are actually few. (Continued on Page Four)

**TO BE, OR NOT TO BE?** — These members of the newly-organized Eastland Community Theater are rehearsing one of three one-act plays to be presented in February. They are, from left to right, Mrs. Don Russell, director, Mrs. Joe Stephens, Mrs. T. M. Temple, Mrs. John Foster, Mrs. L. J. Maloney, Mrs. Neal Edwards, Tom Staggs, Dick Dixon, and Iris Anne Boney. (Staff Photo by Bill Herridge)

## Theater Group In Rehearsals For 3-Acters

By BILL HERRIDGE

Rehearsals got under way this week as members of the Eastland Community Theater began reading three one-act plays to be presented in February. The plays to be presented are: "Sparkin", "The Play-Goers", and "A Death in the Family."

## Edwin Aaron Still Critical, Unconscious

Edwin Aaron, son of Mr. and Mrs. Johnny Aaron of Eastland, was still reported to be in critical condition and unconscious in a Wichita Falls hospital Saturday morning.

## Mavettes Beat Cisco At Gorman

The Eastland High School Mavettes were victorious Thursday afternoon as they beat Cisco team 38-34. The game was the first in the Gorman tournament for each.

## Lady Bowlers Will Hold Annual Dinner

The Eastland County Bowling Association will hold their annual banquet at the Victor Hotel in Cisco at 7:30 p. m. Friday, Feb. 12, according to an announcement.

## Mavs Win Over Cisco By 1 Point

In an exciting game which was close all the way, the Cisco High School Lobos were defeated by the Eastland High Mavettes in non-conference basketball action at Community Gym in Cisco Friday night. The final score was 53-to-52.

## Driver Injured When Truck Spins, Overturns

Alford W. Stephenson, driving a 1963 International truck tractor, lost control of the truck Thursday while traveling on Interstate 20, two and a half miles west of Ranger. The vehicle turned over, causing Stephenson to receive multiple lacerations around the head and shoulders. Patrolman Jack Therwanger reported.

## Jr. High Teams Beat By Clyde

Two very lively basketball games were played last Thursday night, when the Eastland junior high teams, girls and boys, played Clyde, there.

## Shop Eastland First

Visiting recently in the home of Mr. and Mrs. L. J. Baggett of Morton Valley were her cousin, Thelma Harbin of Kermit; and her sister, Mr. and Mrs. T. E. Dikes of Mineral Wells.

## Group Considers Co-Op Formation To Dry Peanuts

An informal meeting was held recently at which growers from those areas met and discussed their mutual problems and needs.

Another meeting is scheduled for Wednesday at 7 p. m. at the Carben High School Auditorium to explore the possibilities further. Present to talk with the group will be Charles K. Baker of Texas A&M University, and considered an expert on the formation of co-operatives.

## Funeral Sat. For Mrs. Valentine, Former Resident

Funeral for Mrs. Abbie Valentine, 77, was held Saturday, Jan. 9, at 11 a. m. in the Greenwood Funeral Home of Fort Worth.

## City Bought Lots of Water Last Year

The City of Eastland bought 288,516,599 gallons of water from the Eastland County Water District during 1964, and that's a long drink of water.

## Visit Baggetts

They are expecting their grandson to visit soon, Mr. and Mrs. R. D. Baggett of Hobbs, N. Mex.

## SCREW WORM ERADICATION CONTINUANCE IS ASKED

The Eastland County Livestock Raisers Association has adopted a resolution asking that the Southwestern Animal Health Research Foundation continue its screw worm eradication program for this county, it has been announced.

Representatives of the group plan to visit cooperatives over the state to observe their operations and methods.

Mr. Wylie was not available for comment and it was not determined if the sale of the Carbon facilities would also include his shelling plant in Ranger.

## Driver Injured When Truck Spins, Overturns

As can be seen, peak usage was in July when the daily average was 1,473,589 gallons. The Water Board guarantees to provide the City of Eastland a maximum of 1,800,000 gallons of water a day.

## Freyschlag INSURANCE

TEXAS has 207,345 producing wells in 8,000 fields.

## SCREW WORM ERADICATION CONTINUANCE IS ASKED

BRING YOUR dirty old radiator in for cleaning and winterizing. Also major and minor tune-ups. Otis Coleman's Humble Service. East Main St.

## BREAD of Life

Now thanks be unto God which always causeth us to triumph in Christ. — 2 Cor. 2:14 He always wins who sides with God. To Him no chance is lost; God's will is sweetest to him when He triumphs at his cost.

TAXES are on sale sub-stations in the as well as at the tax office at the court-Tax Assessor-Collector Altom has announced.

There are no national taxes set this year, so be no "free" poll tax. Sub-stations are located at the Chamber of Commerce office; in Ranger Chamber of Commerce; in Gorman at Todd Store; and in Rising at Jenkin's Insurance

AMONG THE Eastlanders attend the Scout Honors in Brownwood Thursday evening are Mr. and Mrs. McFarland, Mrs. Grady, Mr. and Mrs. Frank, Mr. and Mrs. Kenneth, Mr. and Mrs. Ray Pryor, Dr. and Mrs. Horn, Mr. and Mrs. Horn, Mr. and Mrs. Parsons, Dr. and Mrs. Alexander, Mr. and Mrs. Boles, and of course, District Scout Executive McFarland. Dr. Alder and Mr. Sayre are members of the executive and Mrs. Pipkin is widow of the late Grady, one of the city's and area's most active Scout leaders during his lifetime.

GLEANNING from the 65 meeting in Eastland week: "The label on a bottle of magnesia bottle costs more than the product inside proving that you can bottle product anywhere" quote Harry Clark. . . One Eastland man was heard to comment that we need to get our own house in order before we solicit new business. . . went on to explain that had reference to fixing up the quarters of the 11th Court Civil Appeals. He surmised that if the court isn't set up pretty nice, we'll all be leaving farewell to that court. Wouldn't be surprised if the man doesn't have a faint.

A SIGHT to brighten a cold, winter day Saturday was a No. 8" golf pin stuck in a pile of cement sand on the Victor Cornelius plant parking lot where a building expansion program is under way. The top of the pile was carefully leveled off and the flag waved gallantly in the stiff north wind. . . A note from Harry Goldson, former EHSR and Telegram employe, informs that he is now on the Wichita Falls Times sports staff.

SHIRT SLEEVES were rolled down and summer blouses placed in Eastland Saturday morning after a "norther" blew in about 10:30 p. m. Friday. It came in relatively warm and cold, with the assurance that January is in let a winter month, contrary to the Florida chamber of commerce-type weather that had prevailed through and after Christmas.

### THE 7-11 DRIVE-IN TEST for fun

Teacher: "Can you tell me how fast light travels." Johnny: "I don't know how fast, but I know it gets here too early in the morning."

January 10, 1965  
**New Oil, Gas Discoveries**  
**Tri-County Area During 1964**

The total of 156 oil and gas discoveries reported in Central Texas during 1964 were in the tri-county area of Eastland, Stephens and Pinto counties — area producing to a year-end record by the Texas Railroad Commission, Abilene.

Discoveries were reported for Stephens County, Eastland and two regular field discoveries in Eastland were in the area — one an oil and gas production well opened near Cisco, Eastland County.

**ASTLAND COUNTY**  
 W. V. Edwards (upper conglomerate) No. 1 Lena Jones, Mathias Survey, three south of Ranger, 35.67 acres of 42.6 gravity oil from perforations at 3,117 feet after acid fracture.

**STEPHENS COUNTY**  
**AKIN (BUCK CREEK)** — Texaco, Inc., No. 13 N. J. Brooks, TE&L Survey 3390, quadruple completion and dual discovery four miles south of Breckenridge, absolute, open flow 2,200,000 cubic feet of dry gas daily from perforations at 2,024-34 feet.

**AKIN (UPPER BRANNON BRIDGE)** — Texaco, Inc., No. 13 N. J. Brooks, absolute, open flow 1,050,000 cubic feet of dry gas daily from perforations at 2,368-72 feet. (Also completed in Marble Falls and Lower Brannon Bridge.)

**SOVEREIGN (MIDDLE CADDO)** — Wright, Clark & Senkel, Inc. No. 1 Ross Sloan, SA&MG Survey, A-201, 14 miles north of Breckenridge, 84 barrels of 38 gravity oil, plus three per cent water, daily from perforations at 3,863-74 feet after acid. Gas-oil ratio 600-1.

**REGULAR** — Coastal States Gas Producing Co., No. 1-A Blanche Winston, Section 45, Block 5, T&P Survey, two miles west of Caddo, absolute, open flow 8,250,000 cubic feet of dry gas daily, from perforations at 2,991 to 3,033 feet. (Lower Strawn Sand)

**REGULAR** — Kent Production, Inc., (formerly W. M. Smith) No. 1 C. K. West, E. Romershausen Survey, A-149 eight miles northeast of Caddo, 85 barrels of 43 gravity oil daily, from 32-64 inch choke and perforations at 3,304-12 feet after acid. Gas-oil ratio 1,200-1. (Conglomerate)

**REGULAR** — Jarrell & Reynolds Drilling et al., No. 1 Shalor Copeland, James H. Price Survey, 18 miles southwest of Breckenridge, flowed 156.80 barrels of 42 gravity oil in 17 hours through 16-64 choke and perforations 3,324-28 feet. (Atoka Conglomerate)

**JILL** — Kent Production Co., Inc., No. 2 C. K. West, Section 2, GB&CNG Survey, 14 miles northeast of Caddo, completed as dual discovery. From Marble Falls Sand daily potential of 231 barrels of 43 gravity oil on 10-64 inch choke and Marble Falls Conglomerate daily potential 71 barrels of 43 gravity oil on 12-64 choke and perforations 3,918-22 feet.

**REGULAR** — Burk Royalty Co. No. 1-A Lone Star Davis, Section 1338, TE&L Survey, three miles northeast of Breckenridge, 26 barrels of 40 gravity oil daily, through a 2-1/2-inch choke and perforations at 3,844-48 feet after fracture.

**REGULAR** — J. K. Wadley & K. E. Jennings No. 2 Dick Atkins, Section 1134, TE&L Survey, 14 miles northeast of Breckenridge, 11.60 barrels of oil daily, from perforations at 3,974-87 feet.

**NEW** — Harding Brothers Oil & Gas Co. No. 2 Fay Cox Unit, Benjamin Mc-Gaha Survey, A-106, 10 miles northwest Breckenridge, flowed 36 barrels of 41 gravity oil, plus 20 per cent water, daily on 14-64 choke and perforations 4,183-98 feet after 100 gallons frac and 15,000 pounds of sand. (Conglomerate)

**REGULAR** — J. K. Wadley & K. E. Jennings No. 2 Dick Atkins, Section 1134, TE&L Survey, 14 miles northeast of Breckenridge, 11.60 barrels of oil daily, from perforations at 3,974-87 feet.

**REGULAR** — Kent Production Co., Inc., No. 2 C. K. West, Section 2, GB&CNG Survey, 14 miles northeast of Caddo, completed as dual discovery. From Marble Falls Sand daily potential of 231 barrels of 43 gravity oil on 10-64 inch choke and Marble Falls Conglomerate daily potential 71 barrels of 43 gravity oil on 12-64 choke and perforations 3,918-22 feet.

**REGULAR** — Burk Royalty Co. No. 1-A Lone Star Davis, Section 1338, TE&L Survey, three miles northeast of Breckenridge, 26 barrels of 40 gravity oil daily, through a 2-1/2-inch choke and perforations at 3,844-48 feet after fracture.

**REGULAR** — J. K. Wadley & K. E. Jennings No. 2 Dick Atkins, Section 1134, TE&L Survey, 14 miles northeast of Breckenridge, 11.60 barrels of oil daily, from perforations at 3,974-87 feet.

**NEW** — Harding Brothers Oil & Gas Co. No. 2 Fay Cox Unit, Benjamin Mc-Gaha Survey, A-106, 10 miles northwest Breckenridge, flowed 36 barrels of 41 gravity oil, plus 20 per cent water, daily on 14-64 choke and perforations 4,183-98 feet after 100 gallons frac and 15,000 pounds of sand. (Conglomerate)

**REGULAR** — Jarrell & Reynolds Drilling et al., No. 1 Shalor Copeland, James H. Price Survey, 18 miles southwest of Breckenridge, flowed 156.80 barrels of 42 gravity oil in 17 hours through 16-64 choke and perforations 3,324-28 feet. (Atoka Conglomerate)

**JILL** — Kent Production Co., Inc., No. 2 C. K. West, Section 2, GB&CNG Survey, 14 miles northeast of Caddo, completed as dual discovery. From Marble Falls Sand daily potential of 231 barrels of 43 gravity oil on 10-64 inch choke and Marble Falls Conglomerate daily potential 71 barrels of 43 gravity oil on 12-64 choke and perforations 3,918-22 feet.

**REGULAR** — Burk Royalty Co. No. 1-A Lone Star Davis, Section 1338, TE&L Survey, three miles northeast of Breckenridge, 26 barrels of 40 gravity oil daily, through a 2-1/2-inch choke and perforations at 3,844-48 feet after fracture.

**REGULAR** — J. K. Wadley & K. E. Jennings No. 2 Dick Atkins, Section 1134, TE&L Survey, 14 miles northeast of Breckenridge, 11.60 barrels of oil daily, from perforations at 3,974-87 feet.

**NEW** — Harding Brothers Oil & Gas Co. No. 2 Fay Cox Unit, Benjamin Mc-Gaha Survey, A-106, 10 miles northwest Breckenridge, flowed 36 barrels of 41 gravity oil, plus 20 per cent water, daily on 14-64 choke and perforations 4,183-98 feet after 100 gallons frac and 15,000 pounds of sand. (Conglomerate)

**Advisory Council Offers Ideas On Social Security**

Following some 18 months of study, a 13 person Advisory Council has reported its findings and recommendations to the board of trustees of the social security trust funds, says R. R. Tuley, Jr., social security district manager, Abilene.

Major recommendations, some or all of which may be considered by Congress, included these:

1. A program of hospital insurance for the aged and for those with long-term total disabilities, using the method of contributory social insurance. (One member dissented from this proposal.)

2. A change in the benefit formula for retirement, survivor, and disability benefits, with a resultant increase of from 7 to 15 per cent in present social security checks.

3. Increase the maximum creditable for social security purposes from \$4800 to \$6000 per year, and later increase to \$7200.

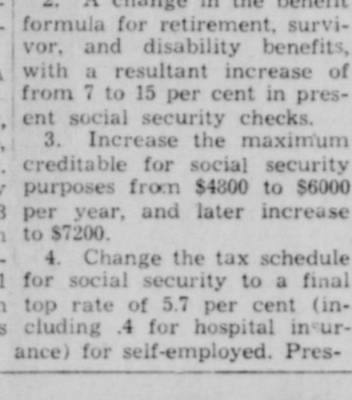

4. Change the tax schedule for social security to a final top rate of 5.7 per cent (including .4 for hospital insurance) for self-employed. Present law calls for a top of 4.625 per cent, each, for employees and employers, and 6.9 per cent for the self-employed.

5. Improve benefits for men who retire before 65 so that their rates will be the same as women's.

6. Continue children's benefits past age 18 to age 22 if the child is still in school and unmarried.

**Supersonic Air Missions Due In Area Jan. 11-15**  
 LITTLE ROCK AFB, Jacksonville, Ark. — General Dynamics B-58 Hustler aircraft of the 43rd Bombardment Wing, Little Rock AFB, Ark., are scheduled to fly supersonic missions within a 20-mile corridor Monday through Friday, Jan. 11-15. Flights are scheduled from this week until April 1, 1965. They will vary weekly, from two each day some weeks to no flights in other weeks.  
 Flying faster than the speed of sound, the bombers could create sonic booms along the path of flight. Missions will be flown at altitudes above 35,000 feet and will start at a point near Paducah, Tex., and end near a point at Shiner, Tex.  
 The B-58s are scheduled to be over the starting point Jan. 11, 12, 13, 14, and 15 at approximately 12:30 p.m. and again at 1:30 p.m. They will pass over Austin, Tex., approximately 12:45 p.m. and 1:45 p.m., respectively. All times are Central Standard. Unforeseen operational requirements could cause cancellation of these missions without prior notice.

# Early Vehicle Inspection Urged For Area Motorists

AUSTIN — Col. Homer Garrison, director of the Department of Public Safety, has encouraged Texas motorists to "start the new year with a safe vehicle" by securing the 1965 vehicle inspection sticker without further delay.

The Public Safety Director said that approximately one-half of the inspection period has expired and only about one-fourth of the vehicles in the state have been inspected. He added that unless the inspection pace is stepped up, motorists may expect to find the usual waiting lines at the inspection stations when the April 15 deadline approaches.

The inspection stickers for 1965 have been available since September 1, Garrison said, "allowing ample time for all vehicles to be inspected without delay prior to the dead-

line. There can be no extension of the deadline and vehicles not displaying the new sticker will be in violation of the law after April 15."

There are 14 public inspection stations and one fleet station in Eastland County, Carl Boustead of Eastland, Motor Vehicle Inspection Patrolman, has announced.

They are:

Gorman: Smith Brothers Chevrolet; Rising Star; Butler Motor Co.; Cisco: Rutherford Chevrolet, Graham Motor Co., Huffman Motor Co., and Booth's Garage; Eastland: Allen Auto Repair, Hood King Motor Co., Muirhead Motor Co., City Garage, and Fullen Motor Co.; Ranger: Anderson Chevrolet Co., Crawford's Garage and Mission Garage.

The Lone Star Producing Co. station at Ranger is the

one fleet center and does not accept public vehicles for inspections.

Territory covered by Boustead includes Eastland, Callahan, Stephens, Shackelford, Brown, Coleman and part of Taylor counties.

Patrolman Boustead urged county residents to have their vehicles inspected early for their own convenience as well as the inspection stations, to avoid the last-minute rush.

Texas now has more than 5,200 authorized inspection stations over the state. According to Garrison, these stations are ready and capable of handling the remaining un-inspected vehicles without delay provided vehicle owners do not wait until just a few days before the deadline.

He pointed out that the basic function of vehicle inspection is to detect and correct vehicle defects that might cause an accident. He said that last year vehicle defects contributed to fewer traffic accidents than ever before in Texas.

## Harry Clark Says — (Continued from Page 1)

he said, and the thing is to be really ready when one comes along. Those who are, win. He cited Marshall, Tex., as an example, where one man has led the industrialization program so successfully and done so much for the town that he can't afford to leave even for better pay because he has so many good "suspects" working.

Clark briefly outlined the function of the state commission, pointing out that it is a small-budgeted, small-staffed organization, whose goal is to coordinate the work, efforts and ability of the some 217 professional industrial developers and hundreds of civic-minded individuals such as those at the meeting, in working toward the common goal of bringing industry to the state.

"We're in the information, not action, business," he said.

The state's broad advertising program, only recently begun, resulted in 275 inquiries last year, with three definite plant locations resulting. This week a Texas film, financed by private enterprise, will be previewed. It's called "Bob Hope Talks Texas," and features the national-comedian as narrator and is expected to be distributed by a major film distributor and will eventually be seen in over 5,000 theaters across the nation.

Jim Horton, vice president of the Rotary Club, and Leon Musgrove, Lion president, presided at the joint meet. Invocation was by the Rev. Lester Davenport, pastor the First Methodist Church, Eastland.

Larry Milner, West Texas coordinator for the TIC, announced that the third of the five seminars will be held Feb. 4, and it will be a tour of the county, beginning at Cisco at 8:30 a.m., and the theme will be sites. Visits will be made in Cisco, Eastland, Ranger, Gorman and Rising Star, with lunch in Rising Star with a critique by experts of the sites seen.

Approval was given to the "EC-65" steering committee to select an appropriate membership lapel pin, and the replacement of the organization's secretary - treasurer, who has resigned and moved from the county.

one fleet center and does not accept public vehicles for inspections.

Territory covered by Boustead includes Eastland, Callahan, Stephens, Shackelford, Brown, Coleman and part of Taylor counties.

Patrolman Boustead urged county residents to have their vehicles inspected early for their own convenience as well as the inspection stations, to avoid the last-minute rush.

Texas now has more than 5,200 authorized inspection stations over the state. According to Garrison, these stations are ready and capable of handling the remaining un-inspected vehicles without delay provided vehicle owners do not wait until just a few days before the deadline.

He pointed out that the basic function of vehicle inspection is to detect and correct vehicle defects that might cause an accident. He said that last year vehicle defects contributed to fewer traffic accidents than ever before in Texas.

### Morton Valley 4-H Has New Year Party

The Morton Valley 4-H Club met Friday Dec. 31 for a New Year's Eve party. Each member took a covered dish which made the event very enjoyable for everyone present.

Games were played by the following: Mr. and Mrs. Robert Kincaid, Mr. and Mrs. Darwin West, Mrs. Morris Miller; Kathy, Eddie, Patsy, Mila and Becky Kincaid; Scott and Becky Miller; Carol Terrell, James and Janet West; Lynn Robertson; and Vicki Lowrance.

### OIL TEST SPOTTED

O. P. Leonard of Fort Worth has announced plans to drill his No. 2 WSW Martin Unit as an oil test in the regular field one mile west of Eastland. Permit application called for 1,300 feet with location on a 769-acre lease in the George Haig (J. P. Douglas) Survey, A-160.

### WORLD'S TALLEST — This is the preliminary proposed design of the tower structure which will be located in the center of the 1968 "Fair of the Americas" to be held in San Antonio. It will be the tallest concrete structure in the world, with a minimum height of 650 to 700 feet stretching almost 70 stories in the air. It will be constructed with a capital investment of \$4.5 million and have observation decks and restaurants at the top and intermediate levels. The illuminated tower will be visible for 100 miles when seen from the air at night. Hemi-Fair architects are now working on the exact design and specifications which will bring to reality the future permanent Texas landmark.

## FARM AND RANCH INCOME TAX SCHOOL IS PLANNED JAN. 12

The annual Farm and Ranch Income Tax and Social Security School has been scheduled for January 12th in the courthouse in Eastland, according to County Agricultural Agent J. M. Cooper, who is in charge of arrangements for the affair.

Billy Freeman, Stephenville, Area Farm Management Specialist of the Agricultural Extension Service of A&M University will discuss and explain the new changes in the income tax laws as they apply to farmers and ranchers.

Several changes are in the new law particularly in regard to averaging the income, investment credit, charitable contributions, medicine and drug costs, sale of a residence, personal casualty and theft loss, gain on depreciable property and other items, it was said.

R. R. Tuley, Abilene, District Supervisor of the Social Security Administration, or his representative, will discuss changes in the social security laws as they apply to farmers and ranchers.

There is no charge to attend the school. Women as well as men are cordially invited to attend either one or both sessions. It will begin at 9:30 a.m. on the above date in the county courtroom on the third floor of the courthouse in Eastland. With time out for lunch at noon, the meeting is expected to be concluded at 3 p.m., according to the County Agent's office.

## ARBOR DAY IS PROCLAIMED FOR TEXANS ON JAN. 15th

Arbor Day, by official proclamation of Governor John Connally, will be observed in Texas, Friday, January 15.

Governor Connally in his proclamation said, "By resolution of the 51st Legislature, the third Friday in January each year was designated as Arbor Day. It was set aside as a day to encourage the planting of trees throughout the State, for pleasure and use of its citizens.

Trees provide Texans with many benefits. From our forests come fibre and wood for our daily needs, with employment and payrolls important to the economic growth of our State.

Trees also supply food and cover for wildlife, aid in regulating stream flow, protect soil against erosion by water and wind, and provide scenic beauty to our landscape.

The economic progress of our State is, to a large extent, dependent upon the forests, a renewable resource. To perpetuate this gift of

nature our forests need protection from wild forest fires, insects and diseases.

Assisting in the protection of our useful and beautiful forests is the Texas Forest Service, a part of the Texas A&M University System; this year it is celebrating its Golden Anniversary.

"THEREFORE, I, as Governor of Texas, do hereby designate Friday, January 15, 1965, as ARBOR DAY in Texas, and urge all citizens, especially the public schools, to appropriately observe this occasion in the interest of our State and Nation.

Arbor Day was first observed in Nebraska, January 4, 1872. In Texas the occasion was first celebrated February 22, 1889, in the community of Temple. Now, 72 years later, this tree-lined city is a memorial to a protect and replace than destroy this source for future generations.

This year, as in the Texas Forest Service schools and organizations in arrangement for Arbor Day

# Building or remodeling? Check the advantages of ELECTRIC HOME HEATING

**SUNSHINE-CLEAN WARMTH**  
Flameless electric heat is as clean as summer sunshine. Your walls, curtains, woodwork and furnishings stay new looking longer.

**ROOM-BY-ROOM CONTROL**  
With efficient electric heat from built-in units, each room can have its own thermostat... its own individually controlled temperature.

**USES NO LIVING SPACE**  
Built-in electric heating units, installed in walls or baseboards, take up no usable living space... allow greater latitude in furniture arrangement.

**LOW INSTALLATION COST**  
Compact built-in electric heating units need no flues or vents, are easy and economical to install. And they require little or no maintenance.

ASK ABOUT OUR LOW RATE FOR ELECTRIC HOME HEATING

Make your new or remodeled home completely modern with the wonderful healthful comfort of flameless electric heating. With built-in electric wall insert, floor insert or baseboard heaters, you'll enjoy automatic even warmth as clean as Texas sunshine. Temperatures in each room can be individually controlled, and you'll enjoy complete freedom in house design and furniture placement because built-in electric heating units take up no living space. Ask your architect or builder or call our office for full information about flameless electric home heating.

# Thurber Natives Remember Duchess By Another Monicker -- 'Wildcat' Warfield

The presence of the Duchess of Windsor in Houston, here her husband, the Duke of Windsor, has recently undergone major surgery, has stirred the memories of former residents of Thurber.

The history of the rise and fall of Thurber, located in the northwest corner of Erath county, U. S. Highway 80 at the intersection of the former Wally Warfield, the Duchess of Windsor, the link connecting the two visits the Duchess made to Thurber when her grandfather, Col. Edward Dickey, was one of the owners of the fabulous coal mine and brick-making operation.

## CJCTV Course Opening Soon

Three new full-time programs will be inaugurated by Cisco Junior College's Technical-Vocational School as the spring semester opens on February 1, 1965, according to an announcement by President G. C. Hogue.

Registration for the semester has already started, and prospects are good that spring enrollment will exceed 450 students, Mr. Hogue said.

The new programs are: Industrial Drafting Technology, Industrial Engine Technology, and Industrial Welding Technology. Director L. E. Jenkins of the T-V School said that each program would require four semesters or two years for completion and an Associate of Arts degree.

The college will have fully equipped shops in readiness for the engine and welding courses, Mr. Jenkins said. The drafting courses now being offered will be expended for the new program, he added.

Eligible for the new programs are students or individuals at least 18-years old with a high school education or the equivalent. High school drop-outs or those who have not been able to continue their high school education will be accepted on approval for certain phases of any one of the technology programs, according to Mr. Hogue.

Approximately 100 jobs for students in the programs are tentatively planned on the campus of the college, Mr. Hogue said. These will be under the College Work-Study Program of the Economic Opportunity Act. This means that students needing financial assistance may work while attending school and meet the majority of their total expenses, Mr. Hogue explained. This will include room and board, he added.

In addition, CJC has National Defense Student Loans available to students, Mr. Hogue said. The college offers a fully accredited program leading to degrees in virtually any field.

The T-V School also has started enrolling students for the Electronic Data Processing program for the spring semester. Anyone interested in the T-V programs or in

with the Duchess in some big, empty sugar barrels. "I was spending the night with Wally. She woke me up after midnight and we went outside and got the barrels. We'd get in them and roll down a steep hill toward the lake. Once I heard her say 'here goes nothing,' and she jumped into the lake," Mrs. Miller said. This type of antic probably led to the nickname "Wildcat" which Colonel Hunter bestowed on the Duchess.

"Little did Mrs. Miller, or any other person in Thurber, realize that their playmate would someday be involved

in an international romance with the King of England. A romance that, in 1936, resolved into the now historical decision "My Kingdom for a Woman."

In a move that shook the royal roots of Great Britain, the King denounced his throne and married the beautiful "Wildcat" Warfield. They later became the Duke and Duchess of Windsor.

"I wish I could see her while she is in Texas," said Mrs. Miller, "and talk about the many wonderful visits we had in Thurber."

## Catholic Parish Pastor Assigned To Poteet Post

Members of the Holy Rosary Catholic Parish honored Father Van Winkel with a dinner last Sunday evening in the Parish Hall.

Father Van Winkel is being transferred to Poteet, near San Antonio, after four and one-half years here as pastor of the Holy Rosary Church, the St. Francis in Eastland, and St. Rita's in Ranger.

Following dinner, served by members of the Holy Rosary Altar Society, Mrs. Torres introduced Anton White, who presented Father Van Winkel with a gift. M. White expressed the appreciation of the entire parish for the good work accomplished by the pastor in Cisco and extended best wishes for him in his new assignment. Father Van Winkel spoke briefly to thank parish members for the cooperation given him, and he especially commended the Altar Society, the teachers of all the Bible and catechism classes, and the choir.

The pastor was ordained 33 years ago and has served as Parish priest in various communities and taught in the Catholic Seminary for 18 years. Poteet has been a mission church a number of years, but the congregation has now grown to about 1,000 members, resulting in the need for a resident priest.

Announcement of another priest to this post will be made in the near future.

Recent guests of Mr. and Mrs. M. W. Gieger were Sgt. and Mrs. C. E. McCulley, Mark, Max and Karen of Killen; and Mr. and Mrs. Don Roe and baby, Dora Lynn, of Irving.

Visiting recently in the home of Mr. and Mrs. William M. Jones were Mr. and Mrs. Harl Moore of Commerce.

A visitor last Wednesday in the home of Mr. and Mrs. Minton Hanna was her mother, Mrs. Horace Lane of Desdemona.

Visitors in the home of Mr. and Mrs. Millard Glass last week were Mrs. Wendell Mints and son, Wendy, of Vernon.

Visiting with Mr. and Mrs. W. E. Goode last week were Mr. and Mrs. J. C. Westbrook, Don and Regina of Whitesboro.

Recent guests of Mr. and Mrs. L. E. Fisher were her sister, Mrs. Francis Rutherford of Odessa; his sisters, Mrs. Mamie Tankersley and Mr. and Mrs. Alvie Thompson of Cisco; and Mr. and Mrs. Burl Nicholas and children of Odessa.

Visiting this past week in the home of Mr. and Mrs. J. H. Evatt were Mr. and Mrs. Clyde Evatt and children of San Antonio.

Visiting recently in the home of Mrs. T. L. Fagg was Mrs. Charles Fagg of Farmington, N. Mex.

Sgt. and Mrs. Bill Kearns and son Keith of the USAF Academy at Colorado Springs, Colo. visited her parents, Mr. and Mrs. Truman Horn of Olden.

## NEW COLD WAVE

Area thermometers dropped to 30 degrees early Saturday as a new cold wave moved through this region. Light rain accompanied the front. The temperatures were in the 70s during most of the past week.

## from the hill . . .

By BILL HERRIDGE

I begin this installment of developments from the hill with the taste of Christmas goodies and the memories of another year gone by still lingering. I hope each of you had as wonderful holiday as I.

The final school assembly held before the holidays was presented by the Thespians, Speech and Drama Club. A one-act play, "A Stranger in Bethlehem" by Charles George, was enacted. Among the cast were Jimmy Finley, Jan Taylor, Julie Elrod, Mike Siebert, Sharron Sayre, Steve Clark, and Joe Taylor. Assisting with props, costumes, and script were Sharon Chick, Jeanie Hanna, Cheryl Sosebee Donna Ford Dixie Long Don Griffin Glenn Gray Kenny Cogburn and Butch Phillips. After singing Christmas carols and an encore of the "Little Drummer Boy" sung by the Mav band, Santa Claus, alias Coach Harold Price, along with his helpers, passed out candy to all the students.

## Firemen Meet At Mineral Wells

The North Central Texas Firemen's Association met in Mineral Wells last Tuesday night for their quarterly convention.

Ranger firemen won the six-man pumper races, and Breckenridge won for the women. Cisco won the trophy for the best time, 21 seconds, for six-man pumper races for the year. Included in officers elected was W. L. Darr of Cisco, first vice president.

The next convention will be held in Eastland in April.

T. Sgt. Marvin A. Young of Sheppard AFB visited his mother, Mrs. Beula Higgins of Eastland over the holidays and also his aunt, Mr. and Mrs. S. E. Hazard of Eastland.

Mr. and Mrs. R. O. Young of Wilcox, Ariz. visited his mother, Mrs. Beula Higgins of Eastland recently.

## New Victor Hotel Plans, Policies Are Announced

Plans for operating the Victor Hotel when he and his son officially take over about January 20 were announced Friday by Robert J. (Bob) Johnson, joint owner with his son. The Johnsons recently bought the eight-story structure from E. E. Bartholomew, owner since last July.

Plans for the hotel were listed by Mr. Johnson as follows:

1. Retain all present employees, hoping to expand where they will have to employ additional help.
2. Change, in time, about half of the hotel to apartments which can be rented to transients as well as permanent guests.
3. Do some re-furnishing and redecorating.
4. Furnish a private or key club, if desired, by local populace.
5. Remodel immediately the vacant building next to the hotel and incorporate it into the other two dining rooms for a permanent type night club, bringing in such entertainers as Buck Owens, Wanda Jackson, Dave Dudley, Orville Couch and others, if the interest warrants.
6. The dining rooms will be open on Sunday for breakfast, lunch and dinner as well as other days.
7. Provide highest caliber entertainment for local and surrounding people to enjoy music and dancing. It will be necessary for a cover charge for the entertainment stars will cost up to 1500 per night.
8. Conduct an extensive advertising campaign within a 50-mile radius.
9. Participate in any program to exploit the various attractions in and around Cisco, including the lake, swimming pool, etc.

Mrs. Frank Crowell To Give WSCS Program

The Woman's Society of Christian Service of the First Methodist Church will meet Tuesday, at which time Mrs. Frank Crowell will present the program, "Spanish Doorways."

The women of the organization cordially invite new members and visitors to these meetings.

WSCS held its first meeting of the new year Tuesday, with the chairman, Mrs. H. J. Bulgerin, presiding.

In the absence of Mrs. T. M. Collie, the program was under the direction of Mrs. M. L. Forgy. "Spanish American Visitors," title of the program, was enhanced by an interest center made up of hand-made articles and fruits common to Spanish American countries.

Mrs. Forgy served as hostess of the local church in a brief dramatization of the opinions and problems of Spanish American women who came to visit.

Those attending were Mrs. M. L. Forgy, Mrs. Earl Bender, Joseph Perkins, Ina Bean, Lester Davenport and Mrs. Carl Elliott.

Those attending were Mrs. M. L. Forgy, Mrs. Earl Bender, Joseph Perkins, Ina Bean, Lester Davenport and Mrs. Carl Elliott.

Cancer Detection To Be League's Wednesday Fare

The Civic League and Garden Club will meet Wednesday, Jan. 13, for a luncheon and business meeting.

The program, "Early Detection of Cancer," will be presented by Mrs. Austin Flint of Cisco and hostesses will be Mmes. Jim Parks, Leon Musgrove, John Ernst, T. M. Fullen, Troy Turner, Charles Terrell and Cyrus Barcus.

Cathy Jordan Feted With Party

Cathy Jo Jordan, daughter of Mr. and Mrs. Bill Jordan, was honored on her eighth birthday Wednesday, Jan. 6, with a party in their home, 406 South Oaklawn.

After playing several games and opening and admiring the gifts, the children were served refreshments of ice-cream, cake and punch.

Those present were Jana Regiano, a amera Kushing, Debra Maynard, Sue White, Mariland Pearson, Lou Ann Magness, Carol Terrell and Susan Squires.

Mrs. Sophia Harris Hosts Family Event

Mrs. Sophia Harris hosted a family gathering for her brothers and sisters during the holidays, a tradition of the family which is always enjoyed by all present.

Present were Mr. and Mrs. Tom L. Garrett and family, Garland Garrett and family and Marshall Berry, all of Carbon; Mr. and Mrs. Jerry Lyon of Cisco; Mr. and Mrs. Don Williams of Abilene; Mr. and Mrs. Charlie Garrett and Chuck of Ranger; Mr. and Mrs. Mac Nichols and family of Houston; Mr. and Mrs. Z. W. Cook and Marsh and Mrs. David Russell and children, all of Olden; and Mr. and Mrs. Homer Duncan, Mrs. James Harris, Harvey and Jamie, Mr. and Mrs. Obie Duncan and family and Margaret Walker, all of Eastland.

Christmas Dinner In Harris Home

During the Christmas holidays, Mrs. Sophia Harris, 309 North Connellee, hosted a Christmas dinner at her home.

The following persons were present to enjoy the traditional dinner: Mr. and Mrs. Coy C. Hudson of Irving; Mr. and Mrs. W. T. Harris of Grafrod; Mrs. Anna M. Nash and Mrs. Ethyl Frazer, both of Weatherford; Mr. and Mrs. James Harris, Jamie, Harvey, Mr. and Mrs. D. J. Walker, Margaret and Mack and Mr. and Mrs. Bob O'Steen all of Eastland.

Mrs. Baker Returns From Houston Visit

Mrs. Hattie Baker has returned from a visit in Houston with her son and family, Mr. and Mrs. Clyde C. King and Janet.

Mrs. Baker is very proud of her granddaughter, Janet, who has pledged Alpha Xi Delta at the State University in Austin where she is majoring in Education.

Recent guests of Mr. and Mrs. W. H. Watkins were their daughter, Mrs. Lala Ridge and children of Hobbs, N. Mex. and Mr. and Mrs. Melvin Lewis and children of Midland.

JULIE ELROD

Engagement Is Announced

Mr. and Mrs. O. L. Elrod announce the engagement of their daughter, Julie Beth, to Gayle Dean Chaney, son of Mr. and Mrs. C. B. Chaney of Eastland.

Miss Elrod is a Senior at Eastland High School and Gayle, a graduate of Eastland High School, attended Cisco Junior College and is now employed with Chaney and Son Butane in Cisco.

The couple is planning a June wedding.

GLENDIA MILLS

Engagement Is Announced

Mr. and Mrs. Henry Lee Mills of Brownwood, formerly of Eastland, announce the engagement and approaching marriage of their daughter, Glenda Sue, to Airman First Class Marvin Leonard England, son of Mr. and Mrs. William G. (Bill) England, 508 West Valley St., Eastland.

Miss Mills is a 1964 graduate of Mason High School and the prospective bridegroom, presently stationed at Elmendorf Air Force Base, Alaska, is a 1962 graduate of Eastland High School.

The wedding will take place Feb. 27 in the Avenue D Baptist Church in Brownwood, at 6:30 p.m.

VFW Auxiliary Entertains Children

A Christmas party was held for children of members of the VFW Ladies Auxiliary. Games of Bingo were enjoyed and refreshments of cocoa, cookies and cup cakes were served.

Approximately 35 children attended.

Visiting over the weekend in the home of Mr. and Mrs. C. W. Hoffmann, Jr. has been Mrs. Xan Hartman of Lubbock.

Recent visitors in the Hoffmann home were Mrs. Lucille Anderson and daughter, Mary Lou Anderson of Houston.

Mr. and Mrs. Alvin Kincaid have returned from a recent visit in Tulsa, Okla. with their son and family, Mr. and Mrs. Aubrey Kincaid.

Visiting recently in the home of Mr. and Mrs. Fred Brown were her sister, Mr. and Mrs. Qention Daniels and Ronny of Santa Anna.

Recent guests in the home of Mr. and Mrs. E. D. Allgood were their daughter and family, Mr. and Mrs. David Prince of Irving.

Recent visitors in the home of Mr. and Mrs. W. E. Tankersley were Mr. and Mrs. Bill Whatley of Hico; Mr. and Mrs. Adolph Proffett and Beth of Comanche.

Their daughter, Gracie Tankersley of Fort Worth, spent New Year's holidays with her parents.

Visiting with Mrs. Avie Allgood recently were her brother and his wife, Mr. and Mrs. H. J. Bishop of Rising Star.

Mrs. Turner Is Hostess For Flatwood HD Meet

The Flatwood Home Demonstration Club met recently in the home of Mrs. Beulah Turner, Vice-president.

Nine members were present to answer roll call with "How to Bring Happiness to Someone." Also present were three visitors, Mrs. Clark, Mrs. McBee and Eastland County Home Demonstration Agent Mrs. Beverly Nicholson.

Mrs. Nicholson gave a very interesting program on "Budget," followed by the recreation, led by Mrs. G. M. Grieger.

Refreshments of cookies, nuts, mints and cokes were served to the following: the visitors; members Mmes. Turner, Ethel Harbin, Corene Woods, Zelma Lusk, Drue Sherrill, Grieger, Brown, Ollie McCain and Belle Ballinger.

Next meeting will be in the home of Mrs. Ballinger.

All Texas Home Demonstration Association recommendations were passed, Reporter Mrs. Ballinger said.

Next meeting will be in the home of Mrs. Ballinger.

All Texas Home Demonstration Association recommendations were passed, Reporter Mrs. Ballinger said.

Mrs. Nicholson gave a very interesting program on "Budget," followed by the recreation, led by Mrs. G. M. Grieger.

Refreshments of cookies, nuts, mints and cokes were served to the following: the visitors; members Mmes. Turner, Ethel Harbin, Corene Woods, Zelma Lusk, Drue Sherrill, Grieger, Brown, Ollie McCain and Belle Ballinger.

SALES TAX TABLE PREPARED FOR USE OF TEXAS CITIZENS

TEXAS 1964 AVERAGE STATE SALES TAX TABLE

This table is based on the Texas general sales tax of 2 percent. It may be used when deducting sales tax on Form 1041. If the table is not used, sales tax deductions must be determined and calculated separately. Exemptible sales tax on the purchase of automobiles and gasoline tax of 5 cents a gallon are not included in the table and must be treated separately.

Table with columns for Income shown on Form 1041 and Family size (Persons Over 1841), 1, 2, 3, 4, 5, 6.

U.S. Treasury Department Internal Revenue Service Doc. No. 5393 (R. 11-64) 16-76410-1 GPO

item for all states. Now taxpayers who purchase an automobile may add the sales taxes paid on the purchase to the amount shown in the table.

The result of the revisions, particularly the elimination of the allowance for autos, has reduced the amount shown on the sales tax tables. The new tables, however, are a more accurate measure of the average sales tax paid in the various states.

Internal Revenue reminds taxpayers that these tables are not required to be used. They are furnished as a

guide for the convenience of taxpayers who itemize deductions on their federal income tax returns but who wish to use a "standard" amount for state sales tax which will not require detailed substantiation. Taxpayers have the choice, of course, of deducting

the actual amount of state sales taxes paid. Cigarette taxes are no longer deductible in Texas, due to the tax law change in 1964. The average state sales tax table for Texas tells taxpayers they can deduct 5 cents per gallon.
