

Records Say Patrolmen Deserve Commendation

The Department of Public Safety — better known as Highway Patrolmen — were commended by the last 91st District Court grand jury, and a check of the county court docket gives a good indication of why they were cited.

Of the 34 cases tried in county court through late November, 27 were DPS cases, showing that the Highway Patrolmen are waging an active war on traffic violators of several kilts and kilters.

For instance, there were 20 driving while intoxicated cases; five driving with licenses suspended cases; one negligent homicide case; and one aggravated assault case filed by Highway Patrolmen.

Unfortunately all the cases filed haven't been tried. Of the 72 cases filed in county court since last Jan. 1, 56

were filed by DPS personnel.

As stated, 34 cases have been tried, eight have been dismissed, 16 cases not tried, and 14 transferred to district court. Of the 14, one has been tried, one dismissed (and refiled) and 12 still untried.

Here's a breakdown of the cases filed in the county court this year:

D. W. I., 44 cases; DWLS, eight cases; liquor violations, five; child desertions, two; contributing to the delinquency of a minor, three; defraud by check, four; negligent homicide, two; swindling with worthless check, two; aggravated assault, one; failure to surrender licenses, (plates, registration receipt, drivers license) one; and failure to comply with school compulsory law, one.

The grand jury report said this of the Highway Patrolmen: "We particularly wish to commend the members of the Department of Public Safety for their untiring efforts in the protection of the lives and property of citizens who use our highways."

One of the grand jurors called the DPS officers in Eastland County among the most efficient in the state.

CY FROST All-State Drummer

Cy Frost Is Member Of La. All-State Band

Cy Frost, son of Mr. and Mrs. Cyrus Frost and senior at Natchitoches, La., high school, has been chosen as a percussionist with the Louisiana State Band, and performed recently in a concert for the state's teacher association.

The Frosts are former, longtime Eastland residents and have lived in the Louisiana town for the past year, where Mr. Frost, an independent oil operator, has extensive interests.

Young Cy was one of two Natchitoches students selected for the All-State honor band membership, made up of 90 musicians.

The concert was held at Louisiana Tech in Ruston Tuesday, for the general session of the Louisiana Teachers Association.

Conductor for the band's appearance was Fred Fennell of the Eastlaman School of Music, Rochester, N.Y.

Cy was active while a student at Eastland High School and was a member of a much-sought and much-heard combo, known as the "Dixie Land Five, Plus . . ."

He is the grandson of Mrs. Cyrus B. Frost, Sr., of 405 S. Hillcrest.

QB Club To Meet Monday

A special called meeting of the Quarterback Club will be held Monday, Nov. 30, at 7 p.m. in the new gymnasium.

The purpose of the meeting will be to make final plans for the football banquet and basketball tournament.

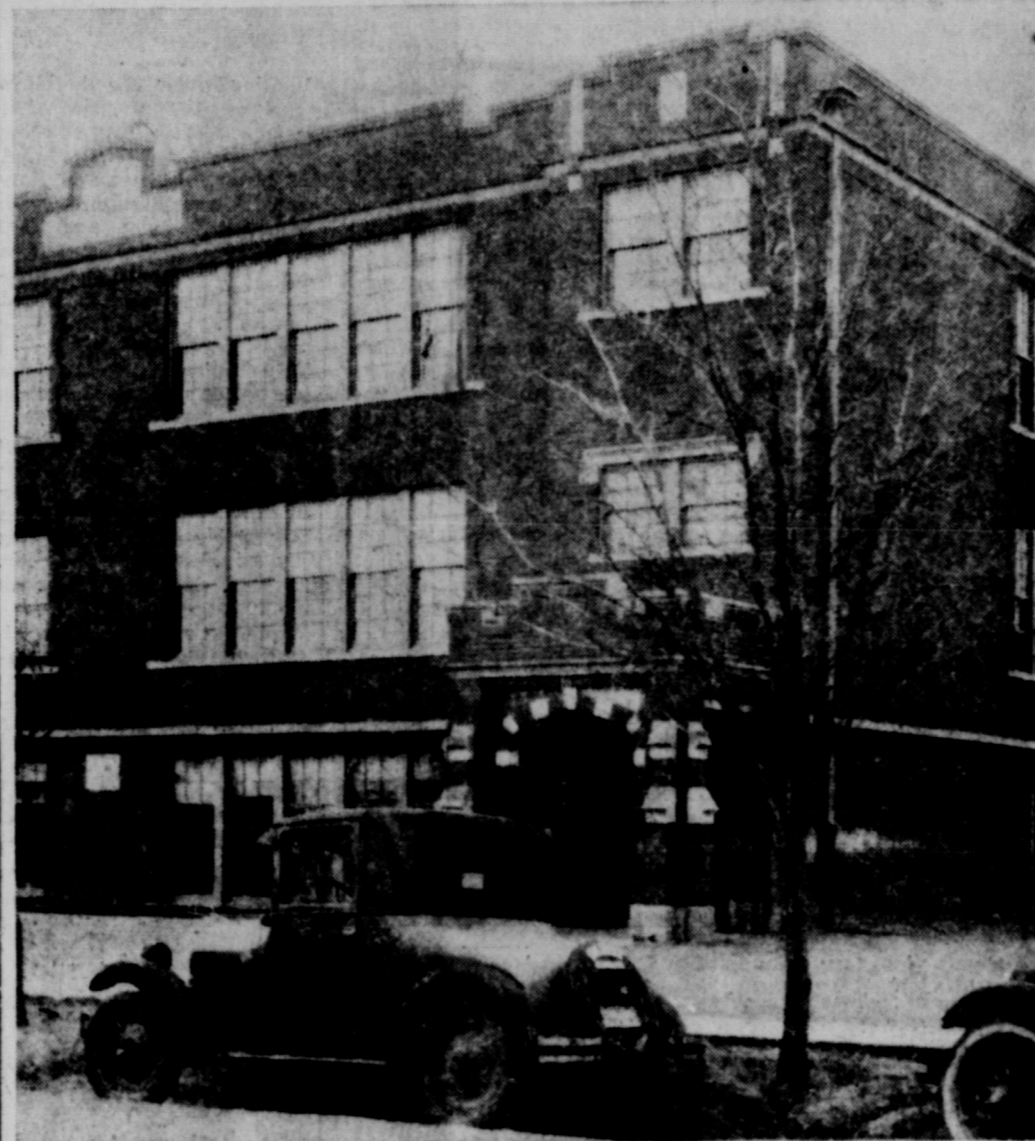

Revival Begins Monday for Week

A revival will begin at the Church of God Monday, Nov. 30, and will continue through Sunday, Dec. 6. Rev. Wayne Bridge, pastor of the Church of God in San Angelo, will be the evangelist during the revival.

Services will begin at 7 each evening and a cordial invitation is extended for the public to attend.

YOU'LL WANT to remember the reunion-planning meeting at Carbon this afternoon at the school. Ex-Student President Euell Allison is encouraging all Carbonites to come down about 2:30 to help with the plans for the mid-1965 all-school get-together.

THE BEGINNING . . .

A PROUD BEGINNING — South Ward School, only a decade old when this picture was taken, was one of the finest schools in this area. Due to deterioration and need for more classroom space, both South Ward and West Ward have been demolished, and a new Elementary School has been built and is now in use.

Community Theater On Launching Pad; Meeting Set Tuesday

"Calling all thespians." Eastland may once again be known as a center for the performing arts.

A preliminary planning session will be held Tuesday evening with a view toward a full evening's live stage entertainment soon in the future.

Mrs. Buddy Carter, chairman of the sponsoring Civic League and Garden Club has announced that the planning session will begin at 7 p. m. at the cafeteria of the new Elementary School.

Mrs. Don Russell, known for her professional theatrical directing ability, will be director of what is tentatively set to be an evening of one-act plays.

Date for the performances, again tentatively, will be mid-February, Mrs. Carter said.

All persons interested in any phase of the performing arts are welcome to attend the planning meeting and sign up for assignments in the community theater project.

Assisting Mrs. Carter will be Mrs. E. G. Rice, Mrs. Virgil T. Seaberry Jr. and Mrs. Jim Parks.

Eastland had at one time an active community theater project and was noted for being a center for the appearance of stage attractions, including drama and concert works.

The endeavor is expected to attract the interest of the entire business community for the possibility of having the city recognized again as an entertainment center, attracting visitors to town in large numbers.

Damage Suit Begins Monday

District Court will convene Monday at 9:30 a. m. to hear a \$20,000 damage suit.

Mrs. Jessie D. Bibrey of Cisco was a passenger in an automobile which collided with another vehicle driven by Cordia M. Keck of Cisco, and her husband, Mr. Bibrey, is seeking damages in the amount of \$20,000 as the result of injuries reportedly received by his wife.

The accident occurred near the Boss Manufacturing Co. in Cisco on Dec. 5, 1963.

Holiday guests of Mr. and Mrs. Otis A. Jordan and Jimmy were their son, Mr. and Mrs. Otis R. Jordan and Tammy of Cisco; and daughter, Mr. and Mrs. E. G. Black of Abilene.

Open House Set Dec. 6 for School

Open house at Eastland's new gymnasium and elementary classroom building will be held Sunday, Dec. 6, from 2 to 5 p. m., Supt. Wendell Siebert has announced.

The air-conditioned elementary school has 16 classrooms, a combination cafeteria-auditorium and other assorted offices and work areas. It is located on Sadosa St.

The new gymnasium, located on the old West Ward school grounds, seats 600 and has already seen basketball action this season. It features a beautiful maple floor and other modern physical education facilities.

The general public will be urged to attend the open house to see and examine the facilities and teachers and administrators and coaching staff will be guides for the formal opening.

No ceremonies will be held, the superintendent said.

The system's old elementary buildings, built in 1928, and known as West Ward and

South Ward, are being demolished. West Ward property will be utilized for gym parking, and south ward grounds have been sold by the school system.

Formal acceptance of the new facilities has just been made by the school board, President M. H. Perry said. He and other members have worked untiringly throughout the construction period.

Infant Child Is Critical

Infant Jeff Bakker, 16-month-old son of Mr. and Mrs. Dale Bakker of 807 S. Halbray St., was still in critical condition at Eastland Memorial Hospital Saturday morning, but listed as being some improved.

The child received severe head injuries when an automobile accidentally ran over him at the family home shortly after noon Friday.

He was conscious and was reported to be responsive, recognizing his parents and others, but complete diagnoses was being withheld until noon Saturday, pending the possibility of complications.

Mavs Take On Comanche Again There Tuesday

The Eastland Mavericks Basketball team will once again battle their first opponents of the year, Comanche, there, Tuesday, December 1.

The girls were defeated by the Comanche girls, 58-41, in the last contest between two teams.

The Mavs were defeated by the Indians in the last contest 64-52. The Indians are helped by having eight of their returning lettermen back and also having tremendous height under the basket.

The Mavs although beaten by the Indians, defeated the Cisco Lobos in their last outing.

The Mavericks will try to even their record with the Indians Friday night as they will be playing heads up ball. Maverick lettermen are Mike Miller, Norman Rhodes, Hayden Wilson, Terry Treadwell and Wayne Walden.

Eastland Pastor Is Speaker For Lions Luncheon

The Rev. H. B. Terry, pastor of the Bethel Baptist Church in Eastland, used Thanksgiving as the theme for a talk at the weekly luncheon of the Cisco Lions Club at noon last Wednesday at the Victor Hotel. He was introduced by Lion O. L. Stamey.

Using the 12th verse of the 10th chapter of Job as his text, Rev. Terry said that "Thanksgiving is truly a time for us to cry out to God with thankful hearts for having been granted the privilege of life and our many blessings."

Calling ingratitude one of man's worst sins, Rev. Terry noted that "we need men today, regardless of their faiths, who will be sincere in their faith in God and His teachings."

Repairs Begun at Nazarene Church

New improvements, such as re-roofing and re-decorating, are being made at the Church of the Nazarene.

Last week, Rev. E. E. Kinzler, pastor of the church, Rev. Odell Harris of Mineral Wells and Rev. Harold McLain of Cisco re-roofed the church within a two-day period, laying approximately 40 shingles.

The church is now in the process of being completely re-decorated on the inside, Rev. Kinzler said, and plans for re-decorating the parsonage are being made.

Concerning the happenings of the church and its members, the Thanksgiving offering, which is sent to missionaries, totaled \$65.

Rev. Kinzler was also proud to announce that the membership of the church has increased about 75 per cent since the middle of May.

Eastland County Pecan Show Will Be Staged In Ranger On Dec. 11-12

The 12th annual Eastland County Pecan Show will be held December 11-12 in the Joseph building in Ranger, according to W. T. Eaton, president of the Chamber of Commerce, and C. M. Smith, of Rising Star, president of the growers association, co-sponsors of the two-day affair.

Classes have been set up for 34 different papershell varieties of pecans, including the popular Choctaw, Wichita, and Comanche, which have been developed in recent years.

The event has been held for the past several years in Ranger. Members of the Association annually vote on the site for the show, and Ranger has consistently had the largest number of members.

Originated by Eastland County Agent J. M. Cooper in 1952 as a stimulus to the development of the pecan in-

dustry in the county and area, the show was held in Cisco for several years.

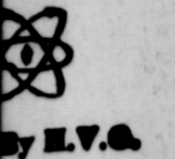

Entries of pecans are accepted from growers in Eastland and adjoining counties. The annual Eastland County Pecan "Queen" contest will be held at the Ranger Junior College in connection with the show.

THE 7-11 DRIVE-IN

JEST for fun

Seven-year-old Nancy's mother was not at the dinner table, so the little girl sat in her mother's place. Her brother, not liking this arrangement, immediately challenged her position.

"So you're the mother tonight," he said. "Well, how much is eight times seven?"

Without a moment's hesitation, Nancy nonchalantly replied, "I'm busy, ask your father."

INCREASING WORK FORCE — These busy, efficient employees at Eastland's Hollywood Vassarette plant will be joined by some 100 more employees in the spring of 1965 after an extensive expansion and remodeling project at the plant. Production at the local plant is among the most efficient per worker throughout the parent Munsingwear Corp. — a major factor in the company's decision to expand the Eastland operation. The Eastland plant has traditionally been the largest of a four-plant Southwestern operation, losing that distinction recently to the Arkadelphia, Ark., operation, but destined to regain its position, with the expansion here.

United Christmas Charities Directors Meet Tuesday

The Board of Directors of the United Christmas Charities are to meet at 7 p.m. Thursday at the White Elephant restaurant.

There are two members from each of the larger churches and one member from most of the smaller churches.

The Board consists of the following: H. T. Wilson, Chairman, Earl Bender, J. M. Cooper, Judge Cecil Collings, Earl Lewis, J. F. Collins, K. D. Butler, P. O. Woods, Harold Courtney, Bernard Hanna, W. T. Gregory, L. A. Bennett, Johnson Smith, Marlin Jackson, Marcie Johnson, H. V. O'Brien and Morris Keasler, Coordinator.

Last Christmas 71 people contributed \$874.00 to this charity fund and this enabled us to feed 57 families and buy warm clothing for 14 children.

Many calls are coming in for help and it looks as if our needs will be as great or greater than last year.

Every dime contributed to this organization is spent for charity in our town and not a penny is spent for operational expense.

This week there have been sounds of delight and of disappointment as students received their report cards.

"Verb Conjugation? For the Birds." This was heard from several of Teach Johnson's students as she began her annual conjugation treatment.
