

A LINE-UP OF HONOREES — At Lone Cedar Country Club Thursday evening following the annual Jaycee Banquet were these dignitaries. From left to right: Dr. Bob Alexander, picked Outstanding Young Man of Eastland for 1964; Dick Johnson, just-elected president of the Eastland Jaycees; State Rep. Wayne Gibbens of Breckenridge, who made the OYM presentation; and Cong. Omar Burleson. (Staff Photo)

DICK JOHNSON WILL HEAD JAYCEE CLUB AS PRESIDENT

Nearly 100 Eastland Jaycees and their guests saw Dr. Bob Alexander, 35, honored Thursday night as the "Outstanding Young Man of the Year," and Richard L. Johnson elected new president of the Jaycees at Lone Cedar Country Club.

Rep. Wayne Gibbens of Breckenridge presented the award winner during the annual banquet.

Other highlights of the program was the last-minute (and in some cases, the last-ditch) appeals by the campaign managers of Jaycee office candidates for 1964.

Following the club member balloting, Johnson was announced as new president; Ben Lancaster, vice president; Dick Dixon, secretary-treasurer; and Roger Blackmon, inter-club director.

Dr. Bob Alexander -- Outstanding Young Man Is Revealed By Representative

(ED. NOTE — The following is the text of the introductory remarks made by State Rep. Wayne Gibbens of Breckenridge in revealing the identity of Dr. Bob Alexander, Eastland's Outstanding Young Man.)

"I believe in working, not weeping; in boosting, not knocking; and in the pleasure of the task ahead..."

"I believe that a man gets what he goes after, that one deed done today is worth two deeds tomorrow, and that no man or group of men can be down and out until faith has been lost to each. I believe in today and the work I am doing; in tomorrow and the work I hope to do, and the sure reward which the future holds."

Surely, this "Busy Man's Creed" must paraphrase the philosophy followed by Eastland's Outstanding Young Man.

You do me great honor by asking that I present your Outstanding Young Man.

The story of his life reflects the opportunity one has in America—yes, in our community of Eastland; for here in the area in which we live and strive to be successful in various endeavors, this person has proven beyond a doubt that we still live in a land of opportunity. His efforts, his drive, his determination, are qualities which have brought him to a high degree of success under our system of freedom of thought and action, and only in a Nation (Continued on Page Two)

Mrs. Collins Is Buried In Final Service Monday

Mrs. Velma Lydia Collins, 65, a longtime resident of Carbon, died at 4 p. m. Saturday at the Lawndale Nursing Home in Gorman following a lengthy illness.

Funeral services were held at 3 p. m. Monday in the First Methodist Church here with the pastor, Rev. J. B. Cole, and Rev. Robert Saunders, pastor of the Gorman First Methodist Church, officiating. Burial was in Murray Memorial Cemetery under the direction of Higginbotham Funeral Home of Gorman.

Born May 28, 1898 in Cisco, she was married to William Henry Collins Jan. 31, 1917 at Carbon. She was a member of the Carbon Methodist Church and the Order of the Eastern Star Lodge at Gorman.

Survivors include her husband; five sons, D. M. of Houston, M. Sgt. Robert of Waco, Joe of Gorman, Pat of Graham, Mike of Eastland; one daughter, Mrs. James L. Bigby of Fort Worth; 16 grandchildren and five great-grandchildren; her parents, Mr. and Mrs. Walter Wyatt of Carbon, two sisters, Mrs. Luther Reese and Mrs. Jack Abbott both of Carbon, two brothers, L. D. Wyatt and C. M. Wyatt of Odessa.

Palbearers were Henry Hines, Hubbard Gilbert, Joe Davis, Glenn Justice, E. G. Henderson and Othell Clark.

Jaycee Kiddy Karnaval Kicks Off Wednesday for Four-Day Stand

The 1964 edition of the Eastland Jaycee's Kiddy Karnaval will unfold on the Wagon Yard next week.

With extra wide appeal for youngsters, the show will feature more rides, more games, more shows and more fun than ever before.

Chairman Grover Hallmark reports that additional rides will be installed and the club will also have more fun booths.

Set to begin Wednesday (after prayer meeting time) the carnival will run until Saturday. The Wagon Yard is located on East Main St., just east of Perkins Implement Co. Jaycees have arranged to have the street north of the Wagon Yard closed, in order to expand the carnival facilities in that direction, clear to and onto the grounds of the Douglas Community Center. This will enable the proprietor, Mr. Gene Ledel, to offer more fun rides and shows than in the past.

Jaycee club members will also sponsor and man certain booths, too, including the always-popular "dunking booth". Don't forget the place, and the days, Hallmark says — Wednesday through Saturday.

Mr. Ledel's attractions have the reputation of being the cleanest and most family-oriented features ever to appear in this area, Hallmark said.

Although many of the features are particularly for the children, parents are reminded by Hallmark that there will be attractions for all ages.

Plans Ready for Pecan Budding School April 15

Arrangements have been completed for the annual Eastland County Pecan Budding and Grafting School to be held at Cisco Junior College on Wednesday, April 15, according to announcements by County Agent J. M. Cooper and Manager Tom Stevenson of the Cisco Chamber of Commerce.

The morning session of the school will begin at 9 a. m. at the college cafeteria. Anton White, vice chairman of the CoFC agriculture committee, will welcome visitors, who are expected from all surrounding counties as well as from throughout Eastland County.

Mr. Cooper will take charge of the program and give detailed instructions, including demonstrations on when and how to bud pecan trees, the various types of budwood, how to store budwood, seasoning budwood, wrapping, when and how to force buds into growth, the difference between budding and grafting, and the latest grafting techniques.

The visitors will be served their lunch at the cafeteria, according to Mr. Stevenson.

Following lunch, the group will assemble at the Kent Word pecan orchard, three miles south of Cisco in the Leon River bottom, for a practice session in budding. A grafting demonstration will be given.

Mr. Cooper said there would be a good supply of double bladed pecan budding knives and the new plastic budding tape available. Cold storage pecan budwood of several popular varieties will also be available for those desiring it.

Mr. Stevenson said that inquiries from interested people had been such that a record turnout is expected. The school is open without charges to anyone interested.

The Cisco CoFC and the county agent are co-sponsors of the annual event. Members of Cisco committee are A. Z. Myrick, Mr. White, Tommy Toland, Rudolph Schaefer, Sutton Crofts and Sam Kimmell.

MRS. WAGLEY
Mrs. B. E. Wagley Issues Statement For County Supt.

Mrs. B. E. (Audye) Wagley Cisco teacher who is a candidate for Eastland County School Superintendent, issued a formal statement Friday in connection with her bid for public office.

"The decision to enter the race was my own," Mrs. Wagley said. "I am not obligated to any person or to any group. Having taught the Constitution of the United States for years, I firmly believe in the Constitutional right of the individual to be elected to public office."

'Bill Holliday Fund' Near \$700 As Friends Are Remembering

Preliminary steps are being taken to have Bill Holliday, 25-year-old Olden man who is in critical condition in a Fort Worth hospital with burns over half of his body, transferred to a veterans hospital.

The young man was critically burned in an automobile accident on U. S. 80 near Gordon Junction recently and has been in the Fort Worth hospital since that time. He is receiving intensive, specialized burn care at the hospital.

His friends in Eastland County have responded to the need for funds to pay for expensive care he is receiving.

Over \$600 has been donated in the form of many gifts—a quarter here, a dollar, a five, a ten, and more as people who remembered young Bill as a grocery sacker in an Eastland store. Remembered how he worked his way through high school and then through Ranger Junior College. And by many who did not know him personally, but know of the need.

A check of records shows that Bill was in the service from Aug. 16, 1961 until Aug. 15, 1963. He was a Specialist Fourth Class at discharge, and had been a truck driver while in service. At the time of the accident, he lived in Weatherford and drove a bread route truck.

Most recent contributions to the "Bill Holliday Fund" include:

Heralds Clean-Up Time in Eastland

As the spring is at its peak, it is commonly known that it is time to clean up. The people of Eastland are being urged to clean up their town by participating in the "Clean-Up Campaign."

The Civic League and Garden Club is again sponsoring the "Clean-Up Campaign." During the week from April 20 to April 25 the city will offer special pick-up services in order to encourage more people to take part in the campaign. Only if everyone in the city co-operates, can this campaign be a complete success. Let's all help to make Eastland a better and more beautiful place to live and work!

The Civic League and Garden Club urges you to give special attention to the following points:

BEAUTIFICATION — Check on the need for painting and repairing houses, fences, etc.; planting seed and plants, pruning shrubbery and trees, and removing dead wood. Vacant lots should be cleared of rubbish and weeds.

SAFETY — Give attention to pruning trees and shrubs which create dangerous blind corners. Remove fire hazards. Remove dangerous objects which might injure children; especially remove discarded refrigeration and deep freezers that have doors which lock.

HEALTH — Destroy weeds such as ragweed and Johnson grass. Clear out breeding places of flies and mosquitoes.

The special pick-up services will begin April 27. All rubbish must be out by that date.

County 4H's Elect Officers

The Reddy Room of the Texas Electric Building in Eastland was the scene for the 4-H County Council meeting Friday.

County 4-H officers and district officers were elected, as follows: Kathy Kincaid, chairman; Kenneth Forman, vice chairman; Sandra Orms, secretary; Ivy Ferguson, girl's treasurer; Allan Forman, boy's treasurer; Sharon Harbin, reporter; Tommy Lee, recreation chairman; Ruby Wende and Kenny McCulloch, district council officers.

It was announced there will be a record book training school on June 5th.

SINGING AT SCRANTON

The Eastland County Singing Convention will be held at the Scranton Methodist Church, Scranton, Sunday, April 12, from 10:30 a. m. to 4 p. m. Lunch will be spread at noon.

National Library Week

Mrs. E. A. Cushman, Librarian

"Reading is the Key" — a very appropriate theme for National Library Week, which begins today and continues through the 18th.

The Eastland Public Library joins the thousands of Public Libraries across the nation in observing National Library Week each year in the hope that more people will realize the importance of a well-read nation.

Young people who read well are the best scholars. "Reading is the Key" to understanding, if it be History, Government, English, Languages, the Sciences, even Mathematics. It is also the key to leisure fun, information, professional growth and job advancement.

The Library Committee of the Thursday Afternoon Club invites you to visit the Eastland Library during Library Week and see for yourself the many good books on our shelves.

Each year the Library names one young person as the "Library Citizen of the Year" to encourage more young people to read. This year the honor goes to Steve and Phil Hunt, the 12 and 14 year sons of Mr. and Mrs. B. L. Hunt of 403 E. Sadosa St. They each read 101 books during the year.

During the week, the Thursday Afternoon Club plans to observe National Library Week with a program on Libraries, followed by a tea for guests and members. Primarily, it will be a time to consider the pleasure and profit of reading.

Mr. T. M. Temple of the local Safeway tells us that according to his firm's annual report, Safeway Corp. had 29.05 stores in operation on the last day of 1963 — with a record \$2.65 billion in sales for the year, an increase of 5.6 sales in 1963 was \$24,000 per store per week, the report said. The firm has expanded abroad with facilities in Hawaii, Australia, England and West Germany.

Ben E. Hamner, President

Dr. Alexander
such as our own, can one exercise his resourcefulness to such proportions. Only here can one be assured that the real qualities of life bring lasting success.

But the task has not been and is not his alone... there is one who is a strong, motivating force in the plans of our honor guest. I refer to his lovely and devoted companion, whose encouraging words and active deeds have added pwer to his forward drive. You see, it was on May 28, 1949 that this young man took unto himself this companion for life, in the city of Gordon and she has proven all that the word companion implies.

It was during the year of the great economic crash—1929—that our honored friend was born Jan. 21, 1929. He first saw the light of day in Anson.

In a few years this boy grew tall, tall in physical stature, but much taller in mental capacity and physical drive. After graduating from Gordon School, he attended Tarleton State College, The University of Texas Pharmacy School, and the University of Texas Medical School.

To assist him in his pursuit of an education, both in high school and college, he spared no effort in obtaining that which he had set his mind to accomplish. He shared his talent and promise of a successful future with all of those with whom he came in contact.

This young man gave a measure of his life to his country, having served two years in the United States Army. He served as captain in the Army Medical Corps from 1956 to 1958.

This young man fulfilled his driving ambition to become a doctor. He has devoted much energy to the Eastland County Medical Society, acting as president in 1963 and secretary-treasurer in 1964.

In all his activities, he has given much time, effort and direction to the guiding of young life in the direction of successful future. His interest goes beyond the field of medicine because of his desire to be active in the civic affairs of the community in which he has made his home. Active in his church, he is and has been a member of the official board of the First Methodist Church in Eastland since 1958. He served as chairman of the board in 1961.

As a member of the Lions Club, he has rendered service to his community as chairman of the health and welfare committee and as chairman of the upcoming G L a u c o m a Screening Program.

He is a member of school board.

I could name innumerable accomplishments, but in short, his efforts are always directed toward doing a good job and assisting those about him. The account of this 35-year-old man is evidence that we live in a nation of free people, where God gave to each of us the capacity to expand and to use our talents to the best of our ability, and tonight, I submit to you an exemplary success story. A devoted husband, and a dedicated father of three fine children — Kay, 12, Robin, 9, and Terry Don 4.

I am sure you know of whom I speak, for on Jan. 21, 1929, our honor guest — Eastland's Outstanding Young Man — was christened Billy Bob Alexander — "Dr. Bob."

Local Woman's Sister Buried In Knox City

Funeral services for Mrs. Josie Dennington, 86, of Knox City, and formerly of Gorman were held at 10 a. m. Wednesday at the Foursquare Church in Knox City with the Rev. Floyd Bailey, pastor officiating. Burial was in Knox City Cemetery under the direction of Pinkard-Smith Funeral Home.

Mrs. Dennington died at 5:55 p. m. Monday in the Knox City Hospital following a long illness.

Born December 16, 1877, in Missouri, she married G. E. Dennington in Gorman December 22, 1896. They moved to a farm near O'Brien and after retiring, moved to Knox City.

Survivors are two sons, Jess and H. C.; one daughter; eight grandchildren and two sisters, Ollie Sims of Gorman and Mrs. Curt Williams of Eastland.

Omar Burleson Issues Statement In Congress Race

MR. BURLESON

Omar Burleson, veteran Congressman from the 17th District, issued a formal statement Friday in connection with his bid for reelection in the May 2nd Democratic primary. He is conducting an active, vigorous campaign.

In seeking reelection, Mr. Burleson said that he is basing his campaign on his record of nearly 18 years service in Congress.

"In that time I have never been a rubber-stamp, but have fulfilled my responsibility to vote on each issue for the best interest of my Country, my State, and my District," Mr. Burleson said.

"I do not think the people of the 17th District want or deserve anything less."

Mr. Burleson, at 58, is already one of the senior members of the U. S. House of Representatives in the point of service.

His seniority has carried him to the chairmanship of the potent House Administration Committee, and to the third ranking position on the powerful House Foreign Affairs Committee. In addition, Mr. Burleson serves on two important Joint Committees formed from senior members of the House and Senate, as Chairman of one and Vice Chairman of the other.

"In all my years in Congress," Mr. Burleson said, "I have followed two guiding

principles: First to know the views of my constituents and reflect their sentiments to the greatest degree possible in my actions as their Representative. Second, to inform and advise as closely as I can on those issues which affect my district, my state, and the nation.

Mr. Burleson termed his approach to government as one of "common sense," gained through his years of public service.

A former special agent for the Federal Bureau of Investigation, Mr. Burleson is former county attorney and county judge of Jones County, and served three years during World War II in the Pacific.

As a leader in Congress, Mr. Burleson has consistently urged the return to a sounder fiscal policy, and the cutting of unnecessary and extravagant federal spending.

"I have tried to see that your tax money is spent as wisely, and as frugally, as you

Gibbens Reveals Ford Foundation Grant To Council

Representative Wayne Gibbens of this district has announced the approval of a Ford Foundation grant of \$88,000 to the Texas Legislative Council which will help a five year program for "interns" in the Texas Legislature next September.

Gibbens, chairman of the Finance Committee of the Legislative Council is also serving on the Legislative Internship Advisory Committee with House Speaker, Byron Tunnell and Lieutenant Governor, Preston Smith.

Representative Gibbens said there is a four-fold purpose in the new plan:

(1) to help provide the legislature with competent service and research staff personnel.

(2) to stimulate research in and improve teaching programs about the legislative process.

(3) to provide practical experience.

(4) to open freer communication between the academic community and the Legislature and its agencies.

The primary aim of course is simply to attract qualified personnel to careers in government, careers that sometimes go begging for want of proper encouragement, Gibbens said.

Interns will work directly with the Legislature and its committees, the Texas Legislative Budget Board and the governor's office.

The opportunity appears to be broad and the basic qualifications are not out of reach of interested students. Applicants must have one year of graduate study. This may be in a school of law, in government, journalism, economics or other social sciences.

They need not be currently enrolled in graduate studies.

The advisory committee will make final selections. This group is made up of representatives from both legislative houses, the service agencies, the governor's office and The University of Texas.

There are seven places open for the first year of the program next September.

would have spent it had you been in my place," Mr. Burleson said. "The record will definitely show that on many occasions I have found myself in the minority — especially on needless spending of the taxpayers money. I am proud that I have never failed to exercise the right to vote and to do as I thought best."

"At every session of Congress, I have voted for expenditures below that recommended by the Executive Department, and far below that actually appropriated by the Congress, except in the field of National Defense," Mr. Burleson said.

More Lots Open For Lake Cabins

Fifteen new lots have been surveyed and are ready to be leased on the north shore of Lake Cisco, Mayor John H. Webb reported Friday. The new lots are located east of the group of lots opened last year.

Mr. Webb said the survey work was continuing and that other lots would be available from time to time. The demand for them continues to be good, he said. More than 100 lots have been leased by the city for cabin sites.

Work was near completion of the new public boat launching ramp on the south shore.

The locusts of the plagues are also called shorthorn grasshoppers.

The wheeled chariot made the Sumerian army invincible until the Syrians also adopted the device.

Plans Underway For Annual Lone Cedar Golf Meet

Plans for the fourth annual invitation golf tournament at Lone Cedar Country Club, which has been scheduled for June 12-14, are well underway, according to an announcement by Joe Collins of Kanger, the general chairman.

Prizes worth some \$2,100 will be given to the winners and runnersup of all flight and consolation brackets. The entry fee this year will be \$15, which will include the barbecue. Those who wish to attend the barbecue will be offered the tickets for \$2.50 each.

Committees have been named to handle tournament details as follows:

Prizes — Bruce Pipkin. Registration and pairing — Johnny Bates, Bruce Pipkin, Buddy Haun and Charles

Freyschlag. Barbecue — Bill Collins. Pro-Am — Andy Taylor and W. J. Sipes. Greens and grounds — Ted Nickstick and Joe Collins. Liaison — Joe Collins. Starter — Neil Day. Advertising — Jack Germany and Jim Parks. Treasurer — Jim Parks and Buddy Haun. Rules — Johnny Bates, Esco Walters, James Smith, Bruce Pipkin, and Don Doyle. Publicity — Rip Galloway and J. W. Sitton.

Local Musicians On Play Program Sunday

Dr. Richard C. von Ende, chairman of the McMurry College Fine Arts Division. Accompanists for the concert will be Ben G. Karnes, pianist from Breckenridge, and the string trio composed of Mrs. Hittson, violinist; Mrs. David Pickrell, violinist of Ranger, and Mrs. Tom Wilson, cellist of Eastland.

The program will include a group of songs that are older period-England and Italian, a group of German songs, 2 modern French and Spanish numbers, and a difficult aria from Beethoven's "Fidelio."

Karnes will present a piano solo and the string trio will be featured in a special arrangement by Dr. von Ende.

Mrs. Hittson is president of the Cisco Music Club and a member of Texas Music Teachers Association and the American Guild of Organists. She is a graduate of Hardin-Simmons University, North Texas State University, and Chicago Musical College. She holds the bachelor and master of music degrees, with work done toward a doctorate in music education. She is the wife of a Cisco rancher who also is a musician.

Karnes, director of music of First Presbyterian Church in Breckenridge, also teaches piano in Eastland and Ranger. Mrs. Frost attended the University of Texas and has studied voice at McMurry for

about four years. A student of languages as well as music, she is a good linguist and does quite well in various languages, Dr. von Ende said. Mrs. Pickrell began her musical training in Peru, Neb. in Peru State Teachers College. She has also studied in Kansas City Conservatory of Music with Arnold Volpe. Since coming to Ranger she has studied with Clyde Whitlock in Fort Worth. She plays the viola, organ and piano as well as the violin. Mr. Pickrell, owner of May Insurance Company, and Mrs. Pickrell have one son, David, a student in Ranger Junior College.

Mrs. Wilson, wife of the president of Eastland National Bank, is a graduate of Texas Woman's University where she was a member of the college symphony. Since coming to Eastland she has studied with Al Lotspeich, former head of Ranger Junior College Music Department. The Wilsons have two young daughters and are active in Eastland Civic affairs.

MRS. WAGLEY ...

(Continued from Page One) her own agent. "The only promise that I make regarding the office is to try to do an honest day's work when and where there is work to be done. "I feel that I am qualified to do this work properly. My experience and education have been such that I meet all of the professional requirements for the position I seek. "Because I was late to enter the race, I know that it will be impossible for me to contact each voter in the county personally. I will try, however, to see as many as I can. I will sincerely appreciate every person's consideration and vote."

Mrs. Wagley is the former Audye Gentry, daughter of the late Mr. and Mrs. Gilbert Gentry. She was born and raised in Stephens County. She has one brother, Delma Gentry, of Route 3, Cisco, and one sister, Mrs. J. G. High of Cisco.

A graduate of Breckenridge High School, Mrs. Wagley is a veteran of 24 years as a teacher in Callahan, Shackelford, Stephens and Eastland Counties. She has taught in the Cisco Public Schools for the past 19 years, and is a member of the high school faculty at the present time.

Mrs. Wagley has a BS degree and holds a permanent professional certificate. She has attended seven colleges and universities, including Randolph Junior College, Ranger Junior College, Sul Ross College, Danie Baker, Texas Woman's University, H-SU, and McMurry College. In addition, she has studied with the American Academy of Accounting.

Civic League-Garden Club To Visit Chandor Gardens April 13

The Civic League and Garden Club held their final spring luncheon at the Woman's Club Wednesday, April 8th. There was a spring atmosphere reflected by the gaily colored tulips used as centerpieces for each table and on the serving table. Several guests Mrs. Ernen Haby, wife of the speaker for the meeting.

Hostesses for the occasion were Meses. V. T. Seaberry, T. M. Temple, James Pipkin, Milton Hunt, Morris Jones, and H. V. O'Brien.

Following the luncheon plans were made for the members and their guests to visit the famous gardens of Douglas Chandor at Weatherford, Texas. The studio where many of the famous Chandor portraits were painted is there. Everyone who has visited the Gardens tell of the beauty of the place where once soilless, rocky ground has been transformed into a flowering oasis of streams, water lilies, Chinese lotus, azaleas and overhanging wisteria. Many photographs of the gardens have appeared on postcards and in magazines such as Life, Look, and Saturday Evening Post. A person who hasn't seen the gardens will have a real treat and anyone who has been there before will surely enjoy seeing the flowers again.

The date for the trip was set for Monday, April 13th. Those who wish to go are to meet at 9 o'clock Monday morning at the Woman's Club, drive to Weatherford, visit the gardens and have lunch afterward.

Eastland Wins In Ranger

Terry Treadwell defeated Johnnie Camacho of Ranger 6-1, 6-0, and in the finals he defeated Kenneth Rogers of Clyde 6-2, 6-3, 7-5 for 1st place in District Singles in the Tennis Tournament held at Ranger Friday.

Marsha Treadwell defeated Pat Castleberry of Albany 6-1, 6-0 in the Senior girls finals. Sharon Day and Elaine Berger won 6-2, 2-6, 7-5 in the girls doubles.

Larry Wilson and Ted Martin defeated the boys double team of Albany 6-1, 6-0; then lost in the finals to Jim Doyle and Richard Scott of Clyde.

Marilyn Huckaby lost in the Junior division singles. Gene Shaw defeated the Albany Junior singles entry, then lost to Cecil Yeager of Clyde in the finals.

Winning first place in their respective divisions in District 10A qualified Terry Treadwell, Marsha Treadwell, Elaine Berger and Sharon Day to enter the Region Tennis Tournament in Denton on April 22, 23 and 25.

Wesleyan Service Guild Meets

The Wesleyan Service Guild met Wednesday, April 1 at 7 p. m. in the church parlor of the First Methodist Church.

The meeting was opened by the president, Mrs. Joe Stephens who read a poem "Say It" followed by the Guild hymn.

The program was the third in a series of spiritual classics on "Toward Christian Perfection". Mrs. Frank Crowell gave points of similarity in each of the spiritual classics.

Mrs. Rudolph Little gave the devotional on the theme of planting a spiritual garden. Dr. V. Cyrus Barcus gave a biographical sketch of John Wesley preceding his discussion of Wesley's writings on Christian Perfection.

The meeting adjourned by repeating the Guild benediction.

The Olden P-TA will meet Thursday, April 16 at 7:30 p. m. at the Community Center. Installation of officers will take place at this time.

'The South Pacific Is An Ideal Used-Blade Depository'

By JOSEPH PERKINS

At Sea: March 22, 1964
After sending my first letter just before sailing from Los Angeles we were deluged with mail, messages and packages of fruit from friends and well wishers. I was glad to notice that there were no flowers. They probably may come later—many years later I hope!

The Pacific is a large and lonely ocean. We have seen no other ship since leaving California three days ago. We are far from lonely on this ship however, as we have already made friends with couples from Alaska to Connecticut, including five couples from good old Texas. And there is plenty to do. Eating is one, and the food is wonderful! The breakfast menu includes over fifty items to choose from and the dinner menu really needs an index it is so large. As yet we are still in a cool climate with temperatures in the 50s and 60s. In another day or two it should get much warmer. On deck, shuffleboard, tennis and deck-quoits are popular, and I am getting active in the latter.

Yesterday we had a lecture on Bora Bora, the island we will visit on Friday, March 27. The literature calls it "a flawless tropical gem" and it is regarded as being one of the most lovely small islands in French Polynesia. It is

protected by a circular coral reef and contains a volcanic peak, Mt. Otemanic. It was discovered by a Dutch sea captain in 1722 and was later visited by Captain Cook and the famous Captain Bligh.

Last night at dinner there suddenly appeared at the table of a couple sitting at our end of the dining room six or seven waitresses who immediately sang, "Let Me Call You Sweetheart," to the astonishment but pleased couple. It was their wedding anniversary.

This morning while shaving I had this thought what a wonderful place the Pacific Ocean is to get rid of a dull razor blade. And as it takes its zigzag course down thousands of feet towards the bottom of the sea, suppose some poor fish should snap it up? What would his feeling be later on?

Our capable and attractive waitress has a sense of humor. She takes life seriously, however, and when asked where she lives she replied, "San Francisco and I am now only one hundred and thirty six miles from home."

We have just crossed the equator, an event punctuated by the appearance of King Neptune and his queen, dressed in appropriate style, with several court attendants. There followed some wildly

exciting antics as the uninitiated were given the full treatment including a ducking in the swimming pool.

Yesterday morning I discovered a bird on the boat deck. He was larger than a dove and evidently had come aboard during the night. I learned from the navigation officer that the ship was 1,140 miles from the nearest land. A biologist professor from the University of California is on the ship and he identified the bird as a petrel. After resting until nearly noon he took off for an unknown destination. Since he can rest and relax on the water and there are many flying fish about I have no fear for his future.

The ship Monterey is well equipped to keep the tourists busy and happy with nearly all sorts of entertainment. During the day there is table tennis, deck quoits, shuffleboard, movies and lectures, not to mention three good meals.

In the evenings there is dancing, a fine library and reading room, a writing room, theater, band concerts and cards. The ship's photographers are everywhere and just about everyone gets in the pictures. For those who wish to use it, there is an excellent laundry available with several automatic washing machines, dryers, and ironing equipment. It is all free and is well patronized. Also, there is a bar, barber shop, beauty parlor and a nice gift shop.

I was much interested in a visit to the bridge where I found every modern navigational aid and a quite remarkable fire detection system, including automatic closing of fire retarding doors throughout the ship. And there are enough sturdy lifeboats for everybody's safety. All in all this is a good American ship!

Last night the sky was clear and for the first time on this trip we saw the Southern Cross. This constellation appears on both the New Zealand and the Australian flags. Last night's dinner decorations were in French motif because we are approaching the French islands.

BROWSING with BEV.....

Consumers are faced with many problems in buying today's fabrics. These problems result from the many new fabric finishes, the increasing number of fibers and the growing practice of blending fibers.

Textile labeling helps the consumer make wise choices which will provide for greater satisfaction in use.

A label is required by law to tell the consumer:

1. The generic or family name of the fiber.
2. The registered identification number, or name under which business is conducted.
3. The percent of each fiber in the fabric, listed in the order of its predominance by weight. If the fiber content is 5 percent or less, it is listed as "other fibers."

The fiber trade name may appear with the generic name but the lettering must appear in equal size at least once on the label.

5. The country of origin, if other than the United States. Consumers can promote the use of labels by asking for and using informative tags; patronizing firms which label merchandise well; demanding wider use of informative labels; letting people know when a label is helpful; understanding the label terminology and fixing the label for future

use as one would a recipe.

Olden WMU Meets, Visits

The W.M.U. of the Olden Baptist Church for the last three Monday's, March 23, March 30, and April 6 met at the church for a season of prayer.

Following the meeting the group visited homes in the interest of the revival which will begin April 12 and extends through April 19.

Trained evangelists will be in charge of the revival. First use of the new building will be in 1700.

A SAD STORY

Behind the "Sale" sign, a sad story is told. They could pay for a home, but the rates are high; the house is to be sold at a loss. This could be changed if the would seek a home loan, such as a home loan association.

You cook for pennies...

when you cook electrically

You'll be delighted to find out how little it costs to cook the modern electric way. Surface units cook by direct contact with utensil bottoms, use heat thriftily. The electric oven, insulated all around including the bottom, keeps heat inside where it belongs. And once the oven reaches the temperature you select, it uses electricity about one-fourth of the cooking time. It costs the average family only about 3¢ a meal to cook with flameless electricity. See your electric range dealer soon. Cook better... live better... electrically!
