

REGULAR SEASON 9-1, DISTRICT 5 - 0

# Mules 1978 District 3-AA Champs

It was cold, but without the wind that held throughout the Dimmitt game the week before. With the temperature hovering around the 40 degree mark, the Muleshoe Mules took to the playing field at Morton Friday night in the last regular game of the season. In the first quarter of action against the Morton Indians, the Mules failed to move the ball into scoring position, and the Indians took advantage to put their only points on the board. Morton quarterback Joe Bob Wynn found David Moore on a 30 yard pass play to add the first points with 2:41 left in the first

quarter. Kicking the extra point was Lanny Fluitt. At one point, the Mules advanced the ball to the six yard line, then to the three on a Morton penalty before being held on downs. This action followed an interception by Charles Briscoe and a brisk 61 yard run by Zeke Pecina. He twisted through the line and almost ran it all the way, before a fleet-footed Indian caught up with him on the six. However, not satisfied with intercepting, Charles Briscoe got his first touchdown of the year in the second, with 5:08 on the clock. He took a punt right at mid-field and ran it back 50 yards and into the end zone. Dickie Sudduth tied

the score at 7-7 with his kick. Going into the locker room at halftime, the score was all tied up in a neat package of 7-7. Fumbles, which had kept both teams diving for the ball all night helped set up touchdowns in the third quarter for the Mules. Although both teams had fumbled four times each during the game, and a Mule fumble set up Morton's sole touchdown, the Mules scored at 5:41 of the third on a Mike Northcutt - Dickie Sudduth pass for 21 yards, with Sudduth kicking the extra point to take the lead, 14-7. Nine seconds later, the Mules had the ball again, following a Morton

fumble. After moving the ball downfield, Zeke Pecina gathered in his first touchdown for the year. Although he had made good gains all year in yardage. He slammed over from the three to make it 20-7 and Sudduth again kicked to light up the scoreboard at 21-7. A tightened up Mule defense kept the Morton Indians from threatening, although the team managed to move the ball to gather in two or three first downs. Just going into the fourth, Dickie Sudduth broke loose for a 80 yard gallop into the end zone, outracing the pursuing Indians and adding another six to the mounting score. This time, George Villarreal added the extra point putting the Mules out front, 28-7. With two quick fumbles, the Mules turned the ball over to the Indians, who failed to take advantage

without any gain, as a 17 yard 'sack' wiped out his 14 yards for a minus three. Muleshoe had a total of 391 rushing yards to 78 for Morton. Muleshoe had 17 first downs to seven for Morton; Northcutt completed three passes for 19 yards of nine tries and Morton completed three of nine passes for 53 yards. Muleshoe received five yards in penalties to 33 for Morton. Each team fumbled the ball away four times. Monday, the team will start workouts to get ready for bi-district action against Idalou Friday night in Canyon.

## SPS Selected For '78 'Outstanding' Honor

Southwestern Public Service Company, Amarillo, Texas, has been selected as Electric Light & Power magazine's Outstanding

Girls' basketball action gets underway in Muleshoe Tuesday with three games scheduled in the Muleshoe junior high gym starting at 4:30 when the freshmen girls take to the court, against Bovina. Coach Robert Brandon and Coach Mike Mayberry will be guiding the girls' basketball teams this year. The junior varsity and varsity games will follow the first game.

The Muleshoe Jaycees planned a trap shoot for this Saturday and Sunday (today) starting at 1 p.m., across the highway from Robert Green, Inc.

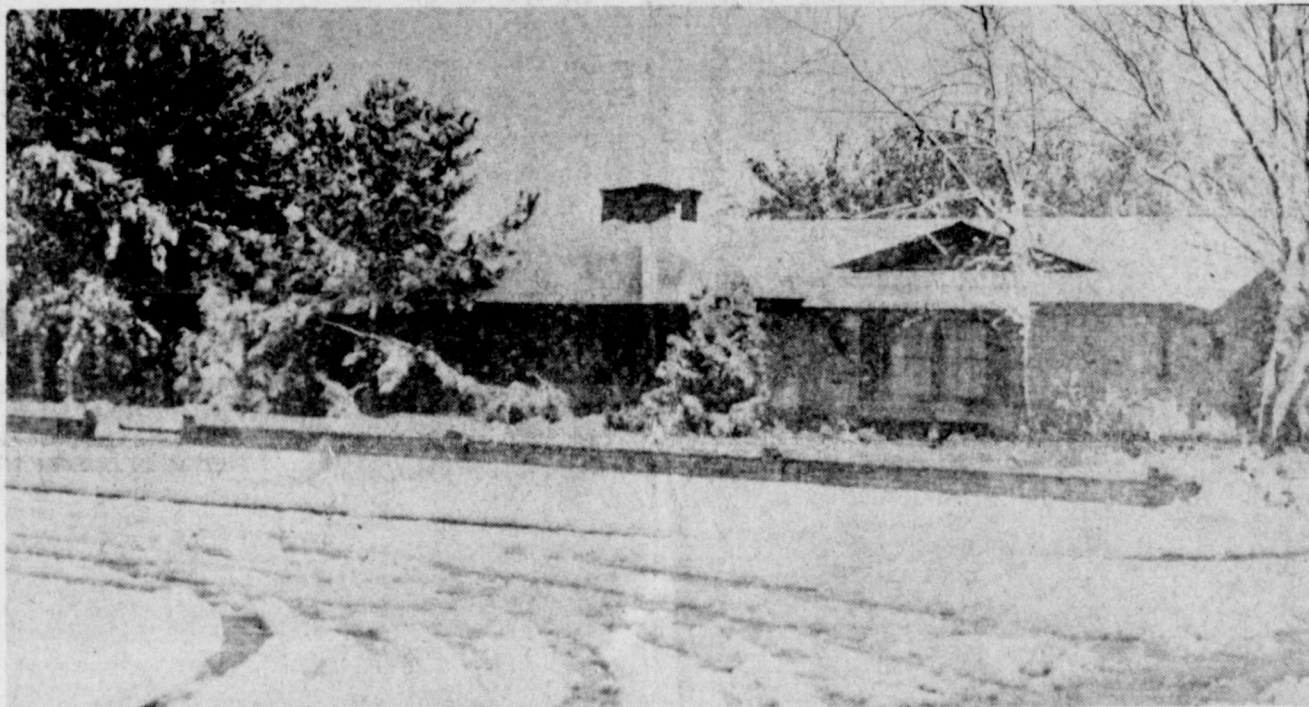

Ammunition and refreshments will be available at the shoot.

Electric Utility for 1978, according to Robert A. Lincome, Editor. The award presentation, was held Friday, Nov. 17 at a special luncheon at The Villa Inn, Amarillo, and was made by Lincome. Accepting for Southwestern Public Service Co. will be Chairman Roy Tolk and president Berl M. Springer.

Attending the luncheon from Muleshoe were Dave Cavitt, local SPS Manager; Ken Henry, Mayor and L.B. Hall of The Journal. Southwestern currently serves approximately 275,000 customers in a service territory of over 45,000 square miles, located in the Texas and Oklahoma Panhandles, eastern New Mexico and Southwestern Kansas.

The selection of Southwestern as EL&P's 10th annual recipient of the Outstanding Electric Utility of the year was based upon the company's ability to cope with the "Seemingly insurmountable obstacles which confront all electric utilities nationally," Lincome said. "Its success is a testimonial to the foresight, initiative and dedication of the en-

PICTURE PERFECT...Muleshoe's first snow for the 1978-79 winter season created many beautiful patterns throughout the area. None were prettier than this home in west Clovis, where the trees, evergreens and shrubs, gathered in the snow to create interesting patterns as the snow continued to fall. By late Thursday afternoon, most of the snow had melted.

## Seven Inches Falls Before Clearing

Surprise! Surprise! Although it wasn't predicted, wasn't even thought of at this time of the year, and certainly caught the area unprepared, a 'sneaky' snow invaded the area Wednesday night and Thursday morning.

A week of damp, drizzly and foggy weather had carried through most of the week, and around midnight Wednesday, a slow, cold rain was falling.

Then, something happened, although National Weather Service had predicted the cold front was moving out of the area without measurable precipitation. Around 2:30 a.m., anyone up and listening to a police scanner would have heard the dispatcher, Ruth Briscoe and patrolman, Wayne Holmes, discussing the changing weather.

They were talking about snow. Holmes informed the dispatcher that around one-half to an inch of snow had fallen, and was continuing to fall. A quick look out the window confirmed the white, fluffy stuff piling up.

Back to the warm bed with the thoughts that the snow would stop in a short time, the way most snowfalls do in this part of the country. But, being greatly surprised Thursday morning to find between five and six inches on the ground and continuing to fall in large, lazy flakes. Six and three fourths inches on snow was measured on vehicle tops by 7:45 a.m. Thursday, and the snow continued to fall throughout the morning.

School was cancelled as it was determined that school buses would have great difficulty in making their routes, and if the snow continued at the rate it was falling, it would create major problems by the time school would be out for the day.

However, it wasn't all that cold, as the temperature edged above the freezing mark and the snow quickly turned to a brown slush on city

## Family Week Boosted By Muleshoe Jaycees

This week, as the traditional Thanksgiving Holidays approach, the Muleshoe Jaycees have joined in the national campaign to boost 'Family Week.'

### Basketball Season Ticket Goes On Sale

With football winding down for the year, basketball season tickets will go on sale tomorrow, Monday, at the principal's office on each of the four school campuses and at the Muleshoe ISD business office.

Adult season tickets are \$12 and a student season ticket is \$6, which will be good at each and every home basketball game, including the Muleshoe Holiday tournament.

A school spokesman said that the purchase of either an adult or student season ticket can result in a sizeable savings to those who plan to follow the Muleshoe basketball teams this year. He said, "Hopefully, our student athletes will be supported again this year as in the past on each time they play, at home or away."

Single ticket admission at the games will be \$1.50 for adults and \$1 for students.

says entitled "Why My Family is the Best Family in the Muleshoe Area," and will be judged according to content and considering grade and age differences. The winning family will be presented a family portrait, valued at \$70 from Pat Shafer's Photo Studio, a \$25 savings bond and a plaque.

Deadline for the students to enter will be at the end of the school day tomorrow, Monday. The winner will be announced on Tuesday, Nov. 21. The Muleshoe Jaycees commented about family week: "Our country was founded by families and on the principles by those families. Families settled our farms and villages; families created the thirst for independence; families established laws; families fought for freedom; and families explored and settled the wilderness."

They continued, "Progress, however, has brought about a slow but steady deterioration of the family unit. Families are drifting farther and farther apart as sons and daughters move away from home and settle in other parts of the country and in other parts of the world."

"Fathers are called upon to travel more and more in their jobs and mothers are finding a need to express their talents and abilities in the job market. Children are more often having to seek advice from those other than their parents and are being forced to become independent at a very early age."

distressing statistics pointing out the deterioration of the family and home.

### Community Thanksgiving Service Set

Community Thanksgiving Service, sponsored by the Bailey County Ministerial Alliance, will be held Tuesday, November 21, at the First Baptist Church in Muleshoe. Services begin at 7:30 p.m. with a combined choir, composed of members of the churches whose ministers participate in the Ministerial Alliance.

Welcome and invocation will be given by the host pastor, Rev. J.E. Meeks. Scripture reading and prayer will be given by Rev. Walter Bartholf, pastor of the First Christian Church.

The offering will be received by Terry Bouchelle, minister of the 16th and D Church of Christ. He also serves as president of the alliance. Special music will be presented by the Quartette from the Trinity Baptist Church.

A special Thanksgiving message will be preached by Rev. Gene Prevo, pastor of the Trinity Baptist Church and the benediction will be given by Rev. Joe Stone, pastor of the First Assembly of God Church. Carroll Rhodes, minister of music and youth at First Baptist Church will direct the combined choir. Two

"Divorces for the period October 1974 - September 1975, exceeded one million for the first time in any 12 month period. Marriages for the same period dropped by 87,000 from the year before."

### Thanksgiving Dinner Held At Needmore

Highway 214 to Needmore was busy Saturday night for the annual Needmore community Thanksgiving dinner.

Turkey and dressing with all the trimmings, including salads, vegetables and luscious desserts, were served the people who go back year after year for the popular annual event.

Serving began at 6 p.m. and tickets were \$3 for adults and \$2 for children under the age of 12.

All roads were leading to the Needmore Thanksgiving dinner at the Community Club, just east of the intersection of SH214 and FM298.

OOPS!...This one went through his hands early in the game, but undaunted, Charles Briscoe intercepted an attempted Morton pass a few plays later, then took a punt 50 yards for a touchdown.

PROCLAIMING FAMILY WEEK...Mrs. Ken Henry looks on as her husband, Mayor Ken Henry signed a proclamation, proclaiming the week of November 19-25 as Family Week in Muleshoe. Presenting the proclamation to the Mayor are, from left, Jaycee President Hugh Young; Jaycee Project Chairman Galen Bock and Jaycee Chuck Smith.

Heap high the golden corn,  
No richer gift has Autumn poured  
From out her lavish horn...  
And now with Autumn's moonlit eyes  
Its harvest time has come,  
We pluck away the frosted leaves  
And bear our treasure home.

### Nursing Home Held Monthly Birthday Party

Emitt (Pete) Wileman and Ella Chambers were honored with a birthday party at the Muleshoe Nursing Home on Nov. 16 at 2:30 p.m.

The party was sponsored by the Needmore Community Club. They served refreshments of cake and punch. Mrs. B.C. Shanks provided entertainment on the piano. Corsages were presented to the honorees by Beaver's Flowerland.

Wileman was born on Nov. 23, 1886. He is 92 year old. He came to the nursing home on Jan. 30, 1974. He is a long time resident of Muleshoe.

Mrs. Chambers, 83, was born Nov. 6, 1895. She has been a resident of the nursing home since April 22, 1977.

**HAPPY BIRTHDAY...**Emitt (Pete) Wileman and Ella Chambers, not pictured, celebrated their birthdays November 16 with a party hosted by the Needmore Community Club.

### Epsilon Delta Planned Float At Meeting

The Epsilon Delta chapter of E.S.A. met Monday, November 13 in the home of Mrs. Jerry Gregory.

Dr. and Mrs. Gregory gave a talk and slide presentation of their recent medical and missionary trip to Haiti.

The meeting was called to order by the president, Mrs. Hugh Young. She also gave the opening ritual.

Committee reports were given by each chairman. The sorority voted to help with Santa's Helpers and have a float in the Christmas parade. Mrs. Jerry Gregory received a baby spoon for her recently adopted son.

It was decided to have a Christmas social for couples on Dec. 19 at the home of Mr. and Mrs. James Crawford.

Mrs. Robert Montgomery was welcomed as a transferee.

Mrs. Hugh Young led her E.S.A. sisters in the closing rituals.

Refreshments were served to the Msrs. Ronnie Barrett, John Blackwell, Jim Crawford, Jim Burgess, Andy Douglass, Jerry Harrison, Jerry Gregory, Richard Kimbrough, Judy Lambert, Jack Rennels, Hugh Young, Robert Montgomery, Loyd Garlington, Danny Noble, Lionel Lane, Corky Biggerstaff, Cotton Burrelson, Terry Wheeler and Miss Virginia Bowers.

### Ruth Sunday School Class Held Social

The Ruth Sunday School class of the First Baptist Church of Sudan held their regular social Monday in the Fellowship Hall of the church with a pot luck supper.

Elsie Seymore led the opening prayer and following the meal the group discussed the birthday party for the Amherst Manor that was held Thursday. The group also worked on Christmas gifts for the residents of the Manor.

Attending were Zula Young, Ann Hill, Geneva Glasscock, Marge Cardwell, Mutt Hana, Edna Seymore, Elsie Seymore, Mary Harper, Sara Wood and Evelyn Ritchie.

**GUEST ARTIST...**Paul Milosevich gave a demonstration on full figure painting at the Muleshoe Art Association Meeting on November 14 at 2 p.m. in the Muleshoe State Bank Community Room.

### Paul Milosevich, Art Association Guest

The Muleshoe Art Association met Tuesday, Nov. 14, in the Muleshoe State Bank Community Room.

The president, Cara Juan Schuster, reported the lease program to be a success this year.

The association voted to meet at the Art Loft when a guest artist is teaching a workshop and to meet at the Community Room otherwise.

November and December Painting Days at William Brothers Office Supply will not meet. It will continue in January.

Mildred Williams reported an all time high membership of 102.

Rheta White introduced the guest artist, Paul Milosevich, a Lubbock artist, has done portraits of Joe Allison, Tom T. Hall, Hank Snow and Don Wayne to hang in the Country Music Songwriter's Hall of Fame. He was also asked to do 30 to 40 portraits of those

already voted into the Hall of Fame.

Refreshments were served by the Clovis members to Hazel Nowell, Mildred Williams, Mary Foster, Elsie McMillam, Lucy

Lewis, Emily Clayton, Rheta White, Sandy Turner, Marylon Young, Thresa Feagley, Marshall Cook, Jauree Smallwood, Vilma Davis, Betty Embry, Beth Watson, Murlie Watson, Dana Arnold,

### Consumer Food News

Budget items at Texas grocery markets this week include large sized eggs, onions and bananas, Gwendolyn Clyatt reports.

Also, low price items are grocery aisle features and fish.

Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

This week's price quality trends are the following:

**POULTRY...**Egg prices remain about the same with large sizes offering best value by weight. Fryer chicken prices are up a bit. **FRESH VEGETABLES...**A record large onion harvest helps keep onion prices low.

Other vegetables in good supply include broccoli, cabbage, carrots and cooking greens. Also, bell peppers, hardshell squash and white and sweet potatoes. **FRESH FRUITS...**Banana imports are heavy and prices are low. Larger supplies of citrus fruits are arriving and quality and flavor are improving.

Apples are in large supply, cranberry prices are more attractive, and grape prices are slightly higher.

**GROCERY AISLES...**Corn, snap beans and peas are the three best selling canned vegetables and are grocery shelf features.

Applesauce, tuna fish and cake mixes also have feature prices. Check prices on dry beans, dry peas and rice, too.

**FISH...**Fish is plentiful and prices are reasonable when considered on a cost-per-serving basis.

**BEEF...**Chuch cuts are in the spotlight, although there are scattered buys on ground beef, sirloin steak and beef liver.

**PORK...**Pork prices fluctuate and few cuts are receiving store emphasis. However, Boston butt, end chops, liver, rib and loin end roasts offer most economical values.

### HOLIDAY WATCHWORDS

In choosing fresh cranberries, look for plumpness, good color and uniformity in size. Avoid cranberries that are crushed and leaky. To store fresh cranberries, refrigerate them in their original package.

### Lazbuddie Young Homemakers Held Regular Meeting

The Lazbuddie Young Homemakers met Thursday afternoon for their regular monthly meeting in the High School Home-making Department.

Mrs. Clay Mimms, pres., called the meeting to order. Sec.-treas., Mrs. Roy Don Rector read the minutes of the previous meeting and gave an up-to-date financial report.

Thank you notes were read from Mrs. Debbie Magby and Mandy and Mrs. Effie Jennings.

Mrs. Harrol Redwine, pecan chairman, gave a report on the pecan sales. It was discussed whether or not to have a booth at the Friona Christmas Bazaar. It was decided at this late date, to wait till next year.

Mrs. Mimms reported that the "Buried Treasure Hunt" booth at the Halloween Carnival was a success.

It was decided to do something extra special for the Senior Citizens this Thanksgiving.

Plans were finalized for the Family Christmas Party. Socials Chairman, Mrs. Jim Dale Seaton, asked members to sign up for the different committees for this party.

Mrs. Mimms told members that Mrs. Dale Vise had entered the hospital at Temple for some tests.

Mrs. Robert Gallman asked for volunteers to help her out on the United Way Campaign Drive. She is the chairman for the Lazbuddie Community. Mrs. Bill Morris, Advisor, told the Young Homemakers that Mr. Beam, the principal, had asked if the Young Homemakers would assist the school nurse in giving elementary students eye and ear tests again this year. Several members volunteered.

Diane Bim of Southwestern Public Service Company out of Amarillo was the guest speaker. She presented a program on the use of a food processor and a microwave oven. She also demonstrated several recipes. Members sampled the different dishes of Chopped Beef Dip with

Doritos, Cheese Stuffed Peppers, Green Beans Dolphine, Petite Cherry Cheesecake, Caramel Supremes and Quick Creamy Fudge. Mrs. Robert Gallman presented Diane Bim with a gift.

The door prize was won by Mrs. Conrad Renner. It was a gold leaf painting donated by Mrs. Darrell Mason.

Those attending were Msrs. Mike Blackburn, Lloyd Bradshaw, Jim Colum, Dave Engelking, Robert Gallman, Skip Magby, Clay Mimms, Bill Morris, Wesley Putman, Roy Don Rector, Harrol Redwine, Conrad Renner, Jimmie Dale Seaton and Doyle Weir.

The next scheduled meeting will be Thursday, December 7 at 2 p.m. in the homemaking department. The program will be presented by Mrs. Bill John Thorn on "Wood, Fiber Flowers". The public is invited to attend.

There is no fundamental difference between man and the higher animals in their mental facilities.

**MEETING APPROVAL...** Mrs. Blitzy Mayberry, left, a fifth grade teacher at Mary deShazo Elementary School, shows Tracy's mother, Mrs. Bill Stovall, right, Tracy's school work at the open house that was held November 14 from 6:30 to 8:30 p.m.

### PTA Plans To Help School

The executive committee of the PTA met at 3:15 p.m. on November 13 to discuss the Satellite School at Littlefield for the Mentally Retarded and the Youth Action Committee. The Satellite School needs newspapers donated for recycling as a way for them to raise money. PTA usually brings old newspapers and helps to find them. YAC asked for the PTA's help with time or money.

At 3:45 p.m., Mrs. Gilbert Dale called the regular meeting to order. After the invocation by Mrs. Lyndon Huckaby, cub scouts Guy Dale and Jeff Whately presented the flag and led the Pledge of Allegiance. Mrs. Robert Montgomery, and Mrs. Johnnie Estep, project committee, reported that the Halloween Carnival made approximately \$800 profit. Mrs. R.D. Angeley, chairperson of the PTA concession stand, reported a profit of \$300. Mrs. Dale commended the women on the fine job they did organizing the PTA Hallo-

ween Carnival and concession stand. Mrs. Wayne Holmes, membership chairperson, reported that PTA has 96 members. Winners for room count were, Richland Hills, Miss Virginia Bowers, Mrs. Mary Obenhaus and Mrs. Mabel Wolf. The Mary DeShazo winner was Mrs. Edith Henderson.

A discussion was held on how to help YAC. A committee consisting of Mrs. R.D. Angeley, Mrs. Benny Pena, and Mrs. Charles Brewer was organized to examine the needs of the Youth Action Committee.

Mrs. Dale reminded everyone that there would be no school Nov. 22, 23 and 24. Schools will dismiss for the Christmas Holidays on December 23 and will resume on Jan. 2. Open house was held Nov. 14 for Richland Hills and Mary DeShazo. Parents were able to meet their children's teachers and examine their child's work.

Mrs. Joyeline Costen introduced the guest speaker, Dennis G. Allen, a child psychologist from Plainview Central Plains Mental Health and Mental Retardation Center. Allen presented a program on "Environmental Factors in Learning Difficulties."

The next PTA meeting will be at 3:45 p.m. on December 11 at Richland Hills. The second grade will provide a Christmas Program. Babysitters will be provided for your children. The PTA asks that you show your child how important his education is by being an active PTA member.

### Mrs. Jack Sutton To Speak At First Christian Church

Mrs. Jack Sutton, former missionary to China, now living in Amarillo, will be speaking at the First Christian Church, Sunday night at 6 p.m. Her topic will be, "China, Then and Now".

Everyone is invited to come and hear this topic. A fellowship hour will follow the speaker so that everyone will be able to visit with Mrs. Sutton.

Working, it seems, often has a way of getting in the way of one's recreation.

honors. Friday night, Idalou downed Lockney to assure they would be in the playoff action.

After the local townspeople escorted the Mules' big bus into town, a jam-packed crowd filed into the Muleshoe high school gym to give recognition to the Mules and to the coaching staff.

As the Mules lined the gym floor in front of the packed stands, Head Football Coach Mike Wartes

briefly spoke expressing his appreciation to the Mules, their parents, the fans who have been so good to back the Mules, and to his coaching staff.

Following the brief remarks, the fans, who cheered loud and long, shook hands with the Mules and expressed their appreciation for all efforts of the team this year.

Slowly, the fans started filling out of the gym, and it was cleared of fans, parents, players and coaches before 12:30 a.m.

All of them were looking forward to the next game, next Friday night, and the re-match with Idalou.

streets. City employees moved out bulldozers and started shoving the snow into the center of the streets to facilitate traffic.

Before noon, driving conditions had improved as tires quickly cut paths on the little traveled streets and many youngsters romped and played in the snow.

Late Thursday, the sky cleared and bright sunshine helped melt the snow from the tops of buildings and from the trees.

Friday morning dawned bright and clear, although the low temperature following the clearing skies was 21 degrees. Late Fri-

day, most of the snow had melted and left behind nearly an inch of moisture to soak into the ground.

Cotton farmers who had been in the fields for only one day before the latest cold front found they would have to wait additional time to harvest their crops, and began worrying about 'spotted' cotton.

Grain sorghum was expected to be affected somewhat by the continuing bad weather, but winter wheat perked up and range lands were replenished.

Friday night, the weather was expected to be clear and perhaps not as cold for football as the Dimmitt game the previous Friday, and school continued on schedule following the definitely unscheduled holiday for the day.

Southwestern Public Service was chosen for the honor by a panel of judges on the basis of its strong financial performance in the face of a difficult fuel supply situation, its innovative efforts to solve the fuel problem, and its success in bringing order to the rapid growth in its service territory.

Southwestern, which was virtually 100 percent fueled by natural gas, made a decision in 1972 to convert to a low-sulfur Wyoming coal. In August 1976, the company brought on line the first of three 350-MW coal-fired units. The second unit went into service in mid-1978, and the third is due for completion in 1980. As a result, Southwestern has gone from a situation where the company had practically no coal generation in mid-1976 to approximately 25 percent coal generation this year.

By 1985, the company expects to generate approximately 75 percent of its kWh from coal, thus insuring its customers of a continuous, economic and uninterrupted electrical supply for many years to come. "Significantly," Lincicome said, "the utility designs and engineers its own plants and has been able to hold the cost of new units to a level well below the national average."

**Cotton Prices Slow, Steady To Close Week**

The prices High Plains cotton growers received were steady to \$3.75 per bale higher the week ending Nov. 9, according to the Area Director at USDA's Marketing Services Office in Lubbock. New crop lots of mostly grade 43, staples 30 and 31, mikes 3.5 - 4.9 brought about \$4.80 cents per pound, Dickson said. High Plains Marketing Services Offices graded 38,000 samples this week, bringing the season's total to 138,000. This compares with 932,000 graded by November 9 last year, according to USDA's Agri-

cultural Marketing Service.

Predominant High Plains grades this week were grade 41 at 16 percent, grade 51 was 14 percent, grade 42 accounted for 43 percent, and grade 52 was 13 percent. Six percent was reduced one grade because of bark.

Staple lengths were mostly in the desirable 3.5 to 4.9 range at 91 percent of the total. Two percent was higher and seven percent was lower. Breaking strength averaged 87,000 pounds per square inch.

Gins paid growers \$100 to \$130 dollars per ton for cottonseed, mostly \$115 to \$125.

*A Time For Us To Count Our Blessings*

We have much to be thankful for in this great land of ours. For we live in a nation of abundance and opportunity, health and prosperity. Where freedom is our birthright...and brotherhood our life spirit.

This spirit of brotherhood is one that our forefathers exemplified on the first Thanksgiving. And from it we have established a lasting sense of loyalty, Compassion and respect for one another. For this, we are truly fortunate.

Let's take this holiday as a time to reflect on all that we have to treasure. And celebrate Thanksgiving in the true tradition of peace, unity, and love.

### TEXAS FUR TRADE

Increased demands for Texas furs have boosted the furbearer harvest and the 1978-79 season should show a continued increase in the number of pelts harvested across the state.

Included in this rich variety designated by law as furbearers are badgers, beavers, foxes (gray, red, kit and swift), mink, muskrats, opossums, river otters, raccoons, ringtails and skunks (striped, spotted, hog-nosed and hooded).

Although not presently classified as furbearers, coyotes, bobcats, weasels and nutria also are marketed for their furs. The new bobcat season in Nov. 15 - Feb. 15.

Open season for the taking of furbearers for sale include: mink, Nov. 15 through Jan. 15; muskrat, Nov. 15 through Mar. 15; and all other furbearing animals, Dec. 1 through Jan. 31.

A \$5 resident trapping license is required of those who take for the purpose of barter or sale, and those who sell or offer for trade the pelts of any furbearing animals of the state.

A \$200 non-resident trapping license entitles non-residents to take for the purpose of barter or sale the pelts of any furbearing animal in Texas.

A \$50 Beaver - Otter license is required of any resident of Texas to trap or take beaver or otter outside the county of his residence.

Total furbearing animal populations is unknown, but based on recent harvest estimates, it could number several million. This coupled with a reproductive capacity averaging four young per litter, reveals the tremendous economic and recreational potential involved.

Soaring prices since 1975, brought about by an increased demand for wild furs in Europe and the Orient, have focused national attention on the resource.

Trapping licenses in Tx. increased from approximately 5,000 during the 72-73 season to more than 32,900 during the 77-78 season. The estimated number of furbearing animals harvested increased from 277,535 in 72-73 to 1,026,800 in 77-78. The value of these furs rocketed from \$1,205,809 to more than \$16 million during these six years.

Wholesale and retail fur dealers increased from 34 to 106 respectively in the aforementioned years.

In addition to the growing army of trappers, there are about 25,000 coon and cat hunters and 30,000 fox and coyote hunters who enjoy pursuing these furbearing predators with packs of baying hounds entirely for sport alone. Their expenditure alone could be in the realm of \$75 million annually for their sport.

Even though hound men and trappers are the primary users of the furbearing resource, they are not the only Texans whose recreational needs are fulfilled and interests stimulated by these animals.

Landowners on whose land these animals dwell also have a vital interest in them. The predators fill an ecological niche and maintain a balance necessary for the existence of all living things in a healthy state upon the land.

In March 1978, a statewide program was established for furbearer management with the primary objective to provide the greatest possible sustained yield of furbearing animals for hunters and trappers to harvest for monetary gain.

The P&WD must obtain accurate information regarding the population of furbearing animals, their distribution, reproduction,

limiting factors, sociological and economic factors and implications.

Research, with practical application of management techniques, combined with a public information program hold the key to success as Texas enters a new era of furbearing management.

**IN RELATION TO THE LANDOWNER**  
Hunting on someone else's land is a privilege and should be regarded as such.

It takes time and effort to get permission to hunt and much less time to close gates that you have opened. A display of thoughtfulness of the rights of the one on whose land you hunt will insure future hunts.

Problems between landowners and hunters affect all of the sportsmen and the P&WD. More often, the problems are left with the landowner and excellent hunting areas are posted by the owner who has had enough of policing up trash, chasing livestock that have wondered through open gates and examining damage caused by a very small minority of hunters each season.

The majority of hunting in Texas is on private lands and continued violations of the landowners rights can only reduce the total prime hunting areas this fall for you and your children.

Let's show our good manners as the hunting seasons continue this fall.

### HUNTER PREPARATION

There is something about our national character that makes most Texans feel they are born with a natural flair for shooting well which is not necessarily so.

Preparation for hunting should include sighting-in of rifles and practice with shotguns, physical conditioning to be able to cope with the unaccustomed physical effort, study of the game, its habits and identification of game as well as other hunters.

It is not enough to shoot well. The hunter must also know when to shoot and when to lift his finger from the trigger.

Responsible conduct toward the sport of hunting demands that the hunter do it well. The general public, while continuing to be tolerant of hunting, is less tolerant of ill-prepared hunters going afield.

There's any number of people who could run the nation's foreign policy better but, fortunately, they're not in the White House.

### Thanksgiving Dinner Keep To Low Calories

Make Thanksgiving dinner an exciting low-calorie taste treat, a foods and nutrition specialist advises.

It will be a doubly thankful event too, when the bathroom scales show no extra pounds afterwards, says Frances Reasonover. Miss Reasonover is with the Texas Agricultural Extension Service, The Texas A&M University System. Try this menu for a glamorous low-cal Thanksgiving dinner:

Roast Turkey  
Onions with Mushrooms  
Green Beans/Herb Sauce  
Stuffed Celery  
Sage Cornbread  
Pumpkin Custard

Roast turkey is always a favorite and relatively low in calories—one slice of white meat four inches long and two inches wide has 162 calories.

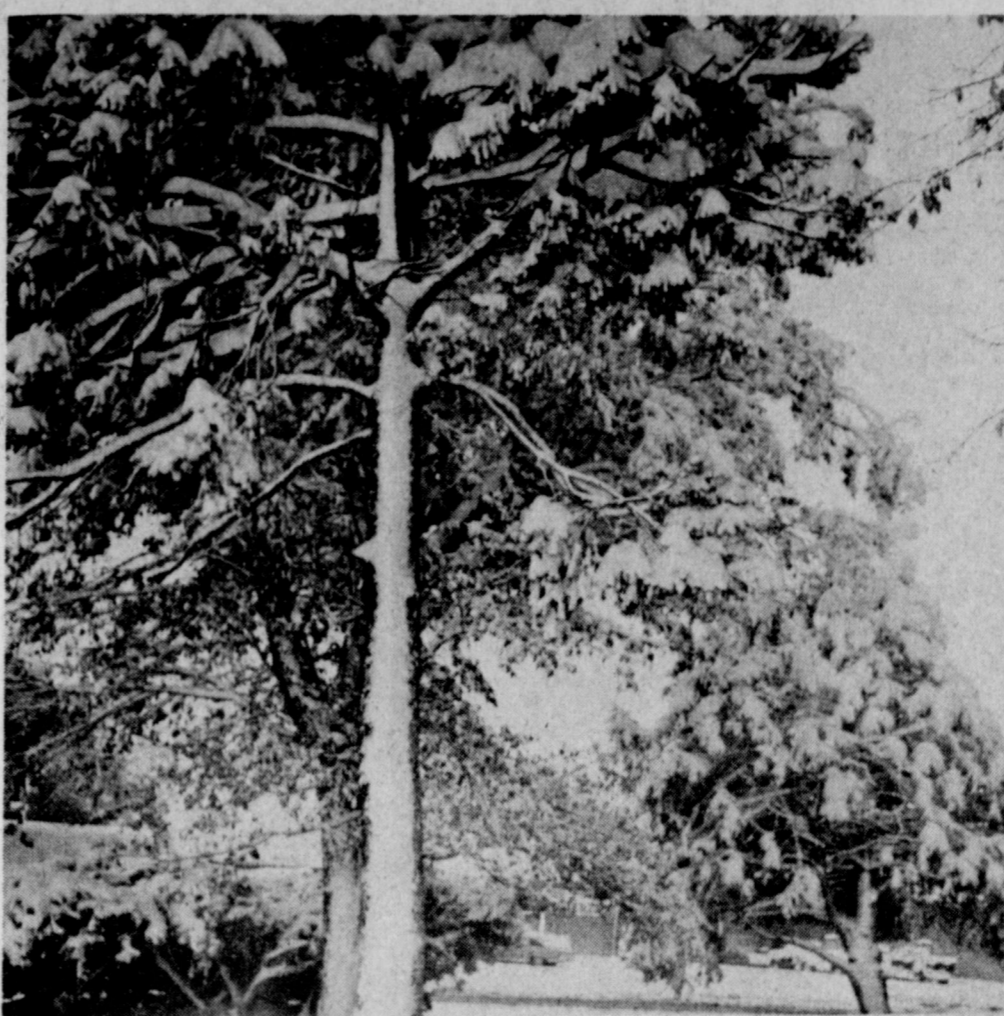

Bread dressing is not necessary, but if it is the choice, use less fat than most recipes call for.

Instead of stuffing, a more slimming choice could be cornbread spiced with poultry seasoning or sage.

Or serve rolls without butter. For added flavor, choose an herb-seasoned bread.

Season vegetables with herbs and spices or cheese and little or no butter. Stuff celery with low-cal cottage cheese or Neufchatel cheese.

If cranberry sauce is a must, use less sugar, or use artificial sweetener.

**SNOW PATTERNS...**A wet, clingy snow created its own patterns as it fell in Muleshoe Thursday. Piling up on branches and creating white tracery up and down tree trunks before melting as the temperature rose above the freezing mark.

## Wood Stoves Require More Than A Few Logs

The warm glow of a cheerful fire in a wood burning stove may be irresistible. But before this cozy scenario becomes a reality, there is work to be done, says the Insurance Information Institute's Texas Insurance Information Center (TIIC).

Improperly installed stoves -- most notably the potbelly, the box, the Franklin -- can be fire hazards in disguise.

The Institute advises potential stove owners to follow some important guidelines set forth by the National Fire Protection Association (NFPA) and Underwriters' Laboratories (UL) for purchasing, installing and operating a wood burning stove.

The following guidelines are essential for safety:

- ...Select a stove made of sturdy material such as cast iron or steel. Look for those listed by UL or other recognized testing laboratories. Used stoves should be checked carefully for cracks or other defects.
- ...To determine where the stove can be best placed, make sure there is enough clearance between the stove and floors, walls, and ceilings. At least 36 inches. If adequate clearance is impossible, nearby combustible surfaces must be protected by a panel of fireproof material such as sheet metal or asbestos millboard spaced at least one inch from the wall.
- ...Place the stove on a fireproof base. Commonly used in one quarter inch asbestos millboard covered with sheet metal extending at least 18 inches beyond the ash removal door.

...If using an existing fireplace chimney, it must be sealed off below the stovepipe's point of entry to prevent toxic gases from backing up into the room. Have a mason or other qualified person inspect the chimney.

...Burn only dry, well seasoned wood. Green wood may cause a buildup of flammable creosote which could start a chimney fire.

...Open a window slightly for ventilation if your house is securely insulated.

...Dispose of ashes in a closed metal container outside the house.

Properly ventilating a wood burning stove is extremely important to prevent odorless toxic fumes from building up in the house. One should never extend the stovepipe through a wall or ceiling unless there is no alternative. If it must go through a wall or ceiling, the pipe should be passed through a thimble which must be installed within the ventilation space. The thimble is a metal sleeve which should be at least 12 inches larger in diameter than the stovepipe for insulation against flammable wall or ceiling material.

Wood burning stoves were not designed for burning of trash or flammable liquids; these materials could start a chimney fire.

The Institute urges wood burning stove owners to check and clean their chimney and stovepipes carefully before each season and make any needed repairs.

# ATTEND THE CHURCH OF YOUR CHOICE

## COMMUNICATION

Telephone lines spread across our nation, giving us immediate contact with loved ones. Vital business is rapidly contracted through this medium.

Our linkage to God is prayer. Through prayer we can express our love, our thanks, and seek God's help.

"Hearken unto the voice of my cry, my King, and my God: for unto thee will I pray."

Attend church, join others in fellowship and prayer to God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Girls' Basketball Action Starts Busy Season

**Coaches Comments**  
The Dimmitt ball game came right down to the wall and again the determination to win by the 1978 Mules was displayed. A lot of credit goes to this football team for always hanging in there and giving their best until the final buzzer. We felt like we played very well and we also feel like Dimmitt played their best game of the season. This victory put our football team into its STATE Playoffs next week. From the entire coaching staff to the 1978 Mule football team -- Congratulations. We are proud for your success. You are very deserving!!!

CONGRATULATIONS!...This year, the Muleshoe Mules have won the right to represent District 3-AA in state playoff action. The Mules' Tale Staff joins Muleshoe High School in offering congratulations to the Mules for their outstanding football action this year.

### High School Honor Students

Each month the faculty selects Honor Students of the Month for each of the four High School classes. These students are selected on their class participation, good citizenship, leadership and qualities that would make them outstanding students. The students must have good grades but do not have to be Honor students.

For the month of November, Doug Cowan has been selected Senior Honor Student of the Month. Doug is the son of Mr. and Mrs. Harold Cowan. He plays center for the Mules. He is a member of Student Council, F.T.A. and lab technician for the Muletrain - Mule's Tale Staff.

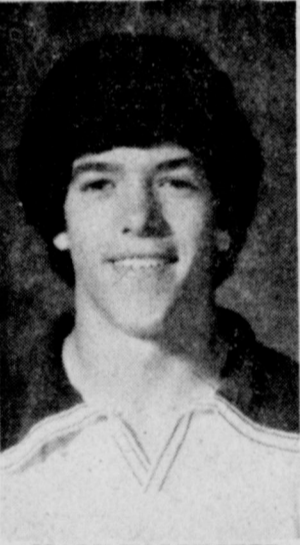

Mark Northcutt is the Junior Honor Student of the Month. He is the 16 year old son of Mr. and Mrs. Ed Northcutt. He plays flanker and safety for the Mules, is Junior class treasurer and a member of Student Council, Art Club, and F.T.A.

Carroll Precure is the Sophomore Honor Student of the Month. He is class president, a member of Student Council and F.T.A. and plays linebacker on the J.V. Mules.

Kristi Henry, the daughter of Mrs. Marcia Henry is the Freshman Honor Student of the Month. Kristi is active in Basketball, Speech and F.T.A. Congratulations to all these students.

### Little Mules Defeat Dimmitt End Year

The Little Mules ended their football season last Thursday night by defeating the Dimmitt Bobcats. The Little Mules, who finished with a 7-2 season record, secured a second place finish in the district race behind Littlefield, their only district loss.

Dimmitt received the opening kick-off and then was forced to punt the ball. The Mules got it in good field position and Monty Hysinger kept the ball around left end on a bootleg for the first touchdown of the night. The PAT by Hysinger was blocked. The Mules then went back on the defensive and Dimmitt managed to get the ball into the end zone, also scoring the 2 extra points. At the end of the first quarter the score was 8-6, Dimmitt, and it remained that way most of the night.

The Little Mule defense did what it had to do. The offense was not stymied by the Bobcat defense, but it did have a bad case of fumbliitis. Two of these fumbles came inside the Mule 20 yard line, but the defense held true on both occasions keeping the score 8-6. Lupe Rosales sparked the offense the second half and when the Mules got the ball with

less than five minutes to go, they were off. Key fourth down conversions were made by Trent Kirvin and a pass from Hysinger to either George Vela or Ronnie Angeley, and Angeley came down with the ball. These two conversions set up the winning touchdown by Tommy Sexton with two minutes to go, the PAT was good, by Hysinger, and the score was 13-8. After the kick-off, Dimmitt went to the air, but they were only able to make one first down before Wayne Precure came from his linebacker spot to intercept the Bobcat Quarterback. As they say, that's the old ballgame. The Little Mules have done a fine job this season, let's look for more to come.

### School Pictures Arrive

Monday, Nov. 13, the school pictures arrived at Muleshoe High School. The Annual Staff has been very busy getting them identified and classified and ready to sell to the students. They went on sale, Wednesday, Nov. 15. The package contain 1 8x10 portrait, 1 sheet with a 5x7 and 5 billfold-size pictures, and 1 sheet with 16 trading size pictures. The entire package costs \$6.85, including tax. The 8x10 individual portrait costs \$3.15, and any two sheets with multiple prints costs \$5.00. The company furnishes the staff with two black and white glossy pictures of all students and faculty for annual use. We urge all students to buy your pictures and trade them with your friends.

### Students Plan Concession During Tourney

Student Council met, Tuesday, Oct. 31, to discuss the concession stand for the speech tournament. Names were taken for people to work at the tournament. Also, people signed up to bring cookies, sandwiches or brownies. Prices were discussed for the food.  
Mrs. Pylant reported that they made \$37.59 on beat tag sales last Thursday.

Featured this week in the Mule's Tale is the Varsity Girls' Basketball team. This year the Varsity team will be playing five-man for the first time. New Head Basketball coach, Robert Brandon, has really done a good job of bringing the girls along this year and has helped them make the switch from six man to five man basketball. The Mulettes kick off the season with their first game against Bovina, here, Nov. 21. We wish these Mulettes luck with this game and throughout the season.

Karen Stovall is the 18 year old daughter of Mr. and Mrs. David Stovall. She plays forward and post. Karen is a senior and is in FTA, Stuco, and on the Muletrain - Mule's Tale Staff. Her comments were, "We have learned a new game with a new coach who has done a super job in organizing the team into 5 man basketball. With the attitude that each player has, I am looking forward to a winning season."

Kathleen Patterson is 16 years old and is a sophomore. Her parents are Mr. and Mrs. Alfred Patterson. Kathleen plays high post and low post. She is in FFA, FTA and FHA. She commented, "This year is really going to be great! It may be 5 man this year, but we have team spirit and the will to win. With this we can do anything!"

Annie Kirven is the daughter of Mr. and Mrs. Will Kirven. She is 18, plays top and is a senior. Annie is a Varsity Cheerleader and is a member of the Art Club.

### JV Football Boys Slam Dimmitt 18-0

Last Thursday, Nov. 9, the Muleshoe J.V. played the Dimmitt Bobcats in Benny Douglas Stadium. The Mules defense played their best game of the season this year. They allowed only one first down and it came late in the second half.

In the first play of the game, Larry Beene handed off to the tight end, Jesse Siguero, who then threw a 50 yard touchdown pass to Cam Hawkins. The PAT failed and the score was 6-0. Later in the first quarter, Jimmy Gleason scored from 25 yards out on a run up the middle. The offensive line, Jesse Siguero, Larry Nowell, Greg Harrison, Curby Brantley, Gary Cox, Kelly Harrison, and Wesley Rasco, did an outstanding job of blocking, allowing the Mules to drive the ball almost at will. In the third quarter Hawkins broke loose to score again on a 35 yard run up the middle, making the final score 18-0.

The J.V. coaches, Coach Randy Crook and Coach Mike Mayberry felt this was the best overall game played by the J.V. It was a true team effort and a very enjoyable game for these young men.

This was the last game of the season for the J.V. Their record as a J.V. team was 5 wins and 2 losses. They played one Varsity game against Lazzbuddie and lost making the overall record 5-3. This has been a very enjoyable year for the J.V. and they are all looking forward to next year.

quickly to the 5 man game. We are much more prepared than what we were last year on J.V. We have a winning spirit that keeps us going when things get tough. With Coach Brandon's leadership and the dedication of the players we will be able to meet any challenge that comes our way."

Debra Washington is 17 and plays guard. She is a senior and is the daughter of Mr. and Mrs. Herron Washington. Her comments were, "We're going to have a good team this year even though we don't have a lot of experience. We make up for it in size and ability."

JoRhonda Rhodes is the 16 year old daughter of Mr. and Mrs. Joe Rhodes. JoRonda is a junior and is a Varsity Cheerleader, jr. class president, she is a member of Student Council, FTA and co-editor of the Mule's Tale staff. She commented, "With a new coach and a whole new game, this year has consisted mostly of adjusting. We have the ability and the determination that it

### FFA Students Win Honors During Contest

The Muleshoe FFA Chapter members went to contest Monday, Nov. 3, at Friona. The members worked very hard the past three weeks and they placed as follows: Senior Chapter Conducting - third place, Junior Chapter Conducting - first place, Quiz team - fourth place, Radio was fifth place and Senior Farm Skills - fifth place.

The Junior Chapter Conducting went to Area I Contest, Saturday, Nov. 8. The winner of the Area I contest will go to the State Leadership Contest, Dec. 2, at Huntsville.

### Best of MHS

Dickey Sudduth was selected this week's "Best of MHS". Dickey did a very good job for the Mules in Friday's game; Muleshoe 21, Dimmitt 15; as he made two touchdowns and set up still another.

Dickie, 18, is a senior and is the son of Mr. and Mrs. Dave Sudduth. He lives at 1726 W. Ave. F. His activities are FTA and Athletics.

When asked to comment on the football team, he said, "This season has really ben great. With our coaching staff and the character we have shown, we will be hard to stop in the State playoffs!!"

takes to be winners. Our main goal is meeting the challenges ahead with a winning attitude. The winners this year will be the teams with the most endurance and the "most want to!" To be #1 we have to keep our heads up and never get tired of hustling!!"

Lupe Pacheco is the 17 year old daughter of Mr. and Mrs. Pedro Pacheco. She is a sophomore and plays top. Lupe also participates in track. Her comments were, "I think we have a good team. We hustle pretty good and work hard as a team. We can win some games if we set our minds to it. We are not as bad as we think we are. But we can do it."

Becky Turner is the daughter of Mr. and Mrs. Doyce Turner and is 16. She is a junior and plays forward. She participates in FTA, is a Varsity Cheerleader and a member of the Muletrain-Mule's Tale Staff.

Becky's comments were, "Under the new direction of Coach Robert Brandon we have made a great switch from six man to five man basketball. I think we will surprise lots of people with our winning attitude and new dedication. So look forward to seeing a turn around in girls basketball."

Brenna Dodd is 16 and is the daughter of Mr. and Mrs. Bob Dodd. Brenna plays guard and is a junior. She participates in FTA, Student Council, Art Club and is FFA Sweethear. Shelly Dunham is the daughter of Mr. and Mrs. Jack Dunham. She is 16 and plays post. Shelly is a junior and is an FTA officer, student council member. She is also Mascot for the Mules and is athletics. She commented, "I think with all of the desire and dedication that everyone has put out we will have a successful season."

Cindy Hamblin is the daughter of Dr. and Mrs. David Hamblin. She is Post and is 16. Cindy is a junior and is active in Band, FTA and Athletics. Good luck for the season!

### Testing Set For Students This Week

Quarter tests will be given to the High School students Monday, Nov. 20 and Tues., Nov. 21. School will then be recessed for teachers' inservice day Wednesday and will be recessed for the Thanksgiving holiday Thursday and Friday.

Those who believe all they hear are relatives of those who believe all they read.

**Carter's Actions "Unjustifiable"**

President Carter's actions over the weekend on two important farm issues are totally unjustifiable according to an official of the National Farmers Union. Tony Dechant, President of the National Farmers Union said, "The President's veto of the meat import bill and the announcement of a feed grain program virtually identical to last year's, on grounds that the two actions taken by Mr. Carter are anti-inflationary are totally unjustifiable."

**WTSU Schedules Student Night To End Season**

A West Texas State "Student Night," admitting all students, high school age and younger for 50 cents, has been announced by the West Texas State athletic department for the Buffalo season-ending November 22 game against New Mexico State.  
Tickets for the "Panhandle Students Night" will be sold at Gate Six of the Frank Kimbrough Memorial Stadium on game day. The WT vs NMSU game begins at 6 p.m., and is the Thanksgiving Special, slated the day before Thanksgiving.  
There will be no advance sales of the special tickets. New Mexico will be seeking the Missouri Valley Conference championship against WT. It is 4-1 in the loop, and a win against the Buffs would give it undisputed possession of the loop title.  
The Aggies are led by David Spriggs, one of the nation's top passers and total offense leaders. Only Steve Dils of Stanford has accounted for more total offense than Spriggs.

in the price of beef to consumers. The counter-cyclical formula contained in the legislation would have allowed more foreign imports into the country when domestic beef production was insufficient to meet our needs, and would have limited them in times of adequate U.S. production. In effect what the President has done is to exacerbate the volatile swings in beef prices which are detrimental to both producers and consumers."

The NFU spokesman also had harsh criticism for Stuart Eisenstat, the President's Chief Domestic Policy Advisor, for advocating lower returns for farmers than for other sectors of the economy, under the President's wage and price guidelines. "Eisenstat's comment that 'We don't consider this (feed grain program) to be an unreasonable burden to bear for the farmers,' is so callous as to be grounds for his dismissal." Furthermore, these actions show that what is voluntary for labor and industry, is mandatory for farmers."

Under the feed grain program which was announced by the President Saturday, farmers are asked to voluntarily set aside twenty percent of their feed grain acreage in order to be eligible for disaster and price support programs. "The set-aside first of all is too small, and the dime increase in the target price is not enough to get the producer participation in the program that we need," Dechant said. "Holding farmers price increases to 2.5 percent for feed grains, as projected by Mr. Eisenstat, while allowing wages to increase 7 percent and prices to

increase up to 9.5 percent per year, will have further devastating effects on farm income," the Farmers Union spokesman said. "The two actions taken by the Administration confirm the fact that they are willing to use farmers as

the 'whipping boys' for the anti-inflation program and further, are willing to sacrifice the agricultural economy for a cheap food policy. It is now imperative that the new Congress convening in January take immediate action to re-

verse the disastrous decisions announced by the President," Dechant said.
