Hickman Ranch Field Tour To Be March 8

What does it take to develop Cross Timbers brushland into high producing grassland? Can this be done profitably? How can it be done? These questions will be discussed during a field tour on the B. B. Hickman ranch four miles west of Rising Star on March 8 at 2 p.m.

Hickman, who is chairman of the board of supervisors of the Upper Leon Soil Conservation District, invites all farmers and ranchers who have a need for grassland development to attend this field day program.

Jack B. Waddington

Ranger Navy Man Finishing Flight Training

Navy Lt. (jg) Jack B. Wadding-ton, son of Mr. and Mrs. L. S. Waddington, Sr., Ranger, has com-pleted a phase of Naval Flight Training as a student Naval aviat-or at the Naval Auxiliary Air Station, Whiting Field, Milto Florida.

At Whiting he completed du instruction and solo flying in presolo, precision and acrobatic stages, flying over 90 hours and making 80 solo landings.

Prior to Whiting he had completed a course in pre-flight training at the Naval Air Station, Pensacola, Florida. He will now Air Station, Saufley Field, Pensacola. Florida, for dual and solo instruction in formation and night

flying and cross country flying. Before entering the Navy in September of 1953 he attended North Texas State College, Denton, where he received his BA degree. After being commissioned at the Naval Officer Candidate School, Newport, Rhode Island, he spent a tour of duty at the Naval

Communication Station, Great 626,700 for drilling and deepen-ing wells and \$1,500,000 for the flight program in June, 1955. flight program in June, 1955. Lt. (jg) Waddington was also graduated from Ranger High

School and Ranger Junior College, and is a member of the Kappa Sigma Fraternity.

Worth and some 50 towns and cities in areas surrounding Fort Worth.
