

Eastland's Terry Treadwell On All-State First Team

Terry Treadwell, 6-3 Eastland High School senior basketball ace, has been named All-State Class A team member by the Texas Sports Writers Association.

Treadwell is the first in at least 10 years that the Eastland school has been so honored in the state placements. Treadwell, son of Dr. and Mrs. M. A. Treadwell Jr., is a high school basketball star in a blaze of glory, leading his Maverick

teammates and Coach Denson Moody to a District 10-A championship, to advancing to the Regional playoffs for the first time in history.

Young Treadwell was named All-District and All-Area this year before receiving the most recent and most coveted honor that comes to Texas schoolboy athletes.

Others on the Class A All-State first team besides Treadwell are David Frazier of Aspermont, Mike Hale of

Wylie, Jack Sweeney of West Sabine and Randy Brint of White Oak.

Baylor University seems most likely site for the display of Terry's talents in the next school term.

Eastland's honors have been manifold from this season's basketball team — Coach Moody was named All-Area Coach; Mike Miller and Treadwell were named to All-District honors; and Long-Shot Hayden Wilson earned

honorable mention. After winning the district contest, the Mavericks downed Marble Falls, then were defeated in the first game of the Regional Tournament.

A multi-activity man, Terry has excelled in many fields including tennis, band and scholastics.

His basketball record looks like this:

- Scored 1,840 points during four years as a member of the EHS team, 1,789 during

regular season play.

- Averaged 27 points per game as senior with 20 rebounds (701 total points).
- Averaged 21.5 points per game as junior with 18 rebounds (479 total).
- Averaged 17½ points per game as sophomore with 10 rebounds (362 total).
- Averaged 16½ points per game as a freshman, with 247 total points.
- All District 10-A as a sophomore; All-Area, second team

as a sophomore; All-District 10-A as a junior; All-Area, First Team as a junior; All-District, All-Area, as a senior; All-Tournament team in freshman year; three all-tournament teams sophomore year; three all-tournament teams as junior; two all-tournament teams as senior and averaged 30 points per game in Stephenville tournament this year.

TENNIS: Won first place in boys' singles in tennis in

District 10-A and Region IIA in his sophomore and junior years. Went on to State Tennis Tournament both years and lost in semi-finals to Class A champion.

SCHOLASTICS: Has led his class scholastically through junior high and high school, carrying an approximate average of 95.

BAND: Is first trumpet player in Maverick band. Made second All-District Band two years; made first All-

District band two years; All-Region Band his junior and senior years. Went to State Solo Contest as junior.

A congenial, friendly young man, Terry is an active member of the First Baptist Church where he is a member of the Church Choir.

With all his athletic abilities, his scholastic standing and personal pleasantness, most agree that the one word that sizes Terry up best for his honors, is "deserving."

Don Your Straw Hat Saturday

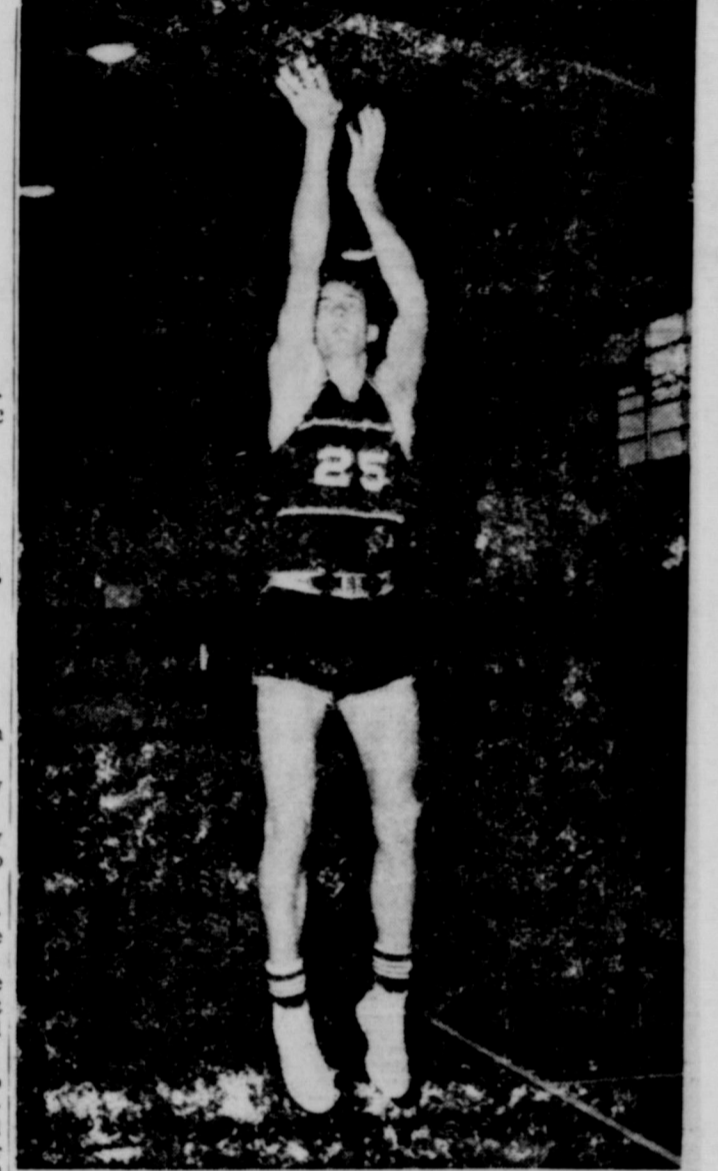

It's off with the felt, and on with the Straw!

Saturday is Straw Hat Day in Eastland.

And a more appropriate day couldn't be found — it's also the first day of Spring.

During the week, Eastlanders were anxious and with the bright sun that warmed a winter-weary sod, some may have cheated a little and broke out their last year's straws ahead of time.

But most are expected to greet the new season Saturday with the Trade-in of old straws and worn felts for bright, new comfortable, cool straws for the days ahead.

Cancer officials and volunteers will meet Friday at 7:30 p.m. at the Texas Electric Service Reddy Room for a get-together meeting with County Chairman Sam Kimbrell and Vice Chairman Ann Justice in charge.

A YOKE HAS been lifted from our shoulders. Plugged, most know, the past few weeks by an onslaught of geons, roosting atop our home on the south side of the square, we've found ourselves in a quandry. Detesting their essence and conditions they are responsible for, yet geon-hearted enough not to want to actually poison, shoot and club them, we just didn't know what to do. Then, like a gesture from the beyond, young Gary Butler calls one night this week to ask, "Sir, you don't mind, I'd like to catch those pigeons that have been around your store and take them home for caging." Needless to say, we're nominating Gary for Man of the Year, Boy Most Likely to Succeed and replacing Jack Armstrong as the All-American flyer. Volunteering a tall, tall idler and even assistance, maybe soon we'll be pigeons.

THE 91st DISTRICT Court is fairly full at mid-week as trial progresses. Heard over and over was complaints from people who couldn't hear testimony. One old-timer remarked, "The trouble with this place is there's no acoustics." Maybe some kind of sound system would help. Among the visitors were former judge Elzo Been, who is enjoying visiting with old friends, including Judge J. Frank Sparks.

THESE NICE notes from Eastland teachers: "Thank you for the felt point pen. It is quite useful. I am glad to have it and do appreciate your thoughtfulness. Thank you again" — Nettie Thornhill. REHEARSALS FOR SENIOR PLAY — These are some typical scenes found every week-night for the past few weeks as the Senior Class of 1965 prepares its play, "Our Hearts Were Young and Gay". T. L. — The entire cast poses for the camera. T. R. — Don Griffen as the window cleaner wakes Sharon Sayre. B. L. — Emily and Cornelia inspect their hotel room in France. B. R. — Much hustle and bustle is found on stage during rehearsals. Here "Teach" Conner instructs Gary Rollins and Terry Treadwell in prop construction, helps Judy Moorehead with prompting, and keeps an eye on Donna Ford and Jeannie Hanna, rehearsing their lines.

'Hearts Were Young, Gay', Senior Play For '65, Is Set Friday And Saturday

The curtain will go up on Mrs. Earl Conner's crew of High School seniors Friday and Saturday nights as they present this year's selection for the annual Senior Play.

"Our Hearts Were Young and Gay" is a hilarious adventure of two girls going to Europe alone. The play, written by Cornelia Otis Skinner and Emily Kimbrough, has all the flavor of a comedy, an adventure, and even a few touches of tragedy.

Cast for this year's presentation are listed in the order of their appearance.

The steward is played by Mike Seibert, Mrs. Skinner is played by Anna Smith, Mr. Otis Skinner is played by Jimmy Finley, Cornelia Otis Skinner is portrayed by Jan Taylor, Emily Kimbrough is played by Sharon Sayre, the purser is played by Gaylon Griffen, the stewardess is played by Elaine Berger, Dick Winters is portrayed by Bill Herridge, the Admiral is played by Gary Rollins, Harriet St. John is played by Carolyn Key, Winifred Baugh is played by

Jeannie Hannah, Leo McEvoy is portrayed by Terry Treadwell, the health inspector is played by Julie Elrod, Terese, the French maid, is played by Donna Ford, Madam Elise is played by Karen Bond, Mrs. De La Croix is played by Larry Clements, and the window cleaner is played by Don Griffen.

The play consists of three acts in seven scenes. Admission is 50c for high school students and adults, and 35c for Jr. high and elementary students. Curtain time both nights is 7:30 p. m.

Winners of last Saturday's drawing were reported as follows: Mrs. B. H. Clifton, \$50; Mrs. M. L. Drake, \$30; Mrs. Ira Belle Underwood, \$10; and Mrs. Jody Parsons, \$10.

Bratton Trial Verdict Is Anticipated By Thursday; Woman Says Self-Defense

Final testimony and attorneys' arguments are expected to get underway Thursday morning in the Maurine Bratton murder trial which began in 91st District Court Monday.

An instructed verdict for an acquittal was asked by the defense, but had not been granted by Presiding Judge J. Frank Sparks at press time.

Mrs. Bratton is being tried for the Sept. 30, 1963, slaying of her former husband, R. L. Bratton, at her ranch home near Ranger.

Prosecuting Attorney Perry Brown, who began his parade of witnesses about 2 p.m. Tuesday was expected to rest his case about 1:30 p.m. Wednesday.

Defense Attorney Bill Hart planned to take most of Wednesday afternoon with some six witnesses — one of whom was to have been Mrs. Bratton, attractive 45-year-old Ranger brunette.

More Lines To Be Cleaned; New Police Car To Be Bought

Another local sewer line cleaning project was approved by the Eastland City Commission at its regular monthly meeting Monday evening.

The commission also signed two contracts with the Eastland County Water Supply District; voted to accept bids for a new police patrol car; and heard comments from several Olden residents regarding water service.

Mayor Frank Deaton presided and all commissioners were present except Dr. M. A. Treadwell Jr., who was attending a meeting of the board of directors of the Eastland Memorial Hospital.

The 4,367-foot stretch of 8-inch sewer line to be cleaned is located from the corner of Burkett St. (Highway 6) north along S. Seaman St. to Conner St., east along Conner to Broughter St., and about a block along Seaman from

Conner to Sadosa St.

The city will employ the Nesmith Pipe Cleaning Service of Abilene, the same firm that cleaned a line here last year. Cost will be 65 cents a foot for a total of some \$2,838.55. The job last year amounted to \$5,500.

The contracts signed with the water district amounted to formalization of existing agreements in which the District

"As It Looks From Here"

DONALD BIRLESON Congressman 17th District

WASHINGTON, D. C.—One of almost 100 proposals to the Congress by the Administration is the liberalization of our Immigration Laws.

Efforts to change the present Walter - McCarran Immigration Law have been made in every Congress for the last several years, but have gotten no place.

It is proposed that the present national origins quota system be placed with a system based on a need for skills possessed by applicants for citizenship, and a preference for those with relatives already living in the country.

Immigration from friendly Western European countries would be reduced by about 25 per cent.

Immigrants from Greece, Portugal and Spain would be increased considerably.

The number of foreigners allowed to enter the United States from Communist countries in Eastern Europe would be almost double.

Our first obligation in anything is to the United States of America and not to any foreign country.

There is no simple duty or moral obligation for this country to become the dumping ground for surplus people of the earth.

The fact is that the great ethnic groups in our big cities are organized to bring tremendous political pressures for the breakdown of our Immigration Laws.

This is not an anti-foreigner attitude by any means. Certainly it is a meritorious contention that immigrants have contributed great values to America.

The Latin "caretta," forerunner of the modern cart, originally meant a two-wheeled vehicle.

Mr. and Mrs. Doyle Owens of Rising Star are the town's newest grandparents, according to the neighbors.

Miss Cynthia Brown is a sophomore at Tarleton State College. Majoring in Home Economics, she has a grade point average of 2.25 under Tarleton's three-point system.

Carol White, daughter of Mr. and Mrs. Jack White of Route One, Rising Star, has been named to the Dean's Honor Roll at Abilene Christian College for the fall semester.

HORSE'S KICK SENDS GENE AGNEW TO HOSPITAL SUNDAY

The condition of Gene A. Agnew, 28, of Cisco, was described as satisfactory today at Eastland Memorial Hospital where he was recovering from severe face injuries sustained late Sunday when a horse kicked him.

Young Agnew, an employee of Lone Star Gas Company here, had gone to the home of his father, Arlin Agnew, at 6:15 p.m. Sunday to show a horse to someone.

Medicare Is a Misnomer

A recent Gallup Poll indicated that a majority of Americans favor medicare. But, of great significance, the same poll found that a very large percentage just don't know what the scheme would and would not do.

The fact is, as many observers have pointed out, that the very term medicare is a misnomer. It suggests a broad program for meeting all the needs of those coming under it.

So, if medicare should become law, millions of people will be due for a grave disappointment. Along with that, the heavy cost — which in all probability would be larger than the estimates — would have to be paid by substantial boosts in the social security tax rates.

We might have to accept these dangers and disadvantages if medicare was the only way to deal with the medical problems of the aged.

A Matter of State Pride

What Texan hasn't thrilled to the sight of his State Capitol Building as he drew near Austin? It is most appropriate that the monumental red granite structure should dominate the scene, as it has since 1888.

Conversely, it would be most unfortunate if high-rise buildings placed too close to the Capitol should wipe out the long-range view of the stately building at the top of the hill.

Now foundation work is under way on a 24-story structure fronting on Capitol Square. Such a structure not only would completely domi-

The First Methodist Church of Rising Star has been attractively enhanced with the placing of new deep-pile carpeting on the aisles and rostrum in the auditorium.

The carpeting is the gift of Mrs. Lucy Boase, a member of the local congregation.

The 200 or more members from Rising Star and Cross Plains who pledged annual membership dues of \$60 are being urged to pay one-third of that amount now into an escrow fund as a final step for the approval of the \$100,000 F.H.A. loan to finance the construction of the Lakewood Country Club, midway between Rising Star and Cross Plains.

The balance of the annual fee can be paid on a monthly basis beginning with the loan closing. A statement from the board of directors that the \$20 per member is on deposit will be evidence enough

AGNEW TO HOSPITAL SUNDAY

Monday for examination by a specialist. It was decided that there was no real damage to his eye but that the bruise was a deep and severe one.

Both eyes were covered by bandages, and hospital attendants said it would be Wednesday or Thursday before the bandages would be removed.

Gene is a member of the Cisco Volunteer Fire Department and of the Jaycees. He and his wife, Paula, are the parents of two children and are well known here.

Medicare Is a Misnomer

If a policyholder's income was below a certain level, established by the state, he would pay nothing at all. A simple statement of income, filed with a state agency would be all that was needed to qualify.

This plan is based on actual need, as any sound plan must be. It would provide much more than medicare and do that without setting up another Washington bureaucracy.

Edward W. O'Brien, of the Portland Oregonian's Washington Bureau, writes: "An unpublished study by top government actuaries shows that the administration's medicare proposal would cost \$3.8 billion a year by 1975 and that the proposed special health care fund would be just about broke by then."

These findings square with warnings given by nongovernmental authorities of the financial perils that medicare contains. And there is more than theory to back them up.

A Matter of State Pride

Rep. Henry Grover of Houston has introduced a House concurrent resolution which would direct the State Building Commission to initiate denunciation proceedings for purchase of the site and improvements. The owners would be compensated, of course. The work already done would not be wasted, as the state could then proceed with a low-rise parking garage or office structure.

Austin is a rapidly growing city. Tall buildings will be erected there. But there are other sites available for such structures. The majesty of the State Capitol should be protected. — Houston Chronicle.

to assure the agency that operational funds will be available when the recreational facilities are completed and clears the way for the final closing of the loan.

Mrs. Mollie West honored Mrs. Cordia Wolf with a birthday luncheon on Friday. Those attending were Mrs. Rufus Hicks, Beryl Heath, Lessie Claborn, M. M. Snefield, Bess Rachel, Col Martin, Bertie Medford, Mrs. Key, the honoree, Wolf and West.

In the afternoon, the group enjoyed games of "42" and "84" before adjourning. North Star Home Demonstration Club members are obtaining official home demonstration pins in the near future.

Three Trustees To Be Elected In April 3 Vote

Three Eastland County School Board members are to be elected at the April 3 election, County Supt. O. L. Stamey has announced. Announced are Wyatt Jacobs of Rising Star for the Precinct Three post; J. D. Lauderdale of Cisco for the Cisco precinct post; and Melvin Adams of Ranger, for the at-large position. Holdover trustees are President I. C. Inzer of Eastland and Ross Wilson of Gorman. Trustees Jay Koonce of Rising Star and Frank Coats of Cisco are not seeking re-election this year.

Ranger Judging Team Winner In County Contest

A team of the Ranger chapter of Future Farmers of America placed first in the livestock judging contest held Friday night at the Eastland County Livestock Show in Eastland. Six classes were judged in the competition among 10 county FFA and 4-H club teams — steers, heifers, two classes of fat lambs, Hampshire gilts and Duroc barrows. Willie Cantwell Jr., Wayne Boone, Wayne Hale and Theo Hale are the members of the Ranger team and the quartet was presented the first place banner at the special auction sale held at Eastland Livestock Auction Saturday night. John Adair, representing the Commercial State Bank, Range, sponsor of the judging awards, presented the banner to the local FFA team.

Over \$1000 Is Taken In Thornton Mill Robbery

Burglars broke open money safe and took more than \$1,000 at the Thornton Feed Mill of South Avenue D in Cisco Monday night, according to a report by Police Chief S. E. Parkinson. Entering the building through a back window, the burglars chiseled the knob off the safe and successfully opened it. Feed mill employees said the loss would exceed \$1,000. It was understood that it was partly covered by insurance. The police station received a call at 10:07 p.m. Monday that two men had just been seen running away from the

Eastland UF Per Capita Gift Was \$2.54

Eastland United Fund and Red Cross, based on per capita, averaged \$2.54 during 1964-65. Eastland reached its appointed goal of 100 percent by raising 105.2 percent. The amount raised was \$7,629, reaching and exceeding the goal of \$7,625. Cisco reached \$7,500, trying for a goal of \$7,875. Per capita it averaged \$1.67. Averaging \$1.66 per capita, Ranger made a total of \$5,485. The goal was set for \$6,856. This year, 26 United Campaigns in Texas raised per capita amounts above the national average.

Ben Hamners En Route To Mexico City

Mr. and Mrs. Ben Hamner left Thursday for an approximate two-weeks trip to Mexico City. Accompanying them are her nephew and family, Mr. and Mrs. Jim Cole and Karen of Hebronville. Leaving from San Antonio on a Mexico bound train, the group planned an overnight trip to Cuernabaca and Taxco, where silver is mined and processed. The pyramids and "Floating Gardens" are among the many historical scenes they planned to enjoy.

Science Of Words Is Lion Program

The science of the spoken word was program on film for the Eastland Lions Club this week as E. E. Freyschlag was program chairman. The Bell Telephone Film depicted the research being done in measuring and evaluation in the human voice, showing how techniques are being developed to speed the transmission of that voice along telephone lines. President Leon Musgrove presided and guests included Deputy District Gov. Sutton Crofts of Cisco; Bud Fisher and Mr. Clayton Jackson, new minister of the Eastland First Christian Church. Officer nominees were read and will be voted on at a later meeting, it was announced.

Janie Harris Is Honor Society Nominee at NTSU

Janie Harris, student at North Texas State University, has been selected as an Angel Flight nominee. She qualified for the Angel Flight, an honor society, by being an "A" student and is to attend a party March 18 in Denton at the Holiday Inn to be considered for membership. Daughter of Mr. and Mrs. Tom Harris of Eastland, Janie is a 1964 graduate of Eastland High School. She is one of 200 girls to be nominated for Angel Flight.

County Bond Sale Totals \$27,729

January Savings Bonds sales in Eastland County totaled \$27,729. This announcement was made recently by Mr. Guy Parker, chairman of the Eastland Savings Bonds Committee. This represents 6.7 per cent of the 1965 goal of \$410,000. During January, 1965 sales of Series E and H Bonds in Texas totaled \$14,311,691 or 9.3 per cent of the state's goal of \$152.8 million. In announcing the sales figures for the county, Chairman Parker pointed out that the rallying cry of this year's bond campaign is "Practical Patriotism." "The purchase of U.S. Savings Bonds is 'practical' because it is easy and sure. It is patriotic because the purchase of bonds are a mark in the faith of our country and its future. 'Practical Patriotism' is just good common sense and I urge all the citizens of our county to buy bonds where they work or bank," Chairman Parker said. **WILL VISIT** Visiting in the home of Mrs. W. S. George over the weekend will be her daughter and husband, Mr. and Mrs. Walter Gilliam of Garland.

New Christian Minister Former Marine, Contractor

Preaching his first sermon in the First Christian Church of Eugene, Ore. Rev. Jackson traveled many miles to fill the vacancy at Rev. Clayton Jackson, former pastor of Glenwood Christian Church which occurred upon the resignation of Rev. Ray Cameron. A 1963 graduate of Northwestern Christian College of Eugene, Rev. Jackson pastored Glenwood Christian Church for two years and was associate pastor for the church five years. He has a B. Th. degree and will receive a B.D. degree this fall, as his future plans are to attend Brite Divinity College in Fort Worth.

For three years he served as a United States Marine during World War II. After one time was manager of Chain Lumber Yard in Crossett, Wash.; also, for several years he was a contractor. He and his wife, May, have two sons, Richard, age 12, and Ronald, age one. Shop Eastland First Christian Church.

National Plans Cancer Crusade Be Mapped At Friday Meet

Eastland County Chapter of the American Cancer Society has stepped up plans for the April 1 launching of a national crusade to save lives from cancer through research, education and medical care.

Volunteers who are willing and anxious to do this humanitarian work to contact their local ACS chairman for additional information.

The second goal, Mrs. Justice added, will be to raise money for research, education and service. "Our only hope of saving one half of those who now develop cancer is through the results of the research which is occupying an increasing number of scientists each year. Here lies our hope."

MURDER TRIAL

(Continued From Page 1)

maintaining Hart's objections. Called Wednesday morning by Brown were Sheriff L. E. Sublett, G. W. Bratton of Ran-

Hart at this point asked for permission to have the jury retired to make his motion for acquittal. Judge Sparks complied, retired the jury, heard the motion which held that insufficient evidence to substantiate the indictment had been entered, recessed for formal application of the motion, then reconvened and allowed Brown to re-open for the state, without commenting on his decision on the motion.

Horn was recalled and testified that the fatal shot had been fired from the Bratton home from an open east window.

County Clerk Johnson Smith was called to testify about a warranty deed on record from M. L. Woods to Susie M. Bratton.

Tax-Collector Edgar Altom was called to testify at the stand at 1:15 to testify to the value of property involved in an apparent attempt to show the value of the "gift" from Mr. Woods to Mrs. Bratton.

The state put on four witnesses in the opening round of testimony which began at 2 p.m. Tuesday, and three of these, all law enforcement officers, quoted Mrs. Bratton as saying she had killed her husband.

Called by District-County Attorney Perry Brown were former Sheriff Lee Horn, Dr. Luther R. Gohlke of Ranger, Highway Patrolman Jack Therwanger and Sheriff L. E. Sublett.

Horn said that Mrs. Bratton came to his office about 8:15 a.m. Sept. 30, 1963 and said: "I have just killed my husband." She had brought the rifle — described as a deer rifle with a telescopic sight, he said.

Defense Attorney Bill Hart objected strongly as he did later when Therwanger testified similarly. Presiding Judge J. Frank Sparks permitted the statement to stand as he did later when Sheriff Sublett (deputy at the time of the shooting) testified that Mrs. Bratton had told him that she had kept him (her former husband) in the rifle scope's sights "until he stopped kicking" (after she had shot him).

Testimony brought out that a door of Mrs. Bratton's house had been damaged — the state contending that it could have been done by anyone or anything and the defense holding that it had been done by the late Bratton. Hart even introduced the door as evidence to show its damaged surface. Through a great deal of objection, he also introduced a white night gown with blood on it (held to be one worn by Mrs. Bratton the night of the shooting), a bloody wash cloth, a pocket knife with blood on a blade (held to be the late Bratton's), a bloody tissue, a packet of matches and six spent shells.

Horn said Mrs. Bratton told him that Bratton had forced his way into the house after she had refused to open the door, had thrown her on the bed, choked her and had held a knife at her throat.

Therwanger testified that he was on his way to investigate an accident on State Highway 16 (near which the Bratton ranch is located) when he met Mrs. Bratton in a car and stopped to talk to her.

He said she told him she killed Bratton. He told her to go to the sheriff's office, then drove his car back to the courthouse. Arriving before her, he said he told the sheriff, "This was no accident." At Hart's objection to this line of testimony, Judge Sparks retired the jury, heard the testimony, overruled the ob-

jection, and permitting the patrolman to complete his statement for the jury.

Therwanger said Mrs. Bratton had told him that as Bratton left her home, he had said he "was going to kill that old snuff-dipper," referring to Morris Woods, then would come back to her home.

Dr. Gohlke told how he was called to the scene and determined that the bullet had struck the man in the back and had come out through the right upper chest. He said the cause of death was shock from loss of blood as a result of gunshot wound. Despite repeated questions regarding the entry of the bullet, the physician did not change his contention that the bullet entered from the back.

Court adjourned at 5 Tuesday and resumed at 9 a.m. Wednesday, with the jury held in quarters.

Jurors were qualified on the death penalty, which whittled the 100-name special venire fast. Only seven jurors, four from Eastland and three from Gorman were qualified all day Monday. Two more Gorman men were qualified in the first hour Tuesday morning.

Self defense, of herself and another, was the plea made by her attorney, Bill Hart of Eastland. Jurors were questioned at length on their feelings about the law which provides for self defense killing.

In an arraignment before juror selection began, Mrs. Bratton pleaded not guilty to the murder with malice indictment.

Several prospective jurors were excused by presiding Judge J. Frank Sparks before questioning began when they testified under oath that they had opinions already formed as to the guilt or innocence of the woman.

Jurors selected Monday were Temple A. Harris, Steele Hill, A. E. Ethridge Jr., and Eddie Simms, all of Eastland, and Tom L. Broom, J. A. Watson, and Cecil Self, all of Gorman. Qualified Tuesday morning were E. H. Cook, H. N. Clark, Wayne Eaves, and Mrs. Dorothy Hatcher, all of Gorman; and Sterling Drumright of Cisco.

Ann Justice of Eastland-fund-raising chairman, crusade "will emphasize 'Your Neighbor' volunteers in their door-to-door canvassing, and out a leaflet containing life-saving facts about cancer and information about city's effort to help in this dread disease. Part of the preparation for the crusade, Mrs. Justice, will be centered on making the best possible guides for volunteers to make ping save lives from cancer.

DeLeon Chapter Homemakers' Schedule Is Busy

The De Leon Chapter of the Young Homemakers of Texas has been asked to model at a style show for the Shakespear Club at Smith's store on March 31.

The chapter met March 8 in the Home Economics Building. A local nurseryman, Jim Womack, presented a program on planting and caring for trees, shrubs and roses.

A "42" Social was held for the young homemakers and young farmers Feb. 19 at the Agriculture Building.

The chapter has collected enough money from local merchants to buy the Home-making Department a silver coffee service for open house

day. Members of the club also sold Stanley Products to purchase a coffee pot for the department and will serve as hostesses at the open house.

At this meeting it was decided to sponsor a foods contest the last of May and give ribbons as prizes; also, a field day was planned for July 19.

After the meeting adjourned, refreshments were served by La Joyce Womack and Margaret Perry.

Rivals!

It has often been said that the only logical substitute for a new Cadillac is one that has seen previous service. Whatever you plan to invest in your next car, above all consider Cadillac.

If you are like most people, you hope someday to own a new Cadillac motor car. For Cadillac's continuing greatness in design and engineering has made it one of the world's most desirable and sought-after possessions. But if a new Cadillac is not presently feasible, you should consider the pleasure and satisfaction that would be yours with a late model, previously-owned Cadillac. Your dealer currently offers an unusually wide selection of fine used Cadillacs at a cost in line with that of many new cars of

far less stature and quality. These fine Cadillacs are all in superb condition, and many offer features not yet available on other makes. And from a standpoint of investment, remember that a Cadillac traditionally returns more of its cost at resale than any other car at or near its price. So visit your authorized Cadillac dealer, and let him show you a Cadillac—new or used—that will fit your budget. Your visit will be the wisest motoring move you have ever made. Why not make it this week?

Rising Star News

The Rising Star Emergency Corps, who are equipped with assistance in emergencies, have a new project, that of burning off grass and weeds to prevent grass fires. Every person who has tall grass and overgrown weeds, should be safely burned off or contact Jimmy Lee Ware, Kenneth Willett or Charles Cotton. The corps will be glad to safely rid the premises of such fire hazards in the interest of fire safety.

Two new members were added to the corps last week. They were H. McDonald and John Bishop. Visitors who attended the meeting were Jay Lee Ware, Kenneth Willett and Jerrell Bishop.

If Your Home Burned Tonight -

... how would you like to re-buy what you have lost? Sounds silly, but it's a good question. Your belongings alone are probably worth 2 or 3 times the amount you have them insured for. Gradual accumulations over the years will surprise you, and you may find you have advanced since you first set up housekeeping! How to find out? A thorough inventory is the only answer. Let us help you make them while you write your proper coverage to adequately insure you.

When the corps was organized last year, it was mainly interested in Citizens Band radio and members are now equipped with facilities to render aid in case of disaster or emergencies if this should happen.

The group meets each first Monday night at the Boy Scout Hut at the City Park. H. McDonald, minister of the Church of Christ, and several members of the church provided the Sunday afternoon service for the residents of Twilight Acre Nursing Home on third Sunday. Scripture reading and the Lord's Supper was a privilege provided the residents, who are unable to attend church at all.

Other churches in Rising Star alternate and provide services on other Sunday afternoons. The Girl Scouts and the Sunday school groups also help out with programs for the benefit of patients who live at Twilight Acre.

The theme for study at the February meeting of the Rising Star Saturday Club was phases of "Education."

Mrs. Weldon Hill discussed "Education from the Sky"; "Highway of Education, Well-Lighted" was presented by Mrs. J. D. Clark; and "When Does Education Stop" was also discussed.

The club voted to buy children's books for the library and a committee was named to select them during the business session.

moved to Lampasas where he finished school and did retail sales work for 15 years. He was married in 1949 to June Donohoo of Lampasas and they have two children, a daughter, Brenda age eight, and a son, Bradley age six.

He began his college training at Abilene Christian College in 1955 and received his B.S. degree in 1959. His ministry since that time has been with churches at Eden, Beeville, McGargel, Sweeney, Grove Avenue in San Antonio and Ozona. He is presently located at Anton. During the years he has held meetings and filled speaking engagements which have taken the family into several states.

On June 15, the Walkers and their children will embark on their journey to Cape Town, South Africa, where they will work toward establishing a self-sustaining church in that city of some 800,000 population.

The Lampasas Church of Christ is the sponsoring unit but they are earnestly soliciting help from the other churches throughout the area in the form of money for transportation by land and sea, living expenses and monthly income while in South Africa.

The Rising Star Roping Club elected officers and directors at its meeting on Thursday. Elected president was A. D. Jenkins, who succeeds Jack Jackson. C. W. Richter was elected vice president; Frank Hudler, secretary; and C. A. Claborn, treasurer. Directors named were Jerry Winfrey, Bill Mooe, Charles Hubbard, Frazier Clark and Woody Chambers.

The group set a tentative date, Saturday night, May 29, for the first rodeo of the 1965 series. The initial performance, as is the custom, will be held on Saturday night following a down-town parade. The rest of the 11 weeks series will be held on Friday nights. The performances will be held at the Roping Club Arena, east of town one mile.

See us. We deliver: a lot of power, not promises.

Even in our lowest-priced Chrysler models, 383 cubic inches of V-8 engine is standard. So is our big size - the factory doesn't build jr. editions. And nearly half our '65 models are priced only a few dollars more than some of the most popular small cars, comparably equipped. That figure includes power steering, power brakes, automatic transmission, radio and heater. When you get ready to plunk down the cash, remember: If you're going to pay the price of a Chrysler, get one. See us. We deliver.

NSLI Available To Former GIs In New Program

WACO — Many veterans whose nonservice - connected disabilities prevent them from buying commercial life insurance at sub-standard rates will have the opportunity to obtain National Service Life Insurance during a one-year period beginning May 1, 1965.

Glyndon Hague, manager of the Veterans Administration Regional Office in Waco, pointed out that these applicants, unacceptable to commercial companies, will be obliged to pay very high premiums.

Nonservice - connected veterans affected are those who had been eligible to purchase insurance between October 7, 1940, and January 1, 1957, but who now hold less than \$10,000 worth or none at all.

These veterans may obtain a general information sheet at any VA regional office. However, veterans are reminded that no application may be made prior to May 1, 1965.

The condition rendering the veteran uninsurable had to be in existence on the date the president signed the bill.

workpower

"walks" right over bumps and trouble

Independent front suspension takes the "truck" out of truck ride. It smooths rough roads, protects truck, driver and cargo from excessive jolting. And on Chevrolet pickups it's a proved system with millions of miles of user experience behind it. Try it out on one of Chevrolet's great Fleetside or Stepside pickups. It's one of the big reasons that Chevrolet is first choice with pickup users from coast to coast.
