## Primary Run-Off Has 3 Contests Saturday

### Old Rip Give-Away Is Saturday

Saturday is Old Rip Scrip Drawing Day in Eastland, with \$100 in nice, green scrip up for claims.

The stub drum is located at Perry's and ticket stubs may be deposited there or at participating stores in town. Chamber officials ask that stubs be deposited before drawing time Saturday. Drawing time will be 2 p. m.

Scrip will be given in four amounts — one for \$50, one for \$30, and two for \$10 each. Merchants in Eastland are also offering special bargains for the weekend event.

**MEMORIAL WREATH** — Marking Memorial Day in Eastland in traditional fashion was the placing of a wreath on the War Dead Memorial Fountain on the Courthouse Lawn, shown here, by the Civic League and Garden Club.

Polls will open at 8 a. m. Saturday for the Democratic Primary runoff election in Eastland County — with a short ballot on tap and a light turn-out of voters expected.

Voters in three of the county's 12 precincts will have three decisions to make on their ballot. All others will have only two.

There is one state-wide contest and one county-wide contest, and one commissioner, Precinct One, race.

Voters county-wide will decide between Joe Pool of Dallas County and Robert W. Baker of Harris County for Congressman at Large, and between L. E. (Lefty) Sublett and J. B. Williams for Eastland County Sheriff.

Voters in Eastland, Ranger and Olden will decide between Earl Blackwell and Danny Woods for Commissioner of Precinct One.

Approximately 100 absentee votes were expected, with deadline for voting absentee Tuesday evening at 5. By noon Tuesday, 92 had been cast — 51 in Eastland, 23 in Ranger, 3 in Olden, 10 in Cisco, 2 in Kokomo and 3 in Carbon.

In the May 2 primary Sublett led five other candidates 1,438, putting the two into the run-off. Woods lead five too, with 1,120 to Blackwell's 581 for the run-off contest.

Pool led Eastland County in the earlier vote with 3,488 to Baker's 491.

Voters in Eastland will mark their ballots at the Courthouse, in the first floor lounge. Don Pierson is appointed election judge.

Voting in Ranger will be at the City Hall with Calvin Brown, election judge.

Mrs. O. H. Dick will conduct the Olden voting at the school.

J. V. Hevser Jr. is election judge for Cisco where polling will be at the city hall.

### Suicide Is 10th Leading Cause Of Death In Texas

COLLEGE STATION — The tenth leading cause of death in Texas last year was suicide.

This grim reminder comes from Patsy Reynolds, Extension family life education specialist at Texas A&M University.

"It's ironic in a time when we spend so much money and have made so much progress against dread diseases such as tuberculosis that suicides should outrank deaths from many of these diseases," the specialist said.

Records of the Texas State Department of Health show that men took their lives three times as frequently as women. Ninety-six per cent of the sui-

typical suicide appears to be a white male between 45 and 55 and the time of suicide appears to be between seven and 11 o'clock on a bright sunny Monday morning. He probably has a family, but few close friends. He may belong to a club, but the chances are he doesn't attend regularly. Most people are not prepared to counsel with a mentally disturbed person who may be contemplating suicide. "Yet we can take anyone seriously who mentions suicide, and try to see that they talk to a physician, social worker, or minister. We can take time to talk to the person who doesn't seem to have a great many friends, and we can listen to their problems," the specialist said.

### Pvt. Richard Rogers Completes Course

FORT POLK, LA. (AHTNC) — Army Pvt. Richard L. Rogers, son of Mr. and Mrs. Ray L. Rogers, Route 3, Cisco, Tex., completed a two-week leadership preparation course at the Non-Commissioned Officer Academy at Fort Polk, La., May 23.

Rogers received instruction in map reading, leadership, dismounted drill and problems of command.

He entered the Army last February and completed basic training at Fort Polk.

He is a 1960 graduate of Breckenridge High School and attended Tarleton State Col-

lege in Stephenville. The 22-year-old soldier was employed by the Santa Fe Railroad in Fort Worth, before entering the Army.

### A SAD STORY

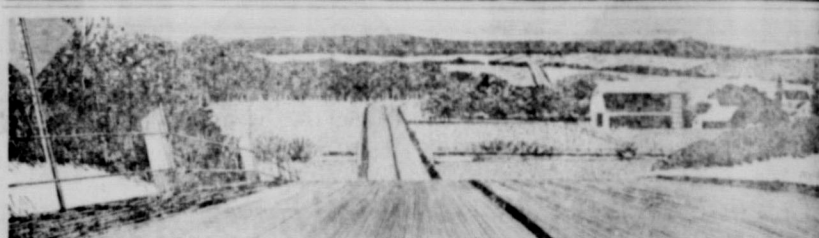

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

## For J. B. Williams

To the Voters of Eastland County:

I want to say that I have known J. B. Williams for over 20 years — both as a man and as an officer of the law. I believe he is the best qualified man for the office of the Sheriff of this county. I have worked with him on many cases, and I know he will do the job himself and not depend on someone else to go and make arrests for him.

I am voting for J. B. Williams, and I will appreciate your support and influence in his behalf in Saturday's (June 6th) runoff election.

Sincerely yours

J. J. HONEA

## THE VOTERS OF PRECINCT ONE, MY APPRECIATION

Please allow me to express my heartfelt appreciation for the support you showed me in the First Primary and the encouragement you have given me during my campaign for the office of County Commissioner.

I have strived to conduct a clean and above-board campaign. At no time have I attempted to run my campaign on other than my own merits.

In my opposition to a tax raise of any sort, my desire to see county affairs conducted on a sound financial basis, and my qualifications enable me to serve as County Commissioner in the best interest of the taxpayers.

I earnestly ask for the consideration of those who did not support me in the First Primary and seek the continued help and influence of my supporters. If elected, I promise to fulfill the duties of my office in as fair a manner as possible and to the best of my abilities.

Sincerely,

EARL BLACKWELL

## 'Burglary Prevention Week' Is Proclaimed For June 21-27

Chief Ray Laney announced today that Mayor Frank Deaton, in cooperation with the Texas Police Association state-wide program, has proclaimed the week of June 21st through June 27th as Burglary Prevention Week.

According to Chief Laney, "This is not intended to be facetious, nor an indication we're only interested in preventing burglaries one week of the year. Rather, various law enforcement agencies throughout the country have designated this week to emphasize the seriousness of this crime and how the public can help by observing some simple means to keep burglars out of their homes during the vacation months ahead."

Few people realize burglaries account for 44 per cent of the total major crimes in the country. During 1963 there were an estimated 900,000 burglaries committed across the country. The total dollar

loss of these burglaries was approximately \$200 million. Chief Laney said "alerting the public to this menace, and suggesting to them some of the simple precautions to take, can substantially reduce this menace in our community."

Some of the suggestions the police department recommends you take before leaving your home during the warm month ahead are:

1. Use good locks. Don't rely on cheap door locks to protect your home and valuables. Pin tumbler cylinder locks or locks with a dead-bolt mechanism are most effective.
2. Have one or two lamps burning during the evening hours. This can be easily done by using an automatic timer on lamps or making arrangements with a neighbor to turn them on and off each evening. Lights burning all night or day and night fool no one.
3. Be sure to discontinue deliveries during your absence. A call to the dairy is safer than a note left for the milkman. The post office will hold your mail, too. Have your newspaper forwarded to your vacation spot.

4. Tell one neighbor you are leaving, ask him if he'll look after things for you in your absence — sweeping up, cutting the lawn, picking up circulars, etc.
5. Use safety latches on all windows. They'll allow the windows to be opened far enough for proper ventilation, but not enough for someone to enter.
6. Notify the police department when you're leaving, where you can be reached in an emergency and when you expect to return.

An informed public, cooper-
