Summer Tennis Is Next Week

Day Camp are the last two weeks in June and the first week in July, he said.

Boys and girls, not participating in the summer baseball program, are invited to register for the comprehensive tennis program, Mrs. Day said. It is planned for those from the sixth grade through high school she said. Cost is \$5 per person for the month of instruction and play. Hours are from 6 to 9 p.m. five days a week, she said.

Assisting Mrs. Day will be Terry and Marsha Treadwell, Elaine Berger and Sharon Day, recent competitors in the state tennis tournament.

As in the past, the tennis program will be concluded with tournament, and the awarding of ribbons, medals and trophies.

The program, which attracted about 35 players last year, is sponsored by the YMCA, an Eastland United Fund participating member.

LIONS AT SCHOOL — Members of the Eastland Lions Club toured the new elementary school building now under construction Tuesday. At left is E. E. Freyschlag, program chairman for the day. Club Sweetheart Donna Ford and President Marcus O'Dell examine the nearly-completed cabinet work in one of the typical classrooms. Supt. Wendell Siebert conducted the tour and told the Lions that the building will have the latest features, an example of which are brown chalk boards, considered the most efficient, glare-proof type. 'Revised' Water Rates Okayed Summer Months

30c a 1,000, Four Towns' Water Over 10,000 Rates Are Compared

Once again, the official word in Eastland — "Turn that lawn sprinkler on and let it go."

The City Commission has adopted another summer water rate for local citizens during June, July and August. It isn't as extensive as the one tried last year, but it is an incentive to residents to keep lawns and shrubs green and growing.

The new rate calls for a billing of 30 cents a thousand gallons for all water delivered over 10,000 gallons for June, July and August. There are no other changes, and amounts less than 10,000 will have no reduction. Last year the rate was 25 cents a thousand over 10,000, but the Commissioners agreed that five cents more a thousand would not penalize the city's revenue as it did last year, and at the same time, the new rate which is ten cents below the regular cost would be appreciated by Eastland residents.

Although anticipated, the water rate wasn't brought up until near the end of the Monday night meeting when newly-elected Commissioner James Reid asked that it be considered, because, he said, many people had talked to him about it and want another special rate this year.

There was quite a bit of discussion on the matter, particularly whether or not the reduction in water revenue would penalize other city needs. Dr. M. A. Treadwell Jr. said, "I'm certainly for a special rate, but not if it prevents the city from taking care of its other regular services."

Dr. Treadwell gave Reid's motion its second after the prolonged discussion and the vote was four to one for the reduction — which amounts to a 25 per cent saving on city water. Commissioner Dale Troutt voted against the rate, stating: "I was certainly for it last year, but after the city lost about \$3,000 on the low rate the first year, I'm not sure we can afford it this year. I know of other expenses which the city will have soon and we want to be able to meet these obligations as they come up. A list of anticipated expenses, some of the present and some in the foreseeable future, was presented showing that the city would probably have to replace an air compressor for some \$1,000; purchase a backhoe for about \$5,000; and other such expenses."

Church Wins Old Rip Scrip

Flatwood Church of Christ was winner for the second time Saturday at the Old Rip Scrip Drawing. They won \$10 in Old Rip Scrip Saturday and had previously been winner of \$30 in Old Rip Scrip. A spokesman said the Scrip was being used to buy various articles needed at the church. The winning ticket came from Modern Dry Cleaners.

Other winners in the drawing Saturday were Will Reagan of Eastland who won \$50 with a ticket from Worth Food Store; Mrs. J. C. Butler, of Eastland \$30 with a ticket from Worth Food Store; and Mrs. Lee of Ranger \$10 with ticket from Perry Bros.

The next Old Rip Scrip drawing will be held June 6th on the south side of the square in Eastland. Due to Memorial Day the drawing was rescheduled from May 30th to the June 6th date.

Shoppers may deposit their ticket stubs in the hopper which is located at Perry Bros. or may deposit them in any of the boxes furnished in the stores by the participating merchants.

806 Persons Are Examined for Glaucoma in Lions Clubs' Screening

26 Suspect Cases Found

"Certainly one of the most successful, if not the most successful glaucoma screening I have ever worked in," was the observation of Mrs. Pauline Outland, executive director of the Texas Society for the Prevention of Blindness, describing the screening held in Eastland Sunday.

The coordination and cooperation of the many volunteers and the marvelous acceptance by the public were remarkable, Mrs. Outland said, echoing what Eastland Lion President Marcus O'Dell labeled the perfect public service.

Dr. Bob Alexander, chairman for the screening, reported at the Eastland Lions Club Tuesday that a total of 806 persons were examined, and that of that number 26 were referred to specialist for further tests. "This does not mean," he said, "that 26 persons had glaucoma. It means only that our test revealed that these people had excess pressure on their eye balls and need further attention."

It will be perhaps 60 days before final reports on the screening are complete, Dr. Alexander said. The Society for the Prevention of Blindness carefully follows up the referrals to see how many need treatment, how many are actually treated, and makes final reports.

"Certainly the public screening made people in our area conscious of the dangers of glaucoma and aware of the need for frequent examinations," Mr. O'Dell said. He further expressed the club's appreciation for the many volunteers who assisted. Dr. Jim Wittington, now of Fort Worth, Continued on page eight

Funeral Services Held Monday For Mrs. Overbey

Funeral services for Mrs. Elizabeth Basham Overbey, 89, were held Monday, May 18, at 3:30 p.m. in the Hamner Funeral Chapel with Mr. Francis Pruitt, Christian Science minister of Abilene, officiating. Burial was in the Eastland Cemetery.

Mrs. Overbey died Sunday, May 17, at the Sunrise Manor Nursing Home.

Born in Erath County, she had been a resident of Eastland since 1912.

Survivors are three sons, Harold of San Diego, Calif., Albert of Eastland, and Wade of Hobbs, N. M.; three sisters, Mrs. Eva Grinstead of Rochester, Mrs. Snow Moore of Southland, and Mrs. Jessie Sapp of Modesto, Calif.; two grandchildren and three great grandchildren.

Critical Condition

C. L. Fields, Eastland resident, is reported in critical condition at the Brakenridge Hospital in Austin where he became ill early this week.

Mr. Fields is a clothing salesman and was in Austin on business. A son, C. J. Fields, lives in Austin.

Richard Jones Presented Music Club's Sousa Award

Eastland banddom's highest prize, the John Phillip Sousa Award, for 1964 will bear the name of Richard Jones, a senior member of the Eastland High School band, and musician extraordinary.

The son of Mr. and Mrs. Joe Walter Jones, Richard was presented the award by Mrs. Donald Kinnaird Jr., representative of the Eastland Music Study Club, Friday night at the annual band concert.

The club presents the award each year. A plaque carrying Richard's name will rest in the school's trophy case, and a certificate and decorative pin will constantly remind the young man of his honor at EHS.

A native of Eastland, Richard attended Woodson High School in Abilene two years where he was a member of the Hi-Y Club and a second Lieutenant in the band. He returned to Eastland last year.

Familiar with virtually all instruments, Richard lists saxophone his favorite and guitar his "second best" choice. He was a member of the All-District Band this year. The school's participation in the Stage Band Festival this year was the vehicle in which Richard had the opportunity to display his talents on the string bass and win himself a scholarship to Howard Payne College in Brownwood, where he plans to major in music.

Sure he likes jazz, Dixieland calibre, and can name you the best jazz men working today. His is a musical family and rarely a day goes by without time spent making music at the Jones house. His eyes light up when you talk music to him.

Members of the band vote to decide who wins the Sousa Award, making it double valuable to the lucky winner. A lot of things are considered, music ability, of course, willingness to cooperate, deportment, attitude to name a few.

Richard likes to make music — but he's got other ideas too. His ambition and goal is to be a dentist.

Music undoubtedly will help him attain that goal.

RICHARD JONES ... Sousa Award winner

The public is cordially invited to attend all of these services.

Bands Play, Awards Made At Annual EHS Concert Here

The Eastland High School and Junior high bands presented a concert Friday, May 15 in the high school auditorium. Numbers were presented by the high school, junior high, and cadet bands. The high school band is composed of the ninth through the twelfth grades, the junior high band of seventh and eighth grades, and the cadet band of the sixth grade.

At UIL Contest in Abilene in April the high school band received superior ratings in both concert and sight-reading. The junior high band received a superior in concert at the Cisco Invitational Contest in March. John Foster is director of the bands.

Several awards were presented during the concert Friday night. In the junior high division the Most Outstanding Musician award was given to Lela Lee. The Most Improved Player award went to Arlina Arnold.

Richard Jones, a senior member of the band, was presented the coveted John Phillip Sousa Award.

Ray Pryor, band booster president, presented sweaters to seniors Richard Jones, Floyd Robertson, Janice Watson, and Cecilia Copeland. Mike Jones and Sharon Wilson, also seniors, were recognized but could not receive sweaters because of UIL rulings.

The numbers played by the Cadet band were "Holiday" by Frank Erickson and "Safari" by John Morrisette. The junior high band played "Fort Bragg March" by Pat Lee, "Creole Lullaby" by John Morrisette, and "Cuban Capers" by John Kinyon.

High school band selections included the three contest George Abbot, "Chester" by Billings - Toimadge, and "An American Scene" by Clare Grundman — "Irish Tune from County Derry" by Percy Grainger, "West Side Story" by Leonard Bernstein, and "Amparita Roca" by James Texidor.

Sharpest pickup IN THE Southwest

Smart as a station wagon inside—and as comfortable! And wait till you try Ford's new long-wheelbase ride!

From the sharp way it looks and handles, you might call our '64 F-100 Styleside an "uncovered wagon." When you see what a 128-in. wheelbase does for riding comfort, you'll want to call it yours!

In back, you'll find a strong new box with one-hand tailgate. Underneath, big-truck muscle for extra durability. Come look it over, all over!

A SID STORY FOR SALE

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.

New Power-formula Enco Extra gasoline boosts power three ways... preserves the power of new engines... restores lost power to many older engines:

- Firing Power!** Spark plug and cylinder deposits can cause misfiring, pre-ignition spots. New Enco Extra neutralizes these deposits to help your engine fire smoothly and efficiently.
- Octane Power!** Octane requirements for cars are up again this year. New Enco Extra high octane that most cars now need for performance, smooth acceleration and passing without knocking. You'll get something extra for your money. New Power-formula Enco Extra—it's like a tiger in your tank! *Happy Motoring!*

NO ACTION ON LIGHT
Consideration of the erection of a mercury vapor light in the southwest part of town failed to get a motion.
Residents had requested that such a light be erected to replace a present fixture. During discussion, commissioners agreed that since the change-over would cost the city 60 cents a month for each such light, by okaying spotlights, precedent would be set and might "get out of hand."
It was reported that all city street lights might be changed over to the newer type eventually anyway.

Parking Spaces For Physicians On E. Commerce

The two end parking meters on East Commerce St. beside Eastland National Bank are to be marked and reserved for doctors' use as the result of city commission action Monday night.

"The spaces will be marked 'Reserved for Doctors' and the physicians of B&W Clinic will use the spaces. The Clinic located in the bank building, will pay the regular 'reserve' fee, it was said.

Mayor Frank Deaton proposed the reserved spaces, stating that such parking would serve not only the doctors but would also be a public service because many times the doctors have to run blocks to get to their automobiles in order to get to the hospital in emergencies.

No requests from the physicians had been made, Mr. Deaton said, but the situation warrants consideration. Commissioners approved the matter, on a motion by Curtis Koen.
