Seven Claim Scrip, Gifts In Eastland

Winners in Saturday's Old Rip Scrip Drawing numbered seven, according to B. W. Robertson, retail committee chairman.

Jim Pat Miller, high school junior and Telegram carrier won \$60 with a ticket from Safeway; \$30 was won by Mrs. Alma Green, with a ticket from Super Save; \$10 was won by B. A. Blair, with a ticket from Toombs and Richardson; and a ticket from Central Drug won Mrs. Dean Collins \$10.

A ticket from Super Save won Ann Justice a Stetson hat; Mrs. Ruby Hughes of Olden won an attache case with a ticket from Worth; and the dinnerware set was won by O. L. Wilson.

The next Scrip Drawing will be held Nov. 14, on the south side of the square, Robertson said.

Gifts were donated by The Men's Shop, the Goodyear Store and The Telegram.

Turkeys will be given at the next drawing, as well as scrip.

Sweethearts' And Dads' Night

Mavs Tackle DeLeon In Last Home Tilt Friday

The Eastland Mavericks have their work cut out for them when they meet DeLeon in Maverick Stadium Friday night — but their task will be more pleasant, if not easier, because of their surroundings.

As rarely before the Mavericks will be encompassed with beautiful girls to cheer and inspire them on.

And too the gridders' fathers will be close by as the Quarterback Club marks the last home game of the year, by declaring "Father's Night". Fathers of players are asked to be at the local stadium by 7 p.m., and fans will want to be on hand early too for the introduction of the fathers — and the presentation of the Football Sweetheart in pre-game activities. Kick-off time is 7:30 p.m.

The teams' choice of Sweetheart will be announced from a covey of beauties and the Maverick Band will present its Sweetheart at half-time.

Industrialization Meets Today; Payroll Is Goal

An industrial pilot program designed to provide new employment opportunities in Eastland County will be formally launched in a series of meetings this Thursday. Schedule of meetings follows: Ranger, 9:30 a. m., at Chamber of Commerce; Eastland, 11 a. m., at White Elephant; Cisco, 2:30 p. m., new high school; and Cisco (county-wide meeting), 7:30 p. m., at new high school auditorium.

Harry W. Clark, executive director of the Texas Industrial Commission and a nationally

known industrial developer, will attend all of the meetings to work with local leaders. Larry Milner, the TEC's West Texas coordinator, will also be present and will spend considerable time in the county as the program moves forward.

Local civic leaders have urged the general public as well as community and CofC officials to attend one or more of the meetings. Details of the "EC-65" program will be outlined along with plans for a year-long campaign for new payrolls.

CAROLYN KEY

Carolyn Key Is Nominee

Johnson, Yarborough, Connally and Burleson All Sweep to Big Victories In Record Demo Voting Tuesday

From the Courthouse to the White House, Eastland County belongs to the Democratic Party after Tuesday's record voting.

President Johnson was given an almost two-to-one ballot in incomplete, unofficial returns from the county; Gov. John Connally claimed a three-to-one sweep of the county and Sen. Ralph Yarborough soundly defeated his opponent in county voting.

Percentages in the county struck a similar vein to those which carried Democratic candidates across the nation to victory in the general election.

President Johnson's margin was a comfortable two-to-one in the county with but one box, Rising Star, still not reported Wednesday morning.

Democrats voted 4,164 for Johnson and Republicans 1,896 for Goldwater in the coun-

Cong. Burleson Gets 4,325 Votes In This County

Eastland County gave Cong. Omar Burleson his third highest county poll to help him win a decisive four-to-one victory over his Republican opponent Phil Bridges.

Cong. Burleson polled 4,325 votes in this county and Bridges got 1,298. The county followed only Taylor (12,973) and Palo Pinto (4,435) in votes for the veteran incumbent congressman.

The incomplete totals from the 15-county 17th Congressional District gave Cong. Burleson 50,195 and Bridges 14,725 votes.

(Only the Rising Star box with some 700 votes, remained unreported in Eastland County.)

Mr. Burleson said in a post-election statement: "I am grateful to the voters of the 17th district for the wonderful support given me."

Ron Heathington On Honor List

Ronald Heathington, son of Mr. and Mrs. M. W. Heathington of Gorman, is included on the 2.5 honor list for the summer session at North Texas State University.

Ronald is a senior education major and a 1960 graduate of Wichita High School. The 2.5 listing includes all others whose grade average came at least midway between an "A" and a "B."

Vice-President J. J. Spurlock announced the list.

SHOP EASTLAND FIRST!

Nationwide Wednesday tallies showed President Johnson with a 14 million lead.

Gov. Connally, who is helping Eastland County with a pilot industrial program, got 4,673 to his opponent's 1,341.

Sen. Yarborough got 3,821

and his GOP opponent, George Bush, 2,235.

For Congressman At-Large, Joe Pool got 4,150 and Hayes, 1,565. Preston Smith got 4,723 and Horace Houston, 1,255 for lieutenant governor. State Attorney General Waggoner Carr got 4,830 votes in East-

land County his opponent, 1,255.

White, 4,650. Armstrong, 1,338, for agricultural commissioner. Jerry Sadler got 4,659 votes for land commissioner to Matthews' 1,426. Incumbent comptroller Calvert got 4,755 and Calmes, 1,225. Treasurer Jesse James got 4,766 and Neumann, 1,215. Langdon got 4,610 for railroad commissioner and Flanagan, 1,246.

Jack Pope, a county native, got 4,804 votes for state supreme court to his opponent's 1,234.

Nimrod gave President Johnson a solid four-to-one percentage.

Ranger and Scranton apparently gave President Johnson his second biggest percentage in the county giving him a sound three-to-one vote. Cisco was a close two-to-one for Johnson and Eastland just less than two-to-one.

No Surprises: Nominees All Win Handily in County Races

Unopposed county Democratic candidates were swept to official election by big totals with record voting in Tuesday's general election.

L. E. (Lefty) Sublett, who had four opponents in the first primary and won his nomination in a run-off, led the unopposed candidates Tuesday by picking up 5,394 votes to claim Eastland County's sheriff's office on Jan. 1.

(The Rising Star box was still unreported Wednesday morning.)

Edgar Altom was second highest with 5,387 votes to becoming county tax assessor-collection. He was unopposed in the primary.

Perry T. Brown and O. L. Stamey each polled 5,383 votes. Brown will be sworn in district-county attorney on Jan. 1, and Stamey will begin a two-year term as school superintendent.

State Rep. Wayne Gibbons got 5,387 votes in the county and Judge Clyde Grissom,

Guests of Reeves

Guests this week in the home of Mrs. W. B. Reeves are Mr. and Mrs. Dick M. Reeves of Mississippi, Mr. and Mrs. E. E. Earp of Houston, Mr. and Mrs. Eddie Earp of Houston, Mrs. Gladys Reeves of Houston, Mr. C. C. Reeves of Gorman, and Mr. and Mrs. Roscoe Reeves of Gorman.

These guests will help Mrs. Reeves celebrate her 91st birthday Friday.

Cisco held its traditional place of biggest voter in the county with 1,756 votes Eastland had 1,475 Ranger 1,284 Rising Star, 705; Gorman, 628; Scranton, 48; Nimrod, 43; Pioneer, 75; Kokomo, 51; Desdemona, 151; Carbon, 207; and Olden, 194. Absentee total was 344. (The Rising Star tally was unreported Wednesday morning.)

Total vote in the first primary went like this: Eastland, 1,272; Ranger, 1,130; Olden, 191; Gorman, 523; Carbon, 161; Desdemona, 101; Kokomo, 42; Rising Star, 700; Pioneer, 54; Nimrod, 39; Cisco, 1,503; Scranton, 34; and absentee, 155 — for a grand total of 5,905.

He is able also to save them to the uttermost that come unto God by him, seeing he ever liveth to make intercession for them.—Heb. 7:25.

Faith is not what we see or feel; It is a simple trust In what the God of love has said Of Jesus as the Just.

Guests this weekend in the home of Mrs. W. D. Spain will be her son, Mr. and Mrs. Foy D. Spain of Monahans.

Amendments Get O. K. In County

Eastland County voters joined the state in approving the three proposed constitutional amendments.

Incomplete statewide returns showed the school amendment carried with 3,470 for and 102,964 against. Eastland County voted 2,762 for and 1,295 against.

The conservation district amendment carried 183,324 for and 95,156 against statewide, and Eastland County voted 2,605 for and 1,340 against.

The medical care amendment carried 230,867 for, 89,403 against in the state. Eastland County voted 3,332 for and 987 against — giving it the most decisive endorsement of the three.

Spook Carnival Is Good Success

The Halloween Carnival last Saturday evening, sponsored by the Parent-Teacher Association, was reported by Mrs. C. F. Huffman, president, and Mrs. W. A. Leslie as a "real success."

"We would like to thank everyone for helping to make the Halloween Carnival a success — all the people who came to eat with us, and who brought their children out to enjoy all the different games, especially the 'Spook House', Mrs. W. A. Leslie said.

The money from the carnival will help buy a new piano or some other needed item for the new elementary school, according to Mrs. Leslie and Mrs. Huffman.

"Special thanks to Mr. Wendell Siebert for the use of the gym and all his work helping us get ready for the carnival."

Weekend guests of Mr. and Mrs. H. S. Lewis were their children, Mr. and Mrs. Wesley Goheen and children of Plainview and Mr. and Mrs. J. B. Scott of Dallas.

Visiting this week in the home of Mr. and Mrs. Frank Sparks will be his daughter, Mrs. Carl Butler, Jr. of Bry-

Plentiful Food List Given For Coming Month

COLLEGE STATION — Fall, the time of harvest, is living up to highest expectations again this year.

For October offers another harvest of abundance, with apples, rice, beef, cheese, turkeys and Bartlett pears in especially big supply.

Apples and rice are featured on the U. S. Department of Agriculture's October list of plentiful foods, reports the Texas Agricultural Extension Service.

You can look for high quality at attractive prices when you select apples this October. They'll be ideal for Halloween "trick-or-treat" and parties. This year's forecast promises the largest crop since 1937 and a 20 per cent gain over the 1958-62 average. Oct. 15-24 is National Apple Week.

The predicted rice harvest, most of which will be completed in October, tops the average by 33 per cent.

Beef, particularly lower grades, will continue plentiful, as it has been for more than a year, according to USDA's Agricultural Marketing Service. So plan on lots of hamburgers and meat loaves for October menus.

A larger turkey crop than last year's promises a big supply of these poultry favorites this month.

And cheese and Bartlett pears, both in greater supply than last year, will offer lots of easy-to-prepare taste enjoyment.

Vets Questions And Answers

Q — How do you get a veteran who requires medical treatment into a VA hospital?

A — The veteran or his physician applies for admission which is forthcoming if he is eligible, needs hospital care and a bed is available. (In service-connected cases, a bed is always available.)

In the case of a sudden emergency, the veteran may be taken directly to the hospital but someone acting for the veteran should communicate with the VA Hospital by telephone or telegraph beforehand to facilitate admission.

Q — When I am discharged from the service, will I be entitled to any pension from VA?

A — Pension benefits are available to veterans who are permanently and totally disabled from causes not attributable to their military service provided they have had 90 or more days active service, any part of which was served in wartime, or if they were discharged for disability. The veteran must also meet certain income limits. Get in touch with the nearest VA regional office to get further details.

Q — Are veterans ever required to pay for care received in Veterans Administration hospitals?

A — The circumstances under which a veteran might be charged for care received in a VA hospital arise rarely. It is possible that a veteran admitted to a VA hospital, is later determined not to have a legal entitlement. In such a case the veteran would be billed for his care. Also a veteran may be admitted for injuries sustained in an automobile or industrial accident and "third party" liability determined later. If the veteran is awarded damages based wholly or in part on the cost of the medical services involved, the VA may seek payment.

Q — My husband died recently and the VA paid his insurance to his former wife even though they had been divorced 15 years ago. Why was this done?

A — The VA is required by law to pay the insurance to the person last designated as beneficiary by the insured veteran. Your husband either neglected to change his beneficiary after the divorce, or it was his wish that the insurance be paid to the former wife.

Tickets Are on Sale Now For Olden Homecoming

For several years, people of Olden have been urged to have an Olden Homecoming or reunion for former residents.

For the past several months, the Olden Community Club has been working toward that goal, and it has

been announced that there will be a reunion of the past and present residents of Olden on the Saturday following Thanksgiving, Nov. 28.

It will be an all day affair with the noon meal prepared by a catering service at \$1.50 per plate. The program will be short so that people can visit and talk as much as they desire. Those who care to remain through Sunday, are cordially invited to attend a church of Olden.

Over 500 invitations have been extended.

Local people are urged to buy tickets now for the noon meal. They may be purchased in Eastland from J. C. Everett at the Men's Shop and in Ranger at Kelley's Grocery.

Tickets will not be sold at the homecoming. This cooperation is needed in order to give the catering service the number of meals to be served.

See you at the Homecoming.

Rain Totals 22.59 Inches In 10 Months

Eastland is actually .04 of an inch in rainfall ahead of the average this year in spite of three months of drought.

And light showers on election day Tuesday is pushing the totals on up.

October was basically dry, much to the peanut farmers' likes with only 1.02 inch recorded, according to Official Weather Observer James Smith. This came in three showers — .20 on the 14th, .10 on the 19th and .72 on the 26th.

Year's total to date is 22.59 inches — .04 of an inch above average.

Farmers and ranchers will tell you that rains came at the "wrong time" this year. Moisture was above average in January and February and began to be sub-par in March, dwindling to .35 in May, .66 in June and .69 in July. Heavy rains in August, (5.33) and in September (5.79) put the year's total up, but came at a time when the peanut crops needed maturing weather.

Temperatures in October ranged from a low of 33 (on the 20th when spotted, light frost was reported in spot areas), to a high of 87.

Annual County Hereford Tour Set For Nov. 5

The date for the first tour of the Eastland County Hereford Breeders' Association has been set for November 5, according to Ross Wilson, Gorman, Texas, president of the sponsoring organization.

Five stops have been scheduled for the all day affair. The breeders are asked to meet at the Brown Jug Cafe at 8:30 a.m. on the above date.

The first stop will be at Hardy Tidwell's ranch, north of Desdemona. After a look at some of his cattle, Tidwell will be host for coffee and doughnuts.

Ed Harrisons ranch, between Desdemona and Gorman, will be the second stop. The last stop before lunch at the above cafe, will be at Keith Whitt's place, just west of Gorman.

The group will inspect some of Wilson's cattle at the Charley Underwood place and then at his farm.

The last stop will be at the Dr. D. V. Rodgers Ranch, 5 miles west from Gorman.

It is anticipated that the tour may become an annual affair. The Association sponsored a show and sale last November.

Ranchers and breeders from Eastland, as well as all adjoining counties, are invited to participate on the tour.

Visiting this week in the home of Rev. and Mrs. Cyrus Barcus will be their son, Cy, who is a student of SMU.

Rev. and Mrs. Barcus plan to go to Dallas this weekend and see the SMU game on Saturday.

Mr. and Mrs. Ralph Stevens and Jennifer have returned from a recent visit with their parents, Mr. and Mrs. Ted Roark and Mr. and Mrs. V. V. Stevens of Burkburnett.

Crew Leaders Named For County Agriculture Census In November

Floyd Myron Johnson of Albany and Susan Eloise Parker of Comanche have been named crew leaders for the 1964 Census of Agriculture, according to Percy R. Millard, director of the regional office of the U.S. Bureau of the Census at Dallas. The new crew leaders are among some 1,825 persons throughout the U.S. to receive this appointment.

The census will be taken in the following way: shortly after November 5, the Bureau of the Census, an agency of Commerce, will mail census questionnaires to all rural box-holders. Those required to fill out the forms should do so and hold the questionnaires until a census enumerator comes to collect them. At that time, the enumerator will help answer any questions that may have proved troublesome.

The crew leaders are key persons in conducting a Census of Agriculture. He recruits and trains the enumerators, schedules their work, reviews the accuracy of completed forms, and conducts difficult interviews.

The information will be published starting in 1965 for counties, States, and the nation.

The new crew leaders will supervise a team of census enumerators who will visit all farms and ranches in Eastland County to collect official census questionnaires from farm operators. Enumeration of all farms in the county will take place in November and early December.

MEMORIAL FUND IS TIBUTE TO LOVED ONES

ated by tragedy, the CJC Memorial Fund was conceived and Mrs. J. D. Reynolds of Stephenville, in honor of her son Tommy. Tommy died in an auto accident, as he returned from a Fort Worth. Tommy, a quarterback in high school, was an honor student and deeply loved by his students and teammates. He, number 40, was replaced in the College case with his picture. His parents wanted the fund to carry on for years. They initiated the memorial fund with contributions in remembrance of him. Through the years, more than a hundred such memorials set contributions to the fund are invested in government stocks and securities. The seven years it has been running, \$16,000 has been raised. This amount seems considering that the usually range from \$10.00 it represents from many people.

Only the interest from these stocks and securities are used in promoting the college building program, said President Grady C. Hogue. Contributions have been made in memory of: Tommy Reynolds, Marilyn Shertzer Schmitt, Buddy Deen, World War I Veterans, World War II Veterans, Korean Veterans, Homer Slicker, Jess Proctor, W. F. American Petrofina Company of Texas v. C. B. Ray, Appellant's motion for rehearing, Taylor.

AN AUTUMN REVERIE

We climbed the Rocky Mountain side
On a lovely Autumn day.
Far down in the valley
The farmers were busy making hay.
The pale blue smoke from the chimney tops
In soft clouds slowly ascending.
In nearby orchards the sturdy trees
With ripe red apples were bending.

The ripened corn on bending stalks
Their big ears hanging low.
The gleaming cotton fields so white
Like crests of newly fallen snow.
Row on row of sugar cane
Ripe and ready for the mill.
Their amber heads gleaming in the sun
Like a company of soldiers ready for a drill.

The giant oak and gum trees
Dressed in scarlet, golds and yellows,
Made quite a gorgeous splash
Among their more somber fellows.
The pines whispering in the breezes
Told their deep green secrets
To the lovely, blushing maple trees.

The dark brown tasty nuts
From the chestnut trees were dropping
Their sticky burrs when burst,
A sound like corn a'popping.
The possum grapes were ripe,
Luscious in all their sweetness
Clambering over their mossy banks
In Nature's own way of neatness.

The flaming black haw bushes
With a harvest of plentious fruit a'bending.
A store of winter food to give
Against the time when cold and storm
Makes it hard for wee forest folks to live.
(An original poem by Mrs. Lena Hageman)

FORMER CJC STUDENTS NOW DALLAS EDITORS

Two former Cisco residents and graduates of Cisco Junior College are now editors of two of the largest newspapers in Texas. Both men attended Cisco High School and are friends of journalism instructor, Mrs. E. C. Lloyd.

Frank Langston, a graduate of CJC when it was Randolph College, is editor of the Dallas TIMES HERALD.

Langston formerly taught in the Cisco Public Schools. He received his Degree from Baylor University and is currently a Colonel in the Air Force Reserve.

Dick West, also a Cisco High School and CJC graduate, is editor of the Dallas MORNING NEWS. West received his degree from Texas University.

Four years ago when the journalism class and Mrs. Lloyd tripped to Dallas to view a major newspaper in action, Dick West hosted them in the office of the Dallas MORNING NEWS.

Governor Issues Proclamation On 'Food Is Bargain'

WACO — "Food Is A Bargain" time will be observed in Texas October 19 through 31 by official proclamation of Governor John B. Connally. Leslie L. Speir of Groves, president of Texas Retail Gro-

cers Association, said the Governor's proclamation recognizes the achievements of food producers, manufacturers, wholesalers and retailers during the past two decades.

The "Food Is A Bargain" campaign is being conducted on a nationwide basis by the food industry.

The Governor's proclamation cited the fact that "consumers in 1964 spend only 19 cents of the after-tax dollar for food, the lowest percentage required for adequate food in history."

"The food industry has worked diligently to bring the consumers better foods and fairer prices and in so doing has rendered the highest degree of service and provided for the welfare and well-being of all our people," Connally said.

Robert E. Crozier, executive vice president of the 6,000 member Texas Retail Grocers Association headquartered in Waco, expressed "sincere appreciation and gratitude for this recognition of our industry."

RJC Band Asked To Be In Stock Show Parade

The Ranger Junior College Band has been invited to repeat its 1964 performance at the opening day Western Parade of the 1965 Southwestern Exposition and Fat Stock Show in Fort Worth, January 29.

At 2 p.m. Friday, January 29, the parade will kick-off the 10 day season of the 69th edition of the Fort Worth Stock Show. Approximately 125,000 persons lined Fort Worth sidewalks to watch the 46 marching bands and 56 riding groups participating in the 1964 parade.

The 1965 Stock Show will begin at 4 p.m. Friday, January 29th and will run through February 7. First 1965 rodeo performance will be at 8 p.m. on the 29th.

Mail orders for 1965 Rodeo

tickets are now being taken at the Southwestern Exposition and Fat Stock Show, P.O. Box 150, Fort Worth, Texas 76101.

Joy modeled the red brocade party dress and matching jacket which she constructed. Mrs. Love, a 4-H Clothing Leader, gave clothing instruction to Joy and other 4-H'ers.

\$18 Million To Be Spent In FM Roads Next Year

AUSTIN — The Texas Highway Commission has acted to protect the investment of Texas taxpayers in their 37,000-mile Farm and Ranch to Market Road system by approving \$18,090,200 for betterment in 1965.

A total of 3,305 miles of these all-weather roads will be improved under the 1965 Farm to Market Road Improvement Program to be executed in coming months by the Texas Highway Department.

Commission Chairman Herbert C. Petry, Jr. said traffic increase and heavier loads, coupled with the age of many of the rural roads in Texas, are big factors in the need for periodic "resoling" of many F-M roads.

Under the budget approved today, 353 F-M miles will be reconstructed with new grading, structures and surfacing; 338 miles will be widened, reconditioned and resurfaced 679 miles will receive additional surfacing, and seal coat improvements will be made on 1,924 miles.

Extensive bridge widening and shoulder improvement work is also included in the list of improvements scheduled for Farm to Market Roads under the 1965 program, Petry said.

Today's improvement budget was in addition to a \$23 million Farm to Market Road construction budget approved by the Commission in May for new F-M road construction.

The Highway Department will spend about \$22 million next year for routine maintenance — in addition to extensive betterment covered in today's action — on the F-M system.

Of the total completed F-M Road system in Texas, 33,560 miles are rural and 1,085 miles are within city limits. An additional 2,469 miles are under construction at this time or financed for construction in coming months.

Since 1948 the Texas Farm to Market Road system has grown from 3,060 miles to the designated system of about 37,000 miles today. An ultimate F-M system of 50,000 miles is envisioned for Texas by the Highway Commission.

RECEIVES MEDAL — Technical Sergeant Melvin J. Alexander, (right) is shown receiving a U. S. Air Force Commendation Medal for meritorious service as supply supervisor at Kadena AB, Okinawa, from Brigadier General William G. Hipper, deputy for material, Headquarters, TAC.

Tech Sgt. Alexander Presented Air Force Commendation Medal

A U.S. Air Force Commendation Medal was received by Technical Sergeant Melvin J. Alexander, son of Mr. and Mrs. Roy M. Alexander of 115 E. First Street, Breckenridge. The medal given at Langley AFB, Virginia, was awarded to Alexander for meritorious service as a supply supervisor at Kadena AB, Okinawa.

He is now in Langley, assigned to Headquarters, Tactical Air Command, which provides firepower and other air support to U.S. Air forces.

The sergeant, who has served 16 years in the Air Force, is a graduate of Breckenridge High School. His wife, LaVeda, is the daughter of Mr. and Mrs. C. E. Mitchell of Ranger.

Making the presentation is Brigadier General William G. Hipper, deputy for material, Headquarters, TAC.

The oven and broiler doors remove for easy cleaning. There's the Keep-Warm oven that sets as low as 140°, a clock, timer and smokeless gas broiler. Model #L-67CT was \$233, less \$34.95 trade-in. Here's a bargain with a low down payment and terms from \$5.15 per month.

Lone Star Gas Company

Ladies, here's our platform: **Easier cooking 4 ways!**

Vote for automatic gas

- GRIDDLE-IN-THE-MIDDLE**—For pancakes, bacon, toasted sandwiches... has self-regulating temperature control... converts to extra burner.
- AUTOMATIC-ROTISSERIE**—It's smokeless... clean... brings meat to full flavor by holding the juices in... keeps meat moist and tender... done to perfection.
- BURNER-WITH-A-BRAIN**—Set it and forget it... makes every pan and pan automatic... controls temperature so food can't scorch, burn or boil over.
- COOK 'N KEEP OVEN**—Just set desired time and temperature... when food is done automatic oven turns itself down... stays serving hot for hours without over-cooking.

Hop on the bandwagon, elect a modern automatic gas range for your kitchen (don't wait for a ballot — do it today)

Niuafu'ou Is Called Tin Can Island in Pacific

JOSEH PERKINS swam by a white mailman and his Tonga postal assistants through shark infested waters to passing steamers. The mail was enclosed within a tin can to keep it dry and in time the island was known as the "Tin Can Island" and stamp collectors prized mail stamped NIAUFOS U-TIN-CAN ISLAND.

In 1946 a violent volcanic eruption destroyed the villagers' villages and gardens and the 1,300 people abandoned the island and moved off to other islands to make their homes.

Twelve years later some of the former inhabitants returned to the island and later the regular mail service was re-established, only now the mail is taken to and from passing ships by the natives in

an outrigger canoe, but still in a sealed tin can. One might doubt the wisdom of living on that island because within the last hundred years there have been nine volcanic eruptions there.

Yesterday I had the thrill of seeing the ship's mail dropped into the sea and picked up by three men in the canoe. Mail from the island, left by the ship Monterey about a month ago, was hauled aboard our sistership, the Mariposa. This arrangement continues time after time, and sooner or later the mail reaches its destination with the envelopes stamped "TIN CAN ISLAND." (Eastland's postmaster received one of these.)

Early this morning the Mariposa entered the harbor of Pago Pago, which is reputed to be one of the most beautiful and spectacular tropical harbors in the world. The harbor was once the crater of a great volcano whose seaward wall fell away untold centuries ago.

Steep sloping green hills surround the harbor and Mount Pioa, 1,717 feet high, is called "The Rainmaker" by the natives as it catches rain from every cloud that it snags.

This Samoan island has an annual rainfall of 200 inches and a typical tropical climate which accounts for its natural beauty.

At the dock after breakfast we were met by a fleet of truck-like buses and taken about five miles along the coastal road to a place where native dances were in progress.

After seeing all we wanted of this we did some shopping at the booths where there were native products, including wood carvings, tapa cloth, (a cloth made from the inner bark fibers of the Mulberry tree), shells, woven baskets and mats. These native wares are superior to many that we have seen on other islands.

After the dances ended, the buses took us back to the ship. There we found that the same group of native vendors had again set up their booths for more business near the ship. Trading was brisk until the ship's whistle sounded at 11:30 and again at 11:45 when there was almost a stampede to board the ship before sailing time at noon.

We sailed slowly away and out through the narrow harbor entrance under the guidance of a local pilot. We are now out of sight of land again on the broad Pacific and in five more days we will dock at Honolulu. In the interim we will be entertained on board with movies, concerts, deck sports swimming, reading, and just plain relaxing.

I have just had a telephone call from a fellow passenger who said that he would like to meet me, as he too is a geologist. He has been a resident of Canberra for the last three years as an American

Mr. Perkins Will Show Pictures Monday at Meet

Monday evening, Nov. 9, at 6:30 p.m. in the Men's Fellowship Bible Class room, coffee and doughnuts will be served to members of the class and their wives; and at 7 p.m. pictures, taken by Mr. and Mrs. Joseph M. Perkins on their recent trip to the South Pacific and Australia, will be shown.

These color slides were taken in many of the places described in the several articles by Perkins that have appeared in the Eastland Telegram—geologist attached to the American Embassy. We have arranged to meet and visit tomorrow morning.

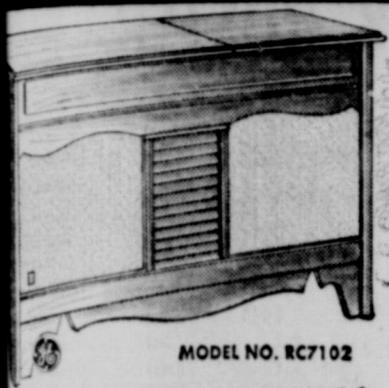

during the last few months. Among the scenes are animals and birds in Tasmania, the island state off the south coast of Australia; Aborigines in Northern Territory; copper and zinc mining in Queensland, visited by Perkins on business and many picturesque scenes on islands of the South Pacific including Bora Bora, Tahiti, Raratonga, New Zealand, Australia, New Caledonia, Fiji, Western Samoa and Hawaii.

The public is cordially invited.

RISING STAR NEWS

The city of Rising Star is requesting full-width paving of Main Street and according to Mayor Walter Smith, "Prospects that the State Highway Department will comply with the request maintenance of the present paving have recommended that it be done."

If Main Street, which is also Highway 183, is so paved, the full width pavements would extend from the north to the south city limits and to the fence bounding the east side of the campus as well as in front of high school.

A letter of request for improvement of Main Street by City is already in the hands of the District Highway Engineers at Brownwood.

The electrical storm, which moved into the Rising Star area Sunday, Oct. 25, caused damage to homes, TV sets and livestock.

The Altus Bulter farm home, southwest of Rising Star, suffered considerable damage to light fixtures, stove, TV set and the motor on the deep-freeze.

Dr. Steve Semenuik, two miles south of Rising Star, lost a fine Angus herd bull when struck by a bolt of lightning; Marion West, one mile west of the Semenuik farm, also lost an Angus bull at approximately the same time.

Numerous TV sets were knocked out during the storm and showers.

Plans for a United Fund drive in Rising Star will be discussed and planned at a meeting of the directors of the fund on Thursday, Nov. 5, at 3 p.m., in the First State Bank.

One community financial campaign to take care of the various charities is the ultimate goal of the group, according to John Pruet, Chamber of Commerce president.

Mrs. Troy Mitchell was the speaker for the Womens Missionary Society, which met for regular Bible study at the First Baptist Church on Oct. 26, the fourth Monday.

Mrs. Mitchell's topic was "Missionary Messages of the Bible."

Riley Albertson, a junior student at Howard Payne College, was elected last Wednesday evening to serve the First Baptist Church as song leader and youth director. His election came during a conference meeting of the church, at which time, John W. Bishop was chosen to be custodian of the church building.

Both of these men have already assumed their responsibilities.

Mrs. Floyd Joyce spoke on the subject, "Children's Work," when the WSCS of the First Methodist Church met following the monthly luncheon on Monday.

Opening prayer was by Mrs. Beryl Heath, Mrs. J. R. Bucy presided and the pastor, Rev. and Mrs. Milton Slayden sang a duet entitled, "I Could Not Get Along Without My Bible." Twelve members and two visitors attended.

Mrs. Ada Holoman, who underwent surgery in the Eastland Memorial Hospital, is convalescing at the home of her daughter, Mrs. George Scruggs, 1501 North Mockingbird, Abilene.

Merlon Harris of Rising Star underwent surgery on his eye last week in the Hendrick Memorial Hospital of Abilene for the removal of cataract. He was reported doing fine over the weekend and will be coming home soon.

REMINISCENCES

By **JESSE E. RICHARDSON**

Another year has passed away, and now we come again in reverence to our company in Nineteen-Seventeen. Our Company was organized from every walk of life, and not one of us realized war's conflict, toil and strife. We all came in as volunteers, to serve; to do our best, and as we look back through the years, we're glad we took the test, of rain and gas, of cold and wet, of rifle ball and shell, 'Most everything that we could get in that infernal hell. Time passes on relentlessly, and one thing we regret; Some buddies we no more shall see, but can ne'er forget. We'd like to call them in today; to re-unite once more, but they are scattered far away; from shore to distant shore. Let us remember most of all those resting 'neath the sod who've answered to the bugle call; the Reveille of God. Then let us face toward the West and bow in silent prayer To Him above Who knows the best, and called them home up there.

caught several nice ones last week. We heard that he makes his own lures.
Seems that quite a few people are coming out to their lakeside cabins now. A lot of them say for the last time till spring. They're draining water lines and storing supplies, and in general, getting set for the coming winter weather.
Mrs. Tommy Brown and sons, Buddy, Phillip and Lance stopped by to spend the night with us Wednesday. The Browns are moving to Little Rock, Ark., where Mr. Brown will be editor of the Poultry Tribune. He was with the Texas Highway Patrol in Kermit for five and one-half years. Mrs. Brown is the former Margie Quarles, daughter of Mr. and Mrs. O. D. Quarles.
This reporter, husband, and Rev. H. B. Terry of Eastland took a tour of the lake one afternoon recently. The water was as smooth as glass and such a warm afternoon made it most enjoyable. We saw lots of ducks, beautiful colors in shrubbery and trees, and made friends with a white, tame duck.

Savings Bond Sales Report Is Announced

Guy Parker, chairman of the Eastland County Savings Bonds Committee, has announced that savings bond sales in Eastland County totaled \$14,824 during September.
Series E and H savings bond sales in Texas during September totaled \$11,497,961. Texas sales for the first nine months of 1964 totaled \$12,141,294, which represents 74.7 percent of the state's goal of \$150 million.
"The E and H Savings Bonds program is one of the most important tools the U. S. Treasury has in managing the public debt. It is the most effective way of persuading individual citizens to share in the financial affairs of government. The investment in Savings Bonds is at a record peak. The over \$48 billion now outstanding in Series E and H bonds represents over 15 percent of the national debt. It is important, therefore, that all of us continue to purchase savings bonds regularly," Chairman Parker stated.

Chevrolet

workpower

"walks" right over bumps and trouble

Independent front suspension takes the "truck" out of truck ride. It smooths rough roads, protects truck, driver and cargo from excessive jolting. And on Chevrolet pickups it's a proved system with millions of miles of user experience behind it. Try it out on one of Chevrolet's great Fleetside or Stepside pickups. It's one of the big reasons that Chevrolet is first choice with pickup users from coast to coast.
