Leads Being Checked In \$224 Theft

Several important leads are being checked in connection with the recent theft of money from an Eastland firm.

The Western Union office, located at the Village Hotel was robbed Sunday night sometime after eleven, and \$224 was taken, it has been reported.

Mrs. Reita Bond, who is desk clerk at the hotel, said when she arrived at work Monday morning the Western Union Safe was open and the \$224 gone.

The money has not yet been recovered. Chief of Police Ray Laney said the robbery occurred between 11 p.m. Sunday night and 5:30 Monday morning, and that the Eastland County Sheriff's Office is assisting with the investigation.

Goodyear Store Under the Canvas For 4-Day Sale

An "under the big-top" special event is being planned by Goodyear Service Store this week, Store Manager Neal Edwards has announced.

The Goodyear store, located at 306 E. Main St. will move a block closer to the square and underneath a giant circus tent for a four-day stand beginning Wednesday he said.

Hundreds of appliances, racks of tires and mountains of accessories for home and auto will be put on display under the tent. The "tent sale" will begin each day at 9 a. m. and run through Saturday evening, in connection with the "Twilight Auto Show" downtown Saturday.

Edwards said that there will be free soft drinks for everyone and hot dogs will go for 11 cents each, with balloons galore for all the youngsters.

An added feature will be the free use of electric clothes dryers for demonstration purposes, he said.

The manager and employees of the local store are urging residents to visit the four-day tent sale beginning Wednesday.

Mr. and Mrs. Raymond Pipkin of San Angelo spent Friday visiting with his parents, Mr. and Mrs. Grady Pipkin.

THE TEXAN
DRIVE-IN
TEST for fun

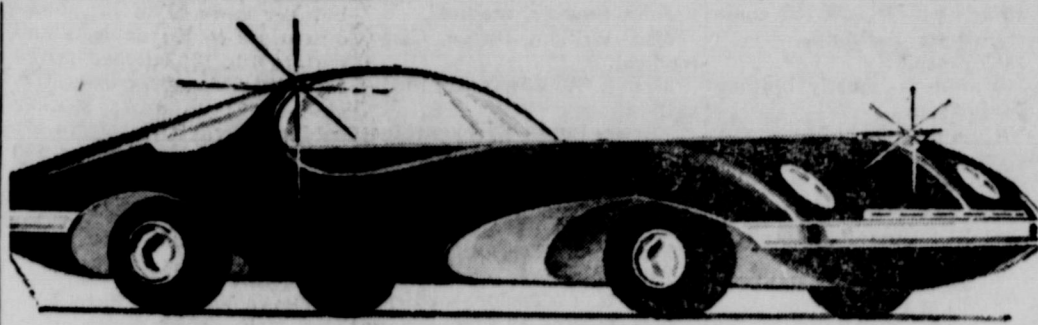

American to Russian: "As I understand it, the basic idea of communism is to divide everything with your neighbor."
"Not quite. The basic idea is to make your neighbor divide everything with you."

Committee Chairmen Named at Cancer Meet

Committee chairmen were named during a business meeting of the Eastland County chapter, American Cancer Society, held at the offices of Texas Electric Service Co. in Eastland Thursday night.

Mrs. Austin Flint of Cisco was again appointed general educational chairman; Mrs. Ernest Schaefer of Cisco, service chairman; Dr. Ervin Addy of Cisco, chairman of the medical committee; Grover Lee, Ranger, publicity chairman.

Members of the committees: General educational committee: Mrs. D. E. Pulley, Ranger; Jeanette Harris Eastland and Mrs. Flint Cisco. Service committee: Mrs. G. A. Fliffe, Ranger, Mrs. Cecil Collings, Eastland, and Mrs. Schaefer, Cisco.

ALL NEW FOR '65 — The spectacular lineup of 1965 automobiles from the conservative economy compacts to the ultra-luxurious prestige numbers will be on display in Eastland, Car Capitol, this week. All General Motors cars will be at Eastland dealers Thursday, and Friday local dealers will unveil all Chrysler models, all Ford models and Ramblers. Then for that rarest of all opportunities, all the new '65s will be assembled on streets in downtown Eastland Saturday for a gigantic TWILIGHT AUTO SHOW. It'll be the one opportunity to see all the new models at one location anywhere in the Southwest. So see 'em at your dealers Thursday and Friday, then see 'em all Saturday.

(The illustration above is a stylized, symbolic representation of the spectacular new automobiles for 1965, and depicts no specific model. See them all in Eastland this week.)

UF Directors Meet Tuesday to Adopt Budget, Finalize Drive Plans

The Eastland United Fund which will begin its annual campaign in a few weeks contributes to and benefits from the centralized Texas United Fund. The Eastland participation is a combined effort with the Texas Fund and benefits locally as well.

Eastland UF directors will meet Tuesday, President Grover Hallmark has announced, to finalize plans for the upcoming year's work. Work by the budget and screening committee has been completed and directors will act on recommendations from that group Tuesday.

The meeting will be held at the Texas Electric Service Co. Reddy Room, beginning at 3

p.m. and Hallmark urged all directors to be present for the important budget approving meeting.

The Texas United Fund is one of nine participating agencies of the Eastland UF.

The Texas United Fund aids local United Funds in cutting down on the multiplicity of campaigns, the costliness of independent drives, the waste of time and efforts of volunteers, and the costliness in-

involved in agencies approaching communities individually. TUF was organized in 1951 by local United Funds in Texas and is charged by United Funds to work in four areas: 1. To provide a state Admissions and Budget Committee to screen, review and budget state and national agencies, a task which is virtually impossible for local communities to do.

(Continued on Page 4)

Tom Wilson Is Guest Speaker For Lions Club

Tom Wilson, president of the Eastland National Bank, was guest speaker at the noon luncheon and meeting of the Ranger Lions Club Thursday at the Porky Pig.

Mr. Wilson, who was introduced by the program chairman, Jean Mason, spoke to the club on "The Ten Pillars of Economic Wisdom."

Glyn Gilliam, president of the Commercial State Bank of Ranger, was presented a "Key Member Award" for enlisting two new members to the club.

Twenty members were present for the meeting.

Hospital Meet Is Tuesday Evening

The annual meeting of the contributors to Eastland Memorial Hospital, Inc. will be held Tuesday at 7:30 p.m., at the Texas Electric Service Co. Reddy Room, Mrs. Samuel Butler, secretary, has announced.

Directors will be elected and other business handled, it is reported.

JUDGE AND MRS. ELZO BEEN ... to mark 50-year marriage

Golden Wedding ...

Judge and Mrs. Been to Observe Anniversary

Former District Judge and Mrs. Elzo Been, now of the Long Branch Community, will celebrate their golden wedding anniversary Sunday, Sept. 27.

Their children, Mr. and Mrs. Syd Davis of Elgin and Mr. and Mrs. Truett Been of Grand Prairie, will honor the couple with an open house at the Been home from 2 to 5 p.m. that day. All friends and relatives are being invited, although formal invitations are not being sent within the county, it is announced.

The beloved Judge Been retired as judge of the 88th District Court in 1932 after having served two terms. "I just don't like it. I worried too much about other people's problems — whether or not I had made a right decision in a case. And nobody comes to a court except in trouble," he said recently in looking back at his retirement.

He and his wife have made their home on a 700-acre farm in the Long Branch Communi-

ty south of Carbon in the southern part of Eastland County for many years.

Judge Been is a trans-planted Arkansan, of Georgian and Mississippian stock. Born in 1883 on a farm about 20 miles south of Little Rock, he was twice an immigrant to this county — the first time in 1891 when he made the trip with his parents in a covered wagon and settled in what is now the Kokomo Community (then known as Simpson). The

BREAD of Life
Adorn the doctrine of God our Saviour in all things. —Titus 2:10.
Lord, let our lips and lives express
The blessed gospel we profess;
So let our works and virtues shine
To prove the doctrine all divine.

Twilight Auto Show On Square Saturday

The "Twilight Auto Show" in Eastland next Saturday will be among the very few places in the nation where all the 1965 model automobiles will be on display at one time — and at one place, with in a two or three-block area.

Eastland's automobile show will be held on the square from about 1 p. m. until what its sponsors call "dark: 30."

All of Eastland's dealers will be displaying the new models, jointly, just briefly after exposing them for the first time in their own local showrooms. All of the General Motor line will go on display at local dealers Thursday and Friday, Chrysler and American products Friday.

Co-sponsoring the local show are the members of the Eastland New Car Dealers Association and the Eastland Chamber of Commerce.

Mayor Frank Deaton endorsed the show plans and will assist in having the streets

roped off so that Eastland and area residents can inspect the new automobiles up close at their leisure.

Opening the show will be a special appearance by the Eastland High School Maverick Band under the direction of Director John Foster. The band's parade appearance is set for 1:30 and will officially open the show.

Mr. Hood King, twice nominated as the state's outstanding new car dealer, is president of the Dealer's Association here, and he and Chamber of Commerce President James Smith are extending invitations near and far for residents to attend the all-free show.

Other Eastland retail dealers will also probably have entries in the show, it has been announced.

Idea for the show began at the Chamber of Commerce Membership Breakfast Monday.

Members of the New Car

and Truck Dealer Association and the vehicles to be exhibited include:

City Garage—International Trucks.

Fullen Motor Co.—Chevrolet cars and trucks.

King Motor Co. — Ford, Mercury, Comet, Falcon and Ford trucks.

Muirhead Motor Co.—Buick and Pontiacs.

Pipkin Motor Co.—Oldsmobile, Cadillac and Ramblers.

Rushing Motor Co.—Chrysler, Plymouths and Valiants.

Announcement: Advertisements for the new models will appear in the Thursday issue of the Telegram.

Cars to satisfy all tastes—economy, luxury, sport, regular and specialized utility—will be on display.

Jesse E. Putnam Funeral Services Monday at 2 p.m.

Funeral services will be held Monday, Sept. 21, at 2 p. m. for Jess Elmer Putnam, 67, who passed away unexpectedly in his sleep Friday morning at 4:45 in his home.

Mr. Putnam was feeling fine when he retired but became ill during the night. He was a life long resident of Carbon, farming in the area before retiring, and was a son of the late Rev. and Mrs. J. H. Putnam, who was a Methodist circuit rider in this area.

Survivors include his wife, Celie; two sons, C. C. Putnam of Ranger and Joe Elmer of Weatherford; one daughter, Mrs. Edith Fox of Ranger; three brothers, George Putnam of Carbon, J. A. Putnam and Dave Putnam, both of Cisco.

Services will be conducted by Rev. Lawrence Driskill, pastor of the Carbon Methodist Church, in the Arrington Hamner Funeral Chapel. Burial will be in the Murry Memorial Cemetery of Carbon.

Visitors in the home of Mrs. May Harrison this weekend were Mr. and Mrs. J. Wesley Beard, her daughter of Dallas.

Mavs Shut Out 34-0; QB McCullough Injured

The Cisco High School Lobos lived up to their favorite role Friday night to win a non-conference football game from the Eastland High Mavericks at Eastland. A capacity crowd turned out for the renewal of ancient rivalry.

The game was considerably better than the 34-to-0 score might indicate as both teams demonstrated good power. The break-away running of Cisco's Larry Hargrave, a tall sophomore, and seniors Jimmy Brown and Danny Clack were big contributing factors for the Lobo triumph.

Wayne Waldon, 145-pound fullback, was the Mavericks' top ground gainer with 52 yards in nine bucks. The starting Maverick quarterback, Jerry McCullough, suffered a leg injury early in the game and never returned to action.

Cisco's End David Waters left the game with a leg injury in the second quarter. Hargrave scored two of Cisco's five touchdowns on runs of 54 yards and three yards. He had a total of 149 yards rushing in 13 tries. Nicky Lopez scored once on a 7-yard sprint.

Danny Clack scored the other two Cisco touchdowns—the first on a 40 yard pass play from Anthony Strother and the other on a 38-yard off-tackle slant that went all the way. He is a senior and played his best game of the season.

Tim Bennie, the 190-pound end of the Lobos, did an outstanding job in the kicking department. He hit four of five extra points and his booming kickoffs were a contributing factor to his team's victory.

Among the top defenders for the Lobos were C. B. Rust, Bengie Burnam, Richard Coats, Larry Griffin, Gary Phipps, Jimmy Smith, Bobby Smith, Brown, Lopez and Strother.

Standing out in the Maverick line were Tackle Fred Keith, End James Whitehead, End Mike Miller and others. Gaylon Griffin did a fine job as linebacker. Gene Wilson, 120-pound quarterback, carried on in a commendable way after McCullough left the game.

The first Cisco score came on the third play of the game. The Lobos got the kickoff back to their 33. Brown scooted for five and Hargrave got seven yards. Then Hargrave circled left and went 54 yards with Strother, who had been out all week due to illness, throwing the key block.

The Mavericks took the kickoff and drove to the Cisco 40 before losing possession. The Lobos then were forced to punt, and Miller took the punt back 35 yards to the Cisco 17. Four plays then fizzled and the ball went over.

Hargrave plowed for 31

yards, Lopez made five and Brown raced 32 yards to the Maverick 7. Lopez then scored early in the second period. Neither team could threaten again until the Mavericks drove to the Cisco 22 as the half neared the end. Pilgrim intercepted a pass there.

An Eastland scoring threat was thwarted in the third period when the Mavericks drove from their 25 on short gains by Ted Martin, Griffin, Waldon, and Moylan went to the Cisco 11 where Jimmy Smith intercepted a pass for Cisco.

Olden Residents To Discuss FHA Water Loan Thursday

Homer Cole, Farmers Home Administration Supervisor, will meet with the citizens of Olden Thursday, Sept. 24, at 7:30 p.m. in the Olden High School Gym, for the purpose of discussing the possibility of the community receiving a loan to build a water system.

The new Rural Area Development Plan will be explained by Mr. Cole. This plan is for the purpose of making long term loans to the citizens of rural areas of less than 2,500 population.

If a loan is made, the funds may be used to install or improve rural water supply and distribution systems that furnish water for household, livestock, garden irrigation, orchard and crop - spraying purposes and fire protection. A system may include capacity for commercial and industrial use when the cost of such capacity will be less than the cost of the capacity for other purposes.

It is necessary for the residents of Olden to attend this meeting to discuss this system before a definite step can be made in securing fire equipment for Olden. A meeting to discuss the equipment will be held at the Community Center, Saturday, Sept. 26 at 7:30 p.m.

Mr. Cole said organizations operating on a nonprofit basis, such as nonprofit corporations; irrigation, water supply, or soil conservation districts; grazing or recreation associations; and small country towns and other rural po-

litical subdivisions are eligible for loans when:

They are unable to obtain needed credit elsewhere.

The proposed improvements primarily serve farmers, ranchers, farm tenants, farm laborers, and rural residents either by direct use or by economic benefits. Control of the borrower organization must remain with local rural residents and farmers, however, others may use the facility.

They have legal capacity to borrow and repay money, to pledge security for loans, and to operate the facilities or services to be installed with the loan funds.

They are financially sound and will be effectively organized and managed.

VISITS PARENTS HERE

Visitors in the home of Mr. and Mrs. Henry Van Geem the past week have been their children, Mr. and Mrs. Henry Van Geem, Jr. of Wichita Falls; Mr. and Mrs. Neil Van Geem and Stephen of Fort Worth and Mr. and Mrs. Sam Sproles, Scott and Brian of Sacramento, Calif.

Herman York was recently called to Kentucky to be near his father who was very ill; however, his dad is improving and Mr. York will be returning home soon.

AUCTION REPORT

A total of 915 cattle, 98 hogs, and 175 sheep and goats were sold to 88 buyers at the Eastland Auction sale last Tuesday. There were 208 consignors.
Prices were reported as follows: butcher bulls 13 to 17 cents; stocker bulls 15 to 20; butcher cows 11 to 15; stocker cows 9 to 15; canners and cutters 6 to 12; butcher calves 17 to 21; stocker calves (L.t. choice) 21 to 24.7; stocker calves (Hvy. choice) 18 to 22; pairs of cows and calves \$90 to \$170; butcher hogs 16 to 17; sows 12 to 15.

MAVERICKS

(Continued from Page 1.)
Cisco then started a touchdown march that scored early in the fourth period on the Strother to Clack pass.
Strother intercepted an Eastland pass soon after the next kickoff on the Maverick 34. Brown got 14 yards to the Eastland 20, Hargrave drove 9, Brown 8 and then Hargrave went over. Dan Phillips and Fred Keith blocked the extra point boot.
Eastland took the kickoff and drove to midfield, mainly on a pass, Gene Wilson to Larry Wilson, for 17 yards. Cisco went to work in a hurry with Lopez making 12 yards before Clack broke through and went 38 yards for a touchdown.
A 40-yard pass, Wilson to Martin, brought fans to their feet as the final whistle ended an Eastland threat.
Mickey Sargent and Mike Miller led in the key tackle department with eight drops each, followed by Gaylon Griffin and Garry Rollins, each with seven. Ted Martin had six; Bill Boles, Rodger Terrel, five each; Dan Phillips, four; Gene Wilson, John Moylan, Wayne Waldon, Rodney McCoy, Fred Keith, three each; James Fullen and James Whitehead, two each and Charles Moon, one.
Before coming out with a leg injury Quarterback Jerry McCullough chaulked up some 20 yards. Gene Wilson, who came in to take over the signal duties, picked up 14 on the ground. Heading the ground-gaining section was Wayne Waldon who accounted for 45. Ted Martin got 18; Gaylon Griffin and Mickey Sargent each got 16; Mike Miller, 17; Ted Martin, 18; and Haydon Wilson, 14.
McCullough, a junior this year, apparently got an old injury re-hurt in the Friday night tilt, and was to have x-rays Saturday morning. His parents reported that his left leg was swollen and sore early Saturday. When he was a freshman he received an injury which pulled cartilage loose and caused him a great deal of trouble then. Whether the injury will lose him to the Mavericks for a few games or the season was yet to be determined.

TO WHOM IT MAY CONCERN

I will not be responsible for any debts incurred by me. I am not married and never have been. I am innocent of the accusation against me. Joe Basham, U.S.M.C.

TIDBITS . . .

(Continued from Page One.)
ture that appeared in your paper on September 10 of a group of people laying the corner stone for the new court house. I am pleased to tell you that my father, R. L. Myers, was the man in the center with his back to the camera, wearing a white shirt and no hat, with his right arm extended and looking over his right shoulder. He was a Mason and a member of the Lodge laying the corner stone. He moved from Eastland to College Station in 1935, where he owned and operated the Myers Lumber Company. He passed away in 1947. His surviving children are:

Miss Onal Myers - 408 Jane Street, Mrs. Minnie Myers McGough - 408 Jane Street, Mrs. Wanda Myers Wieder - 1106 Foster Avenue, all of College Station, and Mr. Delbert L. Myers - 609 West Main, Houston.

We all received our education in the Eastland schools, and we all consider Eastland our hometown. We plan to attend the next homecoming there.

Although I was a little girl only 8 years old when the above mentioned picture was made, I remember the day very well."

RETURN HOME

Mrs. Cyrus Barcus has been brought home to Eastland from a Dallas hospital where she underwent surgery.

Her condition is reported as satisfactory at this time. She was returned by Arrington Hammer Funeral Home ambulance.

AT HOME, IMPROVED

Marcus O'Dell, recently a patient at Gorman Memorial Hospital, has been returned to his home in Eastland and his condition is reported as improved.

Mrs. Roy Rushing was returned from a months vacation in Montana, Wyoming, Nebraska and Colorado.

The "84 Club" had a "get-together" this past week. Members present were Mrs. Blanch Nickels, Mrs. Frank Owens, president of the club, Mrs. A. H. Brown, Mrs. Cecil Miller, Mrs. Pearl Downing and Mrs. George Prestridge. The club met at Mrs. Nickels apartment.

Mrs. Fred Johnson left this weekend for Lindsay, Okla., where she will visit her husband who is employed there.

Going to the West Texas Fair in Abilene this weekend are Mr. and Mrs. Billy Jordan and daughter, Cathy.

In grandmother's day the burning of a sulphur candle was a regular part of the housecleaning that followed every case of scarlet fever, measles, or other contagious disease.

UF DIRECTORS

(Continued from Page One)
2. To help organize local United Funds. At the request of local communities, since 1951 the Texas United Fund has helped organize 150 local United Funds. Texas now has over 200 United Funds—more than any other state.

3. To assist local United Funds in conducting their campaigns. Annually, the Texas United Fund conducts Campaign Institutes solely designed to help local United Funds do the best job possible.

4. To establish a fair and equitable quota plan to be applied to the goals of state and national agencies so that no United Fund in Texas will be subjected to "target goals" or "all the traffic will bear" campaigns.

The Texas United Fund this year includes eleven state and national agencies combining eleven appeals in one. These eleven organizations are providing Texas and Texans with vitally important services:

American Hearing Society, through local member organizations in Texas, works exclusively in behalf of the acoustically handicapped to prevent deafness, conserve hearing and rehabilitate the deaf and hard of hearing.

American Social Health Association performs research, investigation and family life education work with schools and the Armed Forces, with local and national agencies, local law enforcement and health departments in control of VD, prostitution, narcotics traffic and allied vice conditions.

Council on Social Work Education leads the effort to resolve the Number One problem in social welfare field—the shortage of competent social workers—by recruiting competent individuals into social work and upgrading standards of social work.

The Medical Research Foundation of Texas was added to the TUF package last year. It functions as a research foundation granting research funds to medical and dental schools in Texas for the use of promising students, interns and residents for research study.

National Recreation Association assists in providing better recreation programs

for all citizens. National Social Welfare Assembly serves as the central national planning and coordinating agency for the social welfare field.

Texas Citizens Committee (and) The National Council on Crime & Delinquency is the only private organization offering field services in the area of crime and delinquency and has served Texas communities for 30 years.

Texas Social Welfare Association, through community planning, aids in the operation and development of health, welfare and recreation programs in Texas.

United Seamen's Service is the only American agency serving to promote the physical, mental and emotional good health of American merchant seamen by providing recreation, information, personal welfare aid and other services in foreign ports.

World Adoption Fund International Social Service

(WAIF) as part of its program brings together parentless children of other countries with childless Texas couples.

United Service Organizations (USO) has 17 installations in the State of Texas, 165 in the United States and 35 overseas. There are more than 300,000 servicemen stationed in Texas and more than 140,000 Texas boys and girls in the armed forces.

Our own local boys and girls are stationed throughout the world and the USO is their "Home Away From Home." Your support of our united campaign helps provide these services, both here and at home and for our military personnel wherever they may be.

The Eastland County Farm Bureau Board of Directors will meet Monday night at 7:30.

All Directors are urged to attend.

Your Insurance and Your Future —

. . . . are all bound up together. The family who keeps adequately insured is not only wise but thrifty since insurance provides protection for the thrifty dollar. If total loss should occur in the household of the uninsured his life's savings may be wiped out. But not so with the insured. To be both thrifty and wise, be insured. And the less one has of this world's goods the more it is a part of wisdom to guard against financial destruction.

Bring out the beauty in your home

with modern light for living . . .

The lighting in your home can do much more than merely dispel darkness. Good light in the living room, for example, can add an atmosphere of charm and cheer. It can bring out the beauty of your furnishings. It can make the room a hospitable background for entertaining . . . and an inviting center for your family's leisure hours. To enjoy both beauty and eye comfort in the living room, you need three kinds of light: (1) general lighting for overall room illumination; (2) local lighting at chairs and sofas for close visual tasks; (3) accent lighting for decorative purposes. Your lighting dealer will gladly help you choose the lamps and fixtures you need for modern Light for Living. Or call our office and we'll send a lighting specialist to help you with suggestions.

Millie Drake's Granddaughter Wins Scholarship

Miss Jan Wedding, daughter of Mrs. Marjorie Wedding of Abilene and granddaughter of Mrs. Millie Drake of Eastland, was one of five girls selected by the Fourth Army to receive a four-year scholarship offered by the Army Nurse Corp.

Jan will spend the first two years of college attending Texas Technological College. Completion of her college work will be at the University of Maryland, where she will be in nursing training at Walter Reed Hospital.

This scholarship was based on college entrance examinations and high school grades.

Masonic Lodges Plan Workshop

Officers and members of eight Masonic Lodges in this area have been invited to attend a workshop which will be held at 8 p. m. Thursday, Sept. 24, in the Masonic Hall at Desdemona. Eastland, Breckenridge, Cisco, Rising Star, Gorman, Ranger, Carbon and Desdemona Lodges are in the group.

The workshop is being held to enable Masons to study common problems of Masonic Lodges and their operations. It will be conducted by J. D. Molder of Brazos, chairman of the Masonic Workshop Area covering four nearby counties.

The workshop is part of a statewide semi-annual program held for the quarter-million members of nearly 1,000 Texas Masonic Lodges.

Former Local Given Honor

The outgoing president and the campaign chairman of Ranger's United Fund organization were honored in ceremonies held Thursday morning, Sept. 17 at Ranger Junior College, when they were presented with Golden Rulers, by Texas State UF Board member, Dr. Theodore Nicksick, Jr.

Dr. Nicksick, college president, presented the Golden Rulers, emblems of UF principles, to 1963-64 president Bill J. Collings, formerly of Eastland, and campaign Chairman Richard Henderson.

Absentee Voting For Gorman Election

Absentee voting for the Oct. 10 Gorman wet election will begin Monday morning at the county clerk's office, it has been reported.

The county commissioners court called the election Monday after petitions bearing the names of 138 Gorman residents were certified by the clerk's office.

Election is for the consideration of legalized sale of all intoxicants for off-premise consumption within the corporate limits of Gorman.

EASTLAND TELEGRAM
Sunday, September 20, 1964 Page Five

DAR URGES PARTICIPATION IN CONSTITUTION WEEK HERE

Eastland County citizens have been urged to join in the national observance of Constitution Week in a proclamation issued here.

The week of Sept. 17-23 has been designated by President Lyndon B. Johnson, and the county observance is sponsored by the Charles Crawford Chapter of the Daughters of the American Revolution.

The proclamation by Mayor Frank Deaton reads as follows: WHEREAS, Sept. 17, 1964, is notable as marking the 177th anniversary of the adoption of the Constitution of the United States of America by the Constitutional Convention; and

WHEREAS, It seems fitting and proper to accord official

recognition to this memorable anniversary and to the patriotic exercise which will form a noteworthy feature of the occasion; and

WHEREAS, In accordance with Public Law No. 915 the President of the United States has issued a proclamation designating Sept. 17 through 23 as Constitution Week:

NOW, THEREFORE, I, by virtue of the authority vested in me as Mayor, do hereby proclaim the week of Sept. 17-23 as Constitution Week in the City of Cisco, and urge all our citizens to pay special attention during that week to our Federal Constitution and the advantages of American citizenship.

DAR Meeting Theme Emphasizes Freedom And The Constitution

"United States citizenship is a glorious possession representing the dreams and struggles of men for centuries," O. L. Stamey, County Superintendent of Schools, told members of the Charles Crawford Chapter of the DAR at a luncheon meeting last Monday in Cisco.

The meeting was hosted by Mrs. F. E. Harrell in the home of Mrs. Ed Wende, 400 Ave. G, as the beginning of the observance of Constitution Week, Sept. 17-23.

In his speech, Mr. Stamey emphasized that the Constitution, which guarantees priceless freedoms to all citizens, sets forth a concept of liberty that has been an inspiration to freedom-loving people everywhere.

The Chapter Regent, Mrs. Joe Clements, who introduced the guest speaker, said that his address would help stimulate appropriate observance of Constitution Week.

Twenty-six members and guests attended the meeting.

Dairy King Now Under New Management

John Goodwin of Austin and most recently of Odessa has leased the Dairy King Drive-In and began operating the eating establishment on the west end of Main St. Friday.

He will keep the business open seven days a week, from 11 a. m. to 11 p. m. he said.

Mr. Goodwin and his daughter, Kathy Ann, 16, a junior in high school, are living at 313 S. Lamar St.

ELZO BEENS

(Continued from Page One.)

Been clan stayed two years, trekked back to Arkansas and spent seven years there before coming back for a permanent tenure. They settled in the Long Branch community upon their return and young Elzo went to school in a one-teacher classroom there and later attended Howard Payne College and Hankins Normal at Gorman. He met Fannie Cannon while both were students at Rankin Normal and the two were married in 1914.

As a girl, Mrs. Been had lived on a farm south of Rising Star. She taught school in Comanche County and at May after finishing Hankins Normal. She was teaching at May when she and the judge-to-be said their vows.

After completing his schooling, Mr. Been taught the one-teacher Long Branch school for two years and decided he

wanted to be an attorney. A term as deputy tax collector had whittled his legal curiosity. He completed the studies at Cumberland University at Lebanon, Tenn., in 1913 and came back to Texas to hang out his shingle, locating first at Rising Star. In a year he was elected district clerk the same year Joe Burkett moved up as district judge. Clerk Been served one term, was elected to another and was appointed county attorney by the commissioners court

after the death of George Vaught. And it was as county attorney, that the young Been saw the oil boom hit the county and flood the courts.

The 88th district court was established in '18 and Elzo Been was elected to its bench in 1924 and served until he elected not to seek re-election in '32.

He and Mrs. Been retired to their home on their Long Branch farm to raise their family, grow livestock and oversee their acreage.

Somewhere Someone

Needs Your Old Glasses

AND THANKS TO THE
GENEROSITY OF
EASTLAND COUNTY PEOPLE

Many, many pair of discarded glasses will soon be helping poor-visioned, less fortunate people see again. Because many pair of unused glasses have been donated for this worthwhile cause since we made our first appeal.

As a public service, we are collecting these useless eyeglasses for New Eyes for The Needy, Inc., a non-profit, non-sectarian charitable organization which distributes your donations wherever they are needed. We feel sure that these people who will be helped because of your generosity would want us to publicly thank you. And so we do, and solicit your continued support for this program.

Nation-Wide, No Limit Guarantee!

No fine print. Complete, simple to understand, on miles, no limit as to roads, no limit as to guarantee has no limit on months, no limit on speed, for the entire life of the tread. ALL NEW GOODYEAR AUTO TIRES ARE GUARANTEED against defects in workmanship and materials and normal road hazards. except replaceable parts. IF A GOODYEAR TIRE FAILS GUARANTEE any of more than one year dealers in the United States will make allowance on a new original tread depth remaining. "Goodyear Price."
