Whether you cook electrically.

You'll enjoy cooking that's clean and cool because it's FLAMELESS

There are many ways to cook electrically . . . from the versatue electric range for big meals to smaller appliances such as the electric rotisserie and electric frypan. Regardless of which method you choose, you'll enjoy two big advantages that are exclusive with flameless electric cooking. You'll enjoy the cleanliness of electric cooking because the heat used is as clean as electric light. And you'll enjoy cooler cooking because there are no open flames to waste heat into the cooking area. See your electric appliance dealer soon. Start cooking the clean, cool, modern way . . . with flameless electricity.

Two Reasons Why

The People of Texas Are Saying No

To Governor Connally's plan for raising teacher's salaries

FIRST: 1 THEY DO NOT LIKE HIS PLAN TO PUSH THE MAJOR SHARE OF THE TAX LOAD BACK TO THE AD VALOREM LEVEL where 70% of the first biennium cost is to be met by taxing their homes and their personal possessions while the rich-state tax potential will be called upon to meet only 30% of the cost.

SECOND: THE RAISES PROPOSED FOR THE TEN-YEAR PERIOD ARE TOO SMALL. He proposes to raise teachers' salaries at varying annual rates of from \$48 to \$126 at a time when the average annual increase is \$244 and, furthermore, at a time when Texas teachers are already \$774 below the U.S. average teacher's salary.

Call **Long Distance for Less** and after 8 Each Evening

NTOW you can make long distance calls all day Sunday at the low night rate.

The night rate is now in effect on station-to-station calls all day Sunday and every evening after 8 p.m.

Saturday calls are cheaper, too.

Now the "evening" rate applies all day Saturday and from 6 to 8 p.m., Monday through Friday.

Why not call out-of-town family or friends any time Sunday, or any night after 8 p.m., when rates are lowest? It's the next best thing to being there.
