'Shenandoah' Contest Is Announced

In conjunction with the Texas-wide premiere showings of the new Universal motion picture, "Shenandoah," starring James Stewart, the Majestic Theatre and this newspaper announce their participation in a six-day "photo identification" contest, the winner of which will be awarded an expense-paid, one-week vacation trip for his or her immediate family to beautiful, historic Guadalupe, Mexico.

For six days we will show a scene from one of James Stewart's earlier hits. With each scene will be a list of five titles of films in which Stewart has appeared. One of the titles will be of the film from which the illustration is taken.

When all six pictures have appeared, and you have checked your selection of the title of each, clip each of the six illustrations and title lists, then write a statement in fifty words or less on the subject: "I enjoyed James Stewart best in (your favorite James Stewart picture) because:"

Clip the six illustrations and your statement together and mail them to "Name the James Stewart Movies" Contest, Majestic Theatre Bldg., Dallas, Texas 75201. Entries must be postmarked not later than midnight, July 15, 1965, to be eligible for consideration. (Continued on page 2)

Proposed Hallenbeck Lake Road 'Impractical'

"Impractical" was the evaluation given this week by a jury of view regarding a proposed road at Lake Leon.

The report was made by Jury of View Foreman Joe Collins of Gorman before the County Commissioners, meeting in regular session Monday. The order will be re-written and the court will act again on a petition signed by a group of some 75 Cisco area taxpayers.

Minutes of the commissioners meeting also acknowledged that the report was made in open court with four of the five jury of view present and all concurring. In other business, the court was advised that the recent order calling an election on a

Now, That It's Spring Again —

... It is time to rejoice for the Season of a period of new life, renewed hope and memories of Eastertime. But Spring, all may bring memories of hail and winds which are neither joyous nor pleasant, times they cause death and much destruction, without warning. If you are not insured against these hazards, it is just as destructive, better give us a call. Tomorrow may be too late.

Proposed Highway at Lake Road
 "Impractical" was the evaluation given this week by a jury of view regarding a proposed road at Lake Leon. The report was made by Jury of View Foreman Joe Collins of Gorman before the County Commissioners, meeting in regular session Monday. The report said "We view your view of the proposed road as impractical and the cost of constructing such road would be excessive."

The jury of five men was named by the court recently to evaluate the proposed road site. Serving on the jury were Gilbert, Don Kinnaird Jr., Joe Collins and Oliver Connett. Legal description of the proposed road is as follows, as outlined in the March 31, 1965 order:

"Beginning at the point of intersection of FM Road 2214, with the East line of Lot. No. 32, McLennan County School Land, League 3 and 4, Abst. 367, Eastland County, Texas, and terminating at the SE corner of Lot 34 and the NE corner of Lot 27, McLennan County School Land, Leagues 3 and 4, Abst. 367, Eastland County, Texas."

The road in question was proposed by Mr. H. E. Hallenbeck and others who sought to have a road to the Providence Cemetery and to development of Lake Leon lots. As proposed, the road would go across property owned by Maurice Hazard and the Terrell Ranch.

Minutes of the commissioner's meeting also acknowledged that the report was made in open court with four of the five jury of view present and all concurring.

In other business, the court was advised that the recent order calling an election on a
