Thank You . . .

It was an honor to be elected President of the EHS Alumni and Homecoming Association at the recent reunion in Eastland. I hope that you will through your columns find some way to express to the people of Eastland the sincere appreciation of those of us out of town for the cordial welcome we received and for the tremendous amount of work that was done by the Eastland citizens which made the reunion so successful.

It is my purpose to plan for an even better gettogether in 1970.
