Bell Telephone Company Seeks Rate Hike Less Than Thousand Dollars Needed For Factory

Increase Of Fifty Cents Is Requested

Southwestern Bell Telephone Co. Thursday night filed a formal request with the City of Eastland for an immediate increase in telephone rates here, but city commissioners took no definite action.

The company, represented at the regular meeting of the Commission by John A. Cornell, district manager of Mineral Wells, and Virgil Seabury Sr., Eastland attorney, asked for a 50 cent increase for one party phones and a 25 cent increase for two party phones. Also requested was permission to charge 10 cents for pay phone calls.

Cornell said Bell made only two-thirds of one percent profit here in 1955. He showed commissioners facts and figures which he said proved his statement, but was asked by Commissioner Horace Horton why the company "never includes long distance calls" in their profit and loss statement.

The Bell representative explained that by law the company had to divide toll and local calls. He said local service revenues totaled \$91,337 in 1955, but that after expenses, the net exchange operating profit was only \$2905.

Horton then asked that if it wasn't true that the company actually did a total business here last year of \$181,327, counting both local and long distance service, with operating expenses totaling only \$156,964, for a net operating profit of \$24,363, Cornell replied that Horton's figures were correct, but that he wasn't taking into consideration that toll calls could not be completed here, thus part of the operating expenses were on the receiving end of the call. He also said that there was no way to figure just what amount should be credited to the City, since the company has to build and maintain toll centers and long distance lines.

The request for an increase is the fourth made by Bell since March 15, 1949. The company was granted a rate hike then, another Dec. 15, 1952 and still another Dec. 15, 1953.

Mayor George L. Davenport asked Cornell if the rate increase asked wouldn't go into effect until "you install dial here." Cornell replied that "when I came to you individually and said the increase wouldn't go into effect until you got dial, I was speaking informally." He said that since commissioners would not agree out of an open meeting to allow the company an increase in rates when dial was completed, "we are now filing a formal request." He was then asked if that meant that the increase would go into immediate effect if granted, and he replied that it would.

Continuing to explain the company's need for an increase, Cornell again pointed out that Bell made less than one percent profit here on local service last year. Horton then said, "Irregardless, you are making money on long distance calls."

The new city commissioner then stated, "I'm all for the capitalistic form of government, and I'm all for your company making money, but not all of it in East-

land." Cornell replied: "We do not want to make all of our money here, but we do want to make some money in every place we operate."

The district manager also outlined Bell's plans here, saying that Eastland and Ranger will both go dial at the same time—in 1958. Cisco is already dial and will be the toll center in this area.

"In Eastland we are talking about spending a fourth of a million dollars," he emphasized. He said the company's engineers were now working on the problem of whether or not to build a new building here. He said the one we are in now is "pretty old" and "I don't know whether we will be willing to put the new equipment in it or not."

The company's application for a rate increase follows:

"It is necessary at this time for the Southwestern Bell Telephone Co. to apply for an increase in telephone rates in Eastland. This application is necessary because telephone earnings in Eastland are at a point where relief must be had in order to place the operations on a sound basis.

"The company on June 3, 1953 presented to this Honorable Body an application for an increase in telephone rates in the Eastland exchange. As a result of that application the present rates became effective on Dec. 16, 1953. The schedule of rates on which approval was requested was based on 1952 operating results and economic conditions and represented the minimum schedule of rates required to carry on satisfactory operations in Eastland. Actual experience with these present rates clearly demonstrates their inadequacy and shows that considerably higher rates are necessary to produce a fair return on the property in the Eastland exchange.

"As shown on the attached operating statement for the year 1955, our exchange operations in Eastland resulted in a net income of only \$2905, which represents a return of only .65 percent on the fair value of our property.

"The Company is not earning a fair return on the value of its property in Eastland and cannot hope to earn a fair return under (Continued on Page Two)

Morton Valley Woman Injured In Auto Crash

A Morton Valley woman was slightly injured Thursday night when she fell asleep at the wheel of her late model car and crashed into a utility pole in front of Jim Horton's Tire Service.

Injured was Mrs. Sybil Seabourn of Route 2 Ranger. She was treated for injuries at the Eastland Memorial Hospital and then released.

The car was badly damaged and the utility pole broken in half.

Former Resident Taken By Death

Mrs. J. G. Lanier, 62, sister-in-law of J. R. Lanier of Eastland, and a former Eastland resident, died Wednesday at her home in Fort Worth.

Her husband, who was a former postal employee here, died in 1953. Survivors include a sister, Mrs. Iona Butler of Carbon.

Lions Beat Comets As Meds Down Bulldogs

The Lions continued in their unbeaten way Thursday night, taking an easy 10-2 victory over the second place Comets, while the surprising Medics rose up to cut down the Bulldogs 13-3 in Little League play.

The Lions had only taken opposition as they rolled past the Comets in the first game of the doubleheader. Bobby Cartwright was the winning pitcher, although he got assistance from Bubba Hunter. Losing pitcher was Jody Cooper, who gave way to Terry Moore in later innings.

The victors scored three runs in the first inning, two in the second and two in the third, and then one each in the fourth and fifth innings. The Comets got their two runs in the fifth frame when they put together three hits off the bats of Wayne Harris, Terry Moore and Jody Cooper. Cooper's was a booming double. Weldon Thomas had a home run in leading the winners at the plate.

Medics Upset Bulldogs. The Medics won their first game of the season in downing the Bulldogs 13-3 in the second game of the twin bill.

Donnie Wheat was the star of the game. The little southpaw came into his own in the game, finding his control for the first time this year. The wrong-handed nine strikeouts for the Medics, and scattered five hits, hurling no hit ball for the first two innings. Wheat contributed two

hits and two runs to top his brilliant performance on the mound. Jimmy Moylan was the losing pitcher. Moylan hammered out a homer in the third inning to drive in two runs, but couldn't hold the Medics on the mound.

The winners hit ten big runs in the first inning off six hits and then added two more in the second and another in the fourth. They got their 13 runs off of eight hits.

Monday night the Comets take on the Medics in the first game and the Bulldogs clash with the Lions in the second tilt.

Collins Construction Co. is low bidder on highway work. Collins Construction Co. of Texas, an Austin firm, was successful bidder on highway work to be done in Eastland and Stephens counties, including approximately 7 blocks of paving in the City of Eastland.

Collins' low bid was \$88,627, the Texas Highway Department announced.

Work to be done in Eastland includes re-doing Highway 80 Main Street with asphalt concrete pavement from Hillcrest Avenue to Prougater Street and re-doing of Highway 6 (Seaman Street) from the Texas and Pacific railroad track to the Main and Seaman Street intersection to Finkett Street.

Gonlon Smith, resident engineer in Eastland, said that Collins Construction Co. is the same firm which is presently constructing

Work On Building Being Stepped Up

Eastland rose to the occasion this week, and less than \$1000 remains to be contributed before the Chamber of Commerce Industrial Committee will have enough money to complete their deal on the new Hollywood-Maxwell Corset factory building, Grady Pipkin, chairman of the committee said Saturday.

Thursday the Committee was still short of their goal by \$4000. They hope to have all the money in hand now by Monday, and Saturday urged everyone who plans to take part to get their contributions in at the earliest possible moment.

Meanwhile, work on clearing the factory grounds is proceeding "right on schedule," and Stanford Engineering Co. of Midland, who is constructing the building, petitioned the City to bring the area into the city limits.

Work on the \$60,000 building is due to be completed by Sept. 15, and Hollywood-Maxwell hopes to occupy the building by Oct. 1.

A 10 year lease with a five year option has been signed by Stanford Engineering and Hollywood-

Maxwell. The firm employs 250 people and has a half million dollar annual payroll.

Final Rites For Mrs. Graham To Be Held Sunday

Funeral services will be held Sunday at 2 p.m. at the Hamner Funeral Chapel for Mrs. Nora Graham, 94, who died at the home of her daughter, Mrs. M. A. Clyatt, Route 2, Eastland, Friday afternoon.

Services will be conducted by the Rev. Richard Smith III, assisted by Rev. Barber, pastor of the Harmony Baptist Church of Morton Valley. Burial will be in Eastland Cemetery under the direction of Hamner Funeral Home.

Mrs. Graham was born in White County, Ark. Feb. 10, 1862. She was a member of the First Methodist Church of Eastland.

Her husband preceded her in death July 9, 1938.

Survivors include two sons, William Graham of Grand Prairie and Matt Graham of Colorado City; four daughters, Mrs. Raymond Noble of Searcy, Ark., Mrs. M. A. Clyatt of Eastland, Mrs. B. W. Feris of Stamford and Mrs. Ethel Smith of Freer; one brother, N. C. Three sons and one daughter preceded her in death.

Date for Six County 4-H Show Announced

The date for the annual Six County 4-H Club camp at Lake Cisco with anticipated attendance of over 200 has been set for July 23 and 24th according to word at the county agent's office.

Counties who are expected to have delegations at this annual encampment at Lake Cisco include Stephens County with County Agent J. D. Cressett; Palo Pinto County with County Agent Ralph Lindsey; Shackelford County with County Agent W. C. Vines; Callahan County with County Agent Glen Green; Jones County with County Agent Bill Lemberg and Eastland County with County Agent J. M. Cooper and Assistant County Agent R. S. Higgins, Jr.

The 4-H Camp started off as a three county affair in the early 40's it was said.

The camp is recreational in nature (Continued on Page Two)

Eastland Third Platoon Joins Field Exercise

The third platoon of the 87 Special Infantry Company in Eastland joined with the 87 Special Infantry Company of Abilene and the VTU 817 Ground for a field exercise which was held from 7 p.m. Saturday until 10 a.m. Sunday.

The problem consisted of general situation, a spokesman said. The aggressive troops landed on the Callahan Divide, south of strategic air command base in Abilene and attempted to destroy it. The U. S. Marine Corp Reserve, as an interior company of the Abilene Defense area, proceeded to an assembly area at Camp Barkley Rifle Range and the tank division went on to Buffalo Gap Mountain, to combat the invasion.

C rations were issued to the troops for the Saturday evening meal and Sunday morning. The problem was secured about midnight Saturday and the troops bivouaced in the field for the night.

Deed T o Airport Asked

Rodeo Arena Plans Outlined By Sheriff's Posse For City

The Eastland County Livestock Association Thursday night asked Eastland City Commissioners to deed them approximately half of the property purchased years ago for use as an airport.

The request was made by Boyd Hilley of Gorman, president of the Association, and Pete Tindall of Eastland. The two representatives outlined plans the Sheriff's

Posse, which now has 87 members, to build a rodeo and cutting horse arena there, and expand facilities for the annual Eastland County Livestock Show.

Hilley served as spokesman. He said the group planned to spend several thousand dollars at the site, but wanted a deed to the property to assure them of continued control. He said the group would be willing for the deed to have a reversion clause, which would state that the property would revert back to the City if at any time the Association became inactive.

The Association asked for the old hanger building to be included in the property deed to them. At present the group has a 10 year lease to all of the property they asked a deed on with the exception of the hanger. About a year ago, commissioners agreed to let the group use the building, Hilley said.

The Association president also outlined plans for building stalls for the horses of members of the Sheriff's Posse, so that they would have a place to keep their horses. He said a full time man would be hired to stay at the building at night.

"We feel that the posse can make money at the arena by paying the cost of the Livestock Show,"

he asserted, "and that will mean we will no longer have to ask donations from our merchants."

Mayor George L. Davenport appointed Commissioners Horace Horton and Norris Wilson to study the situation and report at the next regular meeting.

The group were also told that the State has turned down a request for a traffic light at the corner of Daugherty and Main, saying "no traffic light is justified." Commissioners had requested that the state take such action.

The group heard a report from Commissioner Horton, saying that Frank Sparks had agreed to represent the City in any tax suits which the body decides to file. Commissioners have agreed to collect approximately \$80,000 in back taxes, "even if it means going to court."

A petition was received by the Commission asking that the property where the new Hollywood-Maxwell Corset factory is being built be brought into the city limits. No definite action was taken.

Commissioners Horton and Wilson were appointed on a committee to study the storm warning system here to determine if two additional sirens are needed.

Eastland Fathers To Rule The Roost Sunday; It's Fathers Day

Eastland fathers will have their day Sunday.

It's fathers day here, as well as across the country.

The mother of Father's Day is a mother. She is Mrs. John Bruce Dodd of Spokane, Washington. The idea for "Father's Day" came to her one morning in 1909 as she was washing dishes while her son, John Bruce Dodd, Jr., gurgled happily beside her in a high chair. It was her way of honoring her father who raised her and five motherless brothers. This was a natural expression of love, devotion and gratitude of this daughter toward her dad, and as such it has touched the life of America. According to Mrs. Dodd, Father's Day would be the way to fulfill the need of calling attention to Father's place in the home, training the children, the safeguarding of the marriage tie, and the protection of womanhood and

childhood. When the idea for Father's Day came to her, Mrs. Dodd went to her own minister with it, and through him, to the Spokane Ministerial Association. Mrs. Dodd embodied her thoughts in a letter to the Spokane Ministers Alliance which favorably received it. She told of the love and sacrifices of her own father, William Smart, a Civil War veteran, who reared his six motherless children in an eastern Washington farm. William Jennings Bryan was one of the first to give formal endorsement to Mrs. Dodd's idea when he said, "Too much emphasis cannot be placed upon the relation between parent and child," and complimented Mrs. Dodd on her inspiration.

The present rates. "We have made every effort to keep our expenses at the lowest possible level consistent with the continuation of good telephone service.

"The only answer to our mutual problem is to ask the City Commission to approve this application for increased rates which will make it possible for the Company to improve its earnings on its Eastland operations. It is proposed that the City Commission authorize an adjustment in the rates charged for local telephone service as outlined in the proposed ordinance which it attached.

"The Company respectfully requests that the City Commission give prompt consideration to this earnings problem and authorize a new schedule of rates at the earliest possible date."

Cornell told commissioners that his company did not plan to up pay phone rates to a dime here in the immediate future, but wanted to get permission to do this. He admitted that only one Texas city now has 10 cent pay phone charges, and that is Amarillo. Fort Worth, Houston and Dallas went up to a dime in September, he said. The district manager also pointed out that his company is asking no increase for business telephones.

Christian Association put the Father's Day idea into active motion and Spokane, in 1910, was the first city to set aside a day for honor to Father. From a humble beginning, the day of remembrance grew to national importance with President Woodrow Wilson having a Father's Day button pressed in the White House in 1916, and with President Calvin Coolidge recommending national observance of Father's Day in 1924.

Mrs. Dodd wanted Father's Day to be held on June 5, her Father's birthday, but there wasn't time for the ministers to prepare sermons for the first Father's Day, and so the third Sunday in June was chosen. Since 1910 Father's Day has been celebrated on the third Sunday in June, and so this year, 1956, marks the 46th anniversary of the first Father's Day.

William Smart, her father, the man who inspired Father's Day died in 1919, but he lived long enough to see Father's Day become a growing reality throughout the nation.

Mrs. Dodd, who is now retired, was an active business woman in Spokane, Washington, where she still lives. Her husband, a life insurance company employee, died eleven years ago, and her only child, John Bruce Dodd, Jr., is associated with the National Park Service in the national capital.

It was also Mrs. Dodd who selected the rose as the official Father's Day flower—a white rose for remembrance and a red rose for living tribute.

First Baptist Church Services For Week Announced By Rev. Kimbler

Sunday school begins at 9:45 at First Baptist under the supervision of A. J. Blevins Jr. At the morning worship hour beginning at 11, Gayle Bowen will direct the congregational song service and for the special music the choir will sing "Fairest Lord Jesus" with Jana Weaver as soloist. The pastor, Rev. Harvey Kimbler, will have as his sermon topic "The Responsible Father."

Carol and Cherub Choirs and the Life Service Band have disbanded for the summer months. Sunday evening services begin with Training Union at 7 followed by the worship service at 8.

District Rally Day To Open Baptist Camp

District Rally Day, opening the camp season for Baptist District 17, will be held at Lueders Baptist Encampment grounds Monday, June 18.

The activities will begin at 10 a.m. and will continue, with periods for rest and recreation, until after the evening service. Lunch and supper will be served at the cafeteria.

Whole families are invited to the encampment to spend the day or any portion of it that they can. Among the speakers will be Fred C. Hughes of Boerne, state Baptist Brotherhood president and Dr. Lindell O. Harris, head of the Bible department of Hardin-Simmons University.

Rev. Robert H. Lloyd, pastor of the First Baptist Church of Monday, will be camp pastor of the Intermediate Royal Ambassador camp, which will also open that afternoon and he will preach at the close of the evening service. The boys camp will continue through June 21.

Rev. Byron Bryant of Stamford, Encampment president, will preside for the activities, much of which will be informal, he said. Henry Littleton, camp manager, is preparing for a large crowd. District 17 covers 12 counties, Haskell, Jones, Shackelford, Taylor, Nolan, Fisher, Stone, Kent, Stephens, Eastland, Callahan and Knox.

Bethel Baptist To Observe Father's Day

Father's Day will be observed at the Bethel Baptist Church as the morning worship service will be dedicated to Father. Rev. James Flaming will speak on the subject, "The Unknown Man of the Scriptures." Those with no church home are cordially invited to attend.

Sunday school begins the Sunday service at 9:45 a.m. Roland Koch and Luce Pittman are to bring special music in the opening assembly. The worship service follows at 11 a.m.

Training Union marks the beginning of the evening services at 7 with the evening worship service to follow at 8.

Sunday will close the charter membership at the Bethel Baptist Church. Those having entered into the fellowship of the church since May 20, organization date, will be considered as charter members.

Wednesday night the brotherhood will have charge of the prayer meeting hour, having their own special service with an ice cream supper to follow.

Many from First Baptist will attend the "Rally Day" at Lueders Baptist Encampment, Monday, June 18th. During the program of the day there will be a dedication of the new \$30,000 swimming pool. The intermediate boys will remain at the camp until Thursday for the annual RA Camp. Gayle Bowen will be the director of music and recreation for the camp.

Dr. Guy Newman, president of Howard Payne, will be the speaker for the quarterly Sunday School Supper Tuesday evening at 7:30. Rev. Kimbler urges everyone to attend.

Youth organization and teachers and officers of the Sunday school meet at 7 Wednesday evening and prayer service follow at 8.

'Assembly' Will Be Church Of Christ Topic

"Necessity of Assembly" will be the morning sermon topic of Austin Varner, Church of Christ minister, here Sunday.

Installation of a new Chrysler-Airtemp refrigerated air conditioning system was completed Thursday at First Baptist Church. This refrigerated air system replaces an evaporative system that

had been in use a number of years. This work was done under the supervision of a committee composed of Frank Sayre, chairman, Hubert Westfall, Wayne Jackson, A. E. Hallford and Herbert Ekert. The contractors were Sherrill Electric of Eastland and Modern Service Co. of Fort Worth. McGraw Motor Company is the local dealer.

The First Baptist Church extends a cordial invitation to the people of Eastland to worship in air conditioned comfort.

There are 2,000 tractors in Eastland County. Many are riding on Seiberling Tires bought from Jim Horton Tire Service.

This is the time of the year that newspapers and radios are full of super-duper tire bargains.

Most people know you get about what you pay for, and you don't usually get something for nothing. But it is fun to try.

We have special deals and bargains, too, but would rather see you buy the best grade of tires for just a few dollars more. You get much better service and really more for your money.

Come down and we will prove it to you. Jim Horton Tire Service, 409 East Main Street in Eastland.

Former Eastland Girl And Crane Man Marry In Crane

Marilyn Rhea Morgan and Bobby Jack Russell exchanged wedding vows Sunday in the First Baptist Church in Crane. Rev. H. F. Dearing officiated.

The vows were spoken before a background of white flowers, palms and greenery. White wrought iron candelabra held lighted white tapers. Windows of the sanctuary were decorated with foliage and flowers. Family pews were marked by large white satin bows.

The bride is the daughter of Mr. and Mrs. Tommy Lee Morgan of Crane, formerly of Eastland, and the granddaughter of Mr. O. B. Crowley of Eastland. Parents of the bridegroom are Mr. and Mrs. L. E. Russell, Crane.

Mrs. John Wommack played traditional organ wedding music and accompanied Lester Morton as he sang "Because," "The Lord's Prayer" and "I Love Thee."

The wedding party included Thomas M. Morgan, brother of the bride, best man; Mrs. Thomas M. Morgan, matron of honor; Bettie Franze, maid of honor; Mary Kay Freese, Pat Crowley, cousin of the bride, and Mrs. Joy Hicks, bridesmaids.

Junior bridesmaids were Sandra Lightner, cousin of the bride, and flower girls were Debby Collins and Janet Gay Turner. Ring bearers were Jerry Morgan and David Lightner. Groomsmen were Warren K. Summers, Charles Hutto, Jody and Willie Minnick.

The bride's attendants wore gowns of crystalline over taffeta fashioned with sweetheart necklines and elongated waistlines outlined with hand rolled cording. The skirts were full and worn over hoops and crinoline. They wore matching headbands with circular veils and short white gloves. Colors were summer shades of blue, pink, lavender, yellow, green and aqua. They carried colonial bouquets of summer daisies. The flower girls carried white baskets of pink rose petals. They wore white dresses tied with pink satin sashes.

The bride was given in marriage by her father. She was gowned in an original creation of imported swiss organdy over bridal taffeta. The molded bodice

was fashioned with a portrait neckline and short sleeves outlined by tiny embroidered rosebuds and leaves. The elongated waistline came to a point in the front and back and held a bouffant skirt worn over a French colonial petticoat. The embroidered rosebuds began tiny at the waist and enlarged to the hemline which was accented by scalloped satin ribbons. The fan shaped chapel train was designed with an encircling bow which was at the center. Her pearl coronet held a veil of fingertip illusion. She carried a white Bible topped with satin streamers, rosebuds and gardenias. A strand of baby pearls and earrings completed her ensemble.

At the reception held in the church, the bride's colors, pink and green, were carried out in the tulle green cloth on the table. The three tiered wedding cake centered the bride's table. Appointments were in silver and crystal.

After a wedding trip, the couple lives in Odessa. For traveling, the bride changed to a white suit fashioned with long sleeves, a mandarin collar and pencil slim skirt. Her accessories were red calf and her white hat was of imported pearlized straw. Pearl jewelry and a corsage of white gardenias completed her ensemble.

Christian Science

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the lesson-sermon to be read at Christian Science services Sunday.

Man's God-given dominion over material laws and limitations will be set forth in readings from King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Among the selections to be read from Science and Health is the following (307:26): "Man was not created from a material basis, nor bidden to obey material laws which Spirit never made; his province is in spiritual statutes, in the higher law of Mind."

The Golden Text is from Psalms (95:3, 4): "The Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth: the strength of the hills is his also."

Mrs. Marguerite Welch and her son, G. H. McDaniel of Tacoma, Washington have recently returned from a visit in Tennessee. After a few days visit in his mother's home, McDaniel left Wednesday to return to his home in Washington.

The Car and it's Companion—
... The automobile is useless and harmless without the driver. With the driver it may become most useful but never harmless. No operator of an automobile ever fully realizes his responsibility to the public until he has a wreck. Then it dawns on him that he is living in a world with other people, some very peculiar, who have plenty of personal and property rights. If you drive, drive thoughtfully, but never without adequate insurance protection.
