Carta Hall is one of several halls at the Douglas MacArthur Academy of Freedom depicting the history of freedom in the development of America. Osborne Robinson, one of England's outstanding designers and authorities on mural fashion has been commissioned by the Academy to paint a mural in the hall. Robinson began the work in early 1964 after completing some eight months of research on the project. The Academy of Freedom is an honors program under the Department of Social Sciences at Howard Payne College in Brownwood, Texas. Non-political and secular, its basic philosophy is to make freedom meaningful and real to those who follow its course of study.

Veterans Land Program Seen As Good Success in County and State

The Texas Veterans' Land Program today stands on its own as one of the soundest state endeavors in modern times. And the record of the program in Eastland County is typical of the state-wide success story.

There have been over 300 tracts of Eastland County land sold to veterans under the program, and there has not been a foreclosure in the past 10 years. The total sales amount to about \$2,000,000 in the county — a substantial contribution to the county's economy.

Records show that one out of every 100 sales made in Texas in the program was in Eastland County.

J. C. Carter of 117 Mesquite Ranger, is chairman of the Eastland County Texas Veterans Land Board committee. Others on the committee are W. F. Davenport, 209 S. Ostrom, Eastland, and W. L. Phippen, 1109 W. 6th Cisco.

The program, which is the best opportunity offered veterans of any state in the Union, is not a dole or a waste of public lands. Now in its 16th year, it is a sound, self-sustaining business.

The program is able to operate at no increased burden on the taxpayer because fees collected for various services rendered by the Veterans' Land Board defray yearly operating expenses.

The Veterans' Land Program has not only given the state an opportunity to aid the men and women of Texas who served their country during World War II and the Korean Conflict; it has boosted the state's economy and will produce an eventual profit on the \$200,000,000 from sale of bonds used to finance veteran land purchases.

Today more than 34,500 purchases have been made by aided virtually every man and woman in Texas by boosting the economy.

Over the years Texas veterans have shown an active interest in land purchased through the Board. Over 1,100 homesite deeds have been issued and many more thousands have built homes and improvements on their land without severances. Veteran Purchasers have improved their land by building fences, stock-tanks, barns and have also planted permanent pastures. Improvements, such as these, add to the beauty of the state and are a factor in adding millions of dollars to the economy of Texas.

CofC President Talks At Rotary Luncheon

Jack Muirhead Sr., program chairman of the Rotary Club, introduced Don Vierger, president of the Chamber of Commerce, as guest speaker at last Monday's meeting.

Guests were Marilyn Huckabee, present as guest sweetheart of the club; Bill Davis of Baton Rouge, La.; and Steve Simmons and Grady Hogue, both of Cisco.

President A. D. Taylor presided.

Mavericks Will Scrimmage At Stadium Today

The Eastland Mavericks are still continuing their daily drills and workouts twice daily. According to Coach Glass, the boys are showing much progress and are in good shape for their first game.

There will be a scrimmage Thursday (today) at 5 p.m. at Maverick Stadium. The Mavs will play host to Throckmorton.

There are still some 41 boys working out for the team. Ten have dropped out.

According to Glass, Tommy McCullough is the only injury that has required hospitalization. The extent of McCullough's injuries are not known at this time.

The Mavericks first game will be at Comanche September 3.

Transfer of veteran contracts is a big business carried out by the Veterans' Land Board in addition to purchasing new land tracts. The veteran is paid his equity, and the contract is transferred to the new purchaser. The Board has handled over 8,000 such transfers.

A large majority of veteran landowners have taken out insurance under a newly adopted program which pays their contracts in full in case of death. This policy is endorsed by the Veterans' Land Board because it further safeguards the taxpayer against loss through the program.

Two Accidents Reported Sunday

Eastland Police reported two accidents on the streets of Eastland Sunday night.

Receiving treatment at Eastland Memorial Hospital from a two car accident on Daugherty and Highway 80 was Sly Reed, who was the driver of a 55 Plymouth. The other car, a 1955 Chrysler, was driven by L. W. Dalton. Dalton was not injured. Both cars were a total loss.

Involved in an accident on East U. S. 80 and College Street about 9:30 Sunday night was Steve Blair and Jimmy Warren of Carbon, Texas. Blair was driving a 1948 Plymouth and Warren was driving a 1962 Ford. There were no injuries in the mishap.

MRS. KIMBLER DIES

Mrs. Harvey Kimbler, wife of a former First Baptist Church minister in Eastland, passed away after a lengthy illness in Arizona at 10:30 a. m. Wednesday, according to word here. Arrangements will be announced later. Tentative plans called for services to be held in Abilene Saturday.

Arnold Graduates As Honor Student

Sp-5 James M. Arnold, son of Mr. and Mrs. R. D. Arnold of Eastland, recently graduated from a Transistor Equipment Maintenance Course of the Signal Department, United States Army School, Europe, as "honor student."

This honor is accorded only to that student who receives the highest grade above 91 per cent attained in the course and whose attitude and general deportment throughout the course have been exemplary in every way.

Stationed in Germany, James is married to the former Vanitta Halpern of Eastland.

WTCC Ag Unit Meets Thursday At Abilene

ABILENE — The Agriculture Committee of the West Texas Chamber of Commerce will meet in Abilene on August 26 to discuss a range of farm problems and perfect its own subcommittee organization.

W. H. (Bill) Lance of Perryton, chairman, has set the meeting for August 26 at 1:30 p.m. in the Parisian Room of the Starlite Inn. Thirty or more members are expected to attend.

Lance said he planned to appoint several subcommittees to study various agricultural problems as they affect the agricultural economy of West Texas.

Among the problems to be discussed is the farm and ranch labor picture as it exists in West Texas.

The Agriculture Committee meeting is one of a series of West Texas Chamber committee meetings being held during the summer across the 132-county WTCC area.

Bob Grantham Buried In Tuesday Services

Funeral services for Robert E. (Bob) Grantham, 75 prominent Cisco attorney, were conducted at 2:30 p.m. Tuesday (today) at the Rust Funeral Home Chapel with the Rev. Jesse Cassle, pastor of First Baptist Church, officiating. Mr. Grantham died at 6:45 p.m. Sunday at the Graham Hospital.

Burial was in the Oakwood Cemetery. Serving as pallbearers were Tom H. Stark, Albert Hansen, J. D. Lauderdale, A. D. Anderson, Raby Miller, H. A. Wood Cabaness, George Boyd and Sutton Crofts. Graveside services were conducted by the Cisco Masonic Lodge.

Mr. Grantham sustained cuts and bruises about the face and neck in a two-car accident at the intersection of Avenue L and West 8th Street last Thursday afternoon and had been in the hospital since that time. Death was attributed to a blood clot as a result of injuries in the mishap.

(Continued on page 5)

CYRUS MILLER JR.

Cyrus Miller, Jr. Is Recognized By Hospital Agency

Cyrus B. Miller, Jr., son of Mr. and Mrs. Cyrus Miller, Sr., of Eastland, will be formally admitted to the American College of Hospital Administrators Sunday, Aug. 29, in San Francisco. He is currently serving as assistant administrator of the D. M. Cogdell Memorial Hospital in Snyder.

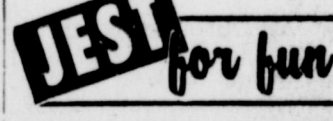

Miller is a 1949 graduate of Eastland High School. He and his wife, the former Genevieve Hattin of Ranger, have one daughter, Connie who is seven years old.

A professional society for men and women whose life work is in the field of hospital administration, the ACHA is comprised of 6,400 administrators, administrative assistants and administrators of hospital in the United States and Canada.

Linda Fund Game Is Planned Saturday

There will be a benefit women's baseball game Saturday, August 28, for the Linda Graham Fund. The Eastland Whitetops softball team will play the Ranger Fox Trotters in the game, at the Eastland Little League Field.

The game will begin at 8 p.m. with contributions being volunteered as admission.

Teacher: "What's the difference between results and consequences?"
Johnny: "Results are what you expect; consequences are what you get!"

Lions See Texas 'Fun Tier' Film

A film entitled "Texas Fun Tier of the South" was shown as the program for members of the Lions Club Tuesday, with C. W. Hoffman Jr. presiding.

Guests attending were Roy Thackerson of Ranger; and Bill Creagh, Bill Echols, C. D. Dolfinmer, Ernest Maxwell and George Blackman, all of Breckenridge.

Miss Annie Mae Parsons Dies; Rites Wednesday

Funeral Services were held at 2 p.m. Wednesday for Miss Annie Mae Parsons, 72, who died at 4:30 a.m. Wednesday in the Sunrise Manor Nursing Home in Eastland, where she had been a patient since May, 1964.

Services were held in the Killingsworth Funeral Chapel with the Rev. W. E. Hallenbeck, Church of God minister, officiating. Burial was in the Merriman Cemetery.

Olden Prepares To Field Six-Man Football Team For Fall Campaign

Something brand new has hit the town of Olden—FOOTBALL.

This year Olden will be playing six-man football for the first time since 1948. They will have the regular 10 games during the season, with five of the games being district games.

Ellis, who moved from Gustine, Texas. Coach Ellis comments that although 17 boys out for football are inexperienced, that they have good attitudes and also are eager to learn and have a winning team. Mr. Ellis is a graduate from Sul Ross College and

hails his home town as Comanche. While at Gustine he led the Gustine team to a runner-up spot the first year he was there in district play and the second year he succeeded to win district honors.

A roster for the Hornets (Continued on page 5)

Dr. Reynolds Will Be In Olden Pulpit

Rev. J. Lester Davenport, who has extended ministry with Olden Methodist Church, will be out of town this Sunday. Filling the pulpit Sunday evening at 7 p.m. will be Dr. S. Wayne Reynolds of Cisco, the district superintendent.

Church School annual promotion day at the Methodist Church will be Sunday, Sept. 5. Don Vierger is church school superintendent.

Alhambra Hotel To Have Auction Sale

The entire stock of the Alhambra Hotel on South Seaman Street will be sold, piece by piece, to the highest bidder at the public auction sale, beginning at 1 p.m. Saturday, Aug. 23, according to James Wright, auctioneer.

Contents to be sold include beds, tables, blankets, mattresses, dishes, book cases, tables, chairs, pots and pans, clocks, Kenmore automatic Washer, refrigerator, stoves, carpets, dressers and many more items.

LOOK WHO'S NEW

TRUMAN KIRK OPENS OFFICE IN CISCO FOR LAW PRACTICE

Truman P. Kirk, a resident of Abilene for the most of his life, announced the opening of his law office in Cisco for the practice of law. He has also been employed by Cisco Junior College to teach government during the 1965-66 school year.

Mr. Kirk, who has offices upstairs over Corner Drug in downtown Cisco, was born in Abilene. He attended the Abilene Public Schools and holds a BA degree from Hardin-Simmons University and an LLB degree from the University of Texas Law School.

A veteran of World War II, Mr. Kirk served in the U. S. Navy for some three years in the submarine service. He is a Baptist and teaches in the Sunday School. He and Mrs. Kirk, the former Evelyn Marie Ross, are the parents of three children.

Mr. Kirk has practiced law in Abilene and served as an attorney for the City of Odessa for several years. Previously, he taught in the Odessa College. He started as a boy in newspaper circulation, working for the Abilene Reporter-News. In addition, he served as circulation manager for the newspapers at San An-

**ERNEST L. STEPHEN

Mrs. Raymond Lee Lusk
... nee Martha Sue Hollar

Miss Hollar and Mr. Lusk Wed In
Double Ring Ceremony August 22

Miss Martha Sue Hollar and Mr. Raymond Lee Lusk exchanged wedding vows in a double ring ceremony at 2 p.m. Aug. 22, at Washington Avenue Christian Church in Amarillo.

Parents of the couple are Mrs. Ena Belle Hollar and Mr. Thaddus Al Hollar of Amarillo and Mr. and Mrs. D. Jack Jordan of Kerrville, formerly of Eastland.

The church was decorated with a trellis covered with greenery, two sprays of white gladioli and two lines of candles. Mrs. Robert Almond of Beaumont was organist and Mrs. William Ronnie Wood of Amarillo sang "O Perfect Love." Purcell's Procession in D Minor was used as the processional.

Given in marriage by her father, the bride wore a formal wedding gown of silk organza over delustered satin, styled with an empire waist line and chapel train. The bodice and skirt panel was made of Alecon La ce re-embroidered with tiny seed pearls. Her veil of illusion fell from a matching pillbox of organza lace and seed pearls. She carried an arrangement of white carnations and roses.

Maid of honor was Miss Gertrude Wolff of Odessa; and bridesmaids were Miss Patricia Sandifer of Fort Worth and Miss Marilyn Lusk of Fort Worth, sister of the groom. They wore formal gowns of pink polished cotton. Around the empire waist line was an olive green sash and the back of the dresses were decorated with an olive green bow and streamers extending to the floor.

Candle lighters were Lenord Dee Lusk of Kerrville, brother of the groom, and Rodger Brunson of Quitaque.

The bridegroom's brother, Mr. Gary Lynn Lusk of Abilene, served as best man; and ushers were Mr. David Carroll Hollar of Amarillo, Mr. Stanley Borum of Fort Worth, Mr. Fred Schroeder Jr. of Fort Worth and Mr. Rhett Keith Criner of Hale Center.

A reception, following the wedding, was held in the fellowship hall of the church, with Mrs. Jim Barton and Miss Doris Lucille Tumbleson serving refreshments. Miss Sue Lusk presided.

The bride received a B.A. degree at Texas Tech in 1965. She was a member of Mu Phi Epsilon, Presidents Hostess and Association of Women Students. She is a student and teaching assistant at Tech.

A graduate of Tarleton State College and Texas Tech, the bridegroom is president of Kappa Kappa Psi and is presently a student.

I authorize _____ to enter as stated, without the Ranger Jaycees Inc. or Ranger Riding Club being responsible for any accidents.

Parent's Signature RULES

RESCUE RACE — This contest involves one person on a horse "rescuing" another on foot. The contestant on the horse back races from the starting line, circles the other contestant, helps pull the other member of the two-person team on the horse behind the saddle, then races for the finish line. Both must cross the finish line on the same time.

GOAT SACKING — A team of two must catch a goat in an arena, put it in a sack, and deliver it to the judge. The fastest time wins.

POLE BENDING — Several poles are set up in a straight line. The contestant gets a running start and weaves through the line of poles to the last one, turns around and weaves back through the poles to the finish line.

WILD COW MILKING — There will be four girls to milk. Each cow will be turned out of the chute at the same time with a rope around her head. After the girls cross the starting line, the three girls hold the cow by the ears while the fourth girl milks the cow. The girl who milks the cow the fastest and then takes the bottle to the judge in the middle of the ring.

CALF SCRAMBLE — Youngsters try to catch calves by the tails. The first ones to bring tags to the judge win prizes.

GOAT SACKING — Goats are used instead of calves.

BULL RIDING — Both hands may be used.

Football — (Continued from Page 1.)
The team will include the following players and their positions: Russell, 160, half-back; Larry, 170, end; Leland, 160, center; Dickie, 155, defensive half-back; Eddie Thomas, 165, half-back; Freddie Thomas, 140, half-back; Jessie Beard, 220, defensive center; Tom Underwood, half-back; Jerry Alford, 165, end; Larry Miller, 160, quarter-back; Kenneth Fox, 120, end; Gary Copeland, 120, end; Monty Hood, 155, end; Bobby Cagle, 135, quarter-back; and Jerry Collins, 130, end.

The team will have a scrimmage Friday night, August 27 at Gustine with the Gustine Tigers. According to Mr. Ellis, there will be a pep rally at the High School Gym Thursday evening before the scrimmage on Friday. Cheerleaders for the 1965-66 school term include Connie Fox, head cheer leader, Della Ann Fox, Tammy Morlan, Pam Williamson, Sue Renfro. The pep rally is scheduled to begin about 8 p.m.

Here is a complete schedule for the Hornets:
September 10 — Moran, there.
September 17 — Mullin, there.
September 24 — Cherokee, here.
October 1 — Strawn, there.
October 7 — O'Brien, there.
October 14 — Gordon, there.
October 21 — Carbon, here.
October 29 — Central Catholic, here.
November 5 — Novice, there.
November 12 — Putnam, here.

BOB GRANTHAM —

(Continued from Page 1.)

Mr. Grantham was born March 10, 1890, at Purmela in Coryell County. He was a graduate of Baylor University and was admitted to the bar in 1917. After practicing briefly in Coleman, he moved to Cisco as legal counsel to The Texas Company. He was married January 3, 1918, to the former Vivian Lambert in Brownwood.

After three years with the oil company, Mr. Grantham resigned to enter private practice. He had been a member of the Masonic Lodge for some 45 years and was a past master of the Blue Lodge and twice served as commander of the Cisco Commandery No. 47. He was city attorney for 12 years and was a past president of the Cisco Lions Club. He served as president of the Eastland County Bar Association in 1963-64. He was a Baptist.

A veteran of World War I, Mr. Grantham was a member of the American Legion and the Veterans of Foreign Wars. He took an active interest in all community affairs.

Surviving Mr. Grantham are his wife, of 700 Avenue H; one son, Robert E. Grantham, Jr., of Houston; one daughter, Mrs. C. W. Benjamin, of Austin; one brother, Guy Grantham, of Galesville; two sisters, Mrs. Irene Hallmark of Gatesville and Mrs.

Cowpoke Ballads, New And Old, Add Spice To Living In Cow Country

Nothing brings a broader smile or a happier glow to the faces of veteran ranchmen out here in the best of Texas area than the old time cowboy songs and ballads — songs that will live on as long as the ranching industry is carried on in West Texas.

Not only ranchers, but hundreds of county farmers and their families enjoy singing cowboy songs even now and then, for in cowboy songs folks find something of the clean, wholesome spirit that keeps the West — the West that early-day settlers knew — alive in the hearts of West Texans.

From 1870 to 1890, 1,000,000 mustang ponies and 12,000,000 head of longhorn cattle were driven up the trail from Texas to markets in Kansas, Wyoming, Montana and other Western states.

Behind and around each bunch of cattle rode a group of men, mostly very young, bold, youthful vikings of the seas of sage grass — cowboys who rode with a song on their lips, hence the origin of many of our present-day cowboy songs.

Many a veteran cattleman pays tribute, even today, to the cowboy, who could sing a song or make a "racket" on the trail, as the circumstances demanded.

What rancher and western fan doesn't remember songs of the open range like The Colorado Trail, Old Chisholm Trail, The Cowboy's Dream, Night Herding Song, Diamond Joe, Trail to Mexico, Good-bye, Old Paint and hundreds of others.

Just for the benefit of old times, as veteran ranchers put it, here are the names of some of the ever-new cowboy favorites:

The Big Corral, Utah Corral, Home on the Range, Gal I Left Behind Me, Cow Camp on the Range, I Want to Be a Cowboy's Sweetheart, The Dying Cowboy, Whoopee Ti Yi Yo, Git Along Little Dog-

Raymond Harris of Waco; and three grandchildren. Most downtown business firms closed from 2 to 3 p.m. Tuesday in respect to Mr. Grantham.

GUESTS LAST WEEK

Guests of Mr. and Mrs. Arthur Wright last week were a daughter, Mr. and Mrs. John Vaughn and daughters of Midland; another daughter, McCarney; Mrs. Erroll Smith, Lezlee and Micki Wright, also of McCarney; and a grandson, Mr. and Mrs. Donald Bradshaw of Lubbock.

Mrs. Ida Maynard of Gorman is visiting with her daughter, Mr. and Mrs. C. C. Rasberry.

Recent visitors in the Rasberry home were Robert Rich and family of Denver City.

FROM DALLAS

Visiting with Mr. and Mrs. B. W. Beaver recently was Mrs. W. B. Colley of Dallas.

Red River Valley, Jack Donahue, Sam Bass, Roy Bean, Rye Whiskey, Bill Venero, Cowboy Jack, Billy the Kid, When The Work's All Done This Fall, Zebra Dun, Little Joe the Wrangler.

Great Grandad, The Great Roundup, I'd Like to Be In Texas When They Roundup in the Spring, Santa Fe Trail, Rounded Up in Glory, California Joe, The Dying Ranger, Cowboy's Lament, Sweet Betty From Pike, Little Old Sod Shanty, Night Time in Nevada, Cow Camp on the Range, and literally hundreds of other numbers.

HAVE RETURNED
Mr. and Mrs. O. M. Franklin, Barry and Darla were returned from a two week vacation. They spent a few days in the Sante Fe and Kit Carson National Forests at Sante Fe and Red River, New Mexico. Enroute there, they visited with friends, Mr. and Mrs. Earl Van Stavern, James and Larry.

After returning to Ranger over the weekend, they visited in South and Central Texas, visiting numerous relative in Comanche, Mason county, and surrounding areas.

They spent one night in San Antonio with Mr. and Mrs. R. W. Hanberry before visiting the Alamo and San Antonio Zoo. In Harlingen they visited Mr. and Mrs. Hollis Windham, Elaine, and David. The group enjoyed an outing on Padre Island.

ARNOLDS RETURN
Mr. and Mrs. R. D. Arnold and children returned Saturday from a vacation trip. They attended a reunion in Seymour, and visited with her sister, Mrs. Arno Hensel; visited in Memphis, Tenn. with Mrs. W. A. Johnson, Mr. and Mrs. Aaron Johnson and Mollie Scott; attended the "Grand Ole Opry" in Nashville, Tenn.; visited in Enville and Shiloh Park, Tenn.; and in Austin, visited with a son, R. D. Arnold Jr., who will receive a B.S. degree at the University of Texas in the near future.

AT RECITAL
Mr. and Mrs. David Pickrell, Mr. B. A. Tunnel, Mrs. J. S. McDowell, Celeste Scott, and Mrs. Joe Scott attended the graduating recital of Miss Donna Adams in the Windsor Hotel Ballroom at Abilene Sunday afternoon. Miss Adams, granddaughter of Mr. B. A. Tunnel, and daughter of Mr. and Mrs. David Adams of Abilene, is the student of Patti Johnston. The vocalist presented special music at the Ranger First Methodist Church recently.

GUESTS
Visiting recently in the home of Mrs. A. H. Brown were her grandson and family, Mr. and Mrs. Lonnie Taylor and son of Odessa.

IN ABILENE
Mrs. Fanny Matthews, Billy Matthews, and Lynda Noth were in Abilene Sunday afternoon to shop.

IS HERE
Robin Croix of Houston is in town to start to college this fall. He is the nephew of Mr. and Mrs. E. E. Ford.

VISITED
Mrs. M. R. Hamrick, Mrs. F. E. Langston, Sr., and Mrs. D. M. Davis, visited in the home of Mrs. F. E. Langston Jr. and son of Abilene.

CLOSE FOR FUNERAL
The 91st District Court and the District Clerk's office were both closed from 2 until 3:30 p.m. Tuesday for the funeral of Cisco attorney Robert Grantham, according to

Eastland County Ranks High As Oil and Gas Producing Region

Eastland County's production of oil and natural gas is valued at \$2.3 million, according to statistics compiled by Texas Mid-Continent Oil & Gas Association this week.

Ranking 141st among Texas oil and gas producing counties, Eastland County in 1963 received some \$1.7 million from wellhead sales of oil and an estimated \$605,000 from natural gas. County production of oil was approximately 585,000 barrels; natural gas, 4.8 billion cubic feet.

Farmers, ranchers and other mineral owners share in a \$293,000 distribution of oil and gas royalty payments annually.

The Association based its annual study of this county's oil and gas output on statistics compiled by the U. S. Bureau of Mines for 1963. Production data for 1964 would be approximately the same.

Statewide, Texas oil and gas wells produced an estimated \$3.6 billion in income;

\$2.9 billion from oil, \$730 million from gas.

Data from the Texas Employment Commission indicate direct employment in oil and gas industry jobs for more than 345 Eastland County citizens with a payroll of approximately \$1.6 million a year. Because oil operations require such a large number of service contractors and supply firms, which are not included in this figure, direct employment figures are only

part of the story of local economic impact.

An important indicator of activity is the amount expended on drilling of wildcat wells seeking new fields and those wells drilled to develop fields already located. The Association estimates that in 1964 approximately \$468,000 was risked by Texas oil and gas operators on drilling ventures in Eastland County. About 73.1 per cent of this expenditure, or \$342,000, went into dry holes.

A tabulation by the Oil and Gas Journal shows 26 wells were drilled in the county in 1964: 3 oil, 3 gas, 19 dry holes, and 1 service well. A total of 61,000 feet of hole were drilled — 35,000 for development wells and 26,000 for wildcats.

In addition to local schools and county property taxes by oil and gas operators, taxes on production from Eastland County flowed into the State Treasury at the rate of about \$122,000 a year.

An upgrading of the county's gross economic output is contributed by the operation of 4 plants which can process some 71.3 million cubic feet of natural gas a day to remove liquids such as butane and propane.

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Today's eyeglasses now provide better looks as well as better vision. The latest styles for frames range from bombe or slender rectangular frames to jumbo owl eyes. For the young at heart the new wrap-around band-type frames with lenses narrowed down to slits are good for boy watching.

From a fashion standpoint, choose frames that enhance your face. Exercise restraint in wearing jewelry so the total effect remains uncluttered. If you wear glasses all the time, adapt your hair style to the glasses. Adapt your make-up to your glass frames, too. Make sure your brows show above the frames, but don't draw in theatrical lines. Let mascara dry before putting the glasses on again. Choose eye shadow colors carefully, avoiding a too dark shade if the frames are also dark. Above all, don't let your eyes, the frames, and the shadow add up to a strident mixture of colors.

Keep your complexion lovely because glasses call extra attention to your face. A daily soapsuds facial will help you achieve the clear skin so necessary to look attractive in fashionable glasses.

Going fishing? Here are some helpful hints on how to preserve your catch. Fish can be kept in good condition for as long as 24 hours without refrigeration if they are bled, cleaned, washed and salted as caught. Use a fine grade of pure salt, mixing in tablespoon of pepper for each cup of salt. Rub the salt into the flesh, using about one tablespoon to three-quarters of a pound of fish. Dust some salt onto the skin as well. Place the salted fish in a box or basket loosely packed

with green leaves. Then cover the container with several thicknesses of burlap. Keep the burlap damp. Rinse the fish well before cooking.

To keep fish as long as a week or ten days, roll them in salt and pack away with as much salt as will cling. Before cooking them, soak the fish in water for about ten hours to remove the salt. Change the water several times during the soaking.

Almost anyone with a lawn to mow will admit that "man's best friend" in the summer time is a power lawn mower.

Although power mowers are tops among labor saving devices they pose some potential hazards. They can save you time money and back-breaking efforts but they can also kill and maim.

In a recent year some 70,000 accidents involving power mowers were recorded. Lost in the carnage each year are approximately 50,000 toes and 18,000 fingers, not to say anything about other injuries and the loss of life itself.

Perhaps we need to have power mower handling courses just as we have gun handling courses to promote safety.

A rotary blade on a mower — whirling at some 4,000 revolutions a minute — can hurl a hard object such as a stone or nail much like a bullet. These missiles can have the impact of a 22-calibre bullet with enough force to kill anyone in its path.

Safety with a power mower — as in any event — lies with the individual. An understanding of the mower and a respect for its potential could save you a limb or even a life.

Before you mow next time make sure your mower is in

good shape with all safety devices secured and all nuts and bolts properly tightened — especially the one holding the blade.

Check the fuel before starting the motor. And never add gasoline while the engine is running.

Clear your yard of all children and pets before you begin. If your neighbors are in a nearby yard wait until they leave before you mow. You wouldn't schedule a shooting match with people standing about at random.

Protect yourself with proper clothing when you mow. Wear long trousers shoes and work gloves.

Watch where you go particularly for slopes and any objects ahead. And when you leave the mower, stop the motor.

Your power mower can be your best friend this summer if you treat it with respect and handle it with care.

(A weekly feature from the Texas State Department of Health Division of Public Health Education.)

AUSTIN—The teeth of Americans contain at least one billion cavities, each a potential source of toothache, dental authorities now estimate. They say tooth decay is so widespread that it involves 95 of every 100 persons and is still increasing.

A virtually incurable chronic disease which must be prevented if it is to be conquered at all, tooth decay is a particular nemesis of elementary school-age youngsters although all ages are vulnerable to its ravaging pain.

Children are said to develop cavities at about the same ratio as do adults—approximately one per child per year. But scholarly surveys show that whereas one-third of the adult need for fillings is being met, only one-fifth of the cavities in children's teeth are being repaired.

The reason, Texas Health Department dental officials speculate, is that so many parents still cling to the totally false notion that so-called

"baby teeth" are unimportant because they are temporary. The frequent result is that good dental health for children is still a relatively scarce commodity.

In an attempt to reverse the trend toward almost universally poor dental health among youngsters — particularly in underprivileged homes — the dental division of the Texas State Department of Health gives financial and education support to dental clinics in selected local health departments around the State.

The addition of fluoride in carefully controlled amounts to public water supplies is known by dental researchers to be an efficient deterrent to dental decay. The State Board of Health has reaffirmed its belief that fluoridation is safe and effective, and recommended that local communities consider the practice wherever applicable and practicable.

There is one positive step all parents can take to avoid the fate of toothlessness among their children, dental scientists agree. It's a simple step, requiring only that youngsters be taken to a dentist for tooth and gum inspection before being enrolled in school each fall.

Before the visit is over, the dentist will have tutored the youngster in good dental hygiene at home, hoping the habits will take hold and last into adulthood.

When enough children have received such instruction, and make it a part of their daily lives, the blight of tooth decay may slowly fade from the American scene. (A weekly feature of the Health Education Division, Texas Department of Health.)

SISTER VISITS

A recent visitor in the home of Mr. and Mrs. B. A. Blair was her sister, Mrs. Dannie Hood of Fontana, California.

Don Kincaid Is New Director Of Turkey Ass'n.

Don Kincaid was elected director of the Texas Turkey Federation at a convention of the Texas Poultry Federation in Fort Worth Aug. 9-13 attended by him and his wife. Mrs. Kincaid won an electric carving knife in a drawing held during the convention.

Mr. Kincaid had previously attended the Charles Pfizer Convention in Miami, Fla., Aug. 2-6, which was an all-expenses paid trip awarded by the Pfizer company. Pfizer employees stayed at the Fontaine-bleau.

Gorman Airman Sent To North Carolina

FAYETTEVILLE, N. C. — Staff Sergeant Carl R. Battlefield, son of Mr. and Mrs. Orville Battlefield of Rt. 1, Gorman, Tex., has arrived for duty at Pope AFB, N. C.

Sergeant Battlefield, a vehicle operator, previously served at Elgin AFB, Fla. He now is a member of the Tactical Air Command which provides combat reconnaissance, aerial firepower and assault airlift for U. S. Army forces.

The sergeant attended Gorman High School.

His wife, Marion, is the daughter of Mrs. Gracy Stallard of Erwin, Tenn.

ATTENDS FUNERAL

Mr. and Mrs. John Willingham attended the funeral services Friday for Mrs. Willingham's uncle, Kirk Stewart of Jacksonboro, Texas.

RETURNS

Mrs. Beluah Higgins has returned from a 5 week trip into Arizona and New Mexico to visit her children who live there.

Thursday August 26, 1965

EASTLAND TELEGRAM

If you can put the baby down anywhere in the house in winter...

No more cold floors! Fast, fresh-air circulating heat from a modern central gas furnace is the last word in thermostat-controlled luxury. And so economical! Modernize your home now at a saving — bargain prices on all gas heating equipment: central, floor furnaces, wall furnaces, and space heaters. See your local gas heating contractor or Lone Star Gas.

you have modern gas heat — the finest! If you don't, now is the time to get it!

OFF-SEASON GAS HEATING

THE BEST MADE BETTER FOR 1965!

LONG Peanut Combines

The outstanding dependability and performance of LONG peanut combines have won them the reputation with owners everywhere as being "the best money can buy". Owners have found that they can depend on their performance not just day after day but season after season. Regardless

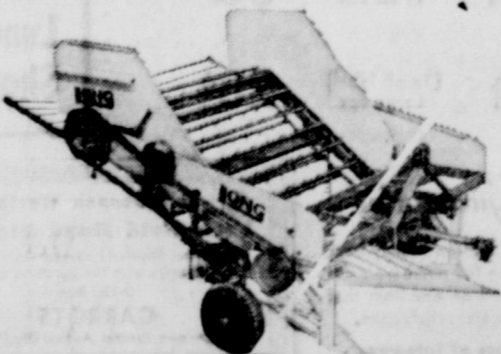

of conditions Long peanut combines have shown that they have the dependability and harvest ability to get the job done.

Long has not been content to rest, however. For 1965 it has made an even better and more powerful machine. The combines feature:

- a new tongue designed for better vineflow. It turns shorter and is more maneuverable.
- powerful PTO drive with timken bearings in each end. It's designed to take tractors up to 75 hp.
- belt drive with two specially designed heavy duty, super quality belts of high tensile strength.
- baked on automotive type paint for a longer lasting finish.
- spring loaded automatic belt tightener.
- balanced peanut conveyor fan for longer wear and better performance.
- peanut conveyor under machine protected by shield.
- all steel front shaker pan.
- heavier wheel hubs.

LONG DIGGER-SHAKER

Many parts have been made heavier to give you a stronger, longer lasting implement. Heavier bearings, heavier pipe in the reel, added frame strength give you a more durable piece of equipment. Shanks mounted with three bolts and are easily adjustable.

YOUTH 'BREAK-THROUGH' EVENT READY FOR SCOUTS

A dramatic advance in getting scouting to more boys is expected as the result of participation in the "Breakthrough for Youth" program. The Comanche Trail Council, Boy Scouts of America, according to Paul A. Cunyus, council president, will have more than sixty Cub Scout packs, Boy Scout Troops, and Explorer Posts in the eight-county area served by the Comanche Trail Council have set, or will set in the next three months, new goals that will expand the quality of the Scouting program and ensure the reading of a substantially greater number of boys, Mr. Cunyus said. The goals of a well-trained leadership, boy membership, program, advancement, service and activities.

"Breakthrough for Youth means that Scout volunteer leaders are determined to use Scouting's great potential to build a new generation of American boys," Mr. Cunyus added. He pointed out that a recent study of school dropouts shows an almost complete lack of skills and either a total lack of confidence or a misguided confidence not backed up with ability. "Scouting can do much to help," he said. "Scouting skills and the advancement program bolster confidence. Our merit badge program provides opportunities for boys to explore over a hundred subjects under the guidance of fine adult citizens from all walks of life."

The Comanche Trail Council now has 20 per cent of the available boys 8 through 16 years of age now enrolled in Scouting and expects to add 400 new Scouts before the end of 1965 as a part of the national, 2-year "Breakthrough for Youth" program which continues until 1967.

"The boys are available and want to be Cub Scouts, Boy Scouts, or Explorers," Mr. Cunyus concluded. "All we lack to make a great impact upon these boys is the volunteer adult leaders to give them the program, and the funds to provide council support for these leaders."

RETURNED
 Mr. and Mrs. J. F. Brock returned Saturday from a week visit with their son, Jimmy and family of Lubbock. They returned home with the Brocks and spent the weekend in Eastland. Another son, Wayne Brock and family of Cisco visited with them during the weekend.

WEEKEND GUEST
 Weekend guest in the home of Mr. and Mrs. Tom Sharpe of Olden were her sister and niece, Mrs. Grace Hayes and Connie Sanford of Dallas. Visiting Saturday were their granddaughter and her husband, Mr. and Mrs. Roland Owens of Grand Prairie.

VISITORS
 Visiting in the home of Mr. and Mrs. J. H. Windland recently were a daughter, Mr. and Mrs. N. F. Cowan and Sylvia of Lorraine; and a granddaughter, Mr. and Mrs. Ronnie Gibbs and Ronna Kay of Weatherford.

GRANDSON'S VISIT
 Billy and Ciner Mickle of Odessa have been visiting with their grandmother, Mrs. O. O. Mickle.

VISITS
 Guests in the homes of Mrs. Ina Bean and Mrs. Henry Ferrell last weekend were Mr. and Mrs. Luther Bean and daughter of Big Spring.

Court Of Civil Appeals

The following proceedings were had in the Court of Civil Appeals, Eleventh Supreme Judicial District of Texas:

MOTIONS SUBMITTED
 H. B. Zachry Co., et al. v. Ceco Steel Products Corp., et al. Agreed motion for extension of time to file statement of facts, Harris.

MOTIONS GRANTED
 H. B. Zachry Co., et al. v. Ceco Steel Products Corp., et al. Agreed motion for extension of time to file statement of facts, Harris.

PROTEIN FOODS, FRUITS DUE IN PLENTIFUL SUPPLY
 COLLEGE STATION — Protein foods, fruits and frozen orange juice will be in big supply next month, says the Texas Agricultural Extension Service.

Table grapes top the list of plentiful foods for September — which also includes frozen concentrated orange juice, turkeys and peanut butter. Grapes in heaviest volume this month are the Flame Tokay and Thompson Seedless. And the U. S. Department of Agriculture predicts a near record California grape production this year.

Frozen orange juice, which has been plentiful all summer will continue abundant next month. The pack of concentrated orange juice in Florida last season was the second largest on record. Current stocks are about 60 percent larger than a year ago. You will find frozen orange juice excellent for special recipes and desserts, as well as for breakfast.

Total turkey production during 1965 probably will be significantly higher than last year. And the late summer crop is expected to be particularly large. So September should be a choice month for turkey eating. Turkey's an excellent protein food.

Peanut butter also has been designated especially plentiful during September by USDA's Consumer and Marketing Service. Last year's peanut production was a little over 2.2 million pounds—the largest crop since 1948. And this year's crop may be even larger. So put protein-rich peanut butter on your shopping lists.

mons, et ux. Agreed motion to extend the time for filing appellee's brief, Harris.

GET A CLOSE-OUT DEAL ON A PLYMOUTH FURY

Plymouth sales in Texas are booming!

No question about it, Texans have taken to the '65 Plymouth Fury in a big, Texas-size way. And why not? Fury is the biggest, plushiest Plymouth ever, yet still solidly in the low-price field. And your Texas Plymouth Dealer is celebrating Plymouth's sales success by giving Texas-size close-out deals. Shop for a Plymouth Fury today! Get quality protection with Plymouth's 5-year/50,000-mile warranty* on the parts that keep you going!

*Here's how Plymouth's 5-year/50,000-mile engine and drive train warranty protects you: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque convertor, drive shaft, universal joints, rear axle and differential and rear wheel bearings. Required maintenance: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Get Texas-size savings at Plymouthland now!

County 4-H Club Calf Field Day Big Success

The Eastland County 4-H Club Beef Calf Field Day held last Saturday at the Irvin Phippen ranch northwest of Cisco was termed an outstanding success from all view points, announced Bill McCutchen, Assistant County Agent.

Some 85 persons attended with 18 calves being exhibited during the afternoon program. Breeders present were Mrs. Horace Green of Jacksboro, Pete Dunning of Abilene, Mrs. W. S. Carter of Rising Star, and Ray Williams of Gorman.

Exhibitors, who introduced themselves, their steers and breeders, were Teddy Jordan of Gorman, one Hereford; Bobby Williams of Gorman, one Angus; Gary Wheat of Eastland, two Herefords; Carter and Cynthia Houncil of Rising Star, two Angus steers

and one Angus heifer; Wayne Carlile, Cisco, one Angus steer; Mike Farnsworth, Cisco, one Hereford steer; Lynn Phippen, Cisco, three Hereford steers; and Bobby, Tommy and Caddy Lee, Cisco, one Angus, one shorthorn, and four Herefords.

Lynn Phippen, daughter of the host family, gave the welcome to commence the day's activities. A demonstration on selecting and feeding of show steers was presented by Pat Garner, County Agent of Callahan County, assisted by Mike Farnsworth of the Cisco 4-H Club and his hereford steer, Mack. Buck Wheat of Morton Valley demonstrated grooming and clipping of show steers, emphasizing how to make good points stand out and how to improve on bad points.

Posting and showing of steers was discussed by Mr. McCutchen, assisted by Tommy Lee and his Angus steer, Heck, and 4-H'er Carter Houncil. Question and answer sessions were conducted during the three-part program.

During the afternoon exhibition of calves, 4-H'ers gave weights and explained the average daily gain of their calves. The program closed with a calf bathing demonstration by the Cisco Club with Bobby Lee, club president, acting as commentator. Taking part were Lynn Phippen, Mike Farnsworth, Tommy and Caddy Lee. Lynn was introduced as entering her fifth year as a steer feeder.

Cold drinks were donated and served throughout the day by West Texas Utilities Company.

Effects Of SS Changes Noted

The most important effect that will be felt in 1965 from the recently adopted Amendments to the Social Security Act will be that on certain students aged 18-22, and on all current beneficiaries of the old-age, disability, and survivors insurance portions of the law.

An unmarried student, whose parent is entitled to retirement or disability benefits, or whose parent is deceased and was insured under social security, can now be paid (effective with January 1965) monthly benefits while he is a full-time student — in high school, college or university, vocational or trade school.

Any such student, or his parent, should immediately write his social security district office for free leaflet Number OASI-1965-4. If he feels that he is eligible, then prompt contact should be made with the social security office, or with a representative of that office when he is in or near the student's location.

All current beneficiaries under social security will receive a 7 per cent increase in their benefit rates. This, too, is effective as of January of 1965. With some 20 million such amounts to be refigured, the following timetable will be employed. The checks due to arrive about September 3 (for August) will be in the same old amount. Then in mid or late September an extra check to cover the raise for the months of January-August will be mailed out. Checks mailed for delivery about October 3

(for September) will be in the new rates. For example, a person who has been receiving a \$60 check will get a \$60 check about September 3, a \$33.60 check about September 20th, and a \$64.20 check about October 3. No action needs to be taken by such beneficiaries as this will be done automatically.

Abilenian Is Guest Speaker For Dairy Meet

Members of the Eastland County Dairy Association and their guests met at the Lutheran Parish House last Thursday for their annual barbecue, with Ernest Reich, president of the association, serving as master of ceremonies.

A. T. Clanton of Abilene, Borden's Field Manager for this area, was recognized as special guest. Feature of the evening was a talk on the credit union of the association by Bob Tarm of Abilene, Assistant Manager of the Central West Texas Milk Producers Association.

Approximately 50 members and guests attended.

Navy Offers New Program To Enlistees

"The U. S. Navy is going all out to recruit top-notch talent," according to Chief Warrant Officer M. M. Jones of the Dallas Naval Recruiting Station. "It is not to be considered a crash program as each enlistee will prepare himself after boot camp for a career at the technical school he qualifies for."

"Also the Navy has instituted a program," he further stated, "in which a young man can receive a 120-day (four month) deferment at home after he enlists. This time counts toward promotion, in addition to receiving his pay."

"Good appointments also exist for ex-Navy men and ex-servicemen from other branches," the Navy veteran of 29 years said.
