Lubbock Firm Submits Lowest Bid For Olden's New Water System

A Lubbock firm is apparent low bidder for the installation of the Olden Water Supply Corp. system, President Pat Moseley has announced, and the organization hopes to sign a contract with the Panhandle firm on Feb. 24.

Eight bids were opened Wednesday and the bid of Panhandle Construction Co., Lubbock, in the amount of \$71,786 was low. Next high was \$72,796 and high bid was \$93,000, Moseley said.

If the contract is signed on the Feb. 24 date, he said,

construction will begin March 1, and the job calls for a completion date of within 150 calendar days.

The job includes installation of approximately 52,000 feet of pipe, some six-inch and some eight-inch, 25 fireplugs, and 132 customer meters as well as two master meters. (Individual costs of the master meters, Moseley said, is \$1,675.)

The contractor is to be 100 per cent bonded, he said, and is expected to move directly onto the Olden job. Jimmy

Nash is representative for the firm.

The FHA-insured loan for the Olden system has been okayed and the locally-incorporated organization is using an Abilene engineering firm. In the future, storage facilities will probably be considered by the group, it is said.

In addition to Moseley, officers include Bill Hunter, treasurer; Gilbert Coapland, secretary; L. J. Williamson, vice president; and Travis Reese Norman Moore and I. E. Talley, directors.

Sen. Creighton To Speak Monday For Law Officers

Eastland County Law Enforcement Association will meet at 7 p.m. Monday, Feb. 14, at the White Elephant Restaurant, Eastland.

Featured speaker will be Senator Tom Creighton of Mineral Wells.

Highway Patrolman Sergeant Roger Sosebee reported at press-time Saturday that he had not received any word from Sen. Creighton as to whether he would be able to make the Eastland County appearance Monday night or not.

The State Senate and House are scheduled to go into special session in Austin Monday at noon to hammer out details for a voter registration system for the state.

Since Sen. Creighton flies to most engagements, it was guessed that he might still be able to keep the County Enforcement speaking date in spite of the special session.

Sgt. Sosebee made arrangements for the senator's appearance.

Tickets, \$1.50 each, may be purchased from City Manager Lewis Tiner at the city hall in Eastland.

Arrangements for the meeting are being made by Eastland Police Chief Ray Laney.

Band Members To Attend District Meet

Some eleven Eastland High School Band members will attend the second All-District Band meeting on Feb. 19 in Breckenridge, according to John Foster, director.

A free concert will begin at 7:30 p.m. that night. Everyone is invited to attend.

Recent visitors in the home of Mr. and Mrs. Olen Trout were her sister and family, Mr. and Mrs. J. L. Hargrove and children of Stamford.

Mr. Wilson is a native of Pecos and was graduated from high school in Houston. He attended Texas Christian University in Fort Worth and was in business for himself prior to joining Southwestern Bell in February, 1964. Mr. Wilson worked as a business representative in Fort Worth before moving to a similar position in Weatherford. Some

of his work during this period was in the Cisco area. He later worked at Arlington before being promoted to business office supervisor, a position he now holds. He attained the rank of Eagle Scout and has been active in Boy Scout work in recent years.

The new manager and his wife, the former Patricia Bray, who reigned as Miss Fort Worth in 1962, have a son, Kevin, 3.

Mr. Simmons is Chairman of the Cisco Community Chest and past campaign chairman for the Chest. He is a member of the board of directors for both the Cisco Jaycees and Rotary Club. He is also district commissioner for the Comanche Trail Council for the Boy Scouts.

Mr. Simmons is a graduate of Baylor University. He was a pharmaceutical representative prior to joining Southwestern Bell in February, 1964.

Prior to being promoted to manager here in February, 1965, Mr. Simmons worked in Dallas. He and his wife have a 15-month-old son, Scott.

Mr. Wilson will have charge of telephone business office and commercial operations in Albany, Breckenridge, Cisco, Eastland, and Ranger. He is expected to assume his new duties next week.

Third candidate to file for election to the City Commission was Jay Staggs, who posted his notice at the City Hall Friday afternoon.

Incumbents Curtis Koen and James Reid had already filed for re-election for the April 6 balloting.

Staggs is owner-manager of Radio Station KERC, and came to Eastland from Coleman about a year and a half ago.

Deadline for filing is March 6.

Candidates in the election for school board membership are Bernard Hanna and Dr. F. H. Lund. This election will be held April 2 and filing deadline is March 2, according to Supt. Wendell Siebert.

J. O. Jolly, currently serving on the school board, has announced that he will not run for re-election. His term expires this year.

BREAD of Life

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me. — Psalm 23:4.

All death can do is to throw his shadow across the place. Shadows never hurt anyone. We have nothing to fear.

Out of the Bowling Bag

By RALPH SITLER
TOO OLD TO BOWL?
Not likely — judging by recent visitors to the Fiesta Bowl. A vacationing couple from Missouri — he 75 and she 74 years YOUNG — brought in their balls and had a wonderful time on our lanes. They bowl all over the country, he told us, and were very kind with compliments about our facilities.

ROLLING UP an unusually high total this past week was J. C. Holloway of Eastland, in the Thursday Night League, who totaled 238 pins scratch, when added to his handicap of 50, came up to a handsome 288. Gail Whitley followed with a 229 scratch, plus 41, for a 270 total. J. D. Johnson had 263 in the play.

In the Monday Night Men's League, Leo Gann, bowling with Montgomery Ward of Ranger, almost had another 600 — James E. Wright, bowling with Texas Electric Service Co. had an all-spare game of 181. There should be an award patch for this, but there isn't at present. Gene Woods won a patch for three games alike; that's right, three of a kind, each of 167.

OUR REGULAR Tuesday morning Housewives Party — from 9 to 11:30 each Tuesday is a big favorite. This week approximately 25 women were out having a good time. More expected this coming Tuesday. Our prizes were a stereo album from the World of Music and a Teflon cake pan from Perry's, won by Hanna Cantrell of Eastland.

A NEW HIGH series was set by Lou Dell Bryan in the Wednesday Night Ladies League, from a 536 to a 550.

RANGER JR. COLLEGE has awarded trophies for their first semester League play on Wednesday nights. First-place team trophy went to Carl Fricke, Ken Dickenson, Jodie Offield and Bob Malloy. Second place went to Kenneth Wood, Gloria McAnally, Ronald Kuykendall and Willie Barnes. High game trophy to Ken Dickerson for a 220 and high series was earned by Billy Matthews with a 564.

Welcome to Eastland County, Sen. Creighton (An Editorial)

The once (and quite possibly future) Governor of Texas will visit our county Monday night to speak to the Eastland County Law Enforcement Association. And we join the Lawmen and all others in welcoming Sen. Tom Creighton to this county.

Senator Creighton is the kind of man and friend who is always welcome, and always appreciated. . . because, perhaps, that's the way he looks on people throughout this area — friends, whom he serves faithfully in the State Senate.

He has very ably represented the 22nd district (of which we are a part) since 1960, and he served as Governor for a Day on April 20, 1965, by virtue of his election (not honorary) on Jan. 12 to the post of President Pro Tem of the Senate.

Senator Creighton has taken an active role in numerous community and state-level projects since his graduation in 1950 from the University of Texas School of Law. He was honored by his fellow citizens in Mineral Wells in 1952 and 1954 as an outstanding civic leader. He has headed numerous clubs and groups in leadership roles and is a former county attorney. He and his good wife, Sue, are the parents of three sons.

Since becoming a member of the State Senate, Senator Creighton has been given increasingly important committee assignments and responsibilities. His work has generally reflected the kind of ability and leadership potential that has endeared him to those whom he represents.

We are pleased to join his many admirers in Eastland County in saying "Welcome!" . . . and in pledging full support in the May election when his name will appear appear on the Democratic Primary ballot as a candidate for re-election.

WANTED — 10 HOMES THAT ARE IN NEED OF PAINTING

It will be of special interest to home owners who are fed up with constant painting and other maintenance cost. This new space age material, developed by B. F. Goodrich after 20 years of testing and research, is especially recommended for use in Texas climate and is now being introduced to the public. The new product can be used over every type of home, including frame, asbestos, stucco, brick, etc. Home owners who act now will save substantially over those who delay to take advantage of this offer. JOIN THE ORGANIZED FARMERS IN THE FARM BUREAU

Kick-off supper for the Eastland County Farm Bureau membership drive will begin at 7 p. m., Feb. 14, at the White Elephant Restaurant in Eastland. Wayne L. Little, director of the Texas Farm Bureau organization, will be guest speaker.

The week of Feb. 7-12 was designated "Farm Bureau Membership Week" in Texas by Governor John Connally and in Eastland County by County Judge Scott Bailey.

During this period, volunteer membership workers in Eastland County joined thousands of fellow workers in a state-wide campaign to enroll 100,000 farm and ranch families in Farm Bureau in Texas.

Join Farm Bureau and help give agriculture a stronger "voice" in the affairs of our county, state and nation.

Farm Bureau is an independent organization of 622 farm and ranch families in Eastland County — financed by their voluntary dues and controlled by them to represent their interest in local, state and national affairs.

Eastland County Farm Bureau is affiliated with the Texas Farm Bureau (95,204 members), which, in turn, is affiliated with the American Farm Bureau Federation (1,677,820 members).

HERE'S HOW FARM BUREAU WORKS FOR AGRICULTURE..

LEGISLATION

Today only the strongly organized are heeded! As the largest general farm organization in the nation, the Farm Bureau has represented agriculture in the Nation's Capital for over 45 years. The Texas Farm Bureau is the only general farm organization in Texas with a full-time representation in Austin when the Legislature is in session.

MARKETING

Farm Bureau works for farmers and ranchers through assistance in contract bargaining, developing markets at home and abroad, and hay-testing and marketing service. In cooperation with the Farm Bureau Trade Corp. office in Rotterdam, the Texas Farm Bureau promotes new markets in Europe for Texas farm produce.

LOCAL ACTIVITIES

Farm Bureau works for betterment of rural life through — sponsorship of youth activities, social events for the entire family, crop and livestock improvement programs, animal health projects and safety demonstrations. Other activities include citizenship and educational programs.

FAMILY SERVICES

There are many available to farm and ranch families through membership in Farm Bureau. These include complete insurance protection, pre-paid medical care, tire program, and such local services as income tax and gas tax refund, predator control projects and fire extinguishers.
