fullback John Moylan which gained the Mavericks six yards and the first touchdown. Ground gainer Moylan carried the football for a two-point conversion.

Both teams had each other's defense matched in the second quarter as neither team scored. Half-way in the second quarter the Eastland signal caller, Jerry McCullough, was knocked out of the game when he injured a knee. Eastland made several attempts to score as once they were in the Bulldog 30 and had to turn the ball over to Clyde because of the down situation.

Once again the Mavs and the Bulldogs came out in the third quarter only to freeze one another's offense and hold it to a standstill. Both teams entered each other's territory only neither passing the goal line.

PEANUT BOWL ATTRACTION — One of the many, many features of the 6th Annual Peanut Bowl Saturday was the H-SU Cowboy Band, shown here in performance. The Bowl attracted thousand of people to town and provided entertainment and football action for all. Pretty girls, bands, and action marked the day.

'65 Edition of Peanut Bowl Is Labeled 'The Best Ever'

Eastland County's annual Peanut Bowl '65 edition, has been declared a giant success on every hand — with activities and entertainment attracting enormous crowds and keeping young and old busy for a long, long day Saturday.

It all started bright and early as the Peanut Bowl Twirling Contest got underway on East Commerce St. under the direction of John Foster and Leo Thames.

Sponsoring Jaycees were busy beings all day as final preparations and arrangements were taken care of.

Up in the bleachers, Jaycees Grover Hallmark, Ben McKinnis, Tommy Magness, Kelly Coats, Francis Bond and President Ben Lancaster were busy numbering seats.

Abilene, Miss Cisco and Miss Peanut Bowl '65. Looths and Thames and Coats tearing stubs. Hawking souvenir programs were Lancaster, Dale Bakker, and James Wright.

Promptly at 7:15 p. m. the Hardin-Simmons Cowboys marched onto the field for a pre-game exhibition, and then came a big surprise for Miss Texas — through carefully negotiated arrangements, a bright red 1966 Delta 88 Oldsmobile convertible was presented to her by Local Dealer Bruce Pipkin on behalf of the Oldsmobile Co. A giant bouquet of red roses from the Jaycees accented the Texas Miss's happiness.

Recognized as special visitors were Misses Ereckridge, Cisco and Abilene prior to the National Anthem and flag raising. The Cisco and Ranger alma maters were prelude to the game-of-games between the Rangers and Wranglers.

Half-time was a busy-time too with seven-minute performances each by the Cisco JC Band and Wrangler Belles, and the Ranger Band. The WAC marching group entered

for ten minutes and the half was climaxed by the introduction of Miss Peanut Bowl Queen and her lovely princesses.

Hall Gets 10 Years In Death Of Brother

An appeal was not expected following the verdict and sentencing Thursday of Robert Hall, 25, who was found guilty of murder and assessed ten years in the penitentiary for the July 29 shooting of his brother, Johnny Hall.

The 91st District Court jury deliberated about six hours, before returning at 10 p. m. Thursday to pronounce the verdict and sentence.

The case went to the jury at 3:15 p. m. after testimony by the defendant, his mother and his former wife.

Hall was in custody in the County Jail. Hall testified that the shooting was accidental and that he took the gun because he didn't want his brother to get it.

The slain brother was under a probated sentence at the time of his death and the mother, Mrs. Rowena Hall, 49, a widow, testified that Robert had tried to keep Johnny out of trouble. She said Robert had assisted her financially during the past year.

Under cross-examination by Dist. Atty. Perry Brown, she agreed that she had seen the sons drink intoxicants, but denied that Robert had beaten her, threatened to kill her or that he was quarrelsome when drinking.

Called by the prosecution, Hall's former wife testified (Continued on Page 2)

BULLDOGS HAVE 5-1 RECORD — BUT HOW ABOUT FRIDAY'S CHALLENGE AT EASTLAND?

Four decades of football rivalry will be spotlighted this week as the Eastland Mavericks and Ranger Bulldogs go for a win Friday night.

With Ranger zooming as the District 10-A crown gainer this year, the Mavericks will be working hard for an upset.

The Bulldogs will be working just as hard or harder to improve on their 5-0 season record. Statistics have been known to go out the window when these two clash.

Maverick Stadium, Eastland, site of the 1965 combat is scheduled to be packed tighter than a sardine car by kickoff time Friday night at 7:30.

The Mavericks unashamedly admit they'd rather beat the Ranger High Bulldogs than any other opponent they've met or will play the rest of the season.

They'll be working out hard and determinedly beginning Monday afternoon. They're hungry for a win, having suffered two humblings since their last victory over the Maroon & White back in 1962 when they stunned the Rangers 26-14.

In 1963 — in a thriller played in Ranger — the Bulldogs in the final seconds of play

bested the Eastlanders by a thin 16-14 count. And last fall the Mavericks were clobbered, 35-6, their most disastrous defeat the Eastlanders had suffered at the hands of Ranger since their 47-0 loss back in 1952. The Red & Black will be working to avenge their loss of a year ago. (Continued on Page 2)

Runway Paving, Twice Monthly Meetings To Be City Topics

Runway paving at Eastland International Airport and twice-monthly meetings are expected to be discussed by city commissioners at the regular meeting at City Hall Monday at 7 p. m.

City Manager Lewis Tiner, who reports that his agenda for the evening is relatively light at the present time, suggested that Commissioner Bill Hart will probably give a report on an application which he has had under review the past month from the Texas Aeronautical Association in which that organization would assist in the paving of the local runway.

Certain participation would be required on the part of the city, it is reported. Jack Arrington, recently elected president of the local chamber of commerce is also expected to be present to discuss the airport paving situation.

The twice-monthly commission meeting proposal is expected to come from one of the commissioners because of heavy work loads. Opposition is expected in stepping up the number of meetings from one per month.

RURAL PHONE SERVICE HERE TO GO FROM 8 TO 4-PARTY

A new service which will make a significant improvement in telephone service for people living within a three-mile radius of Eastland will be introduced October 25, Steve Simmons, manager for Southwestern Bell Telephone Company, has announced.

The new service, called Suburban Telephone Service, will mean there will never be more than four parties on any line within the three mile area. At present, there can be up to eight parties on my rural telephone line.

"There will be a small increase in monthly rates to help offset the cost of providing this improved service," Simmons said. Residence service will increase from \$4 to \$4.85 per month.

Letters have been sent to all customers in the three-mile radius explaining the

improved service, the manager added.

Customers outside the three-mile area can have the improved service by making special arrangements with the company's business office. A monthly mileage rate will apply for this service beyond the three mile area.

"We have long been aware of the fact that eight party service does not adequately serve the telephone needs of our suburban customers. At the same time, we have known that good business practices make it impossible to extend enough plant into all thinly populated areas to make a substantial reduction in the number of telephone customers served on one line. The new Suburban Service plan seems a practical beginning to the solution of this problem," Simmons said.

Game Warden's Jobs Open for Young Texans

AUSTIN, Oct.—That sturdy youth pursuing fall outdoor sports with more than ordinary zeal, perhaps just a little taller in the saddle, may have a different role come next fall.

He could be one of the young men the Texas Parks and Wildlife Department is counting on for the annual new warden class which, some time before late summer rains cool and reinvigorate the parched earth, will assume their new positions as full-fledged Texas game wardens.

Active interest in the outdoors naturally is a requisite for the applicants since a major portion of their routine will be in some form of wildlife contact, said J. B. Phillips, law enforcement co-ordinator.

"But a modern warden no longer is confined to the actual wildlife harvest routine," said Phillips. "Rather, he works it from both ends. He works on wildlife management details and, through con-

The law enforcement coordinator emphasized that opportunities for advancement for game wardens have been accelerated and that the last Legislature set the starting pay at \$384 monthly, plus retirement and other benefits, and an increase in pay after successfully completing the training course.

To qualify for the warden school, an applicant must have a high school education and be a resident of Texas for at least one year prior to date of appointment. He must be between 21 and 40 years of age as of July 1, 1966, at least five feet, eight inches tall and must weigh at least two, and not more than three, pounds for each inch of height.

Fonteyn-Nureyev Ballet Duo In Majestic Film, Oct. 26-27

"An Evening With the Royal Ballet", starring Dame Margot Fonteyn and Rudolph Nureyev, will be presented in Eastland with a special reserved performance engagement at the Majestic Theatre, October 26 and 27, Mgr. Dick Dixon has announced.

An evening and a matinee performance has been scheduled for each date. Advance seat tickets will soon go on sale at the theater. For further information on individual ticket orders and group sales for clubs and organizations, call MA 9-1120.

Presented by Sigma 111, the color film features four ballet highlights, "La Valse," "Les Sylphides," "Le Corsaire," and "Aurora's Wedding" from the "The Sleeping Beauty." The performances were filmed at the Royal Opera House, Covent Garden, London.

The film follows the exceptionally successful tour with

The Royal Ballet Company has recently completed in this country. When Margot Fonteyn and Rudolph Nureyev danced at the Metropolitan Opera House in New York, their performances were sold out weeks in advance and the ticket demand was the heaviest for any attraction in years. Their 33 curtain calls on opening night was one of the greatest ovations in the history of the opera house.

Directed by the noted British film-maker, Anthony Asquith and Anthony Havelock-Allan, who also produced, the BHE Production also stars David Blair.

"La Valse," with music by Ravel, features the artists of the Royal Ballet in a visually and musically imaginative example of the ballet art. "La Sylphides," danced to music of Chopin, offers Nureyev and

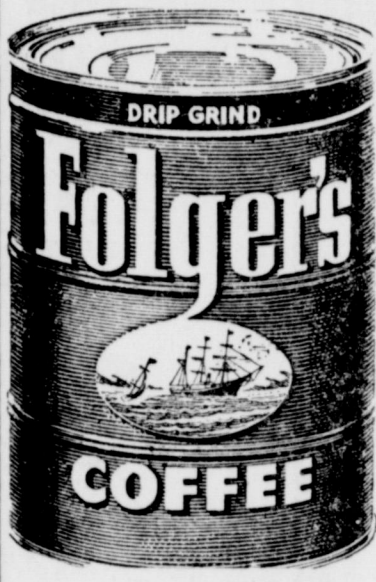

Fonteyn in one of the most famous achievements of the classical ballet. The pageantry and color of "Aurora's Wedding," with its Tchaikovsky score, presents the spectacle of the Russian Ballet. "Le Corsaire" which includes the pas de deux, the two solos, and coda, with music by Drigo, reaches a climax in a series of startling leaps that spotlight the artistry of the prima-ballerina and the male dancer considered by many to be the most exciting performer since Nijinsky.

GI Insurance 'Bonanza' Reports Incorrect, Says VFW Commander Roper

The Veterans Administration labels as "totally incorrect and misleading" recent reports that certain veterans may obtain up to \$200 for a 1945 GI Insurance Dividend.

Veterans of Foreign Wars Post No. 4186, Eastland, said that the VA is being swamped with applications for the "bonanza" payment.

This insurance dividend has already been paid to more than 16 million World War II veterans and was concluded in 1950, according to Percy J. Mims, manager of the Veterans Administration Regional Office in Houston.

The dividend was highly publicized and nearly all veterans "who were eligible have received payment," Mims emphasized.

"For example," he pointed out, "99.8% of the 760,000 Texas veterans who had National Service Life Insurance at the end of World War II have received the dividend."

Some few veterans with lapsed policies were not reached by the Veterans Administration due to incorrect addresses.

The ruling about the "GI Insurance Bonanza" apparently has been fed by posting the misleading story boards of industrial plants. It has been denied repeatedly by VA in press releases throughout Texas.

Mims urged all veterans to carefully review their individual G. I. insurance policies to make doubly sure that no previous application has been submitted.

Scientists List Sunday Topics

What was the meaning of Jesus' suffering and sacrifice? How does it apply to us today? These are the questions to be taken up at Christian Science church services this Sunday. The subject is "Doctrine of Atonement."

A chapter in the Christian Science textbook on "Atonement and Eucharist" will supply several passages for the Lesson-Sermon readings, including this one: "Every pang of repentance and suffering, every effort to reform, every good thought and deed, will help us to understand Jesus' atonement for sin and aid its efficacy; but if the sinner continues to pray and repent, sin and be sorry, he has little part in the atonement — in the at-one-ment with God, — for he lacks the practical repentance, which reforms the heart and enables man to do the will of wisdom" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 19).

This passage from Philipians (2:12) will be among the many Bible readings: "Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling."

"BOUQUETS FOR TODAY'S BUILDERS"

EASTLAND is a busy, progressive community, made up of many, many hard working individuals who put the goals and purposes of their town ahead of their own profit and interests.

That's why Eastland is such a good town. Good for living, good for working and good for doing business.

And in every town there are some who stand out, even among leaders, in their zeal for accomplishments and civic betterment. Eastland is no exception — there are quite a few of this type here. People who go the extra mile to see that a project works, that the needy gets helped and that our town is a better place in which to live.

Beginning next Sunday in this space, this firm will salute these leaders with words and photos, to let them know that we all appreciate their untiring efforts.

These will be our "BOUQUETS FOR TODAY'S BUILDERS."

Miss Wanda Jo Arthur, Mr. Kenneth R. Lambert Repeat Vows Friday

A double ring ceremony read at 7:30 p.m. Friday in the First Methodist Church, Eastland, united in marriage Miss Wanda Jo Arthur and Kenneth Ross Lambers.

Bible Class Has Weekly Study

The ladies Bible Class of the Mesquite and Rusk Church of Christ met Tuesday, at 9:30 a. m. for their weekly Bible study with Gary Beauchamp, minister teaching the lesson.

Using the book, "Out of this World," the following topics were discussed, "How do you talk to yourself?" Of course, you do. Everybody does. You may do so audibly, but everyone frequently commences with their own soul, reasons with himself. Many examples of this are mentioned in Gods word such as "I commend with my own heart saying, Eccl. 1:1; Then said I in my heart, Eccl. 2:1; Why art thou cast down O my soul, Psa. 42:5; I will say to my soul, soul; Luke 12:19."

A study of these and other Biblical examples can help us to talk to ourselves constructively rather than destructively.

Thirty four cans of food for the store room were brought. Pantry now need canned beans.

Cards were mailed to the following who were patients in Ranger General Hospital: Miss Eunice Toone, Mrs. Lester Buckbee, Mrs. H. F. Brown and Mrs. Morris Campbell, and to Mrs. Mary Phillips at her home; Mrs. Nettie Mace at Western Manor Nursing Home, and T. R. Bankhead and Jimmy Needham at the hospital. Sympathy cards were sent to Mrs. Mary Dooley and family, Mr. and Mrs. B. B. Wheat and family.

Those present for the class were: Mmes. John Gully, C. R. Ervin, TOLLIE NORTON, SUDIE JONES, Tom Williams, Ben Howard, Margret Heard, Red Campbell, Eeva Taylor, Georgia Langford, Laura Barton, Maxine Offield, Winston Squares, Lois Wilson, Gene Browning, O. G. Lanier, L. J. Burnett, A. G. Langley, Kenneth Brown, L. E. Wallace, Lester Minnick, Herman Cupp, Deanna Beauchamp, Pattie Duvall, L. R. Gohike, Cora Patterson, Mary Tucker, Eura Tucker, Eunice Polston and Misses Rosa Williams, Betty Tucker and Mr. Gary Beauchamp.

Pastor To Lead WSCS Study On Holy Spirit

Woman's Society of Christian Service of the First Methodist Church will continue the Bible study under the leadership of the Spiritual Life secretary, Mrs. Frank Crowell, next Tuesday. The Biblical book, "Acts of the Apostles," and the textbook, "Acts: Then and Now," by H. H. Pothoff, are being studied.

As there are frequent references to the often little-understood "Holy Spirit," the lesson Tuesday will be on that subject and will be presented by the pastor, Rev. J. Lester Davenport. The devotion will be given by Mrs. Maurice Dry.

Study Club Opens Season

Mrs. Al Larson, president of the Columbia Study Club, opened the club season with a meeting in her home Tuesday at 3:30. Times for hostesses and book reviews were drawn. The home was decorated with autumn arrangements.

Mrs. J. P. Morris entertained the group by reviewing "The Joyous Season," by Patrick Dennis.

The dining table was set for tea with a pyramid arrangement of mums.

Those who assisted Mrs. Larson at the tea service were: Mmes. L. H. Hagaman, P. M. Kuykendall, Morris and Stanley McAnelly.

Those attending were Mmes. LeRoy Pearson, C. E. May, Edwin Horrigan, Theodore Nicksick, Kuykendall, McAnelly, Morris, Hagaman, a guest, Mrs. F. P. Brashier and the hostess, Mrs. Larson.

Lake Lodge Has Wind Damages Thursday Night

A bait house was demolished, two boats were sunk and other damage was caused by high winds at Lynn's Lake Lodge in the Schlaepfer's Draw area of Lake Cisco last Thursday night. A thunderstorm struck the lake around midnight.

An estimate of the damage was not available until it could be determined how much it would cost to repair motors on the two boats that were under water for some 12 or 15 hours.

A. O. Vanderford is the operator of the lodge, which is open during the fall and winter this year.

Mrs. Grady Pipkin returned home last Tuesday from a trip to Boston, Mass., where she visited Mrs. Joseph M. Perkins.

She was joined in Boston by Mrs. J. E. Hickman, widow of the late Judge Hickman of Austin and together, they went to New York for a three-day stay. While there, they joined a Tauck Tour through New England.

Mrs. Hickman accompanied Mrs. Pipkin to Dallas en route home.

VISITS HERE

Mr. and Mrs. Jerry Rushing and boys of Athens are weekend guests in the home of his parents, Mr. and Mrs. L. T. Rushing and his brother, Mr. and Mrs. Allen Rushing and family.

County HD Agent Mrs. Nicholson To Give Morton Valley Program

Eastland County Home Demonstration Agent Mrs. Beverly Nicholson will present the program at the next meeting of the Morton Valley Home Demonstration Club. The meeting will be hosted by Mrs. H. N. Sherman.

Club members met Wednesday, Oct. 13, at the club house with Mrs. C. T. Brockman, president, presiding.

Mrs. H. C. Pounds led the group in the club motto, pledge and prayer; Mrs. Homer White gave the devotional; and roll call was answered with a favorite joke.

After a short business session, crafts were displayed. Refreshments of cookies, punch and coffee were served by Mrs. L. E. Orms, the hostess. Centerpiece for the refreshment table was a miniature basket, hand-painted, with small artificial fruit decorating the outside, and filled with a variety of fruit.

For recreation, members participated in a Gold Bond Essay contest, for which Mrs.

First lesson of the study was given last Tuesday by Mrs. J. Lester Davenport, assisted by Mrs. Don Vieregger. A map of the Roman Empire during the time of Paul was before the group for reference. Mrs. Davenport gave several interesting viewpoints of the possible reasons why this book of the Bible was written, and its possible author. According to the author, and that he probably wrote it in defense of the Christian religion.

A summary of Paul's life was well presented, with Mrs. Vieregger portraying Paul, dressed in the costume of his day. The presentation gave viewers a much more realistic conception of Paul's trials and triumphs as a traveling missionary.

Mrs. Frank Crowell gave some interesting characteristics of the early Christian church. Such qualities as brotherhood, sacrifice, consecration and enthusiasm were among the characteristics of the early Christians and a continued need in churches today.

The devotion, given by Mrs. Carl Elliott, entitled "Our Debt to Missions," gave food for thought when it was mentioned that the Christian religion is not an Anglo-Saxon religion but an Asiatic religion. The group realized that Americans do owe a debt of gratitude to the early missionaries who brought the gospel of Christ to our heathen ancestors of only forty generations ago.

Those attending were Mmes. Vieregger, Elliott, Crowell, Davenport, Etta Johnson, O. O. Mickle, Roy Lawson, H. J. Bulgerin, Milburn Long, L. C. Brown, Frank Deaton, Fred Davenport, M. A. Clyatt, Tom Haley, Minnie Williams, B. O. Harrell and two visitors, Mrs. J. M. Whitten and Mrs. A. O. Harrell.
