### Program For Scenic Drive Day Announced

#### HOME TOWN TALK

By Boddy

THIS IS GETTING to be a so-called town; it always was, though. Monday night the Chamber of Commerce membership meeting; Tuesday night the American Legion barbecue; tonight the Rotary-Kiwanis joint picnic meeting; Thursday "Scenic Drive Day." That's a good sign.

The Legion Post here is taking on plenty of life, if you ask us. The crowd is going to make itself felt around here. At last night's barbecue at Cecil Wason's pasture, we heard tell, most everybody got together at one time or another.

They do say it was a fine party. Understand Herby Lees, Gus the Barber, T. C. Thomas, Carl Blomshield, Roy Carter, Judge Croft and a few more were in the receiving line. Out under the stars with a velvety carpet of good grass and the wind swishing soothingly through the mesquite the boys had a nice party. Pink tea was the most popular drink. Hank McDaniel won high Perry Watson low and Pancho Nell cut. Oh, yes, the barbecue, pink tea and barbecue. It was awfully larrupin' barbecue, no foolin'.

CHARLIE McCLINTIC of Midland; there's a fine sport. For you, Charlie ambled over for the barbecue. He branded calves all day; was so hot one hand fell out, and the others had to sit on the fence once in a while to cool off. But Charlie got to the ranch house in time to change breeches, tell the wife he'd be home some time or other and air over here.

Captain Mason of Sweetwater assured the Commander Deats and the local legionnaires his national guard company from Sweetwater would be over here during the Oil Men's jubilee to help put on that sham battle, "Over the Top." That's genuine neighborliness for you.

FIFTEEN cities have chosen dues to the Oil Men's Jubilee. They are Ranger, San Angelo, Sweetwater, Stanton, Lubbock, Cisco, Lamesa, Midland, Odessa, Colorado, Fort Worth, Abilene, Andrews, Los Angeles, Waco. Big Spring, we're tallin' you, is going to have more visitors this July 4 than any city in Texas. They'll learn about Big Spring from us if we all pitch in and help entertain 'em.

#### Kiwanis, Rotary Picnic Tonight

This week's regular meetings of the Rotary and Kiwanis clubs will take the form of a joint meeting at City Park at 7 o'clock this evening. The picnic will begin about 7:30 p. m. Members and their wives and friends were urged to try to be at the park by 7 o'clock so that the program could be started and closed on schedule.

**\$148 IN FINES**  
Violations of several ordinances enriched the city coffers by \$148 last week, according to the weekly report of Corporation Court proceedings drawn up by Judge Tracy Smith.

Five paid fines of \$13.70 each for drunkenness. Eight traffic law violations netted \$3 each. Fines of \$15 each were paid by seven charged with gaming. One charge of simple assault netted \$13.70, and one charge of vagrancy resulted in a fine of \$3.

**REVIVAL TO OPEN**  
Rev. J. P. Reynolds, pastor of the Church of God at corner of 10th and Main streets, will begin a revival at the corner of Third and Austin streets Wednesday night at 8:30 o'clock. The services will be held each night for an indefinite time beginning at 8:30 o'clock. Rev. Reynolds will be assisted by Rev. Claud Johnson an evangelist of this faith from Abilene. The public is cordially invited.

#### WORKERS WILL GET REAL FEED

Eight A. M. Time Set For Start of Labors

Offering "free dinner for workers," B. F. Robbins, chairman of the Chamber of Commerce civic committee, today urged Big Spring residents to assist Thursday in completing the Scenic Mountain drive.

Present plans call for the completion of the civic project by the last of this week.

"Chuck Wagon" Dinner will be served Thursday noon in "chuck-wagon" style, according to Mr. Robbins. Work on the road will start at 8 o'clock in the morning, and should be completed by early in the afternoon.

AUSTIN, June 25.—Gov. Dan Moody has accepted an invitation, Chas. D. E. Colp of the state parks board announced, to head a Dallas-Fort Worth motorcade leaving July 7 for the Davis mountains to attend a meeting of the Highway 90 association at Van Horn, July 18 and to welcome there Gov. Dillon and the highway commission of New Mexico. Another motorcade will go from Galveston and Houston, Texas and New Mexico visitors will July 11 make a pilgrimage to Carlsbad Caverns. It was announced, Highway Comm. W. E. Ely, and Miss Margie Ziesl, Carlsbad and officers of the Texas Federation of Women's clubs will take part in the motorcades, Mr. Colp said.

providing a sufficient number of workers appear. Mr. Robbins urged those intending to respond to the call to bring a pick, shovel, rake or crowbar. "We want them to come prepared to do some real work," Mr. Robbins said.

"We have been working on this project for nearly four weeks and we hope to have it completed by the last of this week.

"There are enough minor details to be completed to keep a fair sized crew busy tomorrow."

According to Mr. Robbins, who has been in charge of constructing and repairing the drive, the regular crew will work all of this week as enough money is on hand to pay them.

Characterizing the project as "a community undertaking," Mr. Robbins expressed the opinion that several hundred Big Spring residents should attend the city-wide working Thursday.

Mr. Robbins also urged residents to patronize the South Side Play-ground this week as the proprietors are offering 50 percent of the receipts to the drive fund.

**Airport Log**  
V. T. Anderson, Big Spring, was a passenger on the eastbound Southern Air Transport plane Tuesday. He went to Abilene.

A tri-motored product of the Ogden Aeronautical Corporation, landed at the Big Spring airport Tuesday. H. H. Ogden, official of the organization, was on the ship. The plane was en route to California.

B. Oglesby, San Angelo, was a passenger on the west bound Southern Air Transport plane Tuesday to El Paso. He transferred here from Cromwell Airlines' plane to the S. A. T. passenger ship.

**THURSDAY TIME FOR CANDIDATES' ACCOUNTS**  
Initial expense reports of county candidates are due Thursday and should be filed with J. I. Pritchard county and district clerk. According to Pritchard none of the reports had been filed this morning. Candidates have until 12 o'clock Thursday night to file the first reports.

#### CONGRATULATIONS ARE MUTUAL

There were congratulations all the way around when Col. Lindbergh met Rear Admiral Richard E. Byrd in New York city Monday. This Associated Press telephoto shows Byrd congratulating The Lone Eagle on the birth of his son while Lindbergh paid a tribute to the flyer-aviator for his conquest of the South Pole.

#### R. STERLING LEGION HAS BARBECUE

**HOUSTON**, June 25.—Back from a rally in Ammannsville, Fayette county, where more than two thousand persons cheered him in three languages, Ross Sterling of Houston today started forth on the first campaign tour of his adventurous life.

The tour will carry him through the heart of the East Texas pine woods as far north and east as Texas.

He is scheduled to make six speeches today, addressing rallies at Buna, Kirbyville, Jasper, Center, Carthage and Marshall.

The Ammannsville rally, held at 2:30 p. m. Tuesday, drew crowds from Yoakum, Columbus, Lagrange, Hallettsville, Shiner, Moulton, Weimer, Schulenberg and other communities.

An automobile caravan met Mr. Sterling, who had attended a highway commission meeting in Austin, and escorted him into the little farming center where a flag-draped platform awaited the speech-making. Anvils were fired in a true gubernatorial salute as he entered the town. In his speech he stressed the highway bond issue as a means of relieving the burden of county taxation and enabling the counties to build lateral roads. He was cheered enthusiastically and at the close he was given a tumultuous ovation. Joseph Kopecky at Hallettsville, widely known in Bohemian communities of Texas as the editor of Novy Domo, was one of the speakers. He addressed the Bohemian element among the audience in their native language.

A. J. Kallus, of Lavaca county, also made a speech in Bohemian. Henry H. Paulus of Yoakum, whose father formerly served in the state senate, introduced Mr. Sterling. The fourth speaker was John F. Walker, Weimer lumberman who presided.

**The Weather**  
Texas: Generally fair tonight and Thursday, not much change in temperature. Light to moderate winds on the coast, mostly southerly.

**CHIEF TO ARLINGTON**  
Chief of Police E. A. Long returned today from Arlington, where he went on business pertaining to his department. He made investigation of several "leads" furnished him in regard to matters here.

**FORD STOLEN**  
A 1924 model Ford touring car was stolen here last night, according to the sheriff's department. The automobile belonged to L. C. Shirley, Cap Rock Piling Station.

#### PLANE LANDS ON COAST OF NORTH LAND

**HARBOR GRACE**, N. F., June 25 (AP)—The airplane Southern Cross landed here early today after spanning the Atlantic ocean from Ireland and the fliers immediately made plans for flying to New York, then to San Francisco. Such a flight would virtually complete an around the world flight for the Southern Cross, which previously had been flown from San Francisco to Australia and England.

The plane will leave at daybreak tomorrow for New York. The fliers experienced almost perfect weather until they approached the Newfoundland coast, when the trip almost came to an unfortunate end as fog enshrouded the plane.

For more than an hour during the night the aviators flew blindly and but for radio stations providing them with directions they might have been lost.

The fliers, Captain Charles Kingsford Smith, Evert Van Dyk, J. Patrick Saul and John W. Stannage, were in good condition and excellent spirits when they landed here at 5:57 a. m. (EST) they talked briefly of the dangers they had encountered and then all sought sleep.

A beam wireless proved of great assistance to the fliers. Van Dyk, co-pilot with Kingsford-Smith, navigator Saul and Radio Operator Stannage all said that but for the beam wireless at Belle Isle the plane likely would have been able to reach Harbor Grace. The broadcasts from the Cape Race station provided the fliers with the necessary bearings when it seemed almost hopeless for them to find their way in the fog.

The beam from the Belle Isle station guided them safely toward Harbor Grace and directions from the Cape Race station which was almost in constant communication with them enabled the fliers to locate the landing field here.

It was evident that during their passage over the Atlantic or before hopping off from Ireland the men had talked of future plans. Plans which depended on a safe landing on this side of the ocean.

#### Knights Pythias Attend Picnic

More than 150 persons attended the Knights of Pythias picnic held Tuesday evening at the Nash garage, West Third street.

It was explained that the total new membership this year would be dedicated to the greatest Pythian in Texas, Henry Miller, G. K. R. S., for 42 years.

Superintendent Kay of the insurance department of the Supreme Lodge was present and told of advantages of offers made through that department.

W. C. Vastine told of the progress being made on the building fund and asked that Pythians of the city help more than heretofore.

It was announced that the next regular meeting installation of officers would be held.

**TEXAS OIL PRODUCTION**  
AUSTIN, June 25.—Texas is producing nearly a third of a billion barrels of oil this year.

During the first three months, according to Comptroller George H. Sheppard's report on the oil production tax, 70,231,796 barrels were produced. The oil came from 83 counties. Pecos county led with 12,412,642 barrels; Winkler was second with 7,830,149 and Gray county third with 4,460,723 barrels, Mr. Sheppard reported.

**KANSAS TORNADO**  
PLATT, Kas., June 25 (AP)—A tornado that struck four miles west of Pratt last night cut a swath a half mile wide and four miles long, injuring two women, severely damaging a dozen farm homes and laid waste hundreds of acres of ripened wheat.

Damage was estimated at \$250,000.

**NEW YORK**—It seems that Byrd had ice boxes in the Antarctic and they really were necessary. Food would have frozen if exposed to the weather and would have spoiled in the warm cabins.

#### ACTIONS OF JURY LEAD TO DECISION

Woman Tried Second Time Given 99 Years

AUSTIN, June 25 (AP)—The court of criminal appeals today reversed and remanded the case of Leah Bailey, sentenced to serve 99 years by a jury in Midland county on a charge of murdering Dan Horn, Ward county peace officer. The appeals court reversed the judgment and remanded the case because of misconduct of the jury.

**First In Ward**  
The woman was tried originally in Ward county but the court of appeals reversed and remanded the case for trial to Midland county.

It was alleged by the defense at the trial that Horn was shot while he was searching a rooming house occupied by the woman. It was claimed the shooting was done in self-defense after Horn had threatened to strike the defendant.

At the first trial, a sentence of 99 years was assessed. The court held the jury was guilty of misconduct because it discussed the sentence that had been assessed when the case was tried originally, although no evidence of the sentence was adduced at the second trial.

Horn was shot March 25, 1928.

**Another Reversal**  
The court also reversed and remanded the case of Leys Wilson, convicted in Smith county of the murder of Pount Wallace, Baptist minister, at Troupe, April 16, 1928. He was sentenced to serve three years. The reversal was granted because of objectionable testimony.

It was claimed at the trial that Wallace had had improper relations with Mrs. Wilson. In its opinion the appeals court held the trial court erred in allowing a woman who visited the Wilson home following the shooting, to testify that Mrs. Wilson had told her she was not the cause of the altercation.

Wilson was a garage man at Troupe. Ed Pryor, convicted on a charge of robbery in Wichita County and sentenced to serve eight years, was given a reversal and the case remanded because of the failure of the court to grant a second continuance.

The court reversed and remanded the cases of H. E. Fulgham and Laney Sexton, Collin county, conviction of violating the Sunday closing law. The two were charged with operating a motion picture show. The court held the case reversible because of the failure of the state to name the proprietors of the picture houses in the action.

**Overruled**  
The motion of Jake Ross, convicted in Hill county of the murder of Walter Lewis, October 12, 1925, for a rehearing was overruled.

The case of John Alingworth, Eastland county, was reversed and remanding the case of Charles Hinds, Mason county, convicted of furnishing intoxicating liquor to Rufus Beasley. He was sentenced to one year.

The convictions of D. B. McCall, San Saba county, and E. L. Wallard, Gregg county, for violating the medical practices act, were affirmed.

**MERIWETHER WELL NOW UNDERREAMING**

Meriwether Oil company's No. 1 Eva Smith, Howard county, 150 feet from the south and 2,490 feet from the west lines of section 35, block 33, was reported Tuesday to be down to 2,560 feet after having gone into sandy lime at 2,560 feet. Small pipe now is being used, reamed, with 50 or 60 more of this kind to be done before water is cut off.

**MCCAMEY BOY KILLED**  
SAN ANGELO, Texas, June 25 (AP)—Funeral rites were set for today at Big Lake, Reagan county, for Briant Glascock, who was killed yesterday, his nineteenth birthday, when the car in which he was riding, overturned on the highway near Big Lake.

### J. & W. FISHER

1882 THE STORE THAT QUALITY BUILT 1930

Directly East Of Court House

Well, Cosden's up there. The Laundry has separated and departed for various folds and greener pastures. Richco and the Bankers was a game each on forfeits on account of the Laundry having had enough, but to mention too much. The Barbers play T. & P. this afternoon and must win to stay in the race. Should the Bigging Barbers copy today's fray, Richco, Cosden and the mug managers go into an even battle for first place. All of which means two games will have to be played to decide the first half. Not a bad ending for the initial.

Just exactly what is to be done in the second half is not to be guessed at by us. The Laundry has withdrawn. That leaves a vacancy. Either the gap must be filled or another team must withdraw. Brown, Nesbitt, Aiken and Kendrick will be seen in Texas & Pacific uniforms the next half. Other Laundrymen will sign with other teams. The Barbers have a new manager—fellow named Scarborough—and Lois Madison resigns as the generalissimo, but retains his outfield position. Yep, things do change.

If plans work out right, the All Star, Oilbelt League team and Sammy Sabin's All Star City League team will play a three game series here July 2, 4 and 5. The boys from derrick land were scheduled to play one game here, but indicated they would just as soon wallop the City Leaguers three times as once. The deal will be closed today, in all probability. Outside teams demanded too much guarantee. We wouldn't guarantee anything excepting a bunch of lost balls, and maybe a bit of mud in the eye.

Max Schmeling is picked to win over Jack Sharkey by at least three New York scribes in their return bout. "Schmeling wants to give Sharkey another bout," says one of the boys. "And we have our doubts if Jack Sharkey would do the same for the Teuton. Schmeling wants to do what is right. It is not a case of Sharkey giving Schmeling another chance. It is vice versa and we might add—and how!" Schmeling can take it. He declares he found Sharkey out in that third round. Whether he did, or whether he didn't, doesn't especially matter. The thing is, the youth isn't scared of Sharkey; he doesn't fear him any more today than he did before the first bout. Schmeling should win the return. And it shouldn't go over 13 rounds."

The big German is willing, that is a fact. All he wants protected is his share of the purse. He asks no guarantee—just his 27 1-3 per cent of the gate. He won't fight before he gets rid of his manager, because he holds great fear should he do so, his manager would manipulate his earnings. He will be set to go in October, and all he is asking

is that the promoters keep an eagle eye, or a couple of eagle eyes, on his pocketbook.

We will always wonder if Smith couldn't have won his game Tuesday afternoon. Spike Henninger ushered him out of the picture when he, seemingly, had worked himself into minor trouble. Simms went into the battle, the score was tied with the runs Smith had placed on base, and Simms won his fray. And Smith didn't want to come out of there anymore than he would want to clean out a slush pit with an electric sweeper.

Yesterday was casualty day. Doc Aiken got smacked in the beaver with a line drive, and it didn't help his front molars any. Miller Harris slid into Kendrick at third and each of them lost a hunk of sock and bits of flesh. Tiny Reed went home early and all the balls were socked out of the park. Hugo the Ball Shagger didn't retrieve 'em all, and we know what we'll catch from the pudgy school teacher this afternoon when he finds we pitched out a couple of new balls in the closing innings. Yes, it requires no great amount of thinking to know what we'll get.

Mickey Pool has gone to short, with Martin over the meases and back on the third sack. Pool's work at that stretch of sod between second and third, wasn't slouchy by any means Tuesday. Four clean assists and three equally smirchless putouts is not bad. Not very Bass, back from two weeks of golf at Fort Worth, and Kendrick, short and third, respectively of the Laundry, also went well in the infield. Kendrick gleaned five assists and a couple of P. O.'s, and Bass got three and three, and made one bobble.

O. E. (Old Folks) Blevins, played first Tuesday for the Laundry. He explains the reason he made a couple of errors was that he had been used to shin guards and they won't give shin guards on first.

## BREAK KNOT IN SIXTH INNING

### Big Sticks Pound Out 12 to 6 Victory Tuesday

Getting to Aiken or eight hits in the sixth inning, Cosden Refinery drove across six runs to break a six-six tie and win 12 to 6 from the Laundry Tuesday afternoon at Dusty D.

Having given the Laundry a rousing farewell as the team faded from the City League picture, Cosden rests on top of the league fort today, anxiously watching the progress made by fellow contenders.

Simms and Smith, hurriers for Cosden for the day, were given excellent support by the caretakers of the inner and outer gardens. Eleven hits were given up by the two moundmen. Simms took over the reins in the sixth inning after two men had been placed on bases by Smith. The two tallied to tie the count six and six. In the same inning, Cosden's big sticks got into action and pounded the game well into the rear of the ice container.

Two doubles, a single and an error accounted for three Cosden runs in the initial. Martin doubled and scored on Bass' error at short. West, who arrived on the error, went home on Baker's double. Baker tallying on Morton's single. The Laundry went scoreless in the second as well as the first.

### Two Homeruns

Cosden combined a couple of singles to score one in the last of the second. Purvis got one of the bingles and scored on Mickey Pool's one of the same variety.

Smith saw two homeruns gathered off his hurlings in the third. Kendrick singled and was forced at second by Brown. Brown tallied when Bruce Nesbitt drove a four ply to center field. Taylor, following Nesbitt, sent one into the weed patch in left and galloped across the slab before it was retrieved.

In the same inning Cosden added another when Baker walked and scored on Aiken's error. Each of the teams went scoreless in the fourth, the Laundry following suit in the fifth, and Cosden grasping another in their half of the same inning. Baker forced Harris out at second, Baker tallying on Purvis' single.

In the sixth inning the Laundry threatened its last threat. They scored three runs to tie the score. Smith was jerked and enjoyed the cool of the dugout, and Simms assumed the leading part. Blevins opened the inning with a double. He tallied on Fierro's hot single in the cosmic direction of Miller Harris. Cosden first sacker, Aiken was walked by Smith, and Simms was rushed into the fray. After Bass had gone out to Purvis in left field, Purvis chose to hold the ball a trifle longer than necessary and Fierro tallied. Aiken went home on Kendrick's double.

Not for long, however, did the tie stay tied. Cosden reached Aiken in the same inning and drove six runs into the tanks. After Pool had gone out at first, and Martin had tripled, only to be caught at the plate, the dirty work started. West singled, and tallied on Harris' triple. Harris scored on Baker's single, and Baker added one on Fierro's passed ball. Morton singled and scored on Blevins' error. Potter added another bingle and he and Purvis tallied on Simms' single. Pool got his second single of the day and died on the sacks. Martin struck out to end the fray.

Two strikeouts ended any ambitions the Laundry might have held in the seventh and the game ended when Blevins went away at first, Pool to Harris.

son, Wilbarger county, burglary, 30 days; Charlie Wilda, Knox county, violating prohibition law, sixty days; Tom Corales, Harris county, violating prohibition law, 30 days; J. L. ## SECOND HALF OF TEXAS BATTLE TO OPEN TODAY

By GAYLE TALBOT, JR., Associated Press Sports Writer

Eight Texas League clubs, seven of them hoping for better times, faced the barrier for the second heat today. The Wichita Falls Spudders, winners of the first half by a margin of eight and one-half games, were prepared to be very well satisfied with a similar showing in the added event.

While they opened the season as outsiders, figured by a majority of observers to finish along about fifth, the Spudders go into the second half as top-heavy favorites to repeat their triumph and dispense with a formality of a play-off. Several clubs, notably Dallas Fort Worth and Houston, have bolstered considerably in hopes of heading off the Oilers, but it is extremely doubtful they will turn the trick. The north countrymen have great pitching, great fielding, and timely if not over-robust hitting, which is about all it takes to win ball games.

The season's second "opening day," to be observed with a deal of fanfare in several instances, found the favored Spuds at Shreveport, Dallas at Fort Worth, Waco at Beaumont and Houston at San Antonio. It was to be "Jim Chaplin Day" in the Alamo City, the big chunker toiling his last game for the Indians before leaving for New York to join the Giants. Tomorrow there will be a "Grover Cleveland Alexander Day" at Dallas, the honoree a battle-scarred veteran at the opposite end of the trail. Attendance being what it is, which is to say very slim, the club owners are overlooking very few bets.

As the first half closed yesterday, there really were two leaders. While the Spuds finished on top on the basis of plain, every day baseball, the Waco Cubs had the distinction of trimming the field at their own specialty, night ball. They wallopped the Dallas Steers again last night, 5 to 0, to chalk up their fourth straight victory under the arc lights. It was lefty Stein's second triumph after dark. He held the Mavericks to five hits, all singles, and struck out 11. Michaels collected three of the blows off the Cub portlander. Grady Adkins hurled fine ball himself, limiting the Prattmen to four safeties, but one of them was a homer by Piet that sailed into the darkness. The Steers made three blunders afield, while the Cubs again manned their positions perfectly.

The Spudders, giving some of their regulars a breathing spell in preparation for the second half, divided their closing doubleheader with the Buffs. Florrid, slim right-hander, held the Bisons to two singles as his mates slugged out a 7 to 1 victory in the opener, but the junior Cards came back behind Art Reinhardt's steady twirling to capture the second, 13 to 1. An unusual feature of the nightcap was that the Buffs had only two men

left on base. Burns smacked a triple and two singles for the Spudders in the first tilt.

Tiny Owens hurried the Sports to an 8 to 3 victory in their final at Beaumont. The Sport veteran gave up nine hits, only two less than his opponent, young Walt (Wman), but he scattered them more judiciously. Oscar Eckhardt drew a blank in the four times he faced Owens. Woods, with a double and two singles, did the boss hitting for the winners.

## SO SAYETH THE SAGES

### Or, Crimes Committed By Scribes

By PREXY ANDERSON, Athlete Reporter

Although Robert Campbell, the Big Spring sports writer, probably never knew that his city had a celebrity in its midst, the boys to be given credit for recognizing genius when he sees it. Bobby hands a handful of posties into the hands of Mickey Pool for some kind of star play the latter made while holding down third base on the team of a Big Spring oil company for which he works. The department—and Pool, too—arise to congratulate Campbell on his keen eye for talent.

The retiring athlete mentioned, Rob's is and has been the Texas Intercollegiate Athletic association's most widely acclaimed quarterback for a couple of years. The McMurry general got himself on the all-conference team in 1928, and was so thoroughly impressed with the idea himself that he became a much brighter star last fall and carried the 1929 election, too. At that rate, he will nearly win a championship without help in 1930 provided he can provide he can remain free and independent that long, which the department hears that he will not.

### EVERYDAY QUESTIONS

Answered By  
**Dr. S. Parkes Cadman**

Questions from readers are answered daily by the Rev. Dr. S. Parkes Cadman, Pastor of the Federal Council of Churches of Christ in America. Dr. Cadman seeks to answer inquiries that appear to be representative of the trends of thought in the many letters which he receives.

What is your opinion of a Mason, high in the order and of supposedly the best standing and character, who is known to have "affairs" with married women?

Accepting your charges at their face value, there can be but one verdict on this man. But you are

a Mason and the constitution and rules of the fraternity are accessible to you. They cover the grave irregularities you mention and provide for the expulsion from the Order of any member found guilty of such conduct.

Be very sure that indisputable evidence exists which supports your accusation. Then consult the master of your lodge. He should be in a position to report what you allege to the proper authorities, who will in turn investigate and deal with the matter according to

its merits. If true, there is no palliation for the betrayal you state. It is a capital offense from the viewpoint of Masonry, which is set in spirit and in letter against the moral derelict who ruins domestic integrity. Nevertheless, an informer must be sure of his ground. He fulfills a painful duty which demands better equipment than his own conviction or the promptings of an outraged conscience.

Wrongs often are committed for which we cannot find sufficient proof to convict the wrongdoer. It might be wise to seek an interview beforehand with the man you suspect and ask him to explain his behavior. But this I suggest without advising it. The burden of proof in the first instance rests on you.

Chicago. Married, thirty-eight years of age, the mother of three fine

children, living in a nice home with a good-looking and intelligent husband, I ought to be happy, but am not. For one thing my husband is quarrelsome and by calling me a hypocrite before our children is causing them to lose respect for me. Are these signs the first evidence of a man's wanting affection for his wife?

Probably the nervous tension of modern life has invaded the sanctity of your home. Your husband's explosions may be due to overwrought nerves. They are, nevertheless, inexcusable. Such exhibitions betray a lack of self-respect on his part and also a selfishness which is shortsighted. He fails to realize that his best interest can be conserved only as his household is surcharged with love and the loyalty love inspires.

What have you done that he should charge you with hypocrisy?

If you have been a faithful wife and mother, his accusations will not affect you. Your children will lose their reverence for him and not for you. Does he not realize that he is treading on thin ice when guilty of this unseemly behavior?

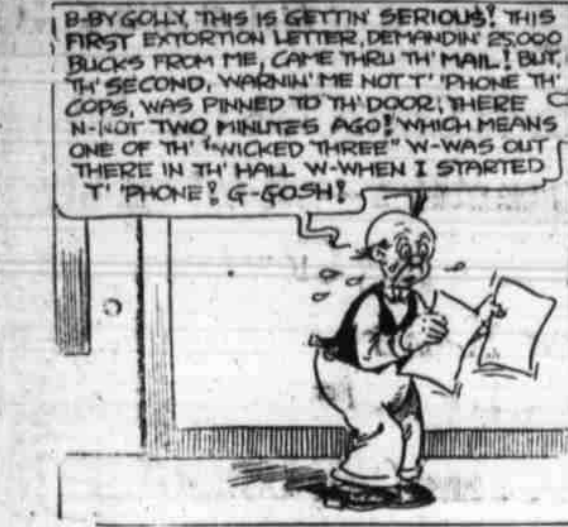

Make the home as attractive as possible to him. And when you are together alone, let him know that his conduct causes you severe distress. Surely love has not yet departed from your hearth, and if it is sick, restore it by tact and patience. But for his own sake as well as yours, do not permit the next outbreak to go unchallenged. A bullying husband or wife is worse than the seven years itch.

For years the woman I married was all one could reasonably expect of a wife. Then came a time when she told me she cared more for another man than for me. But she

still accepts the protection of my name and home. I have waited hopefully for her to see her folly. I have asked God to show me some way out of my difficulty, trusting that my great love for her might win her back. But so far my prayers are not answered. Can you give me some advice about what to do? Quitting means no home for either of us. Stealing may mean my losing faith in God and man. Kindly omit address.

If your wife has irrevocably given her affections to a rival, that is the finish so far as you are concerned. Bitter disillusion is probably her fate, because rascals of either sex who prey on other men's wives and other women's husbands are not likely to stop at one victim. Blind infatuation deems a despicable rogue a hero and a coward a man of dauntless courage.

### Oil Production Is Up 10,305 Barrels

TULSA, Okla., June 24.—A daily average increase of 10,305 barrels in the country's oil production was recorded in the week ended June 21, the Oil and Gas Journal says in its current report. The average for the week was 2,588,780 barrels as compared to 2,578,475 barrels for the week ending June 14.

The bulk of the gain was in heavy gravity oil, the increase being divided between 9,321 barrels in heavy oil and 984 barrels in light oil.

The Oklahoma City and greater Seminole fields largely were accountable for an increase of 7,815 barrels in Oklahoma's production. The mid-continent area's daily production of both light and heavy oils totaled 1,488,804 barrels, an increase of only 810 barrels over that of the previous week.

Kansas' production averaged 131,420 barrels daily as compared with 133,440 barrels the previous week.

### CLEVELAND THRILLS FANS

Tribe Has Had Up and Down Exhibition Of Baseball

BY HUGH S. FULLERTON JR.  
Associated Press Sports Writer

The Cleveland Indians may or may not finish the pennant race in the money, but already they have had the satisfaction of thrilling their home fans with one of the year's most exciting exhibitions of the ups and downs of baseball. And in doing it, they have shown the ability to go up again later.

Cleveland, off to a bad start, put on a great winning streak during its recent home stand against the American League's eastern clubs and rose to the top of the standing. Then the Indian collided with the New York Yankees before they left home and continued losing when they opened in the east against the Philadelphia Athletics. They dropped seven games before they returned home for a Sunday game and a victory over the Athletics.

Since that game they have dropped three more in a row to the Washington Senators and retired to fourth place, 3 1/2 games behind the New York Yankees. After taking a double header Monday, Washington needed only five innings yesterday to trounce the Indians, 7 to 0. Bump Hadley allowed Cleveland only five hits while the Senators collected nine effective blows before rain cut the contest short.

New York and Philadelphia also were afflicted by rain yesterday. The Yankees lost a game with St. Louis and the Athletics failed to play a double header with the Chicago White Sox, thus giving Washington a chance to improve its position. The Senators now are but two games behind the A's and a full game ahead of New York.

The futile task of pitching for the Boston Red Sox received an exhibition in the remaining American League double header. Hod Lisenbee was barely able to pull out the first game, 5 to 4, although he held the Detroit Tigers to five hits. A pinch home run by Bill Sweeney finally decided the game. The Tigers made but six blows in the second contest but walks and errors gave them enough counters to gain an 8 to 7 decision after ten innings.

The National League produced three good pitchers and they won three games. The Brooklyn-Pittsburgh game was rained out.

"Wild Bill" Hallahan of St. Louis belted his name by allowing the Boston Braves only one walk as the Cardinals pounded out an 11 to 3 triumph. He pitched shutout ball after the first inning, in which Wally Berger hit his 22nd home run of the year to tie Hack Wilson for the National League lead. The Cards made 16 hits for 30 bases, including a pair of homers by George Watkins.

Pat Malone performed an even more effective feat as the Chicago Cubs moved to a place, only two games behind the idle Brooklyn Robins with a 6 to 1 victory over Philadelphia. Like Hallahan he struck out six but gave the Phils only eighth its while the St. Louis allowed eleven. The Cubs had two big innings of three runs each and half their total was given them by three Philly errors.

Larry Benton also was hit rather freely, but he would not give his old mates, the New York Giants, a free trip to first and the Cincinnati Reds pulled out the game, 4 to 1, although outlit 11 to 9.

## "REDEMPTION" OPENS TODAY

John Gilbert and Renee Adoree have been brought together again in Gilbert's new starring all talking picture, "Redemption," which came to the Ritz theater today.

The two popular screen players who were paired first in that master film, "The Big Parade" and later in "The Cosacks," again contribute striking performances in a picture which is far above the ordinary run of cinema offerings.

Of added interest is the fact that Eleanor Boardman also has a featured role in the picture, Miss Boardman having played opposite Gilbert in "Bardelys the Magnificent." A fourth member of this all star cast is Conrad Nagel.

"Redemption" was taken from Arthur Hopkins' stage version of Loyd Tolstoy's play, "The Living Corpse," in which John Barrymore scored a success several seasons ago. Gilbert's portrayal of the unfortunate Russian officer, Fedya, who is torn between love for his wife and the nomadic influence of a gypsy ancestry, is an inspired piece of acting and a far cry from the sophisticated comedy role he played in his last picture, "His Glorious Night."

Under the deft direction of Fred Niblo, of "Ben Hur" fame, the new dialogue picture was filmed with authentic regard to Russian locales, costumes and manners. Especially interesting are the scenes of the picturesque gypsy camps, a spectacular Russian Orthodox church service and views of winter scenes and the sleighing parties of the Russian nobility.

The settings were designed by Alexander Toluboff, Russian architect, who collaborated on the details with Cedric Gibbons, Metro-Goldwyn-Mayer art director.

The script was adapted by Dorothy Farnum.

### Art Shires Says Texas Solons Are Plow Hands, Too

WASHINGTON, June 25 (AP)—Art Shires told the Texas congressional delegation at a luncheon yesterday in honor of four Texas players on the Washington ball team that he had decided that congressmen and ball players could not satisfy everybody.

"I've decided that as long as I've pleased Art Shires, I am satisfied," he said.

Shires, of Italy; Fred Marberry, of Streetman; Lloyd Brown of Beeville, and Sam West of Rule, Texas, and Speaker Longworth were the guests at the luncheon attended by a group of native Texas newspaper men.

**Just Plow Hands**  
"Coming down to the capitol in the automobile some of the other boys seemed kinda nervous," Shires said. "I told them not to worry because these congressmen are just a bunch of plow hands like we are. We know you congressmen don't care what the people think about you except at election time. You are just like we baseball players. We only care about what the people think about us in the spring time when we sign our contracts."

**Seeds Never Come Up**  
Shires said he was glad to meet Representative Hatton Sumners, Texas, because "he used to send us some of the congressional seeds that never came up."

Down in his little town of Italy, he said, his parents used to make him plant the seed.

Senator Tom Connally took up the issue with Shires and told him that if his parents had not insisted upon him working in the garden with the congressional seeds that never came up, he would probably have been "an anemic soda squirt in a corner drug store."

Representative Sumners smilingly said he would like to make an observation to Shires' remarks.

**Seeds Worth Much**  
"Young man, you haven't the proper appreciation of the value of those worthless seeds to you. If it had not been for your getting tired of cultivating those seeds, you would be wearing out a poor man's breeches now, instead of being a great ballplayer."

Speaker Longworth, presented by Representative Garrett, dem-

JOHN GILBERT

### Art Shires Says Texas Solons Are Plow Hands, Too

Senator Connally told the boys not to pay much attention to what the speaker said "on occasions like this, because he is pretty much of a partisan."

"You know boys, Speaker Longworth and President Hoover belong to the republican party, but the president is Quaker and the speaker is a sort of a shaker. He has the government resting on his shoulders in the house and is kinda dignified on that side, but on occasions like this he turns to us democrats to have a little fun."

Representative Wurzbach of Texas, the only republican member of the delegation introduced Brown, the pitcher; Marvin Jones, of Amarillo, introduced Sam West, hard hitting outfielder; and Luther Johnson presented Fred Marberry, star moundman. Each of the ball players made a few remarks and expressed appreciation for the entertainment.

### MOSTELLER STEGNER WEDDING

Couple Are Married At Noon Yesterday In Greenville

Miss Vesta Mosteller and Harold A. Stegner were married at Miss Mosteller's home in Greenville yesterday at noon.

The bride is the daughter of Mr. and Mrs. J. O. Mosteller, 4401 W. Lee Street, Greenville and the groom is the son of Mr. and Mrs. V. F. Stegner, Cincinnati, Ohio. Mr. Stegner, however, has been a resident of Big Spring for a number of years.

The wedding was solemnized at the bride's home and the room decorated with summer flowers of pink and lavender. Miss Zora Swanger of Trenton played the wedding march and the musical accompaniment to the song "I Love You Truly," sung by Mr. and Mrs. Guy Moore.

Rev. A. A. DuLaney, pastor of Washington Street church performed the ring ceremony.

The bride wore a gown of opaline rose chiffon with harmonizing accessories. She carried a shower bouquet of pink roses. The gowns of Miss Swanger and Mrs. Moore harmonized with the flower setting.

Immediately following the ceremony a buffet luncheon was served and the bride's cake was cut. Mr. and Mrs. Stegner left in their car for points in California. Mrs. Stegner wore a "going away" suit with matching accessories.

Mrs. Stegner is a graduate of Greenville High school, Burleson college and Baylor University. She has had special work in the University of Colorado for several years and has been teaching Latin in the high school here.

Mr. Stegner is a graduate of the Cincinnati High School and has had extensive training in the University of Cincinnati. He is a member of the Sigma Alpha Epsilon fraternity of that institution. He is now engaged as District Manager for the Business Men's Insurance Company with headquarters at Big Spring.

Out of town guests attending the wedding were: Mrs. F. C. Henderson, Dallas, Miss Mary Neal Scott, Ladonia, Miss Zora Swanger, Trenton, and Mr. and Mrs. Lewis Myers, Fort Worth.

Mr. and Mrs. Stegner will be a home in Big Spring after July 15.

Mr. Sam Little was able to return to his home in Knott Sunday after several weeks of illness at the Big Spring hospital. His condition has somewhat improved in the last week.

Mrs. J. P. Bell and two sons, of Houston, are visiting Mrs. Bell's sister, Mrs. F. K. Owens, of Government Heights.

Mrs. E. H. Forrester of the Brown community underwent an operation in Big Spring Hospital early Tuesday and is reported progressing satisfactorily.

A fast shot of the quick success of Dorothy Mackail. Success... because she gave a new thrill. Quick... because of nature-born charm.

That goes, too, for another young star, OLD GOLD. Three years ago, unknown. Now, America's fastest growing cigarette.

"O. G." gave a new taste-thrill... through smoother tobaccos, free from irritants. When a girl, or a cigarette, is blessed by nature, a new star rises... and fast.
