SEWER, STREETS, DRAINAGE ARE DETAILED IN ENGINEERS' REPORT

(Editor's Note: The following is the second in a series of detailed reports on the current Long-Range Planning program being considered by the City Commission. Bill Jones, who is stationed with the Air Force at Hamilton AFB in California, has arrived home on emergency leave.

At 5:40 p.m., the 1966 Ford driven by Marlin Cagle, going south on Mulberry, was in collision with a Texas Electric Service Co. pickup driven by Jesse Lee Ward. The pickup was going west on Hill St. It was reported that approximately \$100 damage resulted for each vehicle.

Fourth Quarter Pass Beats Cross Plains, 6-0 in Opener

The Eastland Mavericks had a "Piercing" experience of it, but racked up a win in their opening grid battle by downing the Cross Plains Buffaloes, 6-0, before home fans in Maverick Stadium Friday night.

It was three quarters of zero ball as the invading Buffaloes moved the ball behind their ace quarterback, Joe Pierce, and Eastland's move came within three minutes of the final whistle. Left Halfback Wade Thom-

as returned a Cross Plains punt 40 yards down to the Mavericks' 20-yard line, and set the stage for the scoring tally. A handoff from QB Steve Lund to Gene Wilson gained a yard, and a duplicate to Fullback Greg Emfinger gained three.

Then, on the third, Lund connected with Left End Jim Herriage in the end zone for the TD. At least two Buffaloes had their hands on the ball before it finally fell into the hands of the waiting Herriage.

A conversion pass attempt to Wilson failed, and the score was, and remained, 6-0.

The Maverick defense stiffened up after a shakey start, and proved solid against the on-rush of Pierce and Co. Especially effective on defense were Tackle Bill Hoffman, Tackle Fred Keith, End Edward Ivory, Back James McKenzie (whose pass knockdown undoubtedly prevented a CP score), End Tony Lowrance, who got himself a fumbled ball at a key point, Left Guard Steve Wilson, End Gary Spradling, who also batted a pass down at a good time, and Guard Tommy McCullough.

The field was wet but no rain fell during the game. QB Pierce, aided by Halfback Rusty Boggs and Fullback Vern Webb and Halfback Jerry Strickland, proved to be real ball handlers for Cross Plains.

Coach Shirley Frazier suited up 23 boys for the initial outing and most played.

McCullough and Gene Wilson were co-captains of the evening, and elected to kick in both frames. Tony Lowrance did an admirable job as kicker for the Mavs, assisted by Bill Hoffman.

7TH GRADE WINS

Doggies Defeated By Albany, 12-6

The Eastland Junior High girls lost a ballgame Thursday night — and if not their first loss, it was certainly the first defeat for them in a long, long time.

An Albany squad took advantage of a last-minute situation and scored in the last 45-seconds of the game for the 12-6 win.

The Doggie's Bobby Williamson made Eastland's only touchdown on a 40-yard run, and the score was knotted 6-6 virtually throughout the game.

The Doggies were undefeated in play last year.

Jerry Doyle did an outstanding job as quarterback for the Doggies.

Outstanding on defense were Phillip Smith, Richard Sancio, Ruben Gaeta, Rocky Maynard, Phillip Harrison, and Brett Arthur.

MADAM PRESIDENT ...

Mrs. Garner Came to Visit, Decided to Stay

Mrs. Jimmie Garner of 215 North Hillcrest, president of the Dutch Club, says, "I came to Eastland County in 1938 to meet my new in-laws and visit with them for two weeks. Jimmie and I have been here ever since, and in 1947 my parents moved here."

Mrs. Garner is a native of Tennessee and was educated in Dyersburg, Tenn. She and Jimmie met in Phoenix, where they were both working. After their wedding there, they came to Olden to visit his parents, the late Mr. and Mrs. W. H. Garner.

Mrs. Garner's parents, Mr. and Mrs. D. L. Kernell of West Plummer St., moved to Eastland to be near Garners. The Garners have one son, Michael, who entered the army Wednesday, and one granddaughter, Michele, two years old. They will be visiting Michele in Fort Worth often while her father is serving in the army.

Mr. Garner is a salesman for Coca-Cola Co. in Eastland.

He and Bonnie enjoy working in their large yard. They also like to re-finish furniture and have recently completed two chairs. Mrs. Garner made the couch and chair covers and their new drapes.

Mrs. Garner also makes dresses, "sometimes for myself, but usually for Michele," she says. Photography is her first love and she readily admits again that Michele is her favorite model.

A member of the First Baptist Church, Mrs. Garner is Group Captain of the Dorcas Sunday School Class. She served as PTA president two terms when her son was in school here and is a former chairman of the March of Dimes for Eastland County.

The fifteen-year-old Dutch Club received its name when charter members voted to hold monthly breakfast meetings in a restaurant with each member paying for her own food. The meetings have been held in members' homes for several years, but it's

still "dutch treat". The hostess prepares breakfast, each member pays 75 cents for her breakfast, and brings a gift (of 50 cents value) to the hostess.

These meetings are at 8 a. m. the second Tuesday of each month. Tuesday morning's breakfast will be in the Lake Leon home of Mrs. Leona Arterburn. Mrs. Garner will be installed as president and other officers will be elected then.

Monthly dues are 10 cents and this money is used as a birthday fund. Each member receives a greeting card and a dollar on her birthday.

The club prepares food baskets at Thanksgiving and Christmas and at other times when they are informed of need. They provide money each month for those rest home residents who lack spending money.

Each meeting consists of breakfast, prayer, reports on hospital and rest home visits by members, and a religious or humorous talk by a member.

Present members of the club are Leona Arterburn, Della Rushing, Vila Sharp, Joyce Hoover, Eula Craven, Emma Donnelly, Eleanor Horton, Cora Arrendale, Mary Vaughn, Olive Harmon, Edna Huffman, Bonnie Garner, Virgie Edwards, and Jewel Browning.

Mrs. Garner says, "The Dutch Club is a social organization, providing its members an opportunity to visit together. It is also a service club and our purpose is to bring cheer into the lives of others."

CWF Will Meet Monday in Home Mrs. Ben Bassett

The Christian Women's Fellowship of the First Christian Church met at 3 p. m. Tuesday, September 7, in the church annex.

The meeting was opened with prayer and President Mrs. Neil Day presided over the meeting. Many plans were made for the coming year, with the group planning three study groups and scheduling places to meet.

Monday, September 12, the 9 a. m. group will meet with Mrs. Ben Bassett and the 3 p. m. group will meet with Mrs. Edith Webb. A meeting for the evening group will be planned later.

Mrs. R. T. Magness presented the program, "Touring Canada with the CWF."

The meeting was closed with the Missionary Benediction. A brief fellowship period followed, during which the executive board served refreshments.

Civic League and Garden Club To Meet Wednesday

Mrs. John Foster, president of Eastland Civic League and Garden Club, has announced that the club will have a short called business meeting and coffee at 10 a. m. Wednesday, Sept. 14, at the Woman's Club House.

There are several items of business which must be discussed before the regular October meeting, Mrs. Foster said.

Mrs. Lee Sellers of Azle visited in the home of her sister, Mrs. Roxie A. Cox of Olden. Mrs. Sellers was accompanied by her grandson and his wife, Mr. and Mrs. Harold Sellers, also of Azle.

Dallas Woman Dies Friday As Auto Overtakes

Mrs. Esta Lee Ford, 59, of 1511 King's Highway, Dallas, died at Graham Hospital in Cisco Friday afternoon after suffering internal injuries in a car turn-over at 2 p. m. Friday two miles east of Cisco on Highway 80.

Driver of the 1962 Pontiac involved was Jim Massey, 77, who, along with his wife, suffered injuries. Both were in Graham Hospital Saturday. The Masseys live at 1030 Pearl, Las Vegas, Nevada.

No one else was in the car, which overturned when a tire blew out. Highway patrolmen investigated the mishap.

Mrs. Massey, sister-in-law of the dead woman, received cuts and bruises about the head and neck and a knee. Mr. Massey also had cuts and bruises and a knee injury.

The trio was en route to Dallas when the accident occurred. Rust Funeral Home of Cisco took the injured to the hospital and handled local arrangements for the accident victim. A Dallas funeral director picked up the body Friday night.

Mr. and Mrs. Hollis Clifton spent the Labor Day weekend fishing and water skiing a Possum Kingdom.

Everytime you come in we'll check the oil, clean your windshield, check the tires, offer other small but important services needed for your safer driving.

WE CALL IT MASS MURDER

While others described it as 'death on the loose' whatever it is the Department of Public Safety officials predict that more persons will lose their lives in traffic accidents in Texas this year than previous year on record. More and faster cars crowded highways spell out trouble for those who use them. What should be done in the face of warning? For one thing we can all drive care- fully and be adequately insured.
