EASTLAND, TEXAS, SUNDAY, AUGUST 5, 1956

NUMBER 42

Moore... ABOUT Eastland

By Virgil E. Moore

Understand there's an individual who is looking Eastland over considering the possibility of opening up a taxi company here. Being as how we seldom have reason to use taxi-cab service, we don't know about the need here (there's one firm operating now), but maybe so.

And speaking of taxi-cabs... Have you seen the new display boards on Don Pierson's demonstrators? After hearing about the possibility of a new cab company here, that was the first thing that entered our mind when we saw one of the cars. Just call 'em Cabby Pierson and Guess.

Frank Sparks came by the office the other day with an uncoiled bicycle, which was slightly aged. Our curiosity finally got the best of us and we had to ask what he was doing with it.

"Oh, that's all that's left of Pappy's campaign," he said with a smile.

You folks who don't get the bulldog editions of the big city papers really miss something. The first editions of the big city papers really miss something. The first editions of the day are usually thrown together pretty fast and have a few errors. For instance, Thursday's Dallas Morning News had a three column picture upside down on page one. Since we don't ever have errors in the Telegram, they always fascinate us.

That Little League All-Star game Monday night should be a good one. Understand Gorman has quite a bit of talent on their squad, and we can vouch for the locals' ability.

You have noticed what's happening around at the old Sport-arena building, of course. The building doesn't even look the same anymore. The big lettering on the front, Eastland Auto Parts, kinda gives away what the building is going to be used for, although no official announcement has yet been made.

There's nothing official on either one of these "rumors" either, but we understand that two different chains are looking the city over in anticipation of opening retail stores here. If our dope is correct, both would be welcomed additions around the square.

We have free tickets to the Majestic Theatre at the Telegram office for Marlin Cagle, Sim Dabbs, J. D. Earley, Lewis Fagan and H. L. Walter. If you will phone us during business hours, we'll even look out the window and see what's showing.

Not a single birthday listed on today's Hand Booster's community birthday calendar. But Monday Eastland hits the jackpot. Robert P. Barber, Eura Jones and Thura Taylor will all be celebrating.

One of the biggest catches yet reported from Lake Leon was made last week. John Hughes of Big Lake, who was visiting J. C. Clements, pulled in a 20 pound yellow cat. Early he had caught an eight pounder with a throw line. Sounds like it's about time to leave the carp along to us.

Talking to W. C. Bagley one day this week and he tells us that his grandson, Wayne Bagley was elected district attorney at Amarillo in last Saturday's primary. Wayne attended school here, and is well known around Eastland.

Overheard while passing Dr. J. O. Jolly's office Saturday: "Now be a good boy Junior and open your mouth so Dr. Jolly can get his hand out."

No, it didn't rain the other day when we predicted it would. But after all, we are only a beginner at this weather predicting. We are working on our calculations right now, and as soon as we come up with the right answer we'll let you know.

That's all for now. See you Tuesday.

'Y' Day Camp Ends With 83 Registered

Eighty-three children participated in the Eastland YMCA Summer Day Camps which ended Saturday, Charlie Marshall, director, revealed today.

Marshall made the announcement Saturday morning, and also told of plans for the awarding of swimming test certificates at a meeting beginning at 7 p.m. Saturday (August 4). The program was to have been held at City Park.

Saturday was the last day for the second session of the "Y" Day Camp. In all, four weeks of recreation, including crafts, swimming and other supervised activities, were held.

Marshall praised the work done by the YMCA executive committee and by the counselors who helped him successfully put over the program.

"Most of the credit goes to Edith Cox, head counselor, and Dixie Day, Larry Hollis, Mike Potts and Ellen Whalley," the director declared.

Marshall also revealed that a Negro Day Camp is now underway at the Negro park. About 30 children have signed up so far.

The Fun Clubs, for older "Y" members, will continue through the coming week.

Girls who signed up for the second Day Camp were Sandra Bolding, Sherry Brim, Sharon Chick, Julie Frost, Jeannie Hanna, Donna Horton, Toni Horton, Marilyn Huckabey, Mary Helen Lilly, Judy Phillips, Jan Taylor, Sue Whitford and Jeannie Wright.

Boys were Lonnie Basham, John Bigby, Venell Boen, Wyn Boen, Mike Bonar, Bret Brunner, Douglas Brunner, Mason Daughett, Bob Day, Billy Earley, Larry Earley, Ernest Gill, John Earl Goode, Billy Hardin, Henry Hardin, Bill Herridge.

David Herridge, Jim Herridge, Bonnie Hughes, Steve Lund, David Mehaffey, Jim Pat Miller, Larry Miller, Butch Phillips, Norman Rhodes, Floyd Robertson and Mike Sievert.

Three Scouting Swim meets will be held this month in the eight county-Comanche Boy Scout Council.

Boy Scouts and Explorers from the Northeast District will hold their annual Swim Contest August 16 in Bass Pool in Gorman. Arthur Murrell, Eastland and J. C. Golden, Stephenville are the directors. Troops are expected to participate from Woodson, Breckenridge, Ranger, Cisco, Eastland Gorman, DeLeon, Purvis, Dublin, Stephenville, Johnsonville and Desdemona.

Boy Scouts and Explorers from the South-Central District will conduct two meets — one in San Sabá on August 10 and the other was held in Brownwood on August 3. Troops are expected to enter the Swim Meet in San Sabá from Lampasas, Lometa, San Sabá, Bigland Springs, Goldthwaite and Friddy. Troops from Brownwood, Bangs, Blanket, Brooksmith, May, Early, Rising Star and Comanche took part in the activity held in Brownwood. Judge A. O. Newman, Brownwood and J. B. Boler, Richland Springs are directors of these events.

These activities climax the summer program of water safety and are directed by the Camping and Activities Committee of Comanche Trail Council of which Lee R. Tesson, Goldthwaite is chairman.

ALL-STARS TO PLAY GORMAN

Lions Presented Trophy As Little League Season Ends

The Comets apparently racked up second place honors in Eastland Little League play here Thursday night by defeating the Bulldogs 9-4 while the League champions, the Lions, dumped the Medics 9-3.

The games brought to a close the 1956 Eastland Little League season. Only a half game separates the Comets from the Medics, and that is due to the fact that a Comet protest over a Lion victory was upheld and the game ruled no-contest.

Following the doubleheader 20 Little Leaguers were named on the Little League All-Star team and a game with the Gorman All-Stars was announced for Monday at 8 p.m. The Lions were also awarded the Eastland Telegram trophy, which last year was won by the Medics. To gain permanent possession of the trophy, a team must win the pennant three years in succession.

The Lions-Medics affair started out like it would be a close match, but the Lions went ahead to stay in the third inning. Junior Ensor singled to start things off, then stole second and took third and home of two successive past balls. A walk put Weldon Thomas on first and Bobby Cartwright came through with a home run to make it 3-0. Bubba Hunter then singled, and was driven home by Phillip Alford on a sacrifice play.

NEW STREET MARKERS—Mrs. James Horton, chairman of the Citizens Committee which is heading the drive to put street markers at all intersections in Eastland, and City Manager Jimmy Young look over one of the new markers which have just arrived. Markers for the downtown area and several surrounding blocks have been purchased "to show citizens what they are buying." (Telegram Staff Photo)

County Gets Four New Wells As Oil Activity Increases

Four new oil trys have been staked in Eastland County.

The No. 2 R. H. Dunning is located in the Jo Kiel Caddo Field and is being drilled by K.L.B. Corp. of Wichita Falls. Location is 1650 feet from the east line and 1560 feet from the north line of Section 92, Block 3, H&T Survey, six miles southwest of Cisco. Proposed depth is 2900 feet.

R. W. Baxter and Don Bucklew Drilling Co. of Albany is drilling the No. 1 McClevey Trustee in the same field. It spots 330 feet from the north and west lines of Section 81, Block 3, H&T Survey, six miles south of Cisco on a 60-acre lease. Proposed depth is 2850 feet.

The No. 1 W. S. Carter is a wildcat try being put down by Joe Feltis of Eastland. It spots 2330 feet from the east line and 330 feet from the south line of the H. Elms Survey, A-672, five miles south of Carbon, three-fourth miles north of the Carbon Caddo Field. Proposed depth is 3500 feet.

Another wildcat try is being put down by N. M. Dillard of Cross Plains. It is the No. 1 J. Cloud Perkins and is located 640 feet from the north line and 1200 feet from the east line of the Jesse Holley Survey, seven miles east of Cross Plains on a 15-acre lease. Proposed depth is 1850 feet to the Strawn sand.

Here is a round-up of other area oil developments:

STEPHENS COUNTY
Eldorado Oil and Gas, Inc. of Dallas spotted the No. 1-A State 2 1/2 miles southeast of Eliasville on a 27 acre lease. The well is located in the J. E. Anderson Survey. Proposed depth is 4600 feet.

The No. 1 Cleva Pilgrim is a regular field try being drilled by Fletcher Oil and Gas Co. of Dallas. It is located 14 miles south of Breckenridge in Section 27, Block 27, Block 7, T&P Survey. Depth is to be 2500 feet.

CALLAHAN COUNTY
The No. 1 E. R. Battle is a wildcat being drilled by L. A. Warren et al of Abilene. The well is located 5 miles southeast of Putnam in Section 20, Boal Survey. It is to be 2995 feet deep.

PALO PINTO COUNTY
C. L. Hodgkins of Strawn has drilled the No. 1 C. E. Allen 7 1/2 miles north of Strawn in Section 72, Block 3, T&P Survey. The proposed depth is 2000 feet.

A wildcat operated by O. P. Leonard of Fort Worth was spotted 10 miles northwest of Palo Pinto in Section 1794, TE&L Survey. It is the No. 1 J. McClure and is to be 1450 feet deep.

H. A. and H. D. Thiel of Strawn, have staked the No. 3 William Thiel 10 miles west of Palo Pinto (Continued on Page Two)

Absentee Voting Begins Monday In 2nd Primary

Going to be out-of-town at the time of the second Democratic primary August 25? If you are, here are rules you should follow to vote absentee:

Voting will be done through County Clerk Johnson Smith's office in the courthouse beginning Monday and continuing through August 21.

Eligible to vote absentee are persons who will be out of town on election day, and those who can not go to the polls because of physical disability.

Those who are already out of the county and will be out of the county on election day, or who are physically handicapped, may vote by mail.

Otherwise a person must appear in person at the County Clerk's office. A disabled person voting absentee must make a written request by mail for a ballot, enclosing poll tax receipt or exemption, doctor's certificate and return address.

Anyone out of the county must also send his written request for a ballot, enclosing poll tax receipt or exemption and return address.

Local Marines Return Today

CAMP PENDLETON, Calif. (Sp.)—Eastland Marines, members of the 87th Marine Corps Reserve Special Infantry Company, wound up two weeks of intensive summer field training here at the world's largest Marine Corps Training Base Saturday.

During the past week, the Texans concentrated on the M1 rifle — basic weapon of all Marines. Practice with and without ammunition during the first part of the week prepared the men for the final exam — record firing — on Friday. When the shooting was over, 88 percent of the unit had qualified. High shooter of the organization was Private First Class Pat Bland, 1102 Victoria St., Abilene, who scored 235 out of a possible 250.

Even the most ardent liberty-seekers were too tired to go on liberty after the long hours on the rifle range during the week, but the time lost was made up when the Texans visited Hollywood, Los Angeles and San Diego over the weekend. However, some of the men stayed aboard the base and enjoyed recreation facilities such as golf, horseback riding and swimming on the base beaches.

Returning to Camp Pendleton Monday, the Texas Marines engaged in realistic training on the infiltration course. Explosions tore the earth as Eastland's Marines crawled under barbed wire and around "enemy" positions and burned out dummy tanks with rifle grenades. Practical application of leadership principles learned in Abilene by the NCO's were given a field test as the unit went through realistic maneuvers.

The Marines left Camp Pendleton by air, and are expected back in Eastland Sunday.

CC Membership Committee Meet

The membership committee of the Eastland Chamber of Commerce will meet Monday, 3 p.m. at the chamber office.

Several new members have been added to the active list and a number of delinquent members have recently paid dues, it is reported.

Names of the new and old members will be published in an issue of the Telegram's next week.

Final Rites For Mrs. Rutherford Scheduled Today

Funeral services for Mrs. Billie Lora Rutherford will be held at 2 p.m. Sunday at the First Methodist Church in Eastland with Rev. Richard Smith officiating, assisted by Rev. Joe Blacking.

A second service will be held at 3:30 at the Methodist Church in Scranton at 3:30 p.m. with Rev. Black officiating, assisted by Rev. Smith. Burial will be at the Scranton Cemetery.

Mrs. Rutherford, a resident of Eastland for 81 years, was a native of Arkansas. She was born August 23, 1869 and moved to Texas when she was a year old. She moved to Eastland at the age of five.

She married W. T. Rutherford April 30, 1883, and to this union were born 10 girls and five boys.

A member of the Methodist Church since childhood, Mrs. Rutherford is survived by two sons, W. L. of Bradley, Calif.; six daughters, Mrs. R. L. Foster of Fort Worth, Mrs. Ivan Ellis of Fort Worth, Mrs. Billie Bruton of Monahan, Mrs. Bill Clinton of Cisco and Mrs. Etta Harlow of Eastland; 24 grandchildren and several great-grandchildren.

Hanner Funeral Home is in charge of arrangements.

A representative of the Social Security office will be in Eastland Monday. He can be seen at 11 a.m. at City Hall.

Bethel Baptist Church Plans New Expansion

Plans for an expansion program were announced today by the Bethel Baptist Church.

Rev. James Fleming, pastor, revealed that the church has purchased the property at the corner of College Street and West Main formerly owned by Abraham Carr of Dallas. The property "will give the church a 250 foot frontage of West Main and opens the way for the expansion program which will be announced in the near future," Rev. Fleming said.

"The first step in the future plans for the Bethel Baptist Church, and we are very pleased with the transaction, Rev. Fleming stated.

Cub Scout Pack Meeting Tuesday

There will be a meeting of the Eastland Cub Scout Pack Tuesday at 7 p.m. at City Park, W. L. Garner, cubmaster, announced Saturday.

Games will be played and watermelon is to be served.

Cancer Film To Be Shown At Seven Theatres

A film prepared by the American Cancer Association will be shown at seven Eastland County theatres in the near future, it was announced this week by Mrs. Jack Frost.

The film will be shown at the Ranger Drive-In Theatre August 5-6, at the Majestic in Eastland 8-9, at the Dixie Drive-In at Olden August 10-11, at the Palace Theatre in Cisco August 13-14, at the Joy Drive-In in Cisco August 15-16, at the Star in Rising Star August 18-19-20 and at the Gorman theatre August 25-26.

"Man Alive" is really a study of the psychology of fear. It shows how fear can fight for you as well as against you, particularly in cancer. It is a cheerful film, there's nothing frightening in it, and it has a happy ending.

The plot is simple. The central character is Ed Parmalee, and it doesn't take long for members of the audience to identify themselves with Ed, his fears and problems, and the devious methods by which he tries to ignore them.

Ed has two main trouble spots—his car and his stomach. He has (Continued on Page Two)

PAGE ONE MUST

A. J. McDonnell of Midland is new owner of Pat's Radiator Shop. Pat Murphy has retired and sold the property to McDonnell. McDonnell, his wife and two nephews, Clyde, 9, and Russell Morgan, 13, are making their home at 105 Eastland Olive. They are members of the Assembly of God Church.

A representative of the Social Security office will be in Eastland Monday. He can be seen at 11 a.m. at City Hall.

The regular meeting of the City Commission, scheduled for this Thursday, has been postponed.

Desdemona's homecoming will be held next Saturday. That's also the deadline for entering the Farm Bureau's queen contest.

Greyhound Has New Agent; To Re-Do Terminal

Greyhound Lines announced Saturday that Margaret Mefford was new office manager here.

Announcement was also made that the local bus terminal would be redone. A spokesman said that a general paint up, clean up job was underway. Rest rooms will be spruced up and new lobby chairs installed.

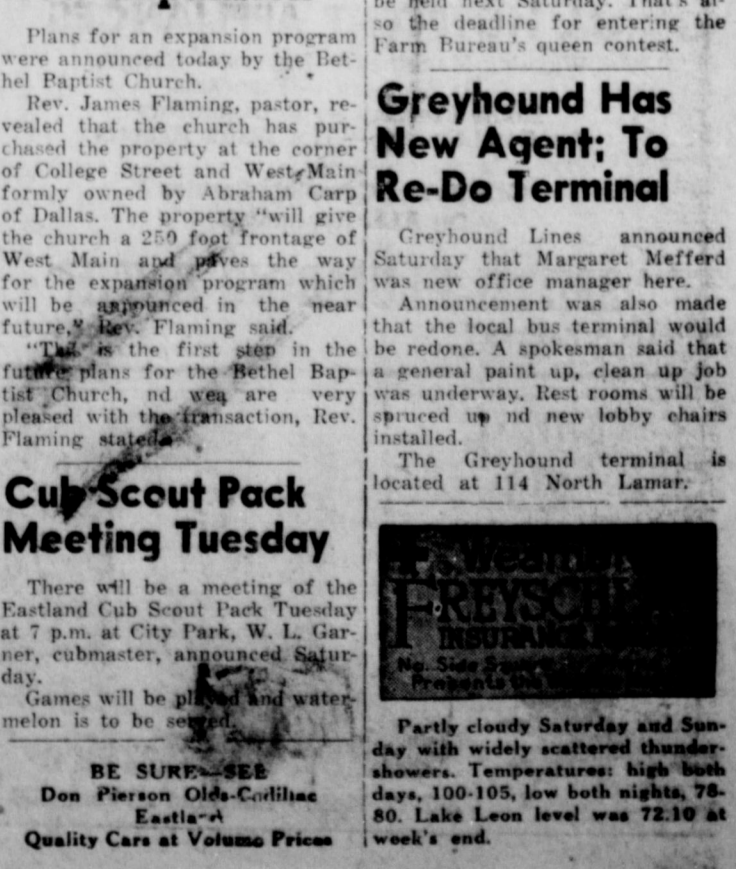

The Greyhound terminal is located at 114 North Lamar.

Prices On Broilers and Fryers Should Be Popular To Consumer

Supplies of broilers and fryers are making prices which should prove popular with consumers. August supplies are expected to be 20 percent above a year ago with an average of nearly 29 million birds going to market weekly. Prices are running 20 to 22 percent below last year.
Too, the USDA announced that the turkey crop is at least a third larger than a year ago with heavy breed hens and toms making up most of the excess.
Food shoppers will also find plenty of beef available. Large quantities of all grades are expected for August.
Fresh plums and Bartlett pears are two plentiful fruits listed. The plum market has hit its peak supply in August and prices usually break.
Other plentiful listed for August include fresh and processed lemons, peanuts, peanut butter, rice and hens.
The USDA suggests that menus featuring broilers and fryers or even turkeys be used during the coming month because of the supplies and favorable prices of these food products.

Greenbacks Close With 11-10 Win

Eastland National Bank Greenbacks snatched an 11-10 victory over Stephenville Thursday night to close the season.
The big bat of Larry Hollis boomed out a homer in the first to put Eastland in the lead. Stephenville bounced back in the second with three tallies to go ahead.
Eastland pushed across four counters in the third but failed to hold the lead as Stephenville put five markers over in the fourth.
The Greenbacks racked up three in the seventh to knot it at 10-all. After 1 1/2 innings Hollis again came through and drove in the winning tally.
Manning started on the mound for the Greenbacks, was relieved by Denny, then Robinson came on to chalk up the win.
The Greenbacks go to Mineral Wells for the Junior Teenage tournament this weekend.

Cancer -

(Continued From Page One)
blind spots about both. When his motor begins to act up he doesn't go to a reputable garage for repairs. He hears about a guy named Clyde who has a special system for "taking down" motors. In the long run this costs just as much as would work by a reputable mechanic, and the car still gives trouble.
Ed has chronic indigestion too and, instead of seeing a doctor, he keeps the Parmalee medicine cabinet full of nostrums. Ed's reactions to the chidings of his wife and stomach trouble, are identical and very, very human. At first he pretends that there's nothing really wrong at all, then when car and stomach symptoms get so obvious that they can't be ignored, he gets very angry and sarcastic.
But this routine doesn't keep him from finally being forced to take his car to a reputable garage for repairs. In the end, he even goes to his doctor with his stomach disturbances.
The medical difficulty turns out to be pretty routine — nothing serious, not cancer. But "Man Alive!" points up the fact that it could have been serious and that, if it had been, early diagnosis and proper treatment might have meant the difference between life and death.

4-H Dress Revues Begin This Week

Four-H club girls all over Texas will take part in the district 4-H Dress revues which begin this week. District contestants determine those eligible to compete in the statewide 4-H Dress revue Oct. 6, at the 1956 State Fair in Dallas.
Girls participating in the district competition have qualified by winning a county dress revue. An estimated total of 8,000 4-H club girls will compete this year.
Judging divisions include classification of school clothes, tailored ensembles, dress outfits and party dresses. Girls between the ages of 14 and 21 who have been active in 4-H club work for the past three years may enter.
Judges will select the high-scoring entries based on the poise and grooming of the girl herself; the value of the garment; and the girl's 4-H achievement and activities record.
First-place award at the statewide dress revue will be an expense-paid trip to the National 4-H congress in Chicago. Last year's winner was Marion Frances Dean of Denton.

County -

(Continued from Page One)
In Section 48, Block 3. Proposed depth is 1500 feet.
J. P. Morrison and H. S. Jondahl of Lubbock have spotted the No. 1 C. E. Bowden. It is located 1 mile south of Grafado on an 80 acre lease, TE&L Survey. It is to be 1990 feet in depth.
BROWN COUNTY
The No. 1 David L. Smith operated by Thrumman Parsons of Brownwood is located 1 mile north of Bangs in Section 23, HT&B Survey. Proposed depth is 1500 feet.
The No. 10 R. L. Westerman "B" was staked by Ambassador Oil Corporation of Fort Worth. It is located 2 1/2 miles east of Cross in Block 150, N. B. Mitchell. Proposed depth is 1250 feet.

Cadillac

Feels Even Better than He Looks

Ever notice how a man looks when he takes the wheel of his new Cadillac and heads for his favorite highway?
Take a good look the next time you have a chance—and we think you'll see a happy man!
There's just no mistaking the pride and satisfaction that show in his face... or the happiness and contentment that reside in his heart.
And, as any experienced Cadillac owner can testify, he feels every bit as wonderful as he looks! For a journey in the "car of cars" is both a marvelous tonic for the spirit... and a wonderful opportunity for physical rest and relaxation.
It starts the instant he slips into the driver's seat and rests his hands on the wheel. Those deep, soft cushions hold him in perfect comfort... and he is surrounded by beauty and luxury.
Even before he sets the car in motion, some of life's care and worry seem to go out of his day.
And then comes the miracle of Cadillac performance. It's an inspiration just to sit at the wheel... to look out over that graceful hood... and to watch the miles flow gracefully by.
And how easy it all is. Just a gesture of his hand on the steering wheel and the car follows effortlessly and obediently. Just a touch of his toe to the accelerator and the car answers instantly to the command. Just a nudge of his foot on the braking pedal and the car comes to a smooth, safe, silken stop.
Sound wonderful? Well, we sincerely urge you to come in at your first convenience—spend an hour at the wheel—and see for yourself.
We'll be happy to give you the keys... and the car... and some wonderful news about the cost and delivery advantages that you will enjoy if you make your decision for Cadillac today.
Why not stop in and see us soon?

"PISTOL-PACKIN' MAMA"—Come what may, she's prepared. One-and-a-half-year-old Anne Arledge, of Atlanta, Ga., keeps her cowboy hat and gun on as she goes about her chores as a mama.

Alfalfa, Important Hay Crop, Has Varied Uses To Farmer

Alfalfa is a crop of varied farm uses. It is important in Texas as a source of hay, pasture and seed and also as a soil improving crop. Its blossoms provide bees with a prime source of nectar for honey. E. M. Trew, extension pasture specialist, says the supply of high quality alfalfa hay never seems to be adequate. As a pasture crop, it is excellent alone for hogs but for cattle and sheep is usually used in mixtures with grasses. Its excellence as a soil improving crop is well established.

Alfalfa does best, says Trew, on fertile, well drained soils which are neutral to alkaline and of medium texture. With applications of lime and plenty of fertilizer, it is being grown on acid, sandy soils in East Texas.

The most widely adapted varieties are the "Common" varieties.

Texas, Southwestern and Barstov. These varieties are recommended for all of Texas except for the area south of a line east and west through College Station and San Antonio. For this section, Haiy Peruvian, Indian and African make more winter growth and more total yield than do the "Common" varieties. Arizona Chilean may also be used in this area.

Ranger and Buffalo are grown in the Rolling and High Plains areas for seed but have no advantage over the "Common" varieties in forage production. Prostrate varieties for pasture have not been successful in Texas, says Trew.

Fall seeding is best for establishing alfalfa stands. The seedbed should be firm, clean and moist. Seed may be planted in dead stubble in areas where wind or blowing sand is likely to damage the young plants. Alfalfa needs plenty of potash and phosphorus as well as calcium. A soil test will determine these needs.

Trew says from 15 to 20 pounds of good seed should be seeded per acre. If planted in 36 to 42 inch rows for grazing in dry areas, from two to three pounds of seed per acre should be used. Only certified seed should be planted and it should be inoculated just prior to planting. And finally, Trew says, don't plant alfalfa on land infested with cotton root rot.

Rev. Turner To Fill Pulpit At First Christian

Rev. Roy M. Turner will return to the pulpit of the First Christian Church Sunday after an absence of two weeks. At the 11 a.m. worship service he will speak on the subject: "This Is Our World."

The church school, under the superintendency of W. Q. Verner, will meet at 9:45 a.m. to consider: "A Call to Christian Living," based on I Peter 2:1-3; 4:1-11; II Peter 1. Classes for all ages in the art of Christian churchmanship are provided.

The church young people (junior high through college age) are asked to meet with the pastor in Fellowship Hall at 6:30 p.m. This is a very important meeting concerning our Youth Round-Up to begin August 12th.

The church at Vespers will be held at 7:30 p.m. At that time the pastor will bring the fourth in a series of sermons: "This Is Our Church." Following this service the church board will hold their regular August meeting.

The executive meeting of the Christian Women's Fellowship will be held at 4 p.m. Monday at the home of Mrs. Virginia Collings.

Eastland OES To Meet Tuesday

A stated meeting of the Eastland chapter No. 280 of the Order of Eastern Star, will be held Tuesday at 8 p.m. in the Masonic Hall.

A Robert Morris program honoring brothers of the order will also be held. Following the meeting, Christene Garrard, junior matron, will be honored in the banquet hall.

All members are urged to be present and visitors are welcome. Marraine Jones is worthy matron and Tebble Boles is secretary.

RETURNED FROM CALIFORNIA

Visiting in the home of Rev. and Mrs. Roy M. Turner this week is Mrs. Edna Turner, mother of Rev. Turner. She returned with them Thursday from California.

The Turners with their children; Kathleen Ann, Andrea Lee and Eric Bruce have spent the past two weeks visiting relatives in El Paso, Texas, Santa Monica, Rialto and Azusa, California. En route they visited the Painted Desert, the Petrified Forest and Grand Canyon. The high point for the children was visiting Disneyland and Knott's Berry Farm.

The five Turner brothers and their families held a reunion in Covina one day. It was the first time they had all been together in ten years.

While in California the Turners attended the annual convention of the Christian Churches of Southern California. Mrs. Turner was a guest of the ministers' wives tea. In 1952 she was treasurer of that organization.

Jasper Manton To Be Presbyterian Speaker Sunday

Morning worship at the First Presbyterian church is at 11 o'clock. The worship leader and preacher will be the Rev. Jasper Manton of Dallas.

Dr. Manton is the stated clerk of the Synod of Texas, and its treasurer, and the director of the Synod Foundation. Until last year, he was, for many years, pastor of Trinity Presbyterian Church, Cliff, Dallas. He is also one of the 30 members of the General Council of the General Assembly, which group is the guiding committee for the entire Presbyterian Church in the United States of America.

Dr. Manton is the brother of Mrs. B. W. Patterson of this city. "We are fortunate indeed to have Dr. Manton as guest minister of the church for the first two Sundays in August."

Sunday church school meets at 10 o'clock.

The Women's Association meets Tuesday morning at 9:30 o'clock, at the church.

IN GORMAN HOSPITAL

Among the patients in the Blackwell Hospital in Gorman this week were Mrs. Randel Overstreet and H. D. Sessum both of Eastland and Mrs. Tom Greer of Carbon.

Fishing Finally Catches Up With Electronic Age With New Device

Fishing has finally caught up to the electronic age.

With the help of a new electronic message device fishermen can now be assured of a relaxed and pleasant day — regardless of whether or not the fish are cooperating.

The message unit is designed to do away with "sitting fatigue," sluggishness and tension while waiting for fish to bite. The message unit is a soft flat pliable rubber pad with built-in cyclo-massage motors. The pad is designed so that it easily fits into any seat or deck chair on almost all boats. The fisherman can either sit on the pad or use it behind his back. The cyclo-massage motors produce a fine cycloid action which gently massages the body while the fisherman sits and waits.

For the fisherman cyclo-massage means complete rest and relaxation at all times. He also is completely free to continue his fishing while being massaged.

The message unit is available in 6, 12 and 24 volts and has a long extension cord, which can easily be attached to the boat's electrical system.

The fisherman's cyclo-massage unit has the same type of action contained in units used by coaches and trainers in relaxing athletes.

Men of the area are invited to attend all or any portion of the meeting and more than 1000 are expected, Clifford Leddy of Abilene, district Brotherhood president, said.

The Oklahoma governor, elected to office in 1954, is a noted speaker and was on the State Brotherhood program last year in Houston. He is a Baptist and has served as superintendent of Sunday school and chairman of the board of deacons of his home church.

Among the other speakers will be Rev. L. L. Trot, district secretary, and Bryan Bradbury, attorney, both of Abilene, Rev. C. A. Powell of Crowell and Rev. Byron Bryant, Stamford, encampment president. Recognition of guests will be made by Joe Breed of Anson, Leddy and Judge B. A. Cumble will preside.

Outstanding on the program will be a talk on "Organized Manpower" by Fred C. Hughes of Boerne, state Brotherhood president.

Farm accidents, reports W. L. Ulich, extension agricultural engineer, are killing on the average 40 farm residents each day and injuring one farm person about every half minute.

WEEK END VISITORS
Mr. and Mrs. B. M. Collie of Aulin, spent last week end with his sister, Mrs. T. J. Hatley and his brother, T. M. Collie and sisters, Mrs. J. E. Walker and Mrs. T. F. Morrow in Gorman.

THANKS FOLKS, WE GOT ELECTED —
... and it's a nice tribute to be favored with the confidence and good-will of one's neighbors and friends. Getting elected, however, may apply to business as well as politics. I doubt if we could get very far in a political race, but when it comes to the proposition of looking after your insurance needs a host of customers for more than 32 years have favored us with a vote of confidence, and still do. And for that we are deeply grateful.

The case of the irate wife —

ONCE there was a husband who was definitely in the doghouse.

When he came home from work, his wife was no place in sight. But on the table, there were some scraps of paper. Closer inspection proved that the scraps were the remains of his U. S. Savings Bonds.

What happened next between husband and wife is not known, but here's what the record does show. The husband sent the scraps of Bonds to the Treasury Department. And new Bonds were issued without charge to replace his original ones. So all ended happily.

Everything usually does end well when you put your money in Bonds. Here's why. You just can't lose a U. S. Savings Bond. No matter whether it's misplaced, stolen, or destroyed, the Treasury Department will replace it.

Savings Bonds are not only safer than cash, but one of the best investments you can make. You can be sure of the principal, sure of the returns (an average 3% interest when held to maturity) — and sure of the future when you invest regularly in Savings Bonds.

So start investing in safe and sure Savings Bonds today!

For the big things in your life, be ready with U. S. Savings Bonds.

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

CARD OF THANKS

We wish to take this means of expressing our sincere appreciation to the host of neighbors and friends for their many acts of kindness and expressions of sympathy in the final illness and death of our beloved husband and father.

The Quarles Family

Richard Bumpass has been visiting his mother, Mrs. Anna Grace Bumpass for a few days before going to Texarkana to conduct a revival.

CHURCH SERVICES

Emphasis At First Baptist Church To Be On 'Revival,' Pastor Says

The emphasis will be on "Revival" at First Baptist Church Sunday in preparation for the revival which begins Friday night, August 10th.

The pastor, Rev. Harvey Kimbler, announces that Rev. Robert L. McGinnis of Dallas will be the preacher for the revival and John Dickey, music and education director at First Baptist, will be the singer. Also in preparation for the revival, prayer meetings will be held at the church Monday and Tuesday nights at 7:30.

Eastland To Be Represented At Christian Meet

Mrs. Harold Glen Brown, author of the popular teen-age book, "Seven Teen Years," and Dr. Paul G. Wassenich, chairman of the Disciples of Christ Bible chair at the University of Texas, will address what is expected to be Texas Christian Churches' largest State Youth convention August 8-11.

The annual convention expected to draw more than the record 1,200 that attended last year's meeting, will be held on the campus of Texas Christian University in Fort Worth.

Mrs. Brown will deliver the convention's evening addresses on the theme: "Not My Will But Thine." The morning addresses by Dr. Wassenich will deal with the nature of sin and the revelation of God through Christ. These messages will be the basis of youth discussion in 30 study groups.

First Methodist Announcements

The following services will be held this week at the First Methodist Church:

Church school begins at 9:45. Morning worship at 10:50 with the pastor, Rev. Richard R. Smith, in the pulpit. His subject will be "The Word and The Sacrament." The choir will sing an anthem and there will be a male quartette by Billy C. Frost, Homer Smith, Al Lotspeich, and E. A. Hake. Among the organ selections that Mrs. Lotspeich will play are "The Swan," by Saint-Saens and "Larghetto" by Beethoven.

The youth fellowship meets at 6:15. The seniors will have Sidney Soule as leader in the discussion of "What Makes Right?" The intermediates will be led by Alice Frazer. The evening service begins at 7 o'clock with the pastor bringing the message on "From Fear to Faith." The youth choir will sing directed by Windell Siebert. Monday morning at 9:30 the Boies circle of the WSCS will meet with Mrs. Cecil C. Collings.

All this week beginning Monday evening at 5:45 with supper there will be youth activities. Each evening they will meet with supper at 5:45 and afterward there will be special events, activities and inspiration for all youth, junior high and on through the older group. All are urged to come and bring someone with them.

RECENT VISITORS

Mr. and Mrs. Doyl Williams of Freer, have been recent visitors with his sisters, Mrs. Roy Rushing, and mother, Mrs. E. E. Williams.

Christian Science

The fact that all things are possible to God will be brought out in the Lesson-Sermon entitled services Sunday.

Scriptural selections to be read from The King James Version of the Bible will include Paul's statement to the Philippians (4:13): "I can do all things through Christ which strengtheneth me."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (182:30-4): "To admit that sickness is a condition over

which God has no control, is to presuppose that omnipotent power is powerless on some occasions. The law of Christ, or Truth, makes all things possible to Spirit; but the so-called laws of matter would render Spirit of no avail, and demand obedience to materialistic codes, thus departing from the basis of one God, one law-maker."

Keynote speaker for the three day gathering will be Miss Mary Schroeder, president of the Texas Christian Youth Fellowship and a student at TCU. She and the other officers of the State CYF will preside at all sessions of the convention, and youth will participate as leaders in every activity scheduled for the meeting.

The annual convention is planned by youth for Christian youth. One of the highlights will be an original drama on prejudices presented and written by members of the CYF of Fort Worth's University Christian Church.

A sunrise communion service in TCU's Amon Carter Stadium will climax the 13th annual Texas Youth convention. Hundreds of high school youth from Disciple congregations across the state will participate in the service.

The pastor of the local Christian Church, Roy M. Turner, along with several young people will be in attendance for this convention.

Bethel Baptist Church Services Are Announced

Services at the Bethel Baptist Church will begin Sunday morning with Sunday School at 9:45.

Associate Supt. Marcus O'Dell will be in charge of the opening assembly. Worship service begins at 11 and the pastor, James Fleming, will speak.

Evening worship hour begins with thaining union at 7 and worship services at 8 p.m.
