PRO AND CON OF THE SENATE AIR MAIL PROBE

Exponents and Proponents of Cancellation Give Their Views on the Subject
TWO SENATORS EXPRESS VIEWS ON THE SUBJECT

LABOR STRIFE IN DETROIT IS STILL ACUTE

By United Press
DETROIT, April 12.—The ever-
lasting rumble of labor contro-
versies over the motor plants, threat-
ened today to cause a crippling
strike. Employers and workmen
fought over an issue in the vital
tool and die industry.

Employers refused demands for
20 per cent pay increases and a
26-hour five-day week. Speaking
through their associations, they
charged with mechanics education
society with jeopardizing the re-
covery program.

Although only 5,000 workmen
from 62 tool and die plants will
ballot at 8 p. m. on a strike vote,
a decision on the threatened mid-
night walkout would effect 20-
000 tool and die workers. The
strike order would call thousands
from their machines in the larger
plants, not directly concerned in
the controversy.

Last Rites Said For Mrs. Brawner; Here Thursday

Funeral services for Mrs. Laura
L. Brawner, 46, wife of S. S.
Brawner of Eastland, who died at
1:20 o'clock Tuesday afternoon at
the home of her sister, Mrs. J. W.
Burkett, in Sweetwater, were con-
ducted from the Church of Christ
in Eastland at 3 o'clock Thursday
afternoon with Rev. W. E. Moore,
pastor of that church, officiating.
Large floral decoration graced in
simple dignity the church.

Mrs. Brawner was well known
in Eastland and the surrounding
community as she was born in the
Flatwood community and had
lived practically her entire life in
the county. She was the mother
of six children who attended East-
land schools.

Mrs. Brawner is survived by her
husband, six children, four grand-
children, 10 brothers and sisters.
The children are Mrs. E. S. M.
Massey of Archer City; Mrs. W. B.
Freeman, Dallas; Peral Brawner,
who at present is traveling out of
St. Paul, Minn.; Aubrey Brawner,
Eastland; Mrs. Stephens Kidd,
Eastland, and Miss Lurline Braw-
ner, Eastland.

Tennis Games to Determine Champs

The all-around championship of
interscholastic district No. 6 will
be decided between Eastland and
Breckenridge, Friday, at Brecken-
ridge, by the playing of the ten-
nis matches. The tennis games
were postponed from last Friday
because of inclement weather
which left, in the balance, the win-
ner of the meet.

At present Breckenridge's lead
over Eastland is one and a half
points. Eastland has amassed 62
points.

Sen. Black Claims Subsidies Needed Thorough Probe

Editors' Note: The following, written
by Senator Hugo L. Black, leader of the
air mail investigation, presents the demo-
cratic answer to the criticism of the ad-
ministration air mail policy by Senator
Warren R. Austin.

By SENATOR HUGO L. BLACK
Chairman, Special Air Mail Invest-
igating Committee
(Written for the United Press)

WASHINGTON.—The senate,
by unanimous vote, created the
committee to investigate ocean and
air mail contracts.

The unanimous action was evi-
dently the result of a well founded
belief in the senate that these sub-
sidies, amounting to many millions
of dollars, needed to be exposed to
careful scrutiny.

The results of the investigation
have proven the senate was right
in this unanimous action.

Fraud, crookedness and corrup-
tion have been shown to exist. The
taxpayers have been plundered by
millions of dollars by the manipu-
lation of lobbyists, contractors and
government officials.

Lobbyists have been shown to
have spent thousands of dollars in
securing contracts. Lobbyists have
been shown to have supported and
maintained stock speculative ac-
counts for the very government
employees who aided in bestowing
these contracts. Thousands of
dollars have gone from the sub-
sidized funds of contractors to em-
ploy men who had political influ-
ence directly or indirectly, both to
pass laws and to secure contracts.

Pioneer flying operators have
been forced to sell their business
to make way for political favorites.
Officers and stockholders of favored
companies have grown to be
millionaires as the result of the
steady stream of government
funds diverted by unfair means into
their pockets.

Sen. Austin Tells Why He Opposes New Air Mail Bills

Editors' Note: In the following dis-
patch, Senator Warren R. Austin, Ver-
mont, republican, leading critic of admin-
istration air mail policy, gives his views
on the situation.

By HON. WARREN R. AUSTIN
United States Senator, Vermont
(Written for the United Press)

WASHINGTON.—Immediately
after the election in November,
1933, those who did not have air
mail contracts formed a society
for the purpose of securing can-
cellation of the existing contracts
and the opening of them to com-
petitive bidding for the purpose of
taking away from those who had
contracts and letting to those who
did not have contracts.

Propaganda and lobbying by the
members of this organization and
their attorney resulted in the ap-
pointing of a special senate in-
vestigating committee, in the enact-
ment of a resolution authorizing
the president to cancel contracts
upon 60 days' notice, public hear-
ing, and the awarding and pay-
ment of damages therefor. It
should be noted that these can-
cels were not made under this
law.

Then began hearings by the spe-
cial committee. Members of that
society participated. A camou-
flage of the operations of this so-
ciety consisted in the pretense that
their objective was to fly the mail
for less money than the govern-
ment was paying. This sham is
exposed by pointing out that the
postmaster general has arbitrary
power given him in the law to fix
the price from time to time as he
saw fit. The insincerity of it as
a defense by the postmaster general
is exposed by the fact that he had
contrary he had asked congress for
an appropriation increased by one
million dollars. It is my opinion
that the charges of fraud were
trumped up as a smoke barrage to
conceal operations under the plot
of the society referred to and cer-
tain members of the post office
department.

On Feb. 9, 1934, all the con-
tracts were cancelled effective as
of Feb. 19.

Then followed the ill-considered
use of the army to fly the mail
with its hastily lost president life.
The president was misled into
support of this policy by repre-
sentations in writing made by the
solicitor of the post office depart-
ment and an attorney of the de-
partment of justice. These repre-
sentations give the false impres-
sion that certain contracts were
extended in time for six months
without authority of law and with-
out the charges of fraud were
granted without authority of law.
A fraudulent misrepresentation was
made that "the entire system of
the United Airways was built by
the certificate or extension meth-
od." That fact is that it was built
up by the competitive bid method.

These written representations
did not inform the president that
the transaction at the "spoils con-
ferences" were done under provi-
sions of the McNary-Watras act
and a declared policy of the gov-
ernment which required such
meetings.

Women's Clubs to Share Proceeds Of Lyric Show

The local women's clubs repre-
sentatives working in conjunction
with the Texas Federation of
Women's Clubs in celebrating
"Woman's Day" in the Lyric
theatre here on April 26, are look-
ing forward to great success of
their enterprise by which a liberal
portion of the receipts of Lyric
theatre will be turned over to the
federation representatives.

In a statement today Mrs. J. M.
Perkins lauded the plans of Man-
ager Johnnie Burke of the Lyric
theatre and his organization.

"The plan whereby we are to re-
ceive a share of the day's receipts
of the theatre is a splendid one,"
said Mrs. Perkins. "It strikes a
new note in community work and
I believe is the first time a theatre
has entered into such co-operation.

"As nearly everyone knows, the
clubhouse of the Texas Federation
of Women's Clubs—an imposing
structure in which are centered the
activities of 30,000 Texas club
women—bears a mortgaged in-
debtedness and the funds realized
from today's theatrical activities in
our behalf throughout the state
will materially reduce this debt,
thanks to the efforts of Mr. Karl
Hoblitzelle of Dallas, who besides
contributing a share of the re-
ceipts from his theatres, interested
theatre owners throughout the en-
tire state.

"Here locally we are being given
every consideration by Manager
Burke of the Lyric theatre, who is
working as hard as we are to
make the day a success. He is in-
teresting business men and work-
ers of the city in the project and
I look for a banner day at the
Lyric theatre."

M. E. Church Gets Ready for The Dist. Conference

The Methodist church plans for
full report at 2nd quarterly con-
ference Tuesday night and the
district conference Thursday and
Friday at De Leon.

Eastland will take up a won-
derful report, 175 new members
this year, and the Board of Stew-
ards are working to have all the
local budget and conference col-
lections up in full for the first
five months.

Sunday morning the pastor,
Rev. Rosemond Stanford, will
preach on "Financing the Church"
and Sunday night's subject is "All
that Is Within."

GO AS HIGH AS 60 PER CENT IN SOME CASES

Bill Expected To Bring \$85,000,000 Into the Treasury Annually.

WASHINGTON, April 12.—In-
creased taxation on large inheri-
tances was written into the tax bill
by the senate today as it neared
final action on the measure.

Adopting the LaFollette estate
tax schedules, the senate approved
a series of rates ranging from 1
per cent on net estates not in ex-
cess of \$20,000 to 60 per cent on
net estates in excess of \$10,000,000.
It was estimated to yield
\$85,000,000 in additional reve-
nue.

The first \$40,000 of any estate
was exempted.

The completed bill was expected
to carry a lower levy than at pres-
ent on small incomes and sharply
higher taxes on larger estates
which constitute family fortunes
handed down from generation to
generation.

The measure also closes loop-
holes used in the past for tax
avoidance.

The bill is changed since it passed
the house on Feb. 21. After
senate passage it goes to confer-
ence for shaping into a measure
which can become a law with ap-
proval of the two houses.

Phone Employees Of District Meet In Ranger Tuesday

About 25 employees of the
Southwestern Bell Telephone com-
pany met in the national guard
armory in Ranger Tuesday night
in a district meeting at which rep-
resentatives of the company from
Eastland, Ranger, Cisco, Albany,
Breckenridge and Fort Worth
were present.

A business meeting was held,
after which a lunch was
supplied by the losing team in a
sales contest for the winners. The
meeting adjourned shortly be-
fore 11 o'clock.

who attended included F. W.
Chapman of Fort Worth, district
plant chief; Bert Schaeffer of

First Earth Tremor Is Felt at Paris

PARIS, Tex., April 12.—The
first earth tremor ever felt in
this area so far as residents could
ascertain, was a chief topic of
conversation here today.

The tremor, which occurred
shortly before 8 p. m. yesterday,
was slight, but was sufficient to
rattle windows and cause build-
ings to vibrate.

At Greenville, where it was also
felt, one resident reported the
shock caused a kerosene lamp to
fall from a table in his home.

Welterweight Fight May Be Postponed

FORT WORTH, April 12.—
Probability the world's junior wel-
terweight fight here April 20 be-
tween the champion, Barney Ross
and Tony Herrera, El Paso chal-
lenger, will be cancelled, was seen
here today.

Boxing authorities here said
that only a miracle could save the
fight. Pressure has been brought
to bear, it has been said, by New
York boxing interests for fear
the Herrera-Ross fight would
jeopardize the Ross-McLarnen
bout signed for New York.

New York promoters of the
fight see in Herrera a strong pos-
sibility of victory over Ross.

Having a large mouth and throat, the tiger shark has no trouble in swallowing a man. It sometimes bolts its food hurriedly, however, and many curious articles have been found in the stomachs of these creatures.

Wards Add Eight New Salespeople For Ward Week

Eight salespeople have been added to the sales force for Ward Week which starts today. They will assist in serving the thousands of thrifty-minded shoppers who will take advantage of the new low Ward Week prices.

"No matter how large the crowd," states Mr. Fesmire, manager of the local Montgomery Ward store, "we are enabled by the additions to our staff to assure every Ward Week visitor prompt and efficient service."

Wards have chosen salespeople from Ranger and vicinity. It's the policy at Wards to employ as many local people as possible in Ward stores.

Mr. Fesmire has announced that savings are far greater than ever, even considering Wards reputation for value-giving. Judging from the response to former Ward Weeks, Mr. Fesmire feels that the shoppers of this vicinity will take keener interest in this present spring event.

Four Starred in Film Story from Stage Hit
Rose Albert Porter's play, "Chrysalis," furnishes the story

substance for Paramount's dramatic romance, "All of Me," which will make its Eastland debut at the Lyric theatre today.

Frederic March, Miriam Hopkins, George Raft and Helen Mack are featured in this frank story of a young Park Avenue society debutante who wants love, dares experiment with it, yet fears it.

And how she finally learns the difference between her kind of romance and real love brings the picture to an interesting, entertaining finish.

March, a college professor-engineer, in love with Miriam Hopkins, society girl, wants her to go west with him on a dam project. She rebels at the thought of life in a small town, and lies to him about why she can't marry him.

In the meantime, they become interested in a pair of lovers, George Raft and Helen Mack, whom they meet in a speakeasy. These law-crushed kids are railroaded into prison and Miss Hopkins, through reasons which she can't explain, tries to help them.

Acting as ago-between for the pair, she learns what true, fine, uncompromising love really means.

In helping Raft escape, a guard is shot. The police trail him to an apartment where Miriam has hidden Helen Mack.

And then, when the police close in on them, a dramatic climax is unfolded which, after exciting complications are cleaned up,

sends Miriam hurrying to March's arms and heart.

James Flood directed the picture.
