

Mavericks Eye Victory Over Gorman

Moore... ABOUT Eastland

By Virgil E. Moore

Sid Gaines, Rotary district governor, described a Rotary club this way on his official visit here: "It is where more good men eat more bad meals for more good causes than any organization in the world."

Received a card the other day from Tom Lovelace Jr. from Reno, Nev. He reported things in good shape up that way. Also got a card from someone showing three snakes talking to each other. Said "Don't blame me if you don't have a pit to hiss in. I voted Democratic."

We found out that there is one glaring error about reports you receive about Elvis Presley. Presley isn't just liked by the teenagers. The teenagers, it is true, apparently think he is plenty hot stuff, but their mothers, grandmothers and younger sisters think he is pretty good themselves.

In fact, after reading all the letters that came in to our office concerning Elvis, we have decided to award the 14 Presley records we promised to the person who would write us the best reasons he or she liked the rock and roll style of the latest singing sensation to Mrs. Walter Broom of Gorman, Box 362.

Some of the teenagers gave Mrs. Broom a run for her money, but they just didn't sound as sincere. Writes Mrs. Broom: "I saw in the good old Eastland Telegram about writing a letter about Elvis Presley records. I think they are the best on the market and would not be without them. It was my greatest pleasure to see him in person on a TV when I was staying with neighbor children. It made me more proud of my records just seeing him on TV. We don't have a TV but we have a record player and sure do enjoy all of Elvis Presley's records." They are in the mail!

Well, it's been a long time since someone was going to run us out of town, but a fellow who said his name was Henry promised to do it early Wednesday morning. The guy gave us his last name, something that is unusual and something which we must credit him for doing, but we won't use it here (he may have slipped us the wrong name).

The phone rang at our home and the wife said it was for us. "Is this the editor?" a not too pleasant voice asked. We assured him it was and he immediately informed us that, "We don't need guys like you around here."

"We hadn't had any trouble," the voice asserted, "but now you have started it." Then Mr. Henry went on to tell us he didn't like what we said about Blinn Junior College forfeiting their game with Westco JC because the Eastland faculty team plays Negroes.

Again he informed us that we weren't needed around here and then said, "And maybe you won't be around here long, either. We will get a group together and run you out of town."

The fellow left us wondering just how he was going to run us out of town. His "little group" he mentioned made us immediately think of fellows running around in white sheets and burning crosses.

Well, fellow, we are not what a lot of guys like you like to call a "Nigger lover." We don't have any special love for the Negro, but we don't have any special hate for them either. We were born and raised in Corsicana, Navarro county, Texas. Around there they call that Central Texas. It's really East Texas though; only 37 miles from Athens, and a lot farther east than Greenville, where they have "the blackest land and the whitest people."

If you think your 200 pounds gives you the right to tell us what to print, what to think and what to do you have another think coming. For my money, you, with your Hitlerite action and your "little group," are the fellow who "has started the trouble."

If you want to do any running out of town or burning any crosses, we might point out that our office is at 110 West Commerce and our home is 1601 South Bascom. (Continued on Page Five)

NAVY ROCK 'N' ROLL—Submarine trainees have an opportunity for dockside seasickness in the Navy's newest electronic device—the Universal Submarine Simulator. The operator, right, has fed a problem into a computer whose signals have actuated the Simulator into making a pronounced pitch—such as might take place in heavy seas or in making a high-speed turn. The operator can rock the Simulator to angles of 45 degrees, and can duplicate sea conditions from dead calm to hurricane force. Student submariners thus run the gamut of submarine operating conditions before they ever step aboard one of the Navy's undersea vessels.

Livestock Association Names Presley President

Members of the Eastland County Livestock Raisers Association Wednesday night unanimously elected Bob Presley of Cisco as new president of the organization. Presley was the only new officer named. Three Eastland men were re-elected. Brandy Humphries was re-named vice president, C. M. McCain was again elected treasurer and Don Hart will serve another term as secretary. Almost 300 persons were on hand for the occasion, which was held at the Association's property at the Eastland airport.

Bass Lead in Catches At Lake Leon

The only report coming in this week from Lake Leon was from Frank and Earle's Lodge. O. E. Dowden of Ranger and M. G. Jorjunge of Big Spring, report two three-pound bass and one weighing two pounds. Boone Yarbrough and Jack Rawls of Ranger, caught three bass weighing three pounds and four weighing one pound each. R. R. Grayes of Ranger reports two bass weighing one and three-fourth pounds and one weighing one and one-half pounds, and a five-pound blue cat. Frank Williamson, owner of the Lodge reports 19 channel cat weighing from one to three pounds.

New Medical Doctor Here

Eastland has a new medical doctor. He is Dr. W. R. Shaw, formerly of South Dakota. Dr. Shaw is associated with Dr. M. A. Treadwell, and will have his office at the Eastland Medical and Surgical Clinic. Married, he is the father of an 18 month old daughter. The Shaws are making their home in the Hillside Apartments.

Street Marking Project Is Completed

Mrs. James Horton, chairman of the citizens committee organized to get street markers for all intersections in Eastland, Wednesday reported complete success of the drive. Mrs. Horton said that not only had 196 markers been purchased and paid for, but that all houses in the city had been properly numbered, and a local surveyor has agreed to prepare a new city map showing all proper numberings. Mrs. Horton reported a total of \$1585.78 was collected, \$2.83 more than was needed. The Civic League and Garden Club gave \$100, the Rotary Club \$100, Chamber of Commerce \$100, Lions Club \$50, Eastland National Bank \$50, Bell Telephone Co. \$50, Texas Electric \$50 and large individual donations totaled \$75. In the house to house canvass, Mrs. Ferhman Lund collected \$363.28 in the southwest section; Mrs. Tom Stamey \$162 west of College street; Nettie Wilson, \$270 in the southeast section; Gerry Leslie \$152 in the northwest section and Virginia Inzer \$57 in the northwest section. Mrs. Horton gave the following report to the Civic League and Garden Club, original sponsors of the drive: "On July 9 a meeting was called at the City Hall; representa-

Last Non-District Game For Both 11's

Eastland's Mavericks, with the taste of their loss to arch-rival Ranger still fresh in their mouths, will play host to the Gorman Panthers here Friday night in the last non-district game of the year for both teams. With two losses in their last two starts, the Mavs will be trying hard to get in the win column. The Panthers, on the other hand, have played their best two games of the year in their last two openings. They downed Dublin 12-0 week before last and tied Clyde 9-0 last week.

Eastland Exes Help Plan RJC '56 Homecoming

Plans for the Ranger Junior College homecoming are nearing completion. The homecoming will be held Saturday, Oct. 20. Scheduled events include a downtown parade at 4 p.m., a barbecue at the college campus at 5:15 p.m., the RJC-Parleton State grid contest at 8:16, and the dance following the game. General chairman of the homecoming is Lee Russell, president of the ex-students association. He has appointed the following committees:

Finance—Alvis Wood, Dr. Price Ashton, Wilson Guest, Lee Russell and Miss Waldine Kribbs. Publicity and Invitations—Mrs. Price Ashton, Mrs. Mamie Ruth Hamrick, Mr. and Mrs. Joe Dennis, Mr. and Mrs. A. Webb, Mr. and Mrs. Morris Campbell. (Continued on Page 7)

Four District Court Convictions Given

Four convictions were handed down in 91st District Court this week. Odell Christian, Negro, was found guilty of burglary of a private residence at night and for assault with intent to rob. He was given 10 year terms for each offense, to run concurrently. Christian was charged with attempting to rob an aged Negro woman. When his case came up for trial last month he failed to appear and Judge Turner Collier ordered his bond forfeited. Christian was arrested earlier this month in Oklahoma and returned to Eastland to face trial. He entered a plea of guilty. J. S. Smith of Breckenridge was given a 30 day jail sentence plus cost of court after pleading guilty to driving while intoxicated.

Education Here Costs \$1.70 A Day—Marshall

"It takes just about \$1.70 a day to educate Eastland children," Charlie Marshall, Eastland High School principal, told Lions Tuesday at their regular noon luncheon. Marshall said that compared to a national average of \$1.53 a day, pointing out that some schools are a lot higher, some a lot lower. "The strength of America today lies in our education," he asserted. "What we think and what we know will determine what we do."

M. H. Perry In Dallas For Top Insurance Meet

M. H. Perry, Southland Life Insurance Company representative at Eastland and member of the company's top honor club, the President's Club, attended a three-day seminar conducted by Southern Life Insurance Company at its home office in Dallas, October 8, 9, and 10. Seminar activities are designed to afford advanced instruction to veteran agents.

Farm Bureau To Study Cotton Classification

Efforts of Farm Bureau leaders in Texas to insure accurate classing of cotton by the government now has the wholehearted support of the American Farm Bureau Federation. Charles B. Shuman, president of the American Farm Bureau Federation, today announced the reactivation of the AFBF Cotton Committee to give specific study to the establishment of a non-governmental cotton classing review board — for the purpose of reviewing controversies over cotton classing. This action is a direct result of efforts by Texas Farm Bureau leaders to obtain accurate class-

Band Returns From State Fair Late Wednesday

Members of the Eastland High band returned from Dallas "tired but happy" Wednesday night. Band members took part in the giant pageant held at the State Fair, featuring the presidential race. Afterwards they took in the giant fair. Forty bandmen made the trip, accompanied by Howard Gill, bandmaster, Mrs. Gill and son Ernest, Hubert Jones, Mrs. L. E. Huckabee, Mrs. Clyde Young and Max Thornell.

"Slow Down At Night," Current Safety Program

"Drive right, slow down at night."

In these words, E. C. McFadden, President of the Texas Safety Association, Inc., today emphasized the necessity of reducing speed at night. McFadden spoke on behalf of the current safety-after-dark program of the Texas Safety Association.

"Darkness reduces visibility, so the distance you can see at night is greatly limited," he said. "A good rule of thumb is to travel at a speed that is slow enough to enable you to stop within the distance covered by your headlight beam."

"Even when traveling at a lowered speed, the driver is still in greater danger of an accident at night than in the daytime, so he must increase his vigilance," McFadden said. He especially cautioned drivers to watch out for pedestrians dressed in dark clothing or for vehicles with dim lights or no lights at all.

"Be sure your own lights are in good condition," he warned. "Make it a habit to turn on your driving lights at the first hint of dusk, and always use them properly. Use the upper beam only on rural highways when no approaching car is within 1,000 feet. Dim your lights even though an oncoming driver fails to dim his."

It's also important that all parts of your car be in top condition. Because danger is much closer before you can see it in the darkness, night driving makes sure mechanical response a must, McFadden said.

Here are a few more do's and don'ts the president mentioned. Be sure your lights are turned on before you pull onto a thoroughfare at night. Don't wear tinted glasses at night. Never stop on the traveled portion of the highway at night; pull completely off the road, leaving parking and dome lights on. If you must have full headlights on, dim them. It's also a good idea to have your directional light flashing. Carry flares for use in emergencies. All of these precautions help to let other drivers know you're stopped.

"And remember," McFadden said, "The most important rule of all is: 'Be your brother's keeper.' At night it's twice as important to give the other fellow the benefit of the doubt in traffic."

LEGAL NOTICE

CONTRACTOR'S NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 4.874 miles of Gr., Strs., Base & Surf. from end present FM 2214, S.E. to int. FM 571, 12.9 mi. VISITING GRANDPARENTS

Cynthia and Kenneth Smith, children of Mr. and Mrs. James Smith, are visiting their grandparents, Mr. and Mrs. L. D. Lewis and Mr. and Mrs. Herman Smith in Cumby this week.

WENT TO FAIR

Mr. and Mrs. O. H. Dick of Odessa and Mr. and Mrs. Joe Dennis of Ranger spent the week end in Dallas, where they attended a Press Banquet and the state fair.

Trent Root, Vice President SMU, Speaks at Civic League Luncheon

The Civic League and Garden Club opened the 1956-57 club year with its annual Opening Luncheon Wednesday at noon in the Connellee Hotel Roof Garden.

Mrs. Horace Horton, vice president, was master of ceremonies in the absence of the president, Mrs. Arthur Murrell.

The invocation was given by Mrs. Frank Sparks.

Mrs. Barbara Caffey, of the Caffey Dance Studio, presented a ballerina dance.

Visitors were welcomed by Mrs. Horton and given an invitation to join the club. A report on the street marking campaign was given by Mrs. James Horton. She said the street signs should be here by November 1. Members serving on that committee were introduced as Meses. Horton, Tom Wilson, Tom Stamey, Bill Leslie, L. C. Inzer and Fehrman Lund.

Dr. Trent Root, vice president and comptroller of Southern Methodist University, was introduced as the speaker. His topic was "Are Women Here to Stay."

Root opened his speech by reading the scripture from I Timothy 2:11-12, "Let the woman learn in silence with all subjection. But I suffer not a woman to teach,

nor to usurp authority over the man, but to be in silence."

He named numerous outstanding women and the various ways they became famous. Among those named were Clara Barton, Marie Antonette, Betsy Ross and Mary Baker Eddy. He concluded by saying "Women are here to stay but like airplanes, they're still not too safe. If they're not here to stay, men have sure wasted a lot of money on insurance."

Yearbook were presented to the members and Mrs. Horton outlined the programs for the year.

The next meeting will be November 14 under the leadership of Mrs. Joseph M. Perkins. Mrs. L. E. Dudley, of Abilene, past president of the Texas Federated Women's Clubs will present a book review and there will be a plant and seed exchange.

Hostesses were Meses. Earl Gallagher, Frank Castleberry, B. W. Brewer, Milburn Long, Sidney Seale, W. F. Davenport, Herman Hassell and Horace Horton.

Mrs. Erskin Leads P-TA Procedure Discussion, Explains P-TA Objects

Mrs. Stanley Erskin of Midland, vice president of the Texas Congress of Parents and Teachers, led the Eastland County Council of Parent Teacher procedure discussion Wednesday at the Texas Electric building in Eastland, as to how we as parents may work to improve our schools, homes, churches, and communities through P-TA, and how our P-TA units can be improved through good programs that educate the general public to the needs and ways in our community to enrich the children and youth as well as the parents in what P-TA can and has done.

Mrs. Erskin explained the objects and group discussion brought better understanding.

The objects of P-TA are: To promote the welfare of children and youth in home, school, church and community, to raise the standards of home life, to bring into closer relation the school and the home, that parents and teachers may cooperate intelligently in the training of the child, and to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

Mrs. Erskin also urged the P-TA leaders to get behind amendment No. 4 and help put a better standard up for our teachers. She said, "We trust the teachers with the ones dearest to us and the least we could do would be to vote for them teacher retirement." Teach-

ers aren't even covered by Social Security, have no sick leave or replacement plan.

Mrs. Erskin has served in parent-teacher work as Midland unit president, city council president, and on the district board. She received her early training and interest in children, she says, by helping to care for four young-

er brothers and sisters. Mr. and Mrs. Erskin have three children, a son and two daughters, so, she says, she has been an active member of three local units.

She is a native of Texas, a former teacher, and active worker in the Baptist church and youth organizations.

ITS RANGE CHANGE

Suddenly you know how modern a range should be—**flame-fast gas ranges alone** are instantly on—**instantly off!**

ELECTRIC RANGE

GAS RANGE

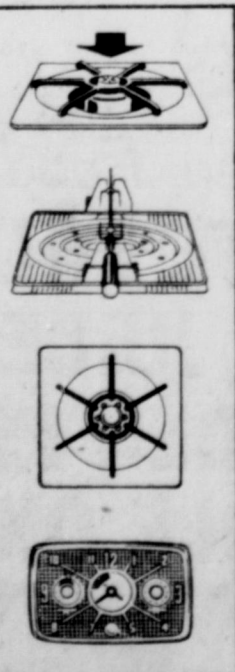

ONLY WITH EXCITING NEW FEATURES LIKE THESE CAN YOU REALLY COOK MODERN!

Cook-Saver Automatic Top Burner Control. New flame-fast gas Cook-Saver holds pre-set temperature. Foods won't burn! Makes all your pans automatic!

Built-in Roast-er. Broil indoors with flame-kissed "barbecue" flavor. Automatically turns out your favorite foods easily and deliciously.

Simmer Flame. On each burner, tiny points of flame make waterless, "vitamin-save" cookery a snap. Unlimited keep-warm and simmer settings.

Automatic Clock-Controlled Oven. Cooks whole meals while homemaker is away...turns oven on and off automatically. Even circulation of heat...use any rack position.

Think of the times you need split-second response of heat in your cooking. Think of the precious minutes instant fingertip control of heat can save you. And you have this instant heat only with ultra-modern flame-fast gas ranges! When your baby cries for his 2 A.M. bottle...when you are rushed to get your family off to school or work...when time slips by and you are late starting dinner...only truly modern gas meets the immediate need for speed! Flame-fast gas delivers maximum heat in a split-second...adjusts to any desired heat in a split-second...and turns off in a split-second. You avoid spillovers...scorching...overcooking. No wonder smart women say truly modern cooking is cooking with flame-fast gas.

DON'T BE FOOLED...cooking with gas is cheaper. For what it costs you to cook electrically for one year, you can cook for more than four years with flame-fast gas. **SAFEST COOKING EVER!** A.G.A. seal on each gas range assures reliability. Fire insurance statistics prove gas is safer!

SIZING TRADE-INS NOW on your gas or electric range. Cook modern—change today to a new ultra-modern gas range.

MISSED CELEBRATION

Mrs. Lee Drake, Ruidoso, New Mexico arrived in Eastland September 29 to attend the 50th anniversary celebration of her sister and brother-in-law, Mr. and Mrs. Richard Jones, but because of a death message waiting here for her she had to leave the next morning for Alva, Oklahoma.

Wooden Miter Box Fits On Sawhorse
POPULAR MECHANICS suggests a handy wooden miter box for use on a sawhorse. This is excellent for cutting quarter-round and small moldings and

can be constructed from three pieces of scrap lumber in a few minutes. As illustrated, the box is constructed to fit snugly over a sawhorse. Thus there is support at a comfortable height and the location of the unit can be changed to meet convenience. Another worthwhile suggestion from this magazine is to use sheet-metal screws to seal holes that were punched into a can so that part of the contents could be poured out. The screws prevent evaporation, eliminate pollution and look neat.

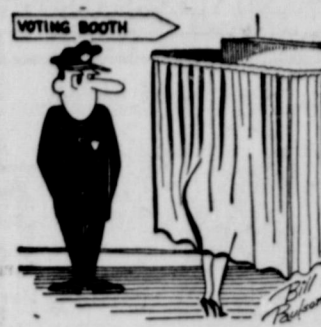

READ THE CLASSIFIEDS

George Edward Hill, Jr. arrived at Ward Memorial Hospital in Monahans September 28 at 6:30 a.m., tipping the scales at 3 pounds 10 ounces. He is the son of the late G. E. Hill, Sr. and Mrs. Hill. A former resident of Eastland, Mrs. Hill was Treva Nunley before her marriage. Grandparents are Mr. and Mrs. Ross Hill of Big Spring, N. I. Nunley of Snyder and Dorothy Elmore of Monahans. Mrs. Ann Crosby of Olden is a great-great-grandmother of the baby.

Morgan Circle Entertained By Mrs. Edwards

Mrs. Jessie Edwards, 206 North Daugherty was hostess to the Morgan Circle of the First Baptist Church Tuesday morning in her home. Punch and cookies were served to those present. They were Mmes. Edwards, Marjorie Chick, A. E. Halford and Cotton Maynard. The next meeting will be October 23 in the home of Mrs. Chick at which time the group will elect officers.

Debts Up \$300 Billion Since World War II

By the end of this year the net total of public and private debt owed by the American people will probably pass the \$700-billion mark, up about \$200 billion since the end of World War II. But meanwhile our land, buildings, equipment, stocks of goods and other tangible wealth have increased nearly three times as rapidly as our debts—from just under \$550 billion at the end of 1945 to an estimated value of approximately \$1,400 billion by the end of 1956, reports the family economics bureau of Northwestern National Life Insurance company. Thus our debts were nearly three-quarters as big as our total tangible assets at the end of 1945, but are now only about half as big, the bureau points out. Our debts were two and a quarter times our national income in 1945. At the \$700-billion mark they will be slightly more than twice 1956 national income, which is expected to run in the neighborhood of \$340 billion. Our net debts went up \$51 billion from 1954 to 1955, and stood at \$659 billion as of the end of last year, according to Department of Commerce estimates. Private debt amounted to nearly 60 per cent of the total, or \$388 billion, whereas at the end of World War II it was only a third of the total, with public debt accounting for two-thirds of all debt in the U. S. Corporate obligations now make up approximately half of all private debt, and amounted to \$197 billion at the end of 1955. Non-farm mortgage debt is the next largest item, totaling \$109 billion as of the end of last year. Out of the net public debt of \$270 billions at the end of 1955, \$231½ billion was federal debt; \$38½ billion was owed by state and local governments.

sett. If you don't find us at either of those places check the drug stores, we will probably be drinking coffee. And another thing Henry. Don't call so early in the morning next time. We are a late sleeper!

Friday night we will find out what kind of football fans Eastland has. If the stands on the home side of the field are not full, we will be disappointed. When a ball club is winning, they don't need so much support. When they drop a couple of hard ones then they need support. The Mavs have had the luster coat removed. They are not unbeatable. We know that now, and we should have known it before the season started. You don't win 'em all. It's about time to get down to business now, though. And Eastland fans are going to be needed in droves in the next few critical games.

See you at the game. (We hope.)

CARD OF THANKS
We wish to express our appreciation to all who helped in the celebration of our golden wedding anniversary. A special thanks is extended to those who served in the house party, the ones who sent gifts, flowers and cards to Mr. and Mrs. Hoffmann for the meals they served. We sincerely thank the ones who paid for the surprise of the club house and cake. Thanks to all. Mr. and Mrs. Richard Jones.

New Ford Station Wagon

New Fairlane 500 Club Sedan

After today, American cars will never be the same again. For the Big New Kind of Ford is a brilliant new automotive package—the one fine car in the low-price field!

We've unwrapped the 1957 Fords!
They're the best Fords of our lives. The power is new—with Silver Anniversary V-8's to fit every horsepower need. The style is new—a revolutionary, sharp, brilliant, clear-cut design that will stand out in traffic. The comfort is new—a rock-solid velvet-road ride. The braking is positive—silky smooth when your toe says "whoa." The steering is light and firm. This is a great automobile, from the large honest dial faces on the instrument panel to the effortless loafing way it cruises. The new Ford begins with the "inner Ford." Its new elegance comes from within, from the way its automotive muscles are put together. All the changes are toward more rugged endurance, toward increased power,

toward smoother operation. These are the bases for its "Mark of Tomorrow" elegance. This is the one fine car in the low-price field. There are actually 19 different new kinds of Ford—and no matter which one you choose, it's yours at low Ford prices! How does it look? It's only fourteen hands high—as tall as a child's pony. You can stand beside it and lean your elbows on its roof. And it's over seventeen feet long—21 inches wider than it is high! This big new Ford looks like the fun on a travel poster. It's the kind of car that looks sunshiny in the rain. It looks as fresh as morning. It looks like tomorrow—like the first thing out of Detroit that symbolizes the new Age of Movement. See it at your Ford Dealer's. Give it your own Action Test. But you'd better leave a deposit... for you won't want to bring it back.

The Big New Kind of Ford Comes In 19 Models

New Fairlane Club Sedan

New Custom 300 Fordor Sedan

In all models you have your choice of engines, either the great Mileage Maker Six or one of the new Silver Anniversary Ford V-8's. You'll have no trouble choosing Ford—but you'll have trouble choosing which Ford! Six or V-8, the go-go is great! *A special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, extra-high-performance Thunderbird 312 Super V-8 delivering up to 285 hp.

ing of cotton by the government's Smith - Dooey classing service. A congressional hearing — requested by Farm Bureau leaders — was held Sept. 18 in Greenville. One result of the hearing was a promise by members of the cotton subcommittee of the House Agriculture Committee that the Congress will act immediately after it convenes in January to get a "light spots" classification for cotton put in the government loan.

Shuman also revealed that the AFBF Cotton Committee would study the question of whether present cotton grades adequately reflect the value of machine-picked cotton — and also whether producer interests are adequately represented on the International Cotton Grades Committee.

The Farm Bureau group will also give specific study to the Commodity Credit Corporation export program, with a view of developing market policies that would permit private stocks to move directly into the export market. The present export program permits buyers to purchase surplus cotton for export at a price several cents a pound below the loan price for sale to domestic mills, providing that the buyer exports a like quantity and quality of surplus cotton within 12 months. The net result of this has been that most of this year's cotton crop has been forced into the government loan.

Ike Can't Make It Rain, But He's Still Best Man

The other day I asked a farmer if it was dry out his way. He said it sure was. "Looks like we just can't get any rain," he said. "Why, when Noah had his 40-day flood, we didn't get over half an inch."
 There's no mistake about it. Texas is having itself a real drought. Some of the farmers and ranchers in our county are in such bad shape that they may vote for Stevenson.
 Old Man Jones, from across the river, said he wasn't going to go to any such extreme. He said he needed rain as bad as anybody else. He claimed water was so scarce in his community that the preacher was baptizing new members with a wet handkerchief. But he was holding out awhile longer, anyway.
 "I may be stubborn," said Old Man Jones, "but I just ain't been convinced that President Eisenhower is keeping it from raining."
 He said he knew that Stevenson and Kefauver acted like they thought so, and they had a right to their opinion. Lyndon Johnson, he figured, knew better, but he was sticking with Adlai and Estes for the sake of unity. He said he didn't figure Mr. Sam Rayburn had known whether it was raining or not for the last 25 years.
 "I hate not to go along with such a widely known crowd of weather observers," Old Man Jones said. "If there's anybody

who keeps up with which way the wind is blowing, generally speaking, it's Stevenson, Kefauver and Johnson."
 Then he went on to say that he realized the national farm program hadn't pleased everybody—including him. If he was in the White House, he would do things different, at least in our county. He allowed that the \$61,000,000 spent by the Eisenhower administration for drought relief in Texas could have been doubled and still not made all the farmers happy and prosperous.
 "But," said Old Man Jones, "I keep remembering that the main reason for our troubles, besides the drought, is the fact that we are not at war. Now, if Adlai and Estes really want to jump on President Eisenhower, there is a real issue. They've sure got the goods on Ike in that respect. If he hadn't stopped that Korean War, farm prices would be higher, no doubt. I wonder why they never mention that."
 Old Man Jones was kidding a little, of course, in his usual way, but I think he had something there. We have got to adjust to peace-time, which is taking awhile but President Eisenhower is working at it. And meanwhile our boys aren't fighting and dying on foreign soil. It's worth thinking about.
 Yours truly,
Jex

Around the Town At Olden
 By Mrs. Dick Yielding

After church services Sunday morning the Church of Christ people drove to the Eastland park for a picnic lunch. A good crowd was there.

Last week visitors in the home of Mr. and Mrs. M. S. Holt were Mr. and Mrs. Charles Weeks from County Line, Okla.

Mrs. Bagwell of Abilene spent last week in the home of Mrs. Willie Bockman and attended the Baptist revival which was in progress last week.

Mr. and Mrs. Carl Butler enjoyed the company of Grandpa Hammett's sister, Mrs. Ada Hacker and her son from San Antonio last week.

Mrs. Jerold Cagel was hostess to a Stanley party in her home last Thursday afternoon. Thirteen ladies were present and all reported having an enjoyable time.

Mr. and Mrs. Dick Yielding and Mr. and Mrs. Archie Campbell were among the many friends and relatives who attended the birthday party honoring J. C. Simmes in their home last Thursday evening.

Mrs. Anna Martin was a Sunday dinner guest in the home of Mrs. Minnie Norton and spent the afternoon there.

Work on the church of Christ parsonage is near completion. A preacher has been selected and expects to be moving here soon.

Mr. and Mrs. Jess Kindricks had in their home last week her brother and family Mr. and Mrs. Tidy Evans of Freeport.

Mr. and Mrs. Dick Yielding left early Saturday morning for Fort Worth where they spent the weekend with their daughter, Mrs. Jimmy Colburn and Mr. Colburn. They also visited an aunt, Mrs. Ada Ray. Upon returning Sunday they visited Mrs. Nora Prease in Mineral Wells.

Mrs. Viola Groves has returned home from a weeks visit with her daughter and family, Mr. and Mrs. Lewis Heinemann of Midland.

Mrs. O. T. Hunt underwent surgery Monday morning at the Ranger General Hospital and is doing as well as could be expected at this writing.

A school bus load of children left Olden at four a.m. Saturday for the Dallas Fair. They all reported as having a wonderful time.

Homer Delezenne of Fort Worth spent the weekend here in the home of Mrs. C. C. Martin and Rosa Delezenne.
