NEW FORMULA FLAYED Rail Commission Studies Problems

FORT WORTH, March 17. (U.P.) — The Railroad Commission is carrying a flock of unsolved problems back to Austin today.

The commission's new oil production formula drew sharp criticism here yesterday.

Attacks upon the formula minimized the primary purpose of the hearing, the receiving of testimony on which to base April's crude production allowances.

Wary from the day-long proceedings, the commission decided to return to Austin and study the complicated headache before deciding how much oil will be produced next month.

These were the major developments of the six-hour hearing:

1. Most crude oil purchasers want an April production schedule of 18 days, a plan that would give a daily allowable approximating 2,083,000 barrels, compared to 1,938,000 of March 11.
2. The new formula was attacked as not in keeping with state statutes, as inequitable, and as causing economic hardship on many producers, purchasers and oil towns.
3. Humble Oil & Refining Company officials warned that Texas is in danger of losing some of its oil markets to other areas by operating under the new formula.
4. Increased allowances under the new formula were asked for wells drilled deeper than 10,000 feet.
5. The commission agreed to hold a special hearing on a suggestion natural gasoline production be prorated.

Most of the criticism of the new formula adopted with the March allowable order came from operators and businessmen interested in the Van, Thompson, Webster and Canyon Reef Scurry County fields.

These are the fields of from 2,100 to 7,000 feet in depth and holding high MER's—the maximum efficient rates at which a well can produce without waste.

AID HIKES POPULATION American Kindness Hurting Japanese

WASHINGTON—A Japanese professor wonders whether Americans know what they are up against in his native land. Prof. Jitsuo Kitaoka heads the political economics department of Kokugakuin University, Tokyo. He says Japan's population is jumping at such a rate that America can expect to do one of two things:

1. Pull out of Japan and then sit by while tens of thousands of Japanese starve.
2. Keep on pouring American taxpayers' money into Japan for many years.

Kitaoka, now visiting the U. S. was a student of population problems long before World War II. He believes the overcrowded condition of Japan was the basic reason that took his nation to war. He says: "American taxpayers are entitled to ask the Japanese to limit their birth-rate. But Americans are so modest about their help that I wonder if they will do anything."

"Yet the very kindness of Americans help in increasing our problems. American help on our health problems has dropped our death rate from 17 per thousand to 11 per thousand."

Kitaoka brought along on his visit here a statistical study of Japanese population problems. It shows Japan now has 82,603,000 people trying to make a living on 88,919 square miles. New York and Pennsylvania have a combined 92,974 square miles, with a combined population of 21,778,870.

Japan's population has been

"Big Spring's Favorite Department Store"

Teachers Of County Attend Midland Meet

Approximately 150 teachers from Big Spring and other Howard County schools were in Midland today for the annual meeting of the West Texas Teachers association.

Several were directing sectional meetings or had parts on the programs of various sessions. Among featured speakers for general sessions were Dr. James L. Hymes, Jr., professor of Education at George Peabody college in Nashville, Tenn., and Dr. Lester Pierce, director of the center for psychological service at the University of Houston. W. A. Miller, Odessa, district president, will preside at the general parleys.

W. C. Blankenship, chairman of the nomination committee, had convoked his group for a 5:40 p. m. session in advance of the Thursday evening house of delegates meeting. G. B. Wadcock, Lamesa, Gilbert Parrie, Lorraine, S. A. Walker, Westbrook, and John Watson, Colorado City, were on the committee with him.

In other committee assignments, Ed Williams, Colorado City, headed the committee on teacher welfare. Included among those serving with him were E. W. Jackson Space, and G. W. Kennemer, Courtney. G. D. Kennedy, Forsan, was a member of the credentials committee.

Representing the Big Spring Teachers association at the delegates meeting Thursday evening were Dean Bennett, Letha Amerson, Mrs. Zolite Mae Rawlins, Wilder Roe and Truett Johnson. Howard County Teacher association delegates were Walker Bailey, Cliff Prather and G. D. Kennedy.

Bennett was to head up the elementary principal's sectional meeting Friday morning. E. M. Schneider, Latin instructor in Big Spring high, was spotted for a place on the foreign language meeting, as was Mrs. Janell Davis on the speech group. Mrs. Davis was slated to use some of her students in demonstrations.

George A. McAllister, Howard County Junior college mathematics instructor, and J. T. Clements, science instructor, were on panels in the college classroom teachers meeting. J. V. Bishop, HJJC English instructor, was on a panel to the high school English division.

Arah Phillips headed the sectional meeting on health and physical education, and Forsan and Big Spring high school girls were to give demonstrations on volleyball.

Big Spring was due to extend an invitation to the association for its 1951 meeting, although action is not taken until later in the year by the house of delegates.

Big Delegations To Attend Elks Lodge Institution Here

Delegations from at least nine lodges and several high state officials are due here tonight for institution of a local lodge of the

Benevolent Protective Order of Elks. The number of the Big Spring lodge will be 1388, the same as a previous Elks lodge that was active here until a few years ago. Among state dignitaries expected for the ceremonies, which will begin at 7 p. m. with a banquet in the Settles hotel, are Judge William Halley Atwell, Dallas, past grand exalted ruler; John Lee

Smith, Lubbock, exalted ruler and former lieutenant governor of Texas; E. C. Bunch, Odessa, district deputy grand exalted ruler; H. S. Rubenstein, secretary of the Texas Elks State Association; and State President Beckstead of Dallas. Several other grand officers and past grand officers probably will be among the group, which is expected to number between 250 and

300 persons. Lodges which will be represented include those of Borger, Odessa, Sweetwater, El Paso, Childress, Lubbock, Pinalview, Amarillo and Carlsbad, N. M. The El Paso lodge will bring its degree team here for the ceremonies. The Big Spring lodge will be instituted immediately after the banquet.

First Soil Saving Checks In Mails

TEMPLE, March 17. (AP) — The first checks from the state to help Texas farmers save the soil were in the mails Wednesday. They went to 133 soil conserva-

tion districts in the state. Fourteen more districts will get them soon. The money is from a \$5 million fund the Legislature created in 1949 to be distributed to the districts in the two years ending Aug. 31, 1951. It will be used to form revolving funds in each district for buying seed, trees, fertilizer and other supplies useful in saving the soil and also for agricultural or engi-

neering machinery and equipment needed for terracing and moving earth. The money collected by each board of supervisors will go back into the revolving fund. The money will be allocated to each district on the basis of the number of acres and farm units. Equal weight will be given to both.

Big Spring (Texas) Herald, Fri., March 17, 1950 7
In Central Texas, \$28,100 was sent to the Central Texas district; \$16,350 to the Little River - San Gabriel district; and \$20,077 to the McLennan County district. Geographers say the United States has the world's most colorful autumn foliage.

Bonham Pastor Conducting Revival At Church Of Christ In Big Spring

Evangelist Jack W. King of Bonham, is in the midst of holding revival services at the Church of Christ, East Fourth and Benton. In progress since March 11, the revival will continue through Sunday, March 26.

Services are held twice daily at 10 a. m. and 7:30 o'clock. Herbert Love, minister, is host pastor.

King has served as minister of the Bonham church for the last three years. He has also served

JACK W. KING
 as minister at various Churches of Christ in Denton, Brownwood, Graham and other Texas cities. He received his education at Howard Payne, Brownwood; Texas Christian University, Fort Worth and Abilene Christian college, Abilene.

He is well known in the North Texas area for his pulpit work and for his radio messages. He can be heard over KTXC at 9:00 o'clock each Monday and Wednesday morning.

The Church of Christ, East Fourth and Benton streets, was organized seven months ago with a small membership and no property. Today, the church membership totals an approximate 150 persons. The present church property, the former Trinity Baptist church, is over half paid for.

Dr. P. D. O'Brien will be heard on the subject, "The Peril Of Neglecting God's Warnings," from Ezekiel 33:3 at the First Baptist church Sunday morning. A religious moving picture will be projected at 4 o'clock. During the evening worship hour, Dr. O'Brien will speak on "Christian Vision Translated Into Life," from Acts 9:5-6.

At the East Fourth Baptist church, the Rev. James S. Parks will speak on the subject, "Thou Fool," during the morning worship services Sunday. Members of the girl's sextette will sing the special selection, "Beautiful Garden Of Prayer," prior to the morning sermon.

During the evening worship hour, the Rev. Parks will discuss the "Sin Of A Song," from Matthew 23:30. The men's quartette will sing "May The Lord Depend On You" during the evening service.

Young People's Fellowship hour will be held at 6 o'clock, to be followed by a general Training Union assembly at 6:30 p.m. Members of the Intermediate department will present a sword drill at that time.

"How to Be A Good Church Member," will be the sermon-subject discussed by the Rev. R. Gage Lloyd during morning services at the First Presbyterian church. Members of the choir will be heard in the anthem presentation, "Thy Perfect Day," by Marshall. During the evening, the Rev. Lloyd will be heard on "The Benefits of the Great Redemption." Mrs. L. B. Edwards will sing solo during the evening hour.

"Sin and Its Punishment," will be discussed by Lloyd Connel, minister of the Church of Christ, 14th and Main, Sunday morning. Using as his text, 1 John 3:4, Minister Connel will stress the following subjects: "Is there any punishment"; "When does it begin"; "Is there a judgment"; and "How long is the punishment."

During the evening worship service, Minister Connel will discuss the subject, "What, Then Is The Law?" from Galations 3. Sunday afternoon the Churches of Christ in this area will have a gospel singing in Forsan.

Lay reader, Carl Blomsheld will conduct the morning prayer and sermon at St. Mary's Episcopal church Sunday. Sunday school will be held at 9:45 a.m., under the direction of Otto Peters, Jr.

"Over Estimating Popular Opinion," will serve as the subject for the morning sermon topic to be delivered by the Rev. Ad. H. Hoyer at St. Paul's Lutheran church Sunday. Sunday school is at 10 o'clock.

The Rev. C. R. Love will speak on "Fruitbearing Christians," at the morning service at the Assembly of God Church. Text for the sermon may be found in Galations 5:22-24. Sunday evening, the Rev. Love will discuss, "The World's Greatest Blackout," from Matthew 24:27-31.

"Behold The Lamb of God," from John 1:19-34 will be discussed during the morning worship hour at the State Baptist church. The Rev. Everett M. Ward will lead the services. The evening sermon topic is as yet unannounced. Baptist Training Course will meet at 8:30 o'clock. The Rev. Ward will continue a series of sermons from the Book of Revelation at prayer service Wednesday. Study will be based on the subject, "The Seven Veils," from Revelation.

The Rev. Cecil Rhodes will speak on "The One Unpardonable Sin," at the Westside Baptist church Sunday morning. Scriptural text may be found in Matt. 12:31, which reads: "Whoever I say unto you, All manner of sin and blasphemy shall be forgiven unto men; but the blasphemy against the Holy Ghost shall not be forgiven unto men." During the evening, the Rev. Rhodes will speak on "Christian Power," from Acts 1:8.

Revival services will be conducted Sunday evening at the Wesley Methodist church. The Rev. H. L. Toursten of the First Methodist church in Brownfield is conducting the revival. The Rev. C. C. Hardyway is host pastor. During the morning the Girl's trio will be heard in a special musical presentation.

St. Thomas Catholic church will conduct special Sunday services at 7 p. m. throughout the Lenten season. Stations of the cross and the benediction will be under the direction of the Rev. Theo Francis, O.S.B. Six-week services will be Wednesday at 7 p. m., and will consist of a question-box sermon.

A WARM WELCOME AWAITS YOU

JOSIAH'S MILL

—almost two centuries ago. So he built his mill down by the stream.

But Josiah built down by the stream . . . and the stream turned the wheel of his mill.

BUILD WHERE THE POWER IS!
 That was the secret of Josiah's success.

But it's really no secret. For centuries our Churches have been teaching men to build their lives close to God, the Source of All Power. The force of Christian truth, when it flows into our lives, crowns the honest industry of men with joy and success.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mr. and Mrs. C. A. Richie and son are new comers in the community. The Richie family moved here from Pampa. He is associated with the Magnolia Oil company.

Wayne Monroey of West Texas State Teachers college, Canyon spent the week end in the home of his parents.

Bobby Dean Shelton spent the past week in Big Lake.

Mr. and Mrs. Pat Patterson, Jimmie and Mickie, were week end

guests in the J. C. Parker home.

J. D. Gilmore visited in Abilene Saturday.

Mr. and Mrs. W. O. Averitt and Sue were week end guests in San Angelo.

G. B. Phoenix of Wichita was a Sunday visitor in the J. E. West home.

Mrs. Idella Alexander is visiting Mr. and Mrs. Al Luke in Colorado.

Mrs. Jack Craig and children of Fort Worth are guests of Mr. and Mrs. Bill Conger.

Charlie Adams is a guest in the home of his son and family, Capt. and Mrs. John C. Adams, Jerome and Handy, in College Station.

Mrs. Pearl Scudday, Mr. and Mrs. Woodrow Scudday, Ginny and Berny, and Mrs. M. M. Hines visited with relatives in Brownfield Saturday.

Walter Gressett visited his daughter, Dorothy, in Fort Stockton during the week.

Mr. and Mr. L. W. Longshore and Roy have as their guests, Mr. and Mrs. Cumming Woods of Mr. and Mrs. Adolph Woods of Colorado City.

Delmar Klahr is visiting his father, F. J. Klahr, after receiving his discharge from the Army.

Municipal Water Report Okayed By WTCC Committee

ABILENE, March 17—A report seeking national acceptance of a proposal that "inadequate municipal water be recognized as a menace to the national welfare and that domestic water be given first use priority and established as a criterion for Federal dam building" has received final approval of the Officers and Municipal Water Rights committee of the West Texas Chamber of Commerce and West Texas Domestic Water Association and was mailed this week to President Truman's new Water Resources Policy Commission.

J. M. Willson, Floydada, President of the WTCC, and Homer D. Grant, Lubbock, President of the WTDWA, indicated jointly their companion organizations had compiled the report at the request of Morris L. Cooke, Chairman of the Water Resources Policy Commission. Cooke had addressed a personal request to Willson and Grant early in February for "recommendations of a unified program for maximum use of the water resources of the West Texas region."

It is pointed out that inadequate domestic water causes economic loss and damage to city dwellers and communities. Eight West Texas municipalities are cited where average daily per capita water use amounts to 49 gallons at an average cost of 33 cents per one-thousand gallons. It is estimated that economic damage to cities involved is over 10 percent per annum of the assessed value of the communities, or around \$63 per capita annually. The report then states that "the West Texas communities in the Brazos River watershed suffer an economic loss of over \$18,000,000 annually."

Civil Service Exams Slated

Civil service examinations for filling vacancies in several positions have been announced.

They include airport traffic controller (\$3,450-\$6,400); air traffic control specialist, airport and air route (each \$3,490-\$6,400); aircraft communicator, domestic and overseas (\$3,100-\$4,000 each). Employment will be in Texas, Louisiana, Arkansas, Oklahoma and New Mexico as well as in Balboa Heights CZ and Swan Island, W. I. Information may be had from the civil service clerk at the postoffice.

Kilgore Consultant

KILGORE, March 17 (Sp)—Charles A. Weeg, administrator of the Brackenridge Hospital at Austin has been appointed consultant for the \$1,300,000 Kilgore City Hospital now under construction.

Two Enlist in Army At Local Station

Z. L. Beaver, San Angelo, and Thomas O. Horner, Odessa, enlisted in the Army at the Big Spring Recruiting Main station Thursday.

Horner was sent to Fort Ord,

Medical Reservists To Participate In Airborne Maneuver

A limited number of physically active medical corps organized reserve officers are being sought for participation in "swarmer", the largest airborne maneuver.

Periods of active duty are for 45 days, starting April 1 or for 30 days starting on April 15. Both periods terminate May 14. The 11th and 82nd airborne division have vacancies for medical officers in the grades of lieutenant, captain or major. Application should be submitted immediately through ORC instructors office (Midland airport No. 2) or to the chief of army field force, Fort Monroe, Va., Calif., for basic training while Beaver was assigned to the 10th Infantry division at Fort Riley, Kans. Both men left Big Spring Thursday for their respective stations.

City Firm Certified For Vets' Training

Texas Mill & Material company has been certified for Veterans vocational training.

Wise Hollingsworth, manager, said that the regional VA office in Lubbock gave notice of approval Thursday. The state approval agency had passed the application favorably. Currently two are being trained for millmen and foremen positions, and others possibly will fit into the program. This was in keeping with a company policy to concentrate on young men in hopes of developing more in special trades skill, said Hollingsworth.

GOOD EATING!

ANYBODY CAN FRY THIS CHICKEN

And anybody can eat it, too! Just follow Mrs. Chessher's personal recipe on the box and you'll have fried chicken that is always tender-crisp and golden-brown.

Remember, these chickens were raised and fed to be plump, tender, and delicious. More than that, they're cut-up and frozen-fresh. All you do is fry them. No muss. No waste.

CHESHER'S CHICKEN

HERE'S HERCULES — Billy Rudd, left, director of music and education at East Fourth Baptist Church, and Walker Bailey, right, ear down Hercules the Hog. Hercules protests because he is at stake in a contest between the Keystone and Dynamite men's Sunday school classes at the church. Each Sunday the class with the smallest percentage of attendance will have to feed the pig the succeeding week. After April 2, the classes headed by Dr. H. M. Jarrett and Fritz Crump will settle their difference by having Hercules barbecued. Maybe that's why he's squealing.

HUNTED HUSBANDS HEAD FOR TEXAS

By WILLIAM C. BARNARD
Associated Press Staff

A New York fellow whose business is catching wayward husbands says a lot of them go to Texas.

And when they get here he has a heck of a time getting them back to New York. Many never go back. George H. Lamb is chief of the abandonment bureau of the district attorney's office in Queens County. Every winter he goes to some balmy state such as Florida or California, in pursuit of husbands who have deserted their families. When he catches them either they must sign papers agreeing to support their families or he takes them back to New York.

Last year alone he caught 24 New York husbands in California. In his career, he has brought 3,000 errant husbands back to New York.

"What about Texas?" we asked Lamb in a letter. "Do you catch husbands in Texas?"

"Yes I have been a guest many times of the Lone Star State in pursuit of my vocation, and I have, with varying degrees of success, apprehended many culprits," he replied.

Then Lamb complained that Texas has not become a signatory as have many other states in accepting the "uniform extradition act." Because Texas has not signed this act, he explained, a New York father can flee to Texas and make only one payment toward his New York family's support, and thereafter he cannot be extradited from Texas to New York. If he makes no payments at all, he can be ex-

Prices Of Most Foods Slated To Go Down Soon

NEW YORK, March 17. (AP)—For citizens just through the tax wringer, here are a few kind words for some men in the food industry. The cost of eating is expected to go down.

Not very far, and not very fast, and not all items. The government, food processors say, is right in their pitching, with its price supports and subsidies, to see that food prices don't drop fast or far, at the farm level. One food executive thinks that farm prices may hold about where they are; but most seem to think they'll slip a little lower.

The surpluses hanging over the market should lend their weight to pushing prices, at the store level, a little lower. And the big food processors, who have been doing very well in recent years, have put large sums into expansion, and also into better equipment. That's beginning to pay off now in more efficiency and lower production costs.

"The trend of food prices in general is downward," says Clarence Francis, chairman of General Foods Corp. "The slide will be very gradual because of government farm price supports."

Another factor tending to induce food companies to shave prices wherever possible is growing competition.

"Competitive conditions in our industry are intensifying," says Joel S. Mitchell, president of Standard Brands. "Supplies are increasing plentiful, and price and quality considerations are becoming dominant with consumers."

But one food industry leader at least sees little change in his own field—dairy products. Theodore G. Montague, president of the Borden Company, says:

"Farm prices are at the floor right now. I foresee no further decline in the dairy farm prices, except the usual seasonal ones."

GOVERNMENT IN TROUBLE
The government is having trouble right now. Already 750 million bushels of grain and oil seeds grown in 1949 have come into government hands. About 20 per cent more cereal was dumped onto the government from the 1949 crop than from the 1948 one. Federal economists say that farm prices now average 22 per cent below the postwar highs, and may drop 10 per cent further this year.

Hogs Feature City Livestock Auction

The Big Spring Livestock Auction company's sale Wednesday was somewhat "hoggy," some 150 to 200 swine being paraded before the buyers.

Fat cows inspired bids of 19.00. Butcher cows sold for 14.00 to 14.50 and bulls for 20.00.

Fat calves and yearlings were auctioned at 24.00 to 27.50, stocker steers calves from 26.00 to 27.50 and heifer calves from 24.00 to 24.50.

Cows beside calves went for 180.00 to 220.00. One load of heavy steers sold for 24.70 while hogs were peddled for 16.00 to 18.50.

Around 500 to 600 cattle went through the ring.

Colorado Citian Pushed For State Jaycee President

COLORADO CITY, March 17.—Harold Bennett, young civic leader here, is being advanced as a candidate for the presidency of the Texas Junior Chamber of Commerce.

It looks as if Bennett will have not only the Jaycees but practically everyone in Colorado City behind him when his bid goes before the state meeting in Fort Worth April 12-14-15. Moreover, his fame in civic works in his home town has spread over region No. 4 which he heads as a state Jaycee vice-president.

Although a delegation of 50 Jaycee representatives will carry his campaign to Fort Worth, all of Colorado City, will be pulling for success. And for good reason too, for Bennett's record as a citizen has been more than exemplary.

A charter member of the Jaycees at organization here in 1946, he was first secretary. The following year he was president, and a state director in 1948. While he was president, the local Jaycees captured an armful of honors.

The club was the first to win the Dunagan Memorial award for the outstanding new Jaycee chapter in the state. It took first place in its division for profit-making projects, first in 1948 and 1949, and first place in 1948 and 1949 for publications. The "Echo," weekly newsletter took first place in the nation in 1948. Bennett, incidentally, was its first editor. The club also took second place in sports and youth welfare activities in state competition during Bennett's administration.

Never bound to any one type project, he has worked on all. When the Jaycees promoted softball, Bennett did everything from helping build the field to umpire and hawk pop and peanuts. At the Frontier Rooms and Redco, he worked incessantly selling everything from tickets to snowcones.

At present he is chairman of the Colorado City Jaycee committee on Americanism. Under his direction high school students recently held elections and conducted city and county affairs for a day. He is chairman of the housing authority for Colorado City, which recently acquired permission to build 75 low-cost housing units. He is chairman of the Mitchell county military manpower commission.

Bennett is an ex-director of the senior chamber; a steward and Sunday school teacher in the Methodist church. He has served as chairman of the Red Cross and March of Dimes drives and worked on the Boy Scout 11th-ance campaign.

A native of Mitchell county, Bennett is the son of Mr. and Mrs. Tom Bennett of Loraine. Sixteen years ago he started in with the Colorado National Farm Loan association as office boy at \$8 week. Today he is secretary-treasurer for it.

During the war Bennett rose to chief petty officer in the Navy, serving 19 months in the Aleutians. He is married and he and Mrs. Bennett have one son, three-year-old Tom.

It's hardly possible to name any local civic project accomplished within the past four years without linking Bennett with it. That Colorado Citizens believe, qualifies him for the top spot among Texas Jaycees.

Kilgore Man Will Speak At Women's Club Meeting Here

John Ben Sheppard, Kilgore, former state Jaycee president, is to be speaker for the fine arts section of the district No. 8 Federation of Texas Women's clubs convention which will be held here April 20-22, Mrs. J. T. Brooks, in charge of arrangements for the meeting, has announced.

Sheppard will speak Friday night, April 21, at the First Methodist church.

Club women from a West Texas area extending from Colorado City to El Paso are expected to gather here for the district No. 8 convention, Mrs. Brooks stated. Men from throughout the area are also being invited to attend the Federation's meetings.

Mrs. Joseph Best, Wink, is district president of the organization. Mrs. James O. Simmons, Midland, is district program chairman.

White Man Gets Life Term In Negro Massacre

KOSCIUSKO, Miss., March 17. (AP)—One white man is under sentence of life imprisonment and another faces trial Monday in the massacre of a Negro family here.

Windol Whit, 25-year-old bricklayer, was given life imprisonment yesterday. A jury convicted him of the murder of four-year-old Ruby Nell Harris shortly before midnight last Jan. 8. Whit is seeking a new trial.

Slated for trial Monday on a similar charge is a 38-year-old convict, Leon Turner.

Windol Whit and his 27-year-old brother, Malcolm, testified that Turner was the trigger-man in the pistol slaying of the Harris girl and of Mary Burnside, 8, and Frankie Thurman, 12.

Malcolm Whit also is awaiting trial, set for March 27. A Negro tenant farmer, Thomas Harris, 27, told the all-white jury that it was Turner who fired the shot that paralyzed him. Harris was the father of the Harris child and the stepfather of the two other slain children.

Another step-daughter, Valine Thurman, 14, who is recovering from bullet wounds, told the court that Turner shot her.

Impatient Papas Get Sex Signals

NEW YORK, (AP)—Sex signals tell the impatient father at a Texas hospital whether he has a boy or girl. The signal is an electric sign that flashes on in the waiting room at Wichita General Hospital, Wichita Falls, Tex.

One sign in blue, announced "It's a Boy." The other in pink, "It's a Girl." The doctor or nurse flashes the signal from the delivery room as soon as the big question is answered.

It started with one impatient father, who is in the electric sign business. He was annoyed over waiting 15 minutes to learn whether he would be buying baseball bats or doll houses for his offspring. He talked with a doctor whose hobby is electric gadgets, and the sex signals were rigged up.

The National Geographic Society says the Belgian Congo produces 80 per cent of the world's known output of uranium.
