man of the Special Events Committee, announced that the banquet plans are being made and that the date and other information will be announced later.

FULLEN Motor Co.'s Laugh A Day

A wise judge, noted for his modern views, was sentencing the defendant.

"I'm not going to give you the maximum punishment," he said. "I'm not going to put you in our nice comfortable jail. I'm going to let you go free and worry about taxes, politics, high prices and the atom bombs — just like the rest of us."

Tuesday is Deadline For Vote Registration

Unless a lot of people register to vote Monday and Tuesday, decisions affecting just everybody in this county will be decided by only a few people during 1967.

Tuesday, Jan. 31, is the deadline for registering to vote this year. County Tax Assessor - Collector Edgar Alton reports that his office at the courthouse will give every opportunity for those who want to register.

The courthouse tax office has been remaining open through the noon hours and will continue to do so Monday and Tuesday, as well as staying open until midnight Tuesday, Alton said.

He estimated Friday that approximately 2,000 people in the county had qualified to vote through registration. He guessed that some 1,200 had registered in Eastland; about 300 in Cisco; 250 in Ranger; 200 in Gorman; and had had no report from Rising Star.

Registration is free — but you must register in order to vote, Alton said. He made the following statement relative to voting requirements:

"Recent conflicting statements have resulted in misunderstanding about voter registration requirements.

"Section 34 of the Texas Election Code gives us the qualifications requirements for voting," he said.

"Every person subject to none of the foregoing disqualifications who shall have attained the age of 21 years and who shall be a citizen of the United States and who shall have resided in the state one year next preceding an election and the last six months within the district or County in which such person offers to vote and who shall have registered as a voter, if required to do so, shall be deemed a qualified elector, he quotes from the law.

"Any qualified elector who is over sixty (60) years of age on the day of an election at which he offers to vote and who does not reside in a city of ten thousand (10,000) or more inhabitants may vote at the election without having registered as a voter.

In other words, no person between the age of 21 and 60 will be permitted to vote unless he has registered in accordance with the provisions of this code, he said.

"41-A states that the County Tax Assessor-Collector of each county in this state shall be the registrar of voters in that county."

Registration period began Oct. 1, 1966, and will end Jan. 31, 1967. Those persons registering in this period will be qualified to vote from Feb. 1, 1967 to Feb. 29, 1968, he explained. Applications for registration may be obtained at the Chamber of Commerce office in Cisco, the City Hall and Jenkins Insurance Agency in Rising Star, Todd's Variety Store in Gorman, and at the Commercial State Bank in Ranger. These may be mailed to Edgar Alton, Tax Assessor - Collector, Box 569, Eastland, and certified

mailed to applicants at no charge, Alton said.

The registration certificate of a person who registers before he becomes a qualified elector (21 years of age) shall have stamped or written thereon the following: Not entitled to vote before (blank) (Date on which he will become a qualified elector to be inserted in the blank).

The same notion shall be placed opposite his name on the list of registered voters, Alton explained.

2 Important Election Await Eastland Voters

Eastland voters, be they few or many, will have at least two important elections to voice their choices this year, and possibly several more.

The school board election will be Saturday, April 1, and the terms of two trustees expire this year. Those of Board President J. T. Gregory and W. M. Jones expire. It has not been reported whether the two men will seek re-election or not.

8th Grade Girls Defeat Ranger

The Eastland Eighth Grade Girls defeated a Ranger team, 22-9, in the Eastland Gym Thursday night.

High pointer for Eastland was Kay Hoffmann with 10. Other scorers were Jana Rexroat with 7, Marcie Griffin, 3, and Bonny Lane, 2.

There have been no official announcement from any others who may be planning to announce for election to the board.

Other board members are Virgil T. Seaberry Jr., Dr. Bob Alexander, Willard Griffin, Dr. Ferhman Lund and Bernard Hanna.

The City Commission election will be Tuesday, April 4 and three terms expire on that body: that of Mayor Frank Deaton, and Commissioners Dr. M. A. Treadwell Jr. and Bill B. Hart. Neither has announced plans, nor has any official statements been made from any others who might be planning to seek places on the commission.

Other commissioners are James Reid and Curtis Koen.

'Name-Changing' On Checks
Passe, Come Sept. 1, 1967

The old practice of "changing the bank's name on a check" when you don't happen to have one of your bank's check blanks, appears to be on the way out — much as Zip Coding mail is "in."

An official of the local bank has announced a policy to be adopted by the Federal Reserve Banks beginning Sept. 1, 1967.

The official quoted the Federal Reserve notice as follows:

"Effective Sept. 1, 1967, checks and drafts deposited with Federal Reserve Banks will not be handled through regular bank collection channels if received without the magnetic ink (MICR) transit number. The new electronic processing demands such magnetic ink encoding.

"To avoid the delays of special handling of your checks, please use only the printed checks which your bank furnishes. (If not convenient to carry your checkbook, keep a few blank checks with you.) Do not use customer's draft forms or "changed" checks.

"You may be required to pay a service charge for collecting a check which cannot be processed electronically by the Federal Reserve banks."

Traditionally, people have marked through the name of the bank on a check and written in their own bank's name when they found themselves without a printed check from their own bank. The electronic equipment is not able to comprehend these changes and must depend on the electronically-encoded information of the checks to direct the bank on which the check is drawn.

WCS Circle Meetings Set For Jan. 31st

Circle meetings are planned for members of the Woman's Society of Christian Service for Tuesday, Jan. 31 as follows: Ruth Circle with Mrs. M. E. Dry; Esther Circle with Mrs. Frank Denton; and Sarah Circle with Mrs. L. C. Brown.
Those attending last Tuesday's meeting enjoyed an interesting lesson, which concluded the mission study. Mrs. Charles Harris presented an article which pointed up the disturbing confusion in which Christ's churches found themselves in the year of 1966.
The "Dilemma for Christians", given by Mrs. Harold Ray, stressed the decisive conclusion that Christians living in our abundantly-blessed country have an obligation to help alleviate poverty both at home and abroad.

Mrs. J. L. Davenport showed a film strip entitled "How Things Hide People".
Mrs. Allen Rausch brought a devotion on "Hands". Emphasis was placed on the fact that the only hands God has to do His work are our hands.
Present were Misses Denton, Brown, Harris, Ray, Rausch, C. E. Brooks, E. E. Johnson, T. M. Johnson, William Long, Carl Elliott, James Horton, Eddie Baker.

County Delegation Hears Tuberculosis Proposals

Eastland County's met Thursday afternoon at the Commission Courtroom to discuss the proposed Tuberculosis Association Number 3, which would include twenty-seven counties.

Present were Judge Bailey, County School Superintendent O. L. Stamey, Buel Bryan, administrator of Blackwell Hospital in Gorman; Leon Musgrove, administrator of Eastland Memorial Hospital; H. McDonald, minister of Rising Star; and Mmes. Clyde Benton and Gene Boney of Eastland.

Called by County Judge Scott Bailey, the group heard two field consultants from the Texas Tuberculosis Association office in Austin outline the organization plans and goals. Mrs. Marie Peik and Miss Fran McDonald explained that although the TTA office is in Austin, the organization is not a state agency.

Mrs. Peik said that in July of 1965, Texas had 84 local Tuberculosis associations serving 93 counties. A year later, due to the area association plan, Texas had 70 local associations serving 124 counties. Goal is for 13 area associations to serve the entire state.

The area office would mail out Christmas Seals, which is the Tuberculosis Association method of fund-raising; provide educational and helpful services to each county in the area; and serve as a meeting ground for the counties and the state office.

Money collected from the Christmas Seals would be used mostly in the area itself; with some 75 per cent of it remaining in the area office. The area board would distribute funds as needed to provide the best possible service.

"There is no policy of this county collected so much therefore it will get so many services," Mrs. Peik stressed. "The money collected is used to provide services where they are needed and need is the only basis of distribution of funds."

Each of the counties in this area will send a representative to the steering committee meeting in Hotel Texas, Fort Worth, Saturday, Feb. 18. This committee will select a name for the area association, a location for the area office, the number of employees which will be needed, the authority and responsibility of each employee, and a definite date for opening the office. Tentative plans call for complete organization by April 1.

Leon Musgrove will be Eastland County's representative on this steering committee. The Fort Worth meeting will also have programs for other counties who wish to attend. Following the organization

of the area association, TTA will be involved in a consulting way only.

Each county will select an advisory council to help on a voluntary basis with the programs presented in the county. Each county will also be represented on the area board which will supply services and educational material.

Counties involved are Eastland, Callahan, Erath, Hood, Johnson, Hill, Shackelford, Stephens, Palo Pinto, Parker, Tarrant, Wist, Jack Young, Throckmorton, Haskell, Knox, Baylor, Archer, Clay, Montague, Cooke, Wichita, Wilbarger, Foard, Hardeman, and Somervell. The area population is approximately 1,055,610 and the total number of new cases of tuberculosis reported between 1961 and 1965 was 718.

Grand Jury Due In Monday To Consider Cases

A 91st District Court grand jury has been called to convene Monday, Jan. 30, it has been announced by District Attorney Perry T. Brown.

Among the cases to be investigated is one in which a Rising Star city official will be questioned about acting as a law enforcement officer, it was reported.

Other cases include: one for theft over \$50; one for theft of cattle; one for theft of hogs; one for disposing of mortgaged property; one theft of a rifle; one theft by bailee; and three for theft by false pretense.
