

EASTLAND TELEGRAM

CROWD EXPECTED CIVIC LEAGUE MEETING

The Civic League is presenting Mrs. James Morson in what will prove to be a most timely and thought-provoking lecture on "Our American Heritage of Freedom".

Reservations are being made with Mrs. F. L. Bond at 24 for the luncheon which will be served at 12:30. The nursery will be available at the Baptist church for mothers of young children. This program is the highlight of the year and capacity crowd is anticipated.

Speakers are Mesdames Minton Hanna, Robert Bishop, Hanna, Bert Herridge, Jack Muirhead, Jr. and Mrs. J. T. Carter.

Rev. Brewer To Be In Jamaica For Preaching

Rev. Haston Brewer, pastor of First Baptist Church, will fly to Jamaica Feb. 20, as part of an evangelistic team directed by the Rev. L. A. Serrain, pastor of Kentucky Avenue Baptist Church in Oklahoma City, Okla.

The team will work in the Buff Bay Area on the north side of the island until March 6. They will hold daily services in mission points of the Buff Bay Baptist Church. Dr. A. L. McKenzie is pastor of the church.

Rev. Brewer said, "We're going to carry the Word of salvation and witness as well as preaching. We'd like to ask people here to pray for this evangelistic crusade."

O. L. Wilson Retires From Haydite Plant

O. L. Wilson, who retired from the Haydite Plant on Jan. 1, was honored at a barbeque lunch Wednesday. He was presented a watch by C. W. Martin, plant manager. Wilson is the first Eastland employee to retire under the retirement plans Texas Industries adopted in 1964. He had worked there eleven years.

The Wilsons moved to Eastland about 30 years ago. They farmed until he joined Texas Industries. They are members of the Calvary Baptist Church.

Mr. and Mrs. Wilson have three daughters: Miss Bertha Wilson and Miss Stella Wilson of Eastland; Mrs. Lou Gilson of Amarillo; and three sons, Troyde of Florence, Arizona; Jerry of Amarillo, and John of Midland. They have eight grandchildren.

EASTLAND CIVIC THEATRE PRESENTS "SEVENTEEN"

FEB 4-7 800 PM SUNDAY MAT. 230 PM

FOR RESERVATION MA 9-1097

Thanks largely to the efforts of Mr. and Mrs. J. T. (Buddy) Carter, a sign, six by four feet and fully lighted, stands at the intersection of Highway 80 East and the drive to Bell Hurst Playhouse, where ECT presents several plays annually. "Seventeen" opened last night for a four-performance run. Reservations are still available by calling MA 9-1097.

Former Eastland Stars, Misfits Man Is Buried In Friday Rites

Edward Ray Harris, 47, died at Hereford Wednesday morning following an apparent heart attack. He recently moved from Eastland to Hereford.

Funeral was held at 2 p. m. Friday in First Methodist Church in Stephenville. Burial was in West End Cemetery there under direction of Stephenville Funeral Home.

Born Feb. 18, 1919, in Ash-town, Arkansas, Mr. Harris was a veteran of World War II and the Korean War. He married Martha Emmett in 1959 and they lived in Stephenville for the next five years. He was an instructor in the Soil Conservation Unit training school at Tarleton State College.

Mr. Harris worked with the Soil Conservation Service in Stephenville and Dublin before moving with the service to Eastland. He transferred to Hereford with the service.

He was a member of the Methodist Church.

Survivors include his wife; one son, Charles, 6; one daughter, Lorilee, 4; one brother, John Harris, of Hooks; six sisters, Mrs. Cora Manning of Hooks, Mrs. Leona Springer of Canton, Mrs. Nancy Canant of Idabel, Oklahoma, Mrs. Reba Shipp of Lubbock, Mrs. Ruth Allen of Fort Worth, and Mrs. Janet Patrick of Texarkana.

Mitchell Area Resident Dies Friday Night

J. W. (Bill) Dennison, 72, life-long resident of the Mitchell Community southwest of Cisco, died of an apparent heart attack in his automobile en route to town shortly before midnight Friday.

Funeral services were expected to be held Sunday, and arrangements will be announced by Rust Funeral Home.

Mr. Dennison, who lived alone, was believed to have become ill and got into his car and started to town or to a neighbor's home. His car was in a ditch on the Dan Horn road, near the homes of Billy Joe Taylor and Richard Rhyne, five miles southwest of Cisco.

The car lights were on and shining in the window of the Rhyne home. After a time, Mr. Rhyne called Mr. Taylor and they went to investigate the parked car, finding Mr. Dennison. Constable Bud Dawson of Cisco was called and Justice of the Peace Wells Davison of Eastland, substituting for W. L. Lewis of Cisco who is ill, pronounced death of natural causes.

Mr. Dennison, who never married, attended the Church of the Nazarene. He was a veteran of World War I and lived on his own 160-acre farm virtually all of his life.

Surviving Mr. Dennison are one brother, Paul Dennison of Snyder; one niece, Vera Lois Owens, of Dallas; and a nephew, Vennie Owens of Montana.

Firms Are Hit By Burglars

Four Eastland businesses and nine in Cisco were burglarized Friday night as a petty crime wave that has been reported over West Central Texas moved into the area.

Among the places hit in Eastland were The White Elephant Restaurant, B&W Texaco Service, Jack Lee's Service Station, the Goodwin Drive Inn and The Cactus Restaurant. All are on West Main St.

Music machines were burglarized at the Cactus and at the Dairy King. An unsuccessful entry was made at the back door of the White Elephant. The burglars reportedly were frightened off from the B&W Texaco, but apparently came back to hit the Jack Lee Station.

Police Chief Clyde Bryner in Cisco, who was investigating the thefts Saturday, listed the victims as follows: Fina Service Station, Dairy Treet No. 2, Wilson Smith Service Station, Lopez Texaco Service, Carlisle Humble Service, Speegle Mobil Service, George Brown Sinclair Service, Longhorn Cafe and The Spot.

Mr. Bryner said a small bar and screw driver apparently were used to force doors open to enter the firms. Cigarette machines and juke boxes were broken open and money taken. Loss was from some \$50 at Lopez Service to nothing at George Brown's.

Mrs. McGaha Is Buried In Friday Rites

Mrs. W. S. (Cora) McGaha, 83, of Carbon, died at 5:30 p. m. Wednesday at Lawn-dale Nursing Home in Gorman. She has been ill for several weeks.

Funeral services were held at 2 p. m. Friday at the Carbon Baptist Church. Burial was in Murray Memorial Cemetery under direction of Higginbotham Funeral Home of Gorman.

Survivors are her husband; three daughters, Mrs. Lucy Hagan of Cisco and Mrs. Gene Fields and Mrs. Vergie Hale, both of Carbon; two sons, Bewel McGaha and Royce McGaha, both of Morienc, Ariz.; 12 grandchildren and eight great-grandchildren.

FULLEN Motor Co.'s Laugh A Day

A timid lad and girl were riding on horseback out in the country. As they stopped for rest, the two horses rubbed necks affectionately "Ah, me," said the lad finally working up some courage. "That's what I'd like to do."

"Go ahead," said the girl "its your horse."

ECT Has Another Hit; 3 Performances To Go

Three "Seventeen" performances await theatre-goers at Bell Hurst Playhouse, and the opening night Eastland Community Theater production has been labeled "top flight" family fun.

Opening Saturday night before a capacity crowd, the play is expected to draw record attendance through a matinee, beginning at 2:30 p. m. Sunday, and two more evening performances, Monday and Tuesday, at 8 p. m. each night.

Reservations for either may be made in advance by calling Mrs. Kenneth Watson, MA 9-1097 or the Playhouse, MA 9-1141, up until curtain time.

One of the most elaborately costumed of ECT's presentations, the play, based on the novel by Booth Tarkington, is a sparkling comedy depicting the "growing up" of a teenager. The perfectly-cast play provides a lot of laughs, and many, many opportunities for one to say to oneself, "Well, isn't it the truth?"

Phillip Smith plays the youngster coming of age, and though he's a bit younger than Tarkington's original character, it's an ideal casting for the simple reason that youngsters grow up sooner now than when the novel was written.

His parents in the play, Mr. and Mrs. Pat Miller, portray "all parents" who find themselves going through the trying times of raising teenagers. Their daughter Susie rounds out the Baxter family.

Tania Faircloth does a beautiful job as Lola, the girl who is Smith's first love. Others in the cast are Marsha Hanna, James Reid, Keith Elliott, Larry Sittler, Rhett Smith, Gregory Pierson, Frankie Sayre, Donna Haynes, Melissa Courtney and Caria Boney.

Mavericks Drop Lobos -- Play Pirates Tuesday

The Eastland Mavericks nailed another nail in their District 7-AA Second-Place position, by defeating the Cisco Lobos, 54-49, in Cisco Friday night.

Much improved from the early season, Cisco had come within one point of beating Granbury last week and the Mavericks went over Friday night loaded for bear.

The victory left Eastland in second place behind Granbury.

The Mavericks play Granbury in Eastland Tuesday night and Hamilton Friday night in Hamilton.

High point man for the contest was Jim Herridge of the Mavericks. Next was Larry Hargrave of the Lobos with 13 points.

The Eastland girls whipped the Lobo Queens 63-54 with Marsha Treadwell sinking 52 for high honors.

Marsha Treadwell of Eastland scored 52 points for her team. Cisco's Anette Dunlap scored 44 points.

TV Show Films To Show Scenes Aboard Carrier

Monday, Feb. 6, the NBC Today Show will televise film clips made on the January Civilian Orientation Cruise at Pensacola, Florida. Hugh Downs was one of about fifty New Yorkers who attended the cruise along with some fifty Texans, including Clint Bray, Gene Boney, and Marcus O'Dell, all of Eastland.

The announcement, made by the Naval Air Station at Dallas, did not include details about which film will be shown. The Today Show crews filmed most of the four-day tour, which included a day aboard the aircraft carrier USS Levington.

Eastland Women Will Observe Day of Prayer

The annual World Day of Prayer is observed by the women's organizations whose churches are members of the National Council of Churches, and the service is rotated from church to church.

The service this year will be held at the Holy Trinity Episcopal Church, 710 S. Seaman, at 10 a. m. Friday, Feb. 10.

Eastland churches participating in the program are First Methodist, First Christian, First Presbyterian, Holy Trinity Episcopal, Smith Chapel Methodist, First Baptist Colored, Church of God and Assembly of God.

Women from other churches have been invited to attend.

Paper Contest On Industry Is In Progress

An Industrial Foundation is offering cash prizes for winning the papers submitted by seniors, juniors, and sophomores of Eastland High School. The students will offer their own viewpoints on what Eastland has to offer prospective businesses. Freshmen may submit themes if they desire.

A screening committee of local citizens will select themes to be sent to a judging committee, which will choose the top three. Harry Clark of Austin, executive director of Texas Industrial Committee and Oscar Castillon, of Fort Worth manager of area development division, Texas Electric Service Company, will be on the judging committee.

Clark will be in Eastland to announce the winners and present prizes at a luncheon meeting of the entire membership of the Chamber of Commerce on March 16.

Mohair Growers Will Ballot On Market Program

All eligible mohair growers are being urged to cast their ballots in a mail referendum on a mohair-market development program announced by the U. S. Department of Agriculture for the period of Feb. 6-17.
County Agricultural Agent DeMarquis Gordon of Eastland reminds that producers eligible to vote are all those who have owned Angora goats which are six months old or older for at least 30 consecutive days during 1966.
If passed, the referendum would authorize deductions of up to one-and-one-half cents per pound of mohair incentive payments to mohair producers receive under the National Wool Act.
The vote will be held at the ASCS county offices during

the two-week period in February, and voting may be in person or by mail.
The results of the referendum will not affect the mohair payment program itself, which has been extended by law through 1969. The vote will determine whether or not deductions will be made from mohair marketed during 1966-69.
The promotion program would be carried out under an agreement between the Secretary of Agriculture and the Mohair Council of America, Inc., authorized by the National Wool Act. The proposed agreement would be similar to those under which advertising and sales promotion programs for wool and lamb promotion have been conducted since 1955.
For additional information, County Agent Gordon urges eligible voters to contact their local ASCS county office. It's located in the Eastland County Courthouse. These County Offices will dis-

tribute copies of the agreement and ballots to mohair producers early in February, and producers may cast their ballots by mailing or delivering them in person to the ASCS office before the close of the referendum (February 17).

Thursday Final Day To Enter In Stock Show

Thursday Feb. 9 is the deadline for entering livestock in the Eastland County Livestock Show, according to H. L. Ferguson, general livestock superintendent.

All livestock which will be shown in the county show, either open or junior shows, must be entered on or before this date.

The entry fees are as follows:

- Sheeps, lambs, goats, and hogs—50 cents.
- Steers, heifers, cows—\$1.

A new ruling has been made to the effect that no refunds of entry fees will be made after the exhibitor enters his animals or animals in the stock show.

All persons wishing to enter livestock in the show should contact their chapter advisor, the assistant county agent, or Mr. Ferguson.

WCSA To Meet Tuesday With Mrs. Bulgerin

The monthly business meeting will be held by the Women's Society of Christian Service next Tuesday with Mrs. H. J. Bulgerin, chairman, presiding.

Mr. and Mrs. Wade Coan, Connie and Ronnie, were guests of honor at a Thursday night pie supper in the home of Mr. and Mrs. M. K. Beasley and Bill.

The Coans are moving to Monahan on Feb. 6.

Present were residents of the Leon Plant Village: Mr. and Mrs. Jack Reeves and family; Mr. and Mrs. J. L. Owens, Mr. and Mrs. Hubert Jones, the honorees and hosts.

16,000 Crippled Helped By Easter Seal Society

A record of 16,031 Texas children and adults were helped during 1966 by the Easter Seal Society for Crippled Children and Adults of Texas, according to H. T. Wilson of Eastland, who serves as the Easter Seal Representative of Eastland County.

Of the total, 11,046 children and 4,986 adults received treatment and other rehabilitation services financed mainly by contributions made during the Easter Seal Appeal, he reported.

These contributions made possible medical diagnosis, physical and occupational therapy, speech and hearing programs, special education classes, and other services to rehabilitate handicapped children and adults. Wheelchairs, walkers, braces and other special equipment were also provided.

The Easter Seal Society in Texas helps support 23 treatment facilities where children and adults are treated who are unable to pay. Mr. Wilson added that the Easter Seal Society is continuously seeking

Mrs. Huffman In Second Term As Morton Valley HD Prexy

Mrs. C. F. Huffman has recently assumed leadership of the Morton Valley Home Demonstration Club. She was also president of the club in 1963 and served two years as president of the Eastland Parent-Teacher's Association and two years as president of the Tri-County Council of P-TA.

The Huffmans live in the village of Lone Star Plant 3, north of Eastland. He is superintendent of seven plants; the one where they live, X-Ray, near Stephenville; Hill Lake, north of Cisco, and four in the Comanche area.

They are members of the Church of Christ, where she has taught Sunday School. They have three daughters, Anna, a 1966 graduate of Eastland High; Janie, an Eastland High sophomore; and Melinda, a sixth-grader at Eastland Elementary. Anna is attending Abilene Business College, where she is studying court reporting.

Wilma's parents, Mr. and Mrs. Ivy H. Myers, live with the Huffmans.

The family moved from here to East Texas in 1955 and back here in 1960. They have worked with the Band Boosters Club and Wilma worked in Civic League and Garden Club.

She is a graduate of Caddo High School and attended Abilene Christian College. She taught at Kellerville Elementary School.

She sews, making clothes for herself and the three girls. She says, "I sew practically every day, if only for a few minutes. I'm starting to knit again after several years and am enjoying it very much."

Other officers of the club are Mrs. M. V. Harrison, vice-president; Mrs. L. W. Leach, secretary-treasurer; and Mrs. Alvin Kincaid, reporter; Committee Chairman, Mrs. Leach, EEE; Mrs. Kincaid, 4-H; Mrs. L. E. Orms, recreation; Mrs. Joe Bond, council delegate; and Mrs. D. J. Also members of the club are Mmes. C. T. Brockman, who is Council president; Burl Blair, J. B. Bryant, L. E. Danley, G. M. Hargus, Jeff Laughlin, Josie Nix, J.A. Pogue, H. C. Pounds, Howard Sherman, W. E. Tankersley, Harve Thompson, Homer White, and Ralph Wheat.

The club meets at the Morton Valley Community Club at 2 p. m. each second and

July and August. The only dues are 50 cents monthly for the Texas Home Demonstration Association. Other fees are assessed as needed for the utility bills on the club house, and other items. One recent money-raising endeavor was a "measure-your-waist" project. Each member's waist was measured when she arrived for the club meeting and she paid a cent per inch to the fund.

Mrs. Huffman says, "Any homemaker in the community is eligible to join with us in learning how to improve to our community."

The club's purpose is to increase knowledge in home making and related subjects and the members have one home educational program each month. The programs are suggested by the County Home Demonstration Agent following ideas given by each of the seven home demonstration clubs in the county. The club is not required to follow the suggested programs and may substitute others if desired.

Mrs. Huffman says, "I've especially enjoyed the home demonstration club meetings and work because everything is involved with those subjects women are naturally interested in: home, church, and community."

Eastland People Do A Lot Of Reading

This country's first magazine, "American Magazine," was printed in Philadelphia in February, 1741.

Today more than 4,000 different magazines are published weekly, semi-weekly, or monthly. A few titles are printed five or six times a year. Over 500 titles are available regularly in Eastland County—except for special occasional, apparently "Look" has not been on but few local news stands since the March book serialization began. Eastland merchants estimate of the number of magazines sold from their stores ranged from 300 to 400 copies monthly.

What do local people read?

First of all, the "Reader's Digest." More families subscribe to it (postal employees estimate they handle 40 per cent to 50 per cent more "Reader's Digest" than any other magazine) and it was listed as a top-selling item on the stands.

The Telegram asked, "Which magazines do you prefer to read?" These are the answers:

Mrs. Curtis Young: "I like 'Good Housekeeping' and usually clip out the recipes and housekeeping hints. We read 'Guideposts' and consider it one of the most inspirational magazines printed."

Glen Williams: "The 'Reader's Digest' because it's informative and 'National Geographic' because it's interesting. My wife reads 'McCall's' and 'Home' and especially likes the handcraft articles and recipes."

Mrs. Troy Ray: says "The 'Time' magazine covers foreign news better than any other, I feel. 'National Geographic' gives an idea of things and places all over the world which can't be found in another publication." Russell Walker, Cisco Junior College freshman: "I like the sports magazines, just for reading. The news magazines and 'Life' are important reading for school."

Mr. and Mrs. Ed Sargent prefer the "Reader's Digest" and also listed it as a best seller on the stand at the Hillcrest Grocery. Others which sell rapidly there are "Mad," "Teen," and "Seventeen."

Mrs. L. C. Brown: "We read 'Reader's Digest' and 'Life' before anything else. I like 'Ladies Home Journal' and L. C. reads 'National Rifleman,' 'Mechanics Illustrated' and 'Wildlife.'"

I. J. Carmack: "I read 'Life' and 'Farmer-Stockman.'"

Mrs. John Garrett: "I read 'Better Homes' and 'Home and Garden' and clip out and save ideas and recipes."

Oil Project Appears Good Northeast Cisco

An extension to the old Banking—Owen North Lake Sand Field, some five miles northeast of Cisco, was in prospect Thursday as Otto Bendorf of Breckenridge set pipe in No. 4 G. W. Taylor, a deep test project there.

According to reports, the Bendorf test went to 3,209 feet — through the Lake Sand — and encountered 25 feet of pay. Completion work will begin sometime in a few days.

The well is located 2,210 feet from the south and 330 feet from the east lines of Section 37, Block 4, H&TC Survey.

Most of the field is owned by Gulf Oil Corporation, which began an extensive water flood program there last year.

In the area eight miles north east of Cisco, a re-completion project has been reported by Don M. Holden of Breckenridge as his No. 1 L. A. Lawrence of Breckenridge. It has been re-completed as a gas well with a potential of 3,400,00 cubic feet daily from Strawn Sand perforations at 1,648-88 feet. The hole was plugged in 1957 at 1,750 feet.

Location of the Holden well was given at 2,750 feet from the south and 500 feet from the west lines of Section 39, Block 4, H&TC Survey.

Elsewhere, O. O. Terrell of Angelton has completed his No. 2 James A. Beard as a regular field well three miles southeast of Eastland. Potential was 68 barrels on pump at 3,212-25 feet. The test went on to 3,807 feet and pipe was run to 3,372 feet. Location was given as 990 feet from the north and 467 feet from the west lines of the E. Loyd Survey 23.

Seven miles west of Cisco in a shallow pool area, B. F. Thomas of Cisco has a re-orientation for his No. 8 Frances A. Chaney as a 500-foot project. Location was in Section 1, Block 2, BBB&C Survey.

Mrs. Turner Hosts Flatwoods HD

The Flatwood Home Demonstration Council met Feb. 2 in the home of Mrs. J. S. Turner.

The meeting was opened by Genoa Brown. Mrs. Taylor led the motto, pledge and the prayer. The Scripture was read by Mrs. J. S. Turner.

Twelve members answered the roll call with "home accidents I've had." All Home Demonstration Clubs standing rules and regulation were voted on and approved then the minutes were read an approved.

Mrs. Brown was elected to go to T.H.D.C. state meeting in Stephenville. Council delegates will report on all future work.

The club had adjournment to play the game recreation. Refreshments were served. Next meeting will be at the home of Fanny O'Brien.

Olden Community 4-H Has Meeting

The Olden Community 4-H Club met on Feb. 2nd, in the Community Center. Nancy Copeland, President, presided at the meeting. The County Livestock Show was discussed and Pat Moseley gave a short outline of the rules regarding the show. Dollie Moseley was elected as Reporter. Rodney Pierson was elected as Recreation Leader to replace Glen Cate who is moving away. Jim Moseley, Council Delegate, reported on the last County 4-H Council meeting.

Those attending the meeting were: Rodney Pierson, Thomas Pierson, Jim Moseley, Terry Kent, Karl Kerr, Tommy Kent, Ted Kerr, Mark Pierson, Clay Kellar, Dollie Moseley, Keith Kellar, Ruby Fox, Nancy Copeland, Rene Pierson, Mrs. Olen Kellar, and Mr. and Mrs. Pat Moseley. After the meeting was adjourned, games were played and Iced Punch was served.

Visiting recently in the home of Mr. and Mrs. E. T. Tucker, 611 South Walnut, was their daughter and husband, Mr. and Mrs. W. D. Holliday of Woodson; Jack Tucker and family of Mineral Wells; Mr. and Mrs. Tucker and family of Eastland; and Walter L. Tucker of McKinock, North Dakota.

Wassarette Personnel Changes Are Announced

changes have been announced recently. The Wassarette Division of the Munsingwear Company is a division of the Munsingwear Company. Marquessen has been appointed to his new responsibilities effective Jan. 30, 1967. Mr. Hughes has been appointed to the position of Vice President and General Sales Manager of the Munsingwear Men's and Boys' Division effective Jan. 30, 1967. Mr. Hughes had previously been Vice President and Merchandising Manager of the Intimate Apparel Division's Hollywood Wassarette bras and girdles. Hughes joined Munsingwear in 1958 as a sales representative for lingerie in the Chicago territory. In 1960 he joined the Hollywood Wassarette Intimate Apparel Division as West Coast Sales Manager, and in 1961 he was made National Sales Manager and girdles. In 1963 he was appointed to the position he has held until the recent appointment to the Men's and boys' Division.

TEEN TALK by TANIA

It seems that after last Thursday the students of Eastland High School are beginning to realize that they could all make better grades with a little effort on their part. EHS had an impressive young boy on its stage Thursday. His name was Attila Galamb, and was originally from Canada. He is only 13 years old and has already completed his high school and is now working on his third year in college. He is also one of the greatest musicians in the world. He can play the soprano saxophone, the B flat saxophone, the tenor saxophone, the B flat clarinet, the piano, the accordion and others. It is said that he can play higher notes on an E flat sax than anyone in the world.

There have been a few driving mishaps that the students of Eastland have been involved in. (Not to mention the author of "Teen Talk.") Carolyn Hobbs had a minor wreck but no one was injured. (Hmm, why Carolyn, when did you get your driver's license?) James Whitehead also did \$500.00 worth of damage to his new Camaro. This incident took place about 2:30 one morning. (My goodness, James, what were you doing out at that time of the night? You are certainly a night owl, aren't you?)

There seem to be a lot of happy sophomore girls at the school. There have been quite a few new football jackets presented to the football players but is also seems odd that the boys never wear them.

There are quite a few students wrapped up in plays right now. The junior play has started and the Civic Theatre Play is now under way. The Civic Play is going to be Booth Tarkington's Seventeen. Members of EHS participating are: Gray Pearson, Donna Haynes, Marsha Hanna, Frankie Sayre. Members from junior high are Phillip Smith, Carla Boney, Melissa Courtney, and from grade school is Susie Miller. This play, along with the junior play should be quite funny and a thing for every member of the family. They will be given on different nights of course.

The Eastland Future Homemakers of America is planning a salad supper for the members and their mothers. Mrs. Perkins will be present at the meeting and will speak to the group. The history classes of Eastland were also honored with a talk from Mr. Perkins about the "importance of history". Everyone was truly pleased with his visit.

IS IT TRUE?
Is it true that Sherry Carroll is dating a car salesman? Would you believe that Karen Ford is also involved with a Chevrolet man? Say, Jeanne Wright, who is that boy in that blue bomb you have been seen with lately? By the way, Judy Carroll, where did you get that pretty necklace? Hmm! Its new, isn't it? Is it true that Dixie Young is fixing to have a blue "Thursday"? Does Royce Burns really make a certain girl mad by staying at the recreation center a little too much? Who knows? All this chatter may truly be going on in the town of Eastland High. But one can't afford to make them positive statements because these things change once or twice a week.

The halls of Eastland High School have seemed a little lonely for most of the girls and boys. Treva Wilson and her family moved to Victoria last week and everyone really misses her. Treva was twirler here her freshman and sophomore year. She was a cheerleader in Junior High.

We saw quite a few Eastland High people in Abilene on Saturday when Andrea Rhodes and I were there. I remember seeing Bill Hoffman, Karen Green, Mrs. Day and we also saw a former member of EHS. In fact we saw two members: Shirley Smith (Ables) and the former Judy Lewis. So ends another week at EHS. It seems that there is always so much going on that it is hard to believe. So much for this week, until next Thursday, keep the events going and we will probably see it in writing in my next paragraph of "Is it true?"

MISS CAMPBELL WEDS RICHARD L. DONOVAN

Miss Bernadine Campbell and Richard Lee Donovan were married at half past seven o'clock on Saturday evening, January 28, in the First Baptist Church of Cisco. Rev. Harry Grantz, pastor of the First Baptist Church of Carrizo Springs, performed the ceremony.

Bridesmaids were Mrs. J. E. White, Miss Sylvia Hart, Miss Sandra Hart and Miss Martha Sitton, all of Cisco. They wore identical floor length gowns of coral dull lustre satin with matching veils. Each carried a cascade of coral feathered carnations.

Parents of the bride are Mr. and Mrs. B. M. Campbell of Carbon. He is the son of Mr. and Mrs. Richard Donovan of Cisco. Traditional wedding music was presented by Mrs. William Austin, organist, and Mrs. George Owens, soloist. Mr. Campbell gave his daughter in marriage. She wore a floor length gown fashioned of Dulcet satin, highlighted by a chapel train bordered with chantilly lace appliques outlined with seed pearls. A seed pearl tiara held her veil of illusion. She carried white roses centered with gardenias atop her white Bible.

Wedding tapers were lit by Bill Grantz, cousin of the bride from Carrizo Springs, and David Largent of Abilene. Guests were seated by Mr. Grantz and Bill Westfall of Cisco. Flower girls were Miss Kathy Shugart of Granbury and Miss Gina Davis of Cisco. Ring bearers were Clint Tucker of Carbon and Roger Davis of Cisco. A reception was held in the Fellowship Hall of the church hosted by the bride's parents.

Granddaughter Of Frosts Attends Big San Antonio Event

Miss Robbie Kay Sneath, 16, a daughter of Mr. and Mrs. R. A. Sneath of Odessa, represented the City of Odessa at two brilliant functions of the International Ambassador's Council in San Antonio in January.

Miss Sneath is the granddaughter of Mr. and Mrs. D. C. Frost, Rout 2, Eastland. The first of the two San Antonio spectacles was held Jan 7 in the Grand Ballroom of the Gunter Hotel with a reception honoring the Court of Diplomatic Beauty. The girls were entertained with luncheon at La Louisiane, a French Cafe.

Miss Sneath chose an all white ball gown with long white opera gloves for her presentation as princess. She was accompanied to San Antonio by her parents and joined there by her brother and his wife, Mr. and Mrs. Lea Sneath of Dallas. The Permian High School sophomore is chaplain of Seelenas Tri-Hi-Y.

Following her return to Odessa, she was honored with a tea on Jan. 19, a formal dance on Jan. 20 and a brunch on Jan. 27. Two years ago, Miss Sneath attended the inauguration of President Johnson.

There are quite a few students wrapped up in plays right now. The junior play has started and the Civic Theatre Play is now under way. The Civic Play is going to be Booth Tarkington's Seventeen. Kitchen Storage Is Program For Morton Valley

Thirteen members and one visitor attended the regular meeting of the Morton Valley Home Demonstration Club Wednesday afternoon. Mrs. C. F. Huffman presided and Mrs. Jeff Laughlin led the group in the club's motto, pledge and prayer. Mrs. Alvin Kincaid read the devotional scripture, Matthew 11: 28-30.

Members of the families and friends attended the ceremony and reception which followed. The bride's table was laid with a white cloth. The two-tiered wedding cake of white was adorned with blue flowers to carry out the bride's chosen colors of blue and white.

Mr. and Mrs. Thomas are 1966 graduates of Olden High School. Mr. Thomas attended Cisco Junior College and is presently employed with the Eastland Feed Store. Following a short wedding trip, the couple is at home, 105 Summit St. in Ranger.

HOMEMAKERS HINTS

By JANET MEYERS
Home Demonstration Agent

The Eastland County Home Demonstration Council met recently in Eastland. Recommendations for the new year were presented by committee chairmen: Mrs. Scott Bailey, education - exhibition; Mrs. W. V. Fenter, finance; Mrs. D. F. Eaves, Yearbook; Mrs. Joe Bond, Recreation.

The District Texas Home Demonstration Association meeting is scheduled to be held in Stephenville on April 12 and 14. Elected delegates to attend the two day conference are Mrs. Genoa Bros of Eastland, Mrs. W. V. Fenter, Rising Star; and Mrs. R. W. Gordon, Renewer. Alternates: Mrs. L. B. Mayhew, Cisco; and Mrs. Glenn Jordan, Kokomo.

Connecticut suggests the following tips for finishing fine wood. After washing and rinsing the furniture, he suggests using a smooth block of soft wood, such as pine, to stroke the clean surface with the grain.

Although not always seen by the naked eye, moisture tends to raise a fine "fuzz," almost like tiny hairs on any wood surface. The pine block serves as an "iron" to press the fuzz flat and thus, restores the pattern and beauty of the grain. An orange crate slat can serve as a pressing block. After stroking for several minutes with the soft pine block, let the furniture dry thoroughly for 24 hours or more before applying wax or polish.

The type care given a fine piece of furniture each day is as important as the periodic care routine. Authorities on fine furniture agree that the daily dusting of wood surfaces is an important step in preserving the appearance of the piece. Always stroke the cloth with the wood grain since crosswise or circular motions tend to leave noticeable streaks.

When cleaning stone areas

such as marble or slate vanity tops, don't leave a deposit of cleaner or any damp cloth or sponge on the surface. Porous stone is easily stained and difficult to restore to good appearance.

Follow these hints when using a coin-operated drycleaning machine. Pre-treat such spots as nail polish, lipstick, perspiration, etc. Brush dust and lint from inside pockets and cuffs. Remove noncleanable trims. See that hooks and zippers are closed. Separate light and dark-colored items.

The Eastland County Home Demonstration Council meets Wednesday, Feb. 1 in the Texas Electric Reddy Room in Eastland. Presiding over the meeting will be Mrs. C. T. Brockman, chairman. During Council recommendations for the new year will be made by committee chairmen: Mrs. W. V. Fenter, Education Exhibit & Expansion; Mrs. D. F. Eaves, yearbook; Mrs. Joe Bond, recreation; and Mrs. Glenn Jordan, 4-H.

Delegates to the District Texas Home Demonstration Association will be named. The district T.H.D.A. meeting is scheduled for April 13 and 14 in Stephenville. All council members are urged to be present for this important meeting.

Breads and cereals are an important part of a well-balanced American diet. One of the most popular Extension publications is our "Quick Breads and Cereals" bulletin which may be obtained from the County Home Demonstration Agent's office. One of the favorites is the recipe for jalapena corn bread which includes:

Jalapena Corn Bread
3 cups corn bread mix
2 1/2 cups sweet milk
1/2 cup salad oil
3 eggs, beaten
1 large onion, grated
3 tablespoons sugar
Chipped crisp bacon and or chopped pimento, optional
1 small can cream style corn
1/2 cup, 6 ounces or according to taste, jalapena peppers, chopped fine
1 1/2 cups American cheese, grated
Mix ingredients in order as given in recipe. Bake on three well greased 8" x 8" pans at 400 degrees F. 25 to 30 minutes.
This recipe has been requested by many, and is certainly good.

Throughout the year homemakers are troubled with the removal of stains. Here are some hints that we hope you will find helpful.

Soft drink stains are often colorless at first but may turn brown if allowed to stand, so sponge them at once with cool water or with equal parts of alcohol and water. Then rub glycerine into the stain, let it stand half an hour, rinse with clear water, and finally launder in hot suds. Treat coffee or tea stains by pouring boiling water through the stained fabric stretched taut. Then wash in hot suds using bleach to remove any remaining stain.

Milk, cream, gravy, and white sauce stains need soaking in cool water, then washing in hot suds. Generally, any chocolate stain can be removed in hot suds. Cranberry stains should be sponged with cold water—or even use an ice cube from a water glass for a quick treatment. Then launder in warm suds. If any stain remains apply bleach and re-launder. To remove candle wax, scrape off excess wax with a silver knife, place the stained spot between white blotters, and press with a hot iron. Sponge with carbon tetrachloride and wash in warm suds—using dilute bleach to remove any trace of color that might remain.

TEXAN OF THE YEAR—Allen Ludden of Corpus Christi received Texas Press Association's 1967 "Texan of the Year" Award. Presentation of the copper, engraved plaque was made to Ludden by TPA Pres. Jim Barnhill, publisher of the Hillsboro Daily Mirror. Ludden, pictured here with his lovely wife Betty White, was honored for the tremendous publicity he has given the Lone Star State on his CBS-TV program, "Password." Presentation of the Award was made at TPA's Honor Banquet at its Winter Meeting in San Antonio. Award is given annually to a former Texan now residing outside the state and bringing recognition to the state.

J. O. Jackson Is Named Top Farmer

J. O. Jackson Jr., was honored as the Gorman area's top farmer for 1966 at the annual Gorman Chamber of Commerce Family of the Year banquet Thursday night in the high school gymnasium.

Approximately 250 people attended the banquet and heard Joe Autry, Head of the Agriculture Department at Tarleton State College, speak on the necessity of keeping young people on the farm and the growing need for better farming methods. He further predicted that more scientific agricultural advances are in the making.

Following Autry's talk Ross Wilson, master of ceremonies, gave special recognition to Gorman State Bank and the Gorman Peanut Company for their continued support of the peanut industry in Eastland and Comanche counties.

Jackson was presented his award as outstanding farmer as a highlight of the night's festivities. He was born in the Gorman community and is the son of a long-time peanut grower.

A young farmer, 36 years of age, Jackson has been farming since he returned from the Korean War in 1955. He is a graduate of Gorman High and also attended Ranger Junior College for two years. Jackson also attended Texas A&M for one year.

Jackson's plans for the future call for continuing his peanut operation. To expand his annual yield, Jackson has recently acquired an additional 80 acres of peanut allotment, on which he plans to raise irrigated peanuts in 1967.

3 Criminal Cases Set For Monday

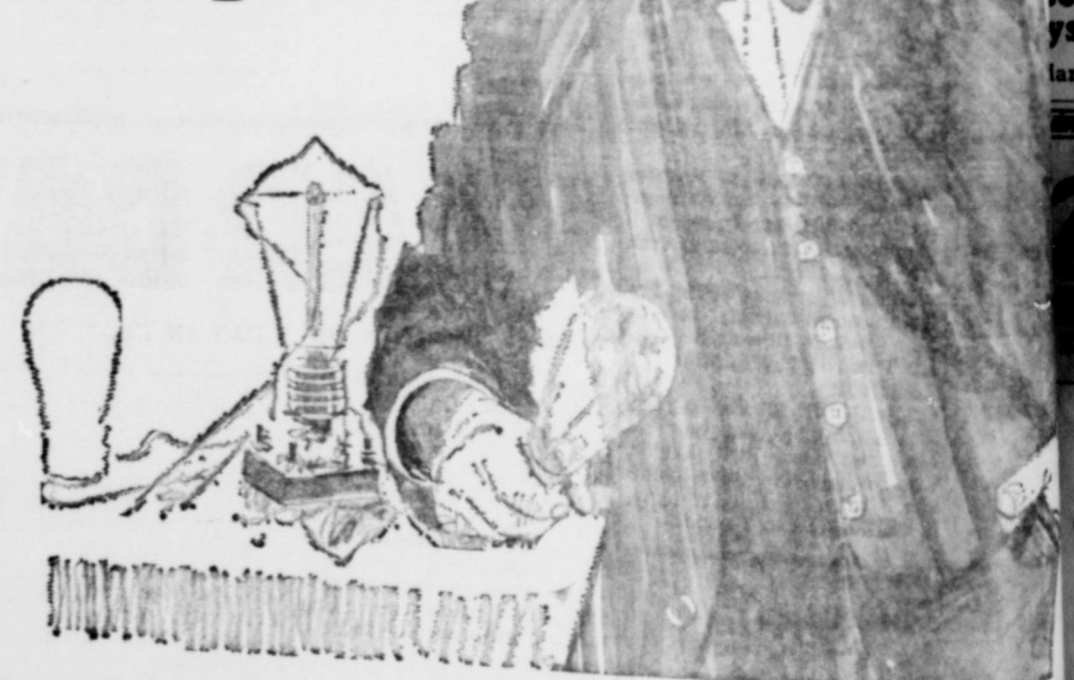

Three criminal cases are set for hearing in 91st District Court Monday.

A 50-name petit jury has been called for possible service.

Cases include two for felony theft of an automobile and one is a DWI, District Attorney Perry T. Brown reported. A fourth criminal case has been postponed until March 1, he added.

A civil suit set for Monday has been settled out of court, it was reported.

Even Mr. Edison would be surprised

Thomas A. Edison predicted great things for electricity and for the electric industry he founded. But if he were alive today, even he would be surprised at the progress that has been made.

He would see many new uses of electricity, such as television, air conditioning and electronic computing, that were only dreams in the minds of visionaries in his time.

He would marvel at giant generating units and ultra high voltage transmission lines that produce and transport electricity with an efficiency and dependability were not considered possible even a few years ago. And he would discover that through the use of other technological advances, the price of electricity has been kept low, while other prices have soared upward.

Yes, Mr. Edison would be proud of the growth and development of the electric industry he founded. And he would be pleased, too, to note the many important contributions to our better living.

4-H program is built around the family with stimulating training for young people under the creative guidance of their parents.

A large delegation of young men and women are representing Eastland County at the Southwestern Exposition and Fat Stock Show in Fort Worth. Then ten-fold delegation which has twenty-six head of cattle and sheep at this annual event is composed of the following individuals: Rising Star FFA, Tony Geyer, Carter Hounsel, and Travis Ford supervised by H. L. Geyes; Cisco FFA-Mike Farnsworth, and Tommie Lee supervised by Tom Toland; Eastland County 4-H Clubs—Cynthia and Carter Hounsel and Sandy Warlick of Rising Star and Tommie Bobby Caddy and Caryn Lee of Cisco.

These five youngmen and women have done a remarkable job of selecting feeding fitting and showing their livestock. They have represented their respective clubs and chapters well and are to be congratulated for the image which they bestow on Eastland County.

County Council Works On Club Plans At Meet

Fifteen members and seven visitors were present at the County Home Demonstration Council meeting Wednesday afternoon in Texas Electric's Reddy Room. Five clubs reported at the meeting.

Mrs. W. V. Fenter presented the finance report and Mrs. Ellen Horn gave the yearbook report.

Mrs. Jack Lusk read the standing rules of the council. Each club will study the rules and will vote on them in the March council meeting.

The recreation report was brought by Mrs. Joe Bond.

Mrs. Fenter discussed the THDA meeting in Gatesville in January. The spring THDA meeting will be April 13 and 14 in Stephenville.

The theme for the year is "World of Hope, Purpose and Peace."

The following THDA delegates were elected, Mrs. Genoa Brown, Flatwood; Mrs. Fenter, Pleasant Hill; Mr. Gordon, Morton Valley; and Mr. Mayhew, Word.

The Flatwood Club had charge of the recreation.

Motor Vehicle Registration Is Started In State

AUSTIN—The Texas Highway Department reported today that more than 6.7 million motor vehicles will be registered in Texas in 1967 and urged car owners to buy their license plates early.

The new plates may be purchased during February and March at county tax assessor-collector's offices or at authorized sub stations. New license plates must be displayed after midnight April 1.

A state highway department spokesman said motorists can help shorten waiting lines and speed up registration by buying license plates early and by presenting proper ownership documents.

Car owners are required by law to present certificates of title and last year's license plate receipt when renewing vehicle registrations.

In previous years there has been some confusion and misunderstanding about the ownership documents needed to obtain license plates.

In one Texas county for instance, motor car owners were permitted to renew their vehicle registrations with their old license numbers written on the backs of envelopes or other scratch paper without proper proof of ownership.

The Highway Department stressed that county tax assessor-collectors and their substitution agents must demand proper credentials before issuing license plates. Motorists may speed up the process by

Hearing Is Set Feb. 9 On Milk Marketing Plan

The U. S. Department of Agriculture will hold a public hearing Feb. 9, in Abilene, Texas, to consider amending the fluid milk (Class I) price to farmers set by the Central West Texas Federal milk marketing order.

Consumer and Marketing Service officials said the hearing will open at 9:30 a. m. in the Starlite Motor Hotel, 3425 South First Street, Abilene. The Central West Texas Producers Association, the Borden Company, Southern Division, and Foremost Dairies, Inc., have submitted proposals to be considered at the hearing.

One proposed amendment would eliminate the location differential which now increases fluid milk (Class I) and uniform prices to producers 15 cents a hundredweight at plants within 70 miles of Midland, Texas.

Another proposal would reduce the fluid milk (Class I) price from 25 cents over the North Texas Class I price to 10 cents above the price.

Consideration will be given at the hearing as to the need for taking emergency action with regard to the price level at locations within 70 miles of Midland.

taking last year's license plate receipts and certificates of title with them to the tax office to obtain their 1967 license plates.

3,845 Register To Vote in '67

Approximately 3,845 people registered to vote in Eastland County before the Tuesday night deadline, Tax Assessor-Collector Edgar Altom reports.

"We're finding a lot of duplication," he said, "in which a wife could register for herself and her husband, and then the husband would register for himself and the wife. So we're having to go through the registrations and check for duplications before we make up our poll lists." Estimates are there may be up to 3,500 or maybe as high as 4,000 persons in the county who are overage, and therefore not required to register, so the total voting strength for the county this year could go as high as 6,000.

In 1965 there were 3,541 poll taxes sold and 61 exemptions issued. Then during the 15-day "free sign-up" in March, 650 people were registered, giving a total "listed" poll of 4,252, Altom said.

"Our sign-up began rather slow," Altom said, "but generally we are well pleased with the number who signed up."

The tax office has until March 1 to prepare the various poll lists, showing the qualified voters in each precinct.

Billy E. Mitchell Wins Promotion

Billy E. Mitchell, 21, son of Bernice C. Mitchell, Route 1, Carbon, was promoted to Army specialist fourth class Jan. 17 at Fort Hood, where he is assigned to the Darnall Army Hospital.

Spec. Mitchell is an ambulance dispatcher and driver in the ambulance section of the hospital, Fort Hood. He entered the Army in January 1966.

Spec. Mitchell is a 1965 graduate of the Cisco High School. Before entering the Army, he was employed by Boss Manufacturing Co., Cisco.

Breck Native Is Official of County New Agricultural Firm in Gorman

Several hundred people ate fine barbecue, inspected the facilities and heard the Trace Elements story in Gorman recently.

The company has established an elaborate scientific fertilizing service to serve farmers throughout this area. Jack Brown, a native of the county and a Texas A&M University graduate in agronomy, is president and general manager of the company.

An associate in the corporation is Glen L. Houston, a Breckenridge native and presently a Hobbs, N. M., attorney.

Brown states that his business will probably be in full swing about March 1, in providing both liquid and dry fertilizer service. Scientific analysis will be available to raisers as well as equipment for putting down the fertilizer.

Houston is a partner in the law firm of Williams, Johnson and Houston of Hobbs and is president of Chemicals, Inc. (an oil treating chemical company operating in Texas and New Mexico), and chairman of the board of

Trace Elements, Inc. (the Eastland County-based firm.) Houston graduated from Hobbs High School, the University of New Mexico with a bachelor of Arts Degree in Sociology and Spanish, and holds a law degree from the University of New Mexico. His post-graduate study includes a Rotary Foundation Fellowship at the School of Law, University of Melbourne, Australia; Odessa College course on Federal Taxation of Oil and Gas Income; University of Michigan summer session on Estate Tax Planning; and New York University Institute of Federal Taxation.

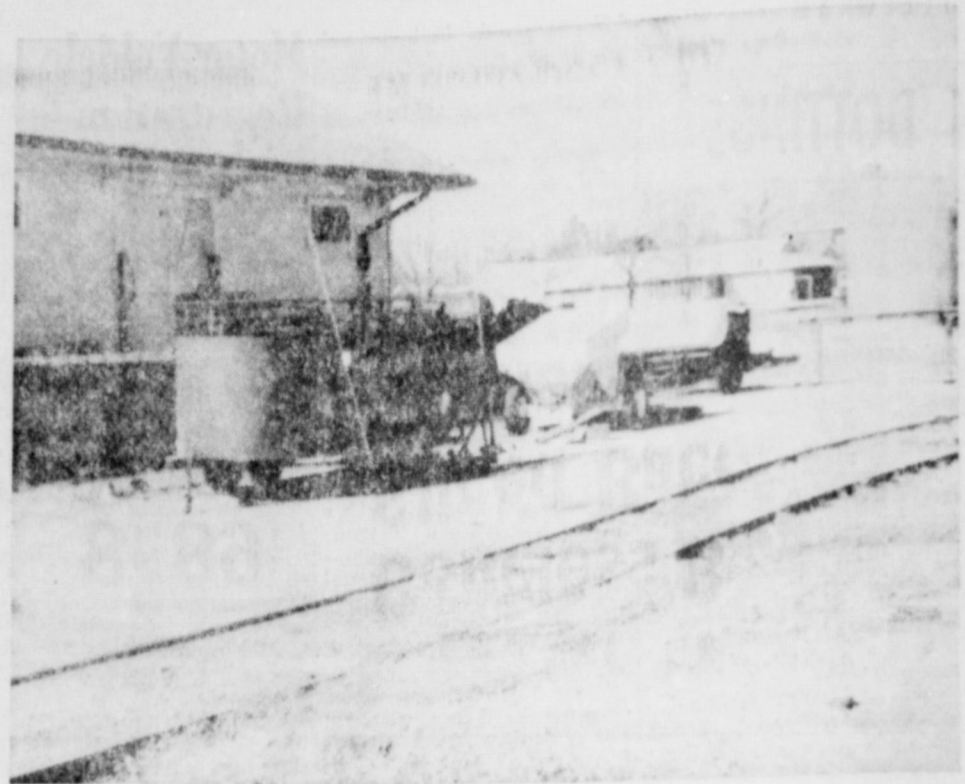

GLEN HOUSTON

He is past president of the Hobbs Rotary Club, the Hobbs Greater United Fund the Hobbs Knife & Fork Club; past director of the Hobbs CoFC; past chairman of the Rotary Foundation Committee; and co-chairman of New Mexico Junior College Steering Committee for Hobbs, which lead to the establishment of the college in 1965.

Houston has done extensive legal lecturing and writing.

He served for two years in the Army, one year of which in Italy as an American trial observer under the NATO Status of Forces Agreement.
