## TidBits

By H.V.O.

IF THERE ever were any doubt that Eastland's Mavericks are the Champions of the first caliber, it was dispelled by mid-week with the most elaborate downtown decorations in the world. Cheerleaders put up black and red streamers everywhere; ladies from the bank did fabulous job of "signing" the windows; and the victory spirit was evident everywhere. Most unique and decorative windows had to be those at Kendrick Music Center, just opened on the East Side. Most far-out: it has to be the big sign on the Highway (north) side that proclaimed in bold letters: "Today, Bi-District; Tomorrow, the World." Now that's what we call telling it like it is.

WERE PLEDGED to secrecy, but we got to say that those Eastland Jaycees are up to what may well prove to be the finest announcement imaginable for Eastland. President Don Baird and his hard-working young men just don't stop looking for good things to do in our town, and this, when we can tell it, will be one that just could be THE NEW DAY.

IN AN upstairs being remodeled we know of. Electrician F. L. Bond and Carpenter Roy Skiller turned up some real keepsakes -- the kind of things that brings back memories of when you used to go to the old Connelle Theater on Saturdays. They'd probably bring some memories for Eastland Super-Printer Mr. Victor Cornelius, too. They're samples of his early-day "Nap-Ads" -- remember the showcards that were printed by Mr. V and displayed in napkin holders around the world. Can't you just hear the blanks popping in these. "The Return of Frank James" with Henry Fonda (Continued on page 2)

**EASTLAND MAVERICKS 8-AA CHAMPIONS** — Shown are, from left, first row: Joe Herrera, Rocky Maynard, Bobby Williamson, Gary Pipkin, Robert Mace, Richard Sancillo, Randy Rexroat, and Coach Harold Price; second row, Ruben Gaeta, Randy Low-

rance, Alex Jimenez, Rickey Culpepper, Ronald McCleskey, and Philip Harrison; back row: Coach Shirley Frazier, John McCleskey, James Eidson, Craig Lund, Philip Smith, Bill Hart, Gil Gaeta Danny Elrod, and Coach Don Jones.

## Mavericks Hold Indians To 14-14 Tie At Breck Lose On Penetrations, 8-3

The fantastically exciting 1969 Eastland Mavericks closed out their season on an undefeated high note, in a 14-14 tie with Haskell Friday night. Hashell won the right, on 8-3 penetrations, to carry their colors on into post-season playoffs.

In a spell-binding evening at Breckenridge's Buckaroo neutral field, football fans were treated to the very best of Maverick defense. It started chilly for Eastland receiving, and the Indians would have gone on the scoreboard early had not a penalty nullified their first pass score. Seven minutes into the quarter, a Haskell score stuck and with a good extra point kick, lead 7-0.

The second quarter belonged to Eastland. Eastland launched a 76-yard scoring drive, started by a 10-yard run by Ruben Gaeta. After getting past the 50, Randy Rexroat darted 14 yards through the middle to the Haskell 22 to set up the score.

## EHS Basketball Season Opens Monday Night in Dublin

## Coach Dallas Makes Surprise Rally Visit

It was laughter and tears, shocks and gifts, Friday afternoon as Eastland residents and students held their first Bi-District pre game pep rally in thirteen years.

The trophy to head coach Shirley Frazier. Pep talks were made by Siebert and Mrs. Simmons, and band director Paul Wallace.

Biggest surprise of the afternoon was the introduction of former coach Doug Dallas, now serving in the armed forces and stationed near Chicago. Superintendent Wendell Siebert brought Dallas, his wife, and their boy, Bertie (an on-the-hill fixture when Dallas was coaching here) to the center of the gym. A sudden silence was broken when the football boys ran to circle Dallas.

The cheerleaders, Janie Miller, Connie Langlitz, Martha and Sara Brewer, presented a gift to head cheerleader, Lana Parks. Belinda Herring presented gifts to twirlers Jana Rexroat and Darla McCoy and alternate twirler Sherry Stagg. Jana presented Belinda a gift from the twirlers.

A school bus, escorted by the local police car with siren screaming, circled the downtown area prior to the rally, gathering adults who wished to attend. The gym was packed for the event.

**FULLEN MOTOR Co. LAUGH-A-DAY**  
As the ship was sinking and the lifeboats were being lowered, the captain shouted: "Woman and children and those on the go now, pay later plan first."

Maybe you don't need Insurance... and possibly you don't if you are financially able to look out after yourself. But for the most of us, we are just a little bit afraid to take the risk so we buy insurance. Modern living has become so complex that the protection of property against its many hazards is a major problem and we should be insured. DPS License and Weight Div.

We are at the time of year when many farmers are using trucks to gather and deliver their crops to various places. Many of these trucks are seldom used on the public highways and therefore, the owner would like to know how to register these vehicles, at the least possible cost and still operate legally.

A farmer who uses commercial vehicles, in connection with his own farming operation only, may register these vehicles at a 50 per cent reduction of the commercial fee.

The following example is typical of farm trucks operated in this area. The empty weight varies from truck to truck, but we will use the following figures for a two (2) ton truck:

Empty truck weight 8,700 lbs  
Corry capacity (2 tons) 4,000 lbs  
Minimum gross registered weight 12,700 lbs  
Annual regis. fee 91.42  
50 per cent reduction for farmers \$45.71

This registration is sufficient for the general farm usage when light loads, 4,000 lbs. or less, is being transported. Then comes the harvest season when the truck is needed to haul larger loads. What can be done to raise the registered weight for a short period of time?

Farmers may raise the registered weight of their vehicles to the necessary amount by purchasing a Quarterly Permit. These quarters are: First Quarter, April, May and June; Second Quarter, July, August and September; Third Quarter, October, November and December; Fourth Quarter, January, February and March. The farmer can raise the registered weight of his vehicle for any of these quarters by paying 30 per cent of the annual fee for the amount of registration purchased.

This enables the farmer to register his vehicles for the minimum amount on an annual basis and raise the registered weight to the amount necessary to haul maximum loads during seasons of peak use. This method of registration is available at the County Tax Assessor and Collectors Office on a voluntary basis only. Once a vehicle has been apprehended for being over registered weight, the owner must purchase the necessary amount of registration.

for the full registration charge and if convicted of the charge of Over Registered Weight be fined not to exceed \$200.

Another method of raising the registered weight on a vehicle is to purchase 72 hour registration permits. This type of permit is good for the maximum legal gross weight of any vehicle. It can be used by itself and meets all registration requirements or can be used in conjunction with regular registration to raise the registered weight. This permit is only valid for 72 hours, and are available at the County Tax Assessor and Collector Office and Texas Highway Department Permit Offices for \$10. Again this type

## Courthouse Lobby To Be Pecan Show Site

The seventeenth annual Eastland Co. Pecan Show will be held in the county courthouse lobby Dec. 12 and 13 next at Grover Hallmark, Eastland Chamber of Commerce president. The CoC and the Eastland County Pecan Growers Assn. are jointly sponsoring the annual event.

Anton White of Cisco, president of the growers Assn., said the first co. pecan show in Texas was held in Eastland County in 1953. There will be about 30 county shows, three regional, and one state pecan show this year.

All pecan growers in Eastland County and West Central Texas are invited to enter pecans in the show. An entry consists of 40 nuts of one variety. The pecans must be grown in 1969. There is no entry fee. Ribbons will be awarded to the first three place entries of each variety, native or seedling. Entries may be left or sent to either the county agent's office in Eastland, the CoC offices in Cisco, Ranger, Rising Star, or Gorman.

All entries become the property of the county pecan show. The first three place entries will be sent to Waco to be entered in the Regional Pecan Show, Jan. 8, 9, and 10.

of registration must be purchased on a voluntary basis and is not available to a vehicle owner who has been charged with the violation of Operating an Unregistered Vehicle or for being Over Registered Weight.

The Texas Statutes requires the operator of any commercial vehicle, including farm trucks, to carry the license receipts (registration receipts) in the vehicle and display them upon request to any peace officer.

The operator of any commercial motor vehicle with a manufacturers Rated Carrying Capacity in excess of 2,000 lbs is required to have and display a Commercial Operators License upon request by any Officer. This means that a person driving a truck up to and including a one (1) ton truck may legally do so with an operator's license. The driver of a truck larger than one (1) ton capacity must have a Commercial Operators License when hauling a load.
