

EASTLAND TELEGRAM

RJC-CJC Sat. at 8

VOLUME 94, NUMBER 75

EASTLAND, TEXAS 76448 - THURSDAY, SEPTEMBER 18, 1969

PRICE: 10c

BIG GRID weekend for sure in our town: School boy tussle Friday night and the college tilt Saturday night. For those who like more, there's a foot-ball film at the Majestic beginning Sunday.

TEL tidbits

SPEND NOW might be good advice for Eastlanders, what the increases in taxes (plural) beginning Oct. For instance, the city's sales tax goes into effect at 1 per cent; the state sales tax goes from 3 to 3.25 cents; so we'll wind up with a 4.25 sales tax. Smokers and drinkers can look forward to a 4.5 cent per pack increase on cigarettes and a 5 cent tax on drinks in priva'e clubs and airlines. Corporation franchise taxes are upping as is the tax on

ALL'S READY at Lakeside Country Club, says Golf Club Manager, O. H. Dick who says, "Come on out and play with us. Golf tab is \$6 and in return, you'll find a mighty good course. The club welcomes members and golfers.

AMONG THE many signed letters asking that astraunauts be permitted to pray in space is two from Sgt. and Mrs. Rickey Manke. He's the son of Mrs. Ruth Manke. Sponsor of the request to NASA is the Eastland Jaycees and they ask that persons sign only one name per letter-rather than several on one. Hundreds of letters are coming in.

NEW CAR time at your local dealers. Thursday plan to see these in Eastland: Mercury,

anxious to hear the story, and sample the wares.

REUNION SUNDAY at Pleasant Hill, perhaps the most beautiful spot in this country, attracted a good number for morning services, dinner on the grounds and a lot of visiting. It was a pleasant day for all in spite of threatening rain . . . You remember of course, that the Eastland and Carbon reunions are just around the corner in the sum-

Convicts Due In Appearance Here Sept. 19

The Eastland Youth Conference will present "Operation Teenager' Friday, Sept. 19. Co-sponsor for the day will be Eastland Jaycees.

Four youthful inmates of the state prison at Hunts-ville will speak twice Friday at the Majestic Theatre in Eastland. Mike Collins, spon-sor of the EYC, said that all junior high and high schools in the county have been invited to attend one of the programs, set for 11 a.m. and 2 p.m. Collins said the programs will be open to the general public, on a "space available" basis, wth county

students holding priority.

The Eastland High School students who attended the state conference at Austin in Shannon Wilson, Carla Boney, Gloria McDon-ald, and Katie Capers, will be recognized, Collins said.

Sgt. Webb's Unit Wins A.F. Award

Sergeant William D. Webb, son of Mr. and Mrs. D. E. Webb of Eastland, is a member of the 1st Mobile Communication Group, headquart-ered at Clark AB, Philippines, that has earned the U.S. Air Force Outstanding Unit

The group was cited for meritorious service in providing consistent communications and air traffic control during 1968. A part of the Air Force Communications Service, it supports the world-wide communications network and often deploys personnel to Viet-nam in support of U. S. Mili-tary operations.

Sergeant Webb, a telephone installation repairman, will wear the distinctive service ribbon to mark his affiliation with the group.

The sergeant attended Eastland High School, Cisco Junior College and Tarleton State College in Stephenville.

His wife, Linda, is the daughter of Mr. and Mrs. J. C. Butler of Eastland.

Cadillac presents the Spirit of the Seventies!

The elegantly spirited 1970 Cadillac

The brilliant new 1970 Cadillac is styled to reflect the quality of life in the spirited seventies. Its striking new beauty suggests the tempo of people on the move. Richly tailored appointments welcome you to a new era of Cadillac taste and elegance. Sparkling performance invites you to experience an entirely new dimension of motoring pleasure. In all eleven

Cadillac models, you'll discover new ideas attuned to the spirited seventies. You may choose a new radio that will seek out your favorite AM, FM or stereo-only station. The aerial is neatly concealed in the windshield. This year, Cadillac engineers have again made sure that the Cadillac ride continues to be the most enjoyable in motoring history.

The newly spirited 8.2 litre Eldorado

The Spirit of the Seventies is nowhere more evident than in the handsome 1970 Eldorado. Behind its smartly recessed grille is a new 8.2 litre V-8 angine (500 cubic inches), the largest V-8 ever offered in a production passwager car. Created exclusively for the front-wheel-drive Eldorado, this new power plant harbors an ample reserve to operate the power

assists one usually associates with a luxury car, while yielding a new kind of performance that will set the pace for personal cars for years to come. The instant you feel the new 8.2 litre V-8 in action, you'll know that the Fleetwood Eldorado is the world's finest personal car. The moment you drive it, you'll know that Cadillac has left the sixties far behind!

See the spirited new 1970 Cadillacs at your authorized dealer's-they herald a decade of motoring excitement.

'70 Chevrolets **Due at Dealers** Thursday Show

The Monte Carlo - a totally new personal luxury carheadlines Chevrolet's new models for 1970, John Z. DeLorean, General Motors v i c e president and Chevrolet general manager, said today.
"The 1970's will be an un-

paralleled decade of individual customer choice," DeLor-ean said. "Chevrolet w i l l continue to set the industry pace with a variety of cars & options which allow each buyer to custom tailor his or her personal transportation.
"Monte Carlo adds a n e w

market dimension by offering to the youthful, sophisticated buyer a superb blend of indi-vidual, high fashion styling & intermediate-size handling & performance."

DeLorean said seven distinctive Chevrolet lines will be shown in dealerships on Announcement Day, Sept. 18.

"The big Chevrolet has new styling and added power for 1970 and Chevelle has an all-new appearance," DeLorean "Improvement in these lines are incorporated in both sizes of Chevrolet station wagons. The fast-selling Nova has fresh appeal in its n e

Current models of the popular Chevrolet Corvette a n d Camaro will be continued to the end of this year with new models in each line scheduled for introduction later in the

model year. DeLorean said that among important 1970 engine changes, the base V-8 of the big Chevrolet is increased to 350 cu-bic inches from 327 cubic inches in 1969 to give added power for options such as air conditioning that continue to grow in customer popularity.

County Ahead By 2 in Death On Highways

Fastlend County has 199 accidents in 1969, re-sulting in eight deaths and 61 port by Sgt. Jerry Mathews of the Department of Public Safety.

Mathews said that 146 of the accidents caused \$171,313. property damage.
Thirty-two of the accidents

occured during August, with period last year and 23 accidents occured in August of 1968.

The department has issued 207 traffic tickets and 185 warning tickets.

At Muirhead for Thursday Show

Smart, new styling for anpearance and engineering imoments for safaty a n d lights of Pontiac Motor Division's entire line-un for 1970.

The Cotalina Eventive and Ronneville models reflect the influence of the Grand Driv up front, and feature clean. now lines in the rear.

The nace-setting Grand Prix has a now grillo complementing the longest hood in the industry.

A n e w 455 cubic-inch V-9 engine will be standard on all Ponneville models and ontional on the Catalina, Executive and Grand Prix.

The luxury Bonneville Brougham will offer a 60-40 from

ont seat as an ontion on the four-door hardton. This new bench seat is solit so that 40 per cent is on the driver's side and 60 ner cent on the nassenger's side for greater centerseat passenger comfort. This ontion includes a two-way no-wer operation on the driver's

Pontiac, the established in-dustry innovator, will have another exclusive this year... a plastic gas tank that will be offered on a limited basis.
This new first tank will be installed during the model year on Catalina Frecutive a n d Bonneville station wagons sold in California.

Major advantages of the nlastic tank include lighter weisht and preater shaping flexi-
