Weary Meal-Fixer -- 145 at 1st Turkey Table

Thanksgiving Day, in the United States, a day set apart on which to give thanks for the blessings of the year. It was suggested, no doubt, by the English Harvest Home, an old-fashioned festival held to celebrate the completion of harvest in Scotland was known as Mell Supper.

The first American Thanksgiving Day was observed by Plymouth Colony November 26, 1621. The observance of the day became general throughout New England. After the Revolutionary War the usage spread to the Middle States and over the West, making progress more slowly southward. The governors of most states issue Thanksgiving proclamations. Since Lincoln set the example in 1863, successive Presidents have issued proclamations. By common consent the last Thursday in November is the date set. Business is suspended customarily. Union services are held in some churches. Family reunions are held. The traditional articles without which a Thanksgiving dinner is incomplete are roast turkey, cranberry sauce, and pumpkin pie. After dinner recreation is in order, but a religious feeling pervades the day.

The original Plymouth Thanksgiving was held under peculiar circumstances. After the first corn crop had been gathered, Governor Bradford and the Pilgrims Fathers decided to have a feast of ingathering, — a day of thanksgiving. They invited the friendly Massasoit to join them. He and his braves, ninety strong, came with venison and wild turkeys. The surrounding woods yielded the housewives wild fruit, and the waters supplied fish and clams. No room or home in the colony was large enough. The children gathered wood; fires were built out-of-doors. The housewives united their efforts. They boiled, and baked pastries, corn-bread, and puddings in kettles. Wild turkeys, geese, ducks, and venison were hung on poles and roasted over open beds of coals. Clam chowder was made hissing hot for the first course. Tables were set under the pine trees. What was lacking by way of plates was made up by wooden trenchers. If they did not have silver spoons, they had wooden ones. There were knives enough. All sorts counted, and forks they did without. The children ate by themselves or waited for second table. What with preaching, feasting, talking, and games, the exercises lasted three days. Fifty-five English-speaking people were present. Sicknes had told heavily on the colony. Over forty of their band lay under the sod. Of the fifty-five mentioned there were but four women. These, with the young girls and one servant, prepared for all that large company and the ninety Indians besides.

Lions Hear Coach Frazier

Only praise was heard from Head Coach Shirley Frazier of his 1970 Maverick football team, in a talk for the Eastland Lions Club at noon Tuesday at the White Elephant.

"We're real proud of our boys," he said, "they're a real good bunch of kids." Our only weakness, he pointed out, was the fact that we lacked experience in some key positions.

Coach Frazier showed films of the ill-fated Coleman-Eastland last-game of the season in which Coleman won 14-13. Coleman has since been defeated by Haskell, and Frazier predicts that Haskell will defeat Iowa Park.

Highlight of the film, and rare, according to him in high school football, was the footage showing a Coleman lad taking the ball away from an Eastland youth in the early minutes of the third quarter and running for a touchdown.

President J. B. Arther presided and announced that Gov. Lloyd Neeley of Wichita Falls will make his official visit to the Eastland Club on Tuesday, Dec. 22.

Guests introduced included Bert Carlton of Stephenville and Sutton Crofts and Jerry Pruitt, both of Cisco.

Carbon Plays in Comanche Friday, 7:30p.m.

MANY Six-Man Fans will go to Comanche Friday night where the Carbon Wolverines, District 7-B Champions, will take on the squad from Cransfil-Gap, in a 7:30 p.m. kickoff Bi-District game.

CHEERING FOR CARBON—Heading up the many who are pulling for the Carbon Wolverines are these lovely co-eds who run the cheering section. At left front is Sherrie Stubblefield and Diane Norris. At back, from left are Debra Casey, Debbie Warren and Brenda Carlton.

Hollywood-Vassarette Celebrates 24th Year Here

Hollywood-Vassarette celebrated its 24th year in Eastland, Nov. 20th and during the week pictures from over the years were displayed thru the plant, showing the old plants, company picnics, Halloween Parties, Christmas parties, Credit Union Queen contest and other events that the employees have enjoyed during the past.

On Friday, refreshments

were served to all the employees.

Tina Mae McBee and Stella Grigsby Goforth were honored as being the only employees still with the company from its beginning. They were presented with corsages with the number 24 on them, and John Ryan, plant manager, presented them with gift certificates to the employees store.

Several retired employees attended the affair including Corrie Harlow, Dora Fambrough, Nina Hastings, Leza Brockman, Ada Tankersley, Ruth Reese, Cricket Walker, Lon Townsend, Pauline Hill, Dausie Hogan and Nora Harbin.

The first plant for Hollywood-Vassarette was established in Eastland, in November, 1946 with 10 machine operators. As operations were completed on the cotton bras, more operators were added, until there was one full line in the plant. In the first year of operation, orders were received, filled and shipped direct to the customers. This was the Old Mulberry Street Plant.

The Commerce Street plant was opened in January, 1952 and another plant, the East Main Branch was opened in May, 1952. There were approximately 180 employees then working at the three plants.

In 1965, a new haydite block building was constructed on North College Street, containing 18,000 square feet of floor space. For the first time in the history of the Eastland plants, it was now operating under one roof.

In 1966, 10,000 square feet were added to the present building with the addition of new lunchroom, stock room and office space.

Managers at the Eastland plant have included Stella Grigsby Goforth, Jack Heleman, Mike George, Don Virgever, Dennis Valentine, John Whistler, and the present manager John B. Ryan, Jr. Mrs. McBee has a check stub dated Dec. 18, 1946, for 40 hours work at 40¢ per hour. Total earned was \$16.00 and deductions include \$2.70 income tax and .16¢ social security.

Richard Trail chairman of the Toys committee urges everyone to contribute any repairable toy one might have.

Contact him, or a member of the Eastland Jaycees for pickup.

Mrs. Trail may be contacted at 629-2921 and the Jaycees will repair and fix up the donated toys, and give them to needy children in the Eastland area.

Rev. Williams Speaks Rotary Meeting Here

Rev. Eugene Williams, minister of the First Christian Church in Eastland, gave an interesting speech on the History of Military Chaplains in the Revolutionary War, at the Rotary meeting in the White Elephant Monday at 12:00. Bill Angus, president, presided; John Ryan opened the meeting with prayer.

A few business details were brought to the attention of Rotarians, including a letter from the Band Boosters, thanking the Rotary for the buying of a band uniform.

One guest was present, James Williams of Breckenridge.

The guest speaker was Eugene Williams, a retired Lt. Co. military Chaplain of four years. Rev. Williams is in the closing phase of his PhD in Texas Christian University of Ft. Worth.

Rev. Williams is in the process of finishing a research on Chaplains during the colonial period, and also a complete History of Military Chaplains since the beginning of time.

When beginning this unique research, he was told "Anything you do will be better than anything available."

But Rev. Williams put aside all thoughts of discouragement, and has become totally involved in his work. He is very proud of his work thus far, because he has been able to disprove, as well as prove many, even recorded, facts that have been made about

the types, works, and duties of chaplains. After a look at the history, Rotarians were told of the present development and origin of the Chaplain.

Rev. Williams read excerpts on Rev. Benjamin Broadman's Diary — in Camp at Rextbury, written in 1776.

Everything is complete in his research except the destination. Hope to have his book published in the near future.

Rev. Williams quoted that he has hopes the next time we see his work it will be in publication.

Toys Sought By Jaycees

Citizens of Eastland Community are urged to help the Eastland Jaycees as they sponsor their annual Toys for Tots Program. The toys are donated by citizens and given to less fortunate youngsters at Christmas.

Richard Trail chairman of the Toys committee urges everyone to contribute any repairable toy one might have. Contact him, or a member of the Eastland Jaycees for pickup.

Christmas Season Opens Officially Thursday Night

The Christmas Shopping Season officially opens in Eastland Friday, according to a joint announcement by Chamber of Commerce President Ben McKinnis and Retail Trades Committee Chairman Jeff Glazner.

The Christmas decorations will be turned on at dusk on Thanksgiving evening, and the Yule holiday activities will commence.

Public school students were dismissed from classes Wednesday and will return Monday.

The Post Office, and most public places will be closed

Thursday for the Thanksgiving holiday.

The Chamber Board of Directors moved their regular "last Thursday" monthly meeting up one day, and were to have met at noon Wednesday at the White Elephant Restaurant, with Vice President Glazner presiding in the absence of President McKinnis.

Most Eastland stores and shops are reported ready for the holiday season, with full shelves of merchandise and gift wrapping accessories ready.

Varsities Whip Breck, R. Star

Eastland High School varsity basketball squads were triumphant in matches on separate courts Tuesday evening.

The Mavericks whipped the Breckenridge Buckaroos, 53-50, in Breckenridge, and the Mavettes bested Rising Star, 52-34, on the Eastland boards. The Girls "B" team lost to Rising Star here, 47-45, and the Eastland Junior Varsity lost to Breckenridge, 46-20.

Next games will be Nov. 30 at Moran.

NEW GOODYEAR MANAGER — Bob Sinks, a

Goodyear employe for the past six years, has assumed management of the new Goodyear Service Store at 315 E. Main St. in Eastland. He replaces Tom Gines who has been promoted to manager of the Goodyear store at Hurst. Sinks comes to Eastland from Wichita Falls where he has been assistant manager of a Goodyear store there. He and his wife June have two children, Bobby Joe, 7, and Jason Ward, 1. The family is looking for a house in Eastland. The Eastland Goodyear Store is presently in the midst of a Grand opening Sale, celebrating the establishment of its new facilities.

Jury Rules For Plaintiff

A 91st District Court jury awarded \$3,778 in damages and ruled in favor of the plaintiff in a damage suit filed Monday and Tuesday in District Judge Earl Conners Jr.'s court.

John Jokel of Stephenville was awarded \$3,778 in damages in his suit against Witt Construction Co., which resulted from an accident at the intersection of Int. 29 and Highway 6 on May 24, 1969.

Eastland Attorney Virgil Seaberry Jr. represented Mr. Jokel.

IN BRIDGE PLAY

Bridge players of every rank assembled in Houston for the 44th Fall National Tournament of the American Contract Bridge League, in the National Mixed Pairs championship finals. Margaret Bearman, Lake Leon, Rt. 2, Eastland, and Gus Frossard, German Texas, topped their section. In ten days of play, eight major titles were decided, and between four and five thousand players will compete.

1st Senior Citizen Event Called Success in County

Forty-eight exhibitors participating in the first Senior Citizen's Fall Harvest Bazaar earned \$3,400 from their sale of handmade crafts, oil painting, knitted and crocheted sweaters, ceramics and many other lovely articles. The Bazaar was held Friday at the First Christian Church Annex in Eastland, and was sponsored by the Eastland County Home Demonstration Clubs.

Many requests were made that the Bazaar be held annually in the County next year.

**'Try to Remember' To Mail Early
Local Postmaster Urges for Yule**

The local postmaster today urged residents "To try to remember" that recommended mailing dates for civilian domestic Christmas mails start the first of December.

The national Christmas "mail early" theme this year, he explained, is based on the familiar musical tune "Try to Remember." "The idea," he said, "is to have our customers remember recommended mailing dates. This will insure fast and efficient delivery of parcels and cards and prevent disappointments for friends and family members.

Of course, it will also be a big help to your post office."

Key suggested latest dates by which Christmas mail should be deposited are as follows, but the Postmaster urged customers to mail earlier wherever possible:

Domestic Mails (Except Alaska and Hawaii):

a. Distant States, Parcels, Dec. 1; Greeting Cards Dec. 10;

b. Local and Nearby Areas, Parcels, Dec. 11; Greeting Cards Dec. 15;

Alaska and Hawaii

a. Surface Mail, Parcels, Nov. 30; Greeting Cards, Dec. 4;

b. Airmail Mail, Parcels, Dec. 14; Greeting Cards, Dec. 14.

In addition the postmaster noted several key dates applying for civilian international mail, as follows:

To Canada and Mexico-Surface Parcels, Dec. 4; Greeting Cards, Dec. 9; and Air Parcels to Mexico, Dec. 16.

To South and Central America-Surface Parcels, Nov. 12; Greeting Cards, Nov. 18; and Air Parcels, Dec. 14.

These same dates apply for the various types of mail for Europe.

Dates for international mails to other parts of the world are usually posted in post office lobbies, but, in case of questions, consult the local post office.

Earlier the postmaster announced deadlines required on military mail going overseas, as follows- Nov. 6 for

surface parcels, Nov. 20 for "SAM" (space available parcels), and Nov. 27 for "PAL" (parcel airlift service). Further details on these basic parcel services for the military, as well as dates applying for other mailings to servicemen are also available at the post office.

THE GORDON SPOT

By DE GORDON, County Agricultural Agent

How much of Eastland County's wealth comes from Agricultural production? The Texas Department of Agricultural reports that an average of almost 12 million dollars of agricultural products are sold annually in Eastland County. This is gross income to the farmers and ranchers. They spent it for machinery, chemicals, livestock feed, labor, clothing, and for many other goods and services. Therefore almost everyone in the county benefits directly or indirectly from this product.

During this season of Thanksgiving we have much to be thankful for. Let's not forget one of the great resources of this county.

This period from Nov. 20-26 is National Farm-City Week and every citizen has a stake

in its observance. No where else in the world do so many depend on so few for their food and fiber needs.

The five percent of our population engaged in agricultural production gives the other 95 percent benefits unsurpassed anywhere. In 1969 we spent only 16.5 percent of our income on food as compared with 24 percent some 20 years ago and this despite the fact the producer is getting about 9 cents less out of every food dollar than he received 20 years ago. Too, production expenses have continued to rise; thus, keeping the cost price squeeze a major problem for agricultural producers.

Our producers are continually searching for better and more efficient ways to keep the food and fiber supply lines

open. Today the U. S. farmer produces enough food and fiber for 45 people, about 39 at home and 6 abroad. A decade ago he supplied the agricultural needs of only 24 people.

Other problems of common interest to farm and city residents are also cited by President Nixon in his Farm-City Week proclamation. He said, "With two-thirds of our population crowded onto only two percent of the land, many of our people are denied economic opportunities, adequate living space, health, cultural fulfillment, and those spiritual values without which no nation can achieve greatness. The time for action is at hand — for careful plans to be formulated, and for decisions to be made at local governmental levels, to foster the improved distribution of population and accompanying economic activity needed during the decade of the 1970's and beyond. The Government can provide assistance, but the effort will succeed only as Americans take part in developing a pol-

icy of sound national growth. "In this effort, city dwellers and rural people alike have reason to work together toward common goals. The well being of urban American will increasingly intertwine as our total population expands. Better living in the one depends on better living in the other."

Now that deer season is here I would like to remind you of three publications we have available that are popular this time of year. One is "Wild Game Care and Cooking". Another is "Field Dressing a Deer" and the third is "To age a Deer." If you would like any of the publications let me know.

THANKSGIVING

... to give, with gratitude

Thanksgiving ... in the word lives the essence of the day. We give thanks ... for blessings big and small, bestowed on one and all. And because we are thankful, we gladly give our energy and our efforts, our aims and ambitions on behalf of all, that everyone may be blessed and be thankful.

On this Thanksgiving Day, we look back at the years and forward to the future with thankfulness for the plenty that we have been privileged to enjoy, and with the steadfast resolve in the years ahead we will do our part to bring forth more achievements, more good things for all. To our many friends, best wishes for a Happy Thanksgiving.

PLIMOTH PLANTATION

...e in March of 1621 concluded a peace treaty with the Indians which was to last for fifty years.

THE FIRST THANKSGIVING AT PLIMOTH PLANTATION

THE FIRST THANKSGIVING celebrated at Plymouth in 1621 was a great festival, a gathering of family, friends and neighbors, and a time of games and feasting.

Almost half of the original 102 Pilgrims had survived the first winter. They labored long and hard to build a village and plant crops. When their harvest gathered, they celebrated.

In writing to a friend in England describing the First Thanksgiving, one of the Pilgrims said: "Our harvest being gotten in, our Governor William Bradford sent some of our men on fowling; so that we might after a more special manner, rejoice together, after we had gathered the fruit of our labours. They four, on one day, killed as much fowl as, with a little help besides served the company almost a week."

"And among the rest, their (the Indians) greatest king, Massasoit, with some of his men, whom for three days, we entertained and feasted, and they went out and killed five deer; which they brought to the Plantation and bestowed on our governor, and upon the Captain (Myles Standish) and others."

In describing this Thanksgiving, which set the pattern for the traditional American celebration, other writers tell of foot racing, wrestling, exercising arms (army drill) and pitching the bar.

These scenes were acted out by citizens of Plymouth, Massachusetts, many of whom are descendants of those who celebrated the First Thanksgiving. Appropriately enough, the setting was at Plimoth Plantation, an outdoor museum where the Pilgrim settlement is being re-created.

The Indians were invited to join the Pilgrims in celebrating a bountiful harvest.

When the multi-colored flint corn, which the Indians had taught the Pilgrims to plant, was harvested it had to be shelled and ground into a meal.

Although the First Thanksgiving was a harvest festival, the Pilgrims blessed their food and thanked God for a bountiful harvest.

When it was time to carve the bird, there were plenty of spectators.

What can we give thanks for at this time? For the blessings of abundance, for the right to freedom, for all of the everyday moments of happiness. For this we are thankful. On this day, let us bow our heads in a sincere prayer of thanksgiving for all we are and for all we can hope to be.
