EHS Annuals Dedicated To Mrs. Ima Jean Haun

Eastland High School annuals were distributed this week by Mrs. Ethel Simmons, sponsor of the annual staff.

The 1969 books are covered in white with a red design on the front.

Members of the annual staff wore Marjita Brewer, Marcie Griffin, Shelley Siebert, Kathy Jones, Sharron Herridge, Donna Doyle, Diana Maynard, Vicki King, Rickey Cuilpepper, Steve Wilson, Craig Lund, Randall Treadwell, and Richard Robinson.

The annual is dedicated to Mrs. Ima Jean Haun, science teacher and sponsor of the Beta Club. The dedication reads, "The Annual Staff of Eastland High School has dedicated the 1968-69 Maverick to an outstanding and deserving teacher, Mrs. Haun. During her years at our school, she has played an outstanding part in the science department. As a sponsor of

the Beta Club and a teacher, Mrs. Haun is always ready to give help and guidance to any student. She has made the field of science a real and interesting study to many. Mrs. Haun has won the respect of all that know her."

Tommy Joiner Is Wounded

Army Pfc. Thomas C. Joiner, son of Mrs. Willie Joiner, has been injured in Vietnam, according to a letter received by his mother.

He was reported recuperating from stomach wounds in Yaka Homa, Japan following surgery there and emergency surgery in Vietnam after being wounded July 27 at Laki Hae. He is expected to be hospitalized for two to three months.

EASTLAND BOY SCOUTS left Thursday for an eight-day, 67-mile canoe trip down the Brazos River. They were accompanied by Dick Johnson, scoutmaster of Troop 103; front row, left; and Tommy Magnus, member of Troop 103 scout committee, front row, right.

James K. Smiths Visit On Way to Baseball Games

Mr. and Mrs. James K. Smith and family of Hurst were in Eastland Tuesday on their way to Abilene where their son, Kenneth, was a player in the Regional Baseball Tournament which opened Wednesday night at Scarborough Park.

Kenneth is a member of the Tri-Cities Pony League All-Stars, a team of 13 and 14 year olds. He played in the Eastland Little League when his family lived in Eastland.

Dr. Don Smith Opens Practice In Tyler

Dr. Don Smith, son of Mr. and Mrs. Homer Smith of Eastland, has assumed practice of Anesthesiology in Tyler after passing the National Board of Anesthesiology examination in Chicago.

One member of the board was Dr. Jenkins, nephew of Morris Keasler of Eastland.

Dr. Smith completed his residency at Parkland Hospital in Dallas. His wife and three children will move to Tyler as soon as their home is ready. Dr. Smith is a graduate of Eastland High School and the University of Texas Southwestern Medical School at Dallas.

Peanut Growers to Vote On Research Assessment

Texas peanut growers will be conducted by the Southwestern Peanut Growers Association.

If the growers approve, the new program will be administered by a commodity producers board composed of nine members and elected at large by Texas peanut producers.

The referendum, authorized by the Texas Legislature, will cover 117 Texas counties having peanut allotments and will

be conducted by the Southwestern Peanut Growers Association.

The following statement by

Ross Wilson, Gorman, manager of the SWPGA, explaining the program in its inception and purposes.

An amendment sponsored by Rep. Delwin Jones of Lubbock, to his original bill, was enacted in the regular session of the Texas Legislature and signed into law June 9. This act makes possible effective self assessment programs on most Texas produced agricultural commodities.

The bill specifies that any organization representative of producers of a particular agricultural commodity may petition the Texas Agricultural Commissioner for a hearing for the purpose of determining whether or not the organization can be certified for the purpose of conducting a referendum among the producers of the particular commodity.

Such a hearing was held by the Commissioner on July 18 for the purpose of determining whether Southwestern Peanut Growers' Association should be certified to conduct such a referendum among peanut growers in Texas. SWPGA was duly certified by the Commissioner and the following day the Association Board of Directors officially called a referendum for Sept. 24, 1969.

As proposed the referendum will cover all 117 counties in Texas which have peanuts allotments. The Association is giving notice of this referendum in all county seat newspapers in peanut producing counties as well as daily newspapers in 4 metropolitan areas which have circulation throughout the peanut producing areas of Texas. In addition, county agricultural agents will be notified of the referendum by mail.

The Association will mail ballots to all Texas peanut producers on record in order that each peanut producer may vote either for or against the assessment program and at the same time vote for initial directors of the new association.

Southwestern Peanut Growers' Association is certified only to conduct the referendum. It will not administer the new program. Assessment funds will be collected and administered by a commodity producers board composed of 9 members to be elected at large by Texas peanut producers.

Growers will vote in the referendum on a maximum assessment of \$1.00 per net ton, farmers stock basis, for the first year of the program. This assessment fee is identical to that in effect in most other major peanut producing states. Any increase in the assessment fee must be submitted to all producers in the state in a biennial election of directors. The change would have to be ratified by a majority of the producers voting in the election.

The program will become effective this year provided at least two-thirds of the producers voting in the referendum vote in favor of the assessment or if those voting in favor of the proposition produced at least 50% of the volume of peanuts produced in the state last year. The collection of assessments will be at the point of first sale or mortgage. The processors collecting the assessment shall remit such funds monthly, not later than the 10th day of the month following that in which they were collected, to the secretary-treasurer of the commodity producers board.

Any producer who paid the assessment may, if he desires to do so, obtain a refund of the amount paid the assessment may, if he desires to do so, obtain a refund of the amount paid provided he makes application for the refund within 60 days after the date of payment. The secretary-treasurer of the producers board is required to promptly pay such refunds not later than the 10th day of the month following the month in which the application and proof of payment is received from the producer.

OFFICIAL PROCLAMATION

4 Eastlanders Attend Texas Youth Meeting

The seventh annual Texas Youth Conference was held July 31 through August 3 on the campus of St. Edward's University in Austin.

Eastland young people attending were Shannon Wilson, daughter of Mr. and Mrs. Tom Wilson, who served as a Junior Counselor; Katie Capers, daughter of Mr. and Mrs. E. J. Capers; Carla Boney, daughter of Mr. and Mrs. Gene Boney; and Gloria McDonald, daughter of Mr. and Mrs. O. L. McDonald.

The Eastland representatives were sponsored by Lions Club, Rotary Club, YMCA, Salvation Army, and the Jaycees.

Seminars were held with leaders in various fields conducting discussions. Business, drugs and medicine, law enforcement, and the role of the church in the world today were topics.

Sunday, the delegates attended worship services in the House of Representatives at the State Capitol. The Rev. Jack Grey, of Dallas pastor, North Texas Conference of United Methodist Churches, presented the sermon. The Awards Assembly featured a speech was given by Governor Preston Smith.

The Texas Youth Conference will start its annual educational fund raising drive August 11-13, to raise the funds necessary to operate the state-wide youth organization.

Mrs. Homer Garrison, Jr. of Austin and wife of the late Col. Homer G. Garrison, Jr., director of the Department of Public Safety, has been selected the honorary state fund raising chairman.

Some 34 cities in Texas have been selected as target cities for the program. Goal of the drive is \$50,000, which will cover the expenses of running the headquarters office in Austin.

The Conference, which just recently concluded its seventh annual summer meeting here, is the only youth organization

Goodyear 'Tent Sale' Begins 9-Day Running

As summer draws to an end and thoughts turn toward the fall season, the Eastland Goodyear Service Store is announcing its annual gigantic Tent Sale for the convenience, and economy of area residents.

Manager John Willen is announcing the nine-day event, to begin Monday, and it will be a comfortable "in store" sale, with the giant East Main St. store "carnivalized" from front

tent entrance to back — and highlight of the show will be tremendous markdowns on merchandise throughout the "big top."

Added incentives for visitors will be Carnival music, free Coke and 19¢-hot dogs. There'll be bonuses and surprises galore, Mr. Willen said.

The public is invited throughout the mammoth Sell-ebration, he added.

Mike LeFan, Local's Kin, Shows Paintings

Mike LeFan, 23, of Temple recently had an art show at Salado. Three of the seven paintings shown were sold.

Mike, who was paralyzed by polio in 1954, has never taken art lessons. He paints by using two toes on his left foot, the only movement he has.

He is the son of Mr. and Mrs. James LeFan of Temple and the grandson of Mrs. Zelma Lusk of Eastland.

Local Firm Managing Sister Act Now Performing in Hollywood

Two young Brownwood sisters are in Hollywood and seeking the realization of their dreams . . . to appear on national network television.

Leaving Wednesday by Jet from Dalls' Love Field were Suzanne and Janice Dillingham, professionally known as "The Dillingham Sisters", the daughters of Mr. and Mrs. W. C. Dillingham.

The girls, who compose and sing their own Country-Western songs, are due to perform on the "All American College Show", a syndicated program that is shown nationally, Saturday night, August 9th. Arthur Godfrey is the MC on the show, replacing Dennis James. Even though the show will be taped Saturday, it will not be seen in this area for approximately four to six weeks, and then may be seen on TV channels 14.

The Dillingham Sisters began singing about 14 years ago, starting in local Brownwood talent shows. Neither girl can read music, so their parents have set aside one room in their home, known as the "music room", and here they have full tape recording facilities. They tape their songs, and continue playing them back until they sound "just right", according to Suzanne, 21, and the oldest.

While singing at Panther Hall, in Fort Worth last fall, they were heard by Western music star Roy Orbison and invited to go to Nashville, and cut a record with him. However, due to a tragedy in Orbison's family shortly thereafter, the trip never did materialize, and Orbison took off for Europe to help him forget the tragic fire death of one of his children in their Nashville home.

The girls consider harmony a special characteristic of their talent, so when they compose a song, they do it to show off their harmony to its best advantage. "Sometimes", says Janice, who is 18 years old, "it may take weeks, or even months, until we get it down to just where we like it."

At one time not too far back, they switched from "Pop" and "Rock and Roll" type of singing, to country-western. The Dillingham's believe it is more meaningful, and there is a "Story" to every song. They also point out that there is more money for a longer period of time in western singing.

W. C. (Dub) Dillingham, is Brown County School Superintendent, and is concerned about his daughter's long-range future, and consequently, both girls are enrolled at Howard Payne College, in Brownwood.

The "All American College Show" is primarily a talent type of program, with the winner receiving \$1000.00 in cash, with a chance to appear on later shows in competition with other winners. Suzanne said, "Of course, the thousand dollars is wonderful . . . if we win it . . . but the important thing is the chance to make some real connections with the big name stars, and big name pro-

grams once we get to Hollywood".
The girls are represented by the D&S Talent Agency, of Brownwood, and Eastland, whose West Coast representative is C. G. "Tex" Satterwhite, former Eastlandite now residing in Hollywood. Satterwhite was once a member of the famous Tommy Dorsey orchestra, an dhas written and arranged songs for the Lawrence Welk Show. One of Satterwhite's best known songs is "The Moment of Truth", used by singer Tony Bennett as his opening number at personal appearances.

"Right now", according to Suzanne, "we hope to establish a career. It will be a lot of hard work. We realize that, but when you want something as bad as we want a singing career, you just have to work hard to get it."

'Play Day' At Lone Cedar Set Friday, Aug. 15

An all day Play Day will be held at Lone Cedar Country Club on Friday, August 15th at 10 a.m. Contact bridge is the theme for the day. Each player will play the same partner all day. A luncheon will be served and play will resume again in the afternoon. Home made cakes will be given as prizes and food bazaar will be held afterwards. Tickets are two dollars each and may be purchased from any member of the Duplicate Bridge Club. Chairman Mrs. James Horton reports that tickets are going rapidly and a good crowd is expected.

Guests in the home of Mr. and Mrs. W. Fred Davenport were their son and his family, Dr. and Mrs. Fred P. Davenport, Sarah and Sue, of Wyandotte, Michigan.

Christian Topic Given for Sunday

"No man hath seen God at any time. If we love one another, God dwelleth in us, and his love is perfected in us. Hereby know we that we dwell in him, and he in us, because he hath given us of his Spirit."

This verse from I John is part of the Christian Science Lesson-Sermon for August 10 on "Spirit." The services begin at 11:00 a.m. at First Church of Christ Scientist Corner, Lamar and Plummer Streets, Eastland.

Attends Reunion

Mimes Nolah Hubbard and Cuba Morris were among relatives attending the Hansard family reunion held in the Fire Hall at Gorman on Sunday, Aug. 3.

Maybe you don't need Insurance... and possibly you don't if you are financially able to look out after yourself. But for the most of us, we are just a little bit afraid to take the risk so we buy insurance. Modern living has become so complex that the protection of property against its many hazards is a major problem and we should be insured. The individual you can always depend on for correct solutions of your insurance problems is the local agent. Try him first!

TREADWELL-FRAZIER VOWS SAID SATURDAY

Miss Sheryl Lynn Frazier and Mr. Terry Allen Treadwell were married at 8 p.m., Saturday, August 9, in a double ring ceremony at the Scotsdale Baptist Church in El Paso.

The Rev. Horace Crowder, pastor, officiated. Parents of the couple are Mr. and Mrs. Larry W. Frazier of El Paso and Dr. and Mrs. M. A. Treadwell, Jr. of Eastland.

The church was decorated with an arched candelabra adorned with greenery, flanked by two spiral candelabra and baskets of greenery. Pink candles were lighted by Alan Jolly of Eastland and Michael

Smith of El Paso. Miss Marsha Treadwell of Eastland, sister of the groom, was maid of honor. Bridesmaids were Misses Marilyn Kribanich, Betty Burkhalter, and Diane Smith, all of El Paso.

They wore floor-length gowns of azalea pink ottoman trimmed with lace. Headpieces were clusters of flowers of shades of pink with fingertip illusion of azalea and pale pink. They carried colonial bouquets of pink sweetheart roses surrounded by marquette daisies and pink baby's breath.

Best man was Randall Treadwell of Eastland, brother of the groom. Groomsmen were John Wofford of Abilene, Paul Chrisman of Hereford, and George Kimbler of Phoenix, Ariz.

Given in marriage by her father, the bride wore a formal traditional style gown of white peau de soie with Alencon lace re-embroidered with seed pearls. The gown had a sweetheart neckline, long sleeves, and a fitted waist with slightly flared skirt.

Her cathedral train fell from a bow in the back. A jewel embroidered lace pillow held a fingertip illusion veil. She carried a bouquet of white orchid with stephanotis, elegant carnations, and English ivy atop a white Bible.

Her jewelry was a strand of pearls and diamond earrings. Musical selections, "I Love Thee," "The Wedding Prayer," and "The Lord's Prayer" were presented by Mrs. David Hutchins of El Paso, soloist, and Mrs. Elbert Smith of El Paso, organist.

The mother of the bride wore a dress and jacket of poudre blue silk adorned with re-embroidered blue lace and blue accessories. Her corsage was of cymbidium orchids.

The mother of the groom wore a pink silk and beige lace dress with pink accessories and a corsage of cymbidium orchids.

A reception was held in the

MRS. TERRY ALLEN TREADWELL

fellowship hall of the church. Assisting with serving were Mrs. William Hamilton, Miss Pam Hamilton, Miss Gail Trent, and Miss Darlyne Billingsley, aunt of the bride, all of El Paso; and Misses Jan and Christy Jolly, both of Eastland.

Background music was presented by Mrs. David Hutchins, Miss Marcia Gover, and Miss Susan Lawrence, all of El Paso.

The bride's table was laid with a pale pink cloth and centered with silver candelabra holding an arrangement of sweetheart roses, daisies, and pink baby's breath. A multi-tiered pink wedding cake was topped with an arrangement of the same flowers.

The groom's table was laid with azalea pink and centered with an arrangement similar to the bride's table. Chocolate cake and coffee were served. The bride's going-away costume was an aqua blue dress and jacket with jeweled buttons. Her accessories were black and she wore a white orchid corsage.

Following a wedding trip to Lakeway near Austin, the couple will live in Dallas, where the groom will be a student at Southwestern Medical School.

The bride is a graduate of Ysleta High School in El Paso and Hardin-Simmons University in Abilene. The groom is a graduate of Eastland High School and Hardin-Simmons.

We believe it is our civic duty to stand up for decency and morality in our own home town. As Christian parents, we are shocked by the public display of so much obscenity before the eyes of our children. We believe that it is time for us to act on our own since some of the local merchants seem to have ignored the city council's first proclamation concerning obscenity. We believe that it is time for the city council to issue a new, stronger proclamation in order to rid the local news stands of this pornographic literature—if this trash can even be classed as literature.

We also believe that the city council should take immediate steps to enact a local movie censorship code in view of some of the films which have been shown recently in Eastland. One example of this type of movie was the one shown this week entitled "The First Time" which depicted sex before marriage as acceptable under the so-called "new morality." Our young people were not restricted from attending this movie. Another movie shown recently was "Rosemary's Baby" which is an extremely religious movie depicting the birth of the devil's son as well as having two completely nude scenes. It has also been learned that "The Gay Deceivers," a movie about sexual perversion in order to avoid military service, is to be shown locally. We hope that some appropriate action by the city council will prevent the showing of this film.

Even worse than the pornographic movies are some of the "rock and roll" records being played on our own local radio station each afternoon. Concerned parents can usually prevent their children from seeing questionable movies, but we have no way to stop them from listening to their radios. The worst of these songs is done by the Beatles, the English group that is responsible for starting the trend toward low morality in some of our young people. One of their songs which is a current "hit" takes the name of the Lord in vain and then has a suggestive double-meaning line concerning actions in a bedroom. We hope that the manager of the local station will take action to ban records by this group, as well as those of their close imitators such as the Rolling Stones, the Cowsills, and the Doors. Most of the groups have been convicted of drug usage and some have openly committed acts at their concerts.

We hope that this letter will be printed so that the concerned citizens of Eastland can join together to rid our community of this growing menace. Obscenity spreads like a disease and it must be stopped before it is too late. Again we urge the city council to issue a proclamation on this important matter. Sincerely yours, Concerned Citizens for Decency Eastland, Texas

Mr. and Mrs. J. L. (Luce) Brown, owners-operators of the Western Auto Store have returned from a trip to Mexico City.

They were one of five couples in this contest area winning trips. A husband and one person took the trip as guests of the Stewart Company of Dallas distributors of Zenith products.

Guests in the home of Mrs. Florine Miller are her granddaughters Debbie Miller, Jan Miller, and Judie Jaksa, all of Houston.

Mrs. Birtie Reid is attending a camp meeting at Bedford, Texas.

Mrs. W. C. McCullies of Phoenix, Arizona is spending the summer visiting in the home of Mrs. C. G. Uffelman. Mrs. McCullies the former Miss Lillian Williams, is formerly of Eastland.

Margie Treadwell, daughter of Dr. and Mrs. M. A. Treadwell Jr. was named to the Dean's List at Hardin-Simmons University in Abilene at the end of the first summer session. To qualify for the Dean's List, a student must make "A" in each subject.

Marsha was recently awarded the Atwood Scholarship. This scholarship is awarded annually to a student in any department who, after completing two or more full academic years at Hardin-Simmons, has made a distinguished academic record, has given promise of exceptional intellectual leadership and ability, and is of good moral character.

Mrs. Neal Samuels, her son Kirk, and his friend, Glenn Duvall, all of Fort Worth, are spending the week at Lake Leon and visiting with her parents, Mr. and Mrs. Carl Timmons.

Guests in the home of Mr. and Mrs. W. L. Wright were their daughters and their families, Mr. and Mrs. H. D. Jeffus and Linda of San Antonio; and Mr. and Mrs. Billy Ogden, Jr., Ronnie and Becky, of Beale Air Force, California.

Mr. and Mrs. Lon Amason and family of Fort Worth visited in the home of Mr. and Mrs. Vern Mahan and family.

YOUR FLORIST TALKS ABOUT FLOWERS

The Elephant's Ear plant is familiar to all of us. Native to the South Pacific, there it is called taro. In the South Sea Islands and Hawaii the starchy roots of the Elephant's Ear are boiled and eaten like potatoes.

Ever seen one in bloom? On rare occasions we are told this happens. However, there are some who say it is the formation of new leaves and has the appearance of a blossom. It is still a beautiful plant, and grows very rapidly during the summer months, and dies just as quickly in cold weather if not taken inside.

We have a wonderful selection of dish gardens, bright and green, to add that special spot of beauty to any room in your home.

Texas Baked By Record Temperature

By The Associated Press
Record-breaking high of 106 degrees today.

Area Sizzles For 20th Day

No relief from the sizzling heat that has plagued Wichitans for 20 days is in sight, according to U.S. Weather Bureau officials. Tuesday's high of 106 degrees.

Heat Wave Continues Throughout Texas

Grasshoppers continue to swarming under the current heatwave. However, clouds of relief from the heat today afternoon in Graham and Lovings fell in the area.

For Sure, It's Summer

It hasn't been so hot in Wichita this month after all. July has had four days when the mercury didn't get above 99 degrees. Of course it was 104 degrees yesterday. There is nothing to do but sit tight.

More Hot Temperatures Due For Most Of Texas

Heat-weary Texans couldn't be blamed today if they looked with ahead longingly to the next snow storm. Official forecasters made it clear, that any such hopes were only some dry weather in the area.

No Relief From Heat In Sight

By Associated Press
Summer heat kept all of Texas on the griddle today. Although occasional thundershowers doted eastern areas of the state Tuesday afternoon and evening, none was in sight.

106-Degree Temperature Scorches City On Friday

An official 106-degree was recorded at the weather station in Archer City, Friday, July 11, making it the hottest day of the summer, so far, according to Jake Sheppard, official weather man for the city. The advent of summer on June 21, was followed the next day by the first 100-degree reading. The official weather thermometer, and that mark was reached several times, but had failed to go higher until Wednesday of last week, when 104 degrees was recorded, even though Wichita Falls, our neighbor to the north was the hottest city in the state for

Scorching Heat Maintains West Texas Stranglehold

Scorching heat maintained its grip on Texas today. As usual, forecasts held out hope for a few brief showers over the coastal plains and in Southwest Texas. Clear to partly cloudy skies ahead longingly to the next snow storm. Dry air enveloped the state and skies were mostly clear except for occasional clouds near the coast and in the Panhandle. Chances were seen for little rain, but except for a few showers near the Upper Texas Coast. Top temperatures Tuesday ran as high as 109 degrees at Cotulla.

Temperatures Are Measured in Kilowatt-Hours, Too

The number of kilowatt-hours used in the home in any summer month and the size of the electric bill are good measures of just how hot the weather has been.

That's why nearly everybody has been using more kilowatt-hours this summer . . . because July, 1969, was the hottest month in this area in recent years, with temperatures of 100 degrees or higher day after day.

This was in sharp contrast especially with July temperatures in 1967

and 1968 when averages were among the lowest on record here.

With electricity working harder for you, bills are higher, even though the folks we serve are buying kilowatt-hours of electricity for use in the home at lower average prices than ever before.

We are making every effort to see that your electric service will continue to be your biggest value in year-round living.

Talleys Return From Vacation in N.M. Mountains
Mr. and Mrs. I. E. Talley have returned from a vacation in the mountains of New Mexico. Their trip began Sunday, July 27. That night they stayed with relatives in Amarillo. Monday they visited in Dumas with Mrs. Talley's sister, Mrs. Earl Mullings, who is a nurse. The Talleys also visited her cousins Mr. and Mrs. Jack Williams before leaving for Springer, New Mexico to spend the night. Tuesday they went to Cottonwood Park and stayed for several days enjoying fishing and sight-seeing. Saturday the Talleys went to Taos where they saw many Indians and Hippies. They went shopping in many local stores and then took a trip to Red River, a town located in the heart of Carson National Forest. Red River was settled as a mining town in the 1870's and today is a year round resort. The Talleys visited in Eagle Nest Lake before returning to Amarillo Saturday. Sunday morning they attended church with Glen McDowell. They were

Direct color prints from photos taken by Apollo 11 Astronauts on the moon!

Send today for Set I, of 10 remarkable color prints from photographs taken by our Astronauts themselves during their history-making 24 hours on the Moon!
The photographs are on professional quality Kodak Paper, for true color fidelity — not lithographed or shot from a TV screen. They are, therefore, much clearer and sharper — with infinitely greater detail than reproductions you may have seen on TV, in magazines or newspapers.
Here is a superb personal record of man's first exciting visit to the Moon — color photographs that you will treasure and enjoy for years to come, and that you will show with pride to relatives and friends.

Logistics Problem In Handling Trailer Caravan

BY J. W. Sitton
SYDNEY, Cape Breton, Nova Scotia — A caravan of 361 travel trailers is quite a sight to see and creates a substantial problem in logistics. And it's quite interesting to observe as one of the participants and as a reporter.

The midway point has passed for the caravan of Air-stream owners that began July 14 in Bangor, Maine. Another stop on Nova Scotia and one in New Brunswick and several in Quebec will conclude the 42-day caravan of Canada's northeast (Maritime) provinces for some 1,000 U. S. citizens in the 361 travel trailers.

like. You have your butane tanks filled as they run empty. In Texas, it costs \$1.50 to fill your tank and in Canada it costs \$4.50.

As you drive along the roads between towns, children everywhere gather to wave greetings. Everybody is friendly in the towns. At each stop, local officials extend a welcome and entertainment often includes a fine Scottish Bagpipe Band in full dress kilts. You soon learn that prices of most foods and other items are higher than in the USA.

The state (or province) controls the gasoline stations up here. You see only Esso, Gulf, Texaco, Shell, Fina and local independent named Irving. The prices are identical at all of them — 52 cents for regular

and 57 cents for premium. If you want to air your tires, they have a place off to the side where you do the work. You also put water in your radiator if you need it.

Gas stations close at 5:30 p. m. daily and at noon on Saturdays. One station stays open in each town at night.

In the smaller towns, you can't buy anything at the stores from noon Saturday to Monday morning. In the bigger places, a few are open for a limited time.

Most towns have automatic washing machine centers and these are usually full of caravanners at each town. . . . Most of the food items you buy (like breakfast foods) have the box top deals printed in both English and French. . . . None

of the newspapers print Sunday editions. You get your comic section in the Saturday morning paper, and they're through for the week. . . . Scenery is one thing they have in abundance in all areas of the northeast provinces. . . . Newfoundland is about 100 miles by boat from here and a good many caravanners made the trip. . . . An attraction for our next stop will be a boat trip to Prince Edward Island, which just about everybody plans to visit. . . . The radio music up here is a lot better than the USA. You hear far less of the hollering and screeching type of music and more of the good old fashioned songs. . . . Television is not up to USA standards and the newspapers are far behind USA publications.

The caravan has an experienced traveler as its leader — a man who has led similar groups to Alaska and elsewhere. His trailer is the headquarters office. He recruited several committees of caravanners to handle details like parking at each town on the tour, looking after sewage disposal, water, bottle gas, entertainment, mail, children, and so forth.

A group of men with red flags send you out when the caravan moves and another meets them at the town and sees that everybody is parked in neat rows. The water is connected from trailer to trailer in each row, and your trailer has fresh running water during the one to three days that you stay in one town.

As you come in or leave, you can pull over a sewer opening and dump the contents of your holding tank. You carry 30 gallons of fresh water in another tank that pumps through your faucets plus a 9-gallon hot water tank full. You have two 30-pound butane tanks that supply your cook stove, refrigerator and other needs.

Each trailer paid \$50 into a "kitty" that pays for the parking spaces and entertainment, which includes bands and the

**SUMMER CLASSES IN SPEED
READING SET FOR CISCO, EASTLAND
AND RANGER**

The famous Cutler Accelerated method of speed reading, created by Dr. Wade E. Cutler who holds a doctorate in psychology, will be taught here this summer in both day and evening classes.

The average person today reads some 200 words per minute with about 60% comprehension — a rate inadequate to cope with today's reading demands in school, college, and business.

This widely acclaimed course guarantees its graduates will read at least 1,000 words per minute with a definite increase in comprehension.

Many graduates of the nine week program far exceed the guarantee and complete with rates of 2,500 and more words per minute with far better comprehension.

Concentration, recall, study and test-taking skills show a remarkable degree of improvement.

Such achievement means that a person can read books of average length in 45 minutes or less, and understand, remember, and enjoy them better than ever.

This remarkable accelerated reading and study course is offered here exclusively by Accelerated Education Schools with locations in Dallas, Amarillo, Denton, and some 30 other Texas, New Mexico, and Oklahoma cities.

This professionally conducted course boasts nearly 10,000 successful graduates due to its common sense approach to better and faster reading, and to its staff of professionally qualified master teachers.

A series of meetings has been scheduled for those in this area who desire to know how they too may learn to read with greater speed, power, and efficiency.

At these free one hour orientations, full details about speed reading and the unique Cutler Accelerated Method will be given to those forward-looking persons attending.

Since there is no cost or obligation by attending, you owe it to yourself to attend the time most convenient for you.

Drop in and find out how you can make 1969 a more successful year.

All meetings are open to the public, and will be conducted as follows:

CISCO

Saturday, August 9 at 3 p.m. 10 and 4:30 p.m.
Sunday, August 10 at 8:30 p.m.
All meetings will be conducted in the Meeting Room of the First National Bank Bldg., 708 Ave. D, Cisco.

EASTLAND

Friday, August 8 at 7:00 p.m. and 8:30 p.m.
Sunday, August 10 at 4:30 p.m.
Wednesday, August 13 at 7:00 p.m. and 8:30 p.m.
All meetings will be conducted in the Banquet Room of the White Elephant Restaurant, 724 W. Main, Eastland.

RANGER

Saturday, August 9 at 10:30 a.m. and 1:00 p.m.
Sunday, August 10 at 2:30 p.m.
All meetings will be conducted in the Civic Room of the First Federal Savings & Loan, 121 Main St., Ranger.
