

EASTLAND TELEGRAM

VOLUME 93, NUMBER 37

EASTLAND, TEXAS 76448 — THURSDAY, MAY 8, 1969

PRICE: 10c

TOO WET TO PLOW . . .

Over Three Inches of Rain Falls in County

Three days of intermittent rain that measured up to three inches left fields soggy, stock tanks full and running over, and lakes full or at all-time high marks in this West Central Texas region Wednesday.

Official rain gauge figures were reported in this area for Monday, Tuesday and Wednesday as follows:

| | |
|--------------|-----|
| Cisco | 3.2 |
| Eastland | 3.3 |
| Ranger | 3.1 |
| Putnam | 5.3 |
| Moran | 7.4 |
| Gorman | 5.6 |
| Breckenridge | 5.9 |
| Albany | 7.3 |

The county agent's office said that the rain would not hurt peanut planting unless it continues. Most of the county's some 32,000 acres of peanut allotment acres are planted between May 15 and June 15. Virtually all peanut fields have been plowed in preparation for early planting.

Some of the peanuts that were planted in late April — less than 15 per cent of the total acreage, the county agent's office estimated — might be damaged due to high water. The rain was not particularly needed by small grain crop farmers whose harvest

season is not too many weeks away.

Pastures haven't been in better condition for many years, livestock men reported. Rains have been coming every week or two since winter, and grass growth has been outstanding.

Orchards were in good condition with an average crop in prospect. Late freezing weather hurt early peaches, apricots and other fruits but there will be some kind of crop for virtually everybody. Pecan trees are in bloom and the rain could cause trouble there if it came at the wrong time.

John E. Collins Buried In Rites Held on Monday

John E. Collins, 89, died at 3:15 p.m. Sunday in Eastland Memorial Hospital, where he had been a patient one week.

Funeral was held at 2:30 p.m. Monday in the Arrington Hamner Funeral Chapel, with the Rev. W. E. Hallenbeck, pastor of the Church of God in Cisco, officiating.

Burial was in Bear Springs Cemetery, southeast of Eastland. Nephews served as pallbearers.

Born Feb. 27, 1880, in Eastland County, Mr. Collins worked for the Santa Fe Railroad 49 years before retiring. He had lived in Eastland for 25 years, moving here from Skellytown. He was a member of the First United Methodist Church in Eastland. His late wife was the former Gwenn Evans.

Survivors include a daughter, Mrs. Jeanette Whitehall of Dallas; a brother, Tildon Clyde Collins; three grand children; six great-grandchildren; and one great-great-grandchild.

16.17 INCHES TO DATE

Eastland received 1.61 inches of rain by 7 a.m. Wednesday, according to James Dabney, official weather observer. This brings the years total to 16.17 inches. Police Dept. reports no storm damage.

Former Eastland Resident Dies

Miss Lillie Moon, 84, of Ft. Worth, formerly of Eastland, died Sunday in Fort Worth.

Services were held at 10 a.m. Tuesday in Meissner's Funeral Chapel in Fort Worth, with the Rev. Jim Johnson, pastor of Tarrant Road Baptist Church in Fort Worth, officiating. Graveside rites were held at 2:30 p.m. Tuesday at the Rocky Branch Cemetery near Mount Pleasant.

Miss Moon was a retired teacher of Eastland public schools.

Survivors include a sister, Miss Goldie Moon, and a brother, S. R. Moon, both of Ft. Worth.

She taught in West Ward School from 1921 to 1949.

Administrators Re-Affirm Stand on U.I. League's Present Operations

Thirteen of 21 top school administrators in the 53rd Legislative District met in Eastland Monday to draft a 4-point resolution, restating their position against Rep. Burke Musgrove's proposed bill (and others) that would move the state's University Interscholastic League under the Texas Education Agency's jurisdiction.

It was a lengthy resolution and comes following a series of exchanges between schoolmen (principally Supt. Wendell Siebert of Eastland) and Rep. Musgrove of Breckenridge. The first part of the document (which is being mailed to the Speaker of the House, Chairman of the Subcommittee which has Musgrove's bill and others), is an apology to Supt. Siebert for his having had to take most of the brunt of the blast from Musgrove, which has included an appeal now for an investigation of the UIL.

The schoolmen are not speaking against an investigation, even though they point out in their measure that they don't feel one is necessary. Their point is against the bill, or any bill that would disrupt the UIL as it now stands.

All administrators were invited by Supt. Jimmy Hughes of Carbon to the Monday Eastland meeting, but because of conflicting appointments, distance and other factors, all could not attend. Each absentee was being sent a copy of the resolution and a letter asking that if they agree, to

sign and forward the copy to Rep. Musgrove.

Present at the Monday meet were James R. Clark of Ranger, Roy Hathaway of Cisco, Buddy R. Dulin of Albany, Travis Hilliard of Gordon, Charles L. Garrett of Gorman, Jim W. Wilkerson of Breckenridge, J. E. Watkins of Rising Star, Robert Stovall of Moran, Mac Coppinger of Eula, R. W. Reynolds of Putnam, Jon R. Tate of Baird, Hughes and Siebert, all superintendents; and Virgil Seaberry, Eastland attorney; Virgil Moore and H. V. O'Brien, editors Breckenridge American and Eastland Telegram.

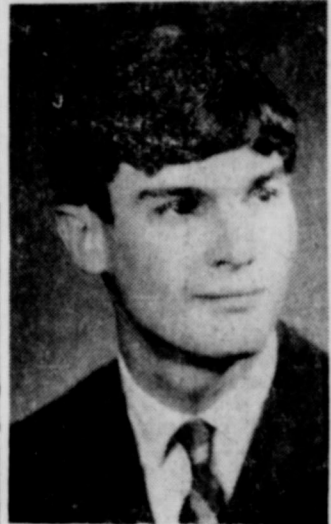

THE SCHOOLMEN'S RESOLUTION

"WHEREAS, the following superintendents of the 53rd Legislative District met in Eastland on May 5th to discuss Mr. Musgrove's action on H. B. 1093, a bill sponsored by him that would place the activities now sponsored by the University Interscholastic League under the supervision of the Texas Education Agency, and would invalidate the transfer rule, the group opposes H. B. 1093, H. B. 737, or any other legislative action that would alter the present framework of the U. I. L. and wishes the following statements be released to the press:

"(1) We wish to apologize to Mr. Siebert, his family, the members of the School Board, and the school patrons for the reflection cast on Mr. Siebert by Mr. Musgrove. Mr. Siebert was spokesman for

GLENDIA BAIRD

TERRY COLLINS

HONOR STUDENTS ARE NAMED AT OLDEN HIGH

Wanda Daniel, daughter of Mr. and Mrs. John Daniel, was named valedictorian; Glenda Baird, daughter of Mr. and Mrs. Jim Garner was named salutatorian; and Terry Collins, son of Lucille Collins was named high ranking boy.

Baccalaureate services will be at 11:00 a.m., May 18, 1969, at the Olden gymnasium. Commencement exercises will be at 8:00 P.M., May 23, 1969, also at the school gymnasium.

Miss Daniels, Mrs. Baird, and Mr. Collins all plan on enrolling in Cisco Junior College.

Seniors will leave May 10, 1969 for a five day trip to the

coastal area of Texas. Points they plan to visit are the Astrodome, Padre Island at Corpus Christi and Galveston, the Alamo and White museum in San Antonio, the Aquarina in San Marcus, and return home through Austin on May 14, 1969.

Dwight Back In School—Fund Grows

Dwight Lewis, six-year-old boy hurt while playing with several other children, returned to Eastland Elementary School Tuesday on "an experimental basis," his father, James D. Lewis, Sr., said.

Lewis explained that an Abilene eye specialist found Monday that the pressure on the injured eye had decreased enough for the young boy to be up and around. Of course, Dwight was anxious to get back to school, so he was allowed to go temporarily. The boy will return to Abilene Monday for further tests.

Dwight was admitted to Eastland Memorial Hospital after being struck in the eye by a belt playfully slung around by another child. Later Dwight was transferred to Hendrick Memorial Hospital in Abilene, where it was feared he might lose sight in both eyes, due to pressure. He was released from the hospital last week.

Friends of the family started a Dwight Lewis Fund to help with medical expenses. And Dwight's own young friends have helped as well as adults. Anyone wishing to help is asked to send money to Eastland National Bank, which is acting as treasurer of the fund. The bank's address is Box 391, Eastland.

Latest contributions include these from students at the elementary school:

Voters To Decide on June 5 If 1c City Sales Tax Is To Be

Eastland residents will decide June 5 whether they want a one per cent city sales and use tax.

City Commissioners ordered the special election in a called meeting Monday afternoon. The ordinance for the election

was introduced at a called meeting last Friday.

The election will be held on Thursday, June 5, at the City Hall. Commissioners appointed Milton Underwood presiding judge with Hoover Pittman as alternate. Absentee voting will be at the City Hall from May 16 to 30.

If the tax is voted in, the 1 per cent will be in addition to the three per cent state tax already in effect. City manager Lewis Tiner said certification of the election and a map of the area must be sent to the state comptroller before June 30 for the city to be eligible to collect the tax for the last quarter of this year.

The election was ordered after a special study committee recommended the tax as the most favorable method of increasing city revenue. Need for additional income was listed because several city employees are on the payroll below the minimum wage rate plus the rising cost of materials and the need for another policeman position.

LETTER TO COMMISSIONERS

Gentlemen:

Several weeks ago you reactivated our committee originally appointed in late 1967 as a fact finding group to study 1% additional sales tax authorized by the State Legislature, on a local option basis, as a means of raising revenue for the City.

Again, with the assistance of Mr. E. C. Johnston, C.P. A. and Mr. Lewis Tiner, City Manager, the committee studied the previous report of the City's five years budget and five year projection — filling in actual figures for the fiscal year 1967-68 and comparing it to be the budget originally projected. The projected budget estimated a \$13,000.00 profit while the actual figures showed an \$11,000.00 deficit — a difference of some \$24,000.00. This is not altogether alarming because of the purchase of the new fire truck during this period. However, there are areas of concern inasmuch as revenues are down some \$11,500.00. Practically all of this is a loss in water revenue caused by cessation of the Great Western Flood Operation and the small usage of water during the summer months of 1968 because of unusual rainfall. No special rates were offered in the summer of 1968 because of the small demand.

On the expense side of the ledger, the City spent \$10,000.00 less for normal operations, but spent more on capital improvements than was budgeted. These expenditures are somewhat interchangeable from an accounting standpoint of view inasmuch as materials purchased for maintenance of system and for capital improvements can be intermixed unless the city employs a full time store keeper and this appears to be impractical.

Mr. Tiner pointed out that cost of materials have risen sharply, and that there are a number of employees on the city payroll below the minimum wage rate, which makes it difficult to hire personnel on a competitive basis. He stated there are numerous city needs which cannot be met under the present budget, and that if funds were available he would like to see one policeman position added to the force to work with minors.

Our committee recognizes the problems facing the City Commission and commends it for doing what it can on the limited funds available. We also recognize that proper maintenance and personnel can not be assured in the future without additional revenues; and this leaves no room for capital improvements essential to the growth of any city.

Therefore, based on the City's need for increased revenue, the committee examined the various sources of revenue to the city and in our opinion believe that the Sales Tax is the most fair way to obtain additional revenue, and recommends that an election be called to give the citizens of our city an opportunity to express their opinion on this issue.

Yours very truly
Tom Wilson, Ch.

SABANNA PROJECT GETS PRIORITY OKAY

The Sabanna Watershed Project covering portions of Callahan, Eastland and Comanche counties was approved for planning priority in a meeting of the State Soil and Water Conservation Board held in Fort Worth on Saturday, May 3, 1969. Approval of the project by the state board came a little over two years after the original application for assistance on the project was filed.

According to Ross Wilson, Chairman of the Sabanna Watershed Association, the original application for project approval was submitted to the United States Department of Agriculture on February 17, 1967.

The official hearing by the State Soil and Water Conservation Board was held in Gorman on May 2, 1968. The Sabanna project was considered for approval shortly after the 1968 hearing but was not approved at that time for two principal reasons:

(1) other applications with similar needs and qualifications had been on file longer than the Sabanna application and (2) not enough acreage in the watershed was under agreement for carrying out conservation practices.

Wilson stated, "Since last May extensive efforts have been underway to increase the percentage of land in the watershed under agreements

and on which conservation treatment is applied." He stated that a considerable amount of land has been placed under agreements the past twelve months.

When the state board met in 1968 approximately 62 per cent of the land owners in the watershed had signed cooperative contracts with the Soil Conservation Service and approximately 63 per cent of the land in the watershed was covered by actual conservation treatment. During the past 12 months these percentages have been raised to 73.6 per cent of the land owners as current cooperators and 77.3 per cent of the acreage in the watershed now adequately receiving conservation treatment.

Planning with respect to the placement of reservoirs within the watershed area is expected to commence within the next 60 days. The project covering the 202,000 acres of watershed land is expected to cost in excess of 2 million dollars. Once the project is completed current costs due to flooding will be sharply curtailed. At the present time the cost to property owners and tax payers exceeds \$100,000 annually.

Sponsors of the project include the Upper Leon Soil and Water Conservation District, Lower Clear Fork of Brazos Soil and Water Conservation District.

ECT Picnic Begins at 6:30 Tonite

The Annual ECT Picnic and Musical Variety Show will be held at 6:30 p.m., Thursday, May 8, at Bell Hurst Playhouse. It has been announced.

The public is invited to attend both the picnic and the show, which is set for 7:30. Each family is asked to bring a picnic supper. Drinks will be sold by the theater.

Don Nicholas, chairman of the event, announced that James Reid will serve as master of ceremonies for the program which will feature area talent.

The Curtis Head Music Co. of Abilene will provide an electric organ and a piano, and Ken Mayhall, owner-manager, will be organist.

Appearing will be the Tijuana Brass of the Maverick Band, the "Sweet Things," Terressa Herridge, Rachel McNew, Randall Treadwell, Dr. M. A. Treadwell, Janice McNair, Larry and Garry Barnes, Randy Rexroat, Victoria Wilson, Sandy Aldredge, JoAnn Baker, Becky Hanna, John Marshall, Stacy Blair, Richard Rossander, Anna Ivory, H. V. O'Brien, Ben Karne, of Breckenridge, and the Ken Mayhall family of Abilene.

House Damaged By Sunday Fire

A fire at 10:45 a.m. Sunday caused at least \$2,000 damage to a house at 1401 S. Bassett.

Firemen said the fire originated from a water heater. The fire was quickly extinguished and most of the damage was the result of water, it was said.

The house, part of the Robinson estate, was occupied by the Jimmy Simmons family. No injuries were reported.

AN INVITATION

Mrs. Arrington To Take Gavel For Civic League on Wednesday

Mrs. Eula Arrington will be installed as president of Civic League and Garden Club at the noon luncheon Wednesday, May 14, at the Woman's Club.

Other new officers for the 1969-70 club year are Mrs. R. T. Magness Jr., first vice-president; Mrs. Earl Conner, second vice president; Mrs. Nicholson, corresponding secretary; Mrs. DeMarquis Gordon, recording secretary; Mrs. John Collin, treasurer; Mrs. Janet Thomas, historian and reporter; and Mmes. F. H. Lund and Durel Reid, clubhouse board members.

Installing officer will be Mrs. Beverly Nicholson.

Reservations for the luncheon must be made before 3 p.m. Monday, May 12, by calling Mrs. Jeff Glazner, 629-2127. A nursery will be open in the First Baptist Church at 11:30 a.m.

Luncheon hostesses will be Mmes. Arrington, A. H. Johnson, J. H. Parks, D. L. Kinnaid Jr. and Clinton Bray.

Sabanna Project . . .

(Continued from page 1)

District and Commissioners Courts of Comanche and Eastland Counties, The Chambers of Commerce in De Leon, Gorman and Rising Star are enthusiastic supporters of this project as are several other civic organizations in the three town.

The project is aimed at accomplishing several major goals. One of the primary objectives is effective flood control. Another objective is to reduce damage to Lake Proctor from sedimentation. Officials of the Watershed Association are very hopeful that considerable crop and pasture irrigation sources will develop from the project as well as the development of additional recreation facilities.

Association officials expressed appreciation for the active help of Congress Omar Burleson relating to project approval. Mr. Burleson has long been an advocate of effective soil and water conservation work in his district and he gave his active support to the approval of this project.

THE PAYNE FAMILY of

Abilene will appear at Calvary Baptist Church Sunday, May 11. The Rev. Earl Williams, pastor, said the singers will be at the regular morning worship service. The public is invited to attend.

Lone Cedar Sets Game Day Event

A Game Day will be held Friday, May 9, at Lone Cedar Country Club, with contract bridge beginning at 10 a.m. Lunch will be served and playing will resume in the afternoon.

Each player will play with his own partner all day. Prizes will be homemade cakes. A bake sale will be held in connection with the Game Day.

Canasta and "42" players are invited to bring cards and dominoes and attend the party. Tickets are \$2.00 each.

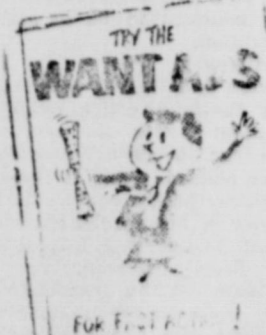

Scientists' Topic

"Awake to righteousness, and sin not; for some have not the knowledge of God." This verse from II Corinthians is the Golden Text in this week's Christian Science Bible Lesson-Sermon on "Adam and Fallen Man."

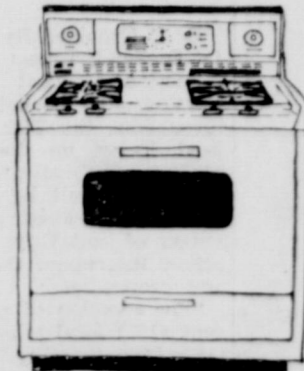

A related passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy comments: "A knowledge of evil was never the essence of divinity or manhood."

All are welcome at First Church of Christ Scientist, Corner, Lamar and Plummer, Eastland. Sunday service begins at 11:00 a.m.

Ranger Junior College downed Christian College of the Southwest, 3-2, then stopped Hill County by the same score in Waco Tuesday to win the eastern tourney of Region V.

The Smoke eater.

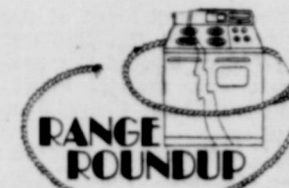

BURP!

You'll find it only in a gas range.

It's a flame! The smoke is consumed by the flame, and the heat stays inside where it belongs. The smoke eater is just one reason why a gas range cooks clean and cool! (More flavorfully, too!)

When you think about it, Gas living makes sense!

DRAWING TOWARD GOD
The Art and Inspiration of JACK HAMM

Introduction By CHARLES SCHULZ
Creator of "PEANUTS"

DRAWING TOWARD GOD is a book designed to apply scriptural truth to everyday living. By means of some 50 full-page drawings interspersed in the text, the reader is led to reflect with the artist-author on the great issues of life. Over a billion impressions of Jack Hamm's religious art have been printed in the U. S. and 17 foreign countries. For the first time he sets down his reasons behind the drawings. Winner of four national cartooning awards, Hamm contends that the nature of God and man's nature need to be, and can be, related one to the other.

"Jack Hamm has a way of using his brush, crayon, and words to cut through to some of the great theological truths that concern us all. This is a marvelous book for individual meditation, or for any group of dedicated people who wish to have a guide to promote inspirational discussion. Jack has a rich imagination and a fine sense of fundamentals. We have been blessed in our world with many great editorial cartoonists, but I know of no other man who has been able to turn his talents to interpreting religious truths as has Jack Hamm."
From The Introduction
By CHARLES M. SCHULZ
Creator of "Peanuts"

"I like the work of Jack Hamm. He has a great gift for illustrating, and therefore making simple, important truths that would be difficult to express so explicitly in words."
DR. NORMAN VINCENT PEARL

"A fine artistic portrayal . . . bringing the inspirational Word of God into American homes."
J. EDGAR HOOVER
Director of F. B. I.

"The most difficult task for a cartoonist is to sustain a point of view over a long period of time, even when the subject is the Word of God. Jack Hamm has kept his work in such sharp focus that it sustains the believers among his readers and most certainly gives hope to those who need it."
MILTON CANIFF
Creator of "Steve Canyon"

"Jack Hamm is helping to create a moral and spiritual atmosphere throughout the United States."
BILLY GRAHAM

"How better to reach people of all ages than with the timeless scriptures retold in timely pictures."
PAUL HARVEY

A Delightful Decision.

1969 Buick LeSabre. What makes it such a Delightful Decision? Just price one and see.

You heard us right. It's Delightful Decision time, an event at your Buick dealer's designed to make buying a Buick right now a very delightful decision. Even this beautiful 1969 Buick LeSabre 2-door hardtop is easy to own. And look what you get in addition to an impressive list of standard equipment that begins with a 350-cubic inch V-8.

You get AccuDrive, Buick's new suspension that makes steering over bumpy, winding roads so easy your wife may never let you have the car.

You get Buick's new upper level ventilating system. It does away with the need for vent windows as well as wind noise and uncomfortable drafts.

You get Buick's new ignition, steering and transmission control lock that lets you lock your ignition, steering column and transmission controls when you turn off the key.

And that's just a quick look at the new Buick LeSabre. Why don't you take a long look at your Buick dealer's soon.

We know you'll make a decision that will delight you.

It's Delightful Decision time at your Buick dealer's now.

Frost-Fisher Vows Said In San Antonio Chapel

Miss Donna Carrol Frost of Eastland and Mr. Steven Troy Fisher, also of Eastland, were married in the Randolph Base Chapel, San Antonio.

The bride is the daughter of Lt. Col. and Mrs. Don C. Frost, who were married in the same chapel 27 years ago. She is the granddaughter of Mr. and Mrs. Dallas Frost of Eastland and Mr. and Mrs. Earl E. Harvey, formerly of Eastland.

The groom is the son of Lt. Col. and Mrs. James B. Fisher of Fort Worth.

Col. O. S. Brown, U.S.A.F., Ret. officiated at the ceremony before an altar decorated with white flowers and four candleabra.

Mrs. Gene Waddle of Cuero was matron of honor and Miss Marianne Caron of Corpus Christi was maid of honor. Miss Crystal Thomas of San Antonio, Miss Nancy Ann Harvey, cousin of the bride, and Miss Robbie Kay Smith, of Odessa, cousin of the bride, were bridesmaids. The matron and maid of honor wore gowns of moss green with empire waist and bell sleeves. The bridesmaids wore identical styled gowns of apple green. All carried natural daisies and ivy.

Miss Marjorie Lou Harvey of San Antonio, cousin of the bride, was flower girl.

Larry Cline of Corpus Christi was best man; and

David Earl Frost of A and M, brother of the bride; Joe Marvek and Larry Nowell, both of Corpus Christi, were groomsmen.

Jeffery Arnold of San Antonio, cousin of the bride, was ring bearer.

Ushers were Milton Furlay of A and M, and Harold Harvey, cousin of the bride.

Miss Beverly Fisher of Austin, sister of the groom, was soloist.

The bride wore a formal gown of silk organza and taffeta. The neckline was accented with scalloped lace. The bell skirt was accented with lace medallions, pearls, and crystals.

The cathedral train was enhanced with pearls and crystals.

A veil of silk illusion was held in place by a cabbage rose trimmed with crystals and seed pearls. Her bouquet was of Old English style, featuring a white orchid and cascading daisies and English ivy. She carried a lace handkerchief that was a gift from her father on her tenth birthday. Her pearls were a gift from the groom.

The reception was held at the Randolph Officers' Club. After a short wedding trip, the couple will live in Houston.

The groom is an engineer for Humble Oil Company. The bride is a first grade teacher in Corpus Christi.

LEGAL NOTICE

An Ordinance Ordering A Special Election To Be Held In The City Of Eastland, Texas, On The Question Of The Adoption Of A One Percent (1%) Local Sales And Use Tax Within The City; Designating The Day Of The Election And The Polling Place; Appointing Election Officials Therefor; Providing That All Duly Qualified Resident Electors Shall Be Qualified To Vote; Prescribing Form Of Ballot; Providing For Notice Of Election And Containing Other Provisions Relating To Said Election; Providing For Severability; And Declaring An Emergency.

Be It Ordained By The City Of Eastland, Texas:

Section 1. That a special election shall be held in and throughout the City of Eastland, Texas, on the 5th day of June, 1969, at which election there shall be submitted to the resident qualified voters of said City, for their action thereupon, the following propositions:

"For adoption of a one percent (1%) local sales and use tax within the City."

Section 2. That said election shall be held at one polling place for all qualified voters of said City and the officers for said election shall be, to-wit:

City Hall
Presiding Officers:
Presiding Judge — Milton Underwood
Alternate Presiding Judge — Hoover Pittman

The Presiding Judge at such election shall appoint two clerks.

Section 3. That said election shall be held in accordance with the Constitution and laws of the State of Texas, and all duly qualified resident electors of the City of Eastland, Texas shall be qualified to vote.

Section 4. That the ballots of said election shall conform to the requirements of Section 2, Subsection G, of Article 1066c, Vernon's Texas Civil Statutes (Acts 1967, 60th Legislature, Regular Session, Chapter 96, Page 62), and to the requirements of Chapter 6 of the Election Code of the State of Texas, as amended, and the language to be printed thereon shall include the following:

OFFICIAL BALLOT
INSTRUCTIONS: Place an "X" in the square beside the statement indicating the way you wish to vote.

For adoption of a one percent (1%) local sales and use tax within the city.

AGAINST adoption of a one percent (1%) local sales and use tax within the city.

Section 5. That election judges and clerks are directed to comply with Article 6.06, Election Code of the State of Texas, as amended (Section 2 of House Bill 181, Acts 1967, 60th Legislature, Regular Session, Chapter 452, Pages 1026, 1028), which provides that a square shall be placed beside each proposition in which the voter is instructed to place an "X" or other clear mark to indicate the way he wishes to vote; but which also provides that failure of a voter to mark his ballot in strict conformity with the directions on the ballot shall not invalidate the ballot, and the ballot shall be counted if the intention of the voter is clearly ascertainable, except where the law expressly prohibits the counting of the ballot. It is specifically provided that the election officers shall not refuse to count a ballot because of the voter's having marked his ballot by scratching out the statement of proposition for which he does not wish to vote.

Section 6. That notice of the election hereby ordered and called shall be given: (a) by publication on the same day of two successive weeks in a newspaper of general circulation published within said City, the date of the first publication to be at least twenty-one (21) days prior to the date set herein for such election; and (b) by posting of such notice at the polling place in each of the election precincts of the City not less than twenty (20) days prior to the date set herein for such election. It is hereby found and determined that the Eastland Telegram is a newspaper published within the City of Eastland, Texas and is a newspaper of general circulation within said City.

Section 7. If any provision of this ordinance is held invalid, such invalidity shall not affect other provisions of such ordinance which can be given effect without the invalid provision, and to this end the provisions of this ordinance are declared severable.

Section 8. That the City Charter of the City of Eastland, Texas provides that an ordinance providing for election may be passed as an emergency measure and if the local sales and use tax will be collected on behalf of the City for the fourth quarter of 1969 unless all procedures required under said Article 1066c have been complied with prior to the beginning of the third quarter of 1969, receipts from which tax for such fourth quarter are needed for the benefit of the public property of said City, an emergency as defined in such City Charter is created, necessitating that this ordinance become effective at once, and it is accordingly ordained that this ordinance become effective immediately upon its passage in such cases is made and provided by the charter of the City of Eastland.

UNANIMOUSLY PASSED AND APPROVED, this 5th day of May, 1969.
FRANK DEATON, Chairman, Board of Commissioners.
ATTEST:
LEWIS TINER, (Secretary) (Clerk)

UNANIMOUSLY PASSED AND APPROVED, this 5th day of May, 1969.
FRANK DEATON, Chairman, Board of Commissioners.
ATTEST:
LEWIS TINER, (Secretary) (Clerk)

NOTICE OF SALE
\$130,000 CITY OF CARBON, TEXAS, WATERWORKS SYSTEM REVENUE BONDS, SERIES 1969

SEALED BIDS will be received by the City Council of the City of Carbon, Texas, at the City Hall until 8:00 o'clock P.M., on the 23rd day of May, 1969, for the purchase at not less than par of any or all of the hereinafter designated blocks of the City of Carbon, Texas, Waterworks System Revenue Bonds, Series 1969.

THE BONDS will be dated March 1, 1969, will mature on January 1 in each of the years 1971 through 2009, and will bear interest at such rate or rates specified by the bidder, provided that no bid to purchase all or any portion of such bonds in blocks as specified below at an interest cost in excess of 5 per cent per annum will be considered.

Bids will be considered on the following basis:
(a) \$15,000 maturing 1971 to 1980, inclusive;
(b) \$10,000 maturing 1981 to 1985, inclusive;
(c) \$14,000 maturing 1986 to 1990, inclusive;
(d) \$16,000 maturing 1991 to 1995, inclusive;
(e) \$21,000 maturing 1996 to 2000, inclusive;
(f) \$54,000 maturing 2001 to 2009, inclusive;
(g) . . . or any combination of the above blocks for the entire issue.

Subject to the foregoing maximum net interest cost, bidders may name the interest rate or rates for each block of bonds or the entire issue in multiples of 1-10 or 1-8 of 1 per cent. Bids for the entire issue of bonds will be accorded preference over bids for individual blocks, except where the sum of the bids for all of the individual blocks results in a lower net interest cost for the entire issue.

The Farmers' Home Administration proposes to buy these bonds at par plus accrued interest at the rate of 5 per cent per annum, provided no other bid is submitted within the limitations mentioned. (The bonds are special obligations of the City, payable from and secured by a pledge of the net revenues of the City's Waterworks System to be constructed with the proceeds of the bonds.)

THE SUCCESSFUL BIDDER will be furnished, without a cost, the approving opinion of Messrs. Dumas, Huguenin and Boothman, Bond Attorneys, of Dallas, Texas. A copy of the official Notice of Sale for this issue may be obtained from the office of the City Secretary at the City Hall, City of Carbon, Texas. A Statement of Essential Facts may be obtained from the City Secretary.

CITY OF CARBON, TEXAS
By CLINT BURTAIN,
Mayor.

Lydia, Martha
Circles Meet In
Ray Lake Home

The Lydia and Martha Circles of the WSCS of First United Methodist Church met on Thursday morning in the Lake Leon home of Mrs. Harold Ray.

Present were Meses. M. A. Clyatt, Hattie Baker, Herman Hassell, T. M. Collie, Ed F. Willman, W. F. Daveport, Ima Jordan, Frank Sparks, I. C. Heck, Walter Rice, Y. A. Wright, Claud Boles, Earl Bender and Kay and Miss Judy Has-

AN EL PASO man died and his granddaughter was injured in this car near Cisco early Tuesday.

Man Dies, Woman Hurt In Highway Accident

An El Paso man was fatally injured and his 22-year old granddaughter suffered multiple cuts and bruises in a one-vehicle accident two and a half miles east of Cisco on U. S. Highway 80 at 7 a.m. Tuesday.

Dead was Andres Carreon, Sr., 67, of El Paso, who was pronounced dead soon after being taken to the Graham Hospital in Cisco by a Rust Funeral Home ambulance.

Miss G. Greselda Rojo of 1504 Chelsea, El Paso, the granddaughter, was a patient at the Cisco hospital where she was receiving treatment for cuts and bruises. She was not believed to be in serious condition.

Highway Patrolmen Bob Rivers and George Mayben of the Eastland office, who investigated the accident, said the car, a 1969 Volkswagen, was headed west. It left the highway on the south side and struck a brick roadside abutment. The car was a total loss, Mr. Rivers believed.

Cause of the accident was not immediately determined. A light rain had been falling since about 7 a.m. The car was picked up by Claude Tucker Garage of Cisco.

Mr. Carreon, who was a native of Mexico and a naturalized citizen of the U.S., died of internal injuries, the hos-

secretary, read minutes of the previous meeting and called roll, which members answered with "Truth is funnier than fiction".

Mrs. Ruth Poe Herring, program chairman for the Music Week program on May 5, asked each member to bring a guest to the meeting. A guest pianist will present

"I Hear Music".

Attending were Meses. Wayne Caton, J. M. Cooper, Maurice Dry, Gregory, H. L. Hassell, Herring, Kinnaird, Rudolph Little, Aileen Raymond, Rhodes, Smith, Dea Gordon, Don Massingill, and Eddie Simms; and Meses Ver-na Johnson and Judy Hassell.

Camelot Is Slated At College This Weekend

"CAMELOT," the Lerner and Loewe musical version of the legend of King Arthur, will be the next attraction at the Cisco Junior College Auditorium, opening on May 9. The play, whose heart-stricking poignancy gained worldwide attention in the days immediately following the tragic death of John F. Kennedy, is being presented by the combined efforts of the drama, speech, music, and art departments of CJC, and will be presented on Friday and Saturday, May 9 and 10 at 8:00 p. m. in the Harrell Fine Arts Auditorium.

This re-telling of the oft-told tale of the medieval King Arthur and his knights of the Round Table (and the Queen Guenevere who changed the shape of a triangle) has been based on T. H. White's best-selling novel recounting the legend with twentieth century wit and grace, called "The Once and Future King." The musical comedy version that Lerner made from the novel comes here under the direction of Tom Kinney and produced by Fred Mullinax, with musical direction by Beverly Condray and Alton Roan, with records of a highly successful run of 25 months on Broadway and a remarkable triumphant tour of the prin-

cipal cities of America, where audience, paid in an unprecedented \$80,000 or more week after week at every box office.

Mr. Lerner's story begins with the first meeting of the youthful King Arthur and the beautiful Guenevere, when neither knew they had already been betrothed. It traces their days of happiness together and the events that led to Arthur's bitter failure to achieve his dream of perfect peace and order for his kingdom, due to the villainy of Sir Mordred and the traitorous love of Guenevere and Arthur's bravest knight, Sir Lancelot.

Entwined through this romantic legend — basis for Tennyson's "Idylls of the King," Mark Twain's "A Connecticut Yankee at King Arthur's Court" and a thousand fairytales and troubadours' chants are some of Frederick Loewe's most lyrical song hits, including "If Ever I Would Leave You," "C'est Moi," "How To Handle A Woman," "What Do Simple Folk Do?" and the title song that was a favorite of President Kennedy, especially in its line, so prophetic for himself, "Don't let it be forgot, that once there was a spot, for one brief and shining moment that was known as Camelot."

Rehearsing scenes in Camelot, the production planned at Cisco Junior College May 9 and 10, is shown above. The program is regarded as entertainment for the entire family.

The twenty scenes of the show, being spectacularly built and painted by Drama and Art students assisted by Miss Sue Ellis, depict the fabled towers of "many-towered" Camelot and its environs, including the jousting field, a forest ruled over by a sleek and sultry witch, the Great Hall and chambers of the castle where the courtly knights engage in the arts and practices of chivalry, and sometimes fall short of their ideals.

The royal couple who rule over Camelot will be portrayed by Oscar Garza and DeLena Fall as Arthur and Guenevere. The valorous knight,

Sir Lancelot, who can vanquish all foes, yet falls victim to his love for the King's wife, will be played by Dwain Fall. Kyle McClarron (Bellinore) will be seen as a medieval version of Colonel Blimp and "Smoky" Issac will be seen as the famed magician, Merlyn. Arthur's natural son, for his father's downfall, will be played by Randy Haynes. Judy Briney (Morgan Le Fay) will be the seductive witch and other knights and ladies brought to life from the old tapestry onto the stage of the CJC Auditorium will be Tim Hart, Gary Morris, Jim Suidara, Mark Richardson, Jean Simpson, Marsha Seale, Pat Sinex, and Knox Todd, a student from Breckenridge Junior High, who plays the part of the young boy who symbolizes Arthur's hopes and aspirations. Also portraying the knights and ladies will be the CJC choir and chorus under the direction of Miss Condray. The musical spectacle will be presented May 9 and 10, and admission will be \$1.50 for adults and \$1.00 for students and children. "CAMELOT" is a show which has appeal for the entire family, old and young alike.

Housing Workshop To Be Held in Eastland' 13, 20 and 27

The Eastland County Agriculture Extension Service is sponsoring a three afternoon Housing Workshop which will be held in Eastland on Tuesday afternoon, of May 13, 20, and 27th.

Mrs. Janet Thomas, County Home Demonstration Agent, extends a special invitation to interested men and women throughout the county to make plans now to attend one or all of the special programs.

On Tuesday afternoon, May 13 starting at 2 p.m. until 4 p.m., the program will be on kitchen planning and arrangements. New trends in styling and design will be discussed by representatives of the St. Charles Custom Kitchens. Mr. William Gedney, of Dallas, and Mr. Emil Test, of Fort Worth will be program speakers at the meeting.

St. Charles Kitchens are widely known for their beauty and quality. The program on May 20th

will be on the selection of carpeting and quality furniture. Conclusion of the series of Housing programs will feature home lighting, indoor and outdoor.

The Housing Workshop will offer informal sessions with an opportunity for you to ask questions and see examples. The public is invited, and the Workshop sessions are free.

Land owners will be dinner honorees

The Fort Wolter Command will host a Texas-style barbecue Saturday, May 17, to honor the area land owners who allow the Army Primary Helicopter School to use their land for flight training purposes.

The program will begin at 3:30 p.m. at Dempsey Helport, and will include aircraft displays and flight demonstrations and a band concert in addition to the barbecue.

VFW Auxiliary Installs For Coming Year

The Ladies Auxiliary of VFW Karl and Boyd Tanner Post 4136 installed officers Thursday, with the immediate past president, Modell Daniel, conducting the service.

New officers installed were Bertha Mae Coulter, president; Modell Stroud, senior vice-president; Modell Daniel, junior vice-president; Modell Oney Stroud, secretary; Ruth E. Aston, treasurer; Eula Craven, chaplain; Zona Nash, guard; Lwanda Daniel, conductor; Vera McIlvain, three-year trustee; Mary Wood, two-year trustee; Martha Cashion, one-year trustee; Evelyn Fox, flag bearer; Carrie Mae Reese, historian; and Joy Lynn Maynard, patriotic instructor.

Mrs. Varge Daniels will be hostess for an all-day meeting and covered-dish salad luncheon for the Eastland Art Club Thursday.

Each member is asked to bring her work for the day and a salad.

Sociologist Encourages Community Betterment

Spring Thursday nights are traditionally busy in Eastland County with meetings, banquets, baseball, etc., but a small group of 35 this past Thursday night heard a "missionary of common sense" in a small gathering.

It wasn't in a church, chamber banquet or P-TA meeting — but touched all these things, as Sociologist Reagan Brown laid it on the line and told it like it is.

By invitation, the listeners gathered at the White Elephant Restaurant for dinner, as guests of West Texas Utilities Co. and Texas Electric Service Co. Brown heads the Extension Services Texas Improvement Program, sponsored by the 12 utility companies in the state.

County Agent DeMarquis

Gordon was in charge and introduced Brown, who teaches Human Behavior at the University of Colorado in the summer.

Recently named the Outstanding Man in Agriculture by the Progressive Farmer, Brown bore down hard on what's wrong and what's right with our nation in his slide-equipped speech which was salt and peppered with humor.

His organization has helped Re-Open over 100 abandoned churches in the rural area of Texas, and though the Texas Community program is pumping new life into what has become a dying area. "70% of the Texas people have left the country and moved into 23 metropolitan areas," he said.

Sociologist Brown listed the four basic wants of man: recognition, response, new experience, and security. "The Improvement Program is helping satisfy these needs," he said. Nimrod has been a participant for many years, as have several other communities in the county, and renewed emphasis in the program was stimulated with the talk.

Advances are being made so fast Brown said it's hard for the human element to keep up (97 per cent of the crops today were not known ten years ago," he said. "To industrialize, we must first stabilize — stabilize our methods, our traditions and our declining rural populations," Brown said.

Speaking up young people, he said that there's nothing wrong with the kids. "There's plenty wrong with some parents, some school people and some preachers, who are not providing leadership." A co-writer of Gov. Preston Smith's inauguration speech, Brown hit hard on law enforcement and public apathy. Relating the story of the Baylor co-ed who was recently attacked, raped and murdered, he commented that the first reaction by many was that "The poor boy didn't know what he was doing." — "Like hell, he didn't!" Brown said. We've got to make it safe in our streets, and put a ladder in every classroom for all who want to climb as high as they want — not by kicking somebody else off the ladder, but by climbing above them.

Following the meeting, preliminary arrangements were made to have this man with a

busnel of enthusiasm return to speak to a larger group in this county. He's described as a forceful salesman, a top-notch evangelist for community building and a fighter against such tremendous odds as apathy and indifference.

Those attending were: Mr. and Mrs. Jack Cozart, Mr. and Mrs. Ross McCaghren, Mr. and Mrs. Herman Schaefer, and Mr. and Mrs. Dan Jackson, all of Nimrod.

Mr. and Mrs. B. O. Speegle and Mr. and Mrs. P. M. Ray of Scranton.

Mr. and Mrs. W. C. Tankersley and Mr. and Mrs. H. C. Pounds of Morton Valley.

Mr. and Mrs. J. C. Clearman of Kokomo.

Mr. and Mrs. Pat Moseley and Mr. and Mrs. Gilbert Cop-

eland of Oiden.

Mr. B. A. Butler, Mr. A. D. Jenkins, and Mr. Jay Beavers of Rising Star.

Mr. H. V. O'Brien and Mr. Ben McKinnis of Eastland.

Mr. Gene Rhodes of Rising Star.

Reagan Brown, Extension Sociologist, Texas A&M.

Delta Kappa Gammans Initiate 2, Honor Founders At Final Meeting

By Mrs. E. C. LLOYD

With a degree of pardonable pride, two sisters, Mrs. Opal Little of Eastland and Mrs. Mary Anderson of Gainesville, watched the third member of the trio of sister teachers, Mrs. Marie Mehaffey, as she was initiated into the Beta Upsilon chapter of Delta Kappa Gamma at Ranger, May 3, in the Savings and Loan Building.

The other initiate was Miss Frances Warden, elementary Ranger teacher who was escorted by Anna McEver, Vows of membership were administered by Mrs. Lois Marshall of Eastland, president of the

Eastland-Shackelford County organization.

Following the initiation, Aileen Raymond, Ruby Frazer, and Evelyn Kirk paid tribute to the twelve founders of Delta Kappa Gamma as they stood behind a table containing 5 red and seven white candles fronted with a gold streamer with red letters reading OUR FOUNDERS. Mrs. Kirk read the following original poetic acrostic:

O is for Optimism—always essential

In visualizing a dream's potential.

U is for UNDERSTANDING of the need,

And courage to meet it and succeed.

R is for Resourcefulness—so necessary

In rising above the plain and ordinary.

F is for Fellowship—a foundation stone.

Of a tradition that we still carry on.

O is for the organization they helped start,

In which we are privileged to have a part.

U is for Unity—united they stood,

Working and planning for the common good.

N is for the Necessity they recognized

For this professional group to be organized.

D is for their Diligence in following through

On tasks necessary for them to do.

E is for Enthusiasm which added zest.

To their efforts to accomplish the very best.

R is for Recognition we wish to bestow

For what was begun 40 years ago.

S is for Service—our responsibility.

To our profession and our community.

As Mrs. Frazer and Kirk lighted the candles to honor each founder, Mrs. Raymond read a sentence tribute to each of the twelve.

The hostesses for the morning were Catherine Golemon, Anna McEver, Rose Deffenbach and Bertha Mehaffey. Refreshments consisted of coffee, hot biscuits, wafer sausage, home-baked muffins, & fresh strawberries, pineapple and grapes. The fruit formed the centerpiece as they were heaped high in a watermelon-shaped bowl surrounded with spring flowers.

Present from Ranger were Catherine Golemon, Anna McEver, Marie Mehaffey and Frances Warden.

Ruby Frazer, Opal Hearne, Ruth Poe Herring, Verna Johnson, Ethel Johnston, Opal Little, Lois Marshall, Bertha Mehaffey, Aileen Raymond, Paulah Smith, Imogene Haun and Nettie Thornton attended from Eastland.

Olive Schaefer and Dorothy Shook were present from Rising Star.

Cisco members attending were Miriam Bledsoe, Bernice Carter, Josephine Clements, Eugena Cotton, Pearl Donaway, Oneta Ferguson, Vivian Grantham, Lela Lloyd, Alice McCannies, Ruby Lee Pirtle, Louise Snoddy, Bertie StarR, El Gena Williams and Lois

WEATHER TIPS

By JAMES DABNEY
Official U. S. Weather Observer

TORNADO TOPIC

Last Year, Texas reported 140 Tornadoes. The tornado season is here, and knowledge of what to do if a tornado approaches may mean the difference between life and death for you and your family. The basic rules of tornado safety are outlined in a circular published by your Texas Department of Public Safety. For more information, contact your local city or county Civil Defence Director.

TORNADO TOPIC

When tornadoes are possible in an area, the weather bureau issues a tornado watch. Once a tornado has formed and its existence is known to the weather bureau, a public tornado warning is issued. A free circular of tornado safety rules has been prepared by the Texas Department of Public Safety and is available in your area. For more information, contact your local city or county Civil Defence Director.

TORNADO TOPIC

Any town in Texas can be struck by tornadoes. Advance action can save lives and reduce public alarm. You can learn about tornadoes and what to do when tornadoes threaten by reading a free circular prepared by the Texas Department of Public Safety. Learn the seven basic rules for tornado safety now. For more information contact your local city or County Civil Defence Director.

TORNADO TOPIC

Here's a tip on tornado recognition from your Texas Department of Public Safety. Tornadoes are usually seen as a dark Funnel-shaped cloud, spinning rapidly and extending toward the earth from the base of a thundercloud. When near by, a tornado sounds like the roar of hundreds of airplanes. Learn more about tornadoes by obtaining a copy of the free circular on tornado precautions from your local city or county Civil Defence Director.

TORNADO TOPIC

A tornado watch is used to alert the public to the possibility that tornadoes may develop over a certain area. A tornado warning means that a tornado has actually been sighted in the area or its presence has been detected by radar. When the weather threatens, the Department of Public Safety urges you to keep tuned to your radio or television for information. Do not call police, Civil Defence, or the weather bureau except to report a tornado.

TORNADO TOPIC

Texas is the nation's leader in total number of tornadoes per year. In 1968, there were 140 tornadoes in our state. Knowing what to do when a tornado approaches may mean the difference between life and death for you and your family. A free circular outlining the seven basic tornado safety rules has been prepared by the Texas Department of Public Safety. For more information, contact your local city or county Civil Defence Director.

Old Movies Of Thurber To Be On TV May 10

Old time movies of Thurber, just recently discovered after being in storage for over 40 years, will be shown on Channel 21, KPWT-TV at 2 p.m., Saturday, May 10 on the Frank Brewer Show. This show will also be carried live on Channel 7 in Mineral Wells and on an Abilene station just recently affiliated with 21, as well as other stations in North Texas and Oklahoma.

The films were discovered in an old warehouse at Thurber and were in such extremely bad condition that they had to be sent to Hollywood for processing. Of some 4500 feet discovered, only about 1-100 feet of film could be saved.

The films will be narrated by Lamar Haines, Director of Public Relations for Texas Pacific Oil Co. in Dallas. The films will also be shown at the annual meeting of the Thurber Historical Association which will take place June 7 and 8 at Thurber.

Whitaker. The Gamma Sigma Chapter of Gainesville was represented by the visiting Mrs. Mary Anderson.

HOSPITAL NEWS

The following persons were listed as patients at Eastland Memorial Hospital Wednesday:

Edgar McCollum.
Charles Day, Gorman.
W. A. Anderson.

EASTLAND — RANGER

STARTS THURSDAY 9:30 A.M.

Marker Is Planned For Site Of Kokomo School

The Official Texas Historical Marker to be placed near sites of Kokomo School will be erected on May 10, announced Mike Collins of Eastland, chairman of the Eastland County Historical Survey Committee.

The marker will be placed at site, intersection of FM 2689 and 2563, 7 mi. NE of Carbon. Dedication plans will be announced by Collins.

The cast aluminum marker

with Swedish steel effect measures 20 by 20 inches and is sponsored by Eastland County Historical Survey Committee.

This is the 9th Official Texas Historical Marker to be erected in Eastland County.

The inscription on the marker reads:

NEAR SITES OF
 KOKOMO SCHOOL
 First building erected in this once-thriving community was one-room log schoolhouse, 1856. Only furnishings were a stove and split-log benches. In 1899 better equipment was acquired and a larger (30' X 60') frame building was erected. In 1907 it was enlarged to two rooms. This school was consolidated with the Carbon school in 1949. (1969)

Lone Star Seeks Inter-Co. Hike

AUSTIN — Lone Star Gas Company today filed with the Texas Railroad Commission an application for an increase in the intra-company gate charge for residential, commercial and distribution unaccounted-for gas.

The company asked an increase from the present gate charge of 35.4 cents per thousand cubic feet of gas to 44.8 cents per thousand cubic feet.

When the Railroad Commission establishes the new intra-company gate charge, specific computations will be made for each Texas town. In those towns where earnings are deemed inadequate, individual rate action will be pursued with each town's ruling body.

OLD SABANNO CHURCH
... Scene of Many Happy Occasions

A Touch of Nostalgia ...

Sabanno Church Is Closed After Serving People Nearly Century

A country church that was Eastland County for some 85 years has out-lived its usefulness for many people in the Sabanno area and is being torn down and sold for salvage.

Regarded by many nostalgic residents as a typical "Little Church in the Wildwood," the Sabanno Presbyterian Church was disbanded due to the state of the old building and to small number of faithful members.

The building was sold to Burl Petree of Cisco, whose job of tearing it down for salvage is nearing the end. The church records, which list many names and preserve official activities for nearly a century, were boxed up and sent to the archives of the Presbyterian Presbytery at Trinity University in San Antonio.

The money in the church treasury, a modest amount, was sent to the Presbyterian Board of National Missions.

The huge metal bell that called members to worship and on special occasions over the years was bought by Clarence Stroebel, formerly of this area, for the Lutheran Church at Temple. It will serve a similar purpose there.

Edwin Erwin, a resident of Sabanno Community all of his long life and a member of the church all of his life, recalls that the building (pictured) was erected in 1913 to replace the earlier church.

"It was built by Higginbotham of Rising Star," he wrote. "They did a turn key job. Lots of changes have come about in the roads, the farms, and people that dwell in the community. C. E. (Chester) Green and I went together to Rising Star for the lumber for the church."

"Chester brought a four-horse load, and I brought only a one-team load. The roads were sandy and crooked through brushy lanes."

Over the years, Sabanno has had three churches, a community tabernacle, a three teacher school, a cotton gin, a telephone exchange, a drug store, doctor's office, blacksmith shop, barber shop, general merchandise store and a public well.

Today, Sabanno is a crossroads with a Baptist Church, a club house, and three or four residents.

Mrs. Edwin Erwin wrote a history of the church that tells its story with community background. Her story follows:

John Moss bought the old Anderson farm and moved to Sabanno in 1883. He gave land for the first cemetery and school built a year later. The school was first called Friendship and his daughter, Julia Moss, who became the mother of Mrs. S. H. McCaules of Cisco, taught the first term and had 16 pupils. They walked from as far as four miles to attend classes.

Church services were held in the school building with a Rev. Mr. Gattis, Methodist minister from Scranton, preaching once each month, and Rev. D. A. Knox, a Presbyterian minister, doing the same. The post office at that time was called Curtis and was located some three miles east of the present cemetery.

The Rev. Mr. Knox organized the first Presbyterian Church at Sabanno in 1888 with nine charter members. They were: Mr. and Mrs. J. C. Harris, Mr. and Mrs. J. S. Erwin, Mr. and Mrs. C. L. Lewis, Mr. and Mrs. G. B. Kelly and Nora Patton.

Some time thereafter a Presbyterian church building was constructed to the north of the cemetery. This congregation grew to become one of the strongest in the Abilene Presbytery. The building

continued in use until 1913. Names of some of the pastors who filled the pulpit regularly in those early days include: the Revs. D. A. Knox, E. D. Stockton, N. R. French, W. E. Green, W. M. Bennett, C. C. Bullock, S. Lee Shell, J. R. Gaines and S. P. Collins.

Sent out from the church as ministers, lay-leaders and evangelistic singers were: Garland and Bernie Shell, sons of an early pastor; Chester E. Green, who pastored numerous California congregations and served as executive secretary of the Board of National Missions in that state until his death in 1949; Horace F. Erwin, who for 40 years was an evangelist singer of national renown, until his death in Providence, R. I. in 1958.

A highlight of the little church's history was when the Abilene Presbytery met at Sabanno in 1906. Records reveal this convocation attracted "the largest number of delegates in years."

The Rev. Lee Shell gave the welcome address and pointed out that the Sabanno church had a large group of young people and an active Y.M.C.A.

The congregation grew and in 1913 Liberty Presbyterians consolidated with it. A new building was erected at Sabanno with the Rev. A. Crane as pastor for a while. He was followed by the Rev. S. P. Collins, widely loved and respected both as a minister and educator. Other pastors in order were: the Rev. J. H. Howell, Rev. Chalmers Kilbourne, and then the Rev. Collins again.

Later the Methodist Church was moved from Sabanno to Earnes Chapel and their members in the community joined with the few remaining Presbyterians. Together they maintained a union Sunday School and had alternate pastors of Methodist and Presbyterian faiths. The Rev. W. C. Crawford, present Methodist pastor at Cross Plains at-

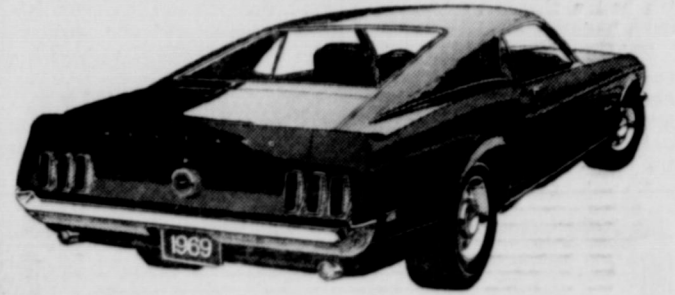

tended church here in his boyhood, as did the Rev. Albert Gage, now Baptist pastor at Lubbock. There were the Rev. Mr. Little, a Methodist pastor who was widely loved, the Rev. A. C. Evans, a Presbyterian, Rev. Ralph Cooper, a Methodist, Rev. M. Slaton and then the last pastor, the Rev. Harold G. Wise. The church which had originally started with nine charter members and had grown to as many as 60, was by this time down to seven and never again had a fulltime pastor.

Some of the remaining members will affiliate at Cross Plains and others will go to Cisco.

Older members reflect upon memories of the little church building as time for its demise arrives. They point out that through the years it stood undamaged by fire or storm, save for one memorial window being broken by hail in 1962. The original two acres dwindled with Highway 206, which runs nearby, taking about one-fourth of it. Money from sale of the building will go to the Board of National Missions and the church bell will hitherto toll for Lutherans, leaving only a memory of the physical properties. Within the hearts and souls of three generations of men and women who attended services at Sabanno, the little church will live on, though, and its tenets of Christian stewardship will remain a lasting memorial.

Mustang SportsRoof price reduced

\$17346*

And that's only for starters. We'll reduce prices even more when we write up your deal.

The hot-selling Mustang SportsRoof is priced \$119.46 below the 1968 model and in addition we can now save you \$54.00 on the options you'd probably buy anyway: hood air scoop, E78 special profile whitewalls, dual racing mirrors, tape stripe, and wheel covers. And that's merely the start of your savings. Just wait till you hear our deal. Come in today.

Seniors 'Do Own Thing' In Breakfast Event Here

The Seniors of Eastland High School were guests of honor at a Thursday Morning breakfast given by the Women's Society of Christian Service of the First United Methodist Church.

Mrs. Ed Elbridge, president of WSCS, was mistress of ceremonies for the breakfast which had a theme of "Do Your Own Thing."

Tables were laid with white and centered with paper-mache flowers and lady-bugs. The backdrop behind the speaker's table was painted white and decorated with psychedelic paints. Black lights were

used to make the scenery and decorations glow.

Students, who were dressed as their dream characters, provided the program by "doing their own things."

For instance, Ronnie Nash realized his dream of "running fingers" through Mr. Charles Marshall's hair; Dean McDonald was the Jolly Green Giant, costume and all; and James Patton walked around kissing girls.

Janie Huffman added a serious tone to the program. Her "thing" was religion and she read a beautiful poem.

Martha Circle Of CWF Meets

The Martha Circle of the CWF of the First Christian Church met Monday in the educational building of the church.

The opening prayer was led by Mrs. Juel Browning, who also conducted the business meeting. Plans were made concerning the meeting of the CWF general council May 5th, with Mrs. Evelyn Daniel as hostess, assisted by other members of the morning group.

Mrs. Daniel brought the lesson, a bible study from the book "God's interpretation" by Chas. Allen. The lesson was on prayer with special attention to the Lord's Prayer, which was prayed in unison by all. Explanation was made beautifully of the true meaning of "Our Father which art in Heaven" using scriptures from John, Romans, Isaiah, Matthew, Luke, I Corinthians, Psalms.

Then she explained the real meaning of "Hallowed be thy name" using scriptures from Exodus, Isaiah, Matthew, Psalms, Luke and Mark.

The study will be continued at the next meeting, May 12.

The worship was conducted by Mrs. Leroy Maxwell, entitled "uphill climb" using scripture from Mark 16:14-20. She explained that it takes more effort to live a christian life than other ways of life. The offering was taken, and treasure's report was given. The meeting

Mrs. Hastings Hosts Flatwood HD Club Meet

The Flatwood Home Demonstration Club met Thursday in the home of Mrs. Nina Hastings.

Mrs. Fannie O'Brien, president, called the club to order and read the motto, creed, and prayer. Mrs. Hastings read the devotion, Proverbs 17:25.

Mrs. Pete Tucker called the roll, which members answered by giving suggestions for the 1970 yearbook. Mrs. Guy Sherrill led the group in singing, "The More We Get Together." The club voted to contribute \$5.00 to the cancer fund.

The program, "Outdoor Cooking," was given by Mrs. Sherrill.

Mrs. Hastings led the recreation, "Guess Again."

Mrs. Fannie Lockhart was a guest at the meeting. Members present were Mrs. O'Brien, Tina Graves, Jess Kavanaugh, Horn, Genoa Brown Marcus Greiger, Sherrill, Tucker, Martha Cashion, and Hastings.

closed with the missionary benediction.

Refreshments were served to Mrs. Bassett, Meek, Freyschlag, Maxwell, Juel, Browning, Varge Daniel and Eugene Williams, by Mrs. Maxwell.

California has within it boundaries all the various climates of North America.

THE PEANUT REPORT

CHAPTER I — THE PEANUT INDUSTRY IN THE UNITED STATES

U.S. PRODUCTION

In the United States, peanut production is divided into three geographic areas by the United States Department of Agriculture. This division is based largely on

the main type of peanut grown in each area: The Virginia-Carolina area producing Virginia types; the South eastern area producing Runner, Spanish and Virginia types; and the Southwestern area producing Spanish types 1. The states included in each of these areas are as follows: Virginia-Carolina area - Virginia and North Carolina; Southeast area - South Carolina, Georgia, Florida, Alabama, and Mississippi; and Southwest area Oklahoma, Texas, and New Mexico.

For 1968, the U.S.D.A. estimates the U. S. peanut crop at 2,485 million pounds -- 12 million pounds or 0.5% over 1967 production and the largest crop on record. In 1967, 1,408,000 acres were utilized for the production of peanuts. By areas, 1968 production is estimated at 639 million pounds, 25.7% of total U.S.

production, in the Virginia-Carolina area, 1,229 million pounds, 49.5% of total U.S. production, in the Southeast area and 617 million pounds, 24.8% of total U.S. production, in the Southwest area. Late rains in the Virginia-Carolina and Southwest areas resulted in lower production in 1967 than in 1966 for these two areas.

Table I shows the substantial growth that has occurred in U.S. peanut production since 1931. From an average annual production of 997 million pounds for 1931-35, production has increased to a record 2,435 million pounds in 1968. The Southwest area has more than doubled its share of total U.S. production during this period, moving from 11.1% of total production for the 1931-35 annual average to 24.8% for

1968. During this period, the Southeast area has remained relatively stable in its share of total production and the Virginia-Carolina area's share has dropped from 39.3% to 25.7%.

The U.S. Department of Agriculture has supported the price of peanuts to growers since 1934 when peanuts were designated as one of the six basic crops under the Agriculture Adjustment Act. Acreage allotments must not be exceeded for a grower to be eligible for price support. Except for the years during and immediately following World War II when allotments were suspended to encourage production for oil use, there has been relative stability in the number of acres under production.³
