Search Intensifies for Trio Who Breaks County Jail Tuesday

JAILER JOHN SHOOK
... vacation interrupted

SEE EDITORIAL ON PAGE 3

The manhunt, just north of Eastland continued and was being intensified Wednesday as an Army of lawmen search for the three Eastland County Jail escapees — one of whom has vowed: "I'll never be taken alive."

"A good trail" was reported by a lawman early Wednesday, commenting on the use of bloodhounds in connection with aerial surveillance in the gigantic search for the trio of convicted hoodlums who broke out of jail Tuesday.

The search began after the three knocked Sheriff L. E. Sublett unconscious and fled in his radio and arsenal-equipped car. On horseback, on foot and on every farm road, the search intensified.

Tuesday's break was the second in four days. Officers concentrated their hunt in the area around Eastland Lake after Lt. Control Board Agent L. D. Adams spotted the stolen vehicle abandoned near there on the tributaries of the Leon River.

The escapees were known to be armed with a shotgun, pistols and teargas.

The trio included Harvey Dale Webb, 32, convicted rapist and armed robber, once described himself as the "Clyde" of a "Bonnie and Clyde" gang. He told his Eastland court-appointed attorney here after his recent conviction in which he got 75 years in the state pen: "If I ever get my feet on the ground again, they'll never bring me back alive. I may go to a funeral home, but I'm not going back to jail."

The other two escapees are Wayne Baird, 18, of Abilene and Donald Gene Richardson, 22, of Sweetwater, who were convicted in 91st District Court Tuesday morning. Baird got nine years for burglary and Richardson, seven years for felony theft.

Baird was convicted for the burglary of the Housing Authority in Cisco.

The break came about 3:15 p.m. after City Patrolman John Morren and Sheriff Sublett returned Richardson and Baird to the County Jail about 2:35 from the Court-house. (Jailer Custodian John Shook and his wife were on vacation, but have reported back to duty).

Rising Star Affiliating With E.C. Newspapers

Effective June 1, the Rising Star, one of Eastland County's oldest newspapers, will become associated with Eastland County Newspapers Co. and be published in its plant.

Star Publisher B. A. Butler will assume duties as editor and manager of the Cisco Press; on that date, according to H. V. O'Brien, publisher of the Press, Eastland Telegram and Ranger Times, which comprise Eastland County Newspapers Co.

Mr. Butler will continue to edit and manage the Rising Star newspaper.

In Cisco, Mr. Butler will replace long-time Editor and former publisher J. W. Sitton who is retiring to devote more time to book publishing and other interests. Mr. Sitton will continue to be available to the newspaper for special projects and feature writing.

"We are especially happy to add Mr. Butler to our organization," O'Brien said, "because we know him to be a skilled and respected newspaper man. He is highly qualified and will serve the people in Cisco well."

Mr. Butler served as editor and publisher in Cisco several years ago, and was manager of the Cisco Chamber of Commerce before purchasing the Rising Star Record about 20 years ago. The newspaper name was shortened to the Rising Star two years ago.

LOCAL VOTERS will decide on Thursday, June 5, if Eastland is to have the additional one-cent sales tax. The state presently collects a three-per cent tax and most cities in Texas have already added the 4th cent as a means of increasing revenue to operate city facilities. Eastland hasn't had the local portion, but it is now being recommended because the city needs it for present & coming needs. If passed, the new tax would be on the same items as now taxed by the state on the 3 per cent basis. The same items would be taxed and the same items would be exempted. The rate would just be increased. (You remember, the state's first sales tax was for two per cent, which was upped to three).

THE KEY numbers to remember under the four-per cent rate is 13, 38, 63 and 88. If the cost of a taxable item is 13 cents through 37 cents, the tax rate is one cent; if the cost is 38 through 62 cents, the tax is two cents, the cost is 63 through 87 cents, the tax is three cents; if the cost is 88 cents through \$1.12, the tax is four cents. Pony League Opens Season Saturday Nite

The Eastland County Teen Age Baseball season will open at 6 p.m. Saturday, May 31, at Fireman's Field in Eastland.

Each team manager, coach, and players will be introduced.

Teams will play three innings of baseball, with the Ranger Sox and Eastland Greenbacks playing first. Other games will feature Cisco Panthers vs. Eastland Blue Sox; Cisco Cats vs. Ranger Hawks; and Carbon Wolverines vs. the winner of the first game.

Support your teenagers by attending this program.

Maybe you don't need Insurance—
... and possibly you don't if you are financially able to look out after yourself. But for the most of us, we are just a little bit afraid to take the risk so we buy insurance. Modern living has become so complex that the protection of property against its many hazards is a major problem and we should be insured. THE VOICE OF THE TURTLE (An Editorial)

"The time has come," the turtle said, "to talk of many things..."
Like climbing out of our complacent shell, perhaps. Five men have busted (BUSTED) out of County Jail here this week, and a county official was injured. Other lives were in danger. A dangerous manhunt ensued. One of the breaks was by stealth and the other by brute force. In either case, had things gone differently, even the slightest, there could have been some people killed. Neither of the escapees were jay-walkers.

It might be foolish to lock the barn after the horse is gone — BUT.

Some are saying "We need a new jail." (The first escapees punched a hole through the roof with a broom handle). Perhaps we do need a new jail — but there are some other things we need before we get it.

For one thing we need to quit keeping prisoners in the one we've got so long. The two who busted out Sunday were put in jail in January, had been indicted, but had not even been arraigned in court, must less tried. Sure they were tried in another county one day and returned here. They were imprisoned for at least five months in this county. The Constitution guarantees a speedy trial. Our court isn't that flooded with cases and this 1898 jail wasn't built to hold a man that long.

In the second break, one of the men had been sentenced to 75 years in this county. He was being held, before being transferred to the penitentiary, "To see if any other counties wanted him..."

And another thing we need before we get a new jail, is more officers in the sheriff's department. The County Commissioners' Court has turned deaf ears to repeated pleas for more deputies. The Sheriff's Department could have easily been wiped out Tuesday.

As a John Doe citizen you get kinda tired of wondering if some hood is going to break your back door down some night.

But let's not point fingers. Really, whose fault is it? Yours... and mine. We get no better than we demand. If we're serious about more vigorous prosecution of criminals, swifter movements of prisoners into and out of our antique jail, and an adequate sheriff's department, we're going to have to be heard.

The wheel that squeaks the loudest gets the grease. If we're ever going to change Eastland County's image as a joke on justice, we'd better start squeaking — to our Commissioners, in our grand juries, and to our judges. We're going to get no better than what we ask for.

It's time the voice of the turtle was heard.

Lions Hear Tape Of FBI Agent's Remarks on SDS

A tape-recorded speech by an FBI agent describing the dangers to this country by a minority element of college and university students who are members of "new left" movements such as the Students for Democratic Society (SDS) was program for members of the Eastland Lions Club at their regular luncheon meeting Tuesday at the White Elephant Restaurant.

Program Chairman Wendell Siebert recorded the speech at a recent area teacher meeting at which the top Washington-based agent was the principal speaker. Describing the methods and dangers involved, the agent emphasized that the unrest is coming as a result of "allina-

tion" between students and their parents, and urged adults to "listen to the young folk; to make them a part of the program and a part of the solution to the nation's ills."

These SDS students and others advocating over-throw of the establishment offer nothing in substitute; their only creed is the destruction, the agent said. Wrongs must be corrected under law and order, he said.

President Jeff Glazner presided and read letters of appreciation from youngsters who have recently received glasses compliments of the local club. Guests included Former Club Sweetheart Mary Ann Turner and James Smith, prospective member.

A plaque of appreciation was presented to James Reid in recognition of his hosting the club's recent family night fish fry and officer installation at his lake cabin.

Christian Science Topic Reported

The Christian Science Bible Lesson-Sermon Sunday June 1 recalls Paul's timely advice to the Romans: "The night is far spent, the day is at hand; let us therefore cast off the works of darkness, and let us put on the armour of light." The subject of the sermon is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, De-nounced."

Another passage in the lesson, from Science and Health with Key to the Scriptures by Mary Baker Eddy, explains: "The Christian Scientist demonstrates that divine Mind heals, while the hypnotist dispossesses the patient of his individuality in order to control him."

Services at First Church of Christ Scientist, Corner, Lamar and Plummer Streets, Eastland, are open to all and begin at 11:00 a. m.

YWA Honors Miss Frazier In Ceremony

The YWA of the First Baptist Church honored Miss Sheryl Frazier, bride-elect of Terry Treadwell, on two Wednesday evenings. On April 30, the group held a Bible Presentation Service during the regular prayer meeting hour.

At the front of the auditorium, there was a white clothed table centered with an arrangement of white carnations and a Bible. A single lighted candles was placed on one side of the table.

As the pianist, Miss Martha Brewer, played, the YWA members came to the front of the auditorium carrying lighted candles. The Rev. Haston Brewer, pastor, led the dedication service as Sheryl stood by the table. Terry joined her in the prayer dedicating their future home as a Christian home.

Mrs. Eddie Simms, WMU director, presented Sheryl with a white Bible to be used in the wedding.

Miss Terrest Herridge sang "Bless This House." Other Y-

Seedling Trees Now Available

COLLEGE STATION — Vacation planning, lawn mowing and gardening all signify Spring is here. They also serve to remind landowners that it's time to order tree seedlings for the winter planting season ahead.

Although seedling shipments will not begin until about December 15, tree planters are urged to get their orders in early this year to avoid disappointment.

Only 16 million slash, loblolly and shortleaf pine seedlings will be available from the Texas Forest Service nursery near Alto.

Regular slash, loblolly and shortleaf pine seedlings will sell for \$6.18 per thousand, which includes the state's sales tax.

A limited amount of higher-quality slash and shortleaf pine from seed production areas will sell for \$7.21 a thousand, tax included. The same price will prevail for drought-hardy loblolly pine seedlings from the Bastrop area.

Slash and loblolly pine seedlings, produced from seed collected from genetically improved seed orchards, are being offered at \$8.76 per thousand seedlings, including sales tax.

All prices quoted are F.O.B. Indian Mound Nursery near Alto.

Seedlings must be ordered in multiples of 100 and no orders for less than 500 can be accepted. Seedlings are not available for resale or for ornamental purposes.

Seedling applications and additional information may be obtained from local Agricultural Stabilization and Conservation Service and Soil Conservation District offices, from county agricultural agents and from the Texas Forestry Association at Lufkin. Applications also can be obtained from the nearest district headquarters of the Texas Forest Service or by writing the Director, Texas Forest Service, College Station.

Annual Lone Cedar Golf Meet Is Planned For June 6-7-8

Hab Simmons has announced that plans are progressing for the annual Lone Cedar Men's Invitational Golf Tournament scheduled for June 6-7-8. A number of entries have been received, including Roy Pearson who is defending champion.

This weekend is the Breckenridge Men's Invitational, details of these and other tournaments are posted on the Bulletin Board in the Pro Shop.

Several of our ladies played in Stephenville recently. The next event for them is a partnership on June 12th at the new Shady Oaks Recreational Center at Baird-Clyde.

Just a reminder that Tuesday is Ladies Golf Day and area newcomers and beginners are cordially invited to join the Golfettes. Tee-off begins at 10 a.m.

Eleanor Harper, Albuquerque, N. M., was guest of Margie and Charles Freyschlag. Other visitors have come from near and far—Denton to San

Antonio; North Carolina to El Paso.
So long for now, from the Tee Box.
