3 Killed In Major Crash On Hwy. 80 Thursday P.M.

An Eastland Countian and two West Texans are dead, a Monahans woman injured and a California man has been charged with negligent homicide as the result of a major highway crash involving three vehicles three miles east of Cisco on Highway 80 Thursday about 5 p. m.

Dead are Homer E. Williams 60, of Eastland; Douglas J. Mooney Jr., 29, of Pecos; and Eddie R. Rector, 24, of Fort Stockton.

Lawrence W. Organ Sr. of El Monte, Calif., has been charged with negligent homicide in Cisco Justice of the Peace W. L. Lewis' court by Investigating Highway Patrolman Bob Rivers. Judge Lewis set bond at \$2,500 which was posted about midnight Thursday, it was reported.

Mr. Williams, a well-known County rancher and quarter horse raiser, had lived in Eastland since 1953 and earlier before moving to Wink for

two years and then to Odessa for 17 years. While at Odessa, he owned and operated grocery stores.

Born June 1, 1908 at Athens, Tex., he married Mabel Horn Feb. 1, 1930 at Frederick, Okla., and was a member of the First Christian Church. The Williams family home is on the west side of Eastland on Highway 80.

Surviving are his wife; a daughter, Mrs. Bob Blair of Eastland; and three grandsons.

River's complaint charged that Organ was driving a car pulling a house trailer and attempted to turn left to make a U-turn. Williams was attempting to pass the Organ car and was forced to swerve into the opposite lane of traffic, colliding with the car driven by Rector. Rivers said Organ was not injured.

Meditations On the Resurrection:

Do You Want Power?
The four Gospels of the New Testament contain all we know about the life of Jesus Christ. These accounts are not alike. Matthew, Mark and Luke are similar in many ways, but John is very different from these three.

Coach and Mrs. Jerry Brock, Elaine Moseley, Gail Thomas, Kathy Parsons and Patsy Moseley attended the bi-district basketball game in Stephenville last Tuesday night.

Mr. and Mrs. Eddie Thomas have recently moved away from Olden. He was transferred to Springtown by the Lone Star Gas Company.

ROY LEE SMITH IS ELECTED ROTARY CLUB PRESIDENT

Roy Lee Smith was elected president of the Rotary Club during a business meeting held at noon Monday at Eastland Elementary School.

Other officers elected were John Whistler, vice-president; Charles Marshall, secretary; Len Layne, treasurer; Floyd Williams, sergeant-at-arms.

Williams and Grover Hallmark were selected new directors. Out-going president Joe Culpepper will also serve as director. Others on the board are Bernard Hanna and Pearson Grimes.

The club met at the school in observance of Public School Week in Texas.

We should never let this become a problem to us. These accounts were written several years after the death of Jesus by men who had different sources of information and wrote from different points of view. If four different men sat out today to write biographies of Franklin Delano Roosevelt, no two of them could possibly be alike. We would not expect them to be. The Gospels can be more readily believed because they are not identical accounts of the life of Jesus. There are, however, certain facts in the life of Christ that appears in all four Gospels.

For instance, the crucifixion and the resurrection of Jesus are described in all four accounts. But we find these constantly appearing items are not alike. There are differences.

We are in the Lenten season. Lent began on Ash Wednesday, Feb. 19. As we approach Easter Sunday and Eastertide our minds turn more and more toward the resurrection of our Lord Jesus Christ. The account of the resurrection of Jesus appears in each of the Gospels. But here again, we find that no two of these accounts are alike. There are many differences in them. These differences are too many for us to point out and discuss here. Even a casual reading of the Gospels reveals these differences.

Here again, we must be reminded not to become disturbed about them. They are there for the same reasons the Gospels themselves are different. The thing that matters most is that the Gospel record declares that Jesus rose from death. This was a truth about Jesus that all those who had known him in life held in common. This was the most important thing they knew about Jesus.

The resurrection was the fact that made the difference. Without the reality of the resurrection most all those who had known Christ would have forgotten him soon. Without the actuality of his rising from death their memory of him would have been shrouded in disappointment, but as it was, he was alive and among them. He had become their very assurance of life after death. Their Master's resurrection had brought them from death to life.

The reality of his resurrection was the source of their power to go out and persuade others to believe in him. The resurrection of Jesus was the story the early Christians were compelled to go out and tell. It was a story with power to change the lives of men.

Any discerning person can see that by and large the Christian religion does not have any real hold of power upon the lives of people. This may very well be true because we have let slip from our lives the real source of Christian power — belief in the resurrection of Jesus Christ.

The resurrection of Jesus is the hope and guarantee of our eternal life. Eternal life is not important to many people any more. There is a widely spread attitude that we should not be concerned about any kind of life after death when we have so many unsolved problems in this life here and now.

With the passing of belief in and concern for eternal life went the passing of a sense of the importance of the resurrection of Jesus, and with that went the passing of real Christian power. It may well be that the way back to Christian power in the life of the believing community is the way back to belief in the resurrection of Jesus.

Martha Circle Discusses Plans, Study Missions

The Martha Circle of the CWF of the First Christian Church met in the home of Mrs. Evelyn Daniel on Feb. 24.

Sentence prayers from each member of the group, opened the meeting during which plans for a meal for a bereaved family was finished. Report was made that curtains for the kitchen in the educational Building had been purchased. It was announced that the CWF would hold open house in this newly decorated building next Sunday afternoon, also members were reminded of the CWF meeting Monday, March 3 at 7:30 p. m. A guest speaker will bring the program. A new project was started during the meeting which was presided over by Mrs. Juel Browning.

Mrs. Daniel brought the lesson "Regional Awareness" which refers to South East Asia. A growing challenge to work together brought about the union of many denominations in what was named United Church of Christ. It was noted by the missionaries a need in the education of native personnel as missionaries for their own people. The United Nations have a program aimed at strengthening health, education and general welfare of the people of Asia.

Our participation in regional conferences (Disciples of Christ) is in some instances by Mr. and Mrs. Samuel G. Catli, long-time missionaries, and in some instances younger and sometimes native missionaries for example Samrit Wong Sang.

The Worship "Together under Christ's Lordship" was conducted by three of the members: Mrs. Joe Tow set the scene by explaining that if we look at a cross with ribbon streamers leading to several nations, we would see that Christ working through Christians is giving strength to each nation and to themselves. Mrs. Martha Williams brought the meditation, and a guided prayer was led by Mrs. Leroy Maxwell, which was used to dismiss the group. Refreshments were served to Mrs. Ben Bassett, O. L. Duckett, Leroy Maxwell, Joe Tow, Eugene Williams, Juel Browning and the hostess, Varge Daniel.

The Eastland Art Club will meet at 1:30 p. m. Tuesday, March 11, in the home of Mrs. Y. A. Wright, 506 South Oaklawn.

All members are encouraged to attend the meeting.

Eastland Lodge No. 467, A. F. & A. M., will confer a Fellowcraft Degree Tues. night, March 11th. The Lodge will open at 7:00 P.M. All Masons are invited to attend.

February 27**

As part of its observance of American History Month, On February 27, the Charles Crawford Chapter held a George Washington Tea in the home of Mrs. C. B. Rust. Co-hostesses with Mrs. Rust were Mmes. Robert Stewart, Alex Spears, Ruby Miller, Joe Clements, Cisco and Mmes. Amy Brown, Ranger and W. C. Brashear from Breckenridge. Guests were greeted by Mrs. Rust and Mrs. Spears, who in turn presented the guests to other members of the house party. Mrs. T. C. Williams registered guests, and directed the guests into the dining area for refreshments.

Decorations in keeping with the patriotic theme were placed at focal points throughout the reception rooms. The table was covered with a handmade lace cloth, and featured a red, white and blue flower arrangement in an antique silver bowl flanked by candles in silver holders.

Refreshments consisted of tea and coffee served with ham and tea biscuits, small slices of smoked turkey, cookies, nuts, and mints. Mrs. Stewart and Mrs. Clements served the coffee and tea.

Music was provided by Mrs. Bill Austin and Mrs. Luke Thomas throughout the afternoon.

Christian Science

"The Lord God hath given me the tongue of the learned, that I should know how to speak a word in season to him that is weary; he wakeneth morning by morning, he wakeneth mine ear to hear as the learned." This verse is part of the Bible Lesson-Sermon titled "Mind," and will be read at 1st Church of Christ, Scientist, Lamar & Plummer Streets, Eastland, will begin at 11:00 a.m. Sunday.

One of the selections to be included from the denominational textbook is the following: "Mind is not necessarily dependent upon educational processes. It possesses of itself all beauty and poetry, and the power of expressing them. Spirit, God, is heard when the senses are silent" (Science and Health with Key to the Scriptures by Mary Baker Eddy).

'Two A Penny' -- A Review

This time, I said, there will be no slips of memory. I will cover this film preview with every gimmick the computer age can supply. So I armed myself with a tiny battery recorder, a fresh tape, a pen flashlight, a legal-sized lined pad and several dandy pencils. So equipped, I seated myself for a preview showing of the new World Wide color motion picture "Two A Penny."

As the audience waited for the curtain to roll back I thought, "Others are here for a blessing, or for entertainment, or maybe for both. I am here to work. No trances!" Then the curtain rolled back. Two hours later I emerged from my trance and looked at the electronic debris in my lap. Nothing written, nothing recorded. I put it back together and made my way to the exit, my mind somewhat in

the tangled state of Charlie Brown's kite. Gradually the emotional recoil of "Two A Penny" diminished, and I was able to form some questions. What was the film all about? What was the major premise?

In a subtle and penetrating way, I decided, the story was about Jesus Christ. He was the motivator; he was the catalyst; he was the hero. Cliff Richard, the British pop singer, played a part. So did Dora Bryan, Avril Angers and Ann Holloway. Billy Graham also played a key part; but the leading role was taken by a man who never appeared.

Christ was the adversary against whom young Jamie Hopkins battled for nine reels. Christ was the Hound of Heaven who stalked his young quarry through London's pubs and alleys and clip joints and Earl's Court until finally he cornered him in a bombed-out church.

Christ walked silently into the gentle heart of a young shoppier. He raised in her an Arabian thirst, then fed her from his springs until her life became a watered garden. Christ walked hand in hand with her through the weeds & brambles of a wicked metrop-

olis. And when the evangelist from America stood at the sacred desk in the great arena of Earl's Court and offered life to all who would listen, it was the Man from Nazareth who spoke through him.

In the same way, when the despairing member, Ruby Hopkins, took the hide off her no-account son, it was Christ who uttered the searing rebuke. And when the little sparrows were hungry it was Christ, the Living Bread, who fed them.

The young teen-ager who comes to see this superb film will not know this. He will not be aware, so skillfully does James Collier build from Stella Linden's story line, that the Holy Spirit is brooding over the beaded screen, or that the Fisherman is drawing his net of love around a youthful heart. But when the final scene is shown and the curtain again rolls, there will be tantalizing questions in the mind.

What is this exciting thing that Carol found? Why is she so sure of herself and her discovery? It is available to anyone? Can I get in on it?

What a thrilling prospect for what is probably the finest Christian film yet to be put into a can! The photographic artistry is superb; it was filmed on location, and it will raise professional eyebrows ever-where. The acting is genuine; how the mild-mannered Cliff Richard, whom I have met and heard several times, could turn himself into a London lout is itself cause for astonishment. Dora Bryan and Avril Angers and others in the cast are part of the spell; they are so human they hurt.

I can only speak from the standpoint of a "depression kid," but unless my guess is completely wrong, thousands of young men and women are going to find this film so absorbing that it will not leave them alone. It will follow them everywhere they go.

Sanity Hearing Due Monday In 91st Dist. Court

A sanity hearing for Willie L. Butler will be held Monday in 91st District Court. Butler has been charged with assault with intent to rape.

Judge Earl Conner said that if Butler should be found insane, no trial would be held on the original charge until sanity was found restored.

If Butler should be found sane, a trial date would be set for the original charge.

District Clerk Roy Lane said these prospective jurors had been notified to appear Monday morning:

W. B. Hastings of Rising Star; Howard Gilbert and A. E. Guy, both of Carbon; Raymond Fox and George B. Hull, both of Eastland.

R. O. Buckley, Mrs. Myrtle A. Reid, R. L. Sharp, and Mrs. J. J. Sparkman, all of Desdemona.

Dalton Watson, Mrs. T. C. Fisher, Doyle Gentry, David B. Wisdom, B. D. Yancey, Mrs. Bess Brennum, and C. J. Cole, all of Ranger.

Mrs. Clyde Brymer, M. R. S. Gar. D. Gorr, C. C. Cooper, W. T. Booth, W. E. Dean, Mrs. Truly Carter, W. L. Burrows, Mrs. Mayme Estes and M. R. S. Pearl Donaway, all of Cisco.

Conducting the classes will be Wayne Webb and Frank Homme of the Schneider, Bernet & Hickman Breckinridge office. They said the classes would be aimed at giving basic information on investing in today's market.

There is no charge for the classes, but reservations must be made in advance. Reservations may be made by phoning the Schneider, Bernet & Hickman office in Breckenridge, 559-3365, collect, or by writing the office, Box 7, Breckenridge.

ON DEAN'S LIST

John Edd Coplen and Martha Jean Griffin, both of Eastland, have been named to the dean's list at Sam Houston State College for the fall semester, 1968.

At least a 3.0 out of a possible 4.0 is required for the dean's list.

Guar Beans for This County? -- It's Possible

Some Eastland County farmers are looking for another cash crop that will produce income on land that is not planted in peanuts. Recent price increases for guar beans make guar an attractive alternative crop for Eastland County. At the present time about 100,000 acres of land for farming land besides peanuts are planted in sorghum and forage crops. The net returns for both crops are generally low. Any acceptable cash crop would generally be welcomed by most farmers.

There is no research data on guar bean production in this area. However, a great amount of information is available from the Rolling Plains area around Vernon. In that area yields have averaged about 800 pounds per acre with a spread from 400 to 1500 pounds per acre. Since the rainfall in Eastland County generally exceeds that of the Rolling Plains area, we should expect yields equally as good or better in this area.

The price for 1969 guar beans has been quoted at \$4.60 per hundred pounds. A yield of 800 pounds of beans per acre would net approximately \$368.00 per acre after all production and harvesting costs including hauling. This much net per acre will probably double the average net return for grain sorghum on the same land. In years of good moisture the better land in Eastland County could easily exceed 800 pounds per acre. Yields of 1,000 to 1,500 pounds per acre can be expected some years.

Guar has been approved as a crop to be planted on grain sorghum diverted acres above the mandatory diversion level. In such cases the diversion payment is reduced by 50%, but the extra income from the guar beans can make the total significantly more than the diversion payments. If you plant guar on diverted acres for bean production, you must report this to the ASCS office.

If you are interested in planting some guar this year, please contact me. If there is sufficient interest, we could have a meeting to learn more about this alternative crop.

I was very happy to learn last week that Wendell Geeslin's steer was named Grand Champion of the Houston Livestock Show. I'm sure you have heard his steer sold for a record \$31,000.

Wendell and his sister, Susan began their 4-H work and steer feeding projects when I was county agent of Hamilton County. His parents, Mr. and Mrs. Elmer Geeslin, are fine people who are dedicated parents and 4-H leaders.

Another reason I was glad to hear this is because Bill McCutcheon, former Eastland County Agst. County Agent, is Wendell's Supervisor. Still another thing I was happy to learn is that Wendell's Champion steer, an Angus, was purchased as a calf from Luther McClung of Rising Star.

Meetings Set For Certification Explanations

J. G. Meredith, ASCS office manager, has announced that meetings to discuss 1969 certification of acreages have been scheduled in the communities as follows:

March 10 — Carbon School Luncheon, 7 p.m.; March 13, Nimrod Community Center, 7 p.m.; March 14, Eastland Courthouse, 2:30 p.m.; March 17, Gorman Fireman's Hall, 7:30 p.m.; March 20, Rising Star Legion Hall, 7:30 p.m.; and March 24, Pioneer Clubhouse, 7:30 p.m.

RJC IS DESIGNATED ACT CENTER

Ranger Junior College has been designated as a test center for the American College Test on Saturday morning, April 26. Mr. Larry W. Hunt, Test Center Supervisor, said "High School students who want to take the test on April 26 must acquire a Test Registration Form and mail it, along with their \$6.00 fee, by Monday, March 24."

The necessary registration form may be acquired from Mr. Hunt at Ranger Junior College or by writing to Dr. Vernon L. Odom at 1626 50th St., Lubbock, Tex., 79412.

Nearly one million students will write the ACT test at 2,100 test centers around the world this year. 101 of the colleges and universities in Texas participate in the ACT program. Some colleges use the test results as admissions

instruments; others use them primarily as counseling tools.

The test battery consists of sub-tests in English usage, math usage, social science reading and natural science reading. A unique feature of the ACT assessment is the Student Profile, Section by which students describe some of their non-academic potentials and other personal data for the use of college admissions officers and high school counselors.

Each student's assessment is sent to the three colleges of his choice. Currently over 1,500 American colleges utilize the data provided by the American College Testing Program.
