## Loretta Shook and Charles Haley Wed at Ranger on December 11th

Miss Debra Loretta Shook of Ranger became the bride of Charles Matthew Haley of Olden in ceremonies performed at 8 p.m. Friday, December 11, at the First Baptist Church in Ranger. Arthur Roy Haley, brother of the groom, Church of Christ minister of Saint Jo, Texas, read the wedding vows.

Mr. and Mrs. Grady B. Shook of Ranger are the parents of the bride. Mr. and Mrs. Pink Haley of Olden are parents of the groom.

Mrs. Gary Ledbetter, cousin of the bride, was the pianist, and Mrs. Joe Don Helms, cousin of the bride, sang "Whiter Thou Goest."

Mrs. Willis Wardwell of Hamlin, cousin of the bride, was the matron of honor. Joe David Haley of Austin, brother of the groom, was the best man.

Dana Moore of Ranger was the bridesmaid. Cordel Shook, brother of the bride, was the ring bearer. Bobby Covey of Ranger was the candlelighter and usher.

Given in marriage by her father, the bride wore a white satin floor length gown fashioned with an empire waist. The long sleeves of chantilly lace tapered to a point. A four-tiered chapel train of chantilly lace was attached at the shoulders. Her veil of silk illusion was caught to a white satin bow accented with seed pearls. She carried a bouquet of white French carnations. The traditional something old, something new, something borrowed, something blue and a penny in the shoe was carried out.

The matron of honor wore a white crepe dress trimmed in lace, and carried a Bible covered with white satin. The bridesmaid wore a blue and red dress and carried a long stemmed red carnation.

A reception was held in the home of the bride's parents. The serving table was laid with a red satin floor length tablecloth with the bride's bouquet as the center piece. The appointments were silver and crystal.

MRS CHARLES HALEY

The bride attended Ranger High School.

The groom is a graduate of Olden High School and attended Cisco Junior College two years. He has just completed boot camp in San Diego, California, and is now stationed at Great Lakes, Illinois with the U. S. Navy.

The couple is living in Great Lakes, Illinois, where he is stationed with the U. S. Navy.

Out of town guests at the wedding were Fay and Wayne Isley of Desdemona, Mr. and Mrs. Willis Wardwell, Mr. and Mrs. Gary Ledbetter, Mrs. Joe Don Helms, all of Hamlin, Joe Haley of Austin, and her grandparents, Mr. and Mrs. H. L. Tuder, of Hamlin.

## Nancy Owen Is 'Dragonlady' at Trinity Univ.

The following article was printed in the San Antonio Express of Thursday, Dec. 10. Miss Nancy Owen, and her display was also on the K-SAT TV channel 12 Evening program on Dec. 11.

Nancy is the daughter of Mr. and Mrs. J. L. Owens of Eastland, Texas.

Trinity University has a dragonlady — Miss Nancy Owen, assistant professor of art.

Evidence of her title can be found in the gallery-foyer of the Ruth Taylor Music Center where she has on display a number of paintings which feature just about all kinds of dragons one could imagine.

The young art professor started painting the dragons about a year and a half ago when she came to Trinity Hill from Southwest Texas State University, where she taught for two years.

## December 31 Is Deadline to File Medicare Claims

Dec. 31, 1970, is the deadline for filing Medicare medical insurance claims for services received Oct. 1, 1968, through Sept. 30, 1969, according to R. R. Tuley, Jr., social security district manager in Abilene.

"If you have Medicare medical insurance and received covered services during the period of Oct. 1, 1968, through Sept. 30, 1969, claims must be filed before the end of this year," Tuley said. "After Dec. 31, 1970, Medicare cannot pay on these bills."

Tuley said that anyone needing claim forms for Medicare medical insurance or related information should call the Abilene social security office. The telephone number is (915) 677-5262.

Medicare medical insurance is the voluntary part of Medicare. It is available to almost everyone 65 or older and helps pay for doctors' services and certain other health care services. Financed by individual monthly premiums and matching Government funds, it pays 80 percent of reasonable charges above the \$50 annual deductible for covered medical services.

Medicare hospital insurance, funded through employer, employer, and self-employed social security taxes during a person's working years, requires no continuing premium payments. It helps pay for hospital care and for related health services for people 65 and over.

Extra! Extra! Read all about it. We're wishing you the Merriest Christmos of all for you and for all your loved ones.

## Selective Service Makes Changes In Policies

Austin. —Colonel Charles M. Duncan, acting state Selective Service Director, said Tuesday that recent instructions issued to local board personnel by Dr. Curtis W. Tarr, National Director of Selective Service, alter the year-end policy announced last month by the Selective Service System.

Duncan said that registrants wishing to drop deferments and be reclassified into class I-A status to take advantage of the year-end policy, have been given until midnight, December 31, 1970, to file for the reclassification. Such requests may be received by local boards by that date or carry a postmark dated December 31, 1970 or earlier.

These instructions alter previous policy which stated that the application had to be in the hands of local board personnel prior to a December meeting of the local board.

In particular, the instruction to local boards will be of interest to men who hold high numbers in the 1970 draft lottery. Should a young man hold a number higher than that reached by his local board—and No. 195 has been set as the highest number which any board can reach—it is to his advantage to voluntarily give up his deferment for a 1-A classification. In these cases, he will move to the Second Draft Priority Group on January 1, 1971, rather than to the First Priority Group upon termination of his deferment.

While recognizing that young men holding lottery numbers over their local board "high" could effectively limit their vulnerability to the draft by being classified into 1-A by the year's end, Dr. Tarr stated that

to elect whether they will apply for a deferment and those young men granted deferments should be able to drop them if desired."

Dr. Tarr said the new policy was issued because various boards throughout the country were scheduling their last meetings of the year at different times. By defining a specific cutoff date, the new policy allows all registrants an equal amount of time to take advantage of the reclassification offer.

Previous to changing this policy on dropping of deferments, registrants holding deferments were generally unable to voluntarily relinquish them as long as they continued to meet the criteria for deferment, except at the end of the deferment period when they could cancel them simply by not submitting the necessary documents for an extension.

The types of deferments affected by the memorandum are high school and college deferments, occupational deferments, agricultural deferments, paternity and hardship deferments. The I-Y classification, unacceptable for military service except in national emergency, it not af-

Dr. Tarr pointed out that all deferments are issued for limited period of time, gener-
