National Library Week TidBits Begins Sunday on Theme: 'Reading Is for Everybody'

By H.V.O.

By A. E. Cushman

SUNSHINE REALLY makes a difference. . . notice how it really greened out late this week? . . . Rev. Bill Goff reminds that the Spring Revival begins Sunday, April 12, at Bethel Baptist Church with Barry Schahn and Ronnie Ruff, both of Howard Payne, in charge of services, 7:30 p. m. nightly. . . Best wishes go with Randall Treadwell who'll be carrying the EHS banner into the District Tennis Tournament Monday at Stephenville. This could be the year Randall brings home a state championship.

THE NEW EXTRA bright lighting at Eastland National Bank promoted Employee Wendell Armstrong to comment: "Some of us are going to have to start shaving both sides of our faces now."

WORD COMES that Danny Mezell's condition is about the same and that he would certainly appreciate some notes from home. His address is Room 409 East A. M. D. Anderson Hospital, Houston, Texas. We'll want to send him a card or letter right now to cheer him up.

J. D. PITTMAN will display his barb wire collection in Charlie Paul William's Shoe Repair Shop on the north side of the square and it's an in-a-total of 280 pieces, two oldest 18" item is a "snake"

BREAD of Life
Presents

Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ—Titus 2:13.
So cheer thy heart, no more repine,
His word is sure, "He'll tarry not."
Then joy unmingled will be thine
Earth's tears and trials all forgot.

EASTLAND NATIONAL BANK
EASTLAND, TEXAS

This is National Library Week and the basic aim of the American Library Association who sponsor National Library Week, is "To stimulate lifetime reading habits and to encourage widespread use of libraries of all kinds."

This year's slogan, "Reading is for Everybody" suggests that everyone take advantage of one of our privileges and read for enjoyment and knowledge. Library patrons at the Eastland Public Library read 5,765 books last year and its offers to everyone the privilege of rediscovering the power of the printed word.

The price of rentals has not increased in the last 15 years (although the price of books has about doubled) our books still rent for only 5, 10, and 15 cents a week per book.

Today's children need more books than ever before. They are interested in so many subjects and are encouraged to dig deeper into facts by today's educational standards. The best students are those

who have made a practice of reading from elementary grades on through high school and prove to be the best students in college.

Adults certainly need to read, if we are to half-way understand one another. The whole world can certainly use a lot of understanding. Right here in our own community we need to "walk a mile in another's moccasins."

Reading is for everyone, and its importance can't be stressed too much; as Teddy Roosevelt once said, "After the church and the school, the public library is the most effective influence for good in America."

National Library Week in Eastland is being sponsored by the Library Committee of the Thursday Afternoon Club, with Mrs. C. C. Collings as chairman, Mrs. W. D. R. Owen, Mrs. Ben Hammer, Mrs. James Horton, Mrs. J. F. Francis, committee members, Mrs. Jos. M. Petrkins, President and Mrs. A. E. Cushman, librarian.

★ ★ ★ PROCLAMATION

As Mayor of Eastland I proclaim National Library Week for the period of April 12-20, 1970 to call attention to the benefits of an educated mind. The development of lifetime reading habits is vital to the continuation of our society.

I, as Mayor of Eastland call upon the citizens of this city to participate in this endeavor. By doing this they will inform their neighbors and friends of the pleasures and rewards of reading with the purpose of developing a "Better-read, Better-informed" America

Mayor of the City of Eastland

Annual Fine Arts Festival Termed 1st Class Success

By Herman Alsop

Approximately 100 persons attended the annual Fine Arts Festival held Wednesday, April 8th, at Lone Cedar Country Club. Hosting the event this year was the Eastland Civic League and Garden Club.

The Eastland Music Club, The Art Club, The Thursday Afternoon Club, Las Leales, and the Eastland Civic Theater also participated in the activities.

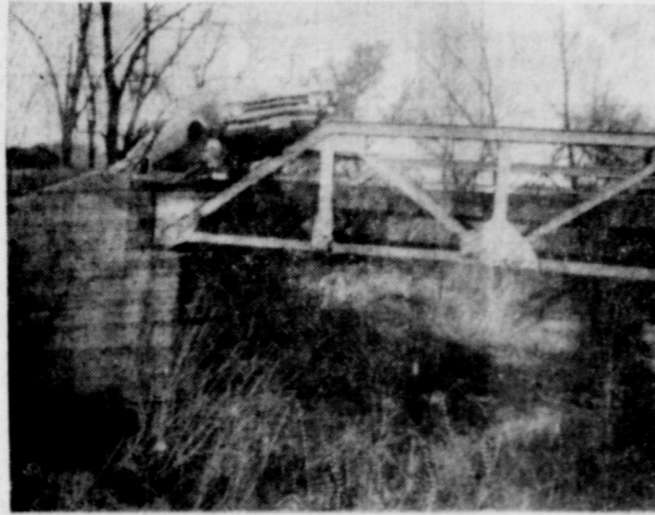

Handmade and hand-painted art objects were exhibited by each club and various forms of entertainment were presented by the clubs.

Following a buffet dinner served by Lone Cedar personnel and Mrs. Gene Myers, club

hostess, the program was begun with Mrs. Ed Ethridge giving the invocation. Mrs. Eula Arrington, Civic League president, presided and presented the president, members and guests of each club represented.

The 22-member Cisco Junior College Choir, under the direction of Beverly Condray, was the guest of the Thursday Afternoon Club. Their program consisted of several musical selections.

Sue Rossander, Dick Dixon, Joe Gray, Eddie Gallagher and James Reid showed what would happen "If Men Played Cards As Women Do" in the Eastland Civic Theatre's presentation. The skit was directed by Mrs. Virginia Russell,

CAR ON BRIDGE—Mr. Alvin Kincaid, well-known Eastland County rancher, escaped injuries Thursday morning when his 1966 Oldsmobile went out of control on rain-slick State Highway 6 just north of Eastland and came to rest on top of the bridge railing over the Leon River. Damage to the vehicle was estimated at \$500 by Investigating Officer Chief John Morren of Eastland. Work is presently underway to replace the old narrow bridge in a Highway Department contract. Plans Shaping Up For Political Rally

Nearly all the pieces have fallen into place for what surely will be one of the biggest days in Eastland in a long time, when the Jaycees stage their "Old Fashioned Political Rally" here Saturday.

The event will be held on the Courthouse square and thousands of people are expected. Candidates of every level are sending confirmations and will be here "stumping" as in days of old, the local Jaycees report.

Many state-wide office seekers are already committed to attend. Area candidates are being urged to contact Dick Dixon at 629-1120 for confirmation. The Jaycees must have this date so that they may schedule the "speakin's", he said.

The Maverick Band is scheduled to be on hand for some rousing patriotic music, and word is that all the ingredients that go into making an old time event, are being planned—maybe even pink lemonade. Speechings will be divided up, with a mixture of local, district and state positions, so as to make a more interesting program, the Jaycees report.

300th AZTEC ROLLS OFF LINE

The 300th mobile home rolled out of the Aztec Plant in Eastland Friday—almost to a day, one year after the first unit came off the production line.

Owner Larry Blalock reports that the first unit was finished on April 11, 1969, and the 300th home was rolled out April 19, this year.

The newly-established firm surpassed the million-dollar mark in sales back in January, he said.

An old man walked into the police station and asked the sergeant: "Can you tell me, who my landlord is?"
"Why, he's the man you pay your rent to," answered the officer.

The old man shook his head and said: "I don't pay rent. About nine years ago I found me this house, moved in, and I been living there ever since."
"Then why worry?" asked the sergeant. "You've got no complaint."
"I sure have," shouted the old fellow. "If he don't fix the roof soon, I'm gonna move out."

ONCE AGAIN we're all reminded of needless tragedy in this beautiful, and timely letter from Mrs. C. P. Chick Jr. of 604 S. Seaman. It's such a good reminder, we quote in full because she says it so well:

"It has happened again! Three little girls were found dead in an abandoned refrigerator in Garland tonight. Each time a tragedy of this sort occurs, it leaves me with a sick feeling and a sense of waste. "Will we never learn? The lives of children are our obligation, as mature adults, to guard and cherish.

"Would you please stress in your newspaper the need to remove the doors of all refrigerators abandoned or otherwise not in use in order to help prevent a tragedy of this type in our area. Thank you."

THANK YOU, Mrs. C. There are some such dangerous threats in our own town, that need to be taken care of.

Paralyzed Youth Back in Gorman

Bill Clark, who was paralyzed from the neck down following a football accident last September, returned home Friday—and local residents have been preparing for the occasion for weeks.

Clark returned from Gonzales Warm Springs Rehabilitation Hospital before noon Friday for a visit expected to last about three months.

He had spent nearly two months at St. Joseph's Hospital in Fort Worth before being transferred to the Gonzales hospital Nov. 21.

Friday was proclaimed "Bill Clark Day" in Gorman and numerous functions will be held in coming weeks to honor the 16-year-old. A reception was held from 9 a.m. until 11 a.m. Friday in the Progress Library in downtown Gorman, during which residents may donate to the Bill Clark Fund.

Plans were for a member of the Clark family to telephone from a neighboring town when they are near Gorman in order to give residents time to as-

semble at the city intersection to welcome Clark. Officials said the GHS band possibly will be on hand also.

On Monday, high school students will clean up Frank A. Gray Memorial Park for a benefit box supper and game night to be held there Saturday, April 18. Proceeds will go toward buying an electric wheel chair for Clark.

Local and area residents rallied behind the Clark family following the Sept. 26 accident, and have continued to aid Clark and his parents, Mr. and Mrs. Speedy Clark, since.

Help through the months has come from the First United Methodist Church, Gorman

Lions Club, Masonic Lodges of Gorman, DeLeon and Desdemona, the DeLeon football team, local Girl Scouts and Brownies, and students in nearly each class at the school. Clark is able to sit up and move around in a wheel chair. He has partial use of his arms and wrist, but still has no use of his hands or fingers.

During his stay at home, Clark will attend history and English classes at GHS, having continued those studies at Gonzales.

GHS coach Joe Neill described Clark as a "dedicated football player. I don't know if I've ever coached a young man with as much drive, heart or determination as Bill."

That determination was expressed by Clark when the Reporter-News called him in January. "I know I am getting stronger," he said. "I know I am going to walk out of here."
