Car Taken From Lone Woman On Highway

BIG SPRING, TEXAS, WEDNESDAY EVENING, DECEMBER 17, 1930.

HOMF TOWN

By Beddy

Kenneth Collins, executive vice president and director of publicity of R. H. Macy & Co., New York's popular department store, dedaily newspapers to be the best medium for department store advertising "because they reach the largest number of people belonging to all caleses of saciety at the low est cost per person more quickly with a greater return on our out lay than by any other form of ad vertising so far developed."

Macy's budget appropriates more than \$2,000,000 a year for advertis-ing purposes, including space bought production costs and over-head. Of this amount about \$1. 300,000 annually goes to the purchase of newspaper space, representing 85 per cent of all advertising and publicity space expendi-tures of every kind.

Eighty-eight per cent of all buyne by women. To reach them Mr. Macy says the answer is Newspaper advertisements, first. lact and all the time, supplemented The proposition of erecting here a cooperative creamery was subplays store posters changed daily, per onal shorping and fashion shows, radio broadcasting and direct mail. Discounting bill posters are down by first complete and inspectation of erecting here are subsidiary forms of advertising are set down by Mr. Collins as mere charged.

The proposition of erecting here a cooperative creamery was submitted to Howard county farmers and dairy men at a meeting held in the county court room of the Howard county court room of the Howard county courthouse Tuesday declaring the 18th amendment invalid will be taken.

The proposition of erecting here a cooperative creamery was submitted to Howard county farmers and dairy men at a meeting held in the county court room of the Howard county court room of the Howard county courthouse Tuesday declaring the 18th amendment invalid will be taken.

The justice department announcing at the First Baptist church by Dr.
George W. Truett, world-famed preacher, who addressed a large and first to the submitted to Howard county farmers and dairy men at a meeting held in the county court room of the Howard the TAPN. would serve 2000 to the submitted to Howard county farmers and diring the county court from the decision by Judge Clark in New Jersey yesterday declaring the 18th amendment inval will be taken.

the start. At first David and Fanny live in their own home and David even quits his job at his uncles bank in order that they may be free from family domination. Then through Fanny's carelessness, Sheils, their little daughter, is taken seriously iil, wrecking David's plans to take a job in the West. There is Arliss nothing he can do then bu return to his bank job and take Fanny back to live with his mother. Both David and Fanny are unhappy. Fanny then spends a month in Washington with Juliette, a distant cousin of David's who married an Italian prince. She is a huge success in Washington society. Many men try to make love to her and one young millionaire first forces his atten-tions on her. Then offers her all he has if she will marry him.

without him, but even so she went home to him happily, as anxious women who did the same, even belot tell him all about it as a child who had been to the circus for the war," said Mrs. Frost, with that first time.

It was a little disconcerting to find that no one at home was interested in hearing of her visit.

"Did any man kiss you?" a "Not exactly-except one." "Who?"

Fanny had meant to tell David

his life. If you could have seen it had been a horse coll instead there was that in Washington! He only fancied me in the first place because I marry you."

(Copyright, 1980, by Mant It isn't like you. In can't understand.

It isn't like you, to assume that I encouraged him." David walked to the window stood there a long minute with his back to her before he said in a strangled voice, "I'm sorry." He turned to her a face so shamed and contrite that Fanny rushed to forgive and comfort him.

Fanny realized of course that be and been jealous, but he dropped the subject so abruptly, appeared so indifferent thereafter when she nentioned Washington, that she ever guessed how jealous, that the month in Washington had been for him one long heartache. David could not be happy with out Fanny; she could be happy catatically happy, without him She had come home to him with-out his asking; but had she want

Her brief, hurried letters had assured David that she missed him but she had not n.issed him. His mother had protested vehemently against this Washington visit, and she was right; he never defied his mother but what he paid for it. Men had always been eager to snatch at Fanny, like hungry dogs at a bone, but never until she went to Washington had she been conscious of other men. In Washing ton there were predatory rich mun men with leisure and wit and charm. And Fanny was too en wrapped in her own hurts and dis appointments to be perceptive of David's.

She had meant to lay at his feet

Blastein Denounced : As Pacifist By One Of Legion Organizer

LOS ANGELES, Dec. 17. (25)— Characterizing Dr. Albert Einstein as a pacifiet, Dr. A. D. Houghton, one of the organizers of the Amer-cian Legion, has nuggested action to prevent the visit to California of the famed German mathemati-

The suggestion offered before Los Angeles legionnaires last night briught mingled applause and ex-pressions of disfavor but no action. was based upon expressions attributed to Dr. Einstein in a recent
New York speech, who was quoted
as urging men of military age to
refuse to fight as a means of pre-

enting war. Dr. Houghton said Or. Einstein

Dr. Houghton said Or. Einstein was a pacifist traveling in the guise of a mathematician.

"Dr. Einstein's theory of relativity is one thing—and I don't think much of it—but his pacificism is another," the speaker said. "He is 16 to 1 after the Democrata, join ty propagantist against the best increases of the country."
