

Briton Blames Crisis On American Actions

Europe Faces Tight Squeeze In Economy

LONDON, Aug. 7. (AP)—A British official blamed rising American prices and "the rapidly increasing surplus of U. S. exports over U. S. imports" today for the sudden worsening of Britain's economic crisis.

Britain's plight is linked to a "worldwide dollar famine" caused by America's selling to foreign countries more than twice as much as she buys, the Chancellor of the Exchequer, Hugh Dalton, told the House of Commons.

Walton was replying to criticisms by conservatives and letting socialists that the labor government "squandered" the \$3,750,000,000 U. S. loan and that Prime Minister Atlee's new work-more-and-eat-less program promised "too little, too late."

The leftwingers were discontented because the announced reduction in Britain's armed forces under the new plan would leave more than 1,000,000 men under arms by next spring—far more than the reduced number they have been advocating ever since they attacked Foreign Secretary Bevin's foreign policy last November.

The conservative opposition blasted the Atlee program on the ground that it was "too little, too late." They made three specific points in their criticism.

1. They said the government was dealing with the crisis too hurriedly, at too late a time. 2. They said the plan was not detailed enough. 3. They said the government had failed to give the country a full statement of the peril it faces.

Several London newspapers predicted the conservatives would vote against the government tonight on the adjournment motion under which the crisis debate was being held. Such a vote would constitute a protest without involving a vote of censure.

Jews Proclaim Strike Against British Action

JERUSALEM, Aug. 7. (AP)—Jewish leaders decreed a complete three-hour work stoppage this afternoon in protest against the internment by British authorities of three Jewish mayors and some 40 other Jews for the avowed purpose of checking terrorism.

Violence continued meanwhile. British authorities announced that 12 oil tank cars were wrecked by a mine explosion at Ras El Ain, between Tel Aviv and Haifa. The blast ripped up 300 yards of railway track, but caused no casualties, the announcement said.

An extraordinary meeting of Vaad Leumi (the Jewish National Council) and other leaders decided upon the work stoppage in the Jewish areas of the Holy Land. They ordered all Jewish traffic halted and all Jewish shops, restaurants and places of amusement closed from 2 p. m. to 5 p. m.

The leaders at the same time called for the abolition of emergency regulations and the re-establishment of the supremacy of civil law throughout Palestine. The group repeated a pledge to fight Jewish underground terrorist groups.

AWARDED MEDALS

Robert Ross McKinney, 1307 Settles ave., and Willard Hendrick, 404 Aylford street, have been awarded Victory Medals for having served with the U. S. Navy during World War II. Presentation was made by members of a Naval Recruiting team on duty here.

WHEN TRAIN MEETS TRAIN — This aerial view shows where a passenger train ran through a freight train at a crossing near Litchfield, Ill. The freight train's locomotive, upper left, went on and its tender was derailed. The picture was made by Lester Llack, of the St. Louis Post-Dispatch. (AP Wirephoto)

Java Asks U. S. Aid In Arbitration

Republic Wants America To Urge Joint Mediation

BATAVIA, Java, Aug. 7. (AP) — The Indonesian government asked the United States today to use its influence with the Netherlands and the United Nations to have "an international arbitration commission dispatched without delay to Indonesia" to mediate Dutch-Indonesian conflicts.

The statement, broadcast in the name of Republican Premier Amir Sjarifoeddin over the Jogjakarta radio, was in reply to a United States offer of its "good offices" in mediating the dispute, in which an uneasy truce now prevails. The Dutch previously accepted the offer.

In effect, the Indonesian statement amounted to rejection of the United States as the sole arbiter of the controversy.

"The Indonesian government feels," the statement said, "that in view of the fact that two years of mediation and negotiation have failed to halt hostilities, United Nations arbitration is the only means to settle the matter." Sjarifoeddin earlier said he hoped that such a commission would be made up of the United States, Great Britain, Australia, India, the Philippines and perhaps Siam.

"The government and people of the Republic of Indonesia are fully prepared to submit to a decision in which arbitration is recommended as the primary means to settle the dispute," the government statement said. It requested that an American government representative be dispatched to Jogjakarta by air as soon as possible in order that the Indonesians might "more fully acquaint the United States with the republican government point of view."

T. R. MORRIS IS CHECKER CHAMP

BROWNWOOD, Aug. 7. (AP) — T. R. Morris, Big Spring, was hailed as the new checker champion of Texas today when he won the 37th annual tournament of the Texas State Checker Association which ended here this morning after three days and two nights of play.

HCJC Trustees Study Budget

Trustees for the Howard County Junior College convene this evening at the college to study a proposed budget which will be presented at a public hearing on Tuesday evening.

Several problems are involved in the fiscal guide, including a possible tax rate, feasibility of adding a trades and industry division, and plant development. Since the college levies on counties, the matter of a rate is somewhat uncertain until after the county board of equalization completes its hearings this week.

Watch Offered To Champ Of Rodeo

In addition to the folding money he pockets, the champion all-around cowboy of the current Big Spring rodeo will go away with another handsome prize. A 21-jewel Elgin is being posted by Nathan's Jewelers, according to Herb Edebaum, manager, and will be presented by Earl or Jack Sellers Saturday evening to the cowboy who piles up the most points in the competition during the four days of the rodeo.

Equipment Ordered For Disease Fight

MEXICO CITY, Aug. 7. (AP)—Additional U. S. equipment has been ordered by the joint U. S.-Mexican commission to combat foot and mouth disease among Mexico's animals in order to increase slaughter of infected and exposed animals from the present 32,000 monthly to 176,000.

Seven-hundred fifty items have been ordered. The commission said, doubling its stock of mechanical equipment included are 400 Jeeps, 200 light trucks, 200 tank trailers, 62 sedans, and tractors, mobile repair shops, two type L. C. M. landing cranes, four cabin cruisers and eight open boats with outboard motors.

DONATIONS FOR CRASH VICTIMS

WAXAHACHIE, Aug. 7. (AP)—Several checks from over the state have been received as donations to the relief fund for survivors of the truck collision that took 19 lives here early Tuesday morning.

Floyd Casebolt, editor of The Waxahachie Light, said that contributions now total over \$300, and that the fund is growing rapidly. An emergency relief station, operated by Negro Relief, is aiding in collection and administration of the funds.

Another collection campaign is conducted by the local newspaper.

Brewster Admits Pan-Am Relations

HUGHES SWORN IN — Howard Hughes, right hand upraised, is sworn in as a witness before the Senate warplane investigation subcommittee in Washington which is inquiring into his government plane contracts. (AP Wirephoto)

High Marks Set At Opening Of Rodeo

First night performers set up marks which will be hard to surpass as some 5,500 persons looked on at the opening of Big Spring's 14th annual Rodeo Wednesday night.

However, other top contestants will be out to establish better standards at 8:15 o'clock tonight when the first go-round will be concluded. Wednesday night's crowd, which was one of the largest ever assembled for the annual event, was estimated variously from 5,000 to more than 6,000 persons, with the average centering around the 5,500 figure.

Ray Wharton, Bandera, turned in low time for the night in the professional calf roping event when he shackled his animal in 14 seconds. A close second was Earl Teague, Crane, with 14 1/2 seconds. Others in the "big four" were Bill Lowe, Crane, 17.3, and Toots Mansfield, 17.8.

Shorty McCrory, Arlington, threw his steer in 12.9 seconds for the night's best performance in the steer wrestling event. In the bronc riding events, W. N. Rice, Brooksmith, was first in bareback riding, while Bill Weeks, Grady, N. M. topped the night's entries in saddle bronc riding.

Homer Hart's time of 18.9 seconds was the night's best in the Howard county calf roping, and Don Spencer, Big Spring, took the junior boys calf roping with a time of 21.6 seconds.

Margaret Montgomery, Ozona, riding "Snooky" turned in the best performance in the cutting horse contest.

One of the closest time events of the night was the girls' clover leaf race in which Mrs. Russell Green, San Angelo took first place by one tenth of a second. She made the course in 22 seconds, while Rosemary Beck of Talpa was clocked at 22.1.

One of the longest parades ever witnessed here moved through the business district two hours before the grand entry at the rodeo grounds. Made up of chieftains of horses and riders, with a sprinkling of vehicles, the parade extended for approximately a mile and a half.

R. L. "Pancho" Nall, parade director, today expressed his appreciation for the cooperation of participants. Nall said that due to orderly methods followed by all entrants, the event was conducted with a minimum of confusion. Several thousand persons lined downtown streets to view the march through the city.

Several specially acts drew warm applause from the spectators between competitive events at

See RODEO, Pg. 5, Col. 1.

Equalization Board Plans Tentatively To Continue Session

The county board of equalization was tentatively scheduled to remain in session at the court house through Saturday morning, at which time the last of the property owners who has challenged the unit on their increase in tax evaluations will be interviewed.

A total of 35 persons had appeared before the board or arranged for an audience at noon today and more were to parade before the group this afternoon. The hearing opened Wednesday morning.

GOP Senator Again Denies Hughes Charge

Plane Builder Says Head Of Probers Lies

WASHINGTON, Aug. 7. (AP)—Howard Hughes hurled the lie at Senator Owen Brewster today, and in a turbulent session before a Senate committee got the Maine Senator to acknowledge visits to a residence maintained here by Pan American Airways.

Brewster, on his part, steadfastly maintained that there is no truth in Hughes' charges that Brewster once offered a "deal" to call off the Senate investigation of Hughes' \$40,000,000 warplane contracts.

Hughes said Brewster, a Republican, proposed to drop the inquiry by the Senate war investigating committee if he (Hughes) would agree to a merger of his Trans World Airlines with Pan American.

Brewster denied that from the witness chair yesterday. Today, Hughes took the same seat and shouted to the Senators: "Senator Brewster's testimony yesterday is a pack of lies and I can tear it apart if I am allowed to cross examine him."

Brewster went back to the chair to answer a series of written questions Hughes gave to Chairman Ferguson (R-Mich.) of the Senate subcommittee.

In his replies, Brewster: 1. Acknowledged that he had eaten at least "three breakfasts in the last few months" at a special residence maintained here by Pan American Airways as a guest center for officials and employees.

But the Maine Senator insisted this could not be termed the "Pan American Palace" and instead waved photographs of what Brewster called "TWA's palatial" home and swimming pool.

2. Agreed that Sam Pryor, a vice president of Pan American and former Connecticut Republican national committeeman, is a close friend of his.

3. Said it was true that he had spent two Thanksgiving vacations of about one week each at a home Pryor has at Hobe Sound, Fla. Brewster said Pryor was not there and he (Brewster) had purchased his own food and borne all expense.

4. Acknowledged that he once accepted free transportation in Pan American's special private airliner from Washington to Raleigh, N. C. He said he went to Raleigh to confer with the late Senator Bailey (D-NC) at Bailey's request about aviation legislation.

Brewster also repeatedly hit at Hughes' story of a "proposition" for a merger.

"The suggestion that I held a whip over Mr. Hughes is ridiculous," he declared.

State Lawmakers From Big Spring See Rodeo Opening

Both members of the state legislature from Big Spring's district were here Wednesday to participate in opening-day festivities of the 14th annual Rodeo.

R. E. (Peppy) Blount, Jr., member of the house of representatives, and State Senator Sterling Parrish rode at the head of the parade which marched through the business district at 6 p. m. and both were on hand for the initial performance at the rodeo grounds last night.

Direct Affiliation With Lobby Lashed—

Colleagues Demand Resignation Of Taylor From State Senate

AUSTIN, Aug. 7. (AP)—Four members of legislature today joined in statements demanding that State Senator James E. Taylor for Kerosen resign in view of his recent acceptance of a full-time public relations job with the Texas Manufacturers Association.

They were Reps. George Nokes of Corsicana, Elmer McVey of Teague, James C. Spencer of Athens, Jerry T. Stockard of Frost.

The House members sent the Kerosen Senator a telegram saying: "If the report is true that you

STEPS ASIDE — Sen. Owen Brewster (above), chairman of the Senate committee investigating Howard Hughes warplane operations, waived rights to question the plane manufacturer and took the stand himself to deny charges Hughes made against him. (AP Photo)

U. N. Seeking New Answers To Balkan Problem

LAKE SUCCESS, Aug. 7. (AP)—Spurred on by Greece's warning that she would be swept into the Russian sphere unless the United Nations acted, security council delegates today explored new avenues in efforts to reach agreement on quelling Balkan disorders.

Greek Ambassador Vassili Dendramis said Russia's veto of the American plan for a watch-dog commission in the troubled Balkans clearly indicated Moscow's aim.

"The object is to give the appearance of a solution and to hull the world into a false sense of security until it is too late—until the newspapers have reported that it is all over and that one more country has been reduced to vassalage," Dendramis told the delegates last night in one of the bluntest attacks ever made on Russia in the council chamber.

With an air of pessimism delegates set up a subcommittee of seven nations to cover all proposals submitted and try to find a common ground. The first meeting was set today, with a deadline of next Monday for a report.

Griswold Says Greek Support By U. S. Is Local

ATHENS, Aug. 7. (AP)—Dwight Griswold, chairman of the American aid mission to Greece, said at a news conference today that the mission was not here to support Greek forces for "international war," but only to help in "anti-bandit" enforcement.

"The Greek government often refers to guerrillas as 'bandits,'" Griswold declared, "that his policy had been outlined by a congressional committee in the course of debate on Greek aid."

Press dispatches said today that guerrillas had killed 18 women and children and looted and burned 25 houses yesterday in the village of Pethonon, 20 miles north of Salonika, to revenge themselves on leftists who refused to join them.

Colleagues Demand Resignation Of Taylor From State Senate

Jester's floor leader in the Senate.

In a formal statement issued simultaneously with release of copies of the telegram, Nokes said:

"No man should sit as a member of the Texas Senate and serve as an executive of a lobbying organization at the same time."

Nokes said he was "profoundly shocked" at Taylor's action, adding:

"Senator Taylor has been an able and influential legislator but he has chosen to serve the people of Navarro county—not the T.M.A."

200 Expected At Banking Meet

HOUSTON, Aug. 7. (AP)—Approximately 200 delegates are expected here Saturday to attend the fourth annual southwest regional conference of the American Institute of Banking. Frank W. Ilfrey, general conference chairman, said Wednesday.

2 Big Spring (Texas) Herald, Thursday, Aug. 7, 1947

Project To Be Near New Braunfels—

Johnson Sees Twenty Million Dollar Dam On Guadalupe

WASHINGTON, Aug. 7. (AP)—Rep. Lyndon B. Johnson (D-Tex.) expressed confidence today that within two years construction of a \$20,000,000 dam on the Guadalupe river near New Braunfels, will be placed on the priority list for flood control projects.

Completion of the dam will be followed by development of a "little TVA" in that area of Texas Johnson predicted.

Congress has authorized the so-called Canyon Dam, at a site seven miles upstream from New Braunfels, and Army engineers have spent \$200,000 on surveys and plans for the project, Johnson said.

He added he was confident after conferences with engineer officials that additional funds to continue the planning stage will be available and that funds to complete this work will be asked of Congress next year.

Forgery Charge At Colorado City

COLORADO CITY, Aug. 7. (AP)—Charges of forgery have been filed against Marshall Ford, 21-year-old Kent county man who was arrested by city police chief Dick Hickman after Ford attempted to cash a Logus check at the City National Bank here Saturday.

Rice Prices Up

CROWLEY, La., Aug. 7. (AP)—Prices are continuing to rise as the 1947 rice harvest gets underway in southwest Louisiana. The highest price to date this season is \$10.57 per barrel for 1000 barrels of Zenith variety sold by J. N. Cossan of Rayne, to the Kaplan Rice Mill of Kaplan.

Texas Old Age Assistance Is Divided Into Two Programs

AUSTIN, Aug. 7.—The stupendous sum which will be spent on old age assistance during this 12th year of the program in Texas should underline the sharp distinction between the two forms of "social security" for old people.

The first is direct assistance. That's what is commonly called old age pensions; the system installed in July 1936, to which will be devoted some \$76 millions in this calendar year.

The second plan, based upon insurance principles, contemplates building up of a trust fund by employer and employee contributions which will enable the employee to retire on a modest but decent pension when he exhausts his wage-earning capacities.

A tabulation of these plans—insofar as they touch the government—is somewhat surprising because of its length. In the approximately chronological order:

1. Civil service retirement, which in Texas includes some 70,000 persons.
2. Railroad workers' retirement, which is administered through Federal agencies. In the fiscal year of 1945, this fund paid \$4,536,000 to Texans in "retirement and survivor" benefits, constituting 3.2 per cent of the entire amount paid out.
3. Employees of commerce and industry under the so-called Social Security laws. It is called "old age and survivor" insurance; and when enacted, it was intended ultimately to replace direct assistance. Why it has, so far, failed to accomplish this objective or to even approach it in Texas will be discussed later.
4. Public school teachers and administrators under the Texas Teacher Retirement law. The "employer" in this case is the state of Texas rather than the individual school districts which employ the teachers. To date this program.

Request Renewed For Border Cattle Fence

ALBUQUERQUE, N. M., Aug. 7. (AP)—An advisory committee on control of foot and mouth disease among Mexican livestock has renewed its request for an international boundary fence between the United States and Mexico to prevent its spread to this country.

Chairman Albert K. Mitchell said today that the committee's confidential report to secretary of Agriculture Clinton P. Anderson also urged that eradication work be speeded up to protect livestock in both countries.

since the 1937-38 fiscal year when it started, has built up a reserve of \$50,000,000 in investments; takes in 60,000 members. Less than 2,000 have been retired.

5. Firemen. This is the spottiest system so far set up. It began as a state authorization for a pension system for firemen in larger cities. Then the legislature proposed a statewide system, supported by a 2 per cent gross receipts tax on certain insurance companies. This was knocked out, leaving the system without support. The next session of the Legislature appropriated \$262,000 a year, and the 50th legislature appropriated \$308,000 a year, to help fire departments over Texas establish their own disability and retirement systems. H. B. Saterfield, the state commissioner for the system, says that out of 480 incorporated municipalities eligible to participate, only 340 are embraced.

6. Municipal and county employee systems. Generally, home rule cities in Texas set up retirement systems, and for other cities they are in process. Some counties are voting on a recent authorization for county wide systems.

7. State employees. Enabling legislation for a state-employee matching system was set up by the 50th legislature.

Public Urged To Continue Flight

Break May Come In Polio Cases After Four Bad Years

WASHINGTON, Aug. 7. (P) — After four bad polio years, a break is in sight for 1947. A U. S. public health service official reported today.

At that same time, however, he urged the public to observe the usual precautions during the rest of the infantile paralysis "season" which runs from June through September.

Reporting a total of 1,955 cases this year up to August 2, compared with 5,450 for the same period last year, the official told a reporter: "It is not really too late for a sharp rise—that is, a fairly limited explosive outbreak—in a particular locality of the country."

"But, from the figures to date this year, the indication is that the high incidence of the past four years for the country as a whole will be broken."

Full year case totals for those four years were: 1946, second worst epidemic year on record—25,247. (In 1916, there were approximately 30,000.) 1945—13,619 cases. 1944—19,629.

1943—12,449. In 1946, the "peak" of the outbreak—that is, the week with the highest number of new cases—was reached in mid-August. States which have reported the largest number of cases so far this year, together with comparative figures for last year, are:

California, 467 this year, against 411 last year; New York, 147 against 223; Texas, 105—547; Illinois, 97—527; Ohio, 65—155; Michigan, 62—83; Pennsylvania, 59—62; Florida, 55—399; Nebraska, 53—108 and Minnesota, 49—623.

Reporter Sees No War Mobilization—

Yugoslav Macedonian Republic Basks In Political Tranquility

BITOLJ, Yugoslavia, Aug. 6. (Delayed) (P) — The Yugoslav Macedonian Republic on the frontier of Greece is basking today in a political tranquility and an economic boom.

Almost at the foot of the Greek mountains where civil war has raged more than a year the Macedonians — whose "people's repub-

lic" is one of the six making up Marshal Tito's federal state—are bent on improving country roads, building new schools and tending rich green fields of tobacco and corn.

The only mobilization I could see here is to better public health and eradicate illiteracy.

Posters in wayside taverns urge the peasants to drain malarial pools and enroll for classes in ABC.

I was told that the Yugoslav Army maintains scattered border strength. There is not the slightest hint of martial excitement. Jovial military bands strike up for village folk dances during the week-ends.

With AP Photographer B. I. Sanders and Walter Weibit, an American Air Corps veteran and Slavic linguist, I have spent a week in the southern part of Yugoslav Macedonia. We motored through territory which critics of Yugoslavia have insinuated was an arsenal and training camp for forces fighting the Greek Army on the other side of the border.

What we saw was a panorama of peaceful development. Allied military representatives who visited this area recently likewise report finding no evidence that Macedonia is stirring up fire of revolt in Greece.

(The United Nations Balkan border commission which visited the frontier area this spring brought in a majority report which held Yugoslavia, Albania and Bulgaria primarily responsible for Greece's frontier troubles. Greek reports that an international brigade was forming north of the border placed it on Albanian, not Yugoslav soil. However, U. N. and other neutral investigators have reported they could find little evidence of the existence of such a brigade.)

In Bitolj, 12 miles from Hellenic soil and astride the "Monastir Gap" through which the Germans invaded Greece in 1941, the biggest topic of local conversation today is the Macedonian bricklayer, Velo Belovski.

Belovski is credited by government engineers with perfecting a faster technique by which he can, with the aid of two apprentices, lay more bricks in half an hour than he used to lay in eight hours. Others have been invited to study his "shock system."

Macedonia is rushing to make up for the lost centuries when it was a hillbilly province of the Ottoman Empire.

Aluminum is the most abundant metal found in the earth's crust.

Fire Sweeps Burnet Area

BURNET, Aug. 7. (P) — Ranchers in this area today began checking damage resulting from a fire which swept an area of ranch land six miles wide and 15 miles long.

First reports were that no cattle or buildings were lost. Fire was kept away from the town of Burnet by a brisk wind.

Starting south of the Llano-Burnet highway, the fire jumped across the highway once to burn 300 acres of pasture.

For a while yesterday the sun was blotted out by cinders, ashes and smoke from the fire, and special efforts were made by fire fighters to save the several houses in the burned area.

The haze started shortly after noon and was brought under control about 10 p. m. last night. Dr. Joe Sheppard, Burnet mayor, said the fire apparently started from a carelessly tossed cigarette or match.

Steel Exports Limited Again

WASHINGTON, Aug. 7. (P) — The United States will revert October 1 to its strict wartime controls over steel exports.

These require government approval of both the country to receive the metal and the use there to which it is to be put.

Since shortly after the war American exporters have been permitted to lump their orders and ask permission to ship a specific tonnage. M. E. Sweeney, chief of the commerce department's export control division over general products, told a reporter today the return to the wartime allocation method is necessary because of the large sums the United States is spending on foreign reconstruction.

First consideration in issuing export licenses, Sweeney said, will be given to requests for shipments aimed at rebuilding basic industries most likely to move the purchasing nations back into financial good health.

Houston-Galveston Superhighway Started

HOUSTON, Aug. 7. (P) — The first concrete has been poured on the Houston-Galveston superhighway. J. C. Dingwall, urban design engineer with the state highway department has announced. The concrete was poured at Pierce and Crawford streets in Houston where a \$1,000,000 widening project for the highway is underway.

One variety of the spider family are called "crab-spiders" because they run sideways.

Cooling Breezes Break Up Year's Worst Midwest Heat

By The Associated Press

Thundershowers and cooling breezes cut further into the Midwest's worst heat wave of the year today after deaths from the four days of 100-degree temperatures had risen to at least 69.

"The heat wave is definitely broken at Chicago and all points north and west and is being broken eastward," the weather bureau said after a shower at Chicago early today tumbled the mercury from 81 to 72 within a few minutes. Elsewhere, though, the forecast-

er said continued high temperatures could be expected today, particularly from Southeastern Michigan southward through Indiana, across southern Illinois and throughout the southern plains states.

At Joliet, Ill., about 40 miles south of Chicago, a brief but heavy downpour was accompanied by strong winds which blew down many trees and disabled the city's power service. Some houses and automobiles were damaged by the falling trees.

Water Shortage Hits Henderson

HENDERSON, Aug. 7. (P) — An unprecedented water shortage that followed the burning of one of the pumps at the waterworks has caused the city council to pass an emergency ordinance banning lawn sprinkling and car washing.

The police department was ordered to patrol all sections and file charges against violators.

Mayor L. H. Reed said it would take at least 48 hours to restore a reserve water supply, now down to the lowest point in history.

FIRST NIGHTERS PACK GRANDSTAND FOR OPENING RODEO PERFORMANCE

By Leatrice Ross
First-nighters at the 14th annual Big Spring Cowboy Reunion and Rodeo packed the grandstands to capacity and overflowed onto every fence on the grounds to see one of the fastest and most varied shows here in a long time.

Such is the opinion too, of RUPERT RICKER, who in his 40 years in this part of the state, has seen no crowd so large nor a parade so long. Politics fitted well into the pattern of things in the parade which streamed through the town about 6 o'clock. Riding the lead horse were REP. R. E. "PEPPY" BLOUNT of Big Spring and SENATOR TINY PARRISH of Lubbock.

Saw everything in the parade from a backboard piloted by DONALD WEBB to a 1947 Ford convertible with KATHALEEN FREEMAN at the wheel. Passenger with DONALD was HARRY WEEG and with KATHALEEN rode SIS SMITH AND JOYCE CROFT. In the grandstands MRS. LUCIEN UNDERWOOD attracted attention in a smart black and white riding habit. MR. AND MRS. SHIRLEY ROBBINS came as west-erners also. MRS. VANCE LEBKOWSKY was wearing blue jeans and plaid shirt. Picking about the crowd in search of a seat were MR. AND MRS. C. Y. CLINKSCALES.

Stopped a moment to chat with MRS. SONNY EDWARDS, whose husband of course was in the riding events. MRS. EDWARDS' two children, STOMY AND MARY LANE, seem to be trekking in the hoof tracks of father. They rode in the grand entry. Sitting with MRS. EDWARDS were MRS. HOWARD SCHWARZENBACH and son, RED, MR. AND MRS. TRAVIS REED AND MRS. E. J. ELY. COLLEEN DAVIDSON, also riding in the grand entry, was wearing a very pretty grey gabardine outfit. Caught a glimpse of MR. AND MRS. HAROLD CANNING and son, TOMMY, undecided which side of the grandstands to search for a seat.

Found MR. AND MRS. OTTO PETERS, HELEN DULEY and W. H. WARTON in the Costen box. Guests of JIMMY GREENE in the Chamber of Commerce niche were

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 million tiny filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

MR. AND MRS. R. E. BLOUNT, SR., MRS. PEPPY BLOUNT and MRS. TINY PARRISH. CLARENCE SCHARBAUER, here for the show from Midland, was out renewing acquaintances. MRS. EDITH MAE WILLIAMSON, of Vernon, former resident, was seen with her daughter, MRS. FRITZ WEHNER.

Moving northward to seats were MR. AND MRS. HUGH COCHRAN, MARTHA HARDIN, MARGARET SMITH, ELTON TAYLOR. Mrs. SALOME HUGO and son, George, recently moved here from Amarillo, were delighted at the show so many horses. MR. ANNE HOUSER and MR. AND MRS. J. R. FARMER brought a guest, "COTTON" MCAFEE of Lubbock. Trailing the photographer over fences and around stock pens, we ran onto reporters from large papers including the Fort Worth Star Telegram and the Oklahoma City Daily Oklahoman doing the same thing. Mrs. J. R. FARMER's rodeo obviously is followed with interest by fans other than those locally. And the local fans certainly did follow Wednesday night.

Residents Entertain Visitors This Week

Thursday finds Big Spring residents still entertaining out-of-town guests and preparing to leave for summer vacations.

Mrs. E. B. Sullivan, Mrs. C. M. Wozencraft and Bety Jean Dalton all of Big Spring, and Mrs. N. H. McElroy of Clarendon returned Wednesday from a summer vacation in Ruidoso and Cloudercroft, N. Mex.

Mr. and Mrs. J. T. Allen have been visiting in Ark. While there they visited Allen's mother, Mrs. W. T. Allen, and Mrs. Allen's sister, Mrs. Nannie Hancock and Miss Lillie Lowry.

Mrs. Ben Allen of Ballinger has been visiting her daughter, Mrs. Stanley Wheeler, and Mr. Wheeler.

Mr. and Mrs. J. A. Adams are leaving in a few days to visit friends, Mr. and Mrs. N. H. White, in San Antonio and relatives in Fredericksburg.

Mrs. Carmel Lee Miller of San Angelo has been visiting her grandmother, Mrs. Joe E. Adams.

Mrs. Walter Hornaday, who has been visiting her mother Mrs. Della Agnell, during the summer returned to Washington, D. C. today.

Hubert Smith of Clyde was here on business Wednesday.

Mrs. R. L. Holley, Sr., is in Richmond, Calif., visiting with her son, J. A. Holley and family.

Events OF THE COMING WEEK

Thursday KOUPLER'S DANCE CLUB meets at 8:30 in the country Club. LOTTIE MOON YOUNG WOMAN'S AUXILIARY of the First Baptist church will meet at 6:30 p. m. in the church. AMERICAN LEGION AUXILIARY will meet at the Settles hotel at 8 p. m. COFFEE CLASS of the First Methodist church are to have an ice cream supper at the church at 7:30 p. m. Friday HAPPY-GO-LUCKY SEWING CLUB meets at 3 p. m. in the home of Mrs. A. J. Allen, 2000 Scurry street. WOODMAN CIRCLE will meet at 8 p. m. in the WOV hall. HOMEMAKER'S CLASS of the First Baptist church will meet at 3 p. m. in the home of Mrs. M. C. Stullins, 1104 Green street. AFTERNOON BRIDGE CLUB meets at 2 p. m. in the home of Mrs. Elvis McCarty, 1201 Runnels street.

With Mrs. Daugherty

The Happy Stitches sewing club was entertained in the home of Mrs. Ben Daugherty Wednesday afternoon. Secret pals were revealed and sewing was entertainment for the afternoon. A salad course was served, and those attending were Mrs. J. W. Hull, Mrs. Pershing Morton, Mrs. Buck Tyree and Mrs. Johnny Cox who will be the next hostess.

Miss Mimms Weds Billy R. Avery In Stanton Vows

STANTON, Aug. 7. (Sp)—Miss Lorece Mimms and Billy Ray Avery were married in a quiet single ring ceremony at 8:30 p. m. Saturday evening in the home of Rev. and Mrs. Elmore Johnson. The bride wore a yellow two-piece suit with white and brown accessories, and she carried gardenias on a white Bible. Both were 1947 graduates of Stanton High school. They will make their home here, where Billy Ray is employed at the Stanton Locker Plant.

New caution lights were put up Monday at the busier intersections of Stanton.

Frances Rhodes has returned from Jal N. M. and with her to visit for a few days is her friend, Faye Happer. Mr. and Mrs. Cecil Hedrick and children are back from a three day trip to Rising Star and Brownwood where they visited his brother, Carl Hedrick.

E. H. Louder attended tractor school in Dallas last week. Discharged from the Stanton Memorial Hospital Tuesday were Mrs. I. A. Smith and Miss Eva Mae Herrington. Mr. Earl Evans, formerly of Stanton, was seriously injured Monday night in a car wreck five miles east of Midland.

Mrs. Hamilton and daughters, Dorothy and Leila, returned from Christoval yesterday. Dorothy is associated with Klapproth and Hamilton law firm in Midland.

Mrs. A. L. Leadbeter, home demonstration agent for Martin county, has returned after a week's vacation in Cisco and Gatesville.

The Home Demonstration Club is planning an encampment at the Big Spring City Park Aug. 18-19. Plans are now being made to send three girls and two boys to the 4-H roundup to be held at A. & M. College Sept. 2-5. Billie Joe Angle was named as one of the girls. She will enter the state dress review.

Mrs. A. L. Leadbeter went to Odessa Monday to judge the county clothing contest. The winner will enter her dress in the state dress review.

Mossie Donelson of Lubbock is visiting his parents Mr. and Mrs. R. L. Donelson this week.

Mr. and Mrs. Clyde Martin of Hubbard City are here looking after business this week.

Sheriff and Mrs. Walter Teele of Garden City were visitors in the home of Sheriff and Mrs. Morris Zimmerman Monday.

Mr. and Mrs. Bill Neill Jr. of Van Horn are the parents of a son born August 5 in a Big Spring Hospital. The baby weighs six pounds 12 ounces. He has been named Willie Larry.

Mildred Right is employed in the Eat Shop for a few days while Mrs. Morris is in Big Spring with her daughter Mrs. Meil.

Mr. J. L. Hall is in Lubbock this week on business.

The Lions met Monday night for a regular luncheon and 22 persons were present. Visitors were George Blocker of Monument, N. M., and Mr. D. D. Nile of Odessa.

Ector Thorton flew to Tulsa over the weekend to visit his grandson, John Rodney Thorton.

Mr. and Mrs. Charlie Martin, Anita Shankle and Alta Coggins spent the weekend at Abilene attending the Martin reunion. Over 100 persons attended.

Mr. and Mrs. B. B. Roberts and family of Cleburn are visiting his uncle, Mr. and Mrs. E. M. Massey this week.

Mr. and Mrs. Prentiss Bristow and Mr. and Mrs. Paul Ricks of Odessa left Wednesday for Colorado Springs, Colo.

Mr. and Mrs. H. C. McCoy of Abernathy are visitors this week in the home of Mr. and Mrs. Jimmy McCoy.

Mr. H. C. Hamilton is in the hospital at Amarillo with undulant fever.

The Methodist women met Tuesday afternoon at the church. Those present were Mrs. B. F. Smith, Mrs. Bob Latimer, Mrs. Jesse Burns, Mrs. Roller, Mrs. R. P. Simpson, Mrs. Calven Jones, Mrs. O. B. Bryan, Mrs. James Jones, Mrs. E. H. Morrow and Mrs. James Biggs.

New officers elected are Mrs. Calvin Jones, president; Mrs. K. L. Forrest, vice president; Mrs. H. F. Smith, Mrs. L. A. Smith and Mrs. R. P. Simpson, secretaries.

Philathea Class Has Covered Luncheon

Mrs. Paul Darrow, Mrs. James Johnson and Mrs. Royce Satterwhite were hostesses to the Philathea class of the First Methodist church at a regular covered dish luncheon Wednesday.

Mrs. R. B. Reeder presided over a short business meeting. She appointed a nominating committee to select candidates for officers for the next term. Mrs. Roy Carter, Mrs. George White and Mrs. Henry Norris, who were appointed to the committee will report at the next monthly meeting. About fifteen members attended the meeting.

Sunbeams Study Mission Work

"Community Mission Work for Children" was the theme at the study hour of Sunbeams who convened at the First Baptist church Wednesday for a regular weekly meeting.

The children were divided into two groups for a quiz on the Sunbeam Manual. The group wearing yellow ribbons won the contest. All Sunbeams were urged to cut out colored pictures which they think are interesting, and bring them to the next meeting so that a scrap book, which is to be presented to a shut-in child, can be completed.

Mrs. Troy Gifford, Mrs. Roy Green, Mrs. Charles H. Fannin, and Miss Lela Mae Hobbs assisted the children with their activities.

Those attending were Andra Lee Fleigh, Nita Jones, Frances Chapman, Loveta House, Carol Savage, Sharon Creighton, Betty Lee Jones, Troy Amos Gifford, Jr., William Paul Fannin and Patricia Fannin. Coamel Allen, Sandra Jean Allen are new members and La Danna Skiles visited the class.

Mrs. Croan Hosts Her Sewing Club

Mrs. J. W. Croan was hostess to the Needle and Thread Club at a regular meeting Wednesday.

Mrs. Vernon Kyle was presented with a gift from the club as a birthday present. Refreshments were served to Mrs. M. F. Ray, Mrs. Walker Bailey, Mrs. Grady McCarty, Mrs. Marian Beam, Mrs. Clayton McCarty, Mrs. T. J. Clark and Mrs. W. N. Norris. Mrs. Clayton McCarty will be the next hostess.

Intermediates Hold Session At City Park

The Intermediate department of the First Christian church, now in a Vacation Bible school, held a class session in the city park Wednesday morning.

"How God Works In The World" was the topic of study. A picnic lunch was served to Jo Ann Haley, Justin Holmes, Jimmy Wilcox, Ray Dabney, Jackie Marchant and Mrs. Cliff Wiley, superintendent of the department.

Took a Reinwald returned Wednesday from a 10-day visit in Del Rio with her parents, Mr. and Mrs. Ray Ross. The Rosses are expected this weekend for the rodeo.

TRY THIS AMAZING HOME RECIPE TO TAKE OFF UGLY FAT

Right in Your Own Home, You Can Lose Pounds Of Excess Weight Without Starvation Diet or Strenuous Exercise

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugstore and ask for four ounces of liquid Barcetrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonful twice a day. That's all there is to it.

LOSE UGLY FAT With Barcetrate

Why not slim down your figure without a lot of fuss and bother? Try the Barcetrate way. Wear your streamlined frocks and slacks gracefully. Remember, if the very first bottle of Barcetrate doesn't show you the sensible way to lose weight, your money will be refunded.

Reduce With Barcetrate Perhaps you are overweight due to over indulgence in food or the wrong kind of food. With the Barcetrate home recipe method, you do not have to starve yourself or go hungry. Just follow the simple instructions given on the label and you should get satisfactory results quickly. The very first pint you make up should show results.

Vacation Trips, Visits, Visitors Reported In Forsan Community

FORSAN Aug. 6. (Sp)—A number of visits and visitors of the Forsan community were reported for the last several days.

Mr. and Mrs. Harry Miller and sons, Tommie and Billie Dan, left Monday for California where they will spend their vacation.

Mr. and Mrs. R. L. Wilson of Odessa were week-end visitors with their parents, Mr. and Mrs. W. T. Creelman.

George Green is recuperating from a tonsillectomy. Mr. and Mrs. Dee Ayers and Douglas and Mrs. Henry Woodrum of DeQueen, Ark., visited in Colorado City Friday and Saturday.

Mr. and Mrs. Horace Holcomb and Jerry Don spent the week-end with his parents in Stanton.

Mr. and Mrs. Dayton White of Crane were guests of his parents, Mr. and Mrs. B. D. White, for a few days.

Mr. and Mrs. Bill Kuenstler, Billie J. Kuenstler, and Loretta Williams of Odessa and Mr. and Mrs. Bud Kuenstler of Big Spring visited friends here Saturday.

Mrs. Virginia Mitchell of East St. Louis, Mo., is a guest in the home of her brother and wife, Mr. and Mrs. R. A. Chambers.

Mr. and Mrs. C. E. Chattin went to San Angelo on business the first of the week.

Mr. and Mrs. W. E. Wadsworth returned Monday from a trip to the Davis Mountains, Fort Worth, Vernon, and Oklahoma City, Okla.

Mr. and Mrs. W. E. Wadsworth left Tuesday for a fishing trip at Buchanan Lake with their daughter and family, Mr. and Mrs. A. M. Johnson and children of Odessa.

Mr. and Mrs. E. C. McArthur, Rowland Wayne, were guests Sunday of Mr. and Mrs. Sam Rust in Dyonahans.

Bob Asbury, Bobby Asbury and Julian Fisher of Big Spring went fishing on the Concho near San Angelo Sunday.

Mr. and Mrs. W. B. Dunn and Betty Jo Robertson and Elizabeth Caldwell of Austin are vacationing this week in Ruidoso, N. M.

Luther Moore, H. N. Yeaden and John Kubeca left Sunday for Ft. Ord and Santa Monica, Calif. for a weeks stay.

Mr. and Mrs. M. M. Fairchild, Dan and Mary Ann, left Tuesday for Ruidoso, N. M.

J. J. McElreath entered a Big Spring Hospital Tuesday.

Mr. and Mrs. Earl Thompson's guests over the week-end were Mr. and Mrs. James Thompson of Lubbock and Mr. and Mrs. Joe Carlsson, Ronnie and Judy of Big Spring.

Mrs. Villa Peoples has returned to the home of her daughter, Mrs. C. C. Long after an extended visit in El Paso with Mr. and Mrs. Charles Flemming and Charles, Jr. who accompanied her home.

Mrs. Mutt Scudday and Yvete of Brownfield visited Mrs. Pearl Scudday and other relatives Monday.

Mrs. Idella Alexander has returned from an extended trip to the northeastern states.

Doona Baker, daughter of Mr. and Mrs. E. N. Baker, is visiting in the home of her uncle, Mr. and Mrs. Steve Thompson in Odessa.

Mr. and Mrs. Jay Melton of Burket are visiting in the home of his sister and family, Mr. and Mrs. Jake Green.

Mr. and Mrs. Glen Whittenburg and children have returned home.

Mr. and Mrs. Tom Davis, are spending a vacation Ruidoso, N. M.

Medical Test Proved 1 Great to Relieve FEMALE PAINS
Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, feel so nervous, restless, weak—at such times? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. In a recent medical test Pinkham's Compound proved remarkably helpful to women troubled this way. It was Doctors call a "miraculous" relief. U. S. Protests Red Seizure Of Oil Refinery

VIENNA, Aug. 7. (AP)—Lt. Gen. Geoffrey Keyes, American member of the four power control commission for Austria, requested an explanation today for Russian seizure of the Lobau refinery in Vienna.

U. S. Army headquarters said Keyes, in a letter to Col. Gen. V. V. Kousarov, the Russian member of the council, asserted that if Soviet military forces had seized the oil works in the capacity of trustee pending agreement on a definition of German assets in Austria for inclusion in the Austrian peace treaty then the action could be "understood."

If that were so, the U. S. General said, "I should appreciate a letter from you to that effect."

"But," the letter continued, "if the refinery has been seized as a German asset without awaiting completion of discussions or resolutions of differences either within the Austrian treaty commission or the council of foreign ministers, the action cannot be understood or accepted."

Any such unilateral action, Keyes said, would be regarded as unacceptable and "the action is protested in the strongest possible terms."

Sir George Rendel, British member of the Austrian treaty commission now sitting here to decide, among other things, exactly what constitutes German assets for reparations purposes, protested the Russian seizure.

Rodeo

(Continued From Page One)

the rodeo grounds. Topping the list probably was an exhibition presented by Volney Snodgrass of Mountain Home and his sheep dog "Peskey." The dog, working from directions issued by Snodgrass, herded about a dozen head of sheep about the arena, finally working them into a small pen near the center.

Following are top four winners in each competitive event at last night's show: Barrel race riding: First, W. R. Rice, Brookville; second, J. Shellenberger, Marietta, Okla.; third, Clyde Hebert, Beaumont; fourth, Bill Barton, Abilene.

Professional calf roping: First, Ray Wharton, Bandera, 14 seconds; second, Earl Tessaie, Crane, 14.6; third, Bill Lowe, Crane, 17.3; fourth, Toots Mansfield, 17.4.

Howard County calf roping: First, Homer Hart, 18.9; second, Glenn Forrus, 19.5; third, Ralph Davis, 23; fourth, Junior Hays, 25.

Saddle bronc riding: First, Bill Weeks, Crane, 8.5; second, Joe Elmendorf, Colorado City; third, Buck Barnes, Coleman; fourth, Kirby Walters, Pampa.

Steer wrestling: First, Shorty McCree, Arlington, 12.9 seconds; second, Burk Jones, Wichita Falls, 14.3; third, Monroe Tomlinson, 24.1; fourth, Bub Evans, Fort Davis, 47.5.

Steeple horse contest: First, Margaret Montgomery, Oona, riding Smoky; second, Bob Neal, Oona, riding Freddie; third, Billy Boren, Snyder, riding Sox; fourth, Jess Slaughter, Cisco, riding Punksie.

Bull riding: First, Curley Cameron, Amarillo; second, Booie Hawthorn, Lamars; third, Sam Greer, Big Spring; fourth, Herbert Pruzell, Beaumont.

Circle steer lead race: First, Mrs. Russell Green, San Angelo, 22 seconds; second, Rosemary Beck, Tulsa, 22.1; third, Shery Allen, Coleman, 22.5; fourth, Joan Willis, San Angelo, 23.2.

Junior boys calf roping: First, Don Sawyer, 21.6 seconds; second, Bobbie Catter, 26.7; third, Marion Wilkerson, Garden City, 29.3; fourth, Jackie Romine, 37.4.

Junior bull riding: No riding. Entrants included Don Day, Kenneth Williams, Delano Knox, Roy Barrington, Jack Rice.

Common to medium slaughter steers and yearlings 13.00 to 20.00; heifers 16.00 down; good beef cows 15.50 to 16.50; common and medium cows 11.50 to 14.00; canners and good 8.00 to 11.50; bulls 10.00 to 15.50. Good and choice heavy calves 18.00 to 21.00; lightweights and weaners mostly 19.00 down; medium grade slaughter calves 13.00 to 15.50; stocker calves, yearlings and steers 15.00 to 21.00; stocker cows 13.00 down.

HOGS 400 active; butchers 25 to 50 cents higher; heavier weights up most; sows strong; spots higher; feeder pigs fully steady; good and choice 18.00 to 17.00; butchers 27.50, top good and choice 15.00 to 17.00; 25.75; good and choice 28.00 to 32.50; 26.50 to 27.25; good sows 23.00 to 23.50; odd head 24.00; good feeder pigs 23.00 to 24.00.

SHEEP 5,500 active and strong; medium and good slaughter spring lambs 19.00 to 22.00; medium and good shorn slaughter yearlings 16.00 to 17.00; Medium 8.00 to 9.00; one load of good and choice 9.50; medium and good feeder spring lambs 16.00 to 18.00; demand brisk for feeder yearlings; some above recent quotations at 16.00.

WALL STREET
NEW YORK, Aug. 7.—Selected rails and industrials managed to edge toward today's stock market although many leaders were stalled by light offerings.

A little short covering provided a drop for favorites as did investment demand based on earnings and dividend yields. Numerous customers held aloof or reduced commitments pending European economic and political developments. Doubts regarding the domestic business picture including exports, served as cautionary argument.

Dealers were receptive from the opening. The index rose irregularly half a point or so at a time. Mild irregularity ruled near midday. Bonds were uneven and cotton futures easy.

Salvaging More Wood Products
LONGVIEW, Wash. (UP)—The Weyerhaeuser Timber Co. branch here has developed a process of utilizing the bark of saw logs, thus turning a 12 per cent waste into cash.

The bark is turned into five products with many uses in industrial fields.

The organization produces five main components, all useful in plywood, glue, plastics, insecticides and soil conditioning.

The products include cork-like flakes, short fibers, tissue powder and cork-fiber combination.

Officials said approximately 75,000 pounds a day are now being processed. At present, only the thick bark of the Douglas fir is being used, although barks from all Pacific Coast conifers are usable.

Two More U. S. Army Men Are Slain In Philippines

MANILA, Aug. 7. (AP)—The slaying of two more men of the U. S. Army by unknown assailants was announced today by the Philippines-Ryukyus command.

The announcement said two Philippine scouts of the Army's 45th infantry regiment were shot and killed in a daylight attack Wednesday while on guard duty at ordnance general supply depot at Camp Batangas, 60 miles southeast of Manila.

Attacks on U. S. Army personnel since June 28 have resulted in a dozen casualties. The Philippine military command and the U. S. criminal investigation division are investigating.

Asphalt Arrives For Paving Project

Last shipment of rock asphalt for the West 17th street paving project has arrived and the material is being moved to the site, city officials announced this morning.

The paving work was delayed for several days while the final shipment was en route here. Half of the topping material arrived several days ago, and with the new shipment on hand, the street department hopes to complete the West 17th work either today or Friday.

Plans Vacation Trip

F. W. Bettle plans to leave tonight for a two-weeks vacation trip that will take him to several states. He will visit relatives in Dallas and Marshall before continuing to St. Louis, Louisville, New Richmond, O., Columbus, Cincinnati, Amora, Ind., Batesville, Ind. and Lawrenceburg, Ind.

EARTHQUAKES RECORDED

NEW YORK, Aug. 7. (AP)—Two "fairly severe" earthquakes were recorded about 1,300 miles south of New York in the vicinity of Cuba by the Fordham University seismograph last night at 6:45:14 p. m. (CST) and 6:48:47 p. m.

Navy Recruiters Fly To Lubbock

James B. Williams, Y1, and David G. West, Y2, members of US Navy recruiting team on temporary duty here, flew to Lubbock Wednesday evening to attend a meeting of the U. S. Naval Reserve Organized Division 8-87 and to make arrangements for Lt. Marvin Hunter of Lubbock, assistant district director of the Naval Reserve, to visit here.

Lt. Hunter will arrive in Big Spring Friday for the purpose of interviewing applicants for enlistment in the Naval Reserve and will appear on a radio program over station KGBT at 7:30 o'clock Friday evening.

Shower-Tea Planned By Wednesday Club

Plans for a shower-tea Friday evening in the home of Mrs. A. F. Gilliland were discussed at the regular meeting of the Wednesday Sewing club at the home of Mrs. Morris Sneed.

Attending were Mrs. A. W. Page, Mrs. R. T. Lyle, Mrs. Bill Sandridge, Mrs. Gilliland, Mrs. Ed Stringfellow and Peggy Stringfellow.

Ton Of Textbooks For Rural Schools

A ton of text books, destined to the distribution to all rural schools within Howard county, has arrived at the county superintendent's office and was being sorted out this morning.

The volumes will be kept in storage at the court house until school opens in September. The books were sent by the State Department of Education in Austin.

Picked Up As Assault Suspect

W. B. Lollar was picked up by members of the city police force at 3 a. m. today on charges of assault and attempting to rape an elderly woman. He later was transferred to the county and lodged in the county jail pending fixture of bail.

The woman said she was asleep when Lollar, 29, entered her quarters.

Brewers Heavy Meet Favorites

DENVER, Aug. 7. (AP)—With a 21-4 victory over the highly-regarded Cincinnati Crescents, the undefeated Golden, Colo., Brewers were a solid favorite today to win the Denver Post Semi-Pro baseball tournament.

The only other unbeaten teams, Denver Rogers and Louisville, Colo., meet tonight. Golden has repeatedly beaten them throughout the season in local play and captured the Colorado semi-pro championships by defeating Louisville, two games out of three.

Games this afternoon pit Enid, Okla., against Edgewater, Colo., and Colorado Springs against Denver Alperis. They are elimination affairs.

Decision Delayed On Adding Mechanics Courses At HCJC

Matter of adding mechanical courses to the Howard County may not be decided until September, it was indicated Thursday.

Attendance at a projected organizational meeting Tuesday evening was small, but leads on prospective students were unearched. Inquiries indicated a course in auto mechanics was most likely. Other fields under immediate consideration are airplane mechanics and electrical work.

Likeable Summer Salad To Pep Up Daily Menus Pickles On A Picnic

By CHARLOTTE ADAMS ASSOCIATED PRESS FOOD ED.

Almost everybody likes salad in the summer. It's light, cooling in appearance and effect, and appears well at almost any point in the meal.

Californians serve it first. Through the rest of the country it's served along with the main course. In elegant houses where dinner runs to five courses (there aren't many any more) salad comes by itself between the main course and dessert. Salad, at least occasionally, makes an excellent substitute for dessert. See whether these recipes won't convince you.

Fruit Dessert Salad

2 cups flour
1/2 cup grated sharp cheese
2-3 cup butter or vitaminized margarine
1 teaspoon salt
5 tablespoons water
Assorted fruits in season
6 mint sprigs

Sift, measure flour, stir in cheese and salt and cut in butter or margarine until coarse crumbs are formed. Add water and stir with fork until ingredients are moistened. Turn out onto floured cloth, press into mound with hand, roll out with floured rolling pin to 1/4 inch thick. Cut into squares as big as your individual pie plates are across bottom from rim to rim. Pinch little pleat in middle of each side so crust will fit pan. Bake in very hot oven (450 degrees) 5 minutes. Press crust back to pan or prick tops of any bubbles that form. Continue baking for 10 minutes. Cool. Fill with assorted fruits, such as grapefruit, pineapple chunks, peach halves, straw-

berries. Garnish with mint sprigs. Serve with dessert mayonnaise.

Dessert Mayonnaise

1/2 cup real mayonnaise
1/2 cup whipping cream
1/4 cup crushed strawberries or raspberries
1/4 cup sugar or honey

To mayonnaise, add cream chilled and whipped stiff. Fold in berries, mixed with sugar. This makes a cup and a half.

Here's a wonderful dressing to serve with a regulation fruit salad—that is to say, mixed fruits of the season, served on a bed of crisp lettuce or other greens.

Avocado Fruit Dressing
1/2 cup sieved avocado
1/2 cup pineapple juice
3 tablespoons lemon juice
1/2 teaspoon salt
Few drops Tabasco sauce

Cut avocado in halves and remove the seed and skin. Force fruit through a sieve. Blend this sieved avocado with other ingredients. Makes about 3/4 cup of dressing.

A salad of mixed greens make a perfect ending for a meal. Vary the greens. Include occasional things like dandelion, nasturtium leaves and such—and fresh herbs if you can possibly find them.

Hard-cook egg, sliced or sieved, is nice to add to such a salad and so are a few filets of anchovy, cut up. A good cheese dressing adds just the right touch. If you can't find, or afford, real French Roquefort, our own Wisconsin blue does nicely.

Roquefort Cheese Dressing

6 tablespoons olive oil
2 tablespoons vinegar
1/4 pound Roquefort cheese
Salt to taste

Freshly ground black pepper. Beat the oil into the vinegar, pouring gradually, and add seasonings. Crumble the cheese and stir it in. Beat well just before pouring over salad, and toss the salad gently but thoroughly after the dressing is added.

Dr. R. E. Henderson Named To Aggie Post

COLLEGE STATION, Aug. 7. (AP)—Dr. R. E. Henderson, research animal husbandman, has been appointed assistant director of the Texas A. & M. agricultural experiment station effective Sept. 1, director R. D. Lewis announced Wednesday.

TB Sanatorium To Open In South Texas

MISSION, Aug. 7. (AP)—Operation of South Texas' first state tuberculosis sanatorium probably will start by the end of the year. Although only 250 patients will be admitted at the start plans are for it to ultimately serve 2,000 patients.

DUDLEY SIGNS

DETROIT, Aug. 7. (AP)—Newest addition to the Detroit Lions' fold is Bullet Bill Dudley, twice the National Football League's leading ground gainer as a member of the Pittsburgh Steelers, who was lured out of proposed retirement as a player to sign a 1947 Detroit contract believed to be worth \$25,000 to him.

SCHOLARSHIP—Patsy Stanfield, daughter of Mr. and Mrs. A. V. Stanfield, motor route B, Lamesa, has been awarded the Fannie Breedlove Davis scholarship from district No. 8 of the Texas Baptist Women's Missionary Union for the 1947-48 school year at Mary Hardin-Baylor college at Belton. An honor graduate of Lamesa high school and secretary of the First Baptist church there, Miss Stanfield was chosen from applicants from a 11-county area.

City-School Board Meet Date Undecided

No dates will be set for the joint city-school board of equalization meet pending an examination of the tax rolls of the two agencies by the board.

Prospects are for an early meeting of the board, consisting of Tom Rosson, A. P. Clayton and Jack Roden, to review rendition changes. When the board is sufficiently far along on this work, the date of hearings for individual taxpayers likely will be set.

BRANCATO TO CATS
FORT WORTH, Aug. 7. (AP)—Albert Brancato, 26, third baseman from St. Paul, joined the Fort Worth Texas league baseball club here Thursday. He played in both the American Association and the International League in 1946.

Helpful ideas for busy canning days

by Carol Drake

Can, jam, preserve, conserve—that accounts for the spicy fragrances now wafting from kitchen windows. These tips for canning with little to-do are for the busy homemaker with much to do.

...SAVE TIME: MAKE CHILI SAUCE AND TOMATO JUICE AT THE SAME TIME. Wash and quarter about 10 pounds tomatoes. Simmer until soft, about 30 minutes, with chopped celery, onion, green pepper, carrots and whole spices. (The spices loosely in cheesecloth bag, easy to remove.) Drain off juice and fill hot jars. Process in boiling water bath 85 minutes. Put tomatoes, celery, onion, green pepper and carrots through colander or food mill; add vinegar. Cook until pulp is thick enough to round up on spoon. Fill hot jars; process in boiling water bath 1 hour.

...KEEP CRYSTALS OUT OF GRAPE JELLY. Prepare juice and let stand overnight in refrigerator. Crystals form and settle to the bottom. Dip off juice, proceed with jelly making.

...BE PARTICULAR IF YOU WANT PRAISEWORTHY PICKLES! Use fresh spices—1 ounce whole mixed spices is enough for 4 gallons of pickles; soft water (soften hard water by boiling, letting stand 24 hours to settle), and good recipe. Write to Carol Drake for "PRIZE PICKLE RECIPES." Box 2110, Dept. PR, San Francisco 26, Calif.

A Good Meal For A Warm Evening

Jellied Consomme
Asparagus Rolls with Cheese Sauce
Sauce
Corn on the Cob
Buttered Spinach
Sliced Tomato Salad
French Dressing
Strawberry Shortcake (Recipes Serve Four)
Asparagus Rolls with Cheese Sauce
1 cup sifted flour
1/2 teaspoon salt
1 teaspoon baking powder
1 egg, beaten
2 tablespoons melted butter or margarine
3/4 cup milk
1 tablespoon prepared mustard
1 can asparagus tips
1 hard-cooked egg, sliced
Pimiento
Sift together with flour, baking powder and salt. Combine egg, melted butter or margarine, milk and mustard. Add to flour mixture, stirring until flour is moistened. Make pancakes on a greased skillet by allowing one half cup of batter for each pancake. When done, arrange three or four asparagus tips across center of each pancake and roll pancake around asparagus. Allow two rolls for each serving. Four cheese sauce over rolls. Garnish with sliced hard-cooked egg and pimiento strips.
Cheese Sauce
2 tablespoons butter or margarine
2 tablespoons flour
1 cup milk
1/2 teaspoon salt
1/2 cup grated cheese
Combine butter or margarine and flour in top of double boiler. Mix well. Gradually add milk, stirring constantly until thickened. Add salt and grated cheese, stirring until cheese is melted.

Singer's Hobby Is Creole Recipes
By CHARLOTTE ADAMS
Associated Press Food Editor

It has been my great privilege in recent months to become good friends with Adelaide Van Wey, the American contralto whose specialty is the folk song forms of our country. She also loves food and is a magnificent cook. To a cook like me that's ample reason for friendship, especially when her culinary specialty is Creole cooking, which I learned to love in New Orleans. Here are some of the recipes she has given me.

PIEAPPLE CONE
1 fresh pineapple
1/4 pound peanut brittle
1 bottle ginger ale
Cut the pineapple in half, leaving the plumes on. Score the edible part and leave it as it is. Pound the peanut brittle in a tea cloth until it is pulverized. Stuff the cracks in the pineapple with this. Put into the refrigerator for at least one hour (longer is better). When ready to serve, cut into quarters and pour ginger ale or other carbonated beverages over all.
OYSTER LOAF
1 loaf French bread
Garlic
Butter
2 dozen oysters
Split bread lengthwise, leaving a hinge, and take out the soft insides. Rub inside of loaf with cut clove of garlic, then butter it. Sauté oysters in more butter until they curl. Mix them with some of the soft bread removed from the loaf and stuff the mixture into the loaf—lightly. Close the loaf. Wrap it in a cheesecloth which has been dipped in milk. Tighten the cheesecloth by twisting the ends. Bake in 325-350 degree oven for 30 to 40 minutes or until piping hot. To serve slice through from top to bottom—about two-inch slices.
SHRIMP CREOLE
2 cups cooked, cleaned shrimp
1 cup cooked rice
1-2 can tomatoes
1/2 cup chopped, stuffed olives
1 small onion, chopped
1 small green pepper, chopped and sautéed
6 dashes of tobacco
1 tablespoon horseradish
1 tablespoon chili power
1/2 teaspoon freshly ground pepper
Combine all ingredients and blend well. Place in an ovenproof casserole. Top with grated sharp cheese. Bake until piping hot and cheese is melted.
SPECIAL HAM
Ham slices
Bahamian mustard
1 1/2 cups unsweetened pineapple juice
2-5 sticks of cinnamon
5-6 cloves
Tiny onion, sliced thin
Have ham slices cut 1/4 to 1/2 inch thick. Massage each slice with Bahamian mustard, then with brown sugar, until that is absorbed. Place in an iron skillet without fat. Brown on both sides. Pour in pineapple juice. Add cinnamon sticks, cloves and onion. Cover tightly and cook over a low flame for 30 minutes.

COOL OFF!
with vigorous, refreshing

Peaches Getting More Plentiful; Here Are Tips On Canning Them

Peaches are moving in Production and Marketing Administration's southwest area. They are coming in from Texas and Arkansas, also other early producing states which include Georgia, North and South Carolina, Alabama and California.

So far, these states have shipped 10,013 cars, and peak movement is yet to be reached.

While home-makers can help move these peaches now by serving them to their families often and in a variety of ways, here are some of the ways they can be "put up" successfully for use in later months. They are recommended by specialists from the Bureau of Human Nutrition and Home Economics of the U. S. Department of Agriculture.

For home and community canning, freezing, drying or preserving, peaches should be table-ripe, firm and perfect. The pink blush on many varieties doesn't tell much about quality. Background color shows ripeness. When processes call for table-ripe fruit, choose those with yellow or yellow-white ground, not green, and put them up at once.

Use softer fruits for peach butter or jam and the slightly underripe for pickles.

Peaches are easy to can and may be safely canned in a boiling water bath canner. Steam pressure is not necessary. Can from 18 to 24 quarts per bushel.

Peaches may be packed either hot or cold before processing. Each method has its own advantage. Hot packed peaches save jar space and about one serving more can be put into a quart jar than when packed raw. Raw-packed peaches hold their shape better and look prettier in the jar and on the table.

The following directions should be used from start to finish, regardless of the way peaches are canned.

First, the peaches should be washed, dipped in boiling water, then quickly in cold to loosen the skins. Remove skins. Halve and pit. Slice, if desired. To prevent darkening during preparation drop peaches into water containing 2 tablespoons each of salt and vinegar per gallon. Drain just before heating or packing cold.

HOT PACK: Heat peaches through in hot sirup made by boiling sugar and water or peach juice together 5 minutes. (A thin sirup contains 1 cup sugar to 2 cups liquid. A medium sirup contains 1 cup sugar to 2 cups liquid.) If peaches are very juicy, they may be heated instead with dry sugar—about 1-2 cup to a quart of raw fruit—letting the fruit come to a boil over low heat.

Pack hot fruit in hot glass jars to 1-2 inch of top. Cover with boiling liquid, leaving 1-2 inch space at top of jar. Adjust jar lids. Process in boiling water bath, either pint or quart jars for 20 minutes. As soon as jars are removed from canner, complete seals if they're not self-sealing type.

COLD PACK: Prepare peaches as already directed. Pack raw fruit to 1-2 inch of jar top. Cover with boiling sirup, leaving 1-2 inch space at top of jar. Adjust jar lids. Process in boiling water bath—pint jars for 25 minutes; quart jars for 35 minutes. As soon as jars are removed from canner, complete seals if they're not self-sealing type.

Several jars of peaches canned and placed on the pantry shelf this summer will come in mighty handy next fall and winter when fresh supplies aren't available.

Suggestions For Backyard Barbecue

Savory Hors d'Oeuvres
Barbecued Spareribs
Broiled Tomatoes
Carrot and Celery Sticks
Fresh Blueberry Cobbler (Recipes Serve Four)
Barbecued Spareribs
3 pounds spareribs
1-3 cup water
1/4 cup vinegar
1-3 cup butter or margarine
1-3 cup chili sauce
3 tablespoons horseradish
3 tablespoons Worcestershire
1/2 teaspoon salt
Dash of cayenne
Wipe spareribs and cut into serving pieces. Cook in a skillet over hot coals, turning often and basting made by heating together the remaining ingredients. Use sauce left from basting for gravy and serve separately.
Broiled Tomatoes
4 medium-sized tomatoes, cut in halves crosswise
2 tablespoons melted butter or margarine
Salt
Freshly ground pepper
1-3 cup fine bread crumbs
Grated Cheese (optional)
Wash tomatoes and brush surfaces with butter or margarine. Sprinkle with salt and pepper and bread crumbs. (Grated cheese may be added if desired.) Broil under moderate heat for two minutes or until lightly browned.

TICK DUSTIN
PULLMAN, Wash. (U.P.)—Light dusting with DDT offers effective, low-cost protection against the wood tick, carrier of the deadly Rocky Mountain spotted fever, Washington State College entomologists report. They recommend dusting with 10 per cent DDT powder over grass, weeds and shrubs at the rate of two to four pounds an acre. For small areas such as backyards and children's playgrounds, they advised one ounce per 1,000 square feet.

Cattle Disease Reported Killed Out In Three Mexican States

MEXICO CITY, Aug. 7.—The joint U. S.-Mexican commission to combat foot and mouth disease among Mexico's cattle reported that infection has been stamped out in three of the sixteen states on the quarantine list.

The states of Aguascalientes, San Luis Potosi, and Chiapas have been freed of the disease by slaughtering and buying all infected or exposed animals. Federal troops enforcing quarantine zones in those states will be moved to guard other infected areas.

Indemnities based on the local market price for beef are being paid for slaughtered animals. Payments have averaged 238 pesos (\$48) per animal.

Indemnities may be paid in cash or in credit toward new animals or modern agricultural machinery.

Both the U. S. and Mexican governments are contributing funds for indemnity payments. U. S. funds going to pay for cattle slaughtered, and Mexican funds for sheep, swine and goats.

The U. S. appropriated \$10,500,000 to initiate the campaign and prevent spread of the disease to the U. S.

Mexico has appropriated more than \$9,000,000 and contributed services of federal troops. Commission officials have estimated it will cost at least \$23,500,000 in indemnities alone to stamp out the disease.

When it rains it pours

PLAIN OR IODIZED

Building Bought For Labor Center

COLORADO CITY, Aug. 7.—Purchase of a surplus "walk-way" building from Camp Berkeley for moving and rebuilding into a migratory labor center for Colorado City has been announced by L. A. Chapman, manager of the chamber of commerce. The chamber here staged a drive for funds, recently, for the erection of a camp to house Latin-American cotton harvest workers, and banked a total of \$4,100 for the project.

"Work on the moving and the erection of a series of 50 foot buildings will begin immediately," Chapman said. The Farm Labor committee, organized in June, voted to erect the camp near the Mexican residential section in West Colorado. The problem of sufficient water, the chamber manager stated today, may necessitate choice going to get that camp built and built fast," he concluded.

Former Resident Of Colorado City Dies

COLORADO CITY, Aug. 7.—The Colorado City friends were informed this week of the death in Long Beach, California of Tom Hughes, Sr., a native of Colorado City who for many years was in the tailoring business here. Mr. Hughes, about 55, died after an illness of two years, late Sunday. Funeral and burial were in Long Beach.

He is survived by his wife, the former Mattie Shuford, daughter of an early-day Methodist minister here; a son, Captain Tom Hughes, Jr., US Navy; two daughters, Mary and Sadie Hughes of Long Beach; and one sister, Mrs. D. N. Arnett, Jr., of Kansas City, Mo.

In area, Colombia is the fourth largest country of South America.

40 Enroll In Play School

COLORADO CITY, Aug. 7.—Enrollment of 40 women at the Mitchell County recreation school, being held this week with Jane Farwell of New York City as director, was reported by Mrs. Mary R. Drummond, home demonstration agent here. H. D. Clubs assisted by the American Legion, the Chamber of Commerce, the Jaycees, the Lions club, and the Kiwanis club sponsor the school. General play night attracted 60 Colorado Citizens the first evening.

On the calendar for the week are games to be played in small space; action songs; school games; square dancing; song party; folk dancing; play ideas; mixers; stunts; and picnic entertainment. Miss Farwell, of the National Recreation Council, addressed the Kiwanis club at its weekly luncheon hour Tuesday.

A similar recreation school is planned by Loraine citizens Aug. 18.

Mixed Pairs Top Livestock Bids

Mixed cows and calves topped a common run of Herefords Tuesday at the West Texas Livestock sale and hogs topped the Fort Worth market for the day.

Alvin Walker, Big Spring, sold a mixed pair for \$161, barely ahead of Carl D. Glaze, Stanton, with \$160 in spreads ranging upwards from \$110. Hereford cows and calves went from \$135 to \$152 per pair.

Ross Hill, Big Spring, hit the bull top with 16.50 for a 1,585-pound animal that grossed \$261.53. Fat cows varied from 13.00-17.70.

Hence Barrow, Midland, getting the top, Jack Saunders, Stanton, was high on fat calves at 22.20 in bidding fluctuating from 19.00. Roden Ranch, Westbrook, sold a load of stocker calves at 20.60, top in bidding from 19.00. Stocker cows brought 11.00-13.50; canners and cutters from \$8.00-12.75.

Thirty head of hogs hit a top of 26.80, or 20 cents above the Fort Worth market for the day. There were little less than 600 cattle through the ring.

Recipes Asked For Legion Cookbook

Mrs. Neel Barnaby, chairman of the American Legion Auxiliary committee for compiling a cookbook, asks all persons having favorite recipes to submit them before or at the Auxiliary meeting Thursday at 8 p. m. in the Settles hotel.

The cookbook contains recipes gathered from local housewives. It will consist of about 150 pages, and will be ready for publication in some three weeks.

Colombia faces upon both the Pacific ocean and Caribbean Sea.

A book you ought to study-TONIGHT!

If you have a checking account in a bank, use today... one if you're on a payroll, another if you're not.

Get out your bank book tonight. Run your eye over the deposits you've made in the last year or two.

Very likely you'll be surprised at the total of those deposits... surprised at how much you've put in, yet how little you've saved out of it.

Perhaps, too, you'll realize how much you need a plan for systematic saving out of your income—regular and automatic saving, month after month after month.

There are two such plans available to you

The first is the Payroll Savings Plan for buying U. S. Savings Bonds through automatic deductions from wages or salary.

The second is the Bond-a-Month Plan for buying these Bonds through automatic deductions from your checking account in the bank.

Whichever plan you adopt, you'll find it the simplest, easiest way to save money for future wants and needs. The Bonds are one of the safest investments in the world... and they pay back, at maturity, \$4 for every \$3 you put in them today.

Save the easy, automatic way... with U.S. Savings Bonds

Contribution Toward A Program

It is difficult and perhaps hazardous to single out a bit of work in an institution such as a school system, but the resignation of Joe Haddon as band director, we feel, merits a word.

The band director perhaps would be the last to claim that his contribution has been any more important than that of any teacher or administrator who has found better opportunities. But because the band is a sort of show piece for the schools, just as are the athletic and literary teams, we feel that the work is important. Moreover, it is one avenue for drawing students into a field of creative expression where our system needs strengthening.

Only during the past year has it been possible for the board to give proper consideration to the orderly development of this program. Circumstances brought the

director into the system at the time when his particular talents were needed.

To say that in the space of one year Haddon had developed a top-flight band would be to grossly misrepresent facts. Bands aren't built that way—it takes years. The soundness of his part, however, lies in the formulation of a long-range program in meticulous detail; in rehabilitating instruments and uniforms and setting up complete inventory, in putting the band library in good condition, and in stimulating interest among students in instrumental music. An evidence of this is voluntary attendance at the summer band school of 115 students. And these things have been done in harmony with the administration and an appreciation for the perspective of a school program and the band's relation to it.

Relief From Mental Extreme Fad

A magazine (Collier's) has come out with a welcome piece, putting a damper on the psychiatric craze.

Not that psychiatry is not an important field in treating human ailments and difficulties, but the American passion for extremes has made the public overly conscious of the unconscious.

For instance, there have been some illuminating and helpful articles on psychiatry and psycho-analysis. These were received with proper enthusiasm, and some of the trivia which followed was not worth the paper and ink required for its production. Then the movies (someday we want to do a piece on the movies) got hold of the subject. The result: A "passel" of dramatic confusion a la Salvador Dali, a mass of dream sequences which bewildered audiences, bored

critics and confused almost everyone.

From this we deluded ourselves into believing that if we beat our wives and didn't get away with it, we were subjects for sympathy. Perhaps our parents did something to us when we were sucking the bottle—and that sub-conscious fixation plagued us unknowingly. We were a victim of psychopathic circumstances.

Doubtless there is a great field for psychiatry in getting at the root of some basic disturbances, in correcting the cause of some ills, and in overcoming some painful and troublesome phobias. But this business of thinking we are slipping a cog when we feel depressed or worry a bit is sheer nonsense. It's time psychiatry was left to the psychiatrists and thus end a fad of extremes and a host of lousy pictures.

Texas Today—Jack Rutledge

Flying's Not A Man's Game Now

To the Ladies:

Mrs. W. C. Grady of Locksburg, Ark., visited Shamrock, Tex., and decided to fly back home. Mrs. Grady is 70, and the plane trip was her first. But she wasn't frightened.

"I'll just be that much nearer to heaven, up there," she said.

Her nephew, George Vaughan, flew the plane, and on arrival at the Arkansas home he buzzed the town four times, causing the mayor to dash out of his office and wrathfully say "that flyer ought to be arrested."

He changed his mind when he found the pilot was his nephew, the passenger his wife.

Mrs. I. S. Scott, 55, recently soloed and became a full-fledged pilot. Her instructor, Douglas

Craig, said he believes she is one of the oldest women pilots in the southwest.

Mrs. Scott plans to use her new skill in flying between ranches at Hart, Texas, near Plainview, and Portales, N. M., which she and her husband own.

A Solomon-sort of problem faced federal Judge Wilson of Fort Worth. He had to determine if Coy G. Moore, recently back from the Army, had bought a car for business or pleasure.

Young Moore said he bought the car to court a Cleburne girl, and not for use in connection with his father's venetian blind shop.

J. Elwood Winters, defense attorney, charged Moore had bought the car for business pur-

poses, and added that "I don't know but that even courtship is a business itself."

The judge said that a boy straight out of the Army and with money in his pocket wasn't thinking of business, ruled that courtship was a pleasure.

The co-eds at North Texas State College, Denton, are lowering their skirts—unwillingly. New fashions decree longers skirts, and the girls are complying, but one of them suggested that Hat-tie Carnegie and Adrian "fold up their drapes and silently slip back to Paris."

"The boys don't like it, either. Long skirts cover up an extremely pretty part of a woman's anatomy," one said.

Affairs Of The World—DeWitt MacKenzie

British Socialism Worries U. S.

British Foreign Secretary Ernest Bevin isn't one to compromise with convictions, as witness his reiteration of the socialist government's policy of nationalizing the factories and mines of Germany's great Ruhr—a policy which the U.S.A. strongly opposes on the grounds that this is a matter for the German people themselves to decide.

However, if even "heaven tempests the wind to the shorn lamb," surely John Bull might refrain from blowing the hot breath of socialistic nationalization down the neck of capitalistic Uncle Sam.

To get down to cases, there is a good deal of quiet uneasiness in the United States over the economic aspects of British socialism as they relate to inter-

national affairs. The situation worries the practical business man, who recognizes that it is the exercise of private initiative which has made his country the richest and most powerful of all time. He believes rightly or wrongly, that complete nationalization of a country means totalitarianism and the death of Private Initiative.

We got an indication of this feeling when Congress was debating the British loan a year ago. Some congressmen wanted to know why U.S. dollars should be appropriated to save British socialism.

Well, the matter of helping finance the Marshall program for European economic rehabilitation presumably will come up in Congress in due course. And

the signs are that the legislature will be even more searching in its inquiry than ever before.

England knows all this and for that reason one would think she would go slow on demanding nationalization in a foreign country like Germany. Such insistence on spreading Britain's political-economic program abroad is unhappily suggestive of an international crusade. It isn't particularly good promotion for aid from America.

It is the economic aspect of socialism, rather than the strictly political, which is worrying American big business. The United States has made it quite clear that she wants to be helpful to her good ally in this crisis, but wants to do so without cutting her own throat.

In Hollywood—Bob Thomas

Donlevy Joins Actor-Producers

HOLLYWOOD. (AP)—The trend of stars' making their own pictures continues. Brian Donlevy is the latest to join the list of actor-producers; his lawyers are now setting up a deal for one film a year under his own banner.

Donlevy joins Dana Andrews, Douglas and others who have set up their own companies in recent months. Actors agree that this is the best set-up for them, since it provides an income over a period of years. A straight salary is too soon swallowed by taxes, they think. With no tax relief in sight this year, more actors will be popping up as producers.

"If Winter Comes" will be whipped into final shape on the high seas. Director Victor Saville sails on the Queen Mary Aug. 8 and will finish cutting the film aboard ship. Herbert Stothart will accompany him and compose the score en route. Hope it's not a rough crossing. They'll sneak preview the picture in England, which is something new.

Larry Parks' suit against Columbia is being watched carefully by other employees. Evelyn Keyes also signed a new contract before she got the "Joison Story" role. And when Glenn Ford returned from the marines, he signed a new pact before he could play with Bette Davis in "A Stolen Life." The studio wanted seven years, but Glenn would give five.

Jerome Courtland is recovering from a grave illness. It was a tropical disease he picked up in the Pacific. His first date since his recovery will be with Peggy Ann Garner.

Susan Peters is doing a fine job in "The Sign of the Ram" and already there is talk of academy awards. This annoys Susan who says realistically, "The shooting schedule isn't long enough for an academy award performance." But it's a good longshot in the academy future book.

Robert Cummings hies to Victoria, Canada, for a visit with friends after he finishes "Sleep My Love." When he returns he'll start his first production on his own. It's a thriller called "The Glass Heart" and he hopes to lure Agnes Moorehead for it.

Vincent Price has bought a screen treatment of Ibsen's "The Wild Duck," and he wants to sell it to Columbia or U.I. It has a starring role for him, and Abigail (Tommye) Adams is getting the starlet buildup at Columbia. Her marriage to George Jessel awaits clearing up of legal matters involving his ex-wife and daughter.

The bill for "Arch of Triumph" has passed the five million mark. That's a lot of calavados. Frank Sinatra bought a two-engine plane and will fly his family around the West for the vacation between "The Kissing Bandit" and "Miracle of The Bells." Happy listening: "Cumana" by Freddy Martin

Eddy Howard is at the Coconut Grove and Duke Ellington at Ciro's with very listenable music. But not danceable.

Robert Young wants to play Ben in "Look Homeward, Angel." It's the favorite book of many Hollywood people. Tom D'Andrea nixes the idea he would play Eddie Carter at Warners, as reported. "I'd rather make it to the top on my own," says he.

Robert Cummings hies to Victoria, Canada, for a visit with friends after he finishes "Sleep My Love." When he returns he'll start his first production on his own. It's a thriller called "The Glass Heart" and he hopes to lure Agnes Moorehead for it.

Vincent Price has bought a screen treatment of Ibsen's "The Wild Duck," and he wants to sell it to Columbia or U.I. It has a starring role for him, and Abigail (Tommye) Adams is getting the starlet buildup at Columbia. Her marriage to George Jessel awaits clearing up of legal matters involving his ex-wife and daughter.

"LET'S BUY A CHEAP CAR AND TOUR THE COUNTRY"

Hal Boyle's Notebook

No Dream Shortage

NEW YORK.—There is no shortage of dream worlds in America.

Back down the road away I wrote a piece about the private dream world I live in when I am being bored by people or ought to be at my work.

Well, judging from the mail I have been getting, there must be more dream worlds in this country than there is bubble gum. For all our efficiency and hustle-bustle, we Americans still delight in shedding the shackles of our routine to romp and gather wool in mental pastures where the moon flowers never die.

The tense man of unresting action clutters his office walls with slogans like "Think!" and "Do It Now!" But when he goes to bed he is likely to ride off on a wild nightmare who has the bit in her teeth and gallops him down perilous lanes of fear and torment. The day dreamer, on the other hand, has placated his subconscious mind by twilight and lies down to a restful unbroken sleep.

A young married woman from Texas wrote she had created a dream world of her own, centering about music, before she started to school.

"I never had a chance to study it," she said, and just continued on dreaming band music and beautiful waltzes. It's gone on so long that I have decided to start studying music."

This lady said that after ten years of marriage her husband couldn't understand her day-dreaming because he dreamed only at night. He sounds to me like a direct-actionist.

I am somewhat suspicious of

a major in California—ah, there's a place to dream—who wrote in to tell me how to accomplish one of my favorite dream world projects—to rob the Bank of England.

"1) One hour before the bank opens," he said, "bust the air-conditioning system."

"2) Drop poison gas pellets into the bank."

"3) Enter with a gas mask and shoot everyone with a pistol that has a silencer on it."

"4) Take and put all money you can into briefcases and leave immediately."

"5) Stay in hiding for thirteen years—then start spending the money."

"6) Have a good time."

The major added in a postscript that "I have thought about the same thing sometimes." I am not so sure that I want to team up with him in my dream world.

He sounds too much like a direct-actionist, too.

Protruding Feet Save His Life

OLYMPIA, Wash. (UP)—R. H. Hansen's feet saved his life.

Hansen was inspecting a water line at the bottom of a ditch. The sides collapsed and buried all of him except his feet.

He cupped his hands and arms under his feet as he fell, providing a small quantity of air. He lay buried alive, highly breathing his small oxygen supply.

A few minutes later the brakeman on a passing engine saw Hansen's feet protruding. The brakeman called help and Hansen was dug out. He suffered a sprained back.

Cayuses Again Edge Sweetwater, 17-9

Parlier Gets 5th Victory

SWEETWATER, Aug. 7.—Big Spring team mates of Charley Parlier gave the righthander all the mace support he needs to chalk up his fifth victory of the year here Wednesday night, the Broncs clubbing the offerings of three Sweetwater hurlers for 15 hits and a 17-9 victory.

The win was the second in a row for the Hoses over the Sports, their fifth consecutive triumph and enabled them to increase their Longhorn league lead to three full games over second-place Midland, which lost to Ballinger.

A ten-run outburst in the second round paved the way for Parlier's win. Pepper Martin and Orlando Moreno hit round trippers in that round as 15 men paraded to the dish. Every man in the Steed lineup with the exception of Norman St. George hit safely at least once.

Leamon Bostick, who bowed out for a pinch hitter in the seventh, and Gaspar Del Toro each blasted out three safeties. One of Bostick's blows went for three bases while Del Toro had two doubles.

Moreno and Martin between them drove home nine runs while Del Toro accounted for another three.

Parlier struck out ten men and stopped Bob Cowars. Sweetwater's terrific swing, without a hit.

Bronc Briefs: Only 11 men made the Sweetwater trip with the Broncs. Armando Traspueso, Bert Baez, Gerry Rodriguez and Jose Cindan were given time off to see the rodeo.

The hit Parlier collected here Wednesday night was his second of the season. Leamon Bostick, who left the game in the seventh, has a variety of ailments.

His bashed finger is acting up again and his feet leave him in pain when he runs.

Pat Stacey collected only one hit but ran his string to 27 games in which he has connected safely 28 including the all star game.

ATHENS, Ga. — The University of Georgia is planning big things for this fall. He's John Rauch, a junior, and Georgia Coach Wally Butts hopes he can replace All-America Charley Trippi in the backfield. He weighs 195 pounds and completed 48 out of 87 passes while spelling Charley last year. Rauch hails from Yeading, Pennsylvania, the same state that produced his All-America predecessor.

LOOKING 'EM OVER

With TOMMY HART
Perhaps the peace-time conversion in the major baseball leagues is nearing completion. True, many of the players who won regular jobs during the war years have managed to remain on major league rosters but the majority of them have drifted back to the minors.

Take a rundown on the playing roster of the New York Yankees. Only four of the boys who were with the club as recently as 1944 are still with the Bronx Bombers: Floyd Bennett, Frank Crosetti, Johnny Lindell and George Stinnewiss. Joe McCarthy's pitching staff that year was composed of Walt Dubiel, Atley Donald, Bill Zuber, Hank Borowy, Jim Turner, Mel Queen and Ernie Bonham. The catching was being done by Mike Garbark and Bill Steinecke. Nick Etten, Stinnewiss, Mike Milosevich and Don Savage made up the infield and Russ Derry, Bud Metheny and Herchel Martin the outfield.

Paul Waner was being carried on the roster as a pinch hitter while Tuck Stainback got into his share of games. Oscar Grimes was a utility infielder.

Today Dubiel is laboring in the Coast league under Jim Turner, the Portland skipper. Donald is on an inactive status. Zuber is with Boston's Sox. Borowy, Queen and Bonham are all in the National league. Garbark is at Chattanooga. Steinecke in Class A ball. Etten discovered he couldn't hit international league pitching and was recently sent to the Coast league. (He did the American loop in RBI's in '45.) Milosevich was pin-slipped recently by a AA club. Grimes is enjoying no luck in the minors. Savage is an ordinary minor league operative. Stainback and Metheny are in the Southern Association. Waner in the Florida International league. Derry in A classification ball.

Detroit, on the other hand, is struggling along with practically the same lineup it had in '45, with the exception of Hank Greenberg, and is a lagging third in the American league, more than 13 games off the pace. The Tigers have since parted with Paul Richards, Rudy York and a pitcher or two but need new blood.

Like Detroit, the Chicago Cubs were the champions of their league and they, too, have failed to improve on their lineup much. As a result, they are hopelessly out of the National league scrap.

Among players who were active in '44 who are no longer in the majors are Jack Salveson, Johnny Lazor, Jony Cucinelli, Tom McBride, Johnny Dickshot, Bobby Estallella, L. D. Meyer, Tex Shirley, Joe Kuhel, Guy Curtwright, Lou Finney, Dick Seibert, Eddie Borom, Joe Buzas, Bob Garbark, Joe Hoover, Mike Kreevich, Jake Powell, Chuck Hosteler, Charley Gassaway, Joe Humphries, Yank Terry, Clem Hausman, Larry Rosenenthal, Charley Metro, Myril Hoag, Harland Clift, George Cantor, Cince Castino, Jack Wilson, Chet Laabs and Ed Carnett, all of the American league.

Also the following National league standouts: Goody Rosen, Augie Bergamo, Luis Olmo, Jimmy Waddell, Danny Murtaugh, Carden Gillenwater, Nap Yeyes Vance Dinges, George Hausmann, Johnny Rucker, Danny Gardella, Phil Weintraub, Vince DiMaggio, Johnny Barrett, Johnny Antonelli, Gee Walker, Babe Dahlgren, Pete Concordant, Eric Tipton, Tex Kravs and Tom Seaver.

A few of those who have skidded all the way back to Class D ball.

Some of the observers complain that too many minor leaguers are still cluttering up the big show but that situation probably will not exist for very long, what with over 400 professional teams and something like 7,000 professional baseball players in the minors bidding for better jobs. Class will tell.

Aluminum cost \$545 a pound in 1952.

Bengals Score In 6th Round To Win, 3-2

FORSAN, Aug. 7.—Elias Garbo's long triple scored Gus Fierro with the run that enabled the Big Spring baseball Tigers to nose out the Forsan Oilers, 3-2, here Wednesday afternoon.

Fierro had gained a life on a misplay. The Oilers were limited to three hits by Isa Mendosa, classy Tiger tosser, while Windmill Brown of the Refiners gave up but five.

Tony Arista, only player to collect more than one safety, scored the first Big Spring run in the initial run while Tom Fierro spiked the platter in the second.

Lewis Houvel eliminated the possibility of a shutout in the fourth with a tally and Brown added the only Forsan counter on Burl Griffith's blow in the sixth.

The Bengals play Midland's Colts in a return go at Sloop park starting at 4 p. m. Sunday.

Table with columns: AB, R, H, O, A. Rows for Forsan and Big Spring players.

Buff, Felines Upset Victims, Dallas Loses

The three top teams of the Texas league had something in common today—decisive lickings.

It practically poured runs and hits last night, with Shreveport pouncing Houston, 14-3; Tulsa walloping Dallas, 17-5; San Antonio downing Beaumont, 7-3 and Oklahoma City defeating Fort Worth, 8-4.

The league leading Houston Buffs fell apart before the onslaught of fourth place Shreveport—the Sports racking up 12 runs in the second and third innings. Bruz Hamner helped win his own ball game by collecting three singles.

The biggest outburst came at Dallas, with Tulsa picking up 22 base hits. It broke a seven-game losing streak for the Oilers at Dallas' home park.

A big third inning, in which six runs crossed the plate, wrote Dallas' finish. Just for good measure the Oilers came up with two other wild frames, scoring four times in the sixth and five in the seventh.

At Rosen's 16th home run of the season, and eight walks helped Oklahoma City to an easy victory in the first of three games with Fort Worth. It was Woody Johnson's third pitching win of the season and the third straight defeat for the Cats' Clarence Pothelien.

San Antonio started in early against Beaumont, making five hits pay off for four runs in two innings—including Jack Louman's homer in the second.

The standings remained the same after last night's play, but were tightened considerably. Just 12 percentage points separate third place Dallas from fifth place Tulsa, while Fort Worth trails Houston by two games.

Jewelers Take Drill Friday

Nathan's Jewelers, who scored an 8-6 baseball victory over the Knott Independents at Knott last Sunday, invade Roscoe this weekend for a Sunday afternoon for a game with that city's strong semi-pro club.

In a previous collision here, the Jewelers succeeded in outslugging the Roscoe nine, 20-10.

Freddy Acton, skipper of the Gem-Setters, has called a long batting drill for Friday afternoon at the Bombardier school.

Two players were considered definitely out of action and two others were nursing injuries that probably will mean limited service as the All-Star teams went through final practice sessions today before the annual football games of the Texas Coaching school expected to draw 10,000 fans to Kidd Field at Texas College of Mines tomorrow night.

The Ninth squad, made up of players from the upper districts of the Texas Interscholastic league, was hardest hit with two men on the shelf.

They are Bob Matzig of Sunset (Dallas) and Stanley Clayton of Sherman half back and end respectively. Each has a leg hurt that puts him on the very doubtful list.

IN TAAF TOURNEY

Spartans Edge JayCees, 4-1

MIDLAND, Aug. 7.—Big Spring Hardware advanced into the second round of play in the district TAAF softball tournament by bowling over the Midland JayCees, 4-1, here Wednesday evening.

The Spartans counted all their runs in the initial round while L. D. Cunningham, Big Spring hurler, could not be touched until the seventh frame.

Charley Teague started the fireworks for the Spartans with the first inning walk. Ted Gross was safe at first on a misplay. Johnny Day-long singled and Jack Griffin tripled to drive in three runs. Skee Davidson then singled to drive Griffin home.

Cunningham struck out 15 men and scattered four hits.

The Spartans next play Sand Hills Gulf at 8:15 o'clock Friday night.

The tournament will end Sunday. Big Spring 400 000 0-4 3 Midland 000 000 1-1 4

Lamesans Clip Lubbock, 5-3

Lamesa was back in third place in the West Texas-New Mexico league, thanks to a 5-3 victory it scored over Lubbock last night.

Stan Grzywacz scattered seven Lubbock hits in winning his 12th game of the season, though two were homers by Jackie Sullivan and Bill Serena. It was Serena's 41st home run this season.

Abilene dropped Pampa in the standings by beating the Oilers 8-3, scoring six runs in the last of the sixth.

Another big outburst—Borger's 10 run uprising in the seventh inning—defeated Clovis, 17-13. Leon Mitchell, Borger first baseman, hit three home runs.

Bob Cruess' 38th homer of the year in the ninth inning, gave Amarillo an 8-7 decision over Abilene. It snapped the Ducks' winning streak at eight games.

McCullum Slated To Assume Post As Grid Prexy

EL PASO, Aug. 7.—Gene McCollum of Port Neches was in line today for elevation to the presidency of the Texas High School Coaches association as the annual coaching school sponsored by the association neared its close.

Meeting in their annual business session, the coaches were due to follow precedent and make the vice-president McCollum president for 1947-48.

Four new directors were elected yesterday at regional meetings. They were: P. E. Shotwell, Abilene; Maco Stewart, Longview; Standaed Lamborn, Austin; and Joe Coleman, Odessa.

Interpretation of the amateur rule of the Texas Interscholastic League, the major topic of discussion among the coaches for the week; the eight-semester rule that returns to league records next year; and abolition of spring football training, voted to begin in 1948, were expected to be given an airing with Roy Bedelock, director of the Interscholastic League on the program for an explanation of the meaning and extent of all these rules.

The amateur rule which prohibits a high school boy from accepting anything of value in an athletic contest will be discussed at length by the league head. Coaches also are seeking an opinion regarding the extent of the recent rule voted into the league that prohibits a school giving the coach part of the gate receipts. This is being construed as also banning bonuses to coaches.

A cubic inch of aluminum weighs about a tenth of a pound.

Five 3AA Players In North Lineup For All-Star Game

EL PASO, Aug. 7.—Two players were considered definitely out of action and two others were nursing injuries that probably will mean limited service as the All-Star teams went through final practice sessions today before the annual football games of the Texas Coaching school expected to draw 10,000 fans to Kidd Field at Texas College of Mines tomorrow night.

The Ninth squad, made up of players from the upper districts of the Texas Interscholastic league, was hardest hit with two men on the shelf.

They are Bob Matzig of Sunset (Dallas) and Stanley Clayton of Sherman half back and end respectively. Each has a leg hurt that puts him on the very doubtful list.

Brook Folds Up Again As Cards Humble Cincy

The frantic Brooklyn citizenry was wondering today whether the coroner would supply an affidavit to the effect that the current Dodger-Corpus Delicti, which has propped five of its last six games, is the same very much alive body which boasted a 10-game lead only a week ago.

Last night the Boston Braves made it two out of three with a 7-3 victory over the Brooks, the very same bunch who entered St. Louis last week with a seven game lead and walloped the runner-up Cards three straight times to apparently sew up the National League flag.

While Brooklyn has been getting belted three straight times in Chicago and twice in three starts in Boston, the Redbirds roared back with six straight victories including last night's 6-3 win over Cincinnati, to trail by five games.

With Larry Jansen, the Pacific Coast league rookie righthander continuing his excellent mound work, the New York Giants knocked off the last place Philadelphia Phillies 5-2 in a daylight game at the Polo Grounds.

The Pittsburgh Pirates snapped a 2-2 tie with a three-run rally in the sixth and added two more in the ninth to defeat the Cubs in Chicago 7-2.

Bob Newsom the much traveled veteran righthander, suffered his first setback as a member of the New York Yankees when the Athletics nipped the Bronx Bombers 5-3 in Philadelphia.

The Detroit Tigers moved into second place 12 games behind the American league leader Yankees by taking both ends of a double header from the Cleveland Indians 13-6 and 7-5.

The Boston Red Sox dropped into third place one game behind the Tigers when Washington beat them for the second straight night 1-0.

The Chicago White Sox lunched five of their 10 hits in the second inning to score five runs and defeat the Browns in a night game in St. Louis 7-3.

TOP KICK TOPS
SAN ANTONIO, Aug. 7.—A three-under-par 69 was posted by 1st Sgt. Roy Schneider of Fort Sam Houston yesterday for a five-stroke lead over the 92 member field in the Fourth Army Area Armed Services golf tournament. The meet ends Friday.

NEED A NEW BUILDING?

STRAN-STEEL "Quonsets"

All-steel construction—easy to erect, easy to maintain, attractive in appearance. Used widely on farms, in business and industry for many purposes. Fire-safe and durable; will not sag, warp or rot. Lowest cost permanent construction. Call for information.

Texan Buys Iron Mine

WASHINGTON, Aug. 7 (AP)—The War Assets Administration announced Wednesday sale of an iron mine and ore reduction plant near Scotia, Pa., to Peter M. Chamberlain, Jacksonville, Tex., for \$170,000.

The property, which was personally developed in 1883 by Andrew Carnegie, was operated during the war for a brief period under lease to a private company.

The property represents a total reported cost to the government of \$753,229.

Carnegie discontinued development of the tract in 1900 as it proved to be an unprofitable operation. It was acquired by the government in 1942 to meet war-

time iron and steel demand. The new owner, war assets said, expected to employ new and experimental operation methods. If successful, the agency said, this will make renewed operation feasible.

Rural Schools Receive Payments

Rural aid schools of Howard county have received the final of two transportation-aid payments for the 1946-47 term. County Supt. Walker Bailey announced this morning.

The return amounted to \$6,157 bringing to \$10,723 the sum paid in transportation money to county schools.

Nine districts will share in the payments. Knott, which operates four busses, will receive the biggest percentage of the check.

Lions Hear Report Of World Meet

Reports of the inspiration from ceremonies at the Lions International convention in San Francisco, Calif were related to the Big Spring club today by two of its delegates—Willard Sullivan and Bill Dawes.
 Dawes, president, detailed the highlights of several convention speakers and of the sectional meetings on activities, together with color from the parade and other standouts on the convention program, including Texas Day.
 Sullivan's report concerned itself principally with the variety of scenic attractions enroute by Salt Lake and return by Grand Canyon, and at San Francisco which he and Dawes described as a city of contradictions and unique beauty.

Others who attended the convention from here were Mrs. Sullivan, Mr. and Mrs. Schley Riley, Mr. and Mrs. Harold P. Steck.

Mitchell County 4-H'ers Plan State Fair Trip

COLORADO CITY, Aug. 7.—First try of the coming livestock show season for Mitchell county 4-H feeders will be made at the State Fair of Texas, Oct. 8-19, when Ted Roensch, Mitchell county agent, will take eight 4-H baby heifers and their boy feeders to Dallas.
 Ronny Fee, 16-year-old Colorado Citian who showed both the Grand Champion and the Reserve Champion steers at Dallas last fall, will show one calf, bred by Winston Brothers of Snyder. Fee, an outstanding Mitchell 4-H'er, has come through with at least third place in all state and territorial shows attempted. Mitchell County Gold Star club boy for 1946, he also won the county Wilson meat award last year and owns with his brother, Bob, a herd of registered Herefords which they run on their father's ranch, and a herd of registered Corriedale sheep.
 Another well-known Mitchell contender, Stuart Henderson of Hyman who has won some fancy prizes with his grand champions shown over the state, will exhibit two calves from the T. O. Ranch herds in Raton, N. M.
 Jackie Wells, a new-comer to big competition, is rearing a steer from the T. O. outfit, too. Arvil Smith will show two from the Winston ranch. Raymond and Alfred Hackfeld, brothers from Loraine and both ambitious feeders, have one calf from the herd of A. E. Fogle, Tuscola, and one from the ranch of Charlie Tisdale, Tuscola.

ROUGH AND POPULAR—Brahma bull riding is rough on the rider—for odds are in favor of being tossed. That's what makes it popular with the fans, for they know it takes a handy man to stay aboard of the beasts that are as wicked as they look. Bulls in the Sellers herd are notoriously salty.

Soil Conservation News—

Harvest Starts On Hubam Clover Seed Crop In Martin-Howard Area

Harvest of Hubam clover seed crop started on the C. E. Talbot farm, operated by J. L. Mundell, southeast of Knott, Texas this week. The clover seed, combined by Mundell, will be used to plant more acres of this cover and soil building crop as a part of his coordinated soil conservation program in cooperation with the Martin-Howard Soil Conservation district. The clover builds up the soil fertility by adding nitrogen and helps control wind and water erosion by addition of organic matter, Mundell states.
 Four acres of Hubam clover on the Willis Winters farm in the Vincent conservation group will be ready for harvest in two or three weeks. Winters states.
 Ben Whitaker, also in the Vincent group, plowed his wheat stubble with a chisel type plow last week. This new and improved type of land preparation leaves all the crop residues on the surface of the land where it is most effective in controlling wind erosion and reducing evaporation. In addition, the litter added to the soil makes it soak up water like a sponge.
 Preparation of land for seeding improved pasture grasses for irrigation started in the Garden City area this week. Leveling of 100 acres on the Steve Currie Ranch and 20 acres on the J. B. Callver ranch is complete and construction of ditches and borders began Tuesday. The ranchers will plant this land to a mixture of grasses designed to give year round grazing under irrigation. G. Talbot, Soil Conservation Service technician, assisted the ranchers in developing and laying out their irrigation systems.
 Contour lines were run this week by the SCS on the farm of O. L. Raven two miles east of Knott. Raven will follow the contour lines in plowing his wheat stubble. He will use a chisel type plow on the stubble to leave it on the surface of the land. Raven plans to terrace and contour the rest of his farm land as a part of his well

Club Night At Colorado City Amateur Hour

COLORADO CITY, Aug. 7.—Annual club night for the weekly amateur hour sponsored here by the Colorado City chamber of commerce will be presented Friday evening of this week. L. A. Chapman, manager, announced. The program is expected to be one of the highlights of the season with a variety of entertainment features including violin solos, a magic show, a short style review by 4-H girls, a string band from the Lions club, piano and vocal solos.

Participating will be numbers provided by the Hesperian, the Zetaganian, the Hesperian Daughters, the 1921, the Shakespeare, and the Self-Culture study clubs. Self-Culture women will feature numbers from the Negro public schools which they annually adopt. Also promised for the event is a barber shop quartet from the Jaycess, a string band from the Lions club, and a violinist, Mrs. Melvin Crymes, from the Kiwanis club. Harold Bennett will be master of ceremonies for the program with Mrs. Bill Coffey as program chairman for the week.

Ballard-Allen Vows Read In Colorado

COLORADO CITY, Aug. 6.—The marriage of Cordie Ladell Ballard, daughter of Mr. and Mrs. M. C. Ballard of Spade community in Mitchell county, to Roy B. Allen, son of Mr. and Mrs. R. T. Allen of China Grove, took place in a simple ceremony August 2 at the home of Mr. and Mrs. Leonard Allen. Rev. Clark Smith of Fort Worth read the single ring vows. The bride wore a dress of powder pink linen with accessories of white and an epaulet of gardenias. The bridegroom, a former football star of Colorado City high school, finished with the class of 1942. A veteran of AAF fighting over the Balkans he was held prisoner 11 months after his plane was shot down over Austria. He received his discharge as a staff sergeant late in 1945.
 A reception was given following the wedding.

A. T. Strother, father of John Strother, was to arrive here this evening for a visit with his son and family. The senior Strother has been gravely ill in recent weeks but is reported on the way to recovery.
