Statistics now available show a new record was topped for 1956, the highest in 20 years. By Frances Moore

This Sunday is Mother's Day, the day that Mother is giv-

en all the special attention.

And if it's a picnic Mother likes, why not surprise her by going by MURRELL'S FOOD STORE and picking up a complete meal including barbecue, potato salad and beans to save plenty of time and bother. Say, some doughnuts made out of Puffin biscuits would go good with that picnic, too. Get it all at MURRELL'S.

JEANETTE'S FABRIC SHOP would like to wish every mother a happy Mother's Day and invite each one to visit their shop and see the beautiful selection of material they have. It doesn't take a professional seamstress to make a lovely garment with material from JEANETTE'S.

Would you like to take your Mother out to eat Sunday and still stay on the budget? The way to do this is to take her to the DAIRY KING for one of their delicious sandwiches or hamburgers and french fries. Take the kids along too. They, too, will love eating at the DAIRY KING.

Have you tried EASTLAND STEAM LAUNDRY, yet? It is a place large enough to do your laundry and small enough to appreciate your business. Phone them at 584 and find out for yourself what good work the EASTLAND STEAM LAUNDRY does.

What better way could you treat Mother than with a delicious dinner of roast turkey, dressing, cranberry sauce, whipped potatoes, pepper hominy, broccoli and straw-berry short cake at the CONNELLEE COFFEE SHOP. And

this special Mother's Day dinner will cost you only \$1.25 at the CONNELLEE.

You've heard of the service you get under the Texaco sign. Well, that holds true at HOLLAWAY'S SER-VICE STATION at 503 West Main. Why not stop by before you leave on that Mother's Day trip and see what friendly service you get at HOLLAWAY'S.
