

Mavs Ride Out Lead For Tie With Hounds

Throckmorton Takes Over In Second Half

Eastland's Mavericks grabbed off 13 points in the first half here Friday night, then sat back to watch the Throckmorton Greyhounds' dazzling circus acts. The end result was a 13-13 District 10-A tie.

The Mavs started off as though they had plans to repeat the 65-0 thumping they gave the Hounds last year. With the game just two minutes old the Sheltonmen were ahead 7-0. But the Mavs got out-smarted during the entire second half, and were fortunate indeed to get out of the game with an even score.

Throckmorton showed Mav fans what has made them the surprise

following the kickoff to get back into the game. It took them 11 plays to move the ball to the 11, and in four downs from the 13 they got just two yards. But a 15 yard penalty on that fourth down try set up the score. From the two the Hounds tried the Mav line three times before Grable finally got the edge of the ball to the goal line. He then passed to End Dayle Hiley for the extra point to make it 13-7.

The Hounds tied it up in the third quarter just as fast as Eastland went ahead in the first. Throckmorton kicked off, then a Mav fumbled on the 34 yard line. James Baker was there to get it for the Hounds. Charles (Chigger) Hibbets lived up to his press notices on first down, dancing his way the entire 34 yards to pass for the extra point, but failed.

That was all the scoring that counted, but there was one TD run which has to be told about. Capt. Bob Neely raced from his own 15 late in the third period, going 85 yards over the top of Mavs, around them and between them. A teammate cost him his run, however, with a clip on the 15.

Moore... ABOUT EASTLAND

by Virgil E. Moore

We've been mighty disappointed in the few number of entries we've received concerning those ex-residents of Eastland. We hoped that we might be able to give some interesting little reports on where some of our exes are now.

We did get a letter from Mrs. Mary Rose Snelson of Hillsboro. An ex-resident herself, she gave us a report on Steve Eugene Niles. He is the son of the former Alice Mae Sims and a grandson of Mrs. B. Sims of Route 2 Eastland. Niles attended Eastland schools until he moved. He now plays football for Hillsboro High, and is an outstanding player. In his senior year now, Niles is captain of the team. And here's good news for one of the county's two junior colleges. Niles has hopes of attending either Ranger or Cisco college next year.

How about some more like this? —
Pete Tindall opened his mail the other day and pulled out a historical piece of paper. Pete owns 160 acres of land in the southeast fourth of Section 1, Block 4 near here and Agnes Harwood Pierpont of Orange, Calif., who once owned the land, had sent him an old "Memorandum of Notes" showing what the property was once worth. The card shows that Henry S. Schunick originally bought the land in 1889 from the State. He made four payments of \$96 each for it.

We agree with the fellow who said the Russian Sputnik was a lifesaver for the United States. Apparently it got our Republican administration off the bench and back into the game. Now that complacency is overcome, maybe the Grand Old Party will train for a showdown with Russia instead of another Little Rock.

Most Eastland businesses will remain open Monday. We personally feel that it is most regrettable. Veterans Day, for some reason, has not gone over. We know that it is not because we do not feel indebted to the 407,828 World War II vets who gave their life in defense of

Seaberry Makes Two Talks In Houston Area

Mr. and Mrs. Virgil Seaberry Jr. have returned from a trip to Galveston and Houston, where Seaberry, State Bar president, made two addresses.

Seaberry spoke Thursday night at a Bar meeting in Galveston, attended by Galveston and Houston attorneys. Then he spoke again in Houston Friday night.

The Seaberrys visited Miss Jessie Lee Ligon while in the Houston area. Miss Ligon was a longtime employee of Judge Seaberry. She is now seriously ill, and is staying with her sister, Mrs. Elouise Haygood, 4909 Holt St., Bel Air, Tex.

Olden Hornets Lose Two Games

The Olden Hornets lost two games to strong Lingleville Friday night in basketball action in Olden.

The Hornet A team lost 59-37, despite the 20 point performance of Eddie Munn.

Legion Auxiliary Sets Saturday As Poppy Day

Saturday is Poppy Day in Eastland. In memory of the nation's war dead, and to aid those who were injured, members of the American Legion Auxiliary here will sell poppies all day today (Saturday).

Mrs. E. Whitaker, president of the Auxiliary, released the following statement concerning the special day.

"Who could know better than we, the members of the American Legion Auxiliary, the sacrifices they made? For they were our men, who coming home from the fields of France, found no jobs and were forced to sell apples and pencils on the streets of our Nation—who, broken in mind, and body, found no hospitalization facilities for their rehabilitation.

"They were our men who waded through the muck and mire of disease-infested jungles being sniped at by the enemy and dying by the thousands—They were our men who more recently truged through the ice and snow of Korea, freezing hands and feet, falling by the wayside to die, returning with multiple amputations—they were our men who withstood the brainwashings and other horrors of concentration camps and they are our men who are now lying in the VA hospitals across our Nation to day.

Yes, who could know better than we, through the program of the American Legion Auxiliary, what they now need in assistance? We have always stood by their side in time of war and in time of peace. Today the numbers of hospitalized veterans are increasing rapidly and we will continue to stand by their side. Whatever is necessary to insure comfort during their rehabilitation in the hospitals, whatever is necessary to help them regain a useful place in their communities, what ever is necessary to assist their loved ones, who are in need, and waiting at home, is our obligation, our responsibility, our duty, our happy privilege.

"We have not forgotten that America remains free because of their bravery and sacrifice. We have not forgotten that they offered their lives on the altar of freedom so that we might continue to live with those blessed freedoms.

"The American Legion Auxiliary hopes to pin a poppy over every heart in Eastland Saturday. This poppy is made by veterans in veteran hospital, and are paid for by the Auxiliary. Many veterans have no other income because they have some illness, or were injured in an accident where no pension can be paid.

"When the poppy is sold for what every amount you wish to give, the money is used only for hospitalized veterans, disabled veterans, and their wives and children. So buy a poppy from the Auxiliary workers Saturday and wear it in memory of those who died that we might be free.

Rain Nears New All Time Record

If .82 of an inch of rain falls between now and Dec. 31 this will be the rainiest year in the history of Eastland.

That was how things stood Saturday morning. A total of 40.46 inches of rainfall has been put into the books so far this year. That is the most ever to have fallen at this time of year.

Only in one year since 1911 has more rain been reported in an entire year. That was in 1942 when 41.28 inches fell. For all indications it is likely that a new record will be set here.

Unusual rains in two months, October and May, have resulted in most of the rainfall. In those two months alone a total of 22.11 fell. That's more than the area got all year long in 1956, when just 17.47 inches was reported.

This October sat an all-time record for rainfall in that month. The rain gauge caught 10.41. The most ever recorded in October before was in 1942 when 10.28 fell. The 11.70 inches in May was also the most ever recorded in that month.

The 40.46 inches recorded this year is more rain than the county got in 1956 and 1955 put together. Rainfall last year totaled only 17.47 and in 1955 the measurement for the year was 19.99. Totaled, the two figures show that just 87.46 fell in 24 months.

Former Eastland Resident Dies

A former Eastland resident who was prominent in the early development of this area was buried in Tahoka Nov. 6, it was learned here Saturday.

W. L. Knight, 93 who was prominent in the Baptist Church and in business and civic affairs, passed away in his home. Services were held at the Baptist Church.

He was manager of the S. M. Moon Lumber Co. here, and later on of the firm known as Knight and Brashears Dry Goods and Groceries. He was also associated with Elijah and Elisha Roper in business here.

He left Eastland in 1916.

Already in November, three inches of rain have been recorded. Average rainfall for the entire month is just 1.67 inches. The average in December is 1.61 inches. If that much moisture falls this will really be a wet year. And since 2.99 was recorded last year in December, chances look good.

Average rainfall for this time of year is 23 inches. Therefore rainfall is 17.46 inches above normal so far.

continued rains when peanuts need harvesting, farmers remain optimistic. A highly reliable source told a Telegram reporter that this year's crop would be better than we had hoped for a few weeks ago.

It's Time to Mail Those Overseas Christmas Packages to Servicemen

Christmas parcels for members of the Armed Forces overseas should be mailed by Nov. 20, Mrs. Marene Johnson, postmaster, said Saturday.

Gifts for overseas shipment must be securely packed and the size of parcels is limited to 100 inches in total length and girth.

Weight limitations are 50 pounds to APOs or FPOs in Great Britain and 70 pounds to other points. Cigarettes, tobacco and coffee may not be sent to some overseas areas. Mailers should consult the post office for complete mailing information.

The people early evidenced a strong desire for enlightenment by raising a 10X12 log school house and electing a Bill Welch as teacher. Mr. Welch was thorough.

In the Fall of 1879 Uncle Tommy Anderson bought from Dave McKinley the tract of land on which the town has been built. In the Spring of 1880 he moved the postoffice to his home and put up a small storehouse. Here he kept the postoffice, groceries and farm supplies. In 1883 a larger store was built near by. Since then the town has grown steadily, and now numbers about 700 souls.

When application was made for a postoffice, Osburne was suggested as a name, but the authorities sent Rising Star instead.

VETERANS' DAY

Most Stores Won't Close Veterans Day

Most Eastland stores will remain open Monday, Veterans Day, H. J. Tanner, chamber of commerce manager, said this week.

Tanner said a survey by his office gave such an indication. Veterans Day is listed on the C-C calendar as a "recommended holiday."

The courthouse will be closed Monday, County Judge John Hart announced earlier. And the post office and other Federal offices will all close. No special observance has been announced for the holiday.

Nov. 11 was originally World War I armistice day. After the end of World War II and the Korean War, it was decided to combine all three holidays into one.

Legion to Bring Hypnotist Here Tuesday for Show

When the professional stage show, "Hypnotic Marvels", opens here Tuesday at 8 p.m. at the American Legion Hall under the sponsorship of the Eastland Legion Post and Auxiliary, the star will be Professor Russel K. Barron an American by birth, who has traveled throughout the world making a serious study and application of therapeutic hypnosis in Egypt, Italy and India. His studies of Indian Fakirs, Arabian Mystics and Holy Men have made him the world's foremost hypnotist. It also convinced him that "people want to be hypnotized."

"After the years of study abroad, he has appeared in every important auditorium in this nation including innumerable appearances on television and radio. He has hypnotized some of the most important people in the public eye in an endeavor to help them with their problems and mental quirks," Pop Whitaker, Legion commander asserts.

"He demonstrates such astounding feats as pain-control, self-hypnotic pain control, and post-hypnotic suggestion. This is a process where a strong suggestion is placed in the subject's mind by the professor, so even after awakening (Continued on Page Two)

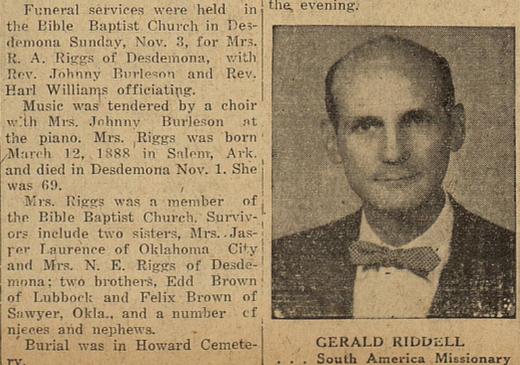

Services Held For Mrs. Riggs In Desdemona

Funeral services were held in the Bible Baptist Church in Desdemona Sunday, Nov. 3, for Mrs. R. A. Riggs of Desdemona, with Rev. Johnny Burleson and Rev. Earl Williams officiating.

Music was tendered by a choir with Mrs. Johnny Burleson at the piano. Mrs. Riggs was born March 12, 1888 in Salem, Ark. and died in Desdemona Nov. 1. She was 69.

Mrs. Riggs was a member of the Bible Baptist Church. Survivors include two sisters, Mrs. Jasper Laurence of Oklahoma City and Mrs. N. E. Riggs of Desdemona; two brothers, Edd Brown of Lubbock and Felix Brown of Sawyer, Okla., and a number of nieces and nephews.

Burial was in Howard Cemetery.

GERALD RIDDELL South America Missionary

Classes will resume in all Eastland schools Monday.

Supt. Wendell Siebert said that schools would re-open after missing three days due to a large number of flu cases. One hundred and sixty students were absent last Tuesday.

Siebert said it is hoped the worst part of the near-epidemic is over.

Missionary to Address Workers At Rising Star

Missionary Gerald Riddell of Columbia, South America, will be the speaker and will show pictures of Baptist work being done in that area, at the Cisco Baptist Association Workers Conference which will be held next Tuesday night, Nov. 12, in the First Baptist Church of Rising Star.

Missionary Riddell has spent 12 years in South America and his church and his people were once stoned by an angry mob of people and their new church building shattered.

District Missions Secretary L. L. Trotter will also appear on the program, as will a distinguished visitor, the Rev. Mr. Zimmerman of Knosho, Wisconsin, who will bring greetings from Baptists of that area and tell of work being sponsored by the Baptist General Convention of Texas. There are a number of churches in the Cisco Association who plan to render aid to the Knosho Baptist Church of which Brother Zimmerman is pastor, it is said.

Services Held For Mrs. Riggs In Desdemona

Musical Director John Dickey of the First Baptist Church of Eastland, will provide music for the evening.

Those beloved Eastland High School Mavericks have, at one time or another, played in some mighty interesting football games. Two of these games were played against Ranger. One of them was the game of 1927, which Eastland won by the score of 7-0. The other was either the year before or the year following the 7-0 victory; that was a game the Maverick lost by the score of 26-25.

That was the day End Bill Cheatham ran hogwild over the Ranger Bulldogs.

It was one of those games that Ranger was the lopsided favorite to win. There wasn't a sports authority outside of Eastland who would give the Mavericks the chance of a chance to win this game, and from the way things were going out at the ballpark it looked as if the authorities knew what they were talking about. As I remember it, Eastland went

their country. Nor do we think anyone here thinks it has been long enough since World War I, when 116,563 Americans died, for us to forget our debt. And we know that the Korean War, which had an American casualty list of 54,246, is too fresh on our memory to not remember.

Our excuse this year is that "all other towns close are staying open." We note that that is also the excuse set forth by Cisco, and Ranger likely feels the same way. In other words, all three of the towns are staying open because the other two are. Reminds us of our old hound dog that ran in circles trying to catch its tail.

By NORMAN WRIGHT
The Maroon and White Bulldogs of Ranger High School, picked for the cellar, are the proud Champions of District 7-AA today following their stunning up-set victory over the Coleman Bluecats Friday night in Bulldog Stadium by the decisive score of 21-6.

Again the Bulldogs' victory was not a fluke because the Bluecats were roundly outplayed in every department of the game as the highly favored Coleman eleven never managed to go through or around Ranger's line in which every man played like an All-American.

Hutchings, Jowers, Veale, Yarbrough, Ford, Veal and Russell were tearing into the Bluecats with a fury, and if Coleman had a backfield full of all-stars they must have left them at home because they didn't appear to show up in Bulldog stadium for the contest Friday night.

To Represent District
The victory left the Bulldogs in full possession of the District 7-AA title because they will represent the District in the State playoffs regardless of the outcome of their game with Winters-Friday night, and they will also be considered District champs by reason of their defeat of Coleman, even if they should lose to Winters which is extremely unlikely.

Quarterback Lee King ran such a confusing show for the benefit of the Bluecats they never knew which way was up as they tried to figure out what was going to happen next. King had his choice of any number of good pass receivers, plus Wharton, Basham and Underwood to alternate at the ball carrying, and they never knew whether King, himself, was going to pass or run once the ball was snapped. It was an almost impossible combination to defend against, and the Bluecats never managed to figure it out.

Like Charlie Massagee David Wharton, whom the Star Telegram compares with Charlie Massagee, racked up almost 200 yards single handedly and scored all three touchdowns on runs of 30, 5, and 14 yards. Charles Wolford kicked all three extra points in spite of the fact that the Abilene Reporter-News got their numbers mixed up and gave Underwood credit for the kicking.

But after picking the Bulldogs to finish in the cellar, and after picking them to lose practically every game they have played this year, it is a wonder the Abilene Reporter-News even got the score right in their account of the game.

In addition to the stalwart play of Ranger's line, and the brilliant pass-catching and running of the ball carriers, the entire team played heads-up football, by not losing a fumble all night, intercepting two passes and being penalized only a very minimum. Most of Ranger's penalties came after the "B" team went in during the closing minutes of the game.

Struck Like Lightning
The Bulldogs went after their championship victory with determination and struck like lightning from the beginning. Taking the original kick-off on their own 27, Wharton ripped off 34 yards on the second play of the game and climaxed a touchdown drive with another 15 yards around left end for a touchdown, and following Wolford's conversion it was 7-0 before the game was three minutes old.

The Bulldogs threw terror into them again on the following kick-off when Wharton blasted out an inside kick that hit a Bearcat and bounced right back into the Bulldogs' hands and it was their ball again. This time the Dogs marched to the Coleman 5 before the ball went over on downs.

The next Bulldog score which came in the second period was set up by a fourth down gamble by Coleman that failed to click. Jake Basham broke through the Bluecat backfield to toss quarterback Dale Byerly from the Ranger 36 back to the Coleman 43 and Ranger took over on downs.

Wharton Scores Again
On the ensuing drive, King passed to Underwood for 4 yards, and to Wolford for 13, Wharton picked up 12 around end and when the ball was finally resting on the 5-yard line, Wharton blasted over for another score and Wolford converted.

Following this touchdown, Ranger kicked off to Coleman and the Bluecats set up shop on their own 44. They picked up a first and ten working the ball down to the Ranger 44, and from there Byerly passed to halfback Jim Norris for the distance and that was all the Bluecats did all night.

They tried to run the ball across for the conversion and failed, thus they chalked up their lone six points.

There was no scoring in the third quarter, which belonged entirely to Ranger. Coleman had the ball only twice and managed to rake up one first down and 30 yards rushing, but that was it. Ranger's last score came with a minute-and-a-half left in the game when Wharton went over from the 13.

B-Team Takes Over
Following Ranger's kickoff after this score, Coleman ran two plays before the Bulldogs intercepted a pass, and at this point, with about a minute left, the entire Ranger bench full of "B's" took the field and played out the game.

The crowd, estimated at 3,500, gave the Bulldogs a rousing cheer of congratulations as they left the field.

Future games in the playoffs will not be announced until the end of all District contests.

ment often teaching under the branches of the trees, and not infrequently going to school barefooted. This small, floorless, log school house stood one and one-half miles east of the present town. A few years later a better and larger log house was built near the cemetery, and here many of the substantial citizens of this County were educated. James Irby, who came here in 1877, was one of the pioneer teachers.

The business interests of the town are represented by loyal citizens. There are several large dry goods and grocery firms, drug and hardware stores, a bank, hotel, and the usual number of smaller shops and eating houses. There are two newspapers, five church buildings with as many organizations, and a handsome school building with seven teachers and 350 pupils.

The town is supported by a very rich farming and truck growing district of 15 miles radius. The soil is a light sand with a red clay subsoil and is especially adapted to the drouthy climate. Corn, cotton, maize, cane and oats luxuriantly; berries, apples, peaches, plums, apricots, grapes and all kinds of fruits are easy and prolific producers. As a truck growing section it has no superior. Cabbages, without irrigation, have produced heads weighing thirteen and half pounds, beets have weighed twenty-five pounds, onions two; tomatoes, and potatoes are heavy bearers.

The nearest railroad point is about 20 miles. Carloads of fruit and vegetables rot on the ground for lack of convenient shipping points.

In 1903 4500 bales of cotton were marketed and forty-two hundred were ginned by the two plants here. This same year 18,000 bales were ginned at the ten plants within the neighborhood of the Star county.

This section of the county is especially free from grasshoppers, boll weevil and all crop and garden pests.

lead going into the fourth quarter. The Ranger boys had things going their way and it looked as if they were going to pile some more scores up. They attempted a pass. But they shouldn't have done it. Eastland End Billy Cheatham intercepted and scampered all the way for a touchdown.

Then the first thing you know, Eastland's Cheatham recovered a fumble and raced off to a touchdown. At that time the rules allowed one to run with a recovered fumble. Billy was fast, big and agile, and once he got his hands on the ball he would run off and leave those Ranger fellows looking like a lot of little fellows at an Easter egg party.

By the time the quarter had ended, Cheatham had made four touchdowns. If Eastland had kicked all of its points after they were entitled to try during this game, the Mavericks would have won the game. But as it was turned out that Ranger got the scare of their lives and won by the one-point margin already referred to.

Cheatham was one of the highest scorers in the district that year, and his performance against Ranger didn't hurt his year's total any. All through the season he was a constant threat to complete a pass for a touchdown or intercept one of the opponent's passes for a touchdown. Either way it put six points on the record books.

The 1927 game with Ranger in which Coach Dave Pena used only 11 men during the entire game was another masterpiece of football performance. I'll talk about it more next week but right now I've got to dash out to Will Rogers Coliseum to hear Howard But preach. He's a Baptist, you know, and we Methodist have to keep an eagle eye for the Baptist because you know how they are. They'll water everything down if they get half a chance.

Little girls beget big heartaches

From the moment they're born, girls are a lot of trouble. Little ones wiggle too much. Big ones shed too many tears. All of them want dresses that cost too much. And Mothers and Dads never stop worrying about them—never stop loving them—as they take each difficult step from babyhood to girlhood, from blue jeans to crinolines.

Is your little girl starting school this year? If so, she's taking her first step towards growing up—starting on her way towards high school, college, wedding bells and managing a home of her own. There's so much you want her to learn. So many things she needs to know to grow up into the kind of wife and mother you want her to be.

One of the important lessons for your daughter to learn is the meaning of thrift and the value of a regular savings program. And that's what the U. S.

Treasury's School Savings Program will teach her.

By the purchase of 10¢ and 25¢ Savings Stamps in their schools, children can save up for U. S. Savings Bonds of their very own. And, as you know, Savings Bonds are one of the best investments that any of us can make.

Is your child's school participating in this important program? Why not speak to your principal, school superintendent or P. T. A. group about it? And start the U. S. School Savings Program in your school today.

Your Savings Bonds State Director will gladly help you install a School Savings Plan or revitalize a present one. Phone or write him—or contact the Savings Bonds Division, U. S. Treasury Department, Washington 25, D. C.

U. S. Savings Stamps point the way you want your child to grow!

Witnesses File Angry Petition After 'Beatings'

Jehovah's Witnesses of the Eastland congregation Wednesday met to approve a petition asking the Dominican Republic to lift its ban of last July 25 restricting the religious activity there.

According to Mrs. Zettye Parrack, presiding minister of the Eastland congregation, the lengthy petition cited specific names and places of police brutality that were personally authenticated by eight of the 10 American missionaries deported Aug. 3 from the Dominican Republic. The missionaries related their experiences at a regional assembly in Baltimore, where the petition was originally adopted August 24 by 33,091 of Jehovah's Witnesses in attendance.

"The petition was addressed to Generalissimo Trujillo, acknowledged dictator of the Caribbean republic, and named the Roman Catholic Church as sharing the blame for the government's action," Mrs. Parrack declared.

Reporting on the atrocities described in the petition, Mrs. Parrack said, "In one sector whole families were taken to prison and the male members of the families were beaten senseless before their own wives and children. Other male Witnesses were kicked and hit with rifle butts until they were bleeding and fell exhausted. Some were beaten and left unconscious on the ground in the patio of the prison with blood running out of their ears, nose and mouth.

"Christian people all over the world abhor such brutality as this," Mrs. Parrack said. "We believe freedom-loving people should be informed of it and have published the entire statement of facts with the petition in the Oct. 1 issue of our official magazine, The Watchtower, which is published in 46 languages. At our meeting tonight we determined to reach every home in Eastland with this account."
