WAVE ON WAVE OF RAIDERS BLAST ENGLAND

INCENDIARY BOMBS USED ON ONE CITY; BRITONS RETALIATE

LONDON, Sept. 1 (Sunday)—(AP)—Thousands of incendiary bombs were dropped by waves of German bombers during a six-hour attack on a northwest city in England last night and early today while other Nazi raiders strafed London and kept the empire capital in a state of alarm until nearly dawn.

Reports from the northwest city said no military objectives were damaged by the full scale raid, but that some fatalities had resulted. Private property was hit and one block of offices in the center of the city was set on fire.

London's morning raid apparently was a sideshow for the Nazis. They kept London on the alert for three full hours, but few planes appeared over the city to follow up on the big-scale attacks hurled at the metropolitan area yesterday and last night.

Berlin Says 'Final Blow' Approaching

BERLIN, Aug. 31 (AP)—Germany pulled the curtains tonight on a year of war and her military commentators declared the heightened roar of battle over England meant the "catastrophe" is approaching for "our last enemy."

They said the Nazi air arm, after trying for three weeks to "soften" England for the final blow, was "preparing the final defeat." In these three weeks, Nazis said, 1,193 British planes and 69 barrage balloons had been destroyed, not including today's operations.

The commentators professed scorn for the "childish optimism" with which, they said, the British are declaring the worst is over. England, they insisted, doesn't yet know what modern war can be like. Germans, striking a tabulation of the results of 12 months of war, produced this summary:

5,000,000 bombs totalling more than 75,000 tons dropped by Nazi aircraft in 3,500 attacks in 220 days.

Five hundred warships and merchantmen with a gross tonnage of 2,500,000 sunk by bombers and 700 others, with a gross tonnage of 3,300,000 damaged. A total of 4,882,330 tons of allied shipping and neutral shipping in allied service sunk by the Nazi navy air force.

Listed as destroyed in the war's first year were:

4,559 allied planes, in air battles and anti-aircraft guns; 155 barrage balloons; 400 allied tanks; 10 warships sunk and 30 damaged by equal batteries.

Germany's losses in manpower were listed as 38,000 dead, 113,000 wounded and 21,000 missing, compared with 580,000 casualties in the first four months of the World war.

Board Backs 40-Hour Week

WASHINGTON, Aug. 31 (AP)—The defense commission, in a preliminary report, endorsed today the 40-hour work week in defense industries and urged strict compliance with all labor standards laws.

The statement also recommended adherence to local custom with regard to the payment of overtime wages for work in excess of 40 hours, and work done on Saturdays, Sundays and holidays. The wage-hour law permits work up to 42 hours a week without payment of overtime.

The pronouncement was the first from a government agency in recognition of next week's annual labor holiday. President Roosevelt will deliver his Labor Day message in an address at Chickamauga, Tenn., Monday. Secretary Perkins will broadcast a message to the nation.

Organized labor's own attitude toward the defense program and work standards is expected to be discussed in addresses Monday by John E. Lewis and William Green, heads of the CIO and AFL. Green will speak at a labor meeting in Denver and Lewis will broadcast (NBC 3 p. m. CST) from Washington.

HAMILTON, Bermuda, Aug. 31 (AP)—British censors removed 100 bags of mail today from the American expert liner *Exeter*, Lisbon-bound from New York and 40 from from the *Tanque Clippet*, west-bound from Fort, the Azores.

Nazis Pledge Protection For Rumania

German Forces To Replace Home Troops On Frontiers

BUCHAREST, Rumania, Aug. 31 (AP)—Adolf Hitler has promised to protect Rumania with the German army as he has been protecting little Slovakia, Foreign Minister Mihail Manoilescu told the nation tonight.

(Slovakia, "independent" remnant of Czechoslovakia, is a virtual military protectorate of the Reich.)

Even as the minister broadcast, confirming the supreme place Nazi arms are to occupy hereafter in this country as a consequence of the axis-dictated settlement of the Transylvanian issue, most of the Rumanian army of 1,300,000 was being demobilized to make way for German armored divisions reported coming here to occupy part of this country's territory.

Germany, said the foreign minister in a broadcast to the people, has given to Rumania an absolute military guarantee. "Unlike that ever given any other country in the world except little Slovakia,"

Manoilescu had just returned from Vienna—where Germany and Italy forced the decision that took 17,000 to 21,000 square miles of territory from Rumania.

"The minute Rumanian territory is violated," he said, "the Nazi army will shoot." But he added that this guaranty was "directed at no nation in particular."

He called the Vienna settlement "a sentence handed down by the arbiters—a sentence we could not even discuss."

He was "heartbroken," he went on, saying that the Rumanian delegates were not allowed to argue the decision—we could only try to smooth out the settlement.

"This," he added, "was not a decision along ethnic (racial) lines, but a decision based on other considerations. The soul of Rumania is now what remains of our country."

He declared Rumania would now follow a completely axis foreign policy.

FIVE KILLED AS TANK FALLS AT ATLANTIC CITY

ATLANTIC CITY, N. J., Aug. 31 (AP)—Two tanks filled with 40,000 gallons of water crashed through the roof of a bath house on the boardwalk today, killing at least five persons and injuring ten.

The dead: Mrs. Fannie Arbor, 43, Philadelphia. Mrs. Sophie Sostein, 55, Philadelphia. Hyman Shutoff, Philadelphia. Two unidentified women.

Masses of Labor Day weekend visitors swarmed around the scene on the boardwalk watching police and firemen striving to recover bodies from the wreckage.

Police expressed fear there might be more bodies in the basement, which was flooded with water and unreachable at a late hour tonight.

Woman Found Shot Still Unidentified

CORRICANA, Aug. 31 (AP)—Officers said tonight they still were without clue to the identity of a woman who was found shot to death on a side road near here yesterday.

More than two thousand persons viewed the body in an effort to identify her.

The body of the woman, an expectant mother, was trussed in a gown, sheet, blanket, and comfort, when found. She was about 25. There was a wound from a small caliber bullet in her temple.

Conscription Bill Due To Pass The House This Week

WANT RECORD MOTORCADE FOR JAUNT TO MIDLAND MONDAY

Monday will be Big Spring's day at the Midland rodeo, and the last-minute drive will be on by civic leaders to organize a record motorcade to the neighbor city's show.

The motorcade will leave here at 6 p. m. Monday, starting from Fourth and Main streets, and will be in Midland in time for a downtown demonstration before the night's final show of the rodeo.

Big Spring is working hard for a big delegation, since Midland had been disposed of here Saturday afternoon, and workers were confident as many more would be taken. Of C. Manager J. H. Greene said the chamber of commerce office would be open Monday, and that tickets could be purchased there. They are good for any show.

Some Big Spring people were expected to attend today's performance in Midland, but the major "good neighbor" demonstration was in store for Monday evening.

Will Surface Road To Lake

Action was taken by the county commissioners court Saturday for the start, at an early date, of surfacing the new road leading to the city's new Moss Springs reservoir.

Members of the court said they wanted to go ahead with the project this year, since a cooperative plan had been undertaken with the city for construction of the road. The city bought the right-of-way and fenced the route, and the county has completed all work except topping.

The stretch is four and a half miles long, leading from highway 1 south to the lake. Money is available for the job, and men and machinery can be put on the project, it was said.

County Highway Engineer Thurston Orenbaum said Saturday that work is progressing on the Coahoma-Vincent lateral road project. Although the job does not have its full quota of WPA workers, grading and hauling are going on a good schedule.

Farley Successor Named By FDR

HYDE PARK, Aug. 31 (AP)—President Roosevelt announced today that Frank C. Walker, New York lawyer and former treasurer of the democratic national committee, would be the new postmaster general, succeeding James A. Farley who gave up his cabinet portfolio today.

The setting for the announcement was an annual reception for the president by members of the Roosevelt Home club, an organization of his friends and neighbors, several hundred of whom assembled on the lawn of Moses Smith, a Roosevelt estate tenant.

SCHOOL BOARD TO CONVENE TUESDAY

A meeting of the board of trustees of the Big Spring independent school district has been called for Tuesday evening at 7:30.

A preliminary study will be made of the budget for the year. New teachers will be named, and other matters incidental to the opening of the school term next Monday will be taken up.

Industry Confiscation Procedure Draws Protests

WASHINGTON, Aug. 31 (AP)—Members of the military committee said today that informal surveys showed the house would pass the Burke-Wadsworth conscription bill next week, but that there was considerable opposition to proposals to permit the government to condemn and take over private industrial plants for defense.

Some legislators went so far as to predict privately that the industry provision would be omitted from the house bill on the final vote. They said, however, that a modification permitting government operation of these facilities would stand at least an even change of being accepted.

Coming quickly to the forefront of the capitol discussion on the legislation, this issue temporarily relegated to the background arguments over the fundamental provisions for registering men from 21 to 44, inclusive, and making them liable for a year's military training.

A battle is expected over the age provisions, however, as the senate voted for registration only of men 21 to 30, inclusive.

Confident that the conscription bill would be enacted without delay, congress leaders optimistically set their sights for a clean calendar within two or three weeks in order to be in a position to take an indefinite recess or, possibly, a sine die adjournment.

Many individual members have indicated they would like to go down to remain at least until after election day.

GERMAN SUBJECTS ARE TAKEN OFF AMERICAN SHIP

JERSEY CITY, Aug. 31 (AP)—Puzzled officers and passengers of the American Export liner *Eschschol* told tonight how British authorities at Bermuda, disregarding the captain's protests, removed three German subjects from the ship without explanation and seized rolls of war film from an American photographer after a scuffle.

The vessel, which arrived today from Lisbon, with 166 passengers, also lost 425 pouches of mail to British censors at the Bermuda stop.

Capt. Wensell Habel said he believed the incident was the first since the start of the war in which passengers had been taken off a vessel flying the American flag.

CAPITAL CITIES HAVE POPULATION GAIN

WASHINGTON, Aug. 31 (AP)—Census figures disclosed today that Washington and the 48 state capitals had an average 1930-40 population gain of 10 per cent while many industrial cities declined in size.

The figures are not yet detailed enough to show how governmental employment figured in gains of state capitals, but Washington's 38 per cent jump to 663,153 was attributed almost wholly to increases in the federal payroll.

Among state capitals there was a 62 per cent rise that brought Austin, Tex., to 28,311; a 50 per cent boost bringing Tallahassee, Fla., to 15,097; and a 40 per cent leap to 45,434 in the count of Phoenix, Ariz.

Airliner Explodes, Wreckage Strewn Over Wide Area

LOVETTSVILLE, Va., Aug. 31 (AP)—A Pennsylvania Central airliner crashed and exploded at the foot of the Blue Ridge mountains near here today, killing 25 persons including Senator Ernest Lundeen (R-Minn) and scattering parts of bodies and wreckage more than a quarter of a mile.

It was the worst disaster in the history of American commercial aviation.

Battling what residents here said was the worst rain and electrical storm in their memory, eyewitnesses said the big ship plummeted into a clover and alfalfa field on Clarence Bishop's farm after Pilot Lowell Scroggins apparently failed in a desperate effort to life the plane's nose over a ridge.

That those aboard knew the airliner was about to crash was indicated by a note, reported to have been dropped from the ship by the stewardess, Margaret Carson, of Pittsburgh, a minute or two before the crash.

Nearby residents said the note asked that the Pittsburgh office of the airline be notified that the plane was "going down," and said it was found on a farm some three miles from the scene of the crash.

Pennsylvania Airline officials in Washington said the two-motored transport left Washington 28 minutes late at 1:15 p. m. (CST) enroute to Pittsburgh. They fixed the time of the crash about 1:50 p. m., 10 minutes after Scroggins reported he was over Herndon, Va., with the weather "normal and climbing."

That was the last word from the ship.

Twenty-one passengers and the four crew members died instantly.

The ship struck in a hollow after topping short hill. Explosion of the nearly full gasoline tanks severed the fuselage, blew bodies of crew and passengers into bits, and left a gruesome scene of bone and flesh, mashed in twisted metal, littered with tatters of luggage and clothing.

Parts of two bodies were found 1,000 yards away. Arms and legs hung on the wreckage. Parts of other bodies were blown 400 yards from the crash scene.

It was the first fatal accident for commercial airplanes since March 26, 1939, when eight were killed near Oklahoma City, Okla. The Pennsylvania Central Airlines had been operating more than 13 years and had no previously fatal accidents.

Once before a United States senator had died in an air disaster. Dixon Cutler of New Mexico was killed when an air transport crashed near Kirksville, Mo., on May 6, 1935. Senator Lundeen was enroute to his summer home at Lake Minnesota, Minn., and had intended returning to Washington next Wednesday. Mrs. Lundeen is at the summer residence.

Civil aeronautics board inspectors, headed by Harlee Branch, chairman, started here immediately to investigate the crash.

Crews swollen by the cloud-burst made roads impassable and it was an hour and a half after the first report the plane was down that Virginia state police were able to reach the isolated spot. The ship tore down telephone wires to the Bishop farm, cutting the only line of communication within a mile.

John Rhodes, 24-year-old reporter for the *Winchester*, Va., *Evening Star*, told the Associated Press shortly after he reached the scene that residents said the ship was obviously in trouble because it was flying so low.

The blinding rain, they told Rhodes, must have made the visibility "very, very poor."

Storm Moving Toward Coast

MANTENO, N. C., Aug. 31 (AP)—Fort towns braced tonight for a hurricane that apparently was "riding" down on the bleak and banks of North Carolina and the Virginia Capes.

The storm, the second in three weeks to threaten the South Atlantic seaboard, sent barometric readings falling at the coast guard station at Cape Hatteras—the graveyard of the Atlantic—and angry seas rose along the Carolina banks.

The weather bureau predicted the coast between midnight and 6 a. m. north as southern New England. The Philadelphia weather bureau said the storm was likely to veer out to sea before reaching the Philadelphia area.

Eleven Injured In Fair Panic

SAN FRANCISCO, Aug. 31 (AP)—Eleven persons were injured when a fair-going crowd was panic-stricken today at the Golden Gate International Exposition by a woman shouting, "Look out, the Tower of the Sun is falling."

Police said about 20 persons were bruised or hurt when a crowd of nearly 100, mostly women, and children, stampeded. Only eleven required hospital treatment.

They were walking to the Tower of the Sun, a tall, slender, conical structure, when a woman in the crowd shouted, "Look out, the Tower of the Sun is falling."

The screams in Miss Agostoff's case came as a surprise as police privately had expressed the opinion she would be released.

Trotsky's Slayer Formally Charged

MEXICO CITY, Aug. 31 (AP)—Judge Raul Carranza Y Trujillo tonight formally charged Frank Jackson with the slaying of Leon Trotsky, called Bolshevik and ordered him held for trial.

The judge also formally charged Jackson's friend, Sylvia Agostoff of Brooklyn, with complicity in the slaying and ordered her held for trial also.

Motion Picture To Be Shown At Farm Loan Meet

Arrangements have been completed to present a feature of unusual interest at the annual meeting of the Big Spring National Farm Loan association, to be held at Queen theatre at Big Spring, on Thursday, September 12, at 1 p. m.

A. C. Williams, president of the Federal Land Bank, will present motion pictures in natural colors accompanied by a talk on the manners and customs in rural Europe, at the meeting, according to an announcement by Ira L. Driver, secretary-treasurer of the association.

The pictures were made by Mr. Williams while on a trip to England, Norway, Sweden, Denmark, Holland, and Germany last summer shortly before the outbreak of hostilities. The trip was made with a group of honor students from Texas A. and M. College whose principal purpose was to study the cotton industry in all its phases.

The pictures give a general idea of the farming methods in the Old World and show how the rural sections of the countries visited looked before the bombers came.

There also are a number of scenes made in cities that have figured in the headlines in recent months.

During the past nine months, Mr. Williams has shown this film to thousands of people in all parts of Texas.

No admittance charge, free to all.

Midland Show A Thrilling Affair

By NEWTON ROBINSON MIDLAND, Aug. 31 — Under cloudy skies a rollicking new chapter was written into rodeo history at Midland Saturday when approximately 3,500 fans witnessed the first performance of this city's sixth annual rodeo combined with a brand new feature—a colt and grided-horse show.

STANTON, Aug. 31 (Sp) — Miss Dorothy Lee Bassett is representing Stanton this year at the Midland rodeo. Miss Bassett is the daughter of Mr. and Mrs. John Bassett, of Stanton, and is a teacher in the Big Spring schools.

A thrilling opening for the show was provided by six riders mounted on tough, rangy Brahman bulls that bucked in all directions before covering the length of the arena. Times for most events were fast in spite of a slick field caused by a shower just before rodeo time.

Steer Gridiron Practice To Get Underway Here Monday Morning

By HANK HART

Big Spring high school grid hopefuls will gather at the Steer gymnasium this afternoon, 3 o'clock, to receive playing equipment for the 1940 season.

With the opening game less than two weeks away, Head Coach Pat Murphy indicated Saturday that the youngsters would go into heavy training as soon as possible. Two-day drills are planned for every day next week with the morning session starting at 8 o'clock and continuing through 11 and the afternoon drills beginning around 4 and ending at 6 p. m. The workouts will be conducted at Steer stadium.

About 40 boys are expected to show up at the fieldhouse today for an early start with more reporting throughout the week.

The Bovines open their campaign in a home bout with Mineral Wells. The Resorters took them into camp by a 7 to 6 score last year. The Longhorns will play four home games this campaign, two at night and as many in the afternoon. The nocturnal debates will be staged against Mineral Wells and Odessa, which will be met Oct. 11, while the day arguments will find San Angelo here Nov. 11 and Abilene here Nov. 29.

Eight lettermen, including Hal Battle, who rated all-district honors as a guard in some quarters last fall, will be back to greet Murphy.

One of the numeral wearers returning will be Winslett Nance, who won his spurs as a guard two years ago but did not play last season.

Nance, who will probably play defensive tackle and offensive guard, will tip in at close to 175 pounds. Battle packs 149 pounds and is expected to be better than ever this year.

Other veterans who will show up are Tabor Rowe, 135-pound half back, Paul Kasch, 170-pound center who has twice lettered, Ralph Stewart, 170-pound center who will probably be moved to end, Jack Graves, an end who should swing the scales to about 165 pounds, Clifton Patton, 208-pound tackle, and Owen Brummett, ramming fullback who will weigh in the neighborhood of 160 pounds.

Squadmen expected to make a bid for starting berths include Gene Rupp tackle, Junior Moore back, Peppy Blount end, Lem Nations end, Charles Buckner center, Pete Pressley back, Roy Collins

guard, Doyle "Hunka" Stewart back, Billy Womack back, Wofford Hardy tackle, Bill Shaw tackle, Darrell Webb guard, Wayne Dearing end, Bill Suggs guard, Roland Evans guard, J. B. Meyers guard, Felix Campbell guard, David Lamm back, and Blake Talbot back.

Moore, who at 141 weighs some 15 pounds more than he did in 1939, starred as a triple threat back on Howard Schwarzenbach's Yearling team last fall and may break into Murphy's starting lineup. He's a southpaw and can fit right into Lefty Bethell's shoes.

Pressley, 170-pound back, was a ball of fire on John Daniel's Short-horn squad last year and will challenge Brummett for the fullback slot. Pressley is the best kicker on the squad.

Kasch, hurt the early part of last season, is back and ready to go. Last year's regular pivot man, Stewart, is being moved to

and because of the improvement of Charles Buckner, third string center. Too, Murphy wants to play Kasch and Stewart at the same time.

Someone will have to hustle if Blount, lanky 173-pound soph, continues to improve. At the present time Graves and Nations look to be the best ends but give Blount a month and he may edge out of a starting role. Graves was injured in a car wreck during the summer and may or may not come around.

Brummett, who developed surprisingly well the latter part of last season, will again fill in as a blocker and ace line backer. If he learns to snag passes, he may rate the all-district team. Too, he'll do his share of ball carrying.

Murphy is counting on Patton heavily to take care of one side of the line. He looked great last fall and in spring training.

The surprise package of District

3-AA circles may be Horace Bostick, 160-pound blocking back and brother to a former Steer great, Alton Bostick. Horace had his tonsils yanked out a couple of weeks ago and may not be able to take part in early practice but figures heavily in forming in many a season and last season showed a knack for totting the mail.

Bill Roden, Herman Stewart Co-Medalists In C-C Meet

JONES, BRISTOW MORGAN RATE TITLE FLIGHT

Bill "Red" Roden, Glen Rose youth, and Big Spring's Herman Stewart shared medalist honors in the tenth annual Big Spring invitational golf tournament, each shooting a brilliant 66 in Saturday's qualifying round at the country club.

Roden was out in 33 and negotiated the back side in the same figures while Stewart posted a 32 on the front nine and coupled that with an in-coming 34 for his score.

Roden squares off with Bob Farmer, Odessa's up-and-coming star, this morning while Stewart's first round opponent is O. E. Broome, Odessa Choctaw Indian.

Last year's champion, Midland's Elton Dozier, who did not play for the medalist prize, faces a suicidal schedule if he hopes to repeat his march to the title. He breaks the barrier with rugged Guy Rainey, Forsan, then ties into the winner of the E. C. Nix-Dave Watt duel if he succeeds in silencing Rainey.

Nix was defeated in last year's final by the Midland youth.

Doug Jones, Big Spring, who has won the medal in three past tournaments, came in with a 70. Obie Bristow, the local oil man, matched Jones stroke for stroke.

Jones tussles with J. C. Southworth, Sweetwater, this morning, while Bristow must cope with Bob Battle, Colorado City.

It took a 73 or better to rate the title flight and Southworth and Battle just slipped under the wire.

Outside of Stewart, Jones and Bristow, Jake Morgan and a newcomer to the top flight, Bob Satterwhite, will represent Big Spring. Morgan goes to bat with James Pritchett, Colorado City, while Satterwhite mixes with Johnny Edmonson, Lamesa.

A total of 110 golfers registered for the tournament, considerably shy of last year's record figure of 132.

First and second round duels will be staged today with semifinals and finals due Monday.

B'SPRINGERS WIN H-B CUP FIRST TIME

Despite sensational sub-par shooting by Bill Roden, Glen Rose red-head, and Midland's H. S. Forgeron, the Big Spring representatives won the Hall and Bennett golf tournament at the country club Friday, scoring 7 1/2 points of a possible 12.

It was the first time in the three-year history of the event a local team has been able to claim the handsome prize and Obie Bristow's aggregation did it very convincingly.

Both Roden and Forgeron were definitely "on their game" in the afternoon singles play. Roden was four under standard figures in disposing of Big Spring's No. 1 man, Doug Jones, 4 and 3, as was Forgy, invading captain, who took care of Bristow by a 3 and 2 score. Bristow bettered par by a stroke but had no chance.

Along about the time Roden and Forgy were winding up, however, their mates, E. T. Dozier, Midland, Pat Riley, Midland, Fred Hogan, Odessa, and Poe Woodward, Stanton, were being fanned out by local players.

Dozier found Herman Stewart too hot to handle and lost out, 3 and 2; Riley succumbed to Shirley Robbins' game by a three-up count.

Hogan's game was massacred by Bill Barber, 5 and 4, while Woodward was sanded outplayed by Guy Rainey, 4 and 3.

Those decisive victories, coupled with a 3-1-2 to 1-2 advantage the Big Springers were able to tack up in the morning scotch foursome duels, gave Bristow's contingent plenty of margin.

In the morning play, Jones and Bristow subdued Forgeron and Bob Farmer, Odessa, one up; Rainey and Stewart routed Dozier and Lyle Coffey, Big Spring, 6 and 5; Barber and Sam Sain defeated Hogan and Bob Schermerhorn, Big Spring, 5 and 4; while Robbins and Jake Morgan were being tied by O. E. Broome, Odessa, and Pat Riley, Midland.

Farmer and Broome saved the visitors from utter rout in the singles play when they scored triumphs over Morgan and Sain, respectively. Both victories were by one up margins.

Buff Football Drills Begin Monday Morn

FORSAN, Aug. 31 — Six-man football practice will get underway here Monday morning, 9 o'clock, with Cagle Hunt, Brady Nix's successor, in charge.

Hunt comes here from Lake View, Tom Green county, where he served as head football and basketball coach for three years.

Four lettermen will report to Hunt. About 14 boys are expected to ask for uniforms.

The Buffaloes, members of the District 12 six-man conference, open their season Sept. 13 in Forsan, meeting Westbrook, 1939 champions.

Shirley Shuts Out Lamesans

CLOVIS, N. M., Aug. 31—Newman Shirley pitched perhaps the finest ball game of the WT-NM league season when he blanked the Lamesa Lobes, 5 to 0, with one hit here Friday evening.

But 28 men faced the youngster and 17 of that number went down on strikeouts. He did not give up a base on balls.

His Clovis mates got behind him with a ten-hit attack off Pat Patterson, who was seeking his 22nd victory of the campaign.

Harry Riorden was the only Lobo to touch Shirley for a hit, a fifth inning single.

Yankees Hop On Senators

NEW YORK, Aug. 31 (AP)—The world champion Yankees crushed the Washington Senators 7 to 1 today for their fifth straight victory and 11th in 12 games as Atley Donald pitched three hit ball and his mates backed him up with a ten-hit offensive, including homers by Joe Gordon and Tom Henrich.

Henrich's home run came in the eighth round with two mates aboard.

The Senators collected their only run in the second round when Cecil Travis romped home.

Donald's victory was his fifth of the campaign.

Conn Loses Support In Bob Pastor Bout

NEW YORK, Aug. 31 (AP)—A lot of the "sparkle" has been rubbed off the Billy Conn-Bob Pastor tussle, largely because there's little chance of the winner being fed to Joe Louis, but next Friday's 15-rounder still shapes up as a lulu of a boxing match.

The postponement of the fight from mid-August, accompanied by a switch in locale from the Polo Grounds to Madison Square Garden, just about wiped out all of Promoter Mike Jacobs' rory dreams to start his turnstile act clicking with a September fight between the victor and the Brown Bomber.

There has been talk that Jacobs still is toying around with the idea of putting on a heavyweight title fuss in October, possibly in Los Angeles, between Louis and Madcap Maxie Baer, or, if Madcap Maxie can't be persuaded to go to the post, against Friday's winner.

However, those "in the know" advise you not to bet the family jewels on it.

Cincinnati Nips Chicago Cubs, 5-4

CINCINNATI, Aug. 31 (AP)—A ninth-inning single by Ernie Lombardi sent in Bill Werber with the run the Cincinnati Reds needed to beat the Chicago Cubs today.

Clyde Passau started on the hill for Chicago but was relieved in the eighth inning.

DOWNTOWN STROLLER

Mule Stockton and John Daniels explained they were still busy combing the hayseed from their hair before school starts. Seems they have been busy working down on the farm this summer.

We are looking for the man who scared us half to death Saturday morning around the Settles hotel in an airplane. In these days of jittery and jittering people, stuff like that is hardly fair. . . . We hear it was a serenade, but it sounded like a bombardment.

Saw Mrs. R. B. Reeder who was downtown Saturday. She is looking good following her recent illness. She was entering the Herald "Get Acquainted" contest.

Mrs. C. S. Dilts and Betty Bob were lurching at a local eatery. They look so much alike that it isn't hard to know they are mother and daughter.

Tom Bradshaw, Settles hotel manager, has a new cream-colored jitney that would fairly make your mouth water. It looks good enough to eat. . . . It also would make you want to never walk again.

Gossiped over the luncheon table with Gladys Smith and Mrs. C. D. Miller whom we familiarly call "Gracie." She entertained us with tall tales.

Glimpsed Miss Bilyje Traverser in the distance hot-footing it back to work. So were we, so didn't stop to have a chat.

Mr. and Mrs. E. K. Hester were lurching together and were so deep in conversation that they didn't see us until they got ready to leave. They probably had trouble finding us though, as we were hidden behind a chocolate sundae about as tall as we are. . . . yummy.

Pink and green colors decorated the birthday cake that was served with ice cream and punch. It was laced on top with the words, "Happy Birthday Gwynne."

Guests present were Sylvia Ann Brigham, John Anna Forrest, Carol Lynn Reed, Don Brigham, Anne Nicklas, Joy Jeanette Barnaby, Anita Forrest, Garry Nicklas, Bessie Mae and Essie Jo Barnaby, Avneil Yates, Elizabeth Graves.

Older Workers In Demand In New Arms Program

BAITMORE, Aug. 31 (AP)—The industry's "forgotten man"—the older, jobless worker—is being remembered at a feast of employment served up by national defense production. Where age—even 40 or 45 years—was once a barrier, the older man's skill and experience are now an "open sesame" to jobs in rapidly burgeoning heavy industries and "war" industries. "Business is now asking for men from 25 to 60, or even 62, years old in certain skilled trades," said David L. H. Fringer, Maryland state employment service director. Last January only 16 per cent of persons placed in private industry in Baltimore were 45 and over. Last month it was 20 per cent. "This upward trend—which we can expect will continue—obtains not only here but in most industrial centers."

Farm And Ranch Talk ROUND THE COFFEE POT

By Newton Robinson

Although discouraged by continued small crowds at meetings, the Howard County Land Use Planning sub-committee studying organization of a frozen food locker plant in this county is continuing plans for the project and it will be discussed at another meeting here Tuesday. At a meeting Friday night, films of similar projects in Texas were shown by M. N. Mosley of Dallas and the operation of plants of this type were explained.

Even though attendance at these meetings is low, much interest is being shown by people who understand the value of such plants. From a money-saving standpoint, freezer lockers are a great advancement over all other methods of food preservation. The cost of a family size locker is estimated to be only \$8 per year plus a cost of about 1 1/2c per pound for chilling, slicing, wrapping and freezing meats. Meats may be killed at all times of the year and there is no loss through spoilage or inappreciated meat cutting. The same method can be applied to butter, fivers and other farm products.

A plant similar to those of other counties could be built at a cost of only about \$9,000. In a co-operative venture, 300 customers could handle the installation of the plant at a cost of \$30 each, or through other finance methods, stock in the plant could be sold at around \$15 per share.

Paul Jones of Martin county has purchased 1,000 head of mutton lambs to pasture on his ranch at Tarzan. He paid 6 1/2 cents with J. K. Barfield making the sale.

Midland began the first day of its rodeo Saturday with a fine crowd on hand to witness the event. Scattered among the different events were many Big Spring contestants: the Edwards sisters in the cowgirl sponsors contest, Doug McKinney, Sonny Edwards, Curtis Driver and Charlie Creighton, ropers; Jess Slaughter, showing some of his animals in the horse show and Marion Edwards, acting as one of the officials. Monday will be Big Spring Day at the show.

Colorado City, another neighbor, will stage the sixth annual Frontier Round-Up next week with a two-day show being planned for Thursday and Friday. Local fans will have a change to get their fill of this sport by visiting the two cities.

H. A. Davis, 10 miles out of Big Spring brought in the first bale of cotton to be gathered in this county this week. The cotton was produced on Charlie Creighton's place.

Hart Wells community will celebrate a real old-fashioned home coming Sunday with morning services, singing services and basket dinners. The celebration will be an all day affair.

El Paso, Dallas In Final Round Of State Meet

ABILENE, Aug. 31 (AP)—Roy Weeks, lanky fast baller, pitched his fourth victory in two nights here tonight as McNutt Oilers of El Paso entered the final round of the American Softball Association's state tournament. The El Pasoans face American Liberty of Dallas in the finals Monday night.

FD Views Progress Of Last Seven Years

HYDE PARK, N. Y., Aug. 31 (AP)—President Roosevelt said in a Labor Day statement tonight that wage earners, farmers and business men could view with satisfaction the improvement in their lot and that of the nation "in the last seven years."

That improvement has come, he asserted, "largely as a result of a far-reaching economic and social program conceived in democratic principles and dedicated to the common good."

Because of the defense program, Mr. Roosevelt said, this Labor Day calls for a more than ordinary observance, and for the dedication of labor, management, farmers and government in a common purpose of protecting and continuing "this great democracy."

and a vast amount of draftsmanship went into the lettering of the pages. Each face was pasted in a circle drawn in ink, and lettering of the names was curved to conform to the circle. The design of placing pictures was different on each page.

A great deal of work also went into Holly Mae Morgan's entry, also a booklet, designed in black and white, with each of the 317 faces carefully cut out and mounted on black background, silhouette fashion. Miss Morgan presented the firms and their associates in story form, writing about an imaginary trip through Big Spring, on which she stopped at each place and met the individuals.

Another thick book with wooden covers was the entry of Mrs. Bridwell. The book carried a Mexican scene in bright colors on the outside cover, under the title "Photos Of Whozit?" A section was devoted to each firm, the head of the firm had an accompanying brief biography written by the side of the face clipped from the paper, and all other personalities, with names printed underneath, were presented on accompanying pages.

A glance at the fine handwriting of the entries was enough to convince that much time, thought and effort had been put into the preparation of the entries. There were many other novel ideas submitted, and The Herald expresses its appreciation to all contestants for their participation, regretting only that every contestant could not win. At post offices throughout the land there has begun the registration of all aliens in the United States. It is important that public thought should not attach any stigma of odium to this necessary and proper provision for the national safety.

Washington Daybook

WASHINGTON—If any of you readers or your acquaintances are wondering about the Hatch act, which keeps all federal full or part-time employees out of politics and otherwise makes a hazard of some objectionable tricks in the national political game, tip your hat to a man who is himself waging his biggest political campaign under the new rules and regulations.

Man About Manhattan

NEW YORK—Is this unpredictable city about to witness another wave of bathtub and lovers lane murders such as characterized New York during the middle thirties and which reached an all-time high in brutality with the death of Nancy Titterton, pretty young wife of a radio executive, who was slain by a madman in her Keesmas place apartment, near East river?

MADE FORTUNE IN OIL

You would think a fellow like that would stick by his guns. But not J. Dempsey. He took his savings out to Oklahoma, where he again went in for the underground stuff. This time it was oil.

ODDS WERE AGAINST HIM

Jovial and good-natured in social gatherings, Dempsey is as serious and hard-working in politics as he was in working his way up. When he started pumping steam into Hatch Act No. 2, the odds here were 10-to-1 that there wasn't a chance for this measure to take out of politics any workers partly paid from federal funds.

Chapter Three
FULLER'S JUNCTION
Constance Cabrillo stopped twice enroute to the airport, once to telephone and learn that the plane was leaving at seven and to make a reservation on it, the second time at her office where she spent a precious half-hour closeted with the head of the realty firm.

The Thrill That Comes Once In A Lifetime

As the ship circled in over San Francisco Bay, she thought of John with a guilty start, and wondered how long he had waited for her. She felt as lost and alone as the plane looked in that sea f fog, and later, breakfasting at the airport, wondered if she had done wrong; if it hadn't been the Cabrillo in her that had caused her to throw her hard-earned commission away on this trip when she might have paid bills with it.

Memory Of The Moon

Constance immediately hated Taylor. So the countryside already thought of her home as belonging to the manager, did they? "Well, now," the station master continued, "Can't say as there's a cab within a hundred miles, but Sam!" he called, and one of the loafers separated himself from a milk can. Is Min centin' out Tim's car these days?"

and grew loquacious on the way. "Bet you're a goin' out to see Peter," he offered. "He shore has a way with girls. Been back from college goin' on six years, but some of them there coeds ain't given up yet."

Lunch Room To Be Operated At Lamesa

LAMESA, Aug. 31—Plans are being perfected for the opening of the school-WPA lunch room again for the school term which opens Monday. Last year the project was in operation from January to June, and during this five-month period about 20,000 lunches were served to an average of 200 students each day at a cost of 10 cents per lunch.

Co-sponsors of the project last year were the WPA, providing labor; the school district, which provided equipment; and the Parent-Teacher association which provided dishes and assisted in raising money.

The lunch room was established to accommodate children who live a long distance from school, and for the benefit of underprivileged children. Results were so satisfactory that the project is being renewed. Increased attendance, health improvement, better grades and improved morale were traced as results of the project.

A garden project has been carried out during the summer from which a considerable amount of peas, beans, turnip greens and squash have been canned to be used during the winter. Several farmers of the community have donated peas for the project and at present more than 200 quarts have been canned. Jars have been contributed by many people of the city. It is expected to continue the canning project as long as vegetables are available for this purpose.

The local project will be supplied with a good quantity and variety of commodities from the Surplus Marketing administration and distributed through the state department of public welfare.

their candidate, Hugh Duncan.

Duncan, who is a charter member of the local club, is also a past president and has been district secretary-treasurer and at present is lieutenant-governor.

The candidate has cooperated in the Big Brother movement sponsored by the local club and is committee chairman of the club-sponsored boy scout troop.

He has lived in Big Spring for the past 13 years and is employed by Texas Electric Service company as assistant chief clerk.

Duncan has presented his platform as including expansion of clubs and a closer co-operation between district and local officers.

Club Boys Put Calves On Feed

Twenty 4-H club boys of Howard county have calves on hand for feeding projects, County Agent O. P. Griffin said Saturday, and efforts are being made to have all the animals weighed in as near as possible to September 1, for the start of feeding records.

Calves weighed this past week ranged from 405 to 570 pounds, the agent said. The animals will be fed until the annual livestock show here next March. Seven other boys may obtain calves soon to enter the demonstration.

Griffin said ranchmen of the county had been very cooperative in helping the boys get calves. He expressed appreciation particularly to Marion Edwards, M. L. Hamlin and O. E. Hamlin, who let the boys

Griffin pointed out that some of the boys are following a different method of feeding this year, working toward a profitable commercial method rather than one to make "show" animals. Some are keeping the calves on sudan during the start of the dry lot feeding.

Colorado Boosters Due Here Monday

Another of the area's big western fiestas, Colorado City's annual Frontier Round-Up, will be advertised to the people of Big Spring Monday morning, when a group of Colorado City goodwill boosters make a stop here.

The trippers are due to arrive in Big Spring at 8:30 a. m. Jack Helton, manager of the Colorado chamber of commerce, has advised that a delegation of about 200 is expected. The boosters will be accompanied by a cowboys band. The Frontier Round-Up is slated next Thursday and Friday.

Labor Makes American Standards Its FIRST LINE OF DEFENSE

America has long glorified, and the world has envied, the high plane of living made possible in this country... PATH OF PERIL

THEIR SPEARS FLASHING SAVAGELY, THE DEMON FISH CHARGED.

ALONE, TARZAN COULD SURELY HAVE ESCAPED. WITH HIS BURDEN, IT WAS DOUBTFUL.

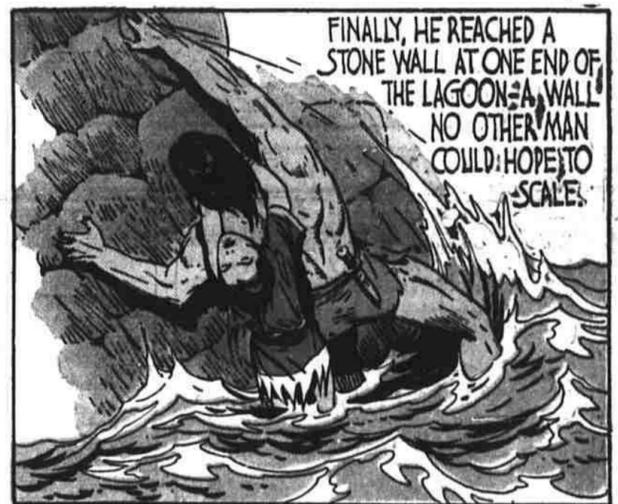

BUT HIS INGENUITY CAME TO HIS AID. QUICKLY HE TORE A PIECE FROM TANNY'S GARMENTS.

THEN HE BOUND THE BOY'S WRISTS AND LOOPED THEM AROUND HIS NECK.

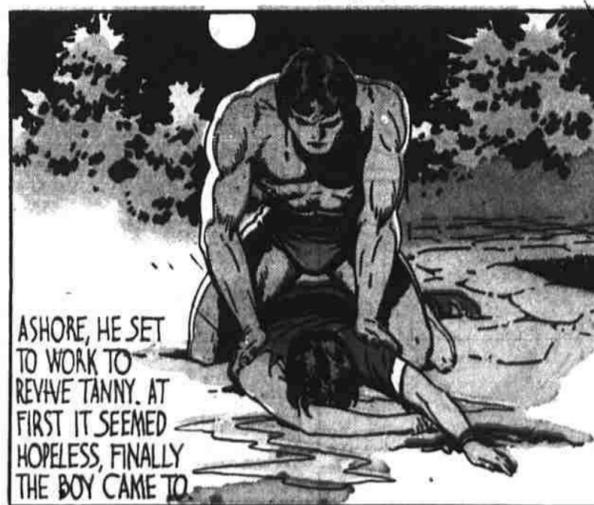

NOW WITH HIS ARMS FREE, HE STRUCK OUT DESPERATELY TO ELUDE THE MONSTERS.

FINALLY, HE REACHED A STONE WALL AT ONE END OF THE LAGOON. A WALL NO OTHER MAN COULD HOPE TO SCALE.

BUT TARZAN HAD THE CLIMBING SKILL OF AN APE. HE CLAMBERED UP—JUST IN TIME.

ASHORE, HE SET TO WORK TO REVIVE TANNY. AT FIRST IT SEEMED HOPELESS, FINALLY THE BOY CAME TO.

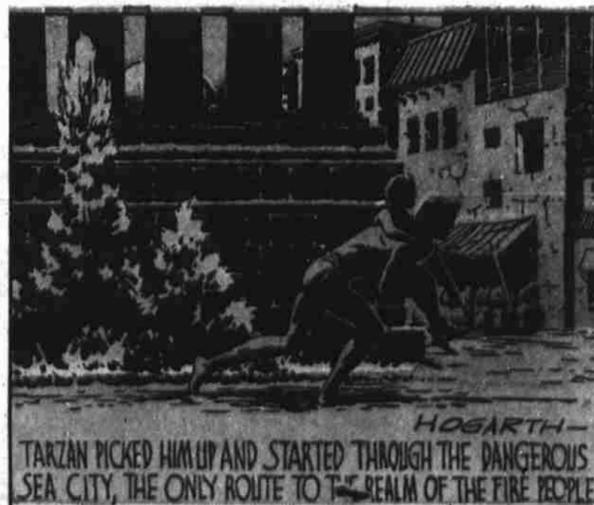

"THANK YOU," TANNY SAID SIMPLY. THEN HIS EYES TURNED TO THE EERIE VOLCANO TOWERING IN THE DISTANCE.

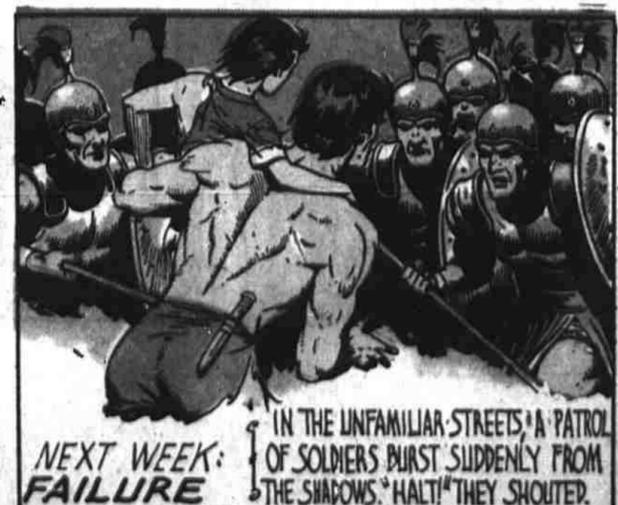

"WILL YOU TAKE ME HOME, TO THE SLOPES OF THE FIERY MOUNTAIN?" THE CRIPPLED BOY ASKED.

HE'S COMING TO!

WHY DID YOU DO IT? WHY?

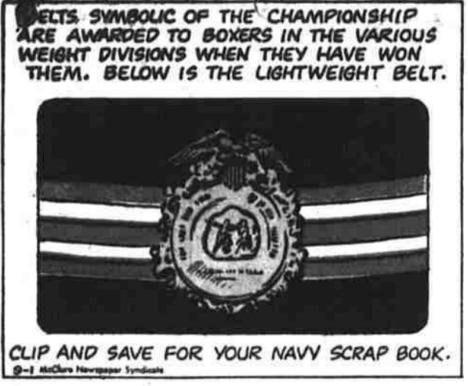

I—I NEEDED THE MONEY BADLY. I WAS PAID TO DO IT!

YOU WERE HIRED TO COMMIT THIS COWARDLY CRIME! WHO HIRED YOU?

WHO GAVE ME THE MONEY—THE MONEY TO KILL THIS GIRL? IT WAS....

WELL, MALONE, TONIGHT'S THE NIGHT YOU MEET DOLAN. HOW DO YOU FEEL?

SWELL, MR. STEELE. I'LL WIN BY A KNOCKOUT, SURE!

WHILE IN A HOTEL ROOM IN HAWAII.

NOW LISTEN, YOU GUYS. WE'VE GOT PLENTY OF MONEY ON THIS FIGHT FOR EDDIE DOLAN TO WIN. AND HE'S GOTTA DO IT! D'YA GET THAT?

SURE, ROWDY. BUT YOU CAN'T FIX A NAVY FIGHT. THOSE GUYS ARE SQUARE SHOOTERS.

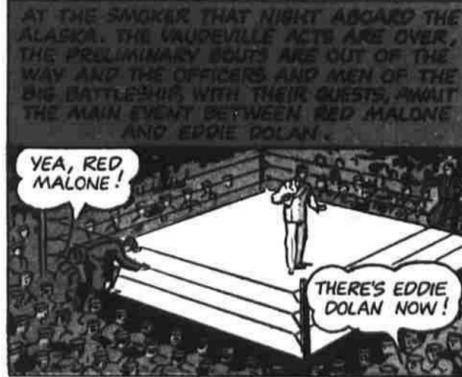

YOU NUT! OF COURSE THEY WON'T FIX IT, SO WE GOTTA. LARRY HERE IS TAKIN' CARE OF EVERYTHING. ARE YOU ALL SET, LARRY?

OKAY, ROWDY. I GOT EVERYTHING UNDER CONTROL.

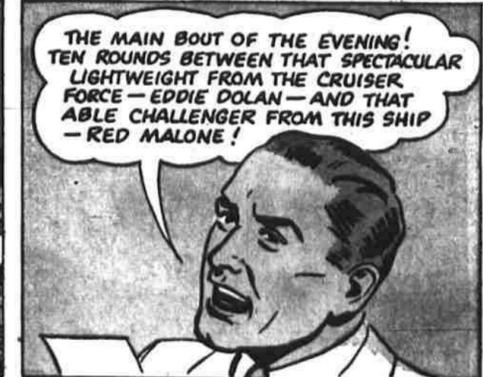

GOOD! I GOT FOUR INVITES TO THE FIGHT. I'LL SEE YOU GUYS THERE. NOW SCRAM!

AT THE SHOWER THAT NIGHT ABOARD THE ALASKA, THE VAUDEVILLE ACTS ARE OVER, THE PRELIMINARY BOUTS ARE OUT OF THE WAY AND THE OFFICERS AND MEN OF THE BIG BATTLESHIP WITH THEIR GUESTS AWAIT THE MAIN EVENT BETWEEN RED MALONE AND EDDIE DOLAN.

YEA, RED MALONE!

NOW YOU MEN KNOW THE RULES. KEEP YOUR PUNCHES UP. NO HITTING IN CLINCHES AND BREAK CLEAN. UNDERSTAND?

RIGHT, CHIEF.

OKAY, CHIEF.

ALL RIGHT, THEN. SHAKE HANDS NOW AND COME OUT FIGHTING. AND MAY THE BEST MAN WIN!

GIVE ME A DRINK OF THAT WATER BEFORE THE BELL RINGS.

SURE, RED, BUT DON'T TAKE TOO MUCH.

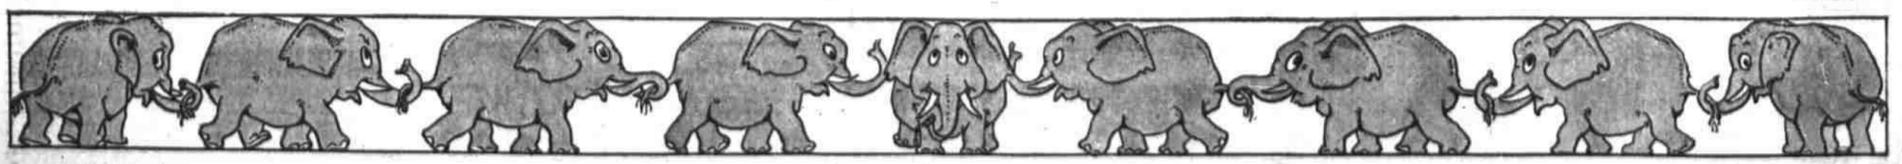

ROUND ONE! TEAR INTO HIM, RED!

GIVE HIM TWO EDDIE!

BONG

THE FIGHT IS ON! WILL RED WIN, OR HAVE THE GAMBLERS FIXED IT SO HE IS SURE TO LOSE?

LOOK HERE—ANTHONY BURLY HAS BEEN IN CALIFORNIA FOR A MONTH ON A SALES TRIP—HIS OFFICE HEARS FROM HIM DAILY—

SOUNDS CRACKED—BUT SHE WAS BEING PAID TO RUN THAT OFFICE—

AND HE'S NO MILLIONAIRE—YET THIS SELMA WOMAN THOUGHT SHE WAS RUNNING A PRIVATE OFFICE FOR HIS CHARITIES

THIS INTERESTS ME—

NOT A WORD—AND I AM RIGHT WORRIED TOO!

HELLO, MRS. SELMA—I DROPPED BY TO SEE IF YOU'D HEARD FROM MR. BURLY?

WHAT IF I TOLD YOU MR. BURLY IS A TRAVELLING SALESMAN—THAT HE HAS BEEN AWAY ON BUSINESS FOR A MONTH—AND HE'S A POOR MAN, NOT ABLE TO CARRY ON A LOT OF CHARITIES?

THEN THERE MUST BE TWO ANTHONY BURLYS—THE ONE I WORKED FOR WAS GIVING A FORTUNE AWAY!

I SEE—WHO IS THAT MAN, MRS. SELMA?

OH, THAT'S MR. KEENE, THE PHOTOGRAPHER—WHO RENTS MY BASEMENT TO DEVELOP HIS PICTURES—

HERE HE COMES—PRETEND I'M JUST A CUSTOMER, WILL YOU, PLEASE?

HE TOOK CARE OF MY STORE, MORNINGS, WHEN I WORKED FOR MR. BURLY!

YES—I THINK I'LL TAKE THIS BOOK!

GOODNESS, YOU NEEDN'T WORRY ABOUT MR. KEENE—HE'S NICE—SO ACCOMMODATING, TOO—

OF COURSE—BUT WE MUST BE CAREFUL—ON MR. BURLY'S ACCOUNT, YOU KNOW—HE WOULDN'T WANT IT KNOWN THAT WE WERE LOOKING FOR HIM, WOULD HE?

BY THE WAY—HOW LONG HAS MR. KEENE BEEN RENTING YOUR BASEMENT?

OH, HE'S BEEN HERE NEARLY THREE MONTHS NOW!

THE MAN WITH THE ONE-WAY FOOT

IT'S ALWAYS DOWN TO THE FLOOR-BOARD WITH WILBUR SHAW—3-TIME WINNER OF AMERICA'S 500-MILE AUTOMOBILE SPEED CLASSIC AND ENTHUSIASTIC CAMEL SMOKER.

AS A BOY, COME ON, WILBUR. DON'T YOU EVER GET ENOUGH RACING—THEY'RE ONLY PRACTICING

JUST YOU WAIT. SOME DAY I'M GOING TO BUILD A RACE CAR—AND DRIVE IT, TOO!

WHO IS THAT KID? HE'S HOTTER'N A DEPOT STOVE!

KID NAMED SHAW—ONLY IS. BUILT THAT CAR HIMSELF—OUT OF JUNK

YEAR 1929

NATIONAL DIRT TRACK RACE TITLE TO SHAW

Daring Hoosier driver wins 9 firsts in 11 races. Enters Indianapolis 500-mile race

IN ONE OF HIS FIRST INDIANAPOLIS RACES, SHAW HURDLED THE WALL TO AVOID A CRASH—CLIMBED OUT AND DROVE ANOTHER CAR TO THE FINISH

HE'S GONNA PASS US, WILBUR

LET HIM PASS. I'M DRIVING THIS RACE TO WIN!

AND SHAW DID WIN—BY TWO SECONDS—IN 1937

AND AGAIN IN 1939-1940... THE ONLY DRIVER EVER TO WIN TWO YEARS IN A ROW!

TERRIFIC, WILBUR! JUST A FEW WORDS

WHAT I WANT FIRST IS A CIGARETTE. WHO'S GOT A CAMEL?

HE'S A SMOKER AFTER MY OWN HEART—HE LIKES THOSE 'EXTRAS'

YES, SIR, I LIKE ALL THE EXTRAS I CAN GET IN MY CIGARETTE. CAMELS BURN SLOWER AND GIVE ME EXTRA MILDNESS AND EXTRA FLAVOR ALONG WITH EXTRA SMOKING. CAMELS ARE THE CIGARETTE FOR STEADY SMOKING. I KNOW—I'VE SMOKED CAMELS FOR YEARS. PENNY FOR PENNY, THEY'RE THE BEST BUY

EXTRA MILDNESS
EXTRA COOLNESS
EXTRA FLAVOR

IN RECENT LABORATORY TESTS, CAMELS BURNED 25% SLOWER THAN THE AVERAGE OF THE 15 OTHER OF THE LARGEST-SELLING BRANDS TESTED—SLOWER THAN ANY OF THEM. THAT MEANS, ON THE AVERAGE, A SMOKING PLUS EQUAL TO 5 EXTRA SMOKES PER PACK!

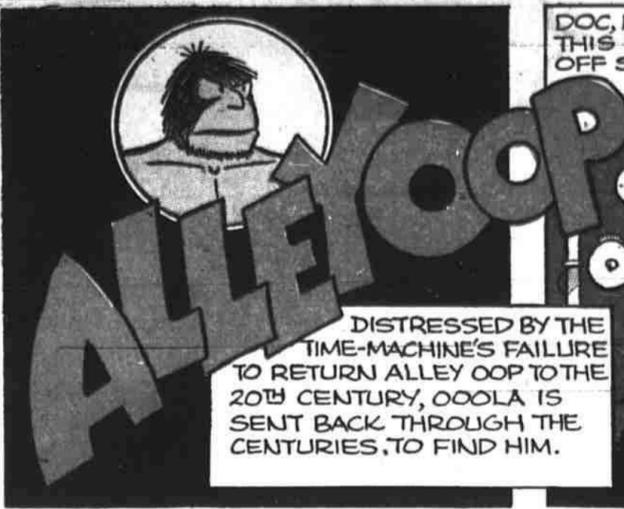

FAST BURNING—CREATES HOT FLAT TASTE IN SMOKE...RUINS DELICATE FLAVOR, AROMA...

SLOW BURNING—PROTECTS NATURAL QUALITIES THAT MEAN MILDNESS, THRILLING TASTE, FRAGRANCE...

DISTRESSED BY THE TIME-MACHINE'S FAILURE TO RETURN ALLEY OOP TO THE 20TH CENTURY, OOLA IS SENT BACK THROUGH THE CENTURIES TO FIND HIM.

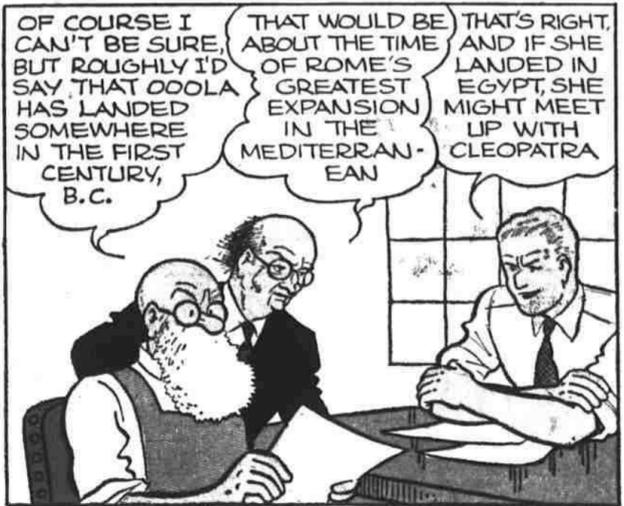

DOC, LOOK! I'VE JUST NOTICED THIS PROJECTION SETTING IS OFF SEVERAL DEGREES ABOVE THE TROJAN TIME ADJUSTMENT! WE'VE SENT OOLA INTO AN UNKNOWN TIME-ERA! SHE'S LOST!

GOOD HEAVENS, WONMUG-- THIS IS TERRIBLE! WHAT WILL WE DO?

NOW WAIT, BRONSON-- THIS MAY NOT BE SO BAD

PERHAPS WE CAN GET SOMEWHERE BY CALCULATION... LET'S SEE, NOW... BY TAKING THE DIAL READINGS ON THE TROJAN PROJECTION... HMM... YES, THIS MAY DO IT---

OF COURSE I CAN'T BE SURE, BUT ROUGHLY I'D SAY THAT OOLA HAS LANDED SOMEWHERE IN THE FIRST CENTURY, B.C.

THAT WOULD BE ABOUT THE TIME OF ROME'S GREATEST EXPANSION IN THE MEDITERRANEAN

THAT'S RIGHT, AND IF SHE LANDED IN EGYPT, SHE MIGHT MEET UP WITH CLEOPATRA

AND AS JON SUGGESTED, OOLA HAS WOUND UP IN EGYPT....

I DON'T THINK ALLEY CAN BE VERY FAR AWAY-- HIS TRACKS ARE TOO FRESH

MEANWHILE, WE FIND ALLEY OOP DRIFTING DOWN THE NILE

HEY, BABE... LOOK WHAT'S COMIN'!

JUDGING BY THE LOOK ON YOUR FACE THEY'RE NOT FRIENDLY... AND SO...

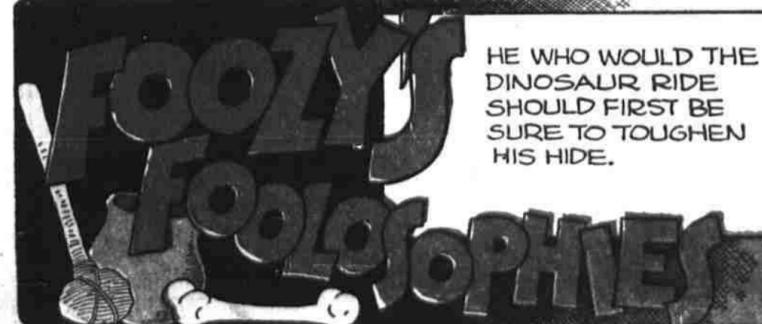

... NOT KNOWING WHAT THE BOZO WHO'S CLOTHES I'M WEARING WOULD DO...

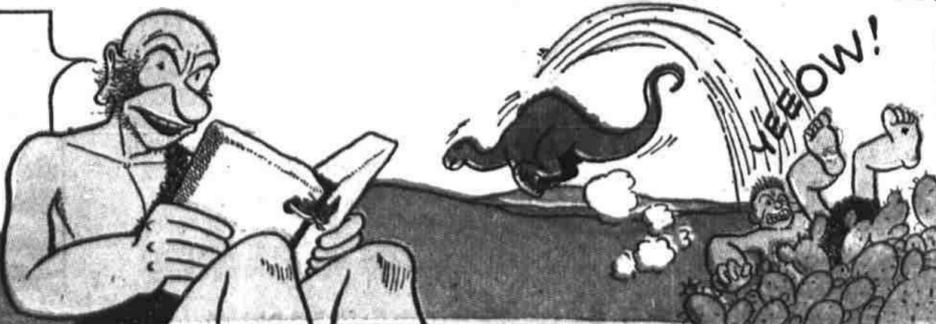

... I'LL JUST HAFTA USE MY OWN JUDGMENT...

... WHICH, YOU'VE GOT TO ADMIT, IS SOMEWHAT EFFECTIVE, EH, BABE?

HE WHO WOULD THE DINOSAUR RIDE SHOULD FIRST BE SURE TO TOUGHEN HIS HIDE.

THE WEATHER THIS WEEK... SHOULD BE SWELL FOR SCHOOL BOOK SHOPPING...

CAN'T SAY THAT I CARE MUCH FOR FISHING... IT'S TOO MUCH LIKE WAITING FOR OLD AGE TO CATCH UP WITH YOU! I'M GOING ALONG JUST TO KEEP YOU COMPANY!

EGAD, TWIGGS, I'LL TAKE YOU TO A SPOT WHERE THE FISH ABOUT... WHERE THEY SNAP VICIOUSLY AT YOUR LINE EVEN BEFORE IT HITS THE WATER!

SEVERAL SEASONS AGO A HUGE FISH, TOO IMPATIENT TO WAIT FOR ME TO CAST, JUMPED INTO MY BOAT! HE WAS SO LARGE THERE WASN'T ROOM FOR BOTH OF US, SO...

I TIED HIM TO THE BOW, TOSSED HIM INTO THE WATER, AND HE TOWED ME AROUND WHILE I TROLLED IN PERFECT COMFORT!

I'LL FISH FIRST, MAJOR, WHILE YOU DO THE ROWING... WHEN I LAND ONE, I'LL ROW AND YOU CAN TROLL, AND SO ON!

WHY... AH... HMP... KAFF! WELL, FAIR ENOUGH, TWIGGS!

CONFOUND IT... I HAD COUNTED ON TROLLING FIRST MYSELF!

JOVE, WHAT TERRIBLE LUCK YOU ARE HAVING, TIFFANY! ARE YOU SURE YOU HAVEN'T HAD EVEN A NIBBLE? I CAN'T UNDERSTAND IT!

EGAD, I'VE BEEN ROWING FOR TWO HOURS! I'M EXHAUSTED! YOU HAD BETTER REEL IN AND TRY SOME OTHER BAIT!

TWO HOURS! SAY, IT'S TIME WE WERE GETTING HOME, MAJOR! WE'LL BE LATE FOR DINNER! BETTER PULL FOR SHORE!

LOOK... YOU'VE LANDED ONE, TIFFANY! A BEAUTY, TOO!

NOT BAD, AT THAT!

IF HE KNEW THAT I HOOKED THIS BABY RIGHT AFTER WE STARTED OUT...

WELL, COME ALONG, MAJOR... WE DID PRETTY WELL AT THAT! AND THANKS FOR THE RIDE!
