

MOORE about... EASTLAND by Virgil E. Moore

A year ago this February Jim George, a resident of Eastland for 38 years, climbed aboard a train as scores of Eastland citizens waved him goodbye. There was more than one eye which shed a tear that day.

Jim, who in his many years as a cafe owner here, had become one of the traditions of the town, was off for Arta, Greece, his native city. Jim listened as his friends sang "For Jim's A Jolly Good Fellow" and waved placards which read: "Bon Voyage Jim! If You Don't Like Those Greeks Hurry On Back." Before his departure he was treated to a farewell party in the White Elephant restaurant by Victor Cornelius. More than 200 of his friends came to bid him goodbye there.

Since Jim left he has kept in close contact with a number of friends, including Joe Canaris. Joe tells us Jim is happy back in his homeland. He writes of his niece, Spenedola, and two nephews, Kerkos and George, the only family he had to return to there after 50 years in the United States.

Jim is 75 years old. When he left Eastland he said he didn't plan to stay there six months if he didn't like it. Since he has been there 12 months, it seems that he plans to stay.

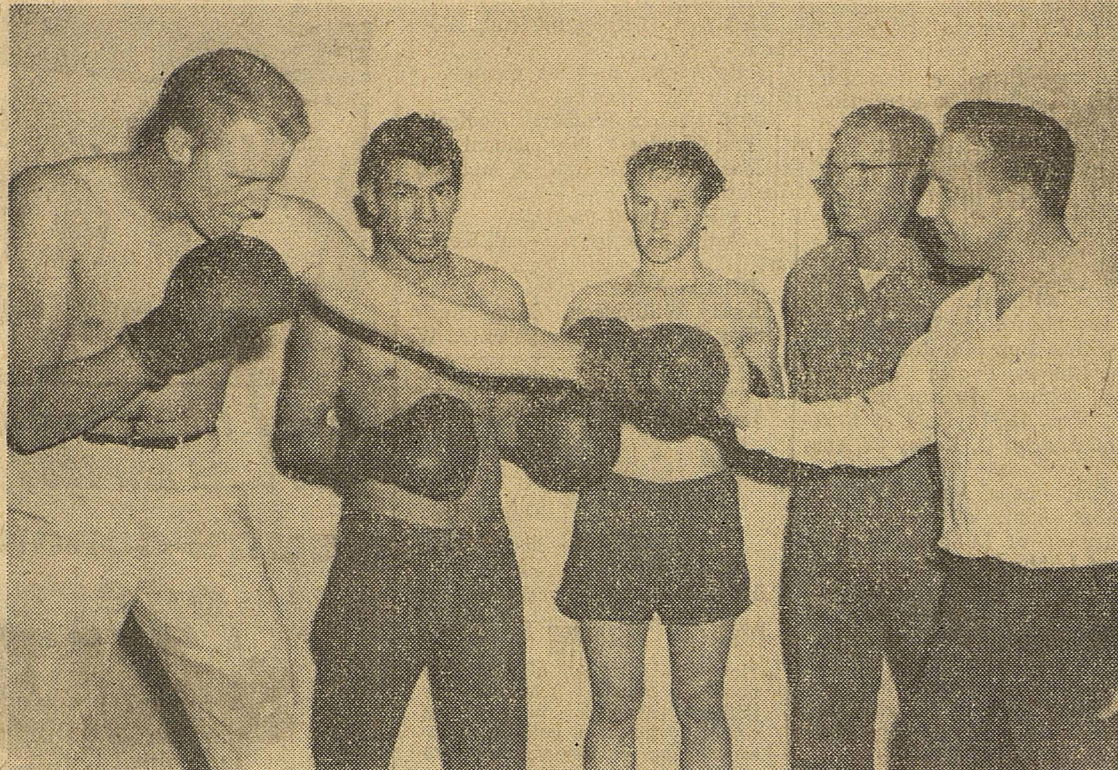

We can't think of anything that would be better now than to send Jim a "We Miss You" card by every friend he left behind. If each merchant would put out a piece of paper in his store, sign his name at the top and then tell his customers what it was for, we would soon have hundreds of names. How about it.

This has been Scout Week, and you very likely saw the scouts in action this week. Scouting has long been a wonderful program. We are not one of those who think it is perfect, but it is a good program. Despite the fact that the Scout movement has got a little top-heavy in recent years, it still does much good.

The unsung hero of Scouting is the Scout Master. He is the fellow who does nine-tenths of the work, gets none of the money which you donate each year and very little credit for his work.

We are talking about guys like M. G. Cartwright, Jimmy Horn, James Reid and W. T. Eaton. Then there's Lois Dunlap and Bill Garner, Cubmasters, and all the Den Mothers.

These are the guys who work with your boys. They are the men and women who spend the hours that can't really spare, to see that your boy has the advantages of Scouting. They do not ask anything in return, and that's about all they get, unless, that is, you want to count the respect and love they receive from their boys.

ALL ARE CHAMPS

Don Slattton throws a long left at the hand of Lois Dunlap to sharpen his eye. As Jimmy Jimenez, Jerry Robinson and Gene Townsend (from left to right) look on, for Slattton it was his first punch in a long time. He won the Abilene Regional open heavyweight championship title without a fight. Jimenez was winner of the lightweight novice title, scoring two knockouts, and Robinson won the featherweight title. The Eastland boxers are now eyeing the Brownwood tourney. Townsend and Dunlap coach the boys. (Telegram Staff Photo)

Eastland Firm Helps Morocco Based Airmen Pick Their Shows

United States Armed Forces personnel in Morocco will be guided in their choice of movie entertainment by theatre programs printed in Eastland.

The Victor Cornelius Theatrical Advertising Company has received and order from the Morocco Branch of Army and Air Force Motion Picture Service-Europe to supply six Army and Air Force Theatres in the Casablanca-Rabat area with theatre programs.

School Enrollment In Eastland Unchanged

School enrollment in Eastland remains practically the same as a year ago, a comparison made for the Telegram by Supt. Wendell Siebert reveals.

School membership at the end of the last semester of school was 751. That compares with 758 enrollment a year ago.

High School, South Ward and Douglas School all showed slight gains while West Ward and Junior High had decreases.

Enrollment by schools now and a year ago are shown below:

School	Enrollment Now	Year Ago
High School	201	193
South Ward	164	149
Junior High	171	180
West Ward	187	204
Douglas	38	32

The enrollment of the two Ward schools is practically the same. Enrollment in the two schools as of

Eastland United Fund Fails to Reach It's Quota

Eastland's United Fund drive is over... over, but not over the top.

For the first time since the Red Feather drive, which is to raise funds for five cooperating agencies, has been in use here, the quota was not reached.

Eastland's quota this year was \$6500. Only \$6200 came in this year. Drive Chairman David Fry called a halt to the drive Saturday.

Desdemona School Tourney Begins Monday

Desdemona will hold a grade school basketball tournament Monday, Thursday and Saturday of this week.

Teams entered in the tourney are from Tollar, Lingleville, Carbon, Comanche, Palo Pinto, Gorman, Olden and Desdemona. There will be both a boys and girls division.

First round play is slated Monday night. Second round play will begin Thursday night and be completed Saturday. Then the final and consolation finals will be played Saturday night.

now totals 351 students as compared to 353 at this same time a year ago. Reason for the South Ward gain and the West Ward loss is easily explained.

West Ward was overloaded last year, so one class was switched from that school to South Ward this year.

Edward Stewart In Alaska With 1st Artillery

FORT GREELY, —Army Pvt. Edward R. Stewart, 23, of Gorman, is participating in maneuvers with the 1st Artillery at Fort Greely, Alaska, one of the coldest spots on the North American continent.

The maneuvers consists of simulated combat situations in which mobility on snow and training in tactics are being stressed.

Stewart is regularly stationed at Fort Lewis, Wash., as an artillery surveyor in Battery D of the artillery's 2d Howitzer Battalion. He entered the Army in April 1957 and completed basic training at Fort Lewis.

Stewart is a 1951 graduate of Gorman High School and a former employee of Conair Aircraft in Fort Worth. His parents, Mr. and Mrs. Ralph Stewart, live on Route 1.

Eastland Girl Class Favorite At Ranger College

Sophomore and freshman class favorites were elected during class meeting February 7 at Ranger College.

Barbara Rogers of Ranger and Jimmy Clark of Newcastle were chosen as freshman class favorites. Other nominees were Matty Jo Bentley of Eastland, Wanda Payne of Carbon, Gerald Cross of Guthrie, Marvin Crawford of Guthrie, Leon Walker of Holliday, and Charles Smith of Rusk.

The class voted to have a picnic and skating party at Cisco Lake, February 21.

Sophomore class favorites elected were Barbara Nichols of Ranger and Ken Chandler of Barcelona, Venezuela. Runners-up were Pat Shaffer of Ranger and Doug Jordan of Rusk.

Their pictures will be shown in the favorite section of The Ranger, annual yearbook.

NEW 1958 RAMBLER

2-Door sedans, six passenger, for only \$1895 delivered. 35 miles per gallon. Easy to park. Ever so comfortable, fun to drive.

Bookings for the various theatres will be airmailed to Eastland from Morocco some three and a half weeks prior to playdates. After printing all programs will be shipped in one mail bag to Morocco for administration to the various bases.

The Moroccan Branch of the Army and Air Force Motion Picture Service join other service theatres, both foreign and domestic, in the use of advertising material from the Eastland company.

For over a year display advertising has been in use in Japan, Okinawa, Philippines, and other bases of the Far Eastern Command of the Armed Forces. Bases in the Alaskan Command also use advertising displays manufactured and serviced in Eastland by the Cornelius plant.

Every week some 120 Army Posts and Air Force Bases in the United States receive theatre programs from Eastland. Distances of the bases from Eastland varies from Dyess Air Force Base at Abilene to Presque Isle Air Force Base in Maine and Hamilton Air Force Base in California.

In off duty hours service personnel seeking movie entertainment both at home and around the world can read NOW SHOWING on theatre programs and displays bearing the imprint—Eastland, Texas.

Delegates of Tri- Hi-Y Are Stated Thursday Evening

Delegates to represent Eastland Tri-Hi-Y were named in their meeting Thursday evening in their regular meeting.

Pat Fullen, Gaila Walters, Rosemary Jones and Jamie Stamey will represent the Eastland Tri-Hi-Y in West Texas Council to be in Big Spring on Feb. 14 and 15.

Rebecca Graham, president, opened the meeting and presided over the meeting. Peggy Humphreys gave the devotional. The devotional was followed by a prayer by Brenda Evans.

After the club had repeated the purpose and platform of the Tri-Hi-Y, project plans which had been discussed by the officers, were stated to the group by Patricia Fullen.

Brenda Evans reported on the project of reading to elderly people and getting up a girl's ward school sports group. Both projects were accepted by the club.

Members attending were Sarah Honea, Jamey Arthur, Jackie Baggett, Laura Harris, Sandy Taylor, Rosemary Jones, Martha Connell, Judy Cockerell, Phyllis Phillips, Charlotte Vaught, Frances Cogburn, Jamey Stamey, Pat Fullen, Gaila Walters, Rebecca Graham, Linda Huckabay, Judy Inzer, Brenda Evans, Peggy Humphreys and sponsors, Mrs. Jack Carothers.

Members attending were Sarah Honea, Jamey Arthur, Jackie Baggett, Laura Harris, Sandy Taylor, Rosemary Jones, Martha Connell, Judy Cockerell, Phyllis Phillips, Charlotte Vaught, Frances Cogburn, Jamey Stamey, Pat Fullen, Gaila Walters, Rebecca Graham, Linda Huckabay, Judy Inzer, Brenda Evans, Peggy Humphreys and sponsors, Mrs. Jack Carothers.

Number Registered Boats Total 335 At Lake Leon

Lake Leon has 335 registered boats using the facilities offered, according to Eb Richardson, caretaker of the lake.

Richardson said this figure did not include the daily permits issued by the scores of fishermen who take advantage of excellent fishing facilities, nor the people who have failed to renew their annual permit.

All persons who put a boat on the lake are required to have a permit. Annual permits cost five dollars and daily permits cost fifty cents. Richardson inspects each boat before a permit is issued.

It must be in perfect condition in order not to endanger the lives of the persons who will use the boat. Richardson noted that no lives have been lost due to drowning since the lake opened in September, 1955.

The boats, valued at from \$300 to \$1,500 each, are mostly the outboard type. However, Richardson said there were several 18 foot boats.

All of the people who have registered boats on the lake live in Texas, Richardson said, and scores of the daily permits are issued to out-of-state people.

The 45 houses constructed on the shores of the 2,800 acre lake are valued at approximately \$200,000. Several more are under construction, Richardson said. This does not, however, include the money spent on roads, picnic grounds, and boat docks.

Richardson, who has been caretaker at the lake for more than two years, believes it will continue to grow at an increased rate.

Rental boats are available at the lake also. There are 24 boats owned by various individuals that are available for rent.

Forget Those Broken Windows—Air Force Says Sonic Booms Harmless

Sonic booms, which Eastland citizens have been complaining of more and more in recent days, "never do any actual damage."

That's what the Air Force tells Rep. Omar Burleson.

That might be hard for a few local citizens to understand. They have seen window glasses and dishes broken at the same instance a sonic boom shook their homes. The boom may not have broken the windows, but they can't help but think they did.

Rep. Burleson answered a request by H. J. Tanner, manager of the Chamber of Commerce, this week regarding the booms.

Here is his letter:

"Since getting your letter I have talked with officials of the Air Force about the sonic booms. They have no general answer to such complaints, explaining that each such incident has to be investigated. I have asked them to look into your report.

"This sort of thing has come up before, the most recent being at Hamilton where it was thought the planes from Connally Air Force Base. As would be expected, the Air Force makes no admission and of course no individual pilot is going to do so. The Air Force will argue that these so-called sonic explosions never do any actual damage!"

Deerhide Airlift In Austin Starts On February 22

Locker plant operators, taxidermists and others who are still holding deer hides intended for tuberculosis patients are urged to ship them to Austin at once.

The hides will be flown to California for tanning into buckskin on February 22 by the Air Force Reserve as a training mission. They should be in Austin no later than February 18, according to the 2688th Air Reserve Center which has arranged for the airlift.

Local Observance Of History Month Is Urged by DAR

Local observance of February as American History Month has been urged by Mrs. Sam Kimmel of the Eastland County Charles Crawford Chapter of the Daughters of the American Revolution.

Her present interest in the development of science in the United States," Mrs. Kimmel declared, "should not blind us to the need for continuing the study of American History. Scientists, like other citizens, should be motivated by love of our country under God, and that love is best developed through a study of the history of this country."

Evidence of an increasing interest in American History in the public schools is constantly reaching the office of the Historian General, National Society, Daughters of the American Revolution, according to Mrs. Lowell E. Bumpelle of Gloucester, Ohio, Historian General.

"We are receiving a constantly increasing demand from local D.A.R. chapters for history certificates and history medals to be awarded pupils from the fourth grade through High Schools," Mrs. Burnelle said.

"This increase reflects a more intensive study of American History by our school children."

Mrs. Burnelle declared that the most recent special project of the Historian General's office—the James Monroe Essay contest—is also meeting with considerable success.

What a wonderful family that was!

Each member brought honor and glory to God and was blessing to others, Miriam, the Prophetess; Aaron, the High Priest; and Moses the Lawgiver and leader of his people.

This was because they all tried to do what God wanted them to do, and they trusted Him at all times.

CHAMPAGNE FOR AUGUST

A real nam, "August", the hog is one big piggie determined not to go to market in Munich, Germany. Urged by trainer Hans Hepertys, August stands on his hind legs to beg. Performing the trick earns the 350-pound porker a glass of champagne and stays the most dreaded trick of all: suddenly turning into bacon and pork chops.

Gray Matter

By JOE GRAY

The other evening I drove over to Dallas to attend a meeting that I wasn't invited to, but one that I figured it might be wise to attend.

It was an evening affair at the McFarland Auditorium of Southern Methodist University called "Ministers Week." In any meeting of Methodist ministers, especially one where a good number of Methodist ministers are a long way from home I've always found it advisable for a few laymen to show up.

The presence of laymen at gatherings of this sort seem to serve as a sort of restraining influence on the pulpites.

The gathering in Dallas this week was the biggest get-together of Methodist preachers I've seen since the Annual Conference of the Central Texas Conference meet in the local Methodist Church. One reason I saw so many of them at that time was because we kept a couple of them at our house during the conference meetings.

Although the good brethren didn't exactly eat us out of a house and home they came mighty close to it. By stretching our credit with Grady and Jess Pipkin, who then were in the grocery business, we managed to make it. But it wasn't easy.

Walking into the foyer of SMU's high-ceilinged McFarland Auditorium, the first person I ran into was Bascom Morton. He's an old Eastland boy, now living in Coleman who was licensed to preach in the local Methodist Church many years ago. He's been at the business of saving

souls since.

Coming back from the big city of the Trinity that evening I was listening to WFAA expecting to hear some great news event before the evening was over.

All at once, though, there was a cut-in from the WFAA mobile news unit for a special interview. One of the station's newsmen had an important personality to interview.

The individual being interviewed turned out to be Rudy Vallee, Rudy Vallee! For heaven's sake, that fellow is still in show business, I thought he had settled down a long time ago to clipping coupons and counting money.

Vallee must have been the first of the so called crooners. He was at it and in the big time when Bing Crosby was a male singer with Paul Whiteman's band.

Vallee fronted a band of musicians called "The Connecticut Yankees" whose theme song was "The University of Maine Stein Song." His outfit made this song popular all over the land and the band's popularity was equally as great in its day as the current Lawrence Welk band is now.

Vallee became popular as a singer, or crooner, before the day of widespread use of the electrical amplifying systems most halls have these days. His voice wasn't a robust one so he had to use some artificial means to put his songs across. He hit on the idea of singing into a megaphone, the same type of thing the yell leaders of most of today's football yell sections use. His was smaller, but he used it for the same purpose.

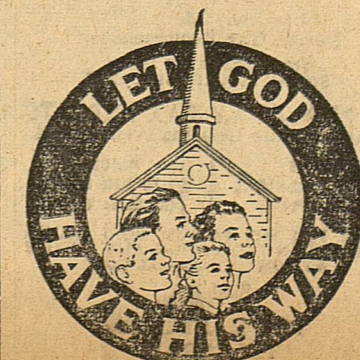

In the late twenties and thirties, Rudy Vallee and His Connecticut Yankees were an entertainment outfit famous all over the land and one of the hottest items in show business.

This started some firsts in the land world that are still used today. Vallee was one of the first, if not the first, entertainer to do his own announcing and he always opened with the same greeting: "Ahooy everybody!" To hear this greeting once was to always remember it to always associate Rudy Vallee with that greeting. Years later Kay Kayser was to do the same thing with his "Evinin' folks, how're you'all?" To hear Kay saw it once was to recognize him forever afterward.

Whether radio entertainment of that era was as good as present radio and television entertainment is problematical. It sure is open for debate if anything is. That was the day of the large dance bands, some of which played some mighty good and mighty easy-to-listen-to music. Soon after Vallee came to the forefront by way of the radio networks another of the big-band advocates, who believed in a lot of choral singing came to the limelight. He was Fred Waring, who with his Pennsylvanians, as his band was called, put on a show that was a pleasure to listen to and a joy to behold.

We didn't have television 25 years ago but we had some of the finest radio listening that has ever been put on a record. Hearing the Vallee's being interviewed that other night brought back a flood of memories that time can never erase.

down broken by the concussion, the chances are that you will never know who was responsible. A jet plane, breaking the sound barrier over the city, to be sure. But what jet plane? A couple of months ago Bellaire and the southwest portion of the city were shaken by no less than three sonic booms. A pilot in a F-101 buzzed Bellaire repeatedly, once descending as low as a reported 500 feet, each time breaking the sound barrier. Citizens took a dim view of the pilot's youthful exuberance.

After a month of investigating, the Air Force said that it just couldn't pin the responsibility on anybody. It could determine that three of its F-101s were in the air at the time, but couldn't decide on the culprit.

So far as is known no very serious attempt is being made to find out whose acrobatics were responsible for last Wednesday's blast.

Of course a jet pilot can veer from his scheduled flight pattern and in four minutes or so be 50 miles away from the spot where he is supposed to be. Still, does the Air Force have so many planes out at a time that it is impossible to track these pranksters?

It is enough to make one wonder how good our detection system is in case of attack by an enemy plane.

Health-Traffic Safety Program Is Presented for Thursday Club

"Health and Traffic Safety" was the theme of the program presented to the Thursday Afternoon Club when it met in the Woman's Club, Thursday.

Mrs. Frank Crowell was leader of the program and introduced Mrs. M. A. Treadwell who spoke on the "Fantastic Practices of Early Surgery."

Mrs. Frank Castleberry introduced Sgt. Bob Cockrell, safety officer of the State Highway Patrol, who discussed "Mental Health as Related to Traffic Safety." Sgt. Cockrell stated that the biggest traffic problem is the "Problem of Emotions." Distraught and upset minds are the largest causes of traffic accidents," he said.

Mrs. Roy Townsend spoke on "Hypnotism" and its relation to the medical field.

Mrs. Iral C. Inzer, president, presided during the business session. The club voted Mrs. Harold as the outstanding teacher of Eastland. She will represent the Eastland Thursday Club in the Sixth District of Texas Federation of Women's Clubs.

Members present for the meeting were Meses. Castleberry, Treadwell, Crowell, Townsend, Inzer, Durham, Turner, Collier, Fred Davenport, Ben Hamner, James Horton, D. L. Houle, Hubert Jones, Donald Kinnaid, W. P. Leslie, Milburn Long, W. A. Martin, Arthur Murrell, B. W. Patterson, Joseph Perkins, Robert Perkins, Grady Pipkin, Frank Sayre, V. Seaberry Jr., Frank Sparks, Harold White, H. J. Bulgerin, Ronald Parton and J. C. Caraway.

Mrs. Houle Presents Program On 'Festivals of the North' Wednesday

Mrs. D. L. Houle speaking on "Festivals of the North" was speaker at the meeting of the Music Study Club Wednesday afternoon in the Woman's Club.

A special musical program was also given by the pupils of Mrs. F. L. Drago. Mrs. Joseph Perkins was leader for the program.

Mrs. Perkins introduced Mrs. Grady Pipkin who led the theme song, "Land of the Blue Waters," sung by the group with Mrs. D. L. Kinnaid accompanist. Mary Ann Turner and Jennifer Pryor were presented by Mrs. Perkins.

Mary Ann and Jennifer played three piano duets of "Cheerfulness" (E. Neuman), "Betty's Dancing Shoes" (Frances M. Light) and "Whispering Hope Waltz" (M. W. Butler).

Sharon Sayre gave a beautiful rendition of the "Three Trumpets" (Aaron). Barbara McCullough closed the musical program by rendering "Waltz in D Minor" (Mozart).

Mrs. Houle was presented by Mrs. Perkins who gave the history of the "Festivals of the North" which included the states of Illinois, Michigan and Wisconsin. She told of the most popular festivals which occur in the north.

The Giant Musical Festival in Chicagoland at Soldierfield is sponsored by the Chicago Tribune Charities. Tulip Festival in Holland, Mich., which occurs the third week of May is a great event there.

Before the Tulip Festival the streets are scrubbed for a week to be sure they are clean. Six billion bulbs are planted in the city and on tulip farms near the city. For nine miles on the highways near Holland, Mich., it seems as a picture.

The Klompon dancers wear wooden shoes during the time of the festivals. One of the highlights of the festivals is the singing and dancing of the dancers dressed in their native costumes.

Of all the festivals, one of the most attractive in the land is the

Penninsular Music Festival in Door County, says James Fassett in his commentary on CBS. The orchestra which is chamber size has 40 members and is directed by Dr. Thon Jhanson. During the festival time nine concerts are held in six weeks. All of the concerts are in the classical field of music.

Miss Pierce to Speak to Civic League and Garden Club Wed.

Decorating fabric as created by Itasca Weavers Guild of Texas will be discussed Wednesday by the woman who knows best, Miss Elia Pierce, manager.

Miss Pierce, a native of Itasca, will speak at 3 p.m. to members of the Civic League and Garden Club at their meeting in the Woman's Club. She will present a door prize as a gift from the Itasca Weavers Guild.

To illustrate her talk about the various methods of weaving Texas backland cotton into distinctive patterns, she will display samples of the fabrics, showing curtains, table clothes, mat sets and wearing apparel made from the material. She herself has originated easy-to-make methods which have added popularity to the fabrics.

The industry, now nationally advertised with stores in 14 cities, began when Sidney J. Files, manager of the parent company which sold wholesale to commercial users, discovered how quickly samples of the crashes and plain weaves sold to women.

When inquires for the product poured in, he appointed Miss Pierce to answer personally each letter. This she did, enclosing small samples and ideas for the fabric's use.

So successful was this venture that in 1936 Files organized the Itasca Weavers Guild with Miss

Pierce as manager. For more than 10 years the products were sold only through a tremendous mail order business.

The fabric retains its appeal of factory-to-you prices, although it is now available in shops.

Mrs. Tom Wilson, program leader, will introduce Miss Pierce. Hostesses for the tea hour will be Meses. Grady Pipkin, chairman, Russell Hill, R. L. Carpenter, O. H. Dick, Don Pierson and John L. Ernst Marene, president, will preside during the meeting.

Demonstration On 'Egg Cookery' Is Given at HD Club

Food demonstration on "Egg Cookery" was given at the meeting of the Flatwood's Home Demonstration Club Thursday afternoon in the home of Mrs. Bulah Turner.

Mrs. Turner, president, opened the meeting by leading the club prayer and pledge. The roll call was answered by 14 members with "What I Do to Control My Weight".

During the business session Mrs. Clinton McCain, secretary, read the minutes of the previous meeting. Mrs. J. A. Pogue gave a re-

port on the Council Meeting held Wednesday afternoon.

Mrs. J. P. Guthrie and Mrs. A. H. Brown gave a food demonstration on "Egg Cookery."

Thirteen members plan to attend the meeting of THDA in Cisco March 24 and 25. They will be hostesses to the out of town guests. Mrs. Marcus Grieger was presented with a birthday present from the club.

After the meeting was adjourned the members were served a salad dish with saltines and coffee.

The daring young lady in the flying juice box

She started something — this winsome chauffeurette of 50 years ago! She sometimes scorched down the road at 20 m.p.h. (except against a strong wind or when the batteries needed recharging).

But daredevil that she was, our fair heroine would pale to see her darling daughter as she pilots the family station wagon through 1958 traffic on her daily rounds to school, supermarket and train.

And her housewifely duties don't end there. Today's young mother is also cook, nursemaid, social secretary and purchasing agent. Sometimes she even helps earn

the family income — always has a big say in spending it. And whether or not a family has a regular savings program usually depends on her.

That's why so many women are the instigators of a regular investment program in U. S. Savings Bonds. They appreciate the feeling of security that such a program guarantees. They know that U. S. Series E Savings Bonds are one of the best investments a family can make. The principal invested in Bonds is safe. The returns are sure. And now every Series E Bond pays a new, higher interest — 3 1/4% when held to maturity!

If you're one of today's daring young ladies of the flying horsepower, you undoubtedly take an active interest in your family's future financial security. Remember — one of the best ways to do something about it is to encourage your husband to start investing regularly in Savings Bonds today!

Here's another thrifty idea! To see how fast small change can add up, put it into Savings Stamps. 10¢ and 25¢ denominations available at your post office along with handy albums to keep them in. Start a book today.

First Christian Church Sermon Topics Told

The following activities are planned for the week at the First Christian Church:

The Church School will meet at 9:45 a.m. to study the topic: "The Church Teaches the Word," based on I Timothy 4:6-16, and II Timothy 2:1-2. Classes are provided for all ages under consecrated teachers.

The 11 a.m. worship service will find the pastor, Roy M. Turner, in the pulpit speaking on the subject: "Puppets or Freed Men?" using as his text: Matthew 6:24. The Chancel Choir will sing the ever popular: "One Day."

Christian Youth Fellowship will meet at 6 p.m. in the Fellowship Hall with Mr. and Mrs. Kerman Bond.

Vespers will be held at 7 p.m. The pastor will be in the pulpit speaking on the subject: "The Prayer Perfect!"

The Eastland County Council of the Christian Women's Fellowship will hold its quarterly meeting Monday in the sanctuary of the Eastland church at 2:30 p.m. Lemman Bond will be the speaker on Japan and will exhibit many articles that he brought back with him from that county.

The Ruth Group of CWF will meet Monday night at 7:30 p.m. in the home of Mrs. Frank Hightower.

The Friendship Class will hold their regular monthly luncheon at the home of Mrs. Joe Tow, Tuesday at 12:00 noon.

The Chancel Choir will meet Wednesday at 7:30 p.m. in the Sanctuary with Kerman Bond.

If you are without a church home in Eastland you are invited to attend the "Church with the Gospel Glow."

Program on Bible History Is Given By Mrs. Blevins

Mrs. A. J. Blevins Sr. gave the program for the W. M. U. of the Bethel Baptist Church Wednesday afternoon in the church.

Mrs. Wade Coan led the song "Wonderful Words of Life" which opened the meeting. Mrs. Luce Pittman gave the opening prayer. The program presented by Mrs. Blevins was an outline of the Bible's history. The meeting was concluded by Mrs. John Garrett leading in prayer. Mrs. Gene Roney will give the Mission Study next week.

Eighteen members were present. Six G.A.'s attended their meeting and 10 Sunbeams were present.

Episcopal Church Services Sunday

Lay readers service is slated Sunday at the Holy Trinity Episcopal Church beginning at 11 a.m.

A church spokesman urged all members to attend and said the public is welcomed to all Episcopal services.

Presbyterians To Hear Cross Plains Pastor

Morning worship at the First Presbyterian Church begins at 11 o'clock. The pastors of the Presbyterian churches at Eastland and Cross Plains will exchange for this Sunday. In the local pulpit, therefore, leading the worship, will be The Rev. H. Zuefeldt, for the morning service.

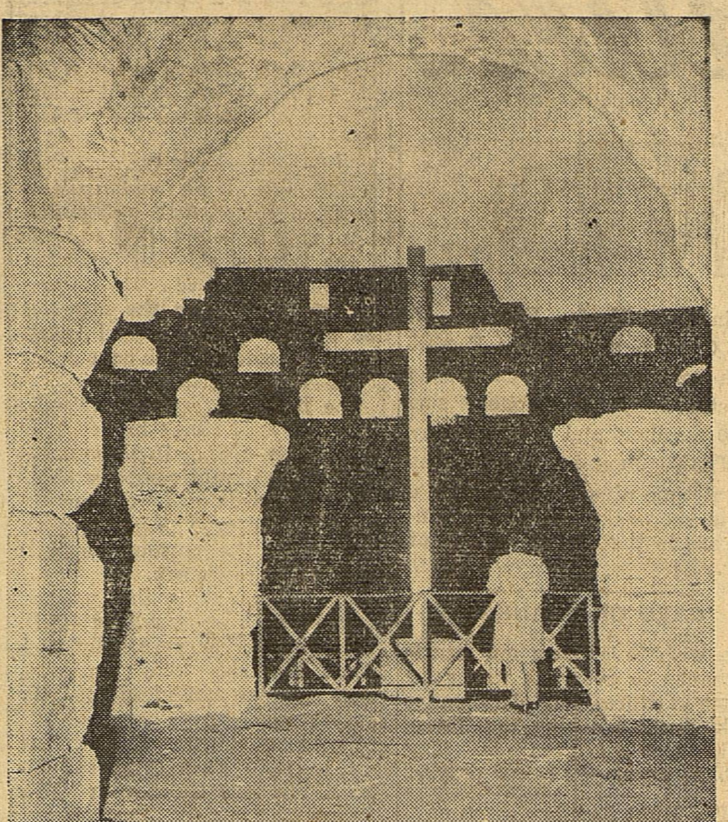

Sunday Church School convenes at 10 o'clock.

Regular monthly meeting of the Church Session is Monday, five o'clock, in the Minister's study at the church.

The Pastor, the Rev. Eugene H. surface, will attend, this Wednesday and Thursday, a Ministers' Seminar on Church Officer Training, at First Presbyterian Church, Fort Worth. It is the second year of a three-year program. This past year the theme was "The Nature of the Church". This coming year the theme is "The Order of the Church."

CHURCH NEWS

NEVER FORGOTTEN—Commemorating the early Christian martyrs who were put to death in Rome's Colosseum, a stark cross rises amid the ruins of the ancient pile. Framed by a weathered archway, the new memorial replaces a smaller cross which stood at the spot for hundreds of years.

'Neglected Salvation' Will Be First Baptist Church Sunday Topic

Brother Harvey Kimbler, pastor at First Baptist Church, has chosen for his sermon topics Sunday "Neglected Salvation" for the morning worship service and "Requirements for Christian Living" for the evening worship service. Special music will be under the direction of John Dickey, minister of music, and Mrs. Jimmy Young, accompanying at the organ.

Sunday School time is 9:45 with the worship service beginning at 11. Other Sunday activities include Chapel Choir at 4:30, Elementary Choirs at 5:30, Training Union at 6:30 and evening service at 7:30. Monday night the men will be served a chili supper at 7:00 in Fellowship Hall. The Brotherhood will be in charge and all of the men are invited. Winsome S. S. Class will be entertained at the home of Mrs. Harold Dillinger at 7:30 Monday.

The Worker's Conference at Albany Tuesday evening beginning at 5 will be of special interest to the Training Union members when department conferences will be held to discuss the monthly Program Planning Meeting.

W.M.U. members will observe "Visitation Day" Tuesday morning at 9:30 and will attend the W.M.U. Meeting at Albany at 5 p.m.

Regular Meeting of Teachers and Officers and Youth Organizations will be held Wednesday evening at 7 and a continuation of the "Study in Ephesians" at the Prayer Meeting hour at 8 p.m.

Mr. and Mrs. Herbert Ekzut will be hosts to the Adult II Training Union for a part at 7:30 on Friday night.

The annual Sweetheart Banquet will be Saturday night at 8 p.m. with college students as special guests.

Did You Know—

... that January and February are always two months high in fire losses? The heat is on in every home, business house, church and school, and heating appliances are working overtime, increasing the fire risk a hundred fold. Do you have enough fire insurance to cover your investment in these times of high prices and inflation? Many do not and now is the time to make an inventory. Do that now and call us if you need extra coverage.

Laymen's Day Sunday at Bethel Baptist; Scouts to Attend Service

It will be Laymen's Day at the Bethel Baptist Church this Sunday. Speaker for the day in both worship services will be James L.

"Mickey" Walker, who lives 8 miles northwest of Rising Star has a Suffolk lamb by the unusual name of Mary that was bought through the Eastland auction ring last fall. "Mickey" also has a Hampshire gilt. Both animals are to be exhibited at the county show next month. Martha, his sister and Douglas, his brother, were formerly outstanding 4-H members. They are the children of Mr. and Mrs. Vernon Walker.

"Cloud," 10 year old 'possum and squirrel dog of Lynn Hagans, Pleasant Hill, got the unusual name because Lynn's brother Bennie wanted a different name for the pup. We agreed we couldn't have done better ourselves. Lynn has a pureblooded Duroc gilt that will farrow next month. This is a Sears gilt and he will give one sow pig back to be given to some other boy. The sow and rest of the pigs are his. Bennie, former club boy is now a Baptist preacher.

Sharon Donham, south of Rising Star, has one ewe lamb as her project. Unfortunately she was ill when we went by to see her lamb. It still has its long tail and will have to be docked if she shows it in the livestock show. She is the daughter of Mrs. Helen Donham.

Larry Morrow, Kokomo, member of the Carbon club is really in the hog business. He now has two sows with 10 pigs each. He uses an infra-red heat lamp in his brooder pen and reports that the pigs like the heat on the chilly mornings. His Sears gilt is also 'expecting' sometime next month. Larry is the youngest son of Mr. and Mrs. J. L. Morrow in that community.

(Luce) Pittman. The Brotherhood will be in charge of all services, taking the lead in prayer, preaching, and singing.

Of additional importance to the services of the day will be the presence of the Boy Scouts of Eastland. They will attend the morning worship service, sitting in a body with their scoutmasters accompanying them. Felton Holloway is president of the Brotherhood.

The laymen's day is in preparation for the laymen's revival which will begin the first week in March. Brother Ed Crow of Fort Worth will be the evangelist during the 10 day meeting.

Sunday School begins at 9:45, the worship service following at 11:00. Training Union begins the evening worship activities at 6:30 and worship follows at 7:30. The weeks activities include W.M.U. at 3:15 on Wednesday. Also on Friday at 6:45, prayer Meeting at with the 1st Artillery at Fort Green 7:30, and choir practice at 8:15.

Christian Science

Today's need for proofs rather than professions of divine power will be emphasized at Christian Science services in the Lesson-Sermon entitled "Spirit."

Selections to be read from the Bible include the following promise of Christ Jesus (John 14: 12): "Verily, verily, I say unto you, He that believeth on me, though he shall die, he shall live again; and whosoever shall live by me shall never die." From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (233: 1): "Every day makes its demands upon us for higher proofs rather than professions of

Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them. This is an element of progress, and progress is the law of God, whose law demands of us what we can certainly fulfill."
