

The Fighting Irish Fight For Uncle Sam

AP Feature
TODAY is St. Patrick's Day—day of the Fighting Irish. As ever, when a scrap is going on, the sons of Erin are in the thick of it. Here are some of the Irish-named heroes who have upheld Irish traditions with the U. S. fighting forces.

SULLIVAN BROTHERS of Waterloo, Ia., enlisted in the Navy together, served together on the cruiser Juneau, were "lost in action" together in the Solomons. Left to right: Joseph, Francis, Albert, Madison and George.

COLIN KELLY, Army air corps captain, lost his life but sank the Japanese battleship Haruna.

DANIEL J. CALLAGHAN, rear admiral and former aide to FDR, was killed in action in the Solomon Islands.

JOHN D. BULKELEY, torpedo boat commander, sank many Jap ships and planes, carried MacArthur from Corregidor.

EDWARD H. O'HARE, in his one-seat pursuit plane, shot down six Jap bombers off the Gilbert Islands.

He's Been Gone A Year
M'Arthur Will Return To Philippines
When He Gets The Planes, Ships, Men

By CLARK LEE
NEW YORK, March 17 (AP)—A year ago today General Douglas MacArthur arrived in Australia after a dangerous trip by torpedo boat and airplane from the beleaguered Philippines.
Departing on orders from President Roosevelt, MacArthur left behind him a gallant, battered, hun-

De Gaulle And Giraud Will Talk Again

LONDON, March 17 (AP)—The French National Committee announced today that Gen. Charles De Gaulle was expected to leave shortly for Algiers to confer with Gen. Henri Giraud on cementing a union of all Frenchmen who are fighting the axis.
Giraud, French high commissioner of North Africa, called for such a conference in his speech Sunday repudiating the Vichy-German armistice and repelling Vichy's oppressive laws.
The committee of the Fighting French met yesterday and the announcement was their answer to Giraud's appeal.
De Gaulle's headquarters received with unqualified satisfaction news of the resignation of Gen. Jean Marie Bergeter, former Vichy air minister and Giraud's deputy for civil affairs.
He was one of four supporters of the late Admiral Jean Darlan to whose presence in North African positions the Fighting French objected. They accused Bergeter of imprisoning and brutalizing hundreds of Frenchmen for refusal to accept the validity of the armistice and for continuing the war against the Germans. The other three are Gen. Auguste Nogues, expected soon to resign as governor of French Morocco; Pierre Boulson, governor of West Africa; and Marcel B. Feyrouton, governor of Algeria.

New Buildings At Air Field

Considerable construction is either in progress or scheduled for an early start at the Big Spring Bombarrier school.
Work has been started on construction of two service clubs, one for officers and one for enlisted men. Both are 37x132 feet in size and are substantially alike, with main recreation rooms covering about half the floor space, and with provision for hunchettes, kitchens, heating and storage space. The enlisted men's club will have a library, while a card room is planned in the officers' building. The latter club is just across from the officers' mess, and the enlisted men's club faces the post gymnasium.
Also under construction are two additional cadet barracks buildings. These follow the standard design at the post.
The work is under contract to the Jim Handley Construction company of San Antonio, which also holds contract for extension and improvement of warehouse loading docks for the sub-depot and quartermaster departments.
Also to be constructed is a 20x90 foot building for chemical warfare, where gas mask instruction will be given. This structure will have concrete floor, with two gas chambers, each with two opening vestibules.

No Celebration In Dublin Today

DUBLIN, March 17 (AP)—It was an austere St. Patrick's Day in Eire and the quietest in the memory of oldsters who recall the great festivities formerly attending this patron saint day.
Sobred by the war raging around them and affected by attendant shortages and hardships, the neutral Irish either spent the holiday quietly at home, strolling along the streets or attending football matches. There were no political demonstrations, no rallies, no parades. Even the pubs were closed.

SUPPLY SHIPS SUNK

LONDON, March 17 (AP)—British light naval forces manned by Norwegians sank two enemy supply ships in a daring raid into a Norwegian fjord at Fjore harbor last Sunday, the admiralty announced today.

Anti-Absentee Measure OK'd

WASHINGTON, March 17 (AP)—A measure aimed at curbing absenteeism among war plant workers was approved, 19 to 7 today by the house naval committee.
The measure, revised in executive session, would:
1. Tighten the selective service act to provide that an employer seeking deferment of an essential worker furnish draft boards with a record of how many times the worker was absent from his job.
2. Require the war, navy and merchant marine departments and military and political leaders in the department of labor with the names of all workers absent from work without prior authorization.
3. Prevent any deferment or continuation of a deferment from being granted for a period of more than six months.
Rep. Lyndon Johnson (D-Tex.), sponsor of the measure, said the clause requiring employers to furnish local boards with the absentee records of their essential employees would enable the boards to determine whether able-bodied, draft-age men, who take unjustified holidays from their jobs, should continue to be deferred from the armed services.

Result Of Political Conference: Strong Support For Used Coffee

By KENNETH L. DIXON
WASHINGTON, March 17 (AP)—President Roosevelt conferred with three New York political figures yesterday—Mayor Fiorello LaGuardia, former Governor Al Smith and Tammany Chief Michael J. Kennedy—and 1866 copy of the translated Koran of Epicurus.
Then he came out unequivocally in favor of saving our old coffee grounds.
It would be more honest to say he reassured his stand, for Mr. Roosevelt has stood pat for some time on his recipe for drying out the slightly used grounds, adding a few spoonful and brewing anew.
The "Little Flower" on the other hand—until Mrs. LaGuardia reportedly put the kibosh on hubby's coffee chatter—favored wet grounds, but otherwise he went right along with the president.
Epicurus, a more-or-less fastidious philosopher of former days, got dragged into the picture by LaGuardia who brought the copy of his book to the White House. In longhand, on the back page, was a recipe for "How to Use Copha"—which the president said meant coffee.
It recommended the marathon method of getting the most out of your old grounds—"boyle it" over each day, adding a quarter of an ounce of "fresh copha" every time you "set it to the fier."
Neither did Mr. Roosevelt or LaGuardia, and of course, Epicurus couldn't—having been dead some 1200 years or so.

BRITS ATTACK MARETH LINE

Reds Driving On Smolensk; Fierce Battle In South

MOSCOW, March 17 (AP)—The Red army has smashed another wedge westward toward the German key base at Smolensk, it was announced in the Soviet noon communique today, with the capture of the railroad station of Igorkovskaya and the district center of Vakhody.
To the south, however, the Germans massed a great number of tanks and motorized infantry, supported by a strong force of dive bombers, in a major effort to cross the northern Donets south of fallen Kharkov.
Furious fighting was reported through the small elbow of the river near Myrns, 70 miles southeast of Kharkov.
It was stated here that there was reason to assume that the German tank force battering at the northern Donets line was as strong as, if not stronger than, the units which figured prominently in the Kharkov region.
The weather and land conditions were reported good for mechanized warfare and it was indicated that the current struggle was as fierce as anything which has taken place in months.
(The German high command, in a communique broadcast by the Berlin radio and recorded by the Associated Press, said that "the enemy forces encircled southeast of Kharkov were compressed in the narrowest area x x x and are approaching their annihilation."
(The Germans also claimed advances in the Belgorod area and reported heavy fighting in the Lake Ilmen area where, the war bulletin said, "the Soviets vainly surged against the German front for entire days)."

Berlin Calls It A Major Offensive

No Confirmation In London That Final Push Has Started

LONDON, March 17 (AP)
DNB, in a Berlin radio broadcast heard here today by Reuters, said that the British Eighth army had launched an attack on the Mareth line last night.
"The scale of fighting cannot be judged by reports so far available, but Berlin quarters believe this is a major attack," DNB said.
Lord Beaverbrook declared in the house of lords today that "I think the conquest of Tunisia and Bizerte is not far off."

Kiska Raided Six Times In Single Day

WASHINGTON, March 17 (AP)—The heaviest series of air attacks ever made on Japanese-held Kiska Island in a single day was carried out Monday, the navy announced today, when American planes raided the Aleutians base six times between dawn and dusk.
In the South Pacific, meanwhile, light naval surface forces bombarded Japanese positions at Vila in the Munda airbase area of the central Solomon Islands. This was the third time that American warships have penetrated into the enemy sector of the Solomons to bombard shore positions at or near Munda.
While the navy was thus reporting on recent actions, Elmer Davis, director of war information, told a press conference that only five Japanese out of 15,000 escaped death or capture in the battle of the Bismarck Sea March 2, when 22 Japanese warships and other vessels were destroyed by Allied air might.
About 100 Japanese escaped drowning and reached shore, Davis said, but of this handful only five escaped.
Davis gave the lie to recent Japanese broadcasts that the United States had suffered serious naval losses in the South Pacific, declaring:
"Every one of our naval losses has been announced and by the stretch of the imagination can they be called serious."

Legislators In Army Due To Resign One Of Jobs

AUSTIN, March 17 (AP)—Service in the legislature by members who are serving concurrently in the army must come to an end, if they fail to receive an honorable discharge from the army for the purpose of serving exclusively in public office.
A copy of the order dated Feb. 25 was received today by Governor Coke R. Stevenson.
It directs that any member of the military forces on active duty, whether on a duty status or on leave of absence or furlough, shall "not act in his official capacity as the holder of any public office or perform any of the duties thereof."
A further provision permits soldiers serving concurrently in public office to receive an honorable discharge from the army for the purpose of serving exclusively in public office.
Thus, on the basis of the order, seven members of the house and four senators apparently must resign from the army or cease serving in the legislature. Two house members in this status have resigned.
Some members have been attending the general session of the legislature at intervals since January while on leave from military duties. They have received pay as members of the legislature in addition to army pay.

Allies Pound At Japs As Battle Flares In Burma

By The Associated Press
The new battle of Burma flared with greater intensity today as British headquarters reported 24 hours of fighting along the Moga River, 12 miles north of Bhamo, while American B-29s ranged far and wide over the Japanese-occupied territory to bomb railway bridges, highways and truck convoys.
A British communique tersely reported a series of clashes on the east bank of the Moga river, where reinforced Japanese troops were attacking Field Marshal Sir Archibald F. Wavell's forces.
The communique said there was no general change in the situation, indicating that the British Imperials had stiffened after minor withdrawals several days ago.
Marshal Wavell himself declared that India's volunteer army of 2,000,000 was now "in a position to meet and defeat any attack against her soil."

Battle Lines Tightened On Tax Program

WASHINGTON, March 17 (AP)—New confidence was voiced by supporters of the Ruml income tax plan today as the house made ready for one of its stormiest battles in history.
Republicans tightened their alignment behind the skip-a-year proposal, while democrats dug in for a finish battle behind a tax collection system that provides no abatement, as approved by the house ways and means committee.
The committee reported out a bill yesterday, after two months of work, providing a 30 per cent withholding levy against the taxable portions of wages and salaries, effective July 1, and making pay-as-you-go optional for any taxpayers who elect to "double-up" by paying off two year's taxes within one year.
To induce individuals to go on a current (pay-as-you-go) basis, the committee voted a six per cent "bargain discount" on any part of taxes on 1943 income paid before June 15, after 1942 taxes had been paid.
In all operations yesterday, the committee said one Allied plane was lost. Two pilots of previous years reported lost planes turned up safe and the communique raised the total of enemy aircraft destroyed March 15 by two.

Court House People Move

Spring moving hit the courthouse Wednesday morning and when the dust cleared, the whole lower floor of the courthouse was a changed place.
The office formerly occupied by the ration board which moved to 122 Second Street, is now occupied by Walter Greig, justice of the peace, and the justice's old office is to be the deputy sheriff's office.
Constable Jim Crenshaw moved his office into the former deputy sheriff's office and George Thomas, county attorney, is to be in the sheriff's former office. The sheriff is now in Claud Wolf's office.
Wolf, county auditor, moved his office into the now vacated food stamp office.
To bewildered spectators it all looked confusing but the county personnel was pleased with the change. And signs over each office door will direct new and old customers of the correct office, so John Public ought to get around the courthouse in spite of the changes.

Three Children Perish In Fire

SAPULPA, Okla., March 17 (AP)—Three children burned to death last night after a lamp exploded and partially destroyed their home.
Dead are Sharon Ann Pennington, 6; Billy Frank Killiams, 3, and Larry Jo Williams, two months old.
The children were at the home of Mrs. Sarah Pennington, mother of Sharon Ann, and grandmother of the Williams children. Mrs. Murrell Williams, mother of the other children, was at work at the time of the fire. Her husband is a soldier stationed at Camp Bowie, Tex.

Naval Production Ahead Of Schedule

WASHINGTON, March 17 (AP)—Production of every type of naval craft is ahead of schedule, with the sole exception of escort vessels. Navy Secretary Knox told a senate committee, adding that some vessels are coming off the ways fully a year ahead of original expectations.
"We have battleships, carriers, cruisers and destroyers coming in to commission very rapidly now," he said. "Our strength is being augmented very fast."
His statement was contained in testimony, made public today, on a \$4,800,000,000 supplemental naval appropriation bill.

Arnold Takes Place On Appeals Court

WASHINGTON, March 17 (AP)—Thurman Arnold, who won prominence through his vigorous enforcement of anti-trust laws, took oath today as a member of the United States court of appeals. He succeeds to the place vacated by the promotion of Wiley R. Rutledge to the supreme court.
Tom C. Clark of Dallas, Tex., has been nominated to succeed Arnold as head of the anti-trust division in the justice department.

Catholic Primate Of England Dies

LONDON, March 17 (AP)—The Most Reverend Arthur Cardinal Hinsley, archbishop of Westminster and primate of the Roman Catholic church in Great Britain, died this morning at his country home at Buntingford, Hertfordshire, after an illness which began Feb. 28 when he suffered a severe heart attack.
Hinsley, who was 71 years to his high office from a humble beginning as the son of a British carpenter.
He was known as one of Britain's most outspoken religious leaders on economic and political matters and was long one of the country's most vigorous fighters against fascism and communism.
He was given the last rites of the church when he became critically ill last month, but after several days showed signs of improvement and hopes had been held for his recovery.

Farm Deferment Voted By Senate

WASHINGTON, March 17 (AP)—The senate voted 51 to 24 today for legislation directing local draft boards to defer from military service all men employed substantially full time on farms raising essential war crops.
WASHINGTON, March 17 (AP)—The senate voted 51 to 24 today for legislation directing local draft boards to defer from military service all men employed substantially full time on farms raising essential war crops.

KILLED IN ACTION

Mr. and Mrs. Perry Rawling of Monahan and former residents of Big Spring, have received word of the death of their son, Keith, who was killed in action, while serving with the armed forces.

Legislators In Army Due To Resign One Of Jobs

AUSTIN, March 17 (AP)—Service in the legislature by members who are serving concurrently in the army must come to an end, if they fail to receive an honorable discharge from the army for the purpose of serving exclusively in public office.

Tom C. Clark of Dallas, Tex., has been nominated to succeed Arnold as head of the anti-trust division in the justice department.

War Security Act Will Get Further Study

WASHINGTON, March 17 (AP)—Fearful lest innocent citizens face prosecution unfairly, the house rules committee held up for further study today legislation to tighten the anti-sabotage laws and to impose the death penalty for offenses against the national safety.

Recommended by the justice department and approved by the judiciary committee, the legislation, known as "the war security act," was largely out of the arrest and execution last year of eight men and women who slipped into the United States by submarine.

At a preliminary hearing yesterday, some rules committee members expressed fear the legislation was so broadly drawn it could be used for prosecution as well as for protection.

This language is entirely too "broad," Rep. Dies (D-Tex.) said. "It should be made more specific."

Concurring, Rep. Fish (R-N.Y.) charged that in New York a military court of three colonels and two majors was "operating daily" and calling in citizens to question them about their beliefs and actions.

Challenging the authority of this court, Fish suggested that the judiciary committee inquire into its activities.

The legislation, introduced by Chairman Sumners (D-Tex) of the judiciary committee, provides a maximum penalty of death for anyone who, with intent to aid the enemy, attempts to commit or commits these offenses:

Injures, destroys or carries away property; acquires, compiles or transmits data calculated to aid the enemy; acquires or possesses money, weapons or other property with intent to use it to aid the enemy; kills, injures or detains another with intent to aid the enemy; harbors anyone guilty of any of the proscribed offenses; intercepts, suppresses or transmits communications with intent to aid the enemy, or travels with intent to aid the enemy.

Weather Forecast

WEST TEXAS: Warmer tonight except little temperature change in Panhandle.

EAST TEXAS: Warmer in north portion this afternoon, warmer tonight except little temperature change in extreme north-west portion.

TEMPERATURES table with columns for City, Max, and Min. Includes entries for Abilene, Amarillo, Big Spring, Chicago, Denver, El Paso, Fort Worth, Galveston, New York, and St. Louis.

Big Blaze Rages At Tulsa Refinery

TULSA, Okla., March 17 (AP)—A fire which shot flames a hundred feet into the air spread over a large area at the big Mid-Continent Petroleum Corp. west Tulsa refinery today.

Amazing way to be Mentally ALERT ... Physically FIT!

1—Promote the flow of vital digestive juices in the stomach. 2—Energize your body with RICH, RED BLOOD!

These two important steps may help you overcome the discomforts or embarrassment of sour stomach, jerky nerves, loss of appetite, underweight, digestive complaints, weakness.

S.S.S. TONIC helps build STUDY HEALTH

Here and There

Mrs. B. E. Harris is extremely anxious to obtain a long bladed hunting knife. Her son, Edwin Harris, is aboard a U.S. destroyer which is about ready to sail, and part of the equipment he is supposed to have is a long-bladed knife for use in event men were obliged to abandon ship in shark infested waters. But so many sailors along the coastal towns have bought these that he has been unable to secure one. Mrs. Harris would appreciate anyone having or knowing about such a knife phoning her at 876-M or calling at 1706 Austin.

Improvements at the officers' mess at the bombardier school are due to be completed this week. Wainscoting is being installed, interior pillars are being covered, asphalt tile flooring is being laid and the whole room a being re-painted.

O. D. Snyder, who enlisted three months ago in the U. S. Navy, is here visiting his mother, Mrs. Dave Snyder, 808 Main street. He has been stationed at Camp Farragut, Idaho, and is due to return today to that station. O. D. is SSG and enlisted at San Francisco.

T. Euel Limer, Lubbock, area county specialist for the Farm Security Administration, was here Wednesday checking with the local district FSA force.

Ensign Joe Ratliff, who has completed his indoctrination work at Tucson, Ariz., is here for a brief visit while enroute to a new assignment somewhere in the midwest. Before entering the service, Ratliff was instructor for the pre-flight aeronautics course at Big Spring high school.

Negro Beaten, Witnesses Say

CORPUS CHRISTI, March 17 (AP)—A 69-year-old farmer and his 29-year-old daughter being tried on peonage charges flogged a negro hired hand repeatedly and forced him to subsist on flour and dry corn, according to the testimony of prosecution witnesses.

On one occasion the farmer, Alex L. Skrobarczyk, hit the negro, Alfred Irwin, on a blow. Lepe Basan, employed on a ranch near the Skrobarczyk farm in Bee county, testified yesterday. Skrobarczyk and his daughter, Susie, have entered pleas of innocence to a federal indictment charging them with keeping Irwin in conditions of slavery and peonage. Basan said that twice he had seen Skrobarczyk use a whip on Irwin. Agnes Takowitz, who testified she quit after working two months on the Skrobarczyk farm because of the treatment she received, declared both defendants struck Irwin with chains, clubs and whips until he bled. She said that the negro was given flour and dry corn which he was compelled to cook outside the chicken house where he lived.

WAAC Officer Available For Personal Talks

Leut. Jesse Gardner and Aux. Elizabeth Allread, Women's Army Auxiliary Corps recruiters, will be available at their room, 701, in the Settles for personal interviews this evening, Cpl. Ray Noret, army recruiter, said Wednesday. He and the two WAACs had been making calls Wednesday to talk with women interested in WAAC service to release soldiers for combat duty. Aux. Allread, incidentally, was the first auxiliary or private to come to Big Spring. The two met with a group of Big Spring women convoked by Mrs. Rhine Phillips, county chairman, Tuesday evening at the Settles and out of the meeting came some good prospects and an intense interest in adding more WAAC enrollees during March, the month proclaimed by Governor Coke Stevenson as "WAAC month."

Livestock

FORT WORTH, March 17. (AP)—All cattle and calves found a steady market today. Hogs sold unchanged from Tuesday's levels on all grades and weights. Sheep and lambs were firm. Good fed steers and yearlings 14.00-20.00, common to medium 10.50-13.75; good beef cows 11.50-12.50, choice kinds up to 13.00; good heavy bulls 12.00-75; good and choice fat calves 13.00-14.50; stocker steer calves topped at 18.50 and stocker heifer calves at 15.50. Butcher hog top 14.85; packer paid up to 14.75. Most good and choice 200-300 pound butchers cashed at those prices; good 150-180 pound averages 12.55-14.65.

Pascal Buckner Gets Commission

Wm. Pascal Buckner, former district supervisor for vocational education and first coordinator for the diversified occupations course here, has been notified of his commission as a first lieutenant in the army. He has left his post as supervisor of vocational education in El Paso, to report to Miami Beach, Florida, for temporary duty and training.

Red Cross Fund Is Near \$15,000

For all practical purposes, the Howard-Glasscock chapter of the American Red Cross had passed the \$15,000 mark Wednesday. Reports by Mrs. Ralph Baker, chapter treasurer, showed approximately \$14,500 in hand, while Roy Reeder, chairman of the Red Cross war fund drive, said that the Big Spring state hospital had turned in \$575, considerably in excess of the quota for the unit, to bring the amount actually in hand to \$14,972.55.

Glasscock county and the civilian personnel at the Big Spring Bombardier School are still to report, but Berry Duff, in charge of the Glasscock drive, said here Wednesday that around \$300 to \$400 had come in at Garden City to date. His area was shooting at \$1,000, he said.

Most Farmers Are Meeting War Goals

Approximately 80 percent of the Howard county farmers have signed up their intentions to increase their poultry and livestock and adhere to requests from the government to increase war crops for 1943, the AAA office reported Wednesday. Others, who have not signed up with the office, are requested to do so before they begin their spring planting. Indications are, the AAA office said, that farmers are complying very well with the requests of the government for increased planting of war needed crops and livestock.

COFFEE STOLEN

NEW YORK, March 17 (AP)—A truck containing 6,525 pounds of coffee valued at \$2,500 was stolen in Brooklyn today.

Girl Scout Needs, Victory Gardens Talked By Lions

Lions club members heard a double plea Wednesday—one for Girl Scout leaders and the other for a club sponsored Victory Garden.

Frances Bigony, member of a Big Spring Girl Scout troop, entertained with a reading and then made a brief appeal for club assistance in interesting adults in leadership responsibilities so that there can be more Girl Scout troops.

The six units operating here now, she declared, were all doing a fine job in helping to preserve democracy, the heritage of the nation and in serving the country, and she wanted the club to do something about getting more leaders so that "this good, great cause may go on." Lawrence Robinson, club president, and Dean Bennett, program chairman, echoed her appeal.

After the club had voted to look into the possibility of a Victory Garden, Robinson named Dewey Martin, Jess Thornton, Speedy Nugent, C. E. Thomas, Bill Edwards and J. H. Greene as a committee to investigate the matter and make a recommendation next week.

Stoney Henry urged members and other business men to make every effort to have a representative take the basic industrial safety course planned for here. Applications must be in the hands of Roy Reeder, safety council president, not later than Thursday.

Cotton Production Fixed At 22,840

Howard county has produced 22,840 bales of cotton to March 15, the AAA office reports showed Wednesday or a total of 11,968,558 pounds. Ginned in the county were 26,595 bales or 13,277,150 pounds.

Scout-Leader Training Is Launched

Boy Scout leaders planned their institutional training program Tuesday evening in a session that brought out practically every team due to participate in this pretentious educational program in the Big Spring district.

Those attending the session participated in the one-evening fundamentals course and in turn will take this to other institutions which sponsor or which are interested in sponsoring Boy Scout troops.

From this series of meetings it is hoped to obtain prospective leaders to serve as committeemen, scoutmasters, etc. Those who are interested in continuing then will be offered the specialist courses under the direction of the Rev. P. D. O'Brien's leadership training committee.

Attending the Tuesday session were George Melear, M. E. Boatman, Dick O'Brien, Irvy E. Cox, C. E. Edmonds, Jr., J. T. Morgan, Loy S. Fouse, A. T. Bryant, Douglas H. Turney, the Rev. W. L. Porterfield, B. J. McDaniel, J. D. Stemberger, Charles Watson, Bill Tate, Robert Strirling, K. H. McGibbon, A. K. Miller, W. D. Herrv, J. A. Coffey and J. Hollis Tjovd.

Brownie Troop 17. Rated First In Scout Displays

Awards for the girl scout window displays were made Tuesday night by a group of judges who voted unanimously to give the blue ribbon to Brownie Troop No. 17 display in Albert Fisher Company window.

Second prize went to the Clover troop whose display is in Swartz's shop. Third prize went to troops Five and Eight whose display is in Anthony's store.

The window displays of girl scouting were put up the first of the week in connection with observance of Girl Scout Week. Other stores with displays include Montgomery Ward, Fashion Shop, and Margie-Gail shop. The displays will be up throughout the week.

Public Records

Marriage License: William D. Meadows and Lorraine Bary, both of Illinois.

Warranty Deeds: J. L. Smith et ux to J. C. Spalding, \$7,500, all of north 340 acres of the west half of section No. 7 in block 33 township 2-North, cert. No. 1941, T&P Ry. Co. survey.

Asserts Livestock Ceilings Must Come

WASHINGTON, March 17 (AP)—J. K. Galbraith, deputy price administrator, told an antagonistic livestock delegation today he believes the government must impose ceiling prices on live hogs and other live meat animals.

Facing more than 100 representatives of the livestock industry and several congressmen at a special meeting called by OPA, Galbraith said "it looks to me like it is going to be necessary to put ceilings on live hogs, and that means sooner or later on live cattle too."

He added, however, that the meeting had been called to give the industry a chance to express its position before any final decision was made. At the outset, the delegates made it clear that they were mostly bitterly opposed to any restriction on the price of live animals.

Before buying ANY laxative, consider these 3 Questions

Ques. Does it make any difference what laxative you buy? Ans. Certainly! Most people prefer one that is gentle in action, thorough in results. Ques. How can you know what laxative, when taken as directed, will usually give gentle, thorough, prompt relief? Ans. One way is to ask for Black-Draught. Ques. Is Black-Draught economical? Ans. Very! Only 25c for 25 cent to 40 doses. Follow label directions.

Opposition Develops To Senate's Post-War Plan

WASHINGTON, March 17 (AP)—Outspoken opposition by members of the foreign relations committee today threatened to delay senate consideration of a proposal to cement the United Nations into a permanent organization for collaboration on world economic and political problems.

With Senator Clark (D-Mo.) predicting that senate discussion might go so far afield as to cause a "break up in the war effort," additional silent but powerful sentiment appeared to be developing among committee members to proceed cautiously on a resolution by Senators Hatch (D-NM), Hill (D-Ala.), Ball (R-Minn.) and Burton (R-Ohio).

The four proposed, reportedly, with the tentative approval of President Roosevelt for the board objectives involved, that the senate urge this nation to take the lead in organizing the Allies for joint action now on the problems of government, rehabilitation and relief of peoples freed from Axis domination, as well as the post-war settlement of international disputes and the preservation of world peace.

Clark told reporters he feared that if this or any similar proposal were brought out to the senate floor now the resulting explosion would be bound to damage our relations with our war associates.

"If a resolution is specific as to its aims," Clark said, "then there is going to be discussion about what Great Britain intends to do about India and reference to the fact that Prime Minister Churchill said he was not elevated to that post to preside over a division of the British empire."

"If the resolution is couched in general terms, then it becomes a blank check for presidential action," he continued. "Besides, no congress has the right to commit another, nor itself for a week in advance, for that matter."

Typist-Steno Tests To Be Given Here

TYPIST-STENO—30

An opportunity for stenographers and typists and for laborers and skilled workers to qualify for jobs immediately will be offered Friday by the United States Employment Service, O. R. Rodden, manager, announced Tuesday.

All day Friday, Robert Devine, Civil Service representative for the district, will be in the office for interviews and examinations.

Tests will be given for typists and stenographers during the day. Typist requirements are 30 words a minute and salary is \$1752 a year. Stenographers accepted will rate a salary of \$1971 a year.

Rodden urged that any typists and stenographers interested get in touch with his office in order to take the examinations.

Also Devine will be seeking workers for navy yards and supply depots. Workers accepted will be given immediate appointments.

Needed are laborer's helpers and skilled workmen in various trades. Laborer's will earn 85 cents an hour and skilled laborer—\$11.14 an hour and up.

WAACs At Denton To Call On Soldiers

DALLAS, March 17 (AP)—One hundred-eighty WAACs from the army administrative school at Denton will journey here Saturday to parade, see the sights, then eat and dance with men of Eighth Service Command headquarters.

Col. Claude K. Rhinehart, army recruiting officer for this district, announced that Col. Harry M. Carroll, commander of the WAAC school, had approved the trip.

THE WAR TODAY: Germans Confident Of No Invasion?

By DEWITT MACKENZIE

The Germans are paying a high price in men and material for their reconquest of the great railway center of Kharkov, and for development of the bloody supporting operation to the south along the winding basin of the Donets river, but it likely will be worth the sacrifices if they are able to hold the new line.

It will be worth it because this fierce offensive through the gluey mud of the rapidly thawing donets region is calculated to prevent the Nazi right wing being torn from its anchor at Rostov on the Don, by the Sea of Azov. (And you need your maps, please). Should this anchor give way, the Nazi right flank would be rolled back by the Reds with no telling how great a disaster for the Hitlerites.

The Nazis have achieved this advance through sheer weight of

Speed Limit Bill Revived

AUSTIN, March 17 (AP)—An attempt will be made in the house of representatives to revive a bill designed to make possible conformation of the Texas speed limit law with national war time speed limits.

Following action of the house committee on highways and roads in giving an unfavorable report on such a measure, which would have authorized the highway commission to regulate speed limits over the state, notice was given that a minority report favoring the bill would also be brought out.

The measure voted unfavorably 10 to 6 was a substitute for a bill originally written by Rep. Pat Geraughty of Corsicana, setting the speed limit at 35 miles an hour in conformity with OPA regulations.

Recently, the attorney general ruled that the orders of the highway commission establishing a 35 mile limit were void in that they exceeded the authority granted the commission in setting up zoning speed regulations. The measure rejected by the committee yesterday would have expressly authorized the commission to set up such limits for statewide application.

ODT Halts Sale And Transfer Of School Buses

WASHINGTON, March 17 (AP)—All vehicles carrying nine or more persons in local transportation service—buses, street cars, trolley coaches, trucks converted for passenger use, and ferries—today were "frozen" in their present service.

The Office of Defense Transportation described the order as designed to protect the requirements of war workers and school children by preventing the transfer of vehicles from communities where they are needed.

All federal agencies, including the army and navy, are required to file reports on their transportation-carrying equipment. In addition, these agencies are forbidden to buy, lease or requisition such equipment without ODT approval.

An immediate effect of the action, ODT said, will be to stop a "black market" in school buses. School officials asked for the "freeze," reporting that many contract operators already had shifted their buses to other uses.

Promotions For AAFBS Officers

Promotions of three first lieutenants to rank of captain and of a pair of second lieutenants to first lieutenancy was announced Wednesday through public relations at the Big Spring Bombardier School.

Made captain were: Bertel E. Soderblom, Delphos, Kans., assistant adjutant; John H. Gibson, Gower, Mo., commanding officer of the 816th bombardier training squadron; and William Hasek, Grand Rapids, Mich., executive officer of the station hospital.

Albert S. Rogers, Frankfort, Ind., and Bob B. Thacker, Waleka, Ga., were made first lieutenants. Both are bombardier instructors.

George Phillips' Mother Succumbs

Mr. and Mrs. George Phillips and her mother, Mrs. W. C. Lane, have returned from Kerns in Navarro county where they were called on the death of his mother, Mrs. L. M. Phillips, 74.

She succumbed to a heart attack March 7 and rites were said by the Rev. Roy F. Johnson, minister of the Methodist church of which she had been a life-long member, the following day. Burial was beside her husband, who had died only a year ago. Mrs. Phillips was a native of Alabama and six of the ten children born to she and her husband survived.

Cadets In Training Here Join Relatives In Service

The new cadets at the Big Spring Bombardier School in many cases have brothers, cousins, uncles and other relatives in the service, so "teamwork" really means something to them. Here are some more men, from various parts of the country, in training here now:

NEW JERSEY

There may be a Jones team one day soon. Charles G. Jones, Camden, is a member of the first bombardier class at Big Spring while his brother, Aubrey, is in pilot training at another aviation cadet school. Some day they may be blasting Axis cities together.

James E. Neal, Plainfield, studied at Union Junior college, was a laboratory technician in a ceramic plant. A brother is in the navy. Leo E. Goldenberg, Elizabeth, studied at Union Junior college, was an office manager before entering the army. He is one of the oldest men in the class, only six months away from his 28th birthday. He has a brother who is a navigator Lieutenant, Henry E. Gibbs, Jersey City, studied at the Spartan School of Aeronautics. He was an engineer with Bendix before deciding to fly in them rather than build them. A brother is a first Lieutenant, Frederick A. Blencowe, Woodstock, studied at the University of Texas, left school to become a member of Uncle Sam's air force. John P. McLaren, Elizabeth, studied at Union Junior college, was a laboratory assistant for Standard Oil. He won his college varsity letter in soccer. Herbert G. Maskin, Jersey City, played basketball and baseball with strong semi-pro teams in New Jersey, was a wacker for a New Jersey company. Charles E. Gutmann, Riddefield Park, N. J., is a painter of oils by avocation, an administrative man for a New Jersey firm by vocation.

OHIO

Parke H. Tamplin, Troy, was employed at the First National bank in that airplane city. His brother, Charles, is a member of the merchant marine in Atlantic convoy duty. John E. Lloyd, Gallopola, has claim to notice other than that of coming from Odd McEntyre's home town. He was a student at Ohio university, an administrative man for an Ohio oil firm. A brother is a radio technician in the navy. Charles H. Freyer, Shaker Heights, was a welding foreman for a Cleveland defense plant. A brother is an Officer Candidate in Maryland. Norman G. Robitoy, Cleveland, was an inspector for a Cleveland defense plant. Richard J. Ghera, Warren, studied at Kent State university, was a clerical worker. His hobby is drawing and painting. Richard L. Ritchie, Tiltonville, was an administrative man for an Ohio steel company. He has a brother who is a sergeant at a California camp. Henry R. Tillie, East Cleveland, was an airplane mechanic before he joined the army. He has a brother in the army.

PENNSYLVANIA

Samuel J. Scaramuzino, Lebanon, was a steel worker in Bethlehem. He was a member of the varsity basketball team at high school. Daniel A. Gloekler, Erie, studied at St. Mary's college and Gannon college. Two brothers are in the armed services, one as an M. P. and the other as an AAF man. Leo D. Godfrey, Williamsport, played semi-pro baseball in civilian life, was a charging clerk for an express company. Three brothers are in the service, two in the infantry and one in the navy. Walter G. Hamill, Upper Darby, was an instructor in a Philadelphia defense plant. Leo I. Lingenfelter, Everett, was a tire retreader. A brother is in the coast guard. Leo A. Carey, Scranton, worked at a grocery store in civilian life, played football, basketball and baseball at high school. John Boehmeheller Fry, Philadelphia, studied at Roanoke college, participated two years in the famed Penn Relays. He was a chemical operator. Walter A. Schmid, Pittsburgh, was a forge helper at a steel corporation in Homestead. Michael Robbe, Pittsburgh, was a newspaperman for several small Pennsylvania papers. Two brothers are in pre-flight training for the cadets. Thomas J. Garvey, Chester, graduated from St. Charles college, was a machine operator at a steel plant.

TEXAS

Members decided the convention site after a spirited contest yesterday afternoon between Fort Worth and San Angelo.

At the final session officers of both the Grand Lodge and the Rebekah Assembly were installed. Claud J. Carter becoming Grand Master of the I.O.O.F. Lodge and Mrs. Addie Belle Aston, Sherman, assuming the assembly presidency.

Wt. Worth Chosen For IOOF Meeting

DALLAS, March 17 (AP)—Fort Worth will be the site of the 1944 convention of the Grand Lodge and Rebekah Assembly of Odd Fellows of Texas.

Members decided the convention site after a spirited contest yesterday afternoon between Fort Worth and San Angelo.

At the final session officers of both the Grand Lodge and the Rebekah Assembly were installed. Claud J. Carter becoming Grand Master of the I.O.O.F. Lodge and Mrs. Addie Belle Aston, Sherman, assuming the assembly presidency.

Gas Odorization Order Is Issued

AUSTIN, March 17 (AP)—Texas natural gas distributing companies today operated under a new gas odorization order issued by the railroad commission.

Designed to meet the Texas supreme court's objections to the original order adopted as a public safety measure after the New London school explosion, the order in general embodied recommendations of distributing companies.

Exempt under the new order is gas used in industrial plants, natural gasoline extraction plants,

Relief At Last For Your Cough

Circulation relieves promptly because it goes right to the seat of the trouble to help loosen and expel stern laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
For Coughs, Chest Colds, Bronchitis

Daily Passenger Train Service on THE TEXAS-NEW MEXICO RAILWAY

Between Monahans, Texas, and Lovington, New Mexico

Primarily to serve military requirements, daily coach passenger train service has been established by the Texas-New Mexico Railway between Monahans, Texas, and Lovington, New Mexico, on a schedule shown below:

Read Down NUMBER 1		Read Up NUMBER 2
12:01 PM CT	Lv. Monahans, Texas Ar.	CT 6:20 PM
12:39 PM CT	Ar. Kermit, Texas Ar.	CT 6:51 PM
12:52 PM CT	Ar. Cheyenne, Texas Ar.	CT 6:36 PM
12:07 PM MT	Ar. Jal, New Mexico Ar.	MT 4:23 PM
12:43 PM MT	Ar. Eunice, New Mexico Ar.	MT 3:47 PM
1:12 PM MT	Ar. Hobbs, New Mexico Ar.	MT 3:18 PM
1:20 PM MT	Ar. Alhambra, New Mexico Ar.	MT 2:55 PM
1:40 PM MT	Ar. Elkhorn, New Mexico Ar.	MT 2:50 PM
2:00 PM MT	Ar. Lovington, New Mexico Ar.	MT 2:30 PM

CT denotes Central Time.
MT denotes Mountain Time.

Note this affords direct connection with T. & P. Westbound train No. 7, due to leave Big Spring 8:55 A.M. and arrive Monahans 11:20 A.M. and with T. & P. Eastbound train No. 6, due to depart from Monahans 7:30 P.M. and arrive Big Spring 10:05 P.M.

Because of limited time available for operation between Monahans and Lovington, these trains will not operate into or out of Wink, Texas.

Mrs. J. E. Hogan Speaks In Behalf Of Nursing Need To B & P W Club

Work has begun on remodeling of the USO center at First and Runkle. Carpenters are working on the large general activities room in the rear of the building where ping pong games and showers will be put in.

The room is to have a wooden floor placed over the concrete and with new furniture looks like it ought to be the most popular spot at the center when it is finished.

A library room is to be arranged off from the main room where large windows will give plenty of light. The library room is serving temporarily as an office for the director.

Tables of USO literature include such pamphlets as "Henry Wallace's 'The Price of Free World Victory,'" and "What We Are Fighting For." A cheering note to pessimists about soldiers, the small testimonials placed on the table disappear at the rate of about one a day as the soldiers take them home.

On the walls around the room where soldiers sign their names under the state that is their home, there is one placard headed, "Other Countries." It's surprising to note that Adolf Hitler, Hirohito, and Mussolini have all been in and signed their names. Some signs from Texas and Illinois also preferred the "Other Countries" card to their own.

WAAC Recruiters Give Talk On Women's Army

Mrs. J. E. Hogan, chairman of the Nurses Recruitment Drive in this district, spoke to the Business and Professional Woman's club Tuesday night at the Settles hotel on the need for more nurses both now and in post war times.

She spoke of the article, "You Will Be Mobilized," written by Harry Hopkins and pointed out that men as well as women who are not employed in essential industries will soon be expected to change over to war necessary jobs. She pointed out the large number of student nurses needed by both the armed forces and civilians and asked the club members to assist in interesting others in becoming student nurses.

Lieut. Jessie Gardner and Auxiliary Elizabeth Albright, recruiting officers for the WAAC, appeared before the group and Lieut. Gardner pointed out the need for more women in the woman's army. She asked the club members who were interested to attend a meeting held Tuesday night at the hotel.

Mrs. Ray Lawrence talked on the Girl Scout Week now being observed and urged club members to qualify as leaders or assistant leaders, which are needed to carry out the scout program.

Guests included Gail Hornbuckle, Rhea Broyles and Mrs. S. D. Wington, Jr., of Iran. Others present were Gladys Smith, Helen Duley, Beth Lasecke, Winona Bailey, Mrs. G. G. Sawtelle, Edith Gay, Maurine Word, Lily Ford, June Matson, Dorothy Miller, Mrs. John Griffin, Nellie Gray, Glynn Jordan, Jewel Barton and Mary Reddy.

Rebekahs Attend Parley

Representatives from the Rebekah lodge returned today from Dallas where they attended an annual state convention for grand lodge and Rebekah Assembly of Texas Oddfellows. Official representative from the local lodge was Mrs. Ella Lloyd, and others attending were Mrs. and Mrs. Jones Lamar, Mrs. Della Herring, Dike Tolbert and Mrs. R. V. Forsyth.

During the three day parley which was held at the Baker hotel, new state officers were appointed and lodge work for 1943 discussed. Lynn J. Irvin of Des Moines, Iowa, who is Sir of the World for the organization, was among the officials who attended the convention.

The local Rebekah lodge met in regular session at the IOOF hall Tuesday evening at 7:30 o'clock and the meeting was directed by Mrs. Opal Tatum, noble grand of the lodge.

Attending were Mrs. Eula Robinson, Mrs. Maggie Richardson, Mrs. Clara Bender, Mrs. Dora Crenshaw, Mrs. Beulah Hayworth, Mrs. Vera Hull, Mrs. Gertrude Newton, Mrs. Virginia Wilkerson, Jim Crenshaw and Mrs. Earl Wilson. Convention reports from representatives who attended the state parley will be heard when the lodge convenes Tuesday evening.

Mrs. Ivy Bohannon Entertains Young People With Party

The young married people of the Nazarene church were entertained with a party in the Ivy Bohannon home Tuesday evening and Mrs. Inez Morris, who is celebrating a birthday anniversary, was honored guest.

A St. Patrick's Day motif was used in napkins and other party decorations and refreshments were served. Games were played and those present were Mr. and Mrs. Bill Jasson, Mr. and Mrs. Charles Johnson, Mrs. Juanita Williamson, Mrs. Benis Thomas, Mrs. Avis Donnell and the Rev. and Mrs. Ivy Bohannon.

Six Hostesses Entertain At Officer's Club

Mrs. Joe Robnett was chairman of hostesses when the group entertained at the Officer's club Tuesday afternoon with luncheon and bridge. Hours were from 1 o'clock to 4 o'clock and hostesses were Mrs. Hulian Robertson, Mrs. El R. McGruder, Mrs. Byron Foster, Mrs. Roy Davis and Mrs. Ned Carpenter.

Those awarded bridge prizes were Mrs. A. J. Prager, Mrs. Van C. Elliott, Mrs. George Siebold, Mrs. F. H. Hall.

The next meeting, April 6, will be devoted to business and hostesses for the entertainment include Mrs. W. R. Bouts, chairman, Mrs. A. Bloomberg, Mrs. Max Johnson, Mrs. James Koonz, Mrs. Robert W. Miller and Mrs. F. M. Moggett.

Party Given On Fourth Birthday

Mr. and Mrs. Byron Housewright entertained their daughter, Priscilla, who is celebrating her fourth birthday anniversary, with a party in the Housewright home, Tuesday afternoon.

A patriotic motif was used in party decorations and miniature flags were given as favors. A birthday cake, topped with four candles and iced with "Happy Birthday" was served with other refreshments.

Games were played, and gifts presented to the honored guest. Those present were Maxine Reason, Janice Nalley, Nancy Smith, Yvonne Taylor, Silvia Brigham, Roy Horton Shaw, Terry Stanley, Rick Terry, Jerry Brooks, George Housewright, Jim Brigham and F. M. Pures.

The hostess was assisted in the serving by Mrs. Neal Stanley.

Gary Frank Cox Has Party Here

Mrs. J. D. Cox entertained for her son, Gary Frank, on his second birthday anniversary Tuesday afternoon with a party at her home. Daffodils and pansies were placed at vantage points throughout the rooms. Games were entertainment and balloons were given as favors.

A white birthday cake was topped with two pink candles and the words, "Happy Birthday," iced in pink. Refreshments were served and others present were Mrs. Jim Tolbert and Jim, Mrs. Alton Underwood and James Lee, Mrs. Tom Underhill and Tommy, Mrs. Escol Compton and Benny, Mrs. Frank Cox of Childress sent a gift.

Utility Fee Is Held Illegal

AUSTIN, March 17 (UP)—An attorney general's opinion holding illegal the payment of a \$25,000 fee to E. M. Cape of San Marcos as general counsel of the Guadalupe-Blanco River Authority will be respected by the G.B.R.A. board. Testifying yesterday before a special investigating committee Cape said that he is a member he would accept no compensation as general counsel or general manager unless a court held he was entitled to it.

He filed with the committee a copy of a letter to him in Attorney General Gerald C. Mann sitting opinions by Mann's predecessor, William McCraw, in conflict with the Mann opinion.

Mann said in the opinion Cape as a member of the board could not draw extra compensation as manager or counsel. The opinion was sought by the investigating committee which is inquiring into details of the sale of San Antonio Public Service company properties to the city of San Antonio, the lease by the city of a steam power plant at New Braunfels to G.B.R.A. and assignment of the lease by G.B.R.A. to the Lower Colorado River Authority.

Quintuplets Use Musterole For Chest Colds!

Whenever the Dime Quintuplets catch their colds, they immediately reach for Musterole—a product made especially to promptly relieve coughing and tight sore aching chest muscles due to colds—it actually helps break up local congestion in the upper bronchial tract, nose and throat. Musterole gives such wonderful results because it's what so many Doctors and Nurses call a "mucous counter-irritant." Since it's used on the famous "Quintuplets" you can be sure it's just about the best cold relief you can buy!

WOODINE HILL IS HOSTESS FOR A Y.W.A. PARTY

The Y. W. A. of the East Fourth Baptist church entertained with a party in the home of Mrs. J. M. Lytle Tuesday evening with Woodine Hill as hostess.

Games were played and refreshments were served to Wilma Evans, Clara Bell Woods, Dalphine Covington, Jimmy Melvin, Marshall Jackson, Jimmy Marshall, Boyce Patton, Maudie Chapman, Jo Nell Sims, Bobby Sanders, Doll McCumb, Virginia Burnes, J. Boyles, Ladd Smith, Mr. and Mrs. Lytle and Sue Lytle.

VISITS AND VISITORS

Mrs. R. W. Thompson left Tuesday afternoon for Lubbock to be with her mother, Mrs. J. Q. Haines, of Abilene, who is undergoing an appendectomy.

Mrs. Glenn Gregor and son and Mrs. Clifford Cranford of Fort Worth are visiting Mrs. Charles Lee this week.

Mrs. Virgil Hobbs of San Antonio is leaving today for her home after visiting with her parents, Mr. and Mrs. S. R. Nobles.

Lieut. James H. Smith, who has been stationed at Drew Field, Tampa, Fla., is now attending administrative inspector's school at Fort Logan, Colo., his family learned here this week.

Mrs. Bernard Fisher and Mrs. Mrs. J. P. Fisher returned today from Dallas where they have been visiting for the past week.

Mrs. G. C. Graves has received word that her son, Jack, who is stationed at Fort Knox, Ky., has been promoted to the rank of corporal. Cpl. Graves went into the army in January.

Party Given At Country Club For Newcomer

Mrs. Elmo Wasson entertained with an informal coker party at the Country club Tuesday morning honoring Mrs. Louie Fielding, former resident of Arkansas Pass, who moved to Big Spring recently.

Hours were from 10 o'clock to 12 o'clock and assisting the hostess were Mrs. Lee Rogers, Mrs. George Denton, Mrs. R. R. McEwen. Around 150 guests called during the morning.

Parish Council Plans Bake Sale

Plans for a bake sale to be held March 27 were discussed when the St. Thomas parish council met in the rectory Tuesday evening. Committees were appointed to find a location for the sale at which Catholic women will sell cakes, pies and other pastries. It was reported that both discussion clubs which re-organized the first of the year were meeting at scheduled dates for regular study. Those attending the meeting were Mrs. Frank Smith, Mrs. L. K. Mal, Mrs. W. J. Note, Mrs. Julia Julian, Mrs. Martin DeHillinger, Mrs. Charles Vines, Mrs. W. E. McAllen, Mrs. L. D. Jenkins and the Rev. George Julian, O.M.I.

Girls! Don't forego this help because of an old TABOO

For 62 years many girls have sought relief in CARDUI'S 3-way help. Some take it as a tonic; it usually stimulates appetite, aids digestion by increasing flow of gastric juices; thus helps build energy and resistance for needed days. Or take it, as directed, 3 days before "your time" CARDUI then often aids in relieving functional pain. This time try CARDUI (adv.)

CALENDAR

Downtown Stroller

Sure, and a happy St. Patrick's Day to you today and here's a hoping that you'll be a-wearing of the green. That accent isn't so good in writing, but the spirit is there anyway.

Mrs. J. D. COX gave a birthday party yesterday for her son and everybody said that her home was really pretty with daffodils and pansies placed around the room.

And if you are a nature lover, note that the peach blooms are out on some of the trees around town. But the weather prophets, the mesquite, don't look as if they have budded a bud.

Mrs. CLAUDE D. MILLER and Mrs. F. NUGENT gave a surprise pink and blue shower for Mrs. MATT HARRINGTON out at Mrs. MILLER'S home and some of the guests were adding if it really were a picnic. The hostess got a kick out of that for there she was in a cotton dress and flat shoes and bobby socks while everybody else was all dressed up. "Surprise? well, what do you think," she asked when she laughed about her looks.

By the time the B&P girls got through with their meeting Tuesday night they didn't know which way to turn. The girls heard they were needed in the WAAC, in the nursing profession and as girl scout leaders.

We can remember, from behind our old grey beard, when jobs were scarce, salaries non-existent and nobody wanted a woman in any kind of a job. Everybody has his day we guess.

Mrs. Beulah Hoback Pays Annual Visit To Local Eastern Star

Around 70 Persons Attend Meeting And Social Hour

Tall baskets of Pearly gladiolus and calla lilies marked the altar and were placed at vantage points about the Masonic hall when members of the Eastern Star chapter met at the hall to hear an address by Mrs. Beulah Betsy Hoback, deputy grand master, who visits the grand chapter annually. Mrs. Hoback, resident of Lamesa, complimented the local chapter on splendid work in the past and outstanding accomplishments which have been recognized throughout the state.

Mrs. Willie Mae McCormick, worthy matron of the Big Spring chapter, introduced Mrs. Hoback, and presided during the meeting. Attending the affair were visitors from surrounding towns and communities and San Antonio. Refreshments were served and preparations were directed by Mrs. Nora Williamson.

Around 70 persons attended the meeting.

Mexican Huraches Have Boom Sales

REYNOSA, Mex., March 17. (UP)—Shoe rationing has boomed the manufacture of Mexican huraches, the sandal-like leather shoe beloved of U. S. tourists. The supply is short, the cost rising. Reynosa dealers said that manufacturers in Guadalajara and Oaxaca, who have been supplying thousands of the sandals annually, are swamped with orders.

Huraches for a time could be bought in Texas only with a ration coupon. The regulation has been lifted and sales have boomed.

The maternal death rate in Great Britain has fallen since 1908 from 427 to less than 2 per thousand births.

Misses Spring Dresses Beautiful styles... in the latest colors for Spring. Good range of sizes. \$7.90

Famous Topflight Quality! Men's DRESS SHIRTS \$1.19

"USE IT UP...WEAR IT OUT...MAKE IT DO...OR DO WITHOUT" This old proverb has come to life again, as a yardstick for wartime conservation. It's just another way of saying: "Don't throw anything away if there's still some use in it!"

This is especially true of clothes. Don't think they're not fit to wear because you're tired of them! Remodelling works wonders!

Making a little go a long way is part of the Penney tradition. Our storekeeping has always been of the thriftiest kind; our customers have always been people who know the value of a dollar!

You'll find stamina-packed gabardines, all in fashion-first models to fit you, your personality, your tastes—and, most of all, your wallet! Inspect this fine group tomorrow!

More Recaps, Fewer New Tires Must Be Issued, Board Warns

Local tire inspectors met at the War Price and Ration Board Tuesday afternoon to hear news from the regional office that Howard county's tire quota would be cut to ten percent in April unless the county builds up its retread and recapping applications and cuts down on new tires approved.

The dealers, who are qualified tire inspectors, joined in the discussion led by Tracy Smith, tire panel member, who pointed out that this county, in place of the ratio of 50 percent recaps and 50 percent new truck tires, had been running on a basis of 90 percent new truck tires and 10 percent recaps.

According to Smith, the county's April quota will be based on the improvement made in this record from now until April 1. According to the inspectors who attended the session, most of their approvals for new truck tires occurred when blow outs demanded new tires.

The only solution to this, according to discussions at the session, would be to ask truck drivers to get recaps and retreads before blow outs occur.

Most of the blow outs, the dealers agreed, came from over loading of trucks, and excessive speed.

The panel asked the inspector's assistance in helping the county get off the probation list. Smith reminded inspectors that when new tires were approved for a truck or passenger car, the old tires turned into the dealer are kept on hand for 90 days while an OPA inspection is made. In the case of three wrong diagnoses of tire inspections, the dealer is no longer authorized to inspect tires.

CHICKEN-EATER—Pvt. Raymond H. Hohn (above) of San Francisco tears into a roasted chicken, a delicacy at his United States post somewhere in India.

Hunting Season Is Sought On Antelope

HELENA, Mont. (AP)—Antelope have become so numerous in Wheatland, Carter and Powder River counties that legislative representatives from the counties have decided to ask for control measures. They say the antelope are damaging crops and the legislation they propose would permit special hunting seasons or other methods to reduce their number.

This Man Thistles While He Works

CHATTANOOGA, Tenn. (AP)—Tom O. Selman of Chattanooga has devoted a large portion of his farm to the production of blessed

their inspection sheets should show cause for blow outs and any abuses noted on the worn out tires. Tentative plans were made to discuss the need of using recaps immediately before blow outs occur with local truck drivers. Fourteen inspectors attended. Dealers also made new applications for the posts of inspectors which became effective at midnight Tuesday night.

thistles, a plan needed in large quantities for certain pharmaceutical preparations. The war has shut off the source of supply in Europe, which held a virtual monopoly on blessed thistles for many years, so Selman increased his production to 25,000 pounds last year. He expects another bumper crop this season.

Adolf, Tojo Moan When Horses Die

LEXINGTON, Ky. (AP)—If your horse dies, the loss may be felt more severely by the Germans or Japs, according to a farm bulletin issued by the University of Kentucky. In reducing the value of dead animals to terms of waste fat for glycerine, farmers were told a dead horse would supply enough fat to make glycerine for 75 anti-aircraft shells; a dead sheep, 15 shells; a 100-pound pig, 50 shells; a cow, 80 shells; a small calf, five shells. Special collectors pick up stock which dies on farms.

That Extra Something!
...You can spot it every time

ASK the ski trooper why he welcomes ice-cold Coca-Cola. He will tell you what every ski enthusiast knows. Few things can make you thirstier than skiing. The dry cold, the exertion, the altitude do it. Experienced skiers know that Coca-Cola is the perfect refreshment after a ski run.

Coca-Cola not only quenches thirst. It adds refreshment that goes into energy. It is refreshment that tastes good, feels good, is good. Coca-Cola is made with choicest ingredients put together with a finished art.

Each time you raise an ice-cold Coca-Cola to your lips, you'll agree that the only thing like Coca-Cola is Coca-Cola, itself.

Even with war and so many Coca-Cola bottling plants in enemy-occupied countries, our fighting men are delighted to find Coca-Cola being bottled in so many places all over the globe.

Even with snow and ice outdoors, it's summertime indoors. Ice-cold Coca-Cola is the year 'round answer to thirst that everybody welcomes.

High Scoring Marks Progress Of Favorites In Denver Play

Fort Lewis Star Racks Up 50 Points

DENVER, March 17 (AP)—Furious shooting marks the sweep of favorites through the National A. U. basketball tournament field, and a new record for individual point-making already is being printed in the official book of best performances.

Holder of the new record is Pvt. Gall Bishop of the Fort Lewis, Wash., reception center team, who piled up 50 points yesterday as he and his fellow soldiers crushed the Butte, Mont., Boosters under an 83-37 score. His collection was better by two points than the old mark established by Larry Toburn, Denver University, three years ago.

The tourney powerhouse turned in some impressive scores before the second round of play came to an end last night. Wyoming University added up 77 to 40 for Howard Payne College of Brownwood, Tex., and Twentieth Century-Fox of Hollywood collected 67 while giving away 41 to the Fort Warren, Wyo., All-Stars. Phillips 66 of Bartlesville, Okla., crushed St. Louis, Mo., Universal Auto Body 66-20 in the final second round contest.

In earlier second round games, the Norman, Okla., Naval Air Station team outshot the seeded Alameda, Calif., Coast Guard 38-35 in an overtime battle.

Today's third round schedule (Central War Time) includes: 8:30 p. m.—Alameda, Calif., United Engineers vs. Phillips 66, Bartlesville, Okla.

10—Denver University vs. Naval Air Station, Norman, Okla.

The British tuberculosis mortality rate decreased from 1,900 deaths per million in 1900 to 602 in 1938.

At The Training Camps—

Wyatt's Performance Has Leo Durocher Smiling Broadly

LAFAYETTE, Ind., March 17 (AP)—Hank Edwards, 24-year-old Cleveland outfielder up from Baltimore, was ordered to take his selective service physical examination today.

BEAR MOUNTAIN, N. Y.—Although Manager Leo Durocher of the Brooklyn Dodgers was stiff and sore from two days of workouts he wore a big smile because of the form displayed on the mound by Whitlow Wyatt, veteran pitcher.

MUNCIE, Ind.—A Pittsburgh Pirate party of 22, including nine players, arrived here early today and partook of its first workout a few hours later.

MEDFORD, Mass.—Al Simmons' boast, broadcast from Hot Springs, Ark., that he was down to 200 pounds, has spurred Red Sox Boss Joe Cronin to even greater training efforts.

Cronin, who may have to return to the leup, is far over his best playing weight of 190 pounds.

BLOOMINGTON, Ind.—Manager Bill McKechnie said he thought the Cincinnati Reds would be ready for an intra-camp game Sunday and Warren Giles said he would leave soon on the Reds' annual hunt for a hard hitting outfielder.

144 Players From AL In The Service

CHICAGO, March 17 (AP)—The American league disclosed today that its number of baseball players in the armed forces now had reached 144, a figure that exactly equaled the league's service roll during all of World War I.

In addition, 19 players are remaining out of baseball this season to work in war plants or on farms.

However, team rosters show that each club will have from 27 to 34 men available to start the season April 21.

League figures disclose the St. Louis Browns, surprise team and third place finisher in last year's race, currently hold the edge in manpower with a total of 34 athletes. Then come Detroit and Washington with 30 each; Cleveland and Chicago, 28, and Boston and Philadelphia, 27.

Leading the league with men in the armed forces were Detroit and Chicago, each with 23. These two clubs also have the most men remaining on jobs in essential industry—Chicago 5, and Detroit 4.

Private Cars Will Help In Sports Trips

WICHITA FALLS, March 17 (AP)—Use of private cars in transporting athletic teams would solve 85 percent of the problem facing Texas interscholastic league competitive sports, H. D. Fillers, chairman of a committee from the Texas School Administrators association, said today.

Fillers' committee is seeking a means of continuing schoolboy sports and has just returned from Washington where it conferred with ODT and OPA. There it was learned that the schools probably would receive permission for additional fuel rations to make possible use of private automobiles in transporting the teams.

"In some cases it would be impossible to secure the use of private cars for long distances," Fillers said, adding that he hoped the ODT and OPA would grant the use of school buses as well as private cars.

Negro Teams Clash For Cage Honors

CHICAGO, March 17 (AP)—The Oshkosh, Wis., All Stars, defending champions, and the Washington (D. C.) Bears, a flashy negro team, will meet in the Chicago stadium tonight for title honors in the fifth annual world professional basketball tournament.

FLASHES OF LIFE

By HUGH FULLERTON, JR.

NEW YORK, March 17 (AP)—The double-trailed basketball show that starts tomorrow in the Garden has been the subject of a bit of blasting for "commercialism," but from what we hear, most of the colleges that aimed for the more lucrative invitation tourney instead of the N.C.A.A. event.

On the other hand, Prof. Philip O. Badger, the N.C.A.A. proxy, says his organization would just as soon hold its tournament in college gyms but occasionally it has to bid for big games so as to put some cash in the treasury.

TODAY'S GUEST STAR—Banjo Smith, Columbia (S. C.) Record: "New York legislature offered bill to allow school boys 30 days off each year to fish. Gads: born 30 years too soon again."

"Irish" Bobby Ruffin and "Irish" Bobby McIntyre are slated to fight the first 20 round bout New Orleans has staged since away back when, tonight. According to St. Patrick's Day tradition, that should be just a warmup for a real fight.

QUOTE, UNQUOTE—Bill Cox, who has had a finger in both pro football and baseball, objects to being called a sports promoter. "A promoter uses some one else's money. I use my own," he explains.

SERVICE DEPT.—Seaman Tiger Joe Marsh, Florida's leading wrestling villain, is teaching his "destroyer" hold to shipmates at the Jacksonville naval air station. He claims they can use it to break Japs' necks.

Recreation Council Committee Heads Are Appointed

Committee heads for the War Recreation Council were appointed Tuesday when members met at the Chamber of Commerce.

Ross Clarke, director for the USO, discussed the negro recreation center and pointed out that an extension unit for the Big Spring USO had been approved by the regional office and that it was necessary now to wait for final approval from headquarters in New York.

Work has begun on the remodeling of the USO at First and Runnels streets, Clarke said.

Future activities of the town to be given for the USO were discussed with Clarke and R. B. Dixon, FSA representative.

Others present were Boyd McDaniel, Mrs. L. A. Eubanks, the Rev. P. D. O'Brien, G. C. Dunham, C. J. Staples, Mrs. R. R. McEwen, Mrs. Hayes Stripling and J. H. Greese.

Dixie Howell Sent To Hollywood Post

ATHENS, Ga., March 17 (AP)—Lieut. Millard F. (Dixie) Howell, former University of Alabama gridiron star and recently head coach at Arizona State Teachers college, has been transferred from the U. S. navy pre-flight school here to the naval air navigation school at Hollywood, Fla. Howell has been on duty here since last October conditioning aviation cadets.

TEXAS MISSING

WASHINGTON, March 17 (AP)—Curtis Nathaniel Wilkes, Port Arthur, Tex., utility seaman in the U.S. merchant marine, was reported missing as a result of war action during the period from Feb. 1 to Feb. 28 this year, the navy department disclosed yesterday.

First Warm-up—At spring training headquarters for the New York Giants—a snow covered field at Lakewood, N. J., in Ocean City Park—Pitchers Cliff Melton (left), Van Mungo (center) and Carl Hubbell (right) warm up at a first.

Armstrong Needs An Anti-Climax For His Book

PHILADELPHIA, March 17 (AP)—The Los Angeles poet and litterateur, Hammerin' Henry Armstrong, announced today that he has almost finished his memoirs but if the literary world is waiting with bated breath to read them it'll have to keep right on bating.

For the former triple champion of boxing, a man of letters as well as left hooks, is caught in the throes of composition—he can't find his anti-climax.

Hammerin' Henry, here for a 10-round comeback tussle with Al Tribuani of Wilmington, Del., in Convention Hall Monday night, drew reflectively on his metal overlung pipe, which was empty, and told a select circle of critics:

"I even have a title—a good one, I think—'My Struggle to Three Crowns'—but it isn't quite ready for publication yet, because my anti-climax is missing."

"I'd figured I'd end it where I beat Fritz Zivic, but I'm not through yet. Here I am making a comeback and what happens to me now will be anti-climax."

READY TO PLAY

COLUMBIA, S. C., March 17 (AP)—The University of South Carolina will continue football this year if other institutions in the state participate, President J. Rion McKisick said yesterday.

Lester Team Takes Honors In Bowling

The Harry Lester team hogged honors in the week's league contests at the Billy Simons bowling lanes, running up a pin total of 2553 in defeating Grand Prize 3-0, and registering top game scores of 382 and 336.

For individuals Richards had high series of 592 while Wheeler shot a 564. Smith had best individual game, 199, trailed by Compton with 198.

Other results (with pin totals): Cosden, 2342, 2-1 over Douglas Hotel, 2070.

Park Inn, 2040, 2-1 over Home Cafe, 1990.

Leon's, 2353, 2-1 over Elmo Watson's, 2133.

The Grand Prize pin total was 2348.

Soldier Fills His Dad's Hat

RATON, N. M. (AP)—Tommy Dominguez, now with U. S. forces on one of the world's battlefronts, is wearing the same overseas hat that his father, Tom Dominguez Sr., wore in World War No. I. Tom picked up the hat while he was home on a furlough before being assigned to overseas duty and he took it with him. Later he

Giants Suffer The Heaviest Losses In Players

LAKEWOOD, N. J., March 17 (AP)—Mel Ott performed a minor miracle last year by leading his New York Giants to third place in the National league. He may have to work a major miracle this season to keep them in the first division.

The cold facts are that the Giants' losses to the war are the heaviest in the senior circuit. Pitcher Hal Schumacher, Outfielder Willard Marshall, the great rookie find of last season, and Babe Young, the slugging outfield-

er-first baseman, have entered the service; Third Baseman Bill Werber has retired and two bigger blows appear about to fall—since First Baseman Johnny Mize and Catcher Harry Danning are both in class I-A and awaiting induction.

Here, then, are six men missing out of the Giants' regulars of last season. The once proud Giants right now appear about as formidable as a rowboat.

But Ott retains his optimism. He simply tells questioners that things will work out and that he doesn't think the future will turn out as dark as it looks.

For one thing the Giants are, in effect, marking time till March 28, the day Mize is to report for induction. They think there is a possibility he might be rejected because injuries in recent seasons have shown him to be an easy bleeder.

If Mize should be turned down by the army, the Giants' other problems could be solved in various ways and with varying hopes for success.

Pacific Coast Conference Is Folding

LOS ANGELES, March 17 (AP)—The Pacific Coast conference, as now constituted, is out for the duration, and the four California members, Stanford, UCLA, Southern California and California, most likely will schedule home-and-home football games next fall.

While the schedule will not be drawn until the June meeting, Southern California's manager of athletics, Arnold Eddy, points out that since inter-sectional football has become a wartime casualty, a Washington-USC game, involving 2,500 miles travel, is just about out of the question.

"All the schools in the conference want to continue football if possible," Eddy says, "but they want to cooperate to the fullest in the war effort, too, and the reduction of travel to the minimum is the No. 1 must order."

Eddy thinks the home-and-home football arrangements has fine possibilities as a crowd lure. Football is one of the few sports where the loser doesn't get a chance to avenge himself within the season. A 7-6 decision seldom is convincing. A close game between Southern California and Stanford next fall in Palo Alto would make the rematch in the big Los Angeles coliseum a crowd magnet.

North Texans Lose To Aviation Team

PORT WORTH, March 17 (AP)—A tall, smooth-working North American Aviation quintet shoved favored North Texas State of Denton, playing as Dyches Corner, out of the gold medal tournament 38-27 in quarter-finals play last night.

Three more quarter-final games, scheduled for tonight, send Texas Wesleyan college against Burkhart Grocery; the reception center team from Camp Wolters against Texas Wesleyan freshmen, and TCU Pharmacy, made up of Texas Christian players, against Consolidated's Liberators.

For Posterity and The AP

A somber Abraham Lincoln stood on the station platform at Springfield, Illinois, and looked down on the faces of the thousand friends and neighbors gathered to bid him goodbye as he left for Washington on Feb. 11, 1861. Removing his hat, the President-elect asked for silence and began his historic farewell address.

A young Associated Press correspondent, Henry Villard, was traveling with Lincoln and as soon as the train had started told Lincoln that he had made an extraordinarily moving address that should be preserved for posterity. He asked that Lincoln write it out, whereupon the President-elect took the correspondent's paper and pencil and set the speech down in his own hand, giving Villard the manuscript to telegraph at the first station.

This was typical of AP's coverage of the Lincoln administration and the ensuing war, a coverage that was to produce countless beats from the

authentic story of the Union policy toward the South to the flash on Lincoln's death. The government itself, lacking adequate telegraph facilities, commandeered the AP system. In the 12 years since its founding the AP had grown up so that a New York Herald man wrote: "The special correspondents of the several New York papers are nearly if not quite as numerous as the agents of the AP."

One of the agents, as AP reporters were then called, Lawrence A. Gobright, in Washington, summarized an AP man's creed. He said: "My business is to communicate facts; my instructions do not allow me to make any comment upon the facts. My dispatches are sent to papers of all manner of politics. I therefore confine myself to what I consider legitimate news, try to be truthful and impartial."

Today, more than 80 years later, that creed still holds, for AP men covering the war news and all the news.

AP—FIRST AT THE FRONT FOR A CENTURY

Axis cuts your driving - Terrorizes your engine with ACID!

Every time short rations keep your car idle it's really like the Axis trying to dose your engine with acid. All the Axis needs is the acid products of combustion always left in your engine when it stops. This unavoidable acid wasn't so bad when cleaned out pretty well, several times a day, on fast runs that warmed the engine completely. But now with slow short runs often keeping the engine too cool, acid's chance has increased to corrode metal.

It's surfaced to metals as closely as any protective plating. That's why this inner engine preservative—made possible by the quick, simple, economical change to Conoco Nth motor oil—is known as OIL-PLATING.

Conoco Nth—patented—brings you the special synthetic invented to make metal surfaces cover themselves with OIL-PLATING. It may be quite a while "between coupons" now. But you needn't give hungry acids all that while to gnaw at your engine, which the Axis won't let you replace yet! OIL-PLATE it now. Change to Conoco Nth for Spring. Continental Oil Company

The Need Of Helping Small Business

It has been said that before the war the little businesses of America were only losing ground, but now the ground is being shoveled out from under them.

shown that the course followed has not been the best in terms of the central goal of war production. The main situation is simply that saving small business is necessary a secondary job today.

ing ample means for resurgence of small business in the postwar economy. Nothing really effective has thus far been done in either direction.

Isolation Island

By JOHN C. FLEMING and LOIS EBY

Chapter 10 "Did you have a good day?" Landa smiled dreamily at Don as their horses wandered side by side back through the narrow jungle path.

Hollywood Sights and Sounds

War Fiction Matched By Actual Happenings

By ROBBIN COONS

HOLLYWOOD - Truth-is-later-than-fiction department: Last December Producer Colbert Clark sent to the sound stages a script called "The Boy from Stalingrad."

Fort Riley... The movie's warring front is shifting to Turkey, with several features with that locale already in preparation.

Washington Daybook - Highway Systems Hard Hit By War

By JACK STINNETT WASHINGTON - The war is absolutely playing havoc with the state highway systems: As far as I know, one of the few state highway commissioners to reduce the national situation to a 48-state average is Ernest L. Bailey of West Virginia.

Rationing, says Mr. Bailey, has cut 40 per cent of approximately \$18,000,000 off highway revenues. This decline includes taxes on fuel and taxes on cars (both licenses and sales).

In addition, there is no federal aid this year, which means the 48th state will lose \$3,000,000 more. War or no war, he says, the \$7,000,000 service on debts (payment of interest and retirement of bonds) will have to be paid.

That certainly is an eye-full of figures and there's nothing duller, but it's proof positive that if Mr. Bailey has added right and this war goes on for a year or two without some road relief, the great national and rural highway system of this country is going to be reminiscent of the early 'twenties.

From The War Fronts Fighting Men In The Flying Fishbowl

By GLADWIN HILL AP Features. AT A U. S. BOMBER STATION SOMEWHERE IN ENGLAND - This is a piece about ball-turret gunners—those bland midgets who whirl around in a three-foot fishbowl under the belly of a Flying Fortress, banging away at the enemy with a gun in each hand.

Job Has Unique Lore In the Fortresses' relatively short history of American operation in the European theater, the ball-turret job already has begun to acquire its own unique character and lore.

its belly. Then he is an excellent target, and has to shoot or be shot. The turret is located right under some of the hydraulic mechanism, and there are inevitable oil leaks down into the turret.

Story

(Continued From Page 6)

ed in earnest confidence to Jim. "I would have been the second great Irish tenor." He helped move the grand piano to the living room window overlooking the patio. "I'm overjoyed, my girl, that you're here to play for me again," he told Linda as she sat down and drew out her music.

O'Shanessy selected "When Irish Eyes Are Smiling" and opened wide the windows onto the patio. He waited stately until the servants were clustered in a breathless group, then struck a dramatic pose. Linda's fingers touched out opening chords, and then—with the force of a blasting cannon, the huge Irishman's voice roared out. It was a terrific voice, its volume rolling on triumphant over hoarseness or cracking until the walls shook and the ears throbbed.

After forty minutes, O'Shanessy shut the windows and came back to the group in the living room, to put a huge arm around Linda's shoulders. "I'm glad, girl, you feel yourself again. I didn't want to suggest a concert before you were up to it. But now, it looks like old times again. Jim here says they're about ready to find that submarine, and we're about ready for that wedding, eh?"

Linda drew a quick breath and her laughter died. Her eyes moved to Jim almost as if in flight. "Do you really think you've located the sub?" she said nervously.

"We hope to tomorrow." She murmured with breathless eagerness. "I'd love to come out with you onto the Sea Bat tomorrow and see the fun. May I?"

Jim was taken aback by the

urgency in her pleading. His protests died. He shrugged, even though he could see O'Shanessy's great bushy brows drawing together. "Suit yourself," he said briefly. To Be Continued.

Truck-Lease Plan Is Before Senate

AUSTIN, March 17 (AP)—A concurrent resolution designed to permit leasing of private trucks to comply with Office of Defense Transportation rules requiring loads for return trips was before the senate today with a favorable vote from the highways and motor traffic committee.

Carl Hardin, executive secretary of the Private Truck Owners Association of Texas, Inc., told the committee last night that the 235,000 private truck owners should not be charged with evasion of the Texas motor carrier act for leasing vehicles to other persons to insure back hauls.

'Tankbuster' Planes Using Heavy Cannon Successfully

By EDWARD KENNEDY
CAIRO, March 17 (AP)—The Allied air forces operating with the British Eighth army have been using "tankbuster" Hurricane fighter planes against Field Marshal Erwin Rommel's tank army for months. It may now be disclosed by the lifting of a censorship ban.

Following is a dispatch I wrote on Oct. 28, 1942, while with the RAF in the western desert at the start of the British Eighth army offensive against the German line at El Alamein which drove Rommel's forces out of Egypt and Libya:

Tank-attacking planes mounting heavy cannon have been in operation in the western desert for the past four months.

Their score to date: Direct hits on 74 tanks, 46 trucks, eight armored cars, 11 troop carriers and three gasoline tank trucks.

"I think they are an answer to tanks from the air," said Wing Commander Roger Porteous, who commands them and who flies in many of their forays.

"Tankbusters" is the desert name of these Hurricanes with heavy calibre guns.

On finding the target—preferably a cluster of tanks, but soft-skinned vehicles will do—the planes attack from every angle.

Shells fired at point range can penetrate any tank the enemy has in the desert.

LONDON, March 15 (AP)—The Hurricane tankbusters whose existence was disclosed by Cairo dispatches today are continuing to harass axis armor in Tunisia and are being built in numbers for an eventual invasion of Europe.

Air Minister Sir Archibald Sinclair disclosed in commons last week that tankbuster and fighter bomber squadrons were being organized by the RAF's army co-operation command to aid a continental assault. He did not, however, disclose that special heavy-caliber guns had been fitted to the Hurricanes as made known in Cairo.

Lees Community Happenings

Mrs. Walter Holcomb is visiting her brother in Duncan, Okla. She was accompanied by her son, Sgt. Horace Holcomb, who has been here on a furlough. While here he was married to Janet Baker, daughter of Mrs. Charlie Howard. Mrs. Holcomb will remain here for the present.

The Rev. T. M. Harrell was called to Big Spring Monday to be with his father who suffered a heart attack. The elder Harrell is reported improving.

Dayton White will leave March 17 for Abilene where he will take final examinations before joining the armed forces.

Doyle Little was confined to her home with illness last week.

The Lees Baptist church has recently been painted and two new classes have been added.

Mr. and Mrs. Ed Allison and children of McCamey visited Allison's parents, Mr. and Mrs. W. E. Allison this last week-end.

Miss Olive Holcomb has returned to Fort Worth after attending wedding services for her brother, Sgt. Holcomb.

Mrs. John Godwin of Levelland visited her daughter, Mrs. Hart Phillips last week.

Mrs. Bob Godwin and Mrs. Hart Phillips visited in San Angelo last week with Mrs. Phillip's brother, Louis Godwin.

A woman's missionary society was organized at Lees recently and Mrs. Delk was chosen president.

Mr. and Mrs. S. E. Pyle of Odessa have moved to the N. & M. lease in the house formerly occupied by the Farmer family.

Mrs. J. C. Montgomery and daughter have returned from a visit with her mother in Tyler.

Miss Anne Martin, Mrs. Jewel Strickland and Mrs. Mattie Tiptoe of Big Spring visited Mr. and Mrs. Carl Tiptoe Sunday.

Cpl. Earl Baker and Sgt. Joe Kling of the Big Spring Bomber School visited Mr. and Mrs. Charlie Howard Sunday afternoon.

The Lees Baptist church voted to invite a group of young people from Wawland college, Plainview, to present programs at church services soon. The students will be entertained with basket lunch and other affairs.

Seminole Remedies Sought By Scientists

PALM BEACH, Fla. (AP)—Modern science and the ancient lore of the Seminole Indian medicine men may get together to relieve a shortage of war-needed drugs, especially quinine.

Here at the southern laboratories of the Institutum Divi Thomae, expeditions already have been sent into the Everglades to locate quinine-like plants to test their medicinal qualities. A number are undergoing such tests under the direction of Dr. Alfred Lonsing.

But while this work is going on, the Institutum scientists headed by Dr. George Sperti, director of the organization, are investigating ancient Seminole remedies which have been handed down through the generations. They plan to subject these remedies to modern scientific tests and adopt any useful quantities for war work.

duction of various other commodities including upholstery and seat fabrics, draperies. It is also molded into flexible tubing to replace metal tubing. It is expected that its field of application will expand rapidly as the demand requires.

Plastic Screens Found Superior To Other Types

If Firestone's new Velon plastic window screen is a fore-runner of other developments that are expected to arise from the exigencies of wartime restriction of the use of critical materials, the postwar world has much to look forward to, according to D. J. Sheppard, manager of the local Firestone store. "For years," Sheppard said, "we had always considered copper screen the best that money could buy, but it is now considered that Velon plastic screens have so many advantages that it is questionable if copper or other metal wire will ever again be regarded as an essential material in the screen manufacturing business."

Probably most outstanding among the long list of features of superiority of Velon over conventional screens is the fact that it does not deteriorate or corrode. Since there is no rusting or oxidation of any kind, there is no possibility of stain running down the house walls and thereby creating the unsightly appearance that usually results from the use of screens made of metal wire. Being translucent, Velon screens admit more light. Dirt may be washed from Velon with a damp cloth or brush to restore original luster. Heat and cold do not affect it. Velon is strong, flexible and highly resistant to impact. Velon is being used in the pro-

SUNDAY STROLLERS REPLACE RIDERS—Many of these Sunday strollers on New York's Fifth Avenue were Sunday motorists until gasoline and rubber shortages arose.

Navy Cook's Recipe For Coffee Cake

LONDON, (AP)—R. K. Rhoads of San Francisco, Calif., a baker at the U. S. naval base, has a new recipe for coffee cake which is a hit here.

Rhoads' recipe is designed for large-scale feeding but he passes it along to American housewives:

Take 10 pounds of sugar, 7 1/2 pounds of lard, five ounces of salt and cream the ingredients. Then add 34 pounds of flour, 1 1/2 pounds of baking powder and two gallons of milk. For the topping, cream 2 1/2 pounds of sugar, 2 1/2 pounds of lard, five ounces of cinnamon and lemon extract to taste. Then add five pounds of flour.

Writes 500 Servicemen
ERIE, Pa. (UP)—Charles Stone, 17, regularly corresponds with upward of 500 service men scattered over the country—and most of them he never met. One grateful soldier wrote Stone, "I'm always anxious to make new friends, and from your very patriotic idea I gather you would be a good friend to have."

Check this list. It will help you decide—

WHAT CAN I DO TO HELP WIN THE WAR?

- I regularly buy War Stamps and Bonds—at least 10% of my income.
- I pay my taxes on time and in full.
- I avoid unnecessary expenditures in order to help prevent inflation.
- I cheerfully observe all rationing regulations and do not hoard.
- I budget my ration points carefully and don't waste food.
- I am planting a Victory garden.
- I work where I can do the most good for the war effort.
- I get to work on time and am never unavoidably absent.
- I do my best to stay healthy.
- I do my best to avoid accidents, especially if I work in a war plant.
- I watch what I say and spread no rumors.
- I conserve tires and gasoline.
- I share my car with others.
- I travel only when absolutely necessary.
- I carry my own bundles when shopping to save manpower, gas and tires.
- I contribute to the Red Cross and all War Relief funds.
- I save and turn in scrap metal, used cooking fats and other needed materials.
- I do Civilian Defense work.
- I work with the Red Cross or other volunteer groups.
- I am a regular blood donor.
- I volunteer for Nurse's Aide work.
- I do community social service work.
- I am prepared to quietly cooperate with the F.B.I. in apprehending suspicious persons.
- I contribute books to the men in the service.
- I write to friends and relatives in the service.
- I observe dimout and blackout regulations to the letter.

This list, of course, is not complete. Every man, woman and child will find many other ways to help. Check this list with your neighbors and find out what they are doing. But get going! Do all you can! And do it now! Consult your local Civilian Defense Council for further information.

Bill never did like big talk

Fourth of July orators made him squirm. Election-day speakers made him mad. He hated big words and fancy talk.

Nobody had to sell the war to Bill. He saw his duty and left a good paying job to go and do it.

If you were to ask Bill today to set down in writing the things he is fighting for, he probably wouldn't talk about great concepts like the Four Freedoms, or free enterprise, or the dignity of man.

He'd say simply: "I am fighting for my home and my wife and the kids I hope we'll have some day. I am fighting for my right to sit in a sunlit picnic grove with my family... my right to criticize, over a coke or a highball, the Brooklyn Dodgers or the men in Washington... the privilege of watching my son

Palestine Arabs Plan Political Body

JERUSALEM (AP)—First steps toward creating a representative body of Palestine Arabs have been taken by a newly formed sponsoring committee at Haifa.

No official political body representing all Arabs of the country has existed since dissolution of the Arab High committee by the Palestine government in October, 1938, during disturbances. Requests for support have been sent by the new committee to the government officials.

A conference of leading Arab personalities from the entire country now is planned by the Haifa leaders.

WAKE UP YOUR LIVER BILE

Without Colic—And You'll Jump Out of Bed in the Morning

The liver should pour 2 pints of bile into your bowels every day. If it is not flowing freely, your food may not digest. It may just decay in the bowels. Thus you bloat up your stomach. You get constipated. You feel sore, sick and the world looks pink.

It takes three good, old Carter's Little Liver Pills to get these 2 pints of bile flowing freely to make you feel "top and up." Get a package today. Take as directed. Effective in making bile flow freely. Ask for Carter's Little Liver Pills, 10¢ and 25¢.

Bill never did like big talk

grow in the image of me and my wife instead of some dictator."

These are a few of the thousands of "little freedoms" that add up to the American way of life—and that essentially is what Bill is fighting for. He'll do his job and we folks back home must get on with our job.

There is much to do and not much time to be wasted talking about it. In the column on the right we are printing a check list to serve as a reminder of the jobs that have to be done by us at home.

We at National Distillers don't like big talk any more than Bill does. We wish to state simply that we, like the rest of the distilling industry, are devoting our entire production facilities 100% to war alcohol—used for munitions, rubber, medicines and many other essential war needs, and are producing no whiskey today.

Give Pedestrian A Sporting Chance By Trimming Trees

In the interest of sportsmanship and conservation, the city has suggested it would be a fine thing if property owners would see that their trees adjacent to sidewalks are trimmed.

A minimum amount of trimming might enable pedestrians to have a sporting chance of getting through—and at the same time conserve clothes that might be torn or worn by crawling through the deep-tangled wildwoods.

In all seriousness, however, the city urged property owners to see that limbs be removed so that pedestrians could use sidewalks without having to dodge boughs.

A powder extracted from the autumn crocus increases the growth of fruits and vegetables to double normal size.
