

773 County Students May Get Polio Vaccine

Seven hundred and seventy-three Eastland County first and second grade children will be eligible to receive the Salk polio vaccine in April if the evaluation report on the vaccine, which is due next month, shows success, Dr. L. C. Brown, county health officer, revealed Tuesday.

Dr. Brown said that the report from the Vaccine Evaluation Center, where records of 1,830,000 school children who participated in the nationwide field trial sponsored by the National Foundation for Infantile Paralysis last year were checked, will show if the vaccinated children escaped paralytic

polio attack. If the tests prove successful, Eastland County's 773 students will be eligible for immediate vaccines. Dr. Brown said hopes are high that the tests will prove successful. He said he was going ahead with plans to vaccinate local students, and would begin immediately if the tests do prove to have helped prevent polio. A meeting will be held Thursday night at 7:30 at the Texas Electric conference room in Eastland of all parents, P-TA members and others interested.

If the report shows the vaccine does work and is licensed by the Federal Government, the vaccine can be applied before school is out. Dr. Brown pointed out that it takes five weeks to complete the test. The first dose is given and then a waiting period of a week is required before the second dose. Four more weeks must go by before the final dose. Hopes are that the vaccine can be given before the polio season begins.

Dr. Brown stressed that "this projected vaccine program will not be another test." In the past the children have been given the real vaccine, and the other half water, in order to test the vaccine. "This will be the real thing if it is given," he said.

The vaccine will be supplied free by the State Health Department. Dr. Brown said, "The vaccine will be furnished by the National Foundation for Infantile Paralysis is the same vaccine that was given 440,000 children last spring. We do not know yet whether it really prevents paralytic polio. Until April, when we will learn the results of the evaluation study now being conducted at the University of Michigan, we cannot know if the vaccine is effective.

Sheriff's Posse Sets Meeting Thursday Night

A meeting of the newly organized Eastland County Sheriff's posse will be held in Eastland Thursday night at 7:30. Sheriff J. B. Williams said the meeting would be held in the County courtroom. He urged everyone interested to attend.

THOUGHT FOR TODAY: "You can do more with five minutes now than you can with a thousand years after you are dead." (The Compass)
Historians say: "Education of masses through the public schools has been the bulwark of liberties of the people and the national freedom of the country." Something to remember, here in Public Schools Week, isn't it? . . . Indeed, we must protect and nurture the public school system, without which it is our firm conviction — Democracy will wither and die. Hats off to our public schools — and those responsible for their success. . . And let's be sure to visit them this week, when we have a special — an urgent invitation to do so.

Barrow, Wilson and Stephens New Staff Of Rotary Club Here

Dr. W. B. Barrow, prominent in affairs of Rotary, was elevated from vice-president to the presidency of Eastland Rotary Club at its Monday noon meeting at the Connellee Hotel. Tom Wilson and Earl Stephens were elected vice-president and secretary, respectively. For Mr. Stephens, it was re-election to a second term. Mr. Wilson, who came to Eastland last year, is a new member of the directorate. The new staff takes office July 1.

Eastland Honors Public Schools Week In Texas

County Support Pledged
Eastlanders return to the classrooms this week. At least a lot of them will. In fact, quite a few have already visited the schools during the first two days of the week, which is Public Schools Week in Texas. Largest group to visit so far was the Lions Club. Members of that organization held their regular noon luncheon meeting in the High School cafeteria today, and after eating a "typical school lunch" visited classrooms in the school.

COUNTY RED CROSS HONOR ROLL GROWS

Eastland County's Red Cross Honor Roll is growing in numbers daily, a spokesman said Tuesday. Mrs. Henry Davenport of Ranger, who served as chairman for the Hospital Gowns program during World War II, turned in the following names recently to Mrs. Kenneth Jameson, secretary of the Red Cross office in Eastland: Mrs. Loretta Crenshaw, Mrs. D. Thompson, Mrs. Fred Wilson, Mrs. Sam Kirkpatrick, Mrs. J. W. McKinney, Mrs. Henry Dreinhofer, Mrs. Lillie Baker, Mrs. E. Ivy, Mrs. Mary Dooley, Mrs. Lela Langley, Mrs. M. Lemley, Mrs. Virginia Rayfield, Mrs. M. McKelvin, Mrs. Howard Elwood, Mrs. Sallie Rogers and Mrs. Leola Martin.

School Board Names Three As Principals

Three principals of Eastland schools were elected Monday night at a regular meeting of the Eastland Independent School Board. Principals elected by the Board, according to M. H. Perry, president, were J. W. Turner, West Ward; Mark Sheffield, Junior High; and Mrs. Bernice Durham, South Ward. Mr. Perry said that the Board did not take any action on naming a new principal for High School. Wendell Siebert has accepted the position of school superintendent and the vacancy caused by his resignation as principal will have to be filled.

County Support Pledged

Full cooperation of the Eastland County Chapter of the National Foundation for Infantile Paralysis was offered today in support of the prospective polio vaccine program now being organized by the Eastland County Health Department. "Chapter volunteers, familiar with the problem of polio, have been alerted to the county-wide organization for this program now in preparation," said Jess W. Cole, chapter chairman. "Our members are prepared and eager to give all possible aid to health, medical and school authorities in explaining the significance of this program to parents and to the community at large and to help in whatever other ways they can, if the vaccinations take place this spring."

Eastland Has Quiet Weekend; Well Behaved

Eastland was on its best behavior over the weekend. Police Chief Ray Laney said his department had a very quiet weekend. In fact, he said, we just handled a couple of drunks. And the Sheriff's Department also was getting a little rest. The county jail, usually at least a part of the way full, had out the vacancy sign. Not a single customer was being fed by the jailer.

Highway Crash Takes Life Of Cisco Man

Jim Horton has a lot of fun and he frequently has it out of some friend. While he was away, Caribbeaning, this writer put out his Rotary Gusher for him. Then, when he came back, he kept us on needles and pins lest we might have to continue the somewhat exacting chore; but we got a chance at that good old sigh of relief when we found out that sure enough he was getting together this week's issue. He does a fine job with it — and it isn't easy. Rotary should be and we're sure is — grateful to him.

New Mercury Dealer Opens In Eastland
Eastland's new Lincoln-Mercury dealership — Wayne Motors — is now open for business. Wayne Hudson is new owner and manager of the Lincoln-Mercury company here. Mr. Hudson said the formal opening of Wayne Motors would be held April 1-2, but added, "We are ready and willing to sell some beautiful 1955 Lincolns and Mercurys right now." Mrs. Hudson formerly was in the automobile business in Yokum. He has had many years of experience in the field. He is married and the father of two boys, Bobby, 7, and Richard, 4. The Hudsons will make their home at 505 Ostrom.

Desdemona Dcg Poisoning Is Hit By Woman

Dog poisoners have Desdemona pet owners highly disturbed. At least that is what a Desdemona woman who phoned the Telegram said Monday. The woman, who asked that her identity not be given, said her pet dog was poisoned last week. "He was in my own front yard when he was poisoned," the woman said. The caller said a lot of other dogs in the Desdemona area had been poisoned, and she asked the newspaper to run a story asking that the poisoning stop.

Eastland FHA Girls Attend Area Meeting

"Profile of the Future Home-maker" was the theme of the Area Four Future Homemakers of America meeting held Saturday in Stephenville. Dr. Otto R. Nielsen, dean of the School of Education at Texas Christian University, told the girls in his talk that what they are to be is now becoming. The devotional, "Builders of Homes," was given by the Abilene chapters. Slides were shown of the regional FHA meeting, which was held in Florida last summer. For entertainment there were piano numbers, songs by a quartet and dancing by the Albany Fandangle. Those attending from Eastland were Nell Urban, chapter president, Laverne Trout, reporter, and Miss Loretta Morris, advisor.

Flavor, Nutrition May Be Added To Lenten Meals With Sour Cream

A suggestion for homemakers who want to change Lenten meal planning from a chore into pleasure: Try cooking with sour cream. Many Texas cooks are 'discovering' this versatile dairy product through Yorkshire Dressing, a

scientifically-soured cream introduced recently by Oak Farms Dairies.

"And there is no better time to discover sour cream than during Lent," says Mrs. Dorothy Cox, home economist for Oak Farms. Sour cream has special appeal at this season because it provides a quick, easy way to vary the flavor of meatless dishes, Mrs. Cox points out.

"And it adds extra nutrition without adding extra pounds," the home economist says. "Sour cream is rich in Vitamin A, yet it contains only a third as many calories as an oil dressing."

Delicious as a topping for a hearty fruit or vegetable salad.

sour cream also adds gourmet appeal to fish and cooked vegetables. The flavor of sour cream blends naturally with any type of seafood, but Mrs. Cox recommends it especially as a sauce for baked fish.

"Season the fish with salt and pepper, then pour sour cream into the baking dish just before it is placed in the oven," she suggests.

In the vegetable category, Mrs. Cox recommends zucchini squash stuffed with sour cream and mushrooms, and cabbage seasoned with sour cream.

A book containing recipes for these dishes, and more than 40 others using sour cream, may be obtained by writing to Oak Farm Dairies, 1114 North Lancaster, Dallas, Texas.

LEMON BARBECUED BEEF LOAVES

Individual meat loaves are always appealing and when the little loaves are baked in a tangy lemon barbecue sauce, they're unusually delicious. Lemon slices, baked on top, lend a nice touch of

color. The loaves are served with Brussel sprouts which have been tossed with browned butter and sprinkled with almonds.

Lemon Barbecued Beef Loaves
Meat Loaf Mixture
1 1-2 pounds ground beef
1-4 cup lemon juice
1-2 cup water
1 egg, slightly beaten
4 slices stale bread, finely diced
1-4 cup finely chopped onion
2 teaspoons seasoning salt
Topping
1-2 cup catsup
1-3 cup brown sugar
1 teaspoon dry mustard
1-4 teaspoon ground cloves
1-4 teaspoon ground allspice
6 thin slices lemon

Combine all ingredients for meat loaves. Mix well and shape into 6 individual loaves in a greased oblong baking pan. Combine ingredients for the topping, with the exception of the lemon slices. Bake loaves at 35 degrees F. for 15 minutes, then cover with topping and place a lemon slice on each loaf. Continue baking for 30 minutes, basting occasionally with sauce around loaves. Serve with sauce spooned over loaves. 6 servings.

Taxes and More Taxes

Most of us, some time or another, ache about taxes, but, even so, actually it is true that few of us know how big the tax bite really is.

Consider the matter of food, for instance—and most of us, about three times a day, are quite interested in that item.

A bit of study shows that the prices we pay for the food we eat are greatly affected by taxes. It is said that about \$1 out of every \$5 a housewife spends on food goes for taxes of one kind or another.

To analyze it further, Americans nowadays are spending more for taxes than for food, although as late as 1939 it was just the other-way-around.

Last year, the tax bill rose to around \$85 billion. What was the food bill? It was \$64 billion. In '39, taxes gobbled up only \$12 1/2 billion—which was 3 1/2 billions under the amount expended on food.

Since it's easy to get taxes up, and hard—if not impossible—to get them down, the majority of people will be hoping for courageous resistance to all unnecessary future taxes and application of the pruning shears to those existing which rightly may be questioned.

Story Hour Under Auspices of Thursday Club At Woman's Club

With Mrs. M. A. Treadwell telling the stories, the Children's Story Hour was held at 10 a.m. Saturday at the Woman's Club. The Story Hour is a project sponsored by the Thursday Afternoon Club.

Mrs. Treadwell told the children the stories "The Gradious Gophers" and "The Calico Cuckoo." Also she showed three movies, as follows: "Little Black Sambo," "Rustlers Valley" and "Spoked Hams!"

Children present were Marjolan and Cherylann Stencheomb, Marsha and Terry Treadwell, Ray Edwards, Tom Thornich, Dewain Webb, Gary Upchurch, Lila Middleton, Sharon Sayre, Kelly Elliott, Dick Venable, Beth Venable, Frankie Sayre, Janet Kinsler, Jimmy Erast, Dick Whittington, Norma Rhodes, Juan Gage, Gail Gage, Cheryl Brown, Steve Perdue, Shannon Wilson, Deanna Fry, Rhonda Gaines, George Kimbler, Sally and Mary George Perkins and Linda Sue Lewis.

Peggy Stone and George Anson of TWC Presented In Recital Here

Miss Peggy H. Stone, head of the violin department, Texas Wesleyan College, Fort Worth, and George Anson, head of the piano department, there, were presented in Sonata Recital Sunday afternoon at First Methodist Church by the TWC Division of Fine Arts and the Eastland Music Study Club.

Mrs. W. E. Braisher and Miss Marjorie Van Hoose greeted the guests at the door and passed out the programs. The church was decorated with pot plants of cyclamen, large waxy leaf begonias in full bloom and anthurus.

Mrs. A. F. Taylor, president of the Music Study Club welcomed the members and guests and introduced the Rev. H. E. Puddin, who offered prayer. Mrs. Taylor then presented Mrs. Joseph M. Perkins who introduced the Mrs. artists.

Mr. Anson's coordination at the piano with Miss Stone's violin was remarkable and in all their numbers were especially fine; the quality, disciplined skill and beauty of their numbers were pleasing. About 100 members and guests attended the recital.

Niece Of The J. F. Sparks Yucca Queen

Joyce Nell Bishop of Sweetwater, niece of Mrs. J. Frank Sparks of Eastland, was crowned Yucca Gloriosa queen for 1955 in coronation ceremonies at the Sweetwater High School gymnasium.

Miss Bishop is the daughter of County Commissioner and Mrs. Raymond Bishop and is a 17-year-old junior student at Newman High School, Sweetwater. She was chosen by popular vote of the student council, a student representative for the school club and the Yucca Gloriosa queen.

The coronation was sponsored each year by the staff of the Yucca Gloriosa, high school yearbook.

Miss Bishop frequently visits in the home of Mr. and Mrs. Sparks here and has accepted an invitation to appear here May 11 on the Civic League and Garden Club's program as piano soloist. Her picture appeared with her escort, David Roberts, in the Sweetwater Reporter, in a scene from the coronation. She was wearing a white nylon net gown whose full skirt was decked with multiple ruffles, a red velvet train and a crown of rhinestones.

Auxiliary Entertains Honoring The Rev. and Mrs. E. H. Surface

Honoring their new minister and his wife, the Rev. and Mrs. Eugene H. Surface, members of the Presbyterian Auxiliary entertained with a reception Sunday afternoon.

Mr. and Mrs. Tom Wilson's home, 709 S. Halbyran, was the setting for the delightful hospitality which was attended by about 80 members and friends of the church.

Pink azaleas graced the living room where Mr. and Mrs. Wilson greeted the guests and presented the Rev. Mr. and Mrs. Surface, and where the guests registered. Refreshments were served from the table in the dining room. It was laid with a white cutwork cloth and bore an artistic centerpiece of pink carnations and Scotch heather, lighted by pink tapers in silver holders.

Mrs. R. A. Cooper, president of the Auxiliary, presided at the silver coffee and tea service, assisted in serving by Mrs. LeRoy Arnold, C. M. Oakley, L. W. Hart and E. C. Johnston. Silver trays held decorated cookies and silver compotes were filled with mixed nuts and pink and white mints.

Among the out-of-town guests were Mrs. B. S. Huey, Mrs. Ann Watson, Mr. and Mrs. J. P. McCracken, Mr. and Mrs. George Fee and the Rev. H. Grady James, all of Cleo, and the Rev. and Mrs. M. P. Elder of Strawn.

Army's Tents Go Modern; Sporting Picture Windows

WASHINGTON — Picture windows are standard equipment on new field tents just developed by the Army.

The familiar olive drab squad tent, whose dark, dreary interior was home sweet home to soldiers of World War II and Korea, soon will give way to a new big top which has at least one of the features of a modern, well-lighted home.

Lack of adequate light in field tents long has been a gripe of soldiers in the field. Electricity often is unavailable. When it is, it rarely is accompanied by adequate outlets. Battery-powered lights, lanterns and gas lights never are entirely satisfactory.

Rolling up side flaps in order to admit daylight often brings howling winds that play havoc with papers, clothing and tempers of soldiers who would like to relax in comfort. Worse, it often brings a veritable invasion of pesky insects.

But now the Quartermaster Corps, at long last, has solved the problem of getting daylight into tents while keeping out the winds and bugs. It has come up with huge, vinyl-film windows which will roll and unroll as easily as canvass — and every squad tent built in the future will have them. They'll be equipped with easy-to-operate fasteners so they can be blacked out at night when the occasion calls for it.

But not only do the new canopies have picture windows — they also have screen sidewalls which provide an effective barrier to hungry mosquitoes and other insects.

The new, fire-resistant tent, like the one it will displace, is 16 by 32 feet and comfortably sleeps 16 men in summer. In winter, when two stoves are necessary, 12 men are accommodated.

Quartermaster planners designed the new tent not only to provide more comfort for soldiers in the field but also to reduce the number of different kinds of tents now in use by the Army. The new tents will be used not only as quarters but also for mess halls, command posts, offices, etc. As old style tents are worn out, the new tents will replace them.

Oddly enough, the new tent, complete with poles and other accessories, is cheaper than the squad tent now in use — \$404.35 for the new one compared to \$447.66 for the old one.

The QM planners now may put themselves on the back for a job well done and relax. The new squad tent truly is one of which Omar would have been proud.

Years to Build. Seconds to Destroy—
 ... is a tragic reminder to those who are unfortunate in losing their worldly possessions without adequate insurance protection. Years of effort, savings and accomplishment ... wiped out in a single catastrophe. It may be only an explosion, a fire, a tornado, or something worse if we can imagine such a thing. It can happen anywhere, any time, to any one, without warning. Insurance is the only answer. So why be unprepared when the cost is so reasonable?

Public Invited To Attend 4-H Meets and Exhibits In Eastland Ranger, Cisco and Rising Star

America's 2,958,144 4-H Club members are a hard working group, said Julia LaFaye Mason, local 4-H club leader. They carry out practical demonstrations in the home and on the farm involving every phase of homemaking and agriculture; they are proud of their achievements and each spring during National 4-H Club Week give the citizens of the country an opportunity to see and hear them in action, Miss Mason added.

Their demonstrations and activities are conducted under the guidance of the Agricultural Extension Service in cooperation with the USDA and state land-grant colleges.

Locally, the Assistant Home Demonstration Agent and the Assistant County Agent are in charge of 4-H Club work. Volunteer adults and older members, trained by the local agents, serve as 4-H leaders. Friends of 4-H also play an important role in the program by providing awards and incentives for even greater achievements.

Because 4-H Club work is firmly grounded on worthy principles and is practical, it appeals to young people and gets the backing of adults.

The public is invited by 4-H

groups to attend local meetings and to see the 4-H exhibits in Eastland, Cisco, Ranger and Rising Star. "The welcome sign is out," emphasized Miss Mason.

Mrs. Tanner Bridge Winner Dallas Tourney

Mrs. H. J. Tanner participated in the Texas Winter Championship Tournament of the American Contract Bridge League held at the Hotel Adolphus, Dallas, Thursday, Friday, Saturday and Sunday.

There were 66 tables of contestants. Among the notable national players were Oswald Jacoby and John Gerber.

In the mixed pair event, Mrs. Tanner and her partner, C. B. Fowler of Dallas, were winners. Mrs. Tanner thereby won her red point and Junior Master in the Bridge League of America.

Accompanying Mrs. Tanner were her son-in-law and daughter, Dr. and Mrs. R. L. Spencer, and Mrs. Steve Lawrence, all of Midland. Mrs. Spencer is a director of the American Contract Duplicate Bridge League at Midland and she and her husband both participated in the tournament in Dallas. Their children, Craig and Karla, visited here with Mr. Tanner, their grandfather, while their parents and grandmother were in Dallas. Mrs. Tanner said they enjoyed gallerying Jacoby in some of the games.

Dr. and Mrs. Spencer will go to El Paso May 30 to play in the district tournament and then the regional tournament is slated in June at Midland.

1. You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars or stripped economy models of higher-priced makes!

2. Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8!

Biggest car at its price (122" and 124" wheelbases) • Most powerful car at its price (180 horsepower) • Only car at any price with distinctive Vogue Two-Tone Styling and the riding and driving ease of the torsion-free, Shock-proof Chassis.

The most enthusiastic Pontiac owners are those who have taken this advice. They've looked the field over from top to bottom—and here's what they learned:

Pontiac is way up there with costly cars in wheelbase, roominess and riding ease. It's big and comfortable, yet handles with expensive sports car nimbleness. The exciting

dash and compelling drive of the Strato-Streak V-8 produce the richest thrills in motoring. And Pontiac is America's most distinctive car in styling as in action.

Come in for the facts about this "all-time" value leader and our generous appraisal of your present car! Find out how little it takes to switch to modern motoring.

and you'll go Pontiac!

HOTTEST BUICK IN HISTORY
No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total sales.

Did you think you couldn't afford the price of a new 1955 Buick?

You certainly can—if you can afford any new car. And we'll proudly show our price tag to prove it.

For the delivered price of the Buick SPECIAL Sedan shown here is sharply competitive with those of the three best-known smaller cars—lower, in fact, than some models of those same cars.

Buick Sales Are Soaring

That's one big reason why Buick production and Buick sales are hitting all-time record highs today—and why Buick is outselling all other cars in America except two of the best-known smaller cars.

But an even bigger reason is this fact:

The price you pay for a Buick buys you a lot more automobile than the same money buys elsewhere.

It buys you big-car room and size and comfort and brawn. It buys you Buick styling,

Buick power, Buick handling, Buick ride steadiness—and the fun and pride and satisfaction of bossing the hottest car of the year.

And it buys you the widest choice in the industry today. For there's a Buick to fit any price range you name—the low-price SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

So why not come in and see how easy it is to swing the Buick beauty you've got your heart set on? Then you'll see why the thrill of the year is Buick in a lot more ways than one.

DID YOU KNOW—

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three best-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

Cheaney Chatter

Mrs. Bill Tucker

Who said that life in the rural community gets humdrum? Last week a freak display of flashes of light and noise was witnessed and heard by several of our trustworthy citizens. No solution has been offered.

Saturday's stranger in our midst caused even more excitement this week. About six o'clock Saturday morning a stranger in a late model car drove in and parked in the Elmer Blackwell driveway, saying he had missed the Dallas highway, and asked if the Blackwells had a phone. Elmer began to give directions how to get back on to his designated route, when he noticed the stranger was not paying too much attention. Suddenly noticing the dog standing near, the stranger inquired what kind of dog it was, and otherwise paying no attention to road directions.

By this time Mr. Blackwell was fully aware of something not quite right and was thoroughly glad when he left. All the time Mrs. Blackwell was soundly asleep.

When he left he went exactly opposite the way he should have gone.

At 6:15 he stopped at the Jack Revel home and tried to force his way in.

The Revels remembered the only weapon on the place, their gun, was out in the pick-up, with the stranger outside between them and the gun. After seeing he could not gain entrance, saying he was only trying to find an old outbuilding where he could get a few hours sleep, the stranger turned his car around and left.

Next stop was at Johnny Waltons, where he drove past, then backed into the drive-way, waking the Waltons. He stated he was looking for a place where he could leave his wife and 3 children a few days. He asked Walton if he knew the people in the next house, stating "I guess I'm in for it now. I've been running for 3 days." At this moment the Revels passed and the stranger started to hail them.

By the time the stranger turned back for his car, Walton had the trusted shotgun in evidence, but the stranger calmly thanked Walton and drove away.

Revels and the next neighbor went for the officers, but he had vanished, and no trace could be found. Later he was heard to have been at the Dee Rogers' home where he made an effort to 'swap' his automobile for the Rogers car.

Everybody locked their doors and took the car keys out of the cars and wondered what would happen if the stranger should appear again.

Officers were on the trail most of the day, but were not able to locate him.

This happened on Saturday, and is not our imagination at work.

Mr. and Mrs. G. Y. Gillispie, of Goodlett, Texas, visited his parents, Mr. and Mrs. Joe Butler the last of the week. Their son Gladwyn Jr. who is a member of the Goodlett F.F.A. chapter, and one of the grass judging team, tells us of winning at recent contests in San Antonio and in Fort Worth.

Mrs. Flora Perrin and daughter,

Patsy, of Ranger visited Friday in the home of Mr. and Mrs. Jack Revel.

Mr. Earl Sticker, Virginia and Fred of Caddo were Cheaney church visitors on Sunday morning. Mrs. Sticker was in West Texas visiting with their daughters Mrs. Ethel Moore and Jim and children. The Moore's have a new daughter, but grandfather Earl could not remember the name of the little miss.

Mr. and Mrs. John Love and Loresta, and Mrs. Ann Love and Mrs. Lillie Wallace were in Stephenville Sunday visiting with the Melva Love family.

Loresta had spent the week-end with her cousin, Joy Love.

Mr. and Mrs. Morris Underwood, Betty and Fern of Grand Prairie were visiting in Breckenridge, Saturday night with her mother, Mrs. Joe King, and here in the parental Will Underwood home Sunday.

Burl Shook, son of Mrs. Milton Underwood, was a patient from Tuesday until Friday in the West Texas Clinic at Ranger. He had a virus infection.

Mrs. Wanda Frasier and daughter from Grayford attended church here and visited her aunts Mrs. Hatley Dean and Mrs. Ben Freeman.

Visiting Mrs. Ruby Blackwell Sunday afternoon was a cousin whom she had never seen, Mrs. Alie Pierce, from San Diego, Cal. Mrs. Pierce was visiting in Cisco with a niece, Mrs. Mina Weed and children, who also visited in the Blackwell home.

Mrs. J. P. Strickler is in Fort Worth for an indefinite stay with her son, Oscar Strickler and family.

Mr. and Mrs. Jack Blackwell and children of Ranger spent Sunday afternoon with her parents, Mr. and Mrs. Herman Neger, at Alameda, following church at Cheaney.

An Electric Dryer is Always

Gentle

Your clothes stay pretty longer when they are dried in an automatic electric clothes dryer. Tests show that brilliant sunshine and whipping winds fade and weaken fabrics... while warm, gentle electric drying preserves the color and life of your fabrics.
