

Mavs Eye District 10-A Meet At Abilene Friday

Eastland's track and field team looked toward the district meet to be held Thursday at the Abilene Christian College track this week after finishing fourth in the Leuders meet Saturday.

The Mavs, defending champions of District 10-A, were outpointed by Albany, another 10-A team, at Leuders and it looks like the district race will be closer than earlier anticipated. Saul Pullman missed the Leuders trip, however, and he may have been able to have bested the 10.5 100 yard dash time recorded there against a strong wind, at any rate the showdown between Pullman and Jerry Atwell, Albany's sprinter, is due to come up Thursday, weather and sickness here permitting.

The Mavericks were favored to

win the district meet, but since Albany outscored them at Leuders the favorite's role may be switched. The Lions got only one point more than the Mavs did, however, and a lot of Eastland's second and third places at Leuders could easily turn into first at the district meet.

At Leuders, the Mavs didn't seem to like the strong winds. Although their 15 points couldn't be considered a bad performance, it was somewhat below what had been expected. Albany's fine showing at Leuders indicates that the Sheltonmen will have to take care of the Lions at Abilene if they want to repeat as 10-A champions. Clyde made good showings in the field events, but they are not expected to field a complete team.

The Mavs top performance of the day Saturday was made by Bill Upchurch, who pole vaulted 10 feet, seven inches to tie for first in that division.

Clyde Young picked up a second place in the high jump with a leap of five feet, 10 inches. He was edged out by Robert McLeon of Merkel who jumped five feet, 11 inches. Young also finished third in the high hurdles.

Dicky Corbell got a third place in the 220 yard dash and Charles Dry was fourth. Leon Donham of Roby edged Norman Owens in the mile run with a time of 5:34.5. Owens' second was the first time he has failed to win this year, and he has run a faster mile than five minutes on a number of occasions. Hensleigh won the Brazos Val-

ley meet with 25 points. Hobbs and Albany tied for second and third places with 16 points each and Eastland and Roby were tied for fourth and fifth place with 15 points. Merkel had 14 points to finish sixth, Rochester had 13, Hawley 11, Aspermont 6, Goree 6, Clyde 5, Jayton 4, Archer City 4, Guthrie 3, Scranton 1 and Leuders 1.

Albany got their 16 points in the following way: Jerry Atwell won third in 100-yard dash and first in 220-yard dash. Ralph Boling won the 880-yard run and was fourth in the discus throw. The 440-yard relay team finished third.

Clyde got five points on Bill Patton's third place finish in the discus throw and his third in the

MAVERICK THING' ADS—Here are members of the Maverick track team who will try to repeat as District 10-A champions at Abilene Thursday. First row, from left to right, are P. A. Cox, Paul Fuentez, Billy Upchurch, Clyde Young, Jimmy Jeminez, Charles Dry, Norman Owen and Billy Don Turner. Second row, Victor Latham, Marvin Ag-

new, Henry Van Geem, Denny Pugh, Wayne Dodson, Chas. Martin, Mike Manning, Sam Houston and Elston Williams. Back row, David Whitton Freddy Taylor, Bobby Phillips, Gary Lusk, Dickie Corbell, Saul Pullman, Dale Slatton, Benny Dukes and Coach Carol Shelton. (Capps Photo).

EASTLAND, TEXAS, TUESDAY, MARCH 26, 1957

No. 140

Moore... ABOUT Eastland

By VIRGIL E. MOORE

As a refugee from the Texas Panhandle, we feel it our duty to that area of our fine state to put the record straight on all this talk we have heard in the past four days about a bad blizzard out that way.

It is, unquestionable, a bald-faced lie. We are certain, beyond any doubt, without reservation, of our own hearsay knowledge, that it just couldn't be as bad as all that out that way.

Having spent a year in the fine city of Hereford and having listened to folks out that way condemn those papers in South Texas for felling bad things about the weather in the Panhandle, we don't want anyone to think we believe they are really having a bad blizzard out that way.

The big city papers are saying that in Vega, a town of some 800 fine Panhandlers 31 miles north of Hereford, 400 folks from 24 states were stranded. We must go along with the folks out in the Panhandle. That probably isn't the truth. We feel certain that there were not more than 399 persons stranded and we doubt seriously if more than 23 states were represented in the spontaneous meeting held there.

And they talk about milk, bread and cigarettes (the three necessities of life) being low out that way. Now that's not good publicity for the top half of this state. Why probably there's enough of everything if folks just take it easy. During that 28 inch snow we had while we were in Hereford the papers put out the same such trash. And it wasn't but a week before we got a piece of bread and a half glass of milk.

Why folks, it's Spring out there. You don't believe all that stuff about the trains being unable to run and all the highways being snowbound, do you? Just because no one from the other side of Lubbock has been heard from in the last week or so doesn't mean they are snowbound. Maybe the folks are just resting up.

Just because the papers are quoting all those Yankees from up north who were supposedly trapped in Vega, don't mean much. We read where some guy from New York said it was the worse blizzard in the first place, and secondly a New Yorker wouldn't know much about snow anyhow, since they never get over three or four feet at a time.

Truthfully, we will vouch for the fact that the Panhandle has not had a blizzard. Maybe a blue norther, but no blizzard.

CHURCH NEWS

Church reporters are again reminded that 10 a. m. Friday is the absolute deadline for all regular news.

Fair and warmer through Wednesday. Low Tuesday night in the 40s. High Wednesday near 70.

Clean-Up Drive In Final Week

Eastland's Clean-Up, Fix-Up, Paint-Up Campaign entered its final week Monday and a cold spell wasn't aiding things much.

Individuals and businessmen were not letting low mercury readings keep them completely off their clean-up tasks, however. Emphasis will be placed on cleaning up vacant buildings and vacant lots throughout the city for the remainder of the week.

Mrs. A. L. Murrell, general chairman, urged citizens to keep up the good work they began last week.

"Keeping our community clean is an important duty, conducive to your health, happiness and comfort," she declared. "Since we in of the work. Then the rewards of individually in this community stand to benefit greatly from this activity, we all should do our share."

Ralph C. Reynolds Services At 3:30 At First Baptist

Funeral services for Ralph C. Reynolds, 64, were held today at the First Baptist Church in Ranger with the Rev. Ralph Perkins, pastor, officiating. Burial was in Evergreen Cemetery under direction of Killingsworth Funeral Home.

Mr. Reynolds died suddenly and unexpectedly at his home in Ranger with a heart attack about noon Monday.

Mr. Reynolds was born at Sisterville, W. Va., April 12, 1892, and (Continued on Page 3)

health, happiness and comfort will result."

City workers will begin picking up trash next week. They will make special hauls all week long, asking only that citizens cut up trees and break up cement and rocks so that they can be more easily handled.

Special emphasis is being placed on this year's drive since the first annual all-exes homecoming is to be held this year at Eastland High School. The Civic League and Garden Club is sponsor of the annual event and they hope to make the city so attractive that some of the exes returning here will decide they want to move back home.

Plans Complete For Stock Show Parade

Completed plans for the Eastland County Sheriff's Posse parade were announced today following a meeting held last night in Eastland.

The parade, which will kick off the annual Eastland County Livestock Show, will begin at 2 p. m. sharp. The parade will form on South Lamar near the depot. It will go south on Lamar to Valley Street, turn east on Valley and go to Seaman and then north on Seaman to the show grounds.

This is the third annual parade

PAGE ONE MUST

Quarterback Club Minstrel practice got underway here last night. Another practice session is set tonight, and others will be held Thursday and Friday nights. The same schedule will also be used next week.

The mercury dropped to 27 degrees last night and frost may have killed fruit out here again. Gardeners reported early crops lost in the freeze, and the fear is that most fruit also suffered heavily.

Applications for rural carrier for the Eastland post office can be secured until April 9. Applicants must reside within the delivery of the local office.

sponsored by the Posse. As in the past two years a giant trophy will be presented to the best exhibit in the parade. Bank presidents from Eastland, Ranger, Cisco, Gorman and Rising Star will serve as judges from a judges stand to be erected on the square in Eastland.

A special feature is also planned immediately following the parade. The Sheriff's Posse Palometa Polo team will play another polo team in an exhibition game at the show grounds. Palometa Polo is played on horseback. (Continued on Page 3)

Flu Closes Schools For Four Days Here

Almost 200 Absent Monday In Eastland

Influenza, fast nearing the epidemic stage in Eastland, has closed local schools.

Four Eastland schools did not open their doors this morning after 175 students failed to attend classes Monday. Supt. Wendell Siebert, himself sick, announced Monday afternoon that classes would not be held for the remainder of the week at High School, Junior High, South Ward and West Ward Schools.

Hardest hit was High School, where 68 students were absent Monday. Fifty didn't show up for classes at Junior High, 34 were absent at West Ward and 25 South Ward students were ill.

"We regret very much that we have to close schools at this time," Siebert said, "but after talking with several doctors we feel that it is the only answer."

Doctors say it takes from three to five days for the disease to run its course, and then it leaves the individual weak.

The disease started spreading here last week and reached an

alarming peak over the weekend. Gorman schools had been closed about two weeks ago when the disease struck there. Ranger reported some 60 cases in schools Monday and the possibility that more county schools may close is strong. In Eastland just one school is open today. Douglas School, which includes students from Ranger as well as Eastland, reported few cases and will remain open.

A local doctor described the sickness as "old-time flu." He said it is "not serious" but he admitted, "we have some mighty sick kids." High fever, aches, cough and upset stomach are the usual symptoms.

Mobile X-Ray Unit Is Due Here Friday

The goal of the county-wide chest x-ray program which opens here at Texas Electric Service Co. Friday and Saturday is the x-raying of every resident 15 years of age and over, short and tall, thin and fat, puny and powerful—yes, even you who say "I never had a sick day in my life."

Why x-ray the apparently healthy? Did you know that people can look and feel well and still have tuberculosis? Did you know that TB may have no outward symptoms in its early stage? By the time the symptoms which we all recognize appear—loss of weight, coughing, spitting blood—chances are the disease is in an advanced stage, difficult to cure. Did you know that any active case of TB can spread germs?

Whatever the outcome of a person's chest X-ray, he has nothing to lose—everything to gain. If his X-ray is clear, he will know his lungs are healthy. If tuberculosis is discovered, he knows he can take steps toward checking the disease before his illness becomes more serious. X-ray program officials report that the majority of cases found during such a project are in an early stage. And the earlier tuberculosis is found, the easier it is to cure and the quicker the patient can return to a normal, useful life.

The X-ray is free, and no disrobing is necessary. It only takes a few moments of time. Don't be one of the "apparently healthy," Mrs. Tom Wilson, county chairman urged. "Find out for sure."

Diagnosis of tuberculosis is never made on the basis of the first miniature films taken at the mobile X-ray units, she said.

"The small films used for a mass X-raying project of this kind represent a great saving in time and money. Their purpose is to 'screen out' cases that might show suspicion of tuberculosis," Dr. E. R. Townsend explained.

"When a person's miniature film is negative, that means he is (Continued on Page 2)

Dig These... Rotarians

Eastland Lions won't believe this, but it was rock and roll time Monday when Rotarians met at the White Elephant restaurant.

Rotary Club members themselves weren't doing much rocking, but a group of musicians called the Clefs from Ranger Junior College made up for their lack of jive by rolling out "Party Doll, 'Young Love' and 'Marianne.' Tommy Stark, Bubba Canuteson, Brent Waldrop, Gene Ashcraft and Dan Mitchell compose the group, and Al Lotspich, RJC music director, made the introduction.

Responsible for the new look in the Rocking Chair Club programs was Hugh Neel, program chairman for the day.

Newman Pounds Of Gorman Is Buried Friday

Newman J. Pounds, 89, a Texan for 75 years, died at his home in Gorman Thursday. Funeral services were held in the First Baptist Church in Gorman with Rev. J. L. Roden of Denton, former pastor of the church officiating assisted by Rev. M. A. Pennington, pastor.

Mr. Pounds was born September 18, 1868 in Heflin, Alabama and came to Texas with an uncle at the age of 18 years. He was married to Miss Annie Skaggs October 14, 1894 and to this union were born five children.

Survivors include his wife; one son, Fred Pounds of McCamey; four daughters, Mrs. A. V. Littlefield of Gorman; Mrs. J. M. Greenwood of Cross Plains, Mrs. Pat Fisher of Abilene and Mrs. Stanley Webb of Cisco and several grandchildren.

Burial was in the DeLeon Cemetery.

Rodney Stephen Completes 34 Weeks Training

QUANTICO, Va. — Marine second lieutenant Rodney D. Stephen, son of Mr. and Mrs. Joe C. Stephen of 101 Lena Street, Eastland, completed the 34-week officers basic course March 16 at the Marine Corps Schools, Quantico, Va.

The course included indoor classes in personnel administration, first aid, map reading, weapons, field sanitation and leadership techniques.

In the field, practical map reading, live firing of weapons, drills and ceremonies, use of communications and employment of supporting weapons were applied.

The basic course is compulsory for all newly commissioned Marine officers, including former enlisted men, Naval Academy graduates and graduates of colleges and universities.

Sister of Three Countians Dies

Mrs. Randy Wionia, sister of three Eastland Countians, was buried Sunday in Saint George, Utah.

Mrs. Wionia died Saturday. Survivors include two brothers, Will Finley of Eastland and George Finley of Route 1, and a sister, Mrs. Doshi, Ranger.

VISIT FROM CUMBY

Mr. and Mrs. Herman Cumby and their granddaughter, Vicki Lynn Smith of Fort Worth, visited their son and daughter-in-law, Mr. and Mrs. James Smith and family over the weekend.

Giant Homecoming Plans Are Near Completion After Meet

The Third Planning session of the Eastland High School Homecoming was held Sunday at 2 p. m. in the cafeteria of the high school. Homecoming chairman Terrell Coleman presided over the meeting, which heard reports from committee chairman appointed at the first or second meetings held six and nine months ago.

This meeting actually puts the finishing touches on planning for the homecoming, which, Coleman said, would be "the biggest homecoming in Texas in 1957." Some observers think it will probably be the biggest high-school homecoming held in the country in '57, being surpassed only by some of the major colleges' annual homecomings. These large colleges, however, have been having homecoming for their ex-students for years. With the exception of one class, Eastland High School has never had a homecoming.

Jim Golden, chairman of the committee to provide for feeding the visitors, reported he had arranged a catering service to provide a barbecue dinner, with all the trimmings. This service has been obtained at a cost of only

Remember the dates, June 8-9. That's when Texas' biggest Homecoming of 1957 will be held in Eastland.

\$1 a person and the caterer will provide all food as well as serve it.

Registration of former students will begin Monday, June 3, for residents and will continue right up to homecoming time June 7th. Olivia White Carothers said the registration committee would like to get all the Eastland people registered before the regular registration date in order to have had much of the work done before the logjam that is sure to result from the surge of humanity coming to the homecoming begins to register. She said she would be at the Connellee Hotel to look after registration each afternoon after 2 p. m. during registration week.

The collection of old photographs to be shown during the homecoming is fast growing. Mrs. Bruce Butler is looking after this part of the homecoming and she said anyone that had old photos to be displayed should send them to her any time prior to the reunion. She said if they will enclose a stamped, self-addressed envelope they will be assured of getting their pictures back after the reunion. Also be sure to put the owner's name on the back of the photo, and accompany it with any identifying remarks that will be necessary to properly identify the pictures and

subjects and any other pertinent information about the picture.

The homecoming will tee off with a golf tournament starting Friday at Lakeside Country Club. "Eastland has had some pretty fair golfers in its day and this tournament should be a real test of golfing skill," Coleman said.

Saturday, June 8, will be climaxed with the barbecue at the Eastland City Park. There will be a program of talent taken from old high school students also Saturday as well as a get-together of old classes by classes of groups of classes.

Class agents were urged to make reservations for their class meeting as early as possible. School Superintendent Wendell Siebert announced that any class wishing to use a room in either the high school or in the junior high school for meeting purposes could do so, as long as the room wasn't already reserved for that purpose. He will assign rooms on a first-come, first-served basis.

All age groups of former student's children will have something to do to keep them from getting homesick while the old folks chew the fat and talk about old times.

Homecoming-

(Continued from Page One)
The group voted to hold a final planning meeting May 19. At that time the final plans on housing will be worked out. The Concession hotel is already fuller than a miser's purse. Every hotel, motel and rooming house in town, as well as Casa del Ranger, will have to be commended to take care of those coming to this homecoming.

Coleman said they were coming from all parts of the creek. "Already we know of people coming from Thailand, and as far away as 250 miles south of the North Pole. If J. L. Reed can make it from the tip end of South America we'll have them here from pole to pole," he pointed out.

Class agents were urged to be sure to get in the names of all class members of their class to Terrell Coleman, 4105 Grim Street, Waco, if they haven't already done so.

Coleman has some literature on

the plans of the homecoming that he plans to send to all before the date of the reunion. "We would like to have the address of every graduate of Eastland High School, if we can," he said Sunday. "We want them all to know of this reunion."

Delegations of ex-students from Fort Worth, Dallas, Abilene, Waco, and the Eastland representatives almost filled the high school cafeteria at the Sunday meeting.

The meeting generated such a fine spirit of enthusiasm and well being concerning the forth coming homecoming that Terrell Coleman almost let his reason run away with him. He was heard to tell Harry Wood, "Harry, I think I'll cancel my order for a toupee and buy a bottle of hair tonic."

Louelle Lewis and Weslie Goheen Are Wed Saturday In Cisco Rites

The Fourth Street Church of Christ in Cisco was the scene of the wedding uniting Louelle Lewis and Weslie Goheen of Anton Saturday evening in a double ring ceremony. Jack Hutton of Abilene, minister of the church, officiated. Baskets of white gladioli and palm decorated the altar.

The bride is the daughter of Mr. and Mrs. H. S. (Hub) Lewis of Eastland and Mr. and Mrs. Ernest Goheen of Anton are the parents of the bridegroom.

Given in marriage by her father, the bride wore a ballerina length gown of nylon lace over satin. The fitted sleeves ended in a point over the hands. Her waist length gown of nylon lace over earrings, a gift from the bridegroom, was her only jewelry.

Miss Jane Clark was maid of honor and Merwin Nathan served as best man. Rendering musical selections before the ceremony was a trio composed of June Stewart of DeLeon, cousin of the bride, Judy Lewis, sister of the bride and Hazel Adams who sang "Always." They were accompanied on the organ by Linda Hallenbeck who also played the Wedding March.

For her daughters wedding, Mrs.

Lewis chose a light blue wool suit. Mrs. Goheen wore a navy dress and each wore a white carnation corsage.

Following a trip to various points in Texas, the couple will be at home at 1714 North 5th Street in Waco.

A graduate of Eastland High School, Mrs. Goheen was employed at the Kinnaird Insurance Agency before her marriage. Goheen attended Anton Public Schools and Texas Tech before entering the Air Force. He is now stationed in Waco.

Attending the wedding from out of town were Mr. and Mrs. Ernest Goheen, Janelle and Jerry of Anton; Mr. and Mrs. Clarence Goheen and son of Dallas; Owen Goheen of Pecos; Mr. and Mrs. E. C. Tabor and children of Waco; Mr. and Mrs. Clarence Lewis, Mr. and Mrs. C. L. Pennington and sons, Mrs. Floyd Moore, Mrs. Jack Boyd and Miss Helen Ruth Flowers all of Fort Worth; Mr. and Mrs. B. M. Johnston of DeLeon; Mr. and Mrs. Hyson Echols of Desdemona; Mr. and Mrs. Vernon Stewart and children of Desdemona and Mr. and Mrs. Herman McMullins of Abilene.

Art Members Have Work Criticized at Meet

Members of the Eastland Art Club spent some time criticizing the work each member had in progress Thursday at their regular meeting by profitable discussions.

Refreshments of Salad, Cake, nuts and coffee were served by the hostess, Mrs. Urban, assisted by her two daughters, Tena and Melinda, and Mrs. Joe Tow.

Members present were Mmes. Homer White, W. W. Walters, A. M. Hearne, R. E. Lawson, Joe Tow and Sidney Seale. Visiting the club were Mrs. Myrtle Sluter of Austin, guest of Mrs. Lawson, Mrs. Mildred Bradshaw, Donna Rhea Bradshaw and Sarita Seale and Lila Lane Middleton.

The club will have its next meeting in the home of Mrs. W. W. Walters.

West Ward P-TA Meet Postponed Until Next Week

Because of the schools being closed on account of illness, the West Ward Parent-Teachers Association meeting scheduled for Wednesday has been postponed until April 3 at the same time.

Dr. M. A. Treadwell will then speak on "Mental Health and Everyday Living." Hostesses at that time will be the fifth grade mothers with Mrs. J. D. Wilson as chairman and the fifth grade teachers, J. W. Turner and Miss Gladys Green.

Hospital News

Patients in the Eastland Memorial Hospital are:

Linda Adams, medical
Katherine Williamson, medical,
Wayne Harris, medical
Wayne Dodson, Jr., medical
Mrs. Sue Sargent, medical
John Harris, medical
Billy Don Turner, medical
D. L. Kinnaird, medical
H. C. Nix, medical
Mrs. Mable Hart, medical
Mrs. R. B. Ray, Dallas, medical
Mrs. M. E. McCullough, medical

Dismissed were Frank Duffield, Charles Harris, John H. Nix, Mrs. Charles Clark and baby boy, Mrs. Thelma McCrary, and Mrs. H. C. Nix.

Patients in the Ranger General Hospital from Eastland are:

Howard Maynard, medical
Mrs. Kenneth Butler, surgical
Mrs. C. L. Noble, surgical
Larry Alldredge, medical
Milton Nash, medical

Dismissed were W. C. Bagley, Mrs. Ed Gallagher and Mrs. C. L. MacLevey.

Every room will be needed to house all the visitors in Eastland June 8-9. Make your home available for Texas' Biggest Homecoming.

Status Of Main Bills Winds Play Havoc In Legislature Given With Boat Houses

Herewith is an up-to-the-minute report on the status of all the important legislation pending in the Legislature as it goes into session this week:

SCR 22—requesting the U. S. Congress to propose an amendment to the U. S. Constitution limiting income taxes to 25 per cent, approved in House last week, was approved by Senate this week without any amendments.

With reference to SCR 22, covered in preceding paragraphs, the Idaho legislature recently approved such a resolution. Article V of the U. S. Constitution says that when 32 of the state legislatures shall ask for it, Congress "shall call a convention for proposing amendments."

Bills similar to the Texas action are under consideration in current sessions of the state legislatures in California and Connecticut. Idaho and Texas are considered by many proponents of this move as being the 32nd and 33rd states to take such action. It will apparently be up to Congress to decide how many valid resolutions—some are questioned as to validity—have been acted upon by states.

The House has passed on second reading HB 32 which would prohibit city, county, state or any school employee from being a member of the NAACP. It will be up for a final vote next week.

HB 433—proposed for changes backed by employer groups in the state's workmen's compensation laws, remains in subcommittee.

HB 2—providing that only the State Department of Public Safety may issue drivers licenses to under age applicants passed the House on Tuesday.

Action in House on Ethics bill for public officials, HB 3, reported favorably by House committee on State Affairs last week, was postponed this week, could come up for vote on floor of House any day.

HB 494, creating North Central Texas Water Authority (for cities, see last week's bulletin) was approved by the House Wednesday. No Senate action.

HB 249—to make it illegal to divert water released from upstream storage for downstream users—received the support of Attorney General Wilson. This proposal will provide clarification deemed essential for construction of Diablo Dam by International Boundary and Water Commission above Del Rio.

HB 468—proposing extensive changes in Texas Labor Laws and regarded by employer groups as rendering ineffective Texas' right-to-work laws, was referred to subcommittee after a hearing by House Labor Committee two or three weeks ago and is still in subcommittee.

Both HJR 13 and SJR 4, companion bills providing for state advertising for tourists and industrial development, are in Constitution Amendments subcommittee in House.

HJR 4—providing for county precinct re-districting was up for House consideration on Tuesday but was postponed. Can be brought for vote any time.

SB 32—passed by Senate on egg-grading with number of amendments.

SJR 10—providing for annual sessions of the Legislature was voted out of Constitutional Amendments committee by 6-5 vote. Opposition raised question of time and subject limitation of extra

session. House bill—HJR 1—provides for annual pay of \$4,800.—Senate bill calls for \$7,500.

SB 127—to prohibit advertising and sale of goods at wholesale unless for resale—still in State Affairs subcommittee. Bill would apparently restrict discount sales firms.

SCR 40—to petition Congress to call a convention to amend the U.S. Constitution to get the Federal government out of all business and industrial enterprises—voted approval by Senate committee. Companion proposal in House set for hearing by State Affairs Committee Monday night, March 25.

SB 9—same as HB 147—passed in House March 21 with minor amendment and sent back to Senate for concurrence. Proposes that negotiated contracts on water conservation projects be forbidden.

HB 152—creating Water Development Board—was sent to subcommittee by House Conservation and Reclamation Committee. Same as SB 7.

SB 6—providing for waste disposal by injection—same as HB 149—was approved in Senate this week.

HB 145—providing for cancellation of unused water permits, etc., was recalled from Governor's office for minor correction of clerical error.

A Senate bill to prohibit limits on quantities of goods sold below cost was approved in committee on a 12-4 vote. Applies to all merchants. Previous legislation applying only to retail grocers was held unconstitutional.

HB 170—to make parents responsible for juvenile vandalism damage up to \$300 was held unconstitutional by Attorney General Wilson this week. Sponsor is reported considering corrective amendment. Companion bill—SB 34—is on Senate calendar.

SB 101—providing for sale of gas to farmers for irrigation—new version of original proposal was sent to Attorney General for opinion.

House members have been named for conference committee on HJR 3 and SJR 2—Financial Assistance Joint Resolution for state aid on water projects and for conference committee on HB 161 and SB 3—Enabling Legislation for same. Senate conferees should be announced soon.

High winds on Lake Leon Saturday afternoon and all day Sunday played havoc with nearly every boathouse on the lake that was not under the direct lee of the North Shore. With the wind coming largely from the north, boat houses tied to the north shore were fairly well protected, but others were almost blown out of the water.

Nearly every boathouse owner in the county was out there watching the beating his property was taking but there was little that could be done about it. Many owners reported waves up to six feet high splashing against the sides of their houses as they were being tossed around like small corks.

It is doubtful that a boat got on the lake at any time over the weekend except for a few short

moments and then it didn't venture far from shore. If anybody caught any fish they were probably blown into the boats rather than pulled in by a hook and line. However some camps did turn in reports of several catches that were made before the wind got so terribly bad.

As a matter of fact, one sensational catch was reported but we are not even going to put a headline on it because we got into enough trouble when we reported that last 5-pound crappie. But Eb Richardson, caretaker at the dam, came in here Monday morning and reported that J. C. Lee and Rayon Lee of Ranger caught a 4 1/2 pound crappie and he would guarantee it. Funny we never see any of those things.

Richardson also reported that J. T. Lloyd of Fort Worth caught 2 bass and 4 crappie that weighed a total of 5 1/2 pounds, and one channel cat that weighed about 2 pounds.

The caretaker reported that Mr. and Mrs. T. E. Vermillion of Andrews, Texas, caught 4 crappie that weighed 6 1/2 pounds and 13 channel cat that weighed 14 pounds.

He reported M. T. Bowden and R. M. Bowden of Fort Worth as catching 2 bass and 3 crappie weighing a total of 6 1/2 pounds.

Lake Leon got another plug this week by Gene Reynolds writing in the weekly Livestock Reporter, a journal that goes out to stockmen and poultry men all over the country. After telling about some of the big crappie spears that have been going on at the lake, he urged fishermen from everywhere to visit Lake Leon if they were hunting a new fishing hole. It's "purely a pretty little lake," he said.

Plans

(Continued From Page 1)

There have been 347 animals entered in the Livestock Show, which is sponsored by the Eastland County Livestock Raisers Association, by juniors alone. Adult entries are expected to send the number much higher, although the show is considered a junior event mainly.

Clint McCain is again general chairman of the show, which will continue through Saturday. All stock must be on the showgrounds at the airport north of Eastland, by Friday, he announced this week. Judging will be done Saturday.

There will be a lunch counter set up at the showgrounds so all may eat there if they desire.

had lived in Ranger for 32 years. He had operated a machine shop here since 1936, and before that was employed by the Eureka Tool Company for 16 years.

He was a member of the Presbyterian Church in Sistersville, a World War I veteran and a member of the American Legion.

Mr. Reynolds was married on Sept. 20, 1927, to Ruth Johnson, in Palo Pinto. She died on July 11, 1952.

Survivors include one son, Ralph C. Reynolds Jr. of Ranger, and one sister, Mrs. Mildred Guy of Rochester.

Pallbearers were: Lloyd Landtroop, W. J. Van Bibber, Harley Bollinger, Sam Kirkpatrick, Archie Robinson, Raymond Bryan, Brownie King and L. M. Cawley.

Mobil

(Continued from Page 1)

free of tuberculosis at this time. If the film reveals shadows, a larger X-ray must be taken for further study, to find out just what the trouble is. It does not mean that the person necessarily has tuberculosis.

A person can be requested to have a second picture for any of several reasons—a blurred "picture" or a technical imperfection of either film or machine—as well as because of shadows on the first film that might indicate illness. Every person whose miniature X-ray does not show a healthy chest is urged to go to his doctor or to the health department clinic for a second X-ray.

When the second film shows suspicious shadows or signs, further clinical and laboratory tests must be made before a diagnosis of tuberculosis is considered.

VISIT HERE SUNDAY

Visiting in the home of Mr. and Mrs. E. P. Whitaker Sunday were Mr. and Mrs. Raymond Burnheart, Mrs. H. L. Wilcox and Miss Carol Ray all of Dallas; Mr. and Mrs. Roy Ray of Breckenridge and Mrs. Bess Morris of Abilene. They also visited with Mrs. R. B. Ray of Dallas who is a surgical patient in the Eastland Memorial Hospital.

WTCC Convention Books Newsmen For Program

ABILENE (Spl.)—Five well-known West Texas newsmen were named today to appear on the program of the 39th annual conven-

tion of the West Texas Chamber of Commerce to be held March 27-28 and 29 in Abilene, according to Ray Grisham, president of the organization. The newsmen—Ed Wishcamper, managing editor of the Abilene Reporter - News; John Ellis, editor of the Fort Worth Star Telegram; Dean Chenoweth, editor of the San Angelo Standard - Times; H. S. Hilburn, editor and publisher of the Plainview Herald; and Joe

Pickle, managing editor of the Big Spring Daily Herald — will quiz three experts on the economy of West Texas at the "Meet the Press" panel session on the morning of the second day of the convention, Thursday, March 28. The newsmen will question Dr. Phillip E. Caldwell, Director of Research at the Federal Reserve Bank in Dallas on the general health of the West Texas economy; Cailan Graham, executive vice-pre-

sident of the Texas Good Roads Association, on the value of highways and highway construction to West Texas economy; and Charles E. Simons, executive vice president of the Texas Mid-Continent Oil and Gas Association, on the value of oil and the oil industry to West Texas.

Bill Collyns, WTCC vice president and editor of the Midland Reporter - Telegram will moderate the panel discussion. Other convention features include the keynote address to be made by Ica Stuart, educational director of the Southern States Industry Council, Stuart, a native of Ireland, annually travels more than 60,000 miles to address American businessmen.

Dr. Walter Kerr, minister of the Marvin Methodist Church in Tyler, will be the featured speaker at the main banquet of the convention.

Kerr, a former attorney who served on the staff of Gov. Coke Stevenson, is national vice-chairman of the Mid-Century White House Conference on Children and Youth.

Each committee of the WTCC will meet during the convention to discuss future plans and analyze the accomplishments of the past year.

Included in many of the committee meetings is an address or several addresses by experts in that field which the committee is concerned. Included among the committee speakers are state Sen. George Parkhouse of Dallas, chairman of the Texas Water Resources Committee, and Robert L. Lowry of Austin, consulting sur-

face water hydrologist and staff engineer of the Texas Water Resources committee, who will address the WTCC water resources committee. Dr. Stanley A. Arbingast of Austin, assistant director of the Bureau of Business Research at the University of Texas, will meet with the industrial development committee of the WTCC.

Two speakers are scheduled for the agriculture and livestock committee meeting. They are Dr. Tyrus Timm, head of the department of agricultural economy and sociology at Texas A&M college, and Walter McKay of Dallas, state director of the Farmer's Home Administration.

Officers for the coming year will be elected during the convention.

Lacasa Lines

Mrs. D. B. Raney

The Lacasa Community Club met at the Community Center Thursday, March 21, with 19 members and 5 visitors present. A quilt was made for repair and upkeep expenses of the house. R. E. Miller, one of the visitors, repaired the roof which had been damaged by winds and storms. After a covered dish luncheon and much quilting, plans were made for the next meeting, for

fund raising activities, and for night entertainments.

Those attending were Meses. Joe and Robert Jackson, A. E. Howton, G. V. McGowen, Mary and Zelma Herrington, Myrtle and A. O. Templeton, Artie Sherryll, Valerie Jones, J. C. Bradford, M. A. Truesdale, J. W. Graham, Ferrell, W. R. Leonard, H. E. Martin, R. E. Miller, Ida and D. B. Raney, and children, Jerry Graham, Joyce Leonard, Melba Jean McNabb, and Sheila Truesdale. The next meeting will be April 4.

MODERN HOMEMAKING

RECIPES... HOUSEHOLD HELPS

By Julia Hunter
HOME ECONOMICS DIRECTOR, LONE STAR GAS COMPANY

Stewing hens are now in good supply and at attractive prices, too. This is lucky for the homemaker, for cooked until tender and cooled in the broth, the meat from these older birds is the basis for a variety of good dishes, both hot and cold.

To cook a stewing hen, cut it into serving pieces or leave it whole. Place it in a deep kettle with the giblets, add water to cover, salt lightly, cover the kettle and simmer over a low gas flame until the chicken is tender, probably three to four hours. Pieces take about as long as a whole bird.

If the chicken is to be cooled before using, meat will be juicier and more flavorful if the hen is allowed to cool in the broth. Let it cool in the broth, breast side down for whole birds, for an hour or more. Since warm chicken broth spoils easily, cooling should be done in as cold a place as possible.

Old-fashioned chicken and dumplings is our favorite recipe for a stewing hen cut in pieces and cooked until tender. To make the dumplings, sift together one and one-fourth cups flour, one-half teaspoon baking powder and one-half teaspoon salt. Blend in one-fourth cup shortening. Add enough milk to make a soft dough, approximately one-third cup. Turn the dough onto a well-floured board and roll it to one-eighth-inch thickness. Cut in strips. Add

the dumplings to vigorously boiling chicken pieces and broth; cover the kettle, reduce flame to simmer and cook 20 minutes without removing the cover. Makes four generous servings.

If meat is to be removed from the bone, plan on three to four cups cooked lean meat from a four to five-pound bird. Do not discard the skin. Ground or chopped fine, it adds flavor and richness to hot dishes, sauces, soups and gravies.

Removed from the boned and diced, stewed chicken is ready for a favorite chicken salad, savory creamed chicken, a steaming casserole or dozens of other dishes.

Try it in Chop Suey, for instance. Cook a chopped green pepper and two cups shredded onion in two tablespoons salad oil for a few minutes. Add two cups sliced celery, two cups chicken broth, one tablespoon cornstarch mixed with one tablespoon water, stir until smooth and slightly thickened, cover and simmer over a low gas flame five minutes. Stir in two cups chopped cooked chicken and one cup sliced canned water chestnuts. Season to taste with soy sauce and salt. Serve over hot fluffy rice and crisp fried noodles. This makes six servings.

Creamed chicken is taken from the ordinary class when given a little special treatment. Cook over a low flame until tender, one cup chopped celery, one tablespoon grated onion and two tablespoons chopped green pepper in four tablespoons shortening. Stir in until smooth, one-half cup flour. Gradually add, stirring constantly, three cups warm chicken broth. Stir in one cup cream. Cook, stirring frequently, until smooth and thickened. Season to taste with salt and stir in three cups diced cooked chicken. Heat thoroughly and serve on rice, noodles, waffles, toast or in pastry shells. Makes six servings.

For that special treatment, split

New Furniture Has Plastic Elegance

Ingenious plastics give distinctive elegance to traditional and modern furniture created by leading designers and decorators. Taffy beiges and nut brown melamine plastic laminates and matching vinyl upholstery have styled up dining furniture for open planning. Refreshing newness distinguishes the dining group above topped with melamine plastic laminate in a matched diamond inlay pattern which shows special artistry and skill. The homemaker can round out her selection with a buffet-hutch or tea wagon featuring the same practical and aesthetic qualities. The chairs are decorated with a fine textured fabric-like vinyl plastic which belies its durability. The seats are upholstered in vinyl foam plastic and will never lose their "spring".

For those who prefer patterns with a grained or textured look, dining table tops of richly simulated mahoganies, or colorful leather effects, with matching vinyl decorated chairs, will give daily pleasure at every meal. Satin-sheened melamine plastic laminates emphasize the new refinement which characterizes easy-to-care plastics. The homemaker planning spring redecorating will find them in white which smartly accents warm brown teakwood, or walnut, and makes a beautiful and practical surface for a tea wagon, dining or lamp table. These hard white plastics dramatize pull-out shelves on bedside tables and room dividers, and make dressing tables stain-proof. They need only a wipe-down to restore the timeless elegance of their built-in polish.

baking dish, topping with biscuit flaky hot biscuits and serve them with creamed chicken, shortcake fashion. Mix creamed chicken with cooked spaghetti, turn the mixture into a baking dish, top with buttered crumbs and bake in a moderate gas oven (350 degrees F.) 20 minutes. Make a chicken pie by pouring creamed chicken into a

rounds and baking in a hot gas oven (450 degrees F.) 15 minutes. Mashed potatoes may make the topping.

Recipe of the Week
DANISH CHICKEN: Cut a small stewing hen into serving pieces. Dredge the pieces in seasoned flour and arrange them in a single layer in a shallow baking pan. Cover pieces with warm milk. Add two cloves garlic and bake in a moderate gas oven (350 degrees F.) three and one-half to four hours, removing the garlic after the first hour. (If garlic cloves are stuck on toothpicks, they are easily found and removed.)

Add warm milk as necessary to keep the chicken well-covered. At the end of the cooking time, remove chicken to platter and thicken flour with four tablespoons flour moistened with four tablespoons water. Add additional seasoning to gravy, if necessary. Makes six servings.

Around the Town At Olden

By Mrs. Dick Yielding

Dickie Herrell, who was struck by a car in front of the school house last week was not seriously injured. He received a cracked collar bone and other bruises.

Mr. and Mrs. D. O. Moffett have had as guests in their home this weekend Mr. and Mrs. Billie Elders and children of Midland, Mr. and Mrs. Tommy Thompson and children of Rochell and Mr. and Mrs. Johnny Marlow and children of Electra.

Mr. and Mrs. O. T. Grubbs and Mrs. Sallie Allen visited relatives and friends in Moran Saturday.

Mr. and Mrs. Gene Rouch and children of Holliday spent the weekend in Olden.

Visiting the Dick Yieldings home over the week end were Mr. and Mrs. Jimmie Colburn and Mr. and Mrs. Dale Norton and baby all of Fort Worth.

Mrs. Gene Falls received word Monday that her brothers father-in-law of Fort Worth, Mr. Art

Reed, had passed away. Mr. Reed was formally from Eastland.

Visiting in the home of Mr. and Mrs. George Cagel over the week end were Mr. and Mrs. Sherman Cverstreet and family of Abernathy, Mr. and Mrs. Ray Cverstreet and family from Carleton and Mr. and Mrs. Robbie Cverstreet and family from Abilene. Mrs. Cagels mother, Mrs. Dee Cverstreet, who is living in the home, is very ill and the doctor was called out on Sunday.

Edd and Betty Colburn and baby of Wichita Falls spent the week end with the Walter Colburns.

Mr. and Mrs. T. L. Lockhart

Over five million packages of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Ask for "Willard's Message" which fully explains this home treatment—free—at CORNER DRUG STORE EASTLAND DRUG CO.

"Who Says You Need Costly Shots To Relieve 'Hot Flashes' And Irritation From Change-Of-Life?"

Mrs. A. M. Watonga, Okla., adds, "Middle age was torture. Had costly shots 3 times a week but got no relief. Then took Pinkham's Tablets. They brought me new happiness, comfort!"

Science offers women new freedom from much of the misery of change-of-life, thanks to an amazing new tablet developed especially to relieve these functionally-caused discomforts. Doctors reported sensational results using this remarkable home treatment alone... and no costly injections!

Relief for 8 out of 10 Tested! Irritability, tortured nerves were calmed. Dizziness relieved. Awful hot flashes subsided. Here's why. Unlike aspirin and such "general purpose" remedies, this new tablet is a unique combination of special

medicines... acts directly on the cause of these troubles... works through a woman's sympathetic nervous system to relieve tense feelings and physical distress that bring unhappiness to so many. Clinical tests prove this.

Now this amazing formula is at drugstores without prescription. Ask for "Lydia Pinkham's Tablets." Don't let change-of-life rob you of joy! Get handy Pinkham's Tablets. Contain blood-building iron. See how fast you can feel your happy self again—without costly shots! (Also liquid Lydia E. Pinkham's Vegetable Compound.)

THE MAN WHO OWNED MOBY DICK

It was actually a too-big car. At gas pumps, it drank like a fish. So he called it "Moby Dick."

It even had fins like a fish. Parking it was like trying to squeeze a whale into a goldfish bowl.

He thought about trading "Moby" for an economical little foreign car. It was too little for 5 kids.

So he bought Rambler, only car with room for six 6-footers, plus European car economy, handling ease.

32 MILES PER GALLON

It was a Rambler "6" that set the NASCAR cross country record of 32 miles per gallon with overdrive.

Rambler's 1st in trade-in value among all low-priced cars, because it's the smartest buy, new or used.

Sun can't fade your colored washables in an ELECTRIC Dryer

Wash dresses, sport shirts and luncheon sets stay color-bright, protected from the sun's bleaching rays

You save on your clothing budget, too, because clothes last longer, dried in clean, gentle electric heat

Colored washables and new "miracle" fabrics stay bright and new-looking when you use an Electric Dryer. Clean, gentle, automatic electric drying protects colored clothes from the bleaching action of the sun. Your most precious fabrics are safe, too, from whipping winds and airborne dust. All your clothes last longer, protected from outdoor drying hazards. And, of course, you avoid the monotonous drudgery of clothesline drying when you have an Electric Dryer.

Music Study Club Scrapbook Wins First Place At Convention

The Eastland Music Study Club Scrapbook won first place at the meeting of the Texas Federation of Music Clubs 42nd Annual convention held in San Antonio Wednesday through Saturday. Convention headquarters were in the Menger Hotel.

The scrapbook covers the activities of the club members and all newspaper clippings of club meetings and concerts from April, 1955 to April, 1957. The Eastland book was bound with a hand made pale yellow cover printed in brown. The club historian, Mrs. A. F. Taylor was assisted in making the book by Mrs. Marvin Hood and Mrs. H. M. Hart. A scrapbook belonging to the Odessa Music Club, in the 9th district, was awarded second place.

At the Sixth District Texas Federation Music Clubs State Convention held in Sonora November 1956 the Eastland book won first place. Thirty six pages have been added to the book by the committee since then, bringing all activities of the club up to date.

Know some ex-student of EHS that everyone else may have forgotten? Send his or her name to Terrell Coleman, 115 North Sixth, Waco. Let's have 'em all here June 8-9 for Texas' Biggest Homecoming.

A real summer cooler is this dress by Nardis of Dallas, styled in printed cotton with a soft bodice that has an almost-tare back. The 12-gore skirt is pinch-pleated and perked up at the seams with white pique looped bands.

Eastland Girls Represent Sixth District At Meet In San Antonio

Jan and Joyce Robertson, Phyllis Phillips and Linda Huckabay, piano students of Mrs. A. F. Taylor, represented the Sixth District Texas Federation of Music Clubs on the Junior Day program at the 42nd Annual Texas Federation of Music Clubs Convention

held in San Antonio Wednesday through Saturday.

The Eastland girls played from memory 17 page piano quartet, "Invitation to the Dance" by Weber. Jan and Joyce Robertson played on Piano I and Phyllis Phillips and Linda Huckabay on Piano II with each girl playing a short solo in the selection.

The program was held at the Laurel Heights Methodist Church of San Antonio. Nine districts were represented on the program. Among the many outstanding numbers was the San Benita Choir with sixty voices; the Texas Boys Choir of Denton; a piano duo from Houston; violin quartets, trios and duets from Odessa, Dallas, Georgetown, Beaumont and Fort Worth; piano solos from Tyler, Harlingen and Ennis and voice numbers from San Angelo, Amarillo and San Antonio.

Junior Day program was presided over by Mrs. O. G. Satterlee, State president and Mrs. H. E. Snow, state junior counselor. Approximately 350 attended.

Mrs. L. E. Huckabay and Mrs. Taylor accompanied the girls to San Antonio where they stayed in the Menger Hotel. The girls and Mrs. Huckabay toured the Alamo and Breckenridge Park while Mrs. Taylor attended the Senior Convention Friday afternoon and The Texas Composers Banquet Friday evening. The group returned to Eastland Saturday evening.

Make plans to welcome back Eastland's ex-students now. June 8-9—date for the first annual all-school homecoming—is just around the corner. Do your part to make this Texas' Biggest Homecoming.

They ALL want your *Portrait* for EASTER!

Word Home Demonstration Club Hears Lesson On Life Insurance

"Life Insurance" was the title of the lesson taught by Mrs. Don Hart, County Home Demonstration Agent, at a meeting of the Word Home Demonstration Club Thursday in the home of Mrs. Lena Hanson.

With Mrs. Werdner Stansell, president, presiding the club motto, pledge and prayer were in unison. Roll call was answered with "A bad habit I should break." The council report was read by Mrs. Ida Schaefer.

Due to illness, Mrs. Artie Shirley sent in her resignation as secretary of the club and Miss Willie Word was elected to fill the vacancy.

Mrs. Ida Schaefer and Mrs. L. P. Jones brought before the club plans to bring the district home demonstration meeting to Cisco in 1958.

At the close of the meeting the club presented Mrs. Hart with a baby gift. Mrs. Hart has resigned as County Home Demonstration Agent effective May 1.

For recreation the group sang several songs and refreshments were served. Those attending were two visitors, Mrs. L. R. Jones from Bluff Branch and Miss Sudney Hanson and mem-

bers, Meses. Lottie Lassiter, Effie Maghew, Cora Plumlee, Don Hart, Annie King, Werdner Stansell, Lena Hanson, Nellie Campbell, Dee Clements, Ida Schaefer and Misses Willie Word and Inclair Harrison.

The next meet will be in home of Miss Harrison on April 4 at which time the club will sponsor a Stanley Home Products Party. All members are urged to be present and visitors are welcome.

"Sweetens Whole 'Insides,' Relieves Constipation—both overnight!"

See Mrs. Helen Kiehl, Waverly, Pa. Half-sive, headachy, when constipation soured stomach? Black-Draught relieves constipation overnight. Helps sweeten sour stomach too. No harsh gripping. Made from pure vegetable herbs. Brings thorough but gentle relief in morning. Life looks sunny again! Get Black-Draught today. No Powder or Granulated form... and now in new, easy-to-take Tablets, for CHILDREN: When constipation soured children's digestion, get Syrup of Black-Draught. They love its honey-sweet taste.
