EASTLAND COUNTY 100th ANNIVERSARY

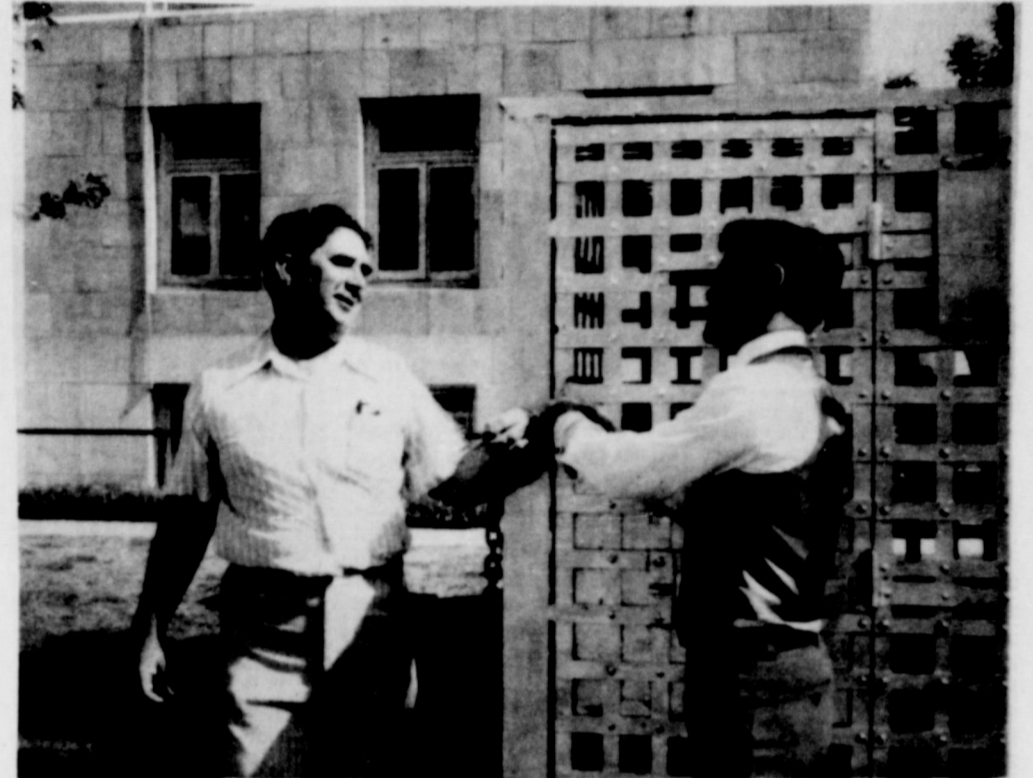

OUR BEST REPRESENTATIVES - These outstanding Eastland High School students will do the city proud in Austin Saturday when they are among the very few to compete in the state track meet. From left they are Ann Haun, Dollie Moseley, Jan Maynard and Jerrie Simms. (Photo by Steve Haines).

A weekend of Centennial Fun is ready to GO in Eastland! The 100-Year Celebration is well underway and neighboring towns have staged outstanding events. Ranger, Cisco, Gorman and Desdemona held most of their activities last week. The observance is the 100th anniversary of the establishment of Eastland County. The observance is the 100th anniversary of the establishment of Eastland County. Eastland will celebrate its 100th birthday in 1975 - which will coincide with the Five-Year High School Reunion.

Feared judging contest chairman Dale Bakker, stated "Any Eastland resident that can grow any hairy foliage visible from eight paces is eligible to enter the contest. Those wishing to enter should be at the high school auditorium no later than 7 p.m. the night of the contest for registration."

The fashion show and beard judging contest is open to the public and the admission is free.

'BE ADVISED' - Says Deputy Richard Wilhelm, right as he reads Constitutional Rights (none) to Smooth-faced James Wright, who appears to be protesting being locked up in the Brothers of the Brush Jail, not located and in action on the Courthouse Lawn as preparations for the Weekends Centennial Celebration come to a climax. Tidbits By HVO

HAPPY BIRTHDAY, Eastland County: May your second hundred years be even brighter than your first!

LET IT be said: The Centennial is being properly observed. There's so many activities and good times going on that frankly it's kinda hard to keep up with all of them. And of course, our treasure chest of old time pictures and tidbits from the past is still near full, so we're guessing you'll be seeing old photos for days to come. After all, the county's birthday last all year doesn't it.

CONGRATULATIONS TO those who have noticed that we've put out a few papers in the old style. We'd thought it'd be in keeping with the celebration. Reminds us of the old time Linotype operator who was having trouble getting his periods to fall properly in the machine. So at the end of a long gally of type, in the midst of which were few if any periods, he closed by adding: Here's some periods, put 'em where you want 'em, and proceeded to run out all in the machine. Like this:

All of them contented
And they do not care to roam
Yet we have room for many

DALE O. BAKKER

Dear friends,

As children, we tend to
take Mother for granted. It
is only when we become parents
that we begin to realize the
devoted labor, patience and
sacrifice of Mother in raising
us to be good, useful citizens.

Let us show the depth of
our love and appreciation of
Mother on this Mother's Day.

Sincerely,

Dale O. Bakker

you there quick
With hundreds of oil wells
and gas wells and such
Not half of our potential
Has ever been touched
We have many factories,
whose wheels
Turn day and night
Turning out many products
Strived to make them just
right

And in our lovely court house
The most beautiful in the
state
You will find "Old Rip"
residing
He's the horned frog who slept
so late
There is no better fishing.
Than is found in our county
lakes.
Lake Cisco and Lake Leon
Are free from snags and
snakes

We have so many attractions
The list would fill a book
And it is just one step to
Heaven
So come by and have a look

The list would be too long to
read

If we had the nerve to try
So you can take my word for
it
"We cannot tell a lye"
So Hail' to Eastland County
The fairest and best of all
The land of lovely ladies
And all men are straight and
tall. Hiram A. McCanlies.

...EASTLAND COUNTY TSTA OFFICERS are left Cedric Bettis, president-elect, Gorman, Marilyn Henderson, second vice-president, Ranger; Houston Jolly, president, Cisco and Rising Star; Melba Michael, Secretary, Eastland and Larry Duncan, treasurer, Eastland.

Eastland County Unit TSTA Elects Officers

Eastland County Unit of Texas State Teachers Association elected 1973-74 officers at its annual dinner meeting in the Eastland Elementary School Cafeteria, Tuesday night, May 1.

Elected to direct county TSTA activities for the coming year were: Houston Jolly of Cisco and Rising Star, President; Cedric Bettis, Gorman, President-elect; Mrs. Marilyn Henderson, Ranger, Second Vice president; Mrs. Helba Michale, Eastland, Secretary; and Larry Duncan, Eastland, Treasurer.

Acting as Master of Ceremonies was outgoing president, Charles Marshall, Eastland County Supervisor, who introduced the program. An Eastland High School musical group composed of Steve and Stacy Blair and Larry and Garry Barnes played a medley of popular songs.

Focal point of the meeting was a speech by Mrs. Alphonso Pino of Gorman who warned the teachers present of the dangers of complacency and apathy toward internal affairs in America. Mrs. Pino, who left Cuba in 1964 after teaching there ten years, explained that the Communist takeover in her country could be largely blamed on the lack of interest that the middle class people had in the problems and political affairs of Cuba.

She told the teachers that they were the "molders of youth" in Eastland County and that their influence was extremely important in helping

young people to become aware of America's problems and in helping to solve those problems. She added that children should be taught that they cannot live a happy life away from God and ended with this question of self-examination for each teacher present: "Are we teaching our children what they need?"

Thoughts

From The Living Bible
 "A farmer went out to his field to sow grain. As he scattered the seed on the ground, some of it fell on a footpath and was trampled on; and the birds came and ate it as it lay exposed. Other seed fell on shallow soil with rock beneath. This seed began to grow, but soon withered and died for lack of moisture. Other seed landed in thistle patches, and the young grain stalks were soon choked out. Still other fell on fertile soil; this seed grew and produced a crop one hundred times as large as he had planted."
 Luke 8:5-8

Zero Lok Box Opens Saturday in Stephenville

The Zero Lok Box co. in Stephenville, Texas is opening a new branch on May 12, Saturday. The official opening will be from 1 to 2 p.m.

The owner is Floyd "Pug" McCoy who has been in the meat business in Stephenville for over 30 years. The General Manager and one of the Junior

Partners, Roy D. McCoy, was raised in the business and is a graduate of A & M University. Also a Junior Partner, Larry Herrington. Attended A & M and Tarleton State College. The building was designed by Roy, Larry and Pug with the valuable aid and advice of Mr. Woodrow Bailey of the Meat Science Dept. at Texas A & M. Mr. Don Hammon of Stillwater, Oklahoma, and Mr. Larry Wheeler of the Veterinary Health Division in Austin, who gave the final approval of the Plans.

Others involved in the planning process were the State Health Inspectors: Dr. W.B. Tanner, Bill Norriss, and Jammie Jewell. The Plant was built to meet the Texas State Department of Health Specifications. The walls are totally glazed glass tile in all work areas, beef coolers, and freezer. Ceilings are asbestos fiber board with all cracks and joints sealed with a special silicone sealer. The plant was designed and built to provide the maximum of efficiency with the ultimate in cleaning ease.

The plant employs 7 employees presently with about 3

or 4 more to start soon. They are able to slaughter and process livestock for the customer as well as operate the Wholesale Meat sales, which cover approximately 10 counties.

Zero will hold their Open House on Saturday, May 12, from 2 to 4 p.m. (Time Approximate). The new plant is located 3 1/2 miles West of Stephenville on the Old Dublin Road. Everyone is welcome to come out for coffee and look around. We are proud of our new facility and hope the communities we serve will be too.

Plants Pretty-Thanks To Many

If you haven't noticed the "all-new" planter boxes around the square, you might consider seeing an eye doctor. Beautiful, blooming flowers are in abundance and brightening the Centennial Week here.

To be thanked are women of the Civic League and Garden Club and local Boy Scouts, and their leaders.

Armstrong reports. Mr. Armstrong is just back from a two-week Ramada training course in Phoenix and reports that everything is moving forward on schedule. Local citizens are beginning to discuss the possibility of staging a First-Nighters Party at the Inn as an area-wide expression of appreciation to the firm for selecting Eastland for a location.

Many have already made reservations for the opening night festivities and Mr. Armstrong will accept others now. Some type of special entertainments will be planned and announced.

Ramada Inn is now advertising for personnel in an advertisement in this issue.

Funeral Monday For Mrs. Cantrell

Ellen Ophelia Cantrell, 85, longtime Eastland resident, passed away May 5 in Eastland Memorial Hospital after a one-month illness. Services were held at 2:00 p.m. Monday, May 7, in Arrington Funeral Chapel with Rev. Haston Brewer, pastor of the First Baptist Church, officiating. Interment was in Eastland Cemetery under the direction of Arrington Funeral Home.

Mrs. Cantrell was born May 11, 1887 in Kassia, Texas. She had lived in Eastland 39 years, moving here from Oklahoma. She was a member of the First Baptist Church in Eastland. She married John M. Cantrell December 25, 1904 in Adar, Oklahoma. He preceded her in death in 1950.

Survivors are four sons: Terry of High Grove, Calif.; Doyle of Page, Ariz.; Wilford of Yuma, Ariz.; and Jack of Flagstaff, Ariz.; two daughters, Mrs. Rebecca Loucks of Artesia, New Mexico, and Mrs. Johnny Cook of Albuquerque, New Mex.; one sister, Mrs. Bertha Fry of Riverside, Calif.; two brothers, Robert Williams of Tulsa, Okla. and Lee Williams of Eastland; 15 grandchildren, 11 great-grandchildren, and 7 great-great-grandchildren.

EASTLAND COMING AND GOINGS

Mr. and Mrs. Claude Williams of Abilene, Mrs. Lena Dobbins and Mrs. Ruby Curtis of Cisco were Sunday guests of Mr. and Mrs. J. F. Williams.

Mr. and Mrs. W. D. Greenwood of Munday and Mrs. Mae Herring of Haskell visited Mrs. Cleo Greenwood during the weekend.

Mr. and Mrs. P. A. Cox, Jr. and Cara Lea of San Antonio spent the weekend with Mr. and Mrs. P. A. Cox Sr.

Weekend guests of Mr. and Mrs. Lee Graham were their daughter and family, Mr. and Mrs. P. A. Cox, Jr. and Cara Lea of San Antonio and Mr. and Mrs. Jay Blevins of Brownfield. Cara Lea stayed on for a longer visit with her grandparen.

Mrs. Joe Francis is chairman of the League Beautification Committee comprised of Mrs. Frank Sayre and Mrs. Roy Mitchell, and plantings have been under their charge.

Removal of the growth existing was under the capable direction of Troop 6 Scoutmaster Winston Boles and his faithful Scouts.

Merchants around the square are already responding by assisting with the watering to see that the plants stay pretty. Mrs. B. W. Robertson of Robertson TV Sales and Service has been nurturing the planter near that store for a long time, and the results are beautiful.

Merchant Cling Bray was seen with water-bucket this week taking care of the planter near his stores. Others are invited, year, urged to do likewise.

It makes for a pretty Eastland.

Seniors Honored Wednesday With Chuck Breakfast

The United Methodist Women gave a chuckwagon breakfast for the Seniors last Wednesday, May 2nd.

Individual cactus were placed down the center of the tables with centerpieces of logs decorated with flowers and greenery. The favors were black windmills topped with red fans. The place cards had the names burned on pieces of leather. Mrs. James Smith, who was in charge of the decorations had the serving tables covered with bandana cloth.

Mrs. Richard (Gay) Britt was master of ceremonies for the program. Rev. Cecil Ellis, Pastor of the Church, gave the invocation followed by a welcoming speech by Mrs. Britt. Howard King, president of the Senior Class, gave the response. For the entertainment Mrs. Britt introduced a quartet, which was called the Frontier Four in keeping with the general theme. Members of the quartet, who sang western and gospel songs, are Don Barron, David Martin, Richard Rossander, and Richard Watson.

Letter To The Editor

Editor:

I want to take this opportunity to express to you my sincere appreciation for the service you have rendered to the Law Enforcement in this county, and to the presentation of an award and recognition to a person whom a group of citizens has found to have made an outstanding contribution to Law Enforcement. I was very proud to hear that the award and recognition is to be made annually.

I am sure that it was not an

easy task for the citizens to select the recipient of the award this year because I know there were several others who have made outstanding contributions to this community, county, and to their work in Law Enforcement. Needless to say, I was very proud and extremely honored that the citizens' committee chose me to receive this first award, and I sincerely want to thank you for the beautiful plaque which you presented to me at the Second Law Enforcement

For big yields of peanuts use Vernam® for weeds and Captan for better stands

Get a head start on weed control in peanuts by mixing Vernam herbicide in the soil before planting. Vernam controls nutgrass, seedling johnsongrass, pigweed, crabgrass and many others. If you have nutgrass, Vernam is the only answer.

You can protect peanut seed germination and stands against *Aspergillus niger* and other seed- and soil-borne diseases by using Captan fungicide planter-box treatment for only pennies per acre. To grow profitable peanuts, stop weeds and fungal diseases. See us now for Vernam and Captan.

Activities

Eastland was one of the sixty-four West Texas towns, served by West Texas Chamber of Commerce, which were honored at a special breakfast during the annual convention of the West Texas Chamber of Banquet. This plaque is proudly displayed in my office and I will always be grateful for your having presented it to me.

On behalf of the Law Enforcement Officers of this county, as well as myself, I want to thank you very much for your thoughtfulness, consideration, and interest displayed in originating the idea of honoring someone in the Law Enforcement profession as well as the awarding of such a beautiful plaque.

Very truly yours,

Own a Cadillac? Of course you can!

Right now, you could be very, very close to the special pleasures of Cadillac ownership.

Because right now there exists a very special set of circumstances favoring the person who longs to be a Cadillac owner.

It begins with the beautiful new 1973 Cadillacs themselves. These cars are the finest ever built by Cadillac—reflected by the fact that the '73 Sedan deVille, shown above, has already established itself as the single most popular luxury car in automotive history.

There are nine great '73 Cadillacs from which to choose. And right now, your Cadillac dealer can probably supply just the model you want... just the way you want it!

If a new Cadillac is not yet in your plans, consider the pleasure of driving a Cadillac of another year. The great demand for new Cadillacs has made a number of beautiful previously-owned cars available. Like the 1971 Eldorado or 1969 Coupe deVille, shown above.

It's true. A Cadillac of any recent year will likely have more luxury, more convenience features, more power equipment than you'll find on many of today's new cars.

For a lot of reasons, there couldn't be a better time to visit your authorized Cadillac dealer than right now.

First choose Cadillac... then choose the year.

HAPPY BIRTHDAY

Germany's Host Senior Party

The Senior Class of Eastland High School was feted at a Comic Strip costume party Saturday evening. The party was hosted by Mr. and Mrs. Jack Germany in honor of their daughter Lisa at their home at 1900 Blair Dr.

First prize winners in the costume contest were Beverly Burns as Margaret in "Dennis the Menace" and Howard King as "Fat Albert" the TV cartoon character.

Other winners for the girls were Connie Langlitz as Loweezy in "Snuffy Smith" and Susie Miller as Mammie Yoakum in "Li'l Abner".

Robert Livingston as Andy Capp and Mike Reid as Snuffy Smith tied for second place in the boys' division with Allen Leslie in third place as one of the disreputable Skaggs in "Li'l Abner."

In the center of the backyard where most of the party was held, was a replica of Lucy's "Psychiatric Help 5c" booth as seen frequently in "Peanuts." From it and an adjoining table, an informal hamburger supper was served.

Lisa, acting as hostess, was "the little girl with naturally curly hair" who appears frequently in the "Peanuts" strip.

Dr. and Mrs. F. H. Lund assisted the Germany's in serving guests.

Before and after the meal, a number of lively comic games and relays provided entertainment with winners receiving Mickey Mouse pins as prizes.

Attending the party in addition to those mentioned were Robin Alexander, Albert Pakker, Garry Barnes, Stacy and Steve Blair, Rex Poney, Peretta Brown, Steve Bulgerin, Susie Hanna, Anna Hart, Pecky Jackson, Sue Johnson, Donald Leach, Clinton Lovelace, Paula Lund, Gary Mathis, Cheryl Robinson, Russell Smith, Sherry Staggs, Kathy Trout, Wendy Trout, Gary Welch, and Ray Williams.

Car Wash Set

The Young People's Class of Calvary Baptist Church will sponsor a car wash Saturday, May 7, from 10 a.m. until 7 p.m. at Perkins Car Wash. Tickets are \$1.75 each and includes washing and vacuuming. Proceeds from the car wash will help the Sunday School class afford a trip to Six Flags.

THE EMANCIPATION OF WOMEN

The dictionary gives a rather indefinite definition of the word woman. Generally speaking, woman is an adult female, but that is vague because there is no distinction between woman and man as God created them. God really out did himself when He created woman. A woman is a work of art, and a Christian mother is a masterpiece. Femininity is the orle of a woman which makes her femininity lack its essential essence; but equality that says, "I fulfill my role as woman; therefore, I am equal to man." The Women's Lib today has its good points, but it treads a fine line between being a successful woman equal to a successful man or expending their womanliness to become a masculine stereotype.

Women's Lib did not begin with the fight for woman's suffrage, but much earlier, about 1,943 years ago. Jesus was the first emancipator of women. He taught an equality that would stem from a development of the whole person. Christianity seeks to fulfill woman's role in our society and give wholeness to the individual who must serve in a fragmented world that seeks to keep each area of our life isolated from the others. As Mother's Day approaches, the Bible has much to say about the "Emancipation of Women."

Fund Started

Cisco Junior College has announced the starting of a fund to help two of its former outstanding students who have encountered excessive medical expenses occasioned by the serious illness of their child.

Sarah Buller, age four, has been under treatment for some time at Hendrick Hospital in Abilene, and she is going to be transferred to M.D. Anderson Hospital in Houston. Little Sarah, daughter of David and Vicki (Felts) Buller, is suffering from cancer. She is in Room 308 Children's Ward, Hendrick Memorial Hospital.

Both parents are still in college and have very limited financial resources. David was an outstanding student at CJC and was also a Little League coach while living in Cisco during the past two years. Vicki, who was a Cisco student several years ago, was an officer of the Wrangler Belles and an honor student in several areas. She was a Teachers' Aide at the Cisco Primary School last year.

CJC President Dr. Leland Willis has urged all Cisco People who know the Bullers to help them out in this financial crisis. "David and Vicki meant a lot to all of us here at Cisco Junior College," he said, "and now is a time to help them in a period of tremendous financial and emotional stress."

Donations may be left at the First National Bank with Mrs. Charlotte Hastings or at the CJC Business Office, Business Office, Dr. Willis said. Checks could be made to "First National Bank - Buller Fund."
