Livestock Growers Set Annual Bar-b-q Tonight

The annual Eastland County Livestock Raising Association meeting and barbecue will be held tonight beginning at 6:30 p. m. at the Eastland City Park. Approximately 300 persons are expected to attend the annual affair.

Election of officers will highlight the activities for the night and the principal address of the

evening will be made by George Moore, well known soil conservation expert from Mineral Wells. Moore will speak on "Range Management."

The Livestock Growers Association is one of the oldest livestock groups in this part of the state. The group annually stages the Eastland County Livestock Show, Livestock tours, field days and assistance to Future Farmers of America and 4-H club youth ranks high on the list of accomplishments the group has made.

The annual barbecue was the first of its kind in Eastland County. Boyd Hilley of Gorman is president of the organization. He will join a list of past presidents this year that includes such well known men as Judge M. S. Long of Eastland, Lester Hagaman of Ranger and Sutton Craft of Cisco.

Johnny Aaron is general chairman of the affair. Serving on the meat committee is Marvin Webb, Homer Smith and Rev. Otto Marshall make up the coffee committee. H. J. Thanner is in charge of purchasing and Carl Johnson in charge of the speaking system.

The Grounds committee is composed of Waverly Massengale, F. W. Graham, W. M. Cross and W. K. Cooper.

Bernard Hanna is in charge of meat carving and Parks Poe in charge of water and ice. J. M. Cooper, George I. Lane and Leslie Hagaman are on the program committee.

W. B. Harris and Harold Courtner are in charge of bean cooking

and Vernon Humphries and Frank Stocker are on the wood committee.

The potato salad committee is headed by Judge Long and the serving committee is made up of H. H. Durham, Homer Smith, Bernard Harra, Bob Lavender and Don Hart.

T. D. Wheat and J. M. Cooper were in charge of publicity and C. M. McCain, Hood King, Waverly Massengale, Pete Tindall and A. V. Clark are on the membership committee.

Moore... ABOUT Eastland

By VIRGIL E. MOORE

Well, what do you know, we made it. A year we mean. What we're trying to get across is the fact that a year today we have been editing the Eastland Telegram.

Doesn't seem nearly that long to us, but to you who have had to put up with this junk for a year, perhaps it has seemed a lot longer. We hope not.

Anyway, despite our ability to continually keep our foot in our mouth, we have enjoyed our first year here. Now that we have our feet on the ground, maybe (just maybe) we can't start spelling a few names correctly.

Henry Collins was just in to see us. Kinda excited when he got here, but we calmed him down. He says he ran across old Pete over at Carbon near the rock crushing plant. Says the big snake has decided to spend the winter over that way. He didn't seem to like the idea until we told him we would be glad to send over some volunteers with a truck to pick him up and bring the python to Eastland.

Now all we need is the volunteers. You, you, you and you should do.

Latest wisecrack going around Eastland about the snake goes something like this:

"Did you know they found Pete?"

"No, how?"

"He swallowed a pig and it squealed on him."

"Don't blame us for that one, we didn't make it up."

Wondering why some of Eastland's prominent stores were closed Tuesday: It was the Jewish New Year. Pullman's and the Men's Store were both closed for the holiday.

Noticed in the big city press where the Associated Press had sent a man to investigate that "Port Arthur mess." The mess turned out to be, according to the AP story, nothing more than a fight between organized labor and business. It was not, the AP story said, what pro-Shivers backers claimed it was — a Red-led attempt to tie up Port Arthur. The story appeared in the Abilene Reporter. We didn't spot it in the Dallas News and/or the Fort Worth Star Telegram, however.

The story said that instead of fear among teen-age girls, it was found that young girls were attending picture shows after dark without escorts. Citizens from Port Arthur told a group of Eastlanders before the election that girls were afraid of going to school because they feared they would be raped.

What is the cause of the strike? According to the AP story it is caused by business' refusal to recognize the union, not by a demand for more money. (There is not or has not been such a demand.)

The story would have been more useful to Texans before the election, we are prone to believe.

Also noticed in the city press where Clement Attlee, former British prime minister, had said that Formosa should be turned over to Red China. Said he: "As long as you have this thorn in the side of China, you will not get proper peace in that part of Asia. Perhaps Mr. Attlee would like (Continued On Page Two)

LESTER G. FLESNER ... speaks in Eastland

CLOSE STUDY OF NATIONAL AFFAIRS URGED BY FLESNER

A four-point blueprint for action by business men designed to encourage investment, create jobs, and expand production — all within the framework of our free economy, was offered the National Chamber of Commerce Wednesday by Lester G. Flesner of the Chamber of Commerce of the United States.

Flesner is district manager with headquarters in Houston.

The blueprint recommends:

1. Close study of national affairs by business men so they can offer informed, constructive opinion both to Congress and citizens of this community. Members of Congress and other expert speakers on national issues should be invited to appear before Chamber groups.

2. An intensified program of economics study by Chamber members led by top executives in the community. Flesner pointed out that some 40 Chambers of Commerce in all parts of the country

have formed Economics Clubs which meet regularly and provide programs of study which enable business men to clear up popular misunderstandings of the American business system. The National Chamber in Washington has prepared a 17-booklet set of studies collectively entitled "The American Competitive Enterprise Economy", and available to all Chambers of Commerce as well as schools and libraries.

3. Invitation of school teachers to visit local business and industrial firms, so they can be given first hand knowledge of the community's economic resources. These visits are termed Business-Education Days, and should be scheduled once a year. Equally important are Education-Business Days in which business men visit the schools to learn their problems. Similar visits between business men and farmers; also are valuable, Flesner said.

4. Distribution by the Chamber of Commerce of the technicolor film "It's Everybody's Business" to every citizen's organization in the community. This film was produced for the National Chamber of Commerce in cooperation with the Dupont Company at a cost of \$250,000. It demonstrates how the American competitive enterprise system functions in the public interest.

Flesner urged local business men to continue their interest in national affairs, citing the accomplishments of the last Congress and the Administration's successful economy program as examples of what can be done when business men work together in support of sound government. He said that a local Chamber played an effective part in this effort.

Heavy Fines Paid By Three On DWI Charges

Heavy fines were levied in three county Court cases this week involving driving while intoxicated.

George Henry Henshaw of Eastland entered a plea of guilty to DWI and was fined \$100 plus court cost and given a 30 day probation sentence.

A Gorman man, Chester Grice, paid the heaviest fine. He was fined \$500 and cost of court and given a 30 day jail sentence which he must serve. He too, entered a plea of guilty to DWI.

The third case involved W. W. Downing of Dallas, who pleaded guilty to DWI and was fined \$200 and costs of court and given 60 days in jail, probated for six months.

Downing was also charged with carrying a pistol and pleaded guilty to that charge and was fined an additional \$100 and costs of court. He was arrested by Ranger police.

In each of the DWI cases the defendant's drivers license was suspended for six months, District Attorney J. M. Nueselle, who prosecuted the cases, said.

Texas Industries Income Reaches All Time High

Texas Industries, Inc., which Texas Light Weight Aggregate Co. of Eastland is a subsidiary of, net sales and income for the three months ended August 31, were greater than for any previous quarter in the history of the company, Ralph B. Rogers, president, has announced.

Net income of \$191,129 for the quarter was 110 per cent ahead of \$90,689 net income for the corresponding three months last year, Rogers said. Earnings per share were equal to 60 cents on \$11,804 common shares outstanding. This contrasts with earnings of 28 cents per share for the same period for the previous year.

Sales for the three months amounted to \$2,770,948, a gain of 33 per cent over the \$2,074,718 sales of the same quarter last year.

"With construction on the upswing and the possibility that 1955 will see building volume climbing still higher, the outlook for the near future appears promising," Rogers said.

Merkel Is Favorite Over Mavs; B Game Tonight

MAV B TEAM TO JOURNEY TO DUBLIN

Eastland's B team will swing into action tonight for the first time this season when they journey to Dublin to take on the Lion B eleven. The game, which is due to get underway at 7:30 p. m., was scheduled to have been played here, but the game site has been switched to Dublin.

Coach Bobby Elair announced his tentative starting line-up this morning. He plans to start Don Smith at left end, Gene May at left tackle, Clayton Stoker at left guard, Ken Watson at center, John Lively at right guard, Rex Webb at right tackle and Wayne Durham at right end.

J. C. Jarrett has been given the nod at the quarterback slot. Don Lee will be at left half, David Willoughby at fullback and Saul Pullman at right half.

Others expected to see a lot of action include Charles Day, Johnny McMahan, Gene Reagan and Don Ward.

GOING-AWAY GIFT—Vice President Richard Nixon gets a supply of chewing gum from his daughter, six-year-old Julie, as he leaves the Capital for a pre-election speaking tour. Looking on is Mrs. Nixon.

Rangers Have Best Defense In Conference

With all teams in the Pioneer Conference well underway on their season schedules, the Arlington State College Rebels, 1953 loop champions are leading the league in total offense. The Rebels have a total net average gain of 352 yards in two games.

The Ranger Junior College Rangers are the leading defensive team, allowing a total of three opponents an average net gain of 167 yards and a total score of 27 points. They are closely trailed by Schreiner Institute which has allowed two opponents an average of 179 yards and a total score of 14 points.

The loop's leading runner is Bill Pavliska, ASC's fleet fullback, who has carried 17 times for a total gain of 190 yards. That is an average of 11.2 points per carry. Runner up is Howard Meissner of Tarleton State who has 23 carries for 170 yards.

Leading passer is Raymond Glasgow, ASC quarterback, who has completed 9 of 25 pitches for a total of 194 yards, an average of 21.6 yards per completion. Raymond Gilstrap of Ranger is the leading pass receiver with 2 catches for 97 yards.

Top punter thus far is Bob Mangleberger of Scheiner Institute with 4 punts for 187 yards, an average of 46.9 yards per kick. He's closely trailed by Jerry Sessions of San Angelo who has kicked twice for 92 yards, an average of 46 yards per punt.

Johnny Symank, TSC's all conference halfback is the leading punt returner, 4 for 63 yards.

Two Enlist In Army During Past Week

Two area men enlisted in the U.S. Army this week. They are Andrew R. Lowmire Jr. of Route 2 Eastland and Gordon Lee Wood of Route 1, Cisco.

Lowmire is the son of A. R. Lowmire.

Both enlisted at the enlistment station in Breckenridge.

MERKEL RANKS SECOND IN WEST TEXAS

Eastland's Mavericks, hungry for their first win of the season, go up against Merkel Friday night in a non-district game to be played in that West Texas city.

The Mavs will find themselves a heavy underdog as they go up against a team that is rated second best Class A eleven in West Texas. Merkel has won three games in a row for an undefeated season today and will be a three touchdown favorite tomorrow night.

Possibilities of rain dim the local's hopes even more. The Mavs best offense appears to be their aerial game, and rain would definitely hurt their chances. A win by the locals would redeem themselves for their previous three losses, since Merkel is rated as the best team Eastland has run up against yet.

Conches Carrol Shelton and Bobby Elair will probably field their usual starting line-up with Leo Smith and Clyde Egatt at ends; Carl Ezece and Larry Tankersley at tackles; Lupe Herrera and Roy Don Harris at guards; and Terry Warren over the center spot.

In the backfield, the probable starters are Billy Don Upchurch, Jimmy Martin, Billy Cate and Harvey Lewis. Dale Slotton and Jack Akers played outstanding ball last week and either one of the boys just might break into that starting foursome.

Game time is 8 p. m. The Telegram will staff the game.

Other district 7-A games match Rising Star at Santa Anna, De Leon against Dublin, Cross Plains against Brownwood's Bees and Baird at Clyde.

Two Producers Completed In Eastland County

A new Eastland County regular field producer has been completed three an acre-half miles north of Rising Star.

Daily potential is 62.43 barrels of 38 gravity oil, plus 25 per cent water, pumping from perforations at 1,117-1,121 feet. Formation was ruptured. Casing was set at 1,165 feet, with total depth of 1,170 feet.

Another well has been completed one and one-half miles southeast of Eastland as a producer in the Pumpkin Center Field. It is the Henry Cohen, San Antonio, No. 3 Lou Palmer. The well is in Section 29, Block 2, H&TC Survey.

Daily potential is 14 barrels of oil, on pump. Hole was bottomed at 1,388 feet.

Lions Play To Sponsor Sale For The Blind

Eastland Lions Tuesday voted to sponsor a "Lighthouse for the Blind" sale in Eastland at a date to be announced later.

Paul Chesney was program chairman. He introduced two representatives of the "Blind Caravan" and they explained how the caravan works.

The meeting was held in the Roof Garden of the Connellee Hotel.

Dogies Blast Comanche 12-0 In 2nd Win

By STAFF WRITER
Moving behind the best blocking seen at Maverick Stadium in more than a year, the Eastland Junior High School Dogies smashed a big but outclassed Comanche Junior High eleven 12-0 Tuesday night in a minor upset in Little Oil Belt Conference play.

The Dogies ran their victory flag up a little higher with the two touchdown win and are now a definite favorite to battle for the Conference crown.

ANDERSON'S
Gifts, Women and Infants Wear!

Playing before a good sized crowd in perfect weather, the Dogies got things going in a hurry. Before the clock had time to move around to the two minute deep mark, Clinton (Button) Humphreys, Coach Jimmy Hughes' magic performing man-under, had sent his teammates scampering 50 yards for a touchdown. The scoring play was beautifully executed, with Humphrey, a great passer, giving way back to his own 40 and then passing to End Virle Lee on the 25. Lee whirled immediately and lateraled to little Larry Hollis and then laid a smashing block into 175 pound Delbert Brewster

to clear the fast stepping Dogie halfback. Hollis ran into trouble on the five, but the little giant was not to be denied as he powered his way over from that point. Humphrey chose to pass on the extra point try, but his toss went incomplete. Nevertheless, the Dogies led 6-0.

Eastland scored again midway in the second period of play. Driving to the Comanche three, the Dogies bogged down, but in four

plays the visitors couldn't move the ball farther than the 12, from which point Butch Loudermilk punted to the 40. Mike Manning returned the boot to the 30, and from there Hollis carried to the 29. Manning pulled his way to the 10 from that point Hollis took it to the 8. Humphrey passed incomplete and then on a keeper play raced over from the 8. Billy Don Turner turned in a key block on the play, taking out three Comanche would-be tacklers. Again Humphrey passed incomplete on the extra point try.

Comanche's only big thrill of the night came when Loudermilk

blasted across the right side of the line and stepped off 88 yards to paydirt. Two Paposes were far offside, however, and the play was nullified by a five yard penalty.

Knicky Arther, Humphreys and Manning played great defensive ball from their linebacking spots. The Eastland defense all during the night was a 6-3-2 set-up that proved highly effective.

Martin Day, who shared center duties with Larry Alldredge, showed

outstanding work at times, as did Gailon Ables, Wayne Dodson and Jimmy Webb. Eastland's two fine ends, Otis Green and Virle Lee, kept things well under control during the tilt, and Lee's blocking was magnificent.

Delbert Brewster, Comanche's center, kept the score from being much higher with great defensive work. On several occasions he broke through the Eastland pattern to smear the Dogies for serious losses.

Next Tuesday the Dogies will travel to Cisco to take on the high rated Juniors there.

Pioneer Circuit Review-

RANGERS BEING RATED TITLE CONTENDERS; GAMES OF WEEK ARE NON-CONFERENCE AFFAIRS

Riding the crest of three consecutive victories, the crew of EJC Rangers is now being referred to as a "serious contender for the league crown" around the Pioneer Conference circuit.

All five Conference teams resume action Saturday night against non-loop opposition, with games between Schreiner and Del Mar at Corpus Christi and the Arlington State College Rebels meeting Paris Junior College at Arlington billed as banner attractions.

The Schreiner Mountaineers, defensive champions of the conference last season, dropped a game last Thursday 7 to 0 to the Victoria JC eleven coached by H. M. "Rusty" Russell, former Schreiner coach. This week the boys at Kerrville will meet the Del Mar Vikings, who upended Henderson County JC, 37 to 14 last week.

What could be another outstanding thriller is tabbed for Arlington when the ASC Rebels, 20 to 16 victors over Kilgore last week, collide with the tough Paris Junior College Dragons. Paris overcame a fine Tarleton State team, 33 to 6 last week and has only a narrow loss to the awesome Tyler Apaches

The Tarleton State Plowboys, who had the Paris Dragons down last week until their defense weakened, will take on Allen Academy at Stephenville. Despite the 33 points the Plowboys yielded to the Dragons, the Stephenville team is improved this season and appears to have a very capable starting unit. The results of the Tarleton-Allen game will give the dopest another measuring gauge on the comparative strength between the Plowboys and the Rangers.

Previously the Plowboys downed Cisco 38 to 6, a week before the 44 to 7 drubbing which the Rangers last Saturday night handed the Cisco Wranglers.

Ranger jumped into the Pioneer Conference spotlight in the opening game by whipping the Wharton Pioneers 21 to 13, when pre-season predictions had placed the Pioneers as an exceptionally strong junior college team and a pre-season favorite to win the title in the Longhorn Conference.

Ellis Island, N. Y., "door of opportunity" for millions of immigrants to the United States since 1892, may soon be closed. Immigration Service officials are looking for smaller more modern quarters on the mainland.

What's The Score?

By Virgil Moore

The guessing game cooled off a bit last week, but we still managed to pick 10 winners and one tie. Flat missed three games, all being those that we picked upsets in. Texas didn't take the Irish, the Aggies have even less than we thought they did and Eastland — well, the Mavs just flat got beat.

That makes our average for the year .783, dropping it from last week's .792. We have picked 29 winners out of 37 guesses.

—wts—
top-heavy before Merkel.

In college games we pick Ranger over Navarro, TCU to top Arkansas, Baylor to beat Miami U, Rice to dump Cornell, Southern Methodist to upset Georgia Tech, Georgia to beat the impotent Aggies and Texas to revenge themselves against Washington State.

At least that's the way it looks to us.

Landowners May Get Government Loans To Finance Soil Conservation

A new type credit for financing soil conservation measures will be available to farmers through a recent amendment to the Water Facilities Act. In addition, loans to develop irrigation systems and farmstead water supplies, previously limited to 17 states, are extended to the rest of the nation.

The loan services will be available from the Farmers Home Administration. Applications must be made to FHA county offices.

An outstanding feature of the law is provision for insuring loans made by private lenders. Where insured loans from private sources are not available for approved projects, some direct government loans will be made.

Interest rates for insured loans from private sources will be four per cent a year on the unpaid principal, plus an annual loan insurance of one per cent. Direct loan interest will be five per cent. Loans can be used, under the amendment, to pay costs of materials, equipment and services directly related to the application or establishment of soil and water conservation practices, water facilities or drainage. This may include such things as construction or repair of terraces, dikes and ponds, pasture improvement, basic application of lime and fertilizers, and tree planting. Water facilities that can be financed with these loans include tanks, cisterns, wells, pumping and irrigation equipment and similar facilities.

Eligibility for loans under this new legislation will be passed upon by the local three member committee of the FHA. Loans will be made only for the types of soil and water conservation practices recommended by the Extension Service, Soil Conservation Service and other agricultural agencies. No loans can be made for annually recurring costs that generally are considered as farm operating costs.

Half of Working Men At Least 40

NEW YORK — Half of all employed males in the United States are at least 40 years of age, a life insurance company's statisticians report.

Men at ages 40 and over are in the majority among the skilled craftsmen, such as carpenters, brickmasons, machinists, painters and paper hangers, plumbers, stationary engineers, and tool and diemakers. Older men predominate in some occupations such as tailors and railroad locomotive engineers, more than half of whom are well past their 50th birthday. Relatively large numbers of young men are found among farm workers, automotive service station and parking lot attendants, and among linemen and servicemen employed in electric power, telephone and telegraph industries.

State Guard Will Have Exhibit At Fair

Texans attending the State Fair of Texas Oct. 9-24 in Dallas will have an opportunity to get acquainted first-hand with Texas National Guard's 49th Armored Division.

Maj. Gen. Albert Sidney Johnson, the division commander, this week announced plans for a large-scale exhibit of the division's armament at a prominent place on the fairgrounds.

The division will exhibit, among other things, its M-11 (Walker Bull Dog) light tank, M-47 (Patton) medium tank and the armored personnel carrier for infantrymen.

Representatives of the division will be on hand to explain the equipment. Specially constructed ramps will enable visitors to see inside the tanks.

The 49th Armored Division has units in fifty-five Texas cities, principally in North, East and Central Texas. Out-of-town visitors who are members of the division will be asked to sign a guest book at the exhibit, which will be located on Exposition Avenue, the main street of the giant fair.

Assisting the division at the exhibit will be members of the Dallas Junior Chamber of Commerce, which is helping sponsor the exhibit.

The 49th Division Band will hold concerts several times during the fair at the division exhibit. General Johnson said that the purpose of the exhibit was to encourage enlistments in the National Guard and to acquaint Texans with the Guard's role in national security and local communities.

FULTON HARBOR SITE—This is the site where a \$240,000 harbor and bathing beach will be constructed in front of the Fulton community near Rockport. The harbor—providing decking space for 130 commercial and pleasure boats—will be located inside the existing concrete breakwater. The beach will be created along the shoreline with sand dredged from the harbor. The project is part of a long-range development program by the Aransas County Navigation District which will provide the Rockport-Fulton area with four harbors and three beaches.

New Ultrasonic Dental Drill Makes For Painless Dentistry

The old gag about the so-called "painless dentist" is now true for millions of Americans, thanks to a new precision dental drill that will drill your teeth absolutely without pain.

This new dental drill by sound wave means a new era of dental comfort. The machine does not cut or drill in the usual sense of the word, but removes the solid matter with microscopic precision.

Most of the painlessness of the ultrasonic drill is probably explained by the fact that the drill never

gets hot when it is drilling the patients' teeth. Much of the pain caused by rotating dental drills is caused by heat from the friction. And not only does the heat of the rotating dental drills hurt, but heat can actually damage the pulp, dentine and nerves of the tooth itself.

The new dental drill has a metal head that moves up and down delivering more than 29,000 blows each second. The blows are only 1/1000 of an inch in depth. The tremendous speed of the blows and the relatively light touch of the drill is responsible for the painlessness of the operation.

Patients who have been subjected to the new drill for their teeth have given the dentist enthusiastic reports. In fact, one patient who was sitting in the dentist's chair when the new machine broke down leaped from the chair and said he would return to have the tooth fixed when the new drill had been repaired. He added that no dentist was going to use the old fashioned drill on him.

The new drill can be installed in any dentist's office. Although the drill is definitely past the experimental stage, there is still a considerable amount of research going on in laboratories in an attempt to improve the mechanism.

HOSPITAL NEWS

Mr. H. F. Vermillion is being dismissed today, after having been a patient for several weeks in the Eastland Memorial Hospital.

Other patients are W. J. Poe, Cisco, medical; Weldon Cunningham, Ranger, accident; L. M. Cawley, Moran; E. N. Marsh, Okra, medical; Mrs. W. A. Leslie and infant son Robert.

Pentecosts Have New Grandson

Mr. and Mrs. H. P. Pentecost have received an announcement of the safe arrival of a new grandson. He is the son of Mr. and Mrs. James Sellers of Wichita Falls.

He has been named Jimmy, was born September 16th and weighed eight pounds and two ounces.

Mr. and Mrs. Sellers have two other children. They are Debra, aged four, and Dan, two.

Mrs. W. F. Harris is the maternal grandmother.

WMS Meets For Bible Study

Members of the Christian Women's Fellowship met in circle groups in members' homes this week.

The Martha Circle met Monday afternoon in the home of Mrs. Eugene Day. Each of the group brought baby food, which will go into a box for the Juliette Fowler Home in Dallas.

Mrs. J. C. Carothers gave the prayer, and Mrs. N. L. Smitham presented the devotional entitled "Great Truths Wrapped Up In Persons."

Mrs. Otto Marshall taught the lesson study, "How I Can Work Out a Faith to Live By." Program was closed with the missionary benediction repeated in unison.

Mrs. R. L. Carpenter, chairman, presided over the business session. Present were Mmes. B. H. Clifton, C. A. Peterson, Marshall, T. A. Bendy, Smitham, Carothers, Carpenter, Curtis Young, and Gary, Mrs. F. Hanna and Becky.

Mrs. L. Malone was hostess to members of the Ruth Circle in her home, 211 East Sadosa.

Mrs. Pat Murphy gave the opening prayer. Mrs. M. G. Cartwright gave the devotional and Mrs. T. L. Cooper gave the lesson study.

Mrs. Watson presided over the business session, during which plans were made for sending a case of canned soup to the Juliette Fowler home.

Lemon pie and coffee was served to the following: Mmes. Watson, Cartwright, Murphy, Cooper, Miss Sallie Day by the hostess.

Thornell Family Moves Here From Corsicana

Charles M. Thornell and two sons have moved here from Corsicana and are making their home at 611 South Connellee. The boys are attending West Ward school and the family are members of the Church of Christ.

Mr. Thornell is associated with the Magnolia Pipe Line Dept.

Co-Ed Club Meets With Goldia Skiles

Goldia Skiles was hostess to members of the Co-Ed club Wednesday afternoon in the home of her parents, Dr. and Mrs. W. B. Barrow.

A refreshment plate was served to the following members: June Warner, Jean Whitten, Ellen Whately, Barbara Ann Dalton, Mattye Jo Bentley, Madeline Lucy, Ru Ann Owen, Sylvia Latham, Barbara Hightower, Pat McMoy, Jane Jordan, Jo Ann Hollis, Earline Turner, Brenda Tankersley, Dixie Day, Donna Scott, Betty Westfall, by the hostess.

Seventh grade B of the Junior High School met Tuesday in the room of Mrs. Joe Stephen, teacher, for the purpose of organizing a citizenship club.

Oran Rhodes was elected president; Jim Stambough, vice-president; Bonnie Lewis secretary; Phillip Lewis, treasurer; Charlotte Vaught, reporter.

Dues of ten cents a month will be assessed each member, and will be used for social purposes. The club meeting dates were set for each Friday.

Jim Stambough was voted Citizen for the month of September. Dowena Brook and Joy Phillips were appointed program chairmen for the month of October.

The same group gave a party for members of the 8th grade, on Citizenship Day, which was September 17th.

Billy Don Turner was master of ceremonies for the program; and presented Linda Huckabay, who gave the history of the Flag. Martin Day gave the Citizenship code and David Whitten led the group in repeating the 23rd Psalm.

LOOK WHO'S NEW

Mr. and Mrs. W. A. Leslie are the parents of a son, whom they have named Allen Robert. He weighed seven and one half pounds and was born at 2 p.m. September 28th in the Eastland Memorial Hospital.

Mrs. W. P. Leslie is the paternal grandmother.

Castleberrys Have New Grand Daughter

Mr. and Mrs. Frank Castleberry have returned from Midland where they visited with Mr. and Mrs. Frank T. Castleberry, their son Frank Jr. who is two and one-half years old and the new grand daughter, whom they have named May Lewis. She was born Sunday in a Midland hospital.

The maternal grandparents are Mr. and Mrs. Jim Egan of San Francisco, Calif.

Thornell Family Moves Here From Corsicana

Charles M. Thornell and two sons have moved here from Corsicana and are making their home at 611 South Connellee. The boys are attending West Ward school and the family are members of the Church of Christ.

Mr. Thornell is associated with the Magnolia Pipe Line Dept.

"Monthly Pains" stopped or amazingly relieved
 in 3 out of 4 cases in doctors' tests!

• Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps and weak, "no good" feelings of menstruation!

• For in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

• Lydia Pinkham's is modern in its action!

• So get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron. • If taken through the month—it doesn't give relief from those backaches, jitters—help you feel better before and during your period!

• Or—if you suffer from functional "hot flashes" of "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "period" pain!

They won't be little very long

But you can remember your children's precious growing-up years forever with professionally made portraits. Phone for an appointment today.

CANARIS STUDIO

SOCIETY

Willing Workers Elects New Class Officers

Mrs. Dee Cooper was hostess Tuesday evening to members of the Willings Worker's Class of the Olden Baptist Church, at her home in Olden.

Mrs. Ronald Hughes, president, presided over the business session during which new class officers were elected.

Mrs. Dee Cooper was elected president; Mrs. Cecil Alford, vice-president; Mrs. I. E. Tally, secretary; Mrs. Archie Kelley, assistant secretary.

A gift of crystal was presented to Mrs. Alfred Nelson, retiring teacher.

Bible quiz games were conducted. Frosted Cokes and cookies were served. Present were Mmes. Nelson, Ruth Norton, J. D. Herrell, Ronald Hughes, W. E. Matlock, I. E. Tally, Aubrey Patton, Alford, J. D. Cagle, O. H. Dick, Bill Green, Pete Rogers and the hostess group Mmes. Cooper, Kelley and Homer Lawrence.

Baptist Circle Elects Officers

New officers were elected Monday afternoon when members of the Buddin Circle met in the home of Mrs. Howard Upchurch.

Mrs. Frank Lovett, chairman was presiding and Mrs. J. W. Wallace was elected chairman; Mrs. A. G. Denny, co-chairman; Mrs. C. C. Street and Mrs. A. Carlidge, secretary and treasurer; Mrs. Don Daniels and Mrs. Jim Drake, Community Chairman; Miss I d a Chandler, Mrs. H. C. Coles, Benevolence chairman, Mrs. Mary Copeland, Stewardship; Mmes. John Williams, Frank Lovett and M. A. Poe, enlistment; Mmes. H. F. Vermillion and Claude Bell, Missions; Mmes. Howard Upchurch and Horace Buddin Young People.

Mrs. Bell gave the opening prayer and Mrs. Lovett gave the closing prayer.

The lesson study, "Thus It is Written" by Henry Cornell Goerner, was completed under the direction of Mrs. Mary Copeland.

A social hour was held during which refreshments were served.

Those present were Miss Chandler, Mmes. Denny, Lovett, Street, Coneland, Wallace, Daniels, John Williams, Jim Drake, H. C. Cole, Bell and the hostess.

Announcement was made of the next meeting, Oct. 11, in the home of Mrs. Street.

Citizenship Club Is Organized By Seventh Grade

Seventh grade B of the Junior High School met Tuesday in the room of Mrs. Joe Stephen, teacher, for the purpose of organizing a citizenship club.

Oran Rhodes was elected president; Jim Stambough, vice-president; Bonnie Lewis secretary; Phillip Lewis, treasurer; Charlotte Vaught, reporter.

Dues of ten cents a month will be assessed each member, and will be used for social purposes. The club meeting dates were set for each Friday.

Jim Stambough was voted Citizen for the month of September. Dowena Brook and Joy Phillips were appointed program chairmen for the month of October.

The same group gave a party for members of the 8th grade, on Citizenship Day, which was September 17th.

Billy Don Turner was master of ceremonies for the program; and presented Linda Huckabay, who gave the history of the Flag. Martin Day gave the Citizenship code and David Whitten led the group in repeating the 23rd Psalm.

7-A Organizes Citizenship Club At Junior High

Class seven A of Junior High School organized a Citizenship Club, Wednesday afternoon under the direction of their sponsor, Mrs. Joe Stephen.

The club will meet each month and will name the citizen of the month at each meeting, the reporter said.

Jan Robinson was elected president; Ronald Yancy, secretary; Linda Huckabay, treasurer; Billy Don Turner, vice-president; Freddy Miller, Critic; Martha Freese, reporter; and citizen for the month of September is Jan Robinson.

Mrs. Treadwell Is South Ward P-TA Speaker

Mrs. M. A. Treadwell spoke on "Let's Get Acquainted" to members of the South Ward Parent-Teacher's Association, Tuesday afternoon at their meeting in the school auditorium.

Mrs. Treadwell told the group that our all time high record on crime was caused by parents being too busy, and schools being overcrowded. She emphasized that parents should get better acquainted with the teachers.

The room attendance award was won by the fifth grade, which is taught by Mrs. Durham and Mrs. Goode.

Cookies and cokes were served during a social hour.

Mmes. J. Blevins Jr., and George Ford were in charge of the nursery.

Next meeting of the group will be at 7:30 p.m. October 26th in the school auditorium.

Jessie Pittman Jr., of Tulsa Okla., visited Sunday with his parents, Mr. and Mrs. Jess Pittman of Olden.

Jeanne Pittman Hosts Sub-Deb Club Meeting

The Sub-Deb Club met in the home of Jeanne Pittman Wednesday afternoon.

During the business session, Billie Jo Trout, was voted into the club. Refreshments of cup cakes, cheese crackers and Cokes were served.

Present were Dorothy Jo McKinney, Janette Caton, Kedron Williams, Merle Craig, Lou Ann Corbelle, Jane Ann Egnigan, Sandra Potts, Dbris Nell Abott, Carol Ann Hill, Emelie Miller, Janice Little and Mrs. Downs Seaberry, sponsor, and daughter Judy, and the hostess.

Tillman Stubblefield of Dallas was a visitor in Eastland Tuesday.

Mrs. H. M. Hart visited in Fort Worth with her daughters last Saturday and Sunday.

Midwestern To Play West Texas State

WICHITA FALLS (Spl. —Midwestern University's battered and bruised Indians, defeated 1 a s t week by Trinity University of San Antonio, 20-7, goes on the road again this week, tackling West

Texas State at Canyon.

The Indians, despite their defeat, looked very impressive in their Gulf Coast Conference opener. Although injured most of the game, Jerry Fouts added to his ground-gaining lead with 42 yards in 8 carries. He now has a two-game total of 100 without a loss. Full-back E. J. Webb, used sparingly in the opener, rushed for 62 yards in 12 carries against Trinity, the best individual performance.

Tackle Bill Ramsey is not expected to participate in the West Texas State game. The junior let-

terman suffered badly bruised ribs in the Trinity tussle and will not be allowed to drill this week.

Coaches Joe Saitta and Jess Stiles were very well pleased with the Tribe's performance, citing fine line play that limited the Trinity eleven to less than 100 yards net on the ground. The aerial defense, however, proved the Midwestern stumbling point, allowing 176 yards including three long-gainers that either scored or set up all Tiger touchdowns.

Senior letterman Chuck Malone is expected to replace Ramsey in the starting lineup.

Quarterback Bubba Wood and Center Choyce Hall, both out of the opener, recovered sufficiently to play limitedly against Trinity and should be able to start against West Texas State.

Many creatures of the sea's great depths are clothed in somber browns and blacks but shrimps and prawns flaunt flaming red, scarlet and purple.

Ashton, Norton To Attend JC Meet At A & M

Dr. Price Ashton, president of Ranger Junior College and Dr. David Norton, administrative assistant of the college, will attend the 11th annual conference of Junior College administrators, deans and faculty representatives at College Station, Oct. 4 and 5, it was announced today.

Dr. John D. Moseley, president of Austin College at Sherman, will speak at the Monday evening banquet highlighting the two-day program. His topic will be "Junior Colleges have a Challenging Responsibility in Higher Education in Texas."

Dean John R. Bertrand of the basic division at Texas A&M will preside at the banquet. Invocation will be given by Dr. E. J. Howell, president of Tarleton State College at Stephenville.

Dr. Monroe S. Carroll, Dean of the University, Baylor, will preside at one of the opening day sessions. Others on the slate of speakers include Prof. Royal B. Embree, Jr., of the University of Texas and Dr. Walter H. Delaplaine, dean of the A&M School of Arts

and Sciences. Discussion of junior college libraries, student personnel work, visual aids for effective teaching and conference-leading techniques are main parts of the program. All sessions will be held in Memorial Student Center and delegates will arrive and register there Sunday afternoon and early Monday. The general assembly is set for 9 a.m. Oct. 4.

"TEST SHOWED 28 Times More Profit WITH PURINA STEER FATENA"

R. E. Spangler, Assistant Manager PURINA RESEARCH FARM

ASK US ABOUT OUR STEER FEEDING RATION

"In one of our tests with 160 steers, the lot on Steer Fatena returned 28 times more profit than those fed no supplement. The Steer Fatena lot made 6 times more profit than a group fed a single-source protein. All steers in this 195-day test got the same quality hay and were fed Livestock Mineral free-choice.

"Purina Steer Fatena did a better job, because it stimulated bacterial activity in the rumen... used grain and roughage to better advantage. The Steer Fatena steers carried more weight, better finish... brought more money."

Whether you feed light cattle or heavy cattle, whether your roughage is of good or poor quality, there's a Steer Fatena to help you get the most beef from your grain and roughage. Come in. Let us help you work out a profitable feeding program.

A survey of state gasoline taxes levied throughout the nation shows that only two states, New Jersey and Missouri, have a lower rate than Texas. Five states New York, Connecticut, Massachusetts, Indiana, and Wisconsin, have the same rate, while all the other 39 states have a higher rate for gasoline taxes.

New construction in the United States reached a record total of more than \$20,000,000,000 for the first seven months of this year, according to the AFL Building and Construction trades department.
 CALL 601 FOR CLASSIFIED AD SERVICE

SAME OLD TUNE—As a French prisoner-repatriate fans away the hot air, right, a Viet Minh band serenades him with sweet music intended to make prisoners at the exchange point of Vietri, Indo-China, believe in the bamboo-woven "Peace" (Paix) sign overhead. The French high command say the Viet Minh play a different tune in regard to exchange of prisoners, and have delivered less than half of the promised 9000 French Union forces they agreed to return.

What The New Housing Act Means To You

Lower down payments on both old and new homes is now possible for the would-be home owner as a result of the Housing Act of 1954, the most complete rewriting of such law in twenty years.
 The October issue of Better Homes & Gardens Magazine tells how the new act prevents profiteering and other abuses of government-backed housing projects. Important too, is the creation of a committee to step up FHA mortgages in smaller communities where this financing hasn't existed in the past.

The new ACT is expected to bring home ownership within immediate reach of millions of homeowners. On the purchase of a new home, the law increases mortgage amounts insured by FHA to 95 percent of the first nine-thousand-dollar of value plus seventy-five percent of the remainder up to a maximum amount of twenty-thousand dollars.

While the purchase of a new home still is an advantage in the Act's terms, the recent new law greatly narrows the difference that existed under previous FHA regulations.

The new law also gives a shot in-the-arm to home improvement. Homeowners who have remodeling in mind for a home bought on either FHA or VA mortgage can now finance the improvements on terms identical to their first mortgage. This is the first time that so-called "open end" mortgaging has had government backing.

Meeting Place For F B Supper Is Changed

A change in the place of meeting for the Farm Bureau Kick-Off Supper has been made, according to an announcement made today.
 The meeting will be held at 7 o'clock, October 5, in the Legion Hall in Cisco instead of Eastland City Park as was previously announced.
 The supper precedes the annual membership drive by Farm Bureau members. Speaker for the occasion will be Ezzie Dean of Comanche.

Chihuahuas, tiniest dogs in the world, were beloved by ancient Aztecs to guide human souls through the underworld.

Laugh And You Live Longer

There is one medicine that is available for everyone that is safe and can be taken in extremely large quantities... in fact, the larger the quantity, the better the results. That medicine is laughter, described by doctors today as having an ever-increasing effect on prolonging life.

The October issue of Better Home & Gardens Magazine tells how laughter can have far reaching effects on the digestive system, blood pressure and the heart. For example, when you laugh the diaphragm is lowered and raised vigorously and rubs against the right portion of the heart. This acts as a direct stimulant to the heart, increasing the heart rate and the heartbeats.

Leading physicians today emphasize too that if people would laugh more they could actually laugh off many of their minor physical ailments.
 Laughter not only will help you to better health, but it is the cheapest medicine that you can buy and you don't have to see a specialist for a prescription.

It's grand as a **sauce...a salad dressing and a spread!**

Housework Easy Without Niggling Backache

...ing backache, loss of pep and energy, dizziness and faintness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as indigestion, causes this important function to slow down, many folks suffer rapidly from backache—feel miserable. Minor bladder infections due to cold or wrong diet may be setting up nights of frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times it gives happy relief from these ailments. Doan's help the 15 miles of kidney tubes and filter out waste. Get Doan's Pills today!

NEWS FROM DESDEMONA

By Mrs. Ethel Keith
Mrs. L. F. Davis of Valley Mills who has been in the Gorman hospital returned to her home Monday. After spending several days with her daughter, Mrs. R. H. Abel, Mrs. Abel will be with her mother in Valley Mills. Another daughter, Mrs. Johnnie Jones left for her home after having been at the bedside of her mother for more than three weeks. Mrs. Davis continues to be very ill.
Mr. and Mrs. Anse Brown made a visit recently in Floydada, where they visited with her sister, Mr. and Mrs. O. C. Vinson and family and a sister, Mrs. Hilda Stroup.
Mr. and Mrs. Burl Scott of Oil Center, New Mexico were visitors

here the week end. Mrs. Scott and son, Mark, remained for an extended visit with the R. Joiners.
The new cafe operated by Mr. and Mrs. Roy Northcutt opened officially here Tuesday with free coffee and doughnuts.
Funeral services were held at the Baptist Church Thursday for Dan Powers of Austin. Mr. Powers was a former Desdemona citizen. Interment was in the Howard Cemetery.
Mr. and Mrs. John Arnold were in Fullerton, Thursday and Friday of last week visiting with their daughter, Mrs. Frank Leazar. Mr. Leazar and daughter, Beverly Jo and enroute home visited a while in Midland with Mr. and Mrs. Paul Arnold and daughters.
A1-c James Craig, who spent the past two years in Japan is home for a 30 day furlough and is soon to report to Camp Shaw, South Carolina.
Recent visitors in the R. A. Brown home were their daughter, Majorie of Dallas and Mr. and Mrs. Merritt Harris of Runge.
Mr. and Mrs. W. H. Davis and Marjorie were shopping in Fort Worth Tuesday of last week. They spent Sunday in Glen Rose.
Mrs. W. H. Davis attended the meeting Saturday of the Eastland County Federated Clubs, which

was hosted by the women of the County Home Demonstration clubs.
The new cafe operated by Mr. and Mrs. Roy Northcutt opened officially here Tuesday with free coffee and doughnuts.
Funeral services were held at the Baptist Church Thursday for Dan Powers of Austin. Mr. Powers was a former Desdemona citizen. Interment was in the Howard Cemetery.
Mr. and Mrs. John Arnold were in Fullerton, Thursday and Friday of last week visiting with their daughter, Mrs. Frank Leazar. Mr. Leazar and daughter, Beverly Jo and enroute home visited a while in Midland with Mr. and Mrs. Paul Arnold and daughters.

Before Insurance Was Known—
... tolling slaves hewed and wrought by hand. Life was cheap. And the idea of insurance would have been beyond understanding. Not so today. Insurance protection is indispensable both to the individual and industry. Without it the wheels of business and trade would stop. And the less one has the more important is insurance to him for he can least afford to lose what he has. So be prepared. We insure everything but the ashes and pay for them!

H. R. Hicks, et al v. State of Texas, judgment.

Feed manufacturers with distributors in Texas sold 3,237,851 tons of livestock feed during the last State fiscal year which ended on August 31. This was 21.3 percent below last year's figures and 1,167,845 tons below the all-time high set in 1951-52.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headache, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—helps the 16 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
