Around Muleshoe

The Muleshoe Elementary PTA has received the last shipment of Mini Mule T-shirts. The shirts are \$6 each and may be purchased from Shirley Hicks at Dillman and Toni Engle at DeShazo. All sizes, for children and adults, are available.

The Texas Migrant Council at 101 East Ave. B., will start registering children ages two and a half through five for the Winter Phrase, on October 12, 13, and 14, from 8 to 11 a.m. and 1 to 3 p.m.

Information needed to register: (1) birth certificate, (2) immunization card, (3) a social security of head of household, (4) annual income and, (5) proof of income.

The Bailey County Farm Bureau will be holding their Board of Directors meeting on Tuesday evening at 8:30 p.m., October 12, in the Bailey County Farm Bureau Office.

All members are welcome to attend this meeting.

City Officer

'Surprises'

A Burglar

While on routine patrol on the quiet streets of Muleshoe early Saturday morning, Muleshoe City Police Officer Dewayne Haney surprised an apparent burglar.

Haney had only been on patrol for 30 minutes when he surprised a local 19-year old man inside the building at Shafer Bell Station.

The apparent would-be burglar, who did not have permission to be in the building at that hour, was jailed by Haney on a charge of burglary.

Justice Court Files 59;

Disposes Of 26 Cases

Justice of the Peace Tana Holmes filed 25 cases on speeding violations for the period from September 28 to October 5 in Justice Court in Bailey County. Five cases were filed for operation of a motor vehicle without a drivers license, three were filed for being over registered weight and three for public intoxication.

New Officers

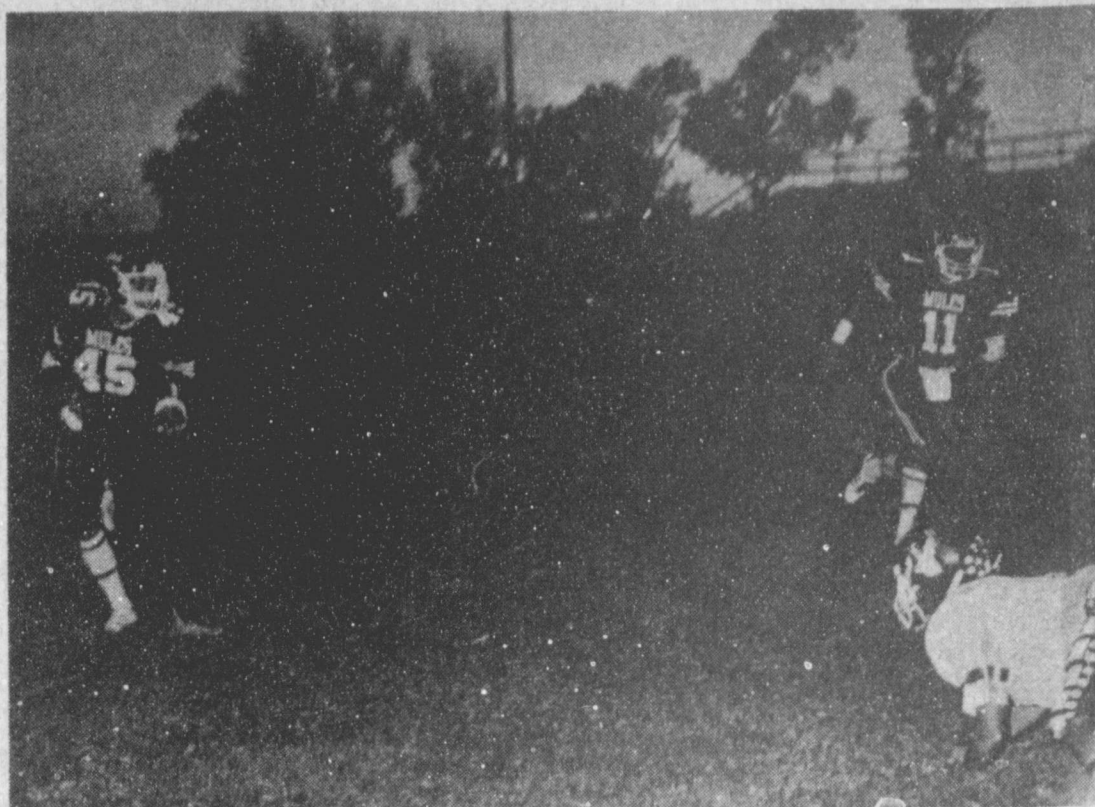

Are Named For C of C

New officers were revealed for the Muleshoe Chamber of Commerce and Agriculture when the annual fall membership breakfast was held Thursday morning.

According to a report by CoC Manager, John Guiley, the new chamber officers are Robert Montgomery, president; Tuffy Dent, vice president; and Bill Liles, secretary. New directors are Harold Thornton, Lonnie Adrian, Hubert Kidd and Doran Reynolds.

Retiring directors are Carson Clayton, Dave Cavitt, and Tommy Gunstream. Officers retiring in January are Bruce Woods, president; Kerry Moore, vice president and Robert Montgomery, secretary.

New officers and directors will take office at the first regular board meeting of the Chamber in January.

RAMBLIN' ON TO VICTORY...With Chubby Ramos, No. 45, clicking off yardage, and Mule quarterback Sammy Gonzales, No. 11, running interference for him, the Mules managed a decisive 34-6 victory in district openers in Muleshoe Friday night. The Mules downed the Abernathy Antelopes to get the district race off to a good start.

September City Tax Rebate Up

State Comptroller Bob Bullock Thursday, sent the biggest check ever for a single month's tax collections -- \$49.2 million -- to 967 Texas cities as their share of the one percent city sales tax for September.

The statewide total is up 20 percent over last September's payment of \$41 million. The payment reflects taxable sales made in July and reported to the state by the end of August.

"Sales in several major South Texas cities declined in July, ever before the latest peso devaluation. But as a whole, our state economy keeps growing strong," says Bullock.

Bullock predicted further South Texas declines when merchants report their taxable sales for August, the month of the latest devaluation, and pointed out the border economy has bounced back within three months after past devaluations.

Muleshoe's one percent sales tax for September amounted to \$13,545.26 up from the comparable pay-

ment in 1981 of \$10,656.60. Total 1982 payments to date amount to \$142,511.23 down from the 1981 payment to date of \$144,565.28, which was a -1.42 percent.

In Littlefield, a total sales tax of \$16,256.51 was sent for September, 1982, up from the \$12,816.24 of September 1981. Total payments for Littlefield in 1982 amount to \$181,041.46 down from the 1981 total of \$187,991.89 in 1981. This netted a -3.70 percent.

The overall one percent sales tax for Lamb County amounted to \$21,910.25 as compared to \$18,283.39 in September 1981. Total 1982 payments to date for Lamb County cities which include Amherst, Earth, Littlefield, Otton and Sudan have reached \$251,335.38 down from \$265,526.09 in 1981, a -5.45 percent.

In Dimmitt, a total sales tax of \$9,838.21 was sent for September 1982 up from \$9,600.60 for September 1981. Total payments for Dimmitt to date amount to \$105,078.45 down from \$107,828.94 in September 1981, which is a 2.55 percent change. The overall share of one percent sales tax for Castro County cities which includes Dimmitt, Hart and Nazareth, to date in 1982 are \$127,696.46 down 2.54 percent from the 1981 total date of \$131,028.86.

In Morton, the share of the one percent sales tax for September 1982 amounted to \$3,104.50 up from the \$2,025.57 of September 1981. Morton's overall tax to date 1982 has amounted to \$35,713.42

slightly up from the \$34,696.63 to date in 1981, which reflects a 2.93 percent change. Overall totals for all cities in Cochran County, which includes Morton and Whiteface reflected September 1982 sales tax amounting to \$43,706.33 up from the \$39,176.82 of September 1981.

Parmer County's largest city, Friona reported a net city sales tax rebate for September 1982 of \$5,620.58 up from the \$4,683.67 from September 1981. Total 1982 payments to date for Friona are up with \$70,916.81 being reported for September 1982 as compared to \$67,558.87 for September 1981. This is a change of 4.97 percent for Friona. Other cities in Parmer County include Bovina and Farwell. Their figures added to the ones for Friona give a county total of \$105,155.74 for September 1982, as compared to \$101,717.53 for September 1981. This is a 3.38 percent change over the period to date.

Houston received the biggest share of the one-cent local sales tax with a check for \$11.6 million. So far in 1982, Houston's pay-

Lions Plan Giveaway And Breakfast

The Muleshoe Lions Club has announced that they will sponsor a Pheasant Hunt Breakfast on Dec. 11, 1982. The Breakfast will be held at the Bailey Co. Coliseum from 5:00 a.m. to 7:00 a.m. The cost of the breakfast will be \$3.00 per plate. Door prizes will also be drawn by ticket number. Tickets are available in advance by contacting a Lion.

In conjunction with the Pheasant Hunt breakfast, the Lions Club will also have a drawing for a Remington 1100 shotgun. The shotgun will come with 2 barrels. To be eligible for the shotgun, a \$2.00 donation will buy a numbered ticket. On the morning of the Pheasant Hunt Breakfast, all ticket stubs will be placed in a hopper and a winner will be drawn.

You need not be present to win, but to be eligible for any of the Door Prizes at the Pheasant Hunt Breakfast, one must have a white Pheasant Hunt Breakfast ticket. The shotgun give-away ticket is good only for the shotgun. Both tickets can be purchased from any Lion.

The Muleshoe Lions Club will be using the funds raised from this project to support the several worth while projects they are involved in.

Commissioners To Consider Note Correction

Main item on the agenda when the Bailey County Commissioners meet in regular session at 10 a.m., Monday, will be to consider correcting the field notes of a road closing order entered in 1961, which order closed a county road between sections 86 and 99, Block A, Melvin, Blum and Blum survey.

Other items will include payment of routine bills and other miscellaneous items.

Seventy-Four Cases Filed In Court

Seventy four cases were filed with Linda Huckaby in Municipal Court from September 21 to October 6.

Among the cases were 12 for speeding, 10 for public intoxication, nine for bad checks, eight for no drivers license, six city ordinance violations, five for no MVI sticker, four for failure to stop at a stop sign, three for criminal trespassing, two each for defective lights, failure to yield right of way, exhibit of acceleration and no liability insurance.

And one each for the following expired drivers license, disorderly conduct, illegal left turn, illegal parking, running a red light, possession of narcotic paraphernalia, assault, failure to leave information at the scene of an accident and no motorcycle license.

Seventy three fines paid in Municipal Court for the same period included 11 for speeding, nine public intoxication, eight violation of city ordinance, seven for no drivers license, six for expired MVI stickers, four for bad checks, three each for no insurance, failure to stop at a stop sign, criminal trespassing and exhibition of acceleration.

Two each for failure to yield right of way, expired drivers license, defective lights, possession of drug paraphernalia and disorderly conduct and one for each of the following disregard of police officer, failure to appear, assault, littering, theft, violation of driver's license restriction, failure to control speed and excessive noise.

WIN 34-6

Abernathy Fumbles Make The Difference

'Victory Is Sweet' In District Battle

Assaults Lead Police Activities List

Muleshoe City Police, along with the Bailey County Sheriff's office and Texas Highway Patrol have been very busy during the past 10 days. Numerous arrests have been logged, and several cases are under current investigation.

Deputies from the sheriff's office are currently investigating a reported burglary which occurred 10 miles west of Muleshoe on Highway 1760. Taken from the non-occupied house owned by Norris Conklin were various tools valued at \$465. The owner of the

house said the burglary occurred between October 2 - 5 and the tools were taken from the house and garage.

Arrests shown on the sheriff's office log book at the jail include Rene Sandoval arrested by the Muleshoe City Police on a capias. He paid \$72 on a back fine and was released.

Members of the sheriff's office arrested Roger Villanueva on a charge of public intoxication and assault; Villanuevas paid a \$212 fine in JP court.

Also, from the sheriff's office was an arrest of Dennis Gallegos on a charge of public intoxication and Richard Villanueva, who was charged with driving while intoxicated and driving while license suspended.

Four prisoners were received from Randall County to board. They are Mark Cahill, charged with burglary of a building; Robert R. Chavez, who is charged with driving while intoxicated, driving while license suspended and no liability insurance; James L. Bowen, charged with auto theft and Raymond Dean Syrus, who is charged with felony DWI.

Other arrests include four arrests on October 3, by the local officers, including Juan Gloria for driving while intoxicated; Ben Charles Harvey, for no driver's license and left turn from wrong lane; Lucas Garcia for driving while intoxicated and Eulalio Martinez, charged with no motor vehicle inspection sticker, driving while license suspended and no liability insurance.

In other action, the Muleshoe City Police investigated a burglary reported by Tina Olivarez. Reported as stolen were a color TV, tapedeck-radio, jewelry box and various jewelry valued at \$545. The same date, Santos Alex Romero was arrested and charged with the burglary of the residence.

Rosa Sigala reported she was assaulted at a local theater. She said the suspect hit her with his fists.

Veda Villanueva was arrested for a hit and run Cont. Page 6, Col. 1

With the temperature slowly dropping, and a chilly wind whipping around, the Muleshoe Mules took to the football field in Muleshoe Friday night, and proceeded to waltz away with their first district victory of the football season.

Taking advantage of numerous turnovers by the Abernathy Antelopes, who failed to hold onto the football in almost any situation, the Mules managed to rack up a 34-6 victory over the hapless 'Lopes.

Taking advantage of the first fumble, with the fumble recovered by Freddie Vela, by the Antelopes after two plays, the Mules moved the ball toward the end zone, before losing out on downs.

Immediately afterward, however, Hector Garcia recovered a fumble, and Hector Orozco slammed in from his right standing up for a seven yard TD. With 8:20 showing on the clock in the first quarter, Eddie Alvarado booted the PAT through the uprights.

Apparently the frustrated Antelopes could not find the handle and the Mules continued to recover the Antelopes fumbles, taking advantage of turnover after turnover.

The first quarter of the game was owned by the Mules, who scored again,

Littlefield Man Killed In Stabbing

David Hernandez, 39, of Littlefield, and a native of Muleshoe, was pronounced dead at Littlefield Medical Hospital at 12:02 a.m., on Friday, from stab wounds received in Littlefield.

Hernandez, the brother of Jerry Hernandez, manager of Serv-all Thriftway in Muleshoe, moved to Littlefield several years ago, but his parents still reside in Muleshoe on West Second Street.

According to a spokeswoman for the Littlefield Police Department, no one is in custody for the stabbing death, and investigation into the murder of David Hernandez is continuing.

after recovering another touchdown when Jeff Hamilton scampered to his left following another recovery by the Muleshoe Mules. An alert Hector Garcia pounced on a 'Lope fumble, setting up the touchdown. Hamilton skipped around to his left on a 15 yard touchdown ramble with 2:30 left in the first.

Alvarado booted the PAT wide to the right and the Mules were leading the game 13-zip going into the second quarter.

Going into the second quarter, the Mules apparently had a brief let down with their 13-0 lead, and the second quarter of the game was almost totally dominated by the Antelopes, who practiced ball

Trio Injured In Crash At Progress

Three persons were hospitalized at West Plains Medical Center in Muleshoe, Thursday morning following a grinding head-on crash some five and one half miles northwest of Muleshoe on Highway 84. The crash occurred around 10:20 a.m., Thursday in the eastbound lanes of the highway.

Hospitalized with lacerations, contusions and other injuries are Mrs. Pierce Adams of Bovina, and Mr. and Mrs. David Moore of Baton Rouge, La.

According to Officer Alan Heckerman of Littlefield, Mrs. Adams had driven out of the Muleshoe Animal Clinic and drove for just over two miles west on the highway before hitting the Louisiana couple head-on at the west edge of Progress.

Two ambulances answered the call to the accident and all three victims were transported to the hospital in Muleshoe.

Assisting at the wreck site until the THP officers could arrive were, Muleshoe City Police Chief, Les Irvin, Muleshoe City Police officer, Tom Watson and Deputy Sheriff Edd Edmiston.

HEAD ON CRASH INJURES THREE--A woman from Bovina, and a couple from Baton Rouge, La., were injured around 10:20 Thursday morning in a grinding head on crash at the west edge of Progress on Highway 84. All three accident victims were brought by ambulance to the hospital in Muleshoe for treatment. In right, foreground, is Muleshoe City Police Chief, Les Irvin, who helped direct traffic.

Texas Health Association Meet Set September

"Do you know what it's like to have your child tell you he is hungry and there is nothing you can give him to eat? I mean, the 16-year old can at least understand, but how do you explain to a 5-year old boy there is nothing to eat in the house?" A Texas mother

We hear that it is common in Biafra, in India and in the interior of Africa, but it's not often we hear about hunger in Texas. Although Texas does not have emaciated, starving masses, we do have THOUSANDS of hungry, malnourished citizens.

One might expect to hear heart-wrenching tales of Texas migrant farmworker families or neglected elderly going hungry, but those are only a tiny part of the over-all tragedy. The family of 7, whose father is an unskilled, day laborer making \$5 - \$20 a day (when he can find work), is frequently hungry. When there is food in the house, their diet consists mainly of beans, tortillas, soup and

potatoes. Many times it's oatmeal and tea for supper. The painter's assistant, who makes \$4 an hour, has a gross income of \$688 (in a full month) to pay rent (\$200), utilities, and medical bills, and to feed his wife, two young children and himself. Since for this family, like many others, food is a flexible monthly expense, there is often little left over after the fixed expenses. So they eat lots of day-old bread, macaroni, hot dogs, and beans. By the end of the week, they are often totally out of food.

Nearly 15% OF Texans live below the poverty level. The fastest growing group of poor is single women with children; the poverty rate is nearly 35% FOR THOSE FAMILIES. Nationwide, women who head families averaged an income of \$8500, compared to \$20,110 for male-headed households.

These statistics take on a

frightening new meaning when hunger and malnutrition are considered. As most of those who are below poverty level get improper nourishment, and most of those are mothers and their children, it means that a large portion of this state is going without the best preventative medicine there is—enough nutritious food.

Children who do not have a proper diet may not develop normally either physically or mentally. They are susceptible to viruses, calcium and iron deficiencies, and retarded growth. Pregnant women without well-balanced food - intake run the risk of having poorly developed babies or babies with birth defects. Mentally, these children develop slower than others, and sometimes develop learning disabilities or, in extreme cases, mental retardation.

Space Center director is Texas A&M graduate

COLLEGE STATION — The new director of the Johnson Space Center (JSC) in Houston, a graduate of Texas A&M University, forms another link in a long association between the National Aeronautics and Space Administration (NASA) and Texas A&M.

Gerald D. Griffin, former deputy director of the Kennedy Space Center in Florida and the Dryden Flight Research Center in California, received his degree in aerospace engineering from Texas A&M in 1956. He will take over the position held for the past 10 years by Christopher C. Kraft. Kraft had been a visiting professor at Texas A&M.

Among the links in the long-standing relationship with the university, NASA provided funds to build the Olin E. Teague Research Center on the Texas A&M campus. The visitor center at JSC was named in memory of Teague last summer.

Texas A&M's research association with NASA spans more than a decade, with the space agency funding projects at a level of about half a million dollars annually. Texas A&M also held, until last year, the longest running contract ever granted to a university by NASA.

Nursing Home News

By: Joy Stancell

Friday morning Gail Wilcox came to give the residents Ceramic class. Friday was Country Fair Day in the Nursing Home. The dining room was decorated with baskets of fresh fruits and vegetables, and ceramic chickens. The tables each had a balloon bouquet in the center of the table tied to a colorful clown. In the Day Room, the ladies displayed their arts and crafts.

The American Blvd., Church of Christ came to sing to the residents Sunday afternoon.

We appreciate Carolyn Wiseman singing for us Wednesday morning.

Jackie Johnson and daughters visited the Nursing Home Wednesday morning.

Bertie Hendrix's son is here visiting. She spent the week end at Audrey's.

Argile Millen visited her mother, Grace Kemp, Tuesday.

Mr. and Mrs. Zeb Robinson visited Marcus Laney Monday.

Alma Henley, Ora Roberts, Effie Smith, Charles Long, Cordelia Cochran, Helen Bayless Free and Joy Stancell attended the Senior Citizens luncheon Monday.

Our thanks to Bonny Weidebusch for helping us decorate for our Country Fair.

W.H. Lee donated fresh vegetables and fruits for our Country Fair.

Maggie London was visited by her son, Mr. and Mrs. Leon London of Farwell, last week.

Effie Smith went out to church with Mr. and Mrs. McCormick, Sunday. Visiting her in the Nursing Home were Herbert and Billie Jean, and Mr. and Mrs. Tommy Berry.

she was also visited by Bruce Slayden & Peggy Burkman.

Mrs. Wenner was visited by Ralph Wenner, Nelda & Lonnie, & Mickey Merriott.

Kate, took her mother, Russ Duncan out to get a perm, Wednesday.

Jackie Johnson and daughter visited the Nursing Home, Wednesday morning.

Wednesday, Edna Henderson celebrated her birthday. Happy Birthday was sung to her in the dining room while she blew out the candles.

Marie Ingram got a new perm, Monday. Among those visiting her this week were, Wilma Waddle, Nelda Merriott, Marjorie Precure, Josie Flowers, Leeann Wilson, Isebel Artz, Jerry Hutton, & Myrtle Chambliss.

Charles Long was visited by his nephew, Thursday.

Barbara Case was visited by Mrs. R.L. Hobbs, of Muleshoe, Hazel Gilbert, Elizabeth Hardin, Adele Thompson. Her son, Jim Burkhead from Albuquerque, N.M.

Annie Dunn was visited by her grand daughter, Terry Douglas, and sons of Clovis. Mrs. Dunn spent Sunday with her daughter, Bennie.

Mr. Laney was visited by Mrs. Laney, Eva Atwood, & Mr. and Mrs. Zeb Robinson.

Lynn Bratcher was visited, Tuesday, by Melba Bratcher. His wife visits every day.

Dottie Wilterding was

visited by Marshal and Joann Head, Suzan and Courtney Free, Lona Embry & Mr. and Mrs. D. B. Head.

Pete Wilkerson visited the Nursing Home Tuesday.

Sudan News

By Evelyn Ritchie

Mr. and Mrs. Wayne Doty were in Odessa, Friday to visit their daughter, Mr. and Mrs. Billy Gore, Stephanie and Dennis. They also visited in Hobbs, N.M., with their other daughter, Mr. and Mrs. Doyle Mapp. Their grandson, Daniel Doty, son of Mr. and Mrs. David Doty of Littlefield, accompanied them.

Grandmother Coldiron has been a patient recently in the Amherst Hospital.

Mrs. Opal Pennington and her daughter, Ann Gerik of Morton, visited in Fort Worth during the weekend to visit Opal's grandchildren, Mr. and Mrs. Mitch Johnson, Mr. and Mrs. Lee Ray Davis and Edith Ruggirello and Damon.

Elsie Seymore was in Lubbock, last Wednesday, for a checkup with her doctor.

Doylene Seymore is reportedly doing well following her emergency surgery the week before last at the Littlefield Medical Center.

Shelly Chester was a patient last week in the Methodist Hospital.

Glenda Cardwell, a student at Methodist Nursing school in Lubbock, was home last weekend to visit her parents Mr. and Mrs. Glen Cardwell.

Tighter controls Established on Food stamp abuse

AUSTIN—Measures designed to tighten control over abuses in the food stamp program have been announced by Marlin W. Johnston, commissioner of the Department of Human Resources, which administers the program in Texas.

Johnston said food stamp recipients in Texas have been instructed to sign each book of food stamps as soon as it is received so that no one else can use the stamps, and to have their food stamp ID card with them and be prepared to show it to their grocer whenever buying food with food stamps.

In addition, the department has redesigned the food stamp ID cards using special serial numbers and a new code to verify that the authorized family representative or family member is the only user of the card. All food stamp recipients will have the new cards by Nov. 1.

In the past, Johnston said, the agency had limited controls over how many ID cards were issued to a family, since

a family member or its authorized representative could claim to have forgotten or lost an ID card, and obtain new cards. This facilitated some program abuse through duplicate participation, Johnston said.

The coding of the card is an innovation developed in Texas as an alternative to a more costly federal proposal that all food stamp ID cards carry the photograph of the participating family member or its authorized representative.

Johnston said 390,300 Texas households receive food stamps in a typical month with the average monthly food stamp allotment per household being \$135. There are three people in the average food stamp household, with 61 percent of the recipients being children.

Audits and investigations conducted routinely by the department indicate a 1.8 percent fraud rate in the program, Johnston said. Food stamp allotments per month in Texas total about \$53 million.

Dail Burnett's Honored On 50th Anniversary

The daughters and grandchildren of Mr. and Mrs. Dail Burnett of Sudan are honoring them with a reception, celebrating the 50th anniversary of their wedding, today, Sunday, from 2 to 3:30 p.m. in the home of a daughter, Loretta Reid of Sudan.

Burnett and the former Lula Gunn were married on October 8, 1932, in Clovis N.M. Rev. Nix, a Baptist minister officiated. They were accompanied by Mr. and Mrs. Robert Newell of Anton.

The Burnetts have two daughters, Violet Nell Blankenship of Littlefield, and Loretta Reid of Sudan. They also have five grandchildren, Hope Gaddy of Grand Prairie, David Gipson of Garland, Roy Dail Hilliard of Littlefield, and Suzanne and Jill Reid of Sudan; and one great granddaughter, Connie Gaddy of Grand Prairie.

If you get rid of envy you will be surprised to see how nice people are in your community.

Sleep, exercise, food and recreation make the best prescription in the fight against disease.

Some people make church work and attendance a part of their business or political effort.

There are three classes of people in the world: the regulated and the radicals.

beam, a 6.80 on floor exercises and 7.7 on uneven bars with an overall score of 23.70.

Coach Drew Oberbeck, Sheri Hawkins and Cindy Purdy accompanied the gymnasts to Amarillo.

To make your chicken cutlets, debone frozen chicken breasts when only partially thawed. Use a thin, sharp knife. The meat will hold its shape and leave the bone easily.

Gymnasts Attend Meet

Two girls from Hawkings and Purdy's School of Dance and Gymnastics competed in Amarillo this past weekend in their second gymnastic district meet.

Michelle Finney, daughter of Mr. and Mrs. Bob Finney, competed in Class III competition. She scored a 7.0 on uneven bars, a 4.65 on balance beam, a 5.75 on floor exercise and a 6.50 on vault with an overall score of 23.90.

Holly Morris, daughter of Mr. and Mrs. Melvin Morris, competed in Class IV division. She scored a 4.85 on vault, a 4.35 on balance

Sudan News By Evelyn Ritchie

Mrs. Hattie Dudgeon of Post, has been visiting Mr. and Mrs. Sterling Reese, Mr. and Mrs. Don Lewis and Winona Dudgeon.

Mrs. Sam Binoham and Alyson of Lubbock visited during the weekend with her parents, Mr. and Mrs. Louis Fields as did their son, Gary, a student at SPC. They all attended the 4-H banquet, Saturday

night. ****
Mr. and Mrs. Dexter Baker were in Sierra Blanca, Texas, during the weekend to visit their daughter, Mr. and Mrs. Bill McCollum and boys.

Mr. and Mrs. Sterling Reece have been vacationing at the Lake of the Pines.

Mr. and Mrs. Elray Rasco were in Dallas during the weekend to visit their son, Bert.

Mr. and Mrs. Bob Donaldson of Muleshoe and Mr. and Mrs. Jimmy Nich-

ols and Cheryl Harvey of Littlefield were Sudan visitors Monday evening and all attended revival services at the FBC.

Hi, I'm Tammy Gore and I will be reporting the news for the Future Homemakers of America for this 1982 - 83 school year.

The first meeting, held on Sept. 8, 1982, was called to order by the sponsor, Mrs. June Pierce, with the order of business of electing new officers for the upcoming year. These new officers are as follows: President, Dora Black; Vice President of Programs, Sandra Hill; Historian and

Vice President of Recreation, Danene Cox; Reporter and Secretary / Treasurer, Tammy Gore; Parliamentarian, Sherri Powell.

It was also decided to have FHA meetings on the

third Monday of each month and officers meetings the second Wednesday.

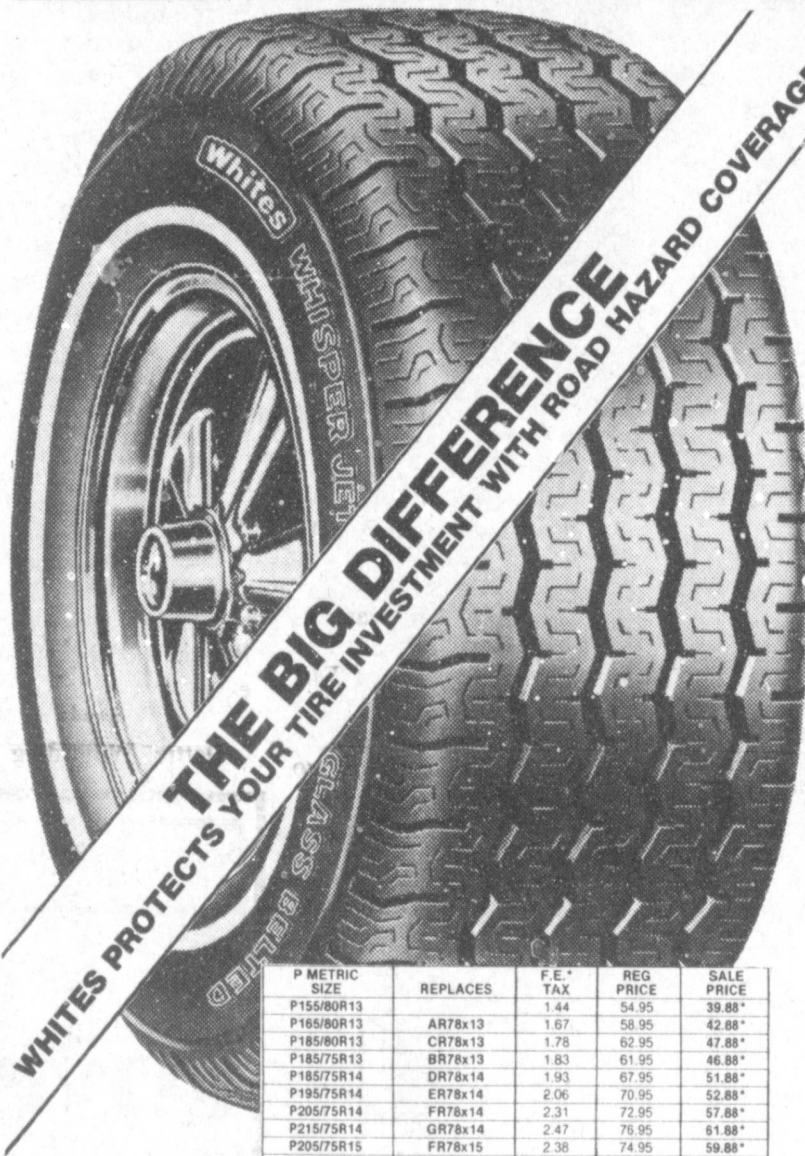

Full attendance at the family table daily builds memories and families.

On October 12 and 16, "The Creative Woman" show will feature information on interfacing basics and tips on food drying. The show is seen on Tuesdays and Thursdays at 12:30 p.m. and 2:00 p.m. on Saturdays on Channel 3, KENW-TV.

Guest Ann Meyer, Education Representative for Pellon Corp. in New York will be the first guest and will talk about choosing interfacing, why an interfacing is so important in sewing any garment, and how to apply sewn-in and fusible interfacing. As Ms. Meyer says "The most important point to remember is when you choose an interfacing, make sure it is compatible with the weight of your fabric and the styling of your garment."

Connie Moyers, Consumer Service Representative with Southwestern Public Service Company in Clovis will conclude the show with tips on food drying. She will discuss types of food that can be successfully dried, explain how to prepare foods for drying and will demonstrate drying some foods in the microwave oven—which is only one way to dry foods.

On October 14, Kennie Hardee, counselor for Mental Health Resources, Inc. in Clovis and Portales will discuss the main tasks of parenting and give suggestions about developing a positive self-image. She'll also distinguish between punishment and discipline.

A product called Stitch-n-Tear will be demonstrated by Ann Meyer as she demonstrates machine appliques. Appliques can dress up any outfit and they're especially attractive on children's clothing. Stitch-n-Tear rip away backing, made by Pellon Co. is used to stabilize the design and to provide a smooth finished edge.

The final guest will be Nina Swan, Director of Consumer Relations with the National Oats Co., Cedar Rapids, Iowa and she will share lots of helpful hints in using oatmeal or cooking with oats.

"The Creative Woman" is produced and hosted by Sheryl Borden for KENW-TV. The show is carried statewide on KRWG-TV, Las Cruces and KNME TV in Albuquerque as well on KENW-TV, Portales.

WOTS Weekly Meeting

Kathy Railback and Pat Mudford were the hostesses for the WOTS October 7 meeting which was held at Summit Savings and Loan Community Room.

Nora Flanary and Glenda Duacan were presented birthday cards and bud vases with yellow roses, as they both celebrated birthdays this week.

The WOTS picnic will be held Friday evening in the back yard of Richard and Bettie Moore, 503 Fourth Street in Earth.

Members present were Alice Phillips, Kathy Railback, Kay Moncrief, Pat Mudford, Mildred Williams, Lois Martinec, Linda Cogliandro, Bettie Moore of Earth, Kay Madry, Marv Smith, Glenda Duncan, Pam Thomason, Nora Flanary and Amy, Lydia Wright, Ruth Davis and Jason.

For more information on WOTS you may contact either Mildred Williams at 272-5260 or Lois Martinec at 272-3019.

An unused swing set can turn a backyard into an eyecore... unless you hang flower baskets from the frame, attach a bird feeder to the overhead bar and plant climbing vines to trail up the legs. A thing of beauty!

KRISTI ETHRIDGE

Brownie Weekly Meeting

Brownie Scout Troop #247 met Thursday, October 7, at 3:30 p.m. in the Scout hut. Refreshments were served by Santana Chavez and Paula Ruthardt.

After refreshments and collecting weekly dues, the members began work on several Christmas gifts for their brothers and sisters. Each girl will have a certain amount of gifts to make before Christmas regardless of the number of children in her family.

Plans and arrangements were discussed for the troop's outing on Saturday, October 9, to Camp Rio Blanco at Crosbyton. The "Great Brownie Event" day camp is scheduled on this day.

A thank you card was signed by all the members to be sent to Red Durham, proprietor of the Progress Fish Farm, for allowing the troop to visit.

Clean-up team for this meeting was Patricia Finch and Jessica Orozco.

Members present were: Amanda Ashford, Santana Chavez, Patricia Finch, Angie Gable, Diamond Lee Garza, Rose Marie Gloria, Shanna Hodge, Donna Jaramillo, Regina Lewis, Shirley Lewis, Melissa Lopez, Jessica Orozco, Paula Ruthardt, Shawnee Ruthstrom, Audrey Williams, Mrs. Cathy Gable, Leader, Mrs. Winnie Ruthstrom; assistant leader, and Jerald Lewis; troop helper.

Visitors present were: Robbie Ruthstrom and Matthew Ruthstrom.

Kristi Ethridge Named AAUW Girl Of Month

Miss Kristi Ethridge, daughter of Mr. and Mrs. Wayland Ethridge, has been selected as the October Girl of the Month by the Muleshoe Branch of the American Association of University Women.

Kristi is a senior and is a member of FTA, the Mighty "M" Band, and Student Council. She attended the Farm Bureau Citizenship Seminar in Waco, this past summer.

She enjoys playing the piano and takes lessons. She also enjoys playing volleyball and spending time with her family.

Kristi is a member of the First Assembly of God Church and is president of the C.A.'s at her church.

She was selected as Girl of the Month because of her school and church participation and her leadership qualities.

Members of AAUW congratulate Kristi on her selection as October Girl of the Month.

SEPTEMBER..Tamara Gilliland was named September "Girl of the Month" by the Muleshoe branch of AAUW.

Run out of paper coffee filters? Cut a paper towel to the right size.

MEMBERSHIP DRIVE CONTEST...Mrs. Julie Broyles and her third grade class won first place and a check for \$20, in the PTA membership drive recently at Mary DeShazo Elementary School. Second place winner was Mrs. Joyline Costen and her fourth grade class. Mrs. Costen received a \$10 check. This money will be used to purchase something for their classroom. (L-R) Mrs. Broyles, Jean Richardson, and Mrs. Costen.

Hobby Club

The Muleshoe Hobby Club met Thursday, October 7 in the community room of the Muleshoe State Bank, with 11 members present.

Sammie Ethridge, president, presided over the business meeting. Minutes of the previous meeting were read and approved. Myrtle Creamer was appointed to fill Myrtle Wells place on the Sunshine Committee.

A card of thanks was read from Lavina Pitts for the plate lunch sent the day of the luncheon. A plate lunch was also taken to Lola Crim, from the luncheon on September 30.

Ruth Williams thanked the club for the card and gift sent during her hospital stay.

Articles on display were a quickpoint telephone book cover, houseplants shared by Edith Fox, 1877 antique tray, dressed doll, pillow cases, quickpoint square tissue cover, crochet 18 inch doll, crochet edging, antique cruet set, artix wall hanging, and two quick-

point Kleenex box covers. The hostess gift was drawn by Fidel Shafer.

Members present were Sammie Ethridge, Mae Provence, Fidel Shafer, Ruth Williams, Ola Epperley, Edith Fox, Nan Gatlin, Bernice Amerson, Jo Wilson, Allie Barbour, Vickie Hendricks and the hostess, Bill Phillips, who served coffee and soft drinks.

The next meeting will be on October 21 with Sammie Ethridge as hostess.

Rebekah Lodge Meeting Held Tuesday

Muleshoe Rebekah Lodge No. 124 met in regular session Tuesday night, October 4, with 26 present. One new member was initiated into Rebekah's. Several were reported sick.

Before the lodge meeting everyone enjoyed a salad supper.

Never slice bread when it's still hot from the oven. You'll get neat, even slices if you wait until the loaf is cool. The loaf will slice better on its side.

American Association Of University Women

The members of the Muleshoe Branch of the American Association of University Women met Monday night in the home of Mrs. Ken Box.

Mrs. Box and her co-hostesses Ethel Allison, Mrs. Joe Costen, and Mrs. Charles Brewer served coffee, tea, punch, vegetables, dip, chips, and cake from a table covered with a green cloth and featuring jack-o-lanterns and ornamental

gourds. All appointments were in brass.

Mrs. Harold Allison introduced Roy Gibson, Safety Coordinator and Public Relations for Roy Talk Station, who presented a program with slides about the Talk plant. AAUW members will tour the Talk Plant during their regular scheduled meeting in November. The program theme for 1982-83 is technology, and the members agreed that this opportunity will be beneficial to the study of technology.

Watters Named Outstanding Young Man

Miles Watters, of Clayton, N.M., a former Sudan resident and a coach in the Sudan schools has been selected for inclusion in the 1982 edition of Outstanding Young Men of America.

These men were selected from nominations received from Senators, Congressman, Governors, Mayors, State Legislators, University and College Presidents and Deans, as well as various civic groups, including the United States Jaycees, which also endorses the Outstanding Young Men of America program.

These men, selected for their diligent working to make their cities, as well as their country, better places in which to live are to be featured in the prestigious annual awards publication of Outstanding Young Men throughout North America.

Mrs. Bill Kent, president, presided during the business meeting. She announced that the District meeting will be held from 9:30 until 2:30 Saturday, October 9, in the El Centro Room at Texas Technological University. Mrs. Harold Allison will be representing the Muleshoe Branch at this meeting.

Miss Kristi Ethridge was elected as the October Girl of the Month.

The Muleshoe Branch voted to endorse Dr. Cora Norman of Oxford, Mississippi, for Association Executive Vice-President, and Mrs. Mary Sherman of Purcell, Oklahoma, for Director of the Southwest Central Region of the American Association of University Women.

Discovery by partners

"...one small step for man, one giant leap for mankind." Neil A. Armstrong, 1969

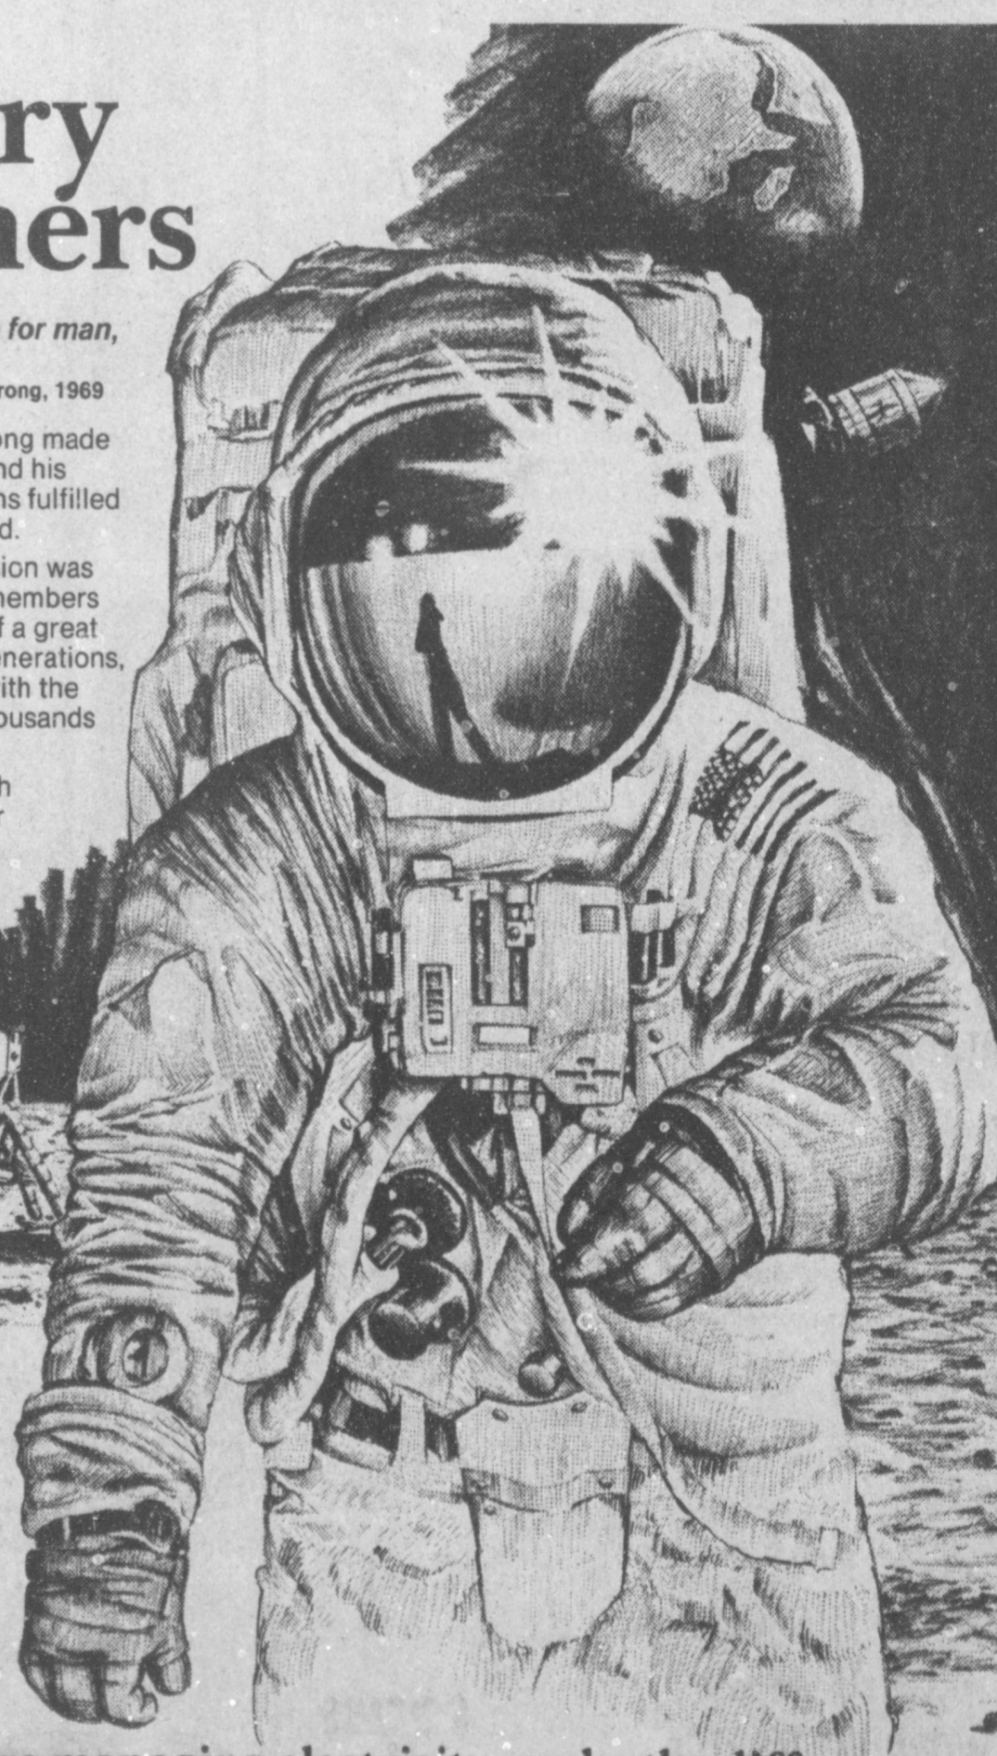

When U.S. Astronaut Neil Armstrong made the first footprint on the moon, he and his partners Buzz Aldrin and Mike Collins fulfilled a centuries-old dream for all mankind.

The success of the Apollo 11 mission was more than a triumph of three crew members working together. It was a triumph of a great network of partners that spanned generations, uniting the discoveries of the past with the skills, courage and imagination of thousands of scientists, engineers and others.

The Apollo 11 lunar mission, which rocketed mankind into the computer age, pioneered the way to a new era of people working together as partners managing technology.

Today, you and Southwestern Public Service Company are partners discovering new ways to manage electricity. For instance, when you install a high-efficiency add-on heat pump to your present furnace, you and SPS work together to help save money. Because the add-on heat pump is a difference worth discovering.

You and SPS, partners managing electricity, make the difference.

PTA CONTEST WINNERS... Mrs. Pat Brewer, on left, received a check for \$20 from the Muleshoe PTA. She and her kindergarten class were first place winners in the PTA membership drive at Dillman Elementary. Mrs. Diane Skipworth (on right) and her first grade class won second place. She received a \$10 check to be used to purchase something for the classroom. These rooms had the largest PTA membership attendance at the first meeting. From left: Mrs. Brewer, Jean Richardson and Mrs. Skipworth.

Mrs. Wrinkle Hosts Kappa Kappa Iota

Members of Kappa Kappa Iota met for their regular meeting on September 23. Acting as hostesses were Johanna Wrinkle, Phyllis Woods, Virginia Bowers, and Lanelle Skaggs.

The members first met at Lanelle Skagg's home and were directed from there on a treasure hunt in the

neighborhood. The treasure was a dinner served by the hostesses at the home of Johanna Wrinkle. A short business meeting was conducted by the president, Johanna Wrinkle after dinner. The meeting adjourned with the singing of the Kappa song. Members present were: Ethel Allison, Jean Allison, Pat Black, Virginia Bowers, Carol Chance, Joyeline Costen, Ester Marie Dillman, Mary Mardis, Mary B. Obenhaus, Nonette Robinson, Lanelle Skaggs, Lucy Faye Smith, Izetta Shain, Jamey Thrasher, Imogene Tiller, Phyllis Woods, Mabel Wolfe, and Johanna Wrinkle.

Many stains in clothing become invisible when dry. When heat is applied -- whether from the dryer or iron -- the stain may turn brown and become quite permanently set, cautions Becky Saunders, clothing specialist with the Texas Agricultural Extension Service, Texas A&M University System. When you plan to have a garment drycleaned, identify -- if known -- the source of each stain and the location, even though it may be invisible at the time, she adds.

To be informed, people must first be willing to listen and respect the opinions of others.

Going to church adds something to living which distinguishes it from surviving.

It's easy to make last-minute plans when you don't have any work to do in the first place.

LATEST ARRIVALS

Clifton Ray Harris

Mr. and Mrs. Kenneth Harris are the proud parents of a son born at 11:19 p.m. October 7, in South Plains Hospital in Amherst.

The young man weighed eight pounds, 12 and one half ounces and was 21 and one half inches long. He has been named Clifton Ray. He is the first child for the couple.

Grandparents are Mr. and Mrs. Bob Templar of Lazbuddie and Mr. and Mrs. Wayland Harris of Muleshoe.

Great grandparents are Erma Templar of Muleshoe and Myrtle Parker of Lazbuddie.

Muleshoe Singing Group

The Muleshoe Singing Group met Saturday, October 2 in the fellowship hall of the Trinity Baptist Church with 20 present including visitors, Jerry Jacques, grandson of Ealand Upchurch; two from Olton, one from Farwell and two from Clovis, N.M.

J.M. Crawford gave the invocation. Zed Robinson sang a solo. Mr. and Mrs. J.C. Shanks sang a duet and Cecil Rundell played several hymns on the harmonica, accompanied by Mrs. Shanks at the piano.

Clara Coffman said "Everyone enjoyed the singing and the fellowship which followed."

WOTS Weekly Meeting

TOPS Club chapter No. 34 met at 6:30 p.m. Thursday, September 30 in the meeting room of Bailey County Electric with 16 members present.

Clara Lou Jones, president, called the meeting to order. The TOPS pledge was recited and the fellowship song sung.

Minutes of the previous meeting was read and approved. It was reported

that Laverne James had a new grandson.

Johnnie Ivy read the rules of the new contest, which began at this meeting.

Clara Crane and Skeet Bradshaw celebrated their birthdays and received a gift from the birthday box.

Lou Knowles was named best loser for the week.

Skeet Bradshaw was first runner up and second runner up was a tie between Lena Gartin and Clara Lou Jones.

The meeting was dismissed with the singing of the goodnight song.

The Muleshoe 4-H Club met on October 4 at the 16th and Ave. D Church of Christ.

Zanna Huckaby, president, called the meeting to order and Holly Huckaby led in the pledge to the American flag.

Carol Copley led the group in the 4-H motto and pledge. Misty Taylor, secretary, called the roll with 55 members present. Twenty two parents were

also present.

The club voted on a point system introduced to them by Linda Huckaby to earn a campership to Brownwood 4-H camp for the one with the highest points.

Pec Wee members will be working for 4-H T-shirts. Fund raising activities were discussed and it was decided by the Club to have a booth at the Harvest Festival.

Club members were reminded that October 3-9 is National 4-H Week and all were to make posters in observance of this week.

Refreshments were provided by Gail, Tina, Latavea and Tiffany Copley after Doug Chitwood led the club in the Star Spangled Banner and other songs.

The Bailey County 4-H banquet will be held on November 1 in the Civic Center.

Sudan Senior Citizens Draws Large Crowd

The Sudan Senior Citizens met Monday, September 27, at the Community Center with 95 persons registering.

Pie and coffee were served and games were played. The group sang, "Happy Birthday" to those who had birthdays since the last meeting and congratulated those who had anniversaries.

During a short-business meeting, Hoyt Robertson gave a report on the tables and chairs, provided through SPAG.

Membership cards are now available at \$2.00 per person per year.

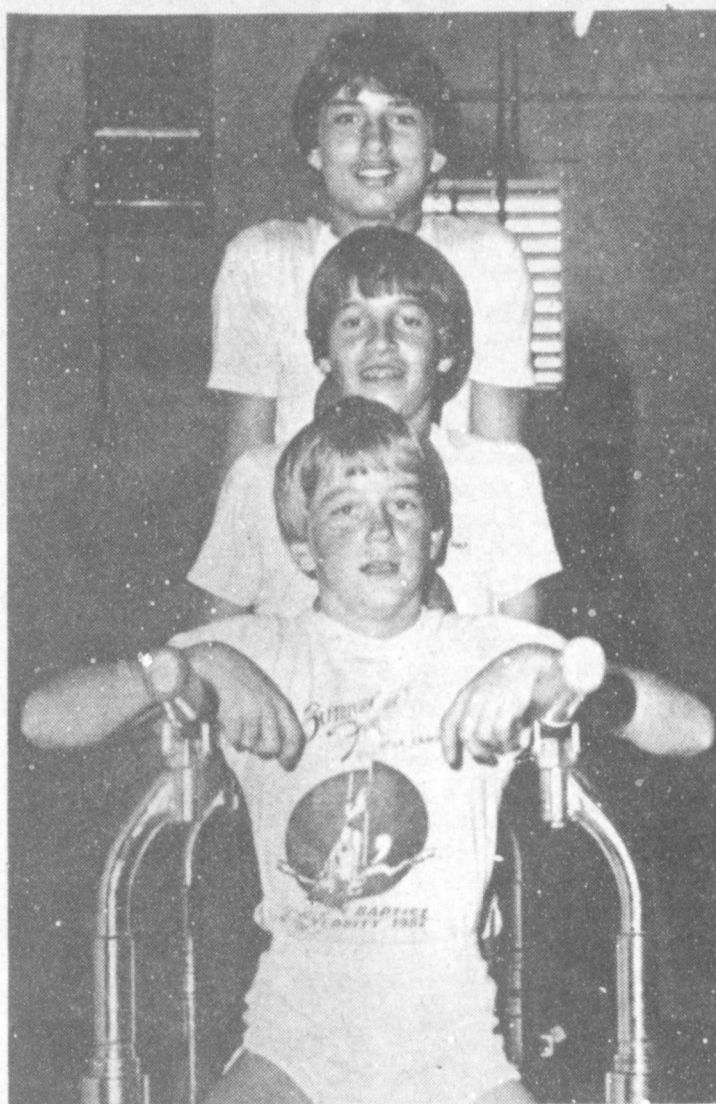

Boys Attend Clinic At Houston

Three boys from Hawkins and Purdy's School of Dance and Gymnastics attended Summer Fun Clinic at Houston Baptist University.

They received a week of coaching and extra curricular activities from a well-known staff. The boys from all over the state of Texas, learned on six pieces of equipment: the floor exercise, stiu rings, high bar, P-bars, vault and the pommel horse.

Andy Hughes, son of Mr. and Mrs. Joe Hughes, Michael Angeley, son of Mr. and Mrs. Ken Angeley, and Jay Hawkins, son of Mr. and Mrs. Richard Hawkins, attended the camp along with their coach, Drew Oberbeck.

A side trip to Astroworld and the Beach preceded their stay at camp.

SUMMER FUN CLINIC... Three boys from Hawkins and Purdy's School of Dance and Gymnastics attended a summer fun clinic at Houston recently. Front. Andy Hughes, Michael Angeley, middle and Jay Hawkins in back.

Mules Win 34-6

Cont. from Page 1

control, and moved the ball almost at will.

However, they moved into the end zone after Chester Cooper, a speedy Abernathy sophomore broke into free territory and zipped downfield on a 55 yard touchdown run. The 'Lopes failed to boot the extra point, after losing the advantage of the extra PAT on a penalty. At the time of the Antelope touchdown, the scoreboard clock showed 8:40 in the second.

Hector Orozco again found paydirt in the third, with just :51 seconds before the fourth when he found a little light, and skipped to his right and into the end zone on a four yard scramble. Alvarado made it a 20-6 game with the PAT.

With five fumbles in the first half, the Antelopes were consistent and had an additional five fumbles in the second half, with six of the ten being recovered by the Mules.

Chubby Ramos, Roby Wilson, Hector Garcia and Zeke Contreras also had fumble recoveries to their credit during the second half, and each time the Mules took full advantage of the recoveries, turning three of them into additional scores.

Black and white power again came to the forefront at 10:53 of the fourth,

when Chubby Ramos slammed through from seven yards out, after a fumble recovery deep in Abernathy territory, making the score 27-6 after the PAT by Alvarado.

Still the Antelopes did not give up, and continued to try to march downfield to put additional scores on the board. To no advantage however, as the anxious 'Lopes still couldn't find the handle, and fumbles continued to plague the team from Abernathy.

Chubby Ramos intercepted an Antelope pass and made a good return of more than 40 yards, yards that were wiped out on a Mule penalty although the Mules maintained possession of the ball.

For a decisive victory, and to put the icing on the cake, Hector Orozco made his final of three touchdowns for the game with 4:14 left in the game. He picked his way through the middle on a two yard plunge, and with Alvarado's PAT, the scoring was ended at 34-6.

Tax Rebates

Cont. from Page 1

ments are up 15.3 percent over 1981.

Dallas got \$5.3 million, up 30 percent from last September's check.

The City of San Antonio received a check for \$2.5 million, up 17 percent from last September's payment of \$2.2 million.

Fort Worth received a check for \$1.7 million, bringing the total received in 1982 to \$18.7 million.

The city of Austin received a check for \$1.6 million, up 34 percent over last September.

El Paso received a \$1.1 million check for a total of \$12.6 million so far in

1982.

Bullock also forwarded September rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received \$12.4 million, bringing the total received this year to \$127.6 million, up 12 percent over last year. The San Antonio MTA received a check for \$1.4 million, bringing the 1982 total to \$15.7 million.

The city and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

Police Activity

Cont. from Page 1

accident which occurred on September 26, and entered a plea of guilty to the charge.

The City of Muleshoe was the complainant after Littlefield officers stopped a vehicle. The vehicle contained street signs which were reported to have been stolen in Muleshoe.

Mario Gomez was arrested and charged with a hit and run accident.

Mrs. Doyce Turner reported a lawnmower stolen. It was valued at \$200.

In another incident, Gilbert Lopez reported to police that he had been assaulted with num chucks at the Old City Park.

Salvador Villarreal reported to police that his 13 year old daughter had been assaulted by a 17 year old male after the young girl refused to "go out with him" at the Civic Center.

Alfred Flores was arrested for criminal trespass.

Ricky Vaughn was arrested by police for possession of narcotic paraphernalia after officers were summoned to a local residence on a fight call.

Dolores Mendoza reported someone trespassing on her property.

Texas A&M engineer fears chemicals may affect water quality

COLLEGE STATION — The quality of some drinking water is a big question mark, says a Texas A&M University environmental engineer.

The average person consumes about half a gallon (two liters) of water every day from the kitchen tap, cooked food, coffee, tea and soft drinks.

But researchers in water quality aren't sure what effect, if any, is caused by minute levels of chemicals now being found with regularity in the nation's underground water tables, says Dr. Bill Batchelor of Texas A&M's Civil Engineering Department.

Texas School Boards Schools Honor Top

The boards of trustees of four Texas school districts were recognized Sunday night, October 3, as Texas Honor School Boards for 1982 by the Texas Association of School Administrators. School boards representing the Corpus Christi, Lovejoy, Muleshoe, and Ysleta Independent School Districts were honored during the banquet session of the 1982 joint convention of the Texas Association of School Administrators and the Texas Association of School Boards.

The Corpus Christi ISD Board of Trustees was designated as Texas' "Outstanding School Board" during the 1981-82 school year. Each of the other three boards was designated as a Texas "Honor Board". Presentations were made to each board by Dan F. Long, Superintendent of the Carrollton - Farmers Branch ISD and Chairman of the TASA School Board Awards Committee.

The Corpus Christi school board is the twelfth annual recipient of this award sponsored by the Texas Association of School Administrators. The purpose of the awards program is to recognize the dedicated service by locally-elected school board members to the public schools of Texas. Nearly three million school-age children attend public schools in nearly 1,100 Texas school districts. There are more than 7,000 locally-elected school board members serving these districts.

Each of these four boards was nominated for this honor by its superintendent. The nominations and selections were based upon the boards' demonstrated commitment to criteria that reflect strong support for the public schools in their respective communities.

Members of these four boards are listed below: Corpus Christi-Clemente Garcia, President; Susan

SBA Moves Lubbock Office

Philip J. O'Jibway, District Director of the U.S. Small Business Administration, has announced that his Agency moved its office on Saturday, September 25. The office was formerly located in the Federal Building at 1205 Texas Avenue and will be open for business in their new location in Regency Plaza, Suite 200 1611 10th Street on Monday, September 27.

The Lubbock District Office administers SBA's programs in the 82 counties of West Texas, including El Paso.

The new facility will have adequate visitor parking east of the building. Telephone numbers for SBA will remain the same.

For additional information or assistance, call (806) 762-7462.

Smartness, rather than sincerity, is what ruins many friendships.

Clovis, N.M.

Recycled wastewater may be a solution to water shortage woes

COLLEGE STATION — Although seven-tenths of the Earth's surface is water, there is hardly more than a drop of fresh water for drinking and industrial use, says a Texas A&M University researcher specializing in recycling treated wastewater.

Research has already given planners an idea of the limits on available groundwater, said environmental engineer Dr. Bill Batchelor.

Figures provided by the federal government more than a year ago revealed that the nation's fresh water supply was being reduced daily by 21 billion gallons more than rainfall could replace.

Batchelor says recycling relatively clean wastewater for industrial or agricultural use could provide a practical alternative to reducing our consumption.

Heart Group Gets Memorials Report

Dorothy Turner reported a total of \$224.70 profit from a recent garage sale to benefit the Bailey County Chapter of the American Heart Association according to a report during the monthly meeting of the chapter.

President Lloyd Haire told the group of a regional leadership workshop scheduled to be held in Lubbock on October 13. He also reported that Carolyn Moore, regional director, is resigning effective October 13.

It was reported by Jerry Mick that the Muleshoe Women Homemakers are planning a CPR class in October and a report on memorials was presented by Glenda Dale. She re-

ported that the local chapter received a total of \$238.40 during the months of July-September combined, plus \$25 in donations.

Attending the meeting was Lloyd and Vera Haire, Dorothy Turner, Elizabeth Watson, Johnnie and

Cherry Estep; D.O. and Betty Burelsmith; Joe and Clara Harbin; Owen and Clara Lou Jones; Don and Laura Seales; Glenda Dale; Dorothy Jean and Jerry Mick and Trey Ellis.

There is nothing morally wrong about being poor.

Kathryn Koob Convention Speaker

Along with 51 other Americans, Kathryn Koob was held hostage for 444 days in Iran. On Tuesday, October 19th, she will address the District XVII educational personnel at the annual TSTA district banquet, speaking on the topic "An American Hostage Counts Her Blessings". Her keynote address promises to be one of the most fascinating that the district has had in several years and TSTA would like to emphasize that all District XVII school personnel are eligible and invited to attend. District TSTA President, Bill Talley, stated that he would like to have a record turn out for this American heroine.

Tickets for the banquet are only \$6 which includes the buffet catered by "Hens and Fens", a style show by Truskosky's and The Hollywood, and a chance to win any of the three door prizes: a 19" color TV, and \$100 gift certificates from each of the merchants presenting the fashion show.

The banquet portion of the TSTA Convention will be held at the Lubbock Memorial Civic Center Banquet Hall from 6:00 to 8:00. Tickets must be purchased in advance from Pat Black, President, Muleshoe Local TSTA.

Local TSTA members will also be attending sectional meetings in 12 different subject areas beginning at 4:30 Tuesday afternoon. Following the banquet, the District XVII House of Delegates will convene. Local delegates are Pat Black, president and Jane Rudd, president-elect of the Muleshoe TSTA Chapter. Also, two positions on the District XVII Executive Committee.

All local school personnel are urged to tie yellow ribbons around their fingers to remember to purchase tickets for this once-in-a-lifetime chance to hear Kathryn Koob.

"MOST COURTEOUS" with FOUR Blue Ribbons each, Todd Holt (left), and Sammy Gonzales (right).

Grade Point System To Be Used For Honors

Colleges and Universities have weighted courses for years through the "hours credit" system. Courses requiring more work were given more hours of credit. Many high schools throughout the state have been moving to various systems similar to insure that students taking courses designated as honors courses could be given extra "class rank" credit for them.

Two years ago, Muleshoe High School promoted and received permission from the local school board to implement such a system in the schools. Through the system developed for Muleshoe High, all course offerings were designated as either Level III, which carries the highest weight; Level II courses, which 90% of the courses are so designated; and Level I courses which are designated as remedial courses. Grade points are assigned courses of all three levels from which students are

ranked. Ranking is done for honor graduates and for the purpose of honor roll students. Courses are designated as Level I, II, or III on the student's transcript. Rather than average grades grade points are added and averaged to determine rank in class. (Example: A grade of 85 in a level III course is comparable in ranking to a grade of 90 in a Level II course.) The system changes no grades at all. All grades are recorded on permanent records exactly as they are. The only difference from previous averages will be the averaging of grade points assigned to grades in courses according to their level. The real value of the system of "weighting" courses is to give a little more credit to students who wish to take the more advanced courses, for those who choose to take specially designated courses set up as "honors" courses, and to those students who choose to better prepare themselves for college by taking a more advanced curriculum in some areas.

Courses designated as Level III courses (highest level) are Chemistry, Advanced Science, English IV (College Prep.), Vocabulary and Composition, Trigonometry, and Advanced Accounting.

Junior Class Meeting

Friday, October 1, the Junior Class had a meeting in the cafeteria to discuss the purchasing of senior rings. Gene Bates of Lubbock Rings came from Lubbock to show the class samples of rings that they could purchase. Rings ranged from \$75.00 for girls up to \$150.00, for the 10 K ring. Men's rings ranged from \$85.00 to \$190.00 for the 10K rings. The class met again Friday, October 8, to purchase their rings.

The class is ordering the rings differently this year. Instead of the students receiving their rings at the end of school, they will get their senior rings at the end of the first semester.

Spirit Jerseys Have Arrived

The spirit jerseys have arrived! Any person who ordered a Muleshoe Mules jersey from the DECA Mercantile should come by Room 24 as soon as possible to pick it up.

Level II courses are all courses not designated as Level III or I. Level I courses are special courses set up for remedial work in certain areas such as Fundamentals of Math, Compensatory English Education, etc.

The grade point system will be used each six weeks to determine whether or not a student is on the Muleshoe High honor roll. To be an honor roll student, the student must have a grade point average of 2.5 (which is comparable to numerical grade average of 90 in Level II courses). To graduate from high school as an "honor" student, a student must have a four-year grade point average of 2.5, which again is comparable to a numerical average of 90 in Level II courses.

Top honors such as Valedictorian and Salutatorian honors will be figured using the grade point system. The student in any class with the highest grade point average will be designated as Valedictorian of the class, and top students will be ranked according to grade point averages.

In no way does the system devalue a student's average grade. It only gives more credit for the more difficult courses that require more time and effort.

Below is a chart that lists assigned grade points for each grade in each level. One should remember that most courses are Level II courses.

Salad Luncheon Planned

The Speech Department at Muleshoe High School is sponsoring a salad luncheon on Saturday, October 16, from 11:00 a.m. - 2:00 p.m. This will be held at the 16th and Avenue C, Church of Christ fellowship hall. The ticket prices are, adults, \$3.00 and children under 12 years, \$1.50.

The money raised will go to support the Speech Department's campaign for their Harvest Queen Candidate in the contest sponsored by the Fine Arts Boosters. The Speech Candidate is Belinda Clayton who will be escorted by Dale Hughes.

There will be all kinds of salads and casseroles and the buffet is all-you-can-eat. Please come!

Workshop Held At Tech

Four M.H.S. teachers traveled with a group of students to Texas Tech to a U.I.L. Workshop, Saturday, October 2nd. Teachers and students attended workshops dealing with Spelling, Science, Ready - Writing, Journalism, and Speech. Mrs. Jamey Thrasher and Mrs. Pat Black also attended a Sponsor's Meeting.

At the Sponsor's meeting Mr. Ray Westbrook, the U.I.L. consultant mentioned several rule changes in this year's contests. The Science test has been changed from a 50 question test to a 3-section test with 20 questions each, over Physics, Chemistry and Biology. The plan is to recognize the top three students in each area at the district level only. This change was made to help encourage younger high school students who have not had the upper level science courses yet.

Another change has been made, this one in the Spelling contest. This year there will be a fifteen minute break after the regular list has been given, then all spelling students will return to the room and take the tie-breaker test.

In the case of a tie for any of the top three places, the tie-breaker tests will be graded only for the students involved in the tie. This change was made due to past difficulties in locating tying contestants for the tie-breaker test after they have left the spelling room.

One other change has been made. In the Number Sense contest. The new rules provide for a 30 minute viewing period after the tests have been graded, but before the results are announced. During this time, coaches can view the papers and question the director about any problem on the test that they feel might be ambiguous.

Several sponsors brought up the question of scheduling conflicts when a student wants to participate in two U.I.L. events. Mr. Westbrook stated that the State cannot dictate scheduling to the Regions or Districts and that the State level events schedule will be available at the end of October for Sponsors to use to help students avoid conflicts at the outset.

He also encouraged sponsors to help students who qualify for State literary meets, apply for the numerous scholarships offered to graduating seniors. He stated that a senator who has qualified for state at any time in his high school career, may apply for these scholarships and has a one in two chance of receiving one.

The Muleshoe High School U.I.L. Director, Mr. Kerry Moore, presented the session on Debate. He took five Speech and Drama students with him, Jimmie Lee, Kim Holman, Kathy Mudford, Scott Calvert, and Mike Harris.

In this workshop, there were also new rules presented. Debate must have three rounds of preliminaries at District and Regional, as well as at state levels this year. The top four teams will be the ones to advance.

Also, the State One Act Play contests will be held in two locations at the University of Texas in order to save time. Rehearsals will begin on Thursday, April 28th, this year, rather than on the previous Tuesday as in the past.

Mrs. Marilyn Miller, from the M.H.S. Science department attended the

U.I.L. Science Workshop with two Science Students, Perry Flowers, and John Issac. Dr. Antoniewicz, Physics professor at University of Texas, worked physics problems for the students and teachers from a sample test. He also summarized a physical research project on monopoles. Dr. Holwerda, Chemistry Professor at Texas Tech University, took a sample test and explained the best approach in the reading, understanding, and solving of several test items. Perry Flowers states that, "The information given by Professor Holwerda of Texas Tech University in the U.I.L. workshop added to our knowledge and understanding of the questions in order to place better at the U.I.L. Contest in the spring." John Issac, who will also be competing in the Science division of U.I.L. stated, "This was a very educational and interesting event which will be helpful in upcoming U.I.L. competitions for the students who attended."

Mrs. Jamey Thrasher, the M.H.S. freshman English teacher, attended the workshop on Spelling. She stated, "Both students and sponsors in the U.I.L. Spelling session discovered some 'truths' in being a winner." This workshop informed the Spelling students that if they learned the 1982-83 words in the U.I.L. Spelling booklet they would be assured the test would be 96% correct. The students, otherwise, need to be concerned with words from current events and trends in the news. The remaining words would come from previous lists. For these words the students can be a winner by identifying prefixes and roots. Mrs. Thrasher is recruiting spelling students at the present. Anyone interested in Spelling in the U.I.L. meet, should consult her.

From the Journalism staff, Mrs. Pat Black, the teacher, and Cristal Taylor attended. Bobby Hawthorne, U.I.L. Journalism director, led this workshop. The many branches of com-

petition in Journalism were discussed. Jim Whitfield from Texas Tech led with the division of features, and how to give them life. Jamie Lee Hinde from the Lubbock Avalanche Journal discussed headlines, and their correct form. Mrs. Black, when asked about this workshop stated, "Because I'm new to the Journalism events this year, I found the sessions on feature writing, news writing, editorial writing and headline writing particularly helpful, and I can't wait to get started working on these events! I have some excellent writers on the journalism staff this year, who could qualify for state if they are willing to put forth the effort and I think they are!" Cristal Taylor a Senior at MHS is particularly interested in headline writing. Her comments on the workshop were, "The UIL preparation workshop gave some helpful hints towards feature writing, editorial writing, news writing, and headline writing. I plan to share the helpful advice with the annual staff in hopes that we may place in district, regional, area and state UIL tournaments."

Two English IV students, Michael Isaac and Marilea Cox attended the Ready - Writing Seminar. This was led by Dr. Nevin Laib of Texas Tech. He first discussed the general nature of the contest. Second, Dr. Laib described the best way to write a winning paper. He showed methods of writing and how to use

Annual Staff Meets With two annual classes this year, it has been difficult to get everyone together for a meeting to plan the 1983 Muletrain. On Wednesday evening, October 6, the staff finally met at Leal's to discuss this year's theme and dedication. Along with deciding what to order for supper, they made decisions regarding the layout of the annual and the use of some color in this year's annual. Final voting on the theme and dedication will be done in each annual class on Monday, October 11. The staff is also considering some promotional ideas for selling more annuals than ever this year. Current plans are to make November, "Annual Sales Month" and run some contests for free annuals. This year's annual staff is made up of Tamara Gilliland and Cristal Taylor, senior co-editors of the Muletrain; seniors - Marilea Cox, and Kevin Grant; juniors - John David Agee, Jay Cage, Maria Bynum, Kacy Henry, Shari Morrison, and Mery Ann Ybarra; and sophomores - Jodi Cruickshank, Laurie Kelton, Dorinda Shafer, and Kristi Spiers. Mrs. Pat Black is the sponsor.

petition in Journalism were discussed. Jim Whitfield from Texas Tech led with the division of features, and how to give them life. Jamie Lee Hinde from the Lubbock Avalanche Journal discussed headlines, and their correct form. Mrs. Black, when asked about this workshop stated, "Because I'm new to the Journalism events this year, I found the sessions on feature writing, news writing, editorial writing and headline writing particularly helpful, and I can't wait to get started working on these events! Two English IV students, Michael Isaac and Marilea Cox attended the Ready - Writing Seminar. This was led by Dr. Nevin Laib of Texas Tech. He first discussed the general nature of the contest. Second, Dr. Laib described the best way to write a winning paper. He showed methods of writing and how to use

Muleshoe High School New Exchange Student

This week we would like to welcome Sergio ZeVallos Ortiz Terrero. Sergio is an exchange student from Lima, Peru. He will be here for 9 months. During the next nine months, Sergio will be staying with the Don Martin family. Sergio came here through the International Fellowship Organization.

When interviewed, Sergio answered several questions about Peru. He mentioned that some of the more common names in Peru are Peter, Willie, Carlos, Roberto, and Johnny.

Sergio also stated that the school rules in Peru are much like the ones in Muleshoe. The only difference in the rules is that they do not have a dress code. Sportswear is the common clothing for boys in Peru, while girls wear the same as is worn here. Even though the school system is more or less the same, the economic system is very different. Sergio says that certain items in the United States are a great deal cheaper than things in Peru.

In Sergio's family there are his two parents and two more brothers. Two of the things Sergio misses the most are his family and people that speak his own language. Sergio thinks the strangest things here are the customs of living. He also said that the weather here is different. While it is autumn here, the weather in Peru is like spring.

Sergio does not have any hobbies, but his favorite past time is just being with his friends.

Some of the souvenirs that Sergio plans to take home are metal sculpture and ceramics. He also says that he may take other things because he thinks the cities in the United States are so beautiful that he would like to take some-

thing to remember them by. Sergio's favorite subject in school is English, and learning to speak English is one of Sergio's main goals. Sergio says he can't wait to learn to speak English so that he can talk with all his new friends here at Muleshoe High School. Sergio's future plans are to become a computer analyst.

Sergio has many friends here at Muleshoe High School and the staff would like to welcome him and wish him the best of luck during his stay here in Muleshoe.

When interviewed, Sergio answered several questions about Peru. He mentioned that some of the more common names in Peru are Peter, Willie, Carlos, Roberto, and Johnny.

Happy Birthday

Lazbuddie Longhorn News

The Lazbuddie Jr. High football team defeated the Valley Patriots 20-0 Thursday, Sept. 23. Robert Tapia scored the first touchdown on a 30 yard run. Tim Lust then scored the next touchdown on a quarterback keeper from 7 yards out. The final score came on a 27 yard run by Omar Sanchez. Lazbuddie Jr. High went to Amherst to play the Bulldogs on Thursday, September 30. The Bulldogs won 18-0.

The Lazbuddie Longhorns traveled to Valley Friday, September 24, where they came up 3 points short of a victory with a score of 6-3. The Longhorns led the game until the fourth quarter on a 35 yard field goal by Jeff Jesko. Player of the Week was Bart Elliott. He traveled 51 yards in 20 carries, and had 24 tackles --four solo tackles, 11 first hits, and nine assists. Defensive Player of the Week was Jimmy Garcia. Jimmy had three solo tackles, three first hits, and 16 assists. Hit of the Week was Daniel Schacher. He had one solo tackle, three first hits, and five assists.

Students and faculty at Lazbuddie schools soaked - it to the Amherst Bulldogs by wearing their craziest socks to school on Friday. Parents' Night was held that night at the Lazbuddie -Amherst football game. The Longhorn players, cheerleaders, and their parents were introduced to a sizeable crowd before the game. The fathers escorted the players through a victory line that was made by the band, and they met the mothers on the sideline and presented them with an orange carnation. The Longhorns beat the Bulldogs 21-13. The Longhorns recovered a fumble and drove the ball for a touchdown. Bart Elliott scored the touchdown on a one yard run and Jeff Jesko kicked the extra point. Amherst scored and tied the game 7-7. The second Longhorn score was made by Jeff Jesko on a 7 yard run. He then kicked the extra point. Casey McBroom ran 47 yards for touchdown and Jeff Jesko kicked the extra point to make the score 21-7. Amherst then scored on a pass play to make the score 21-13. Amherst went for two points but the attempt failed.

R.R.C. August Drilling Report

Railroad Commission Chairman Jim Nugent announced that Texas operators reported 122 gas and 67 oil discoveries in August 1982.

One year ago, 130 gas and 37 oil discoveries were filed with the state's energy regulatory agency.

Gas discoveries in the eighth month of the year included 52 in deep South Texas, 27 in the Refugio area, 13 in Southeast Tex-

as, eight each in east Texas and West Central Texas, five in North Texas, three in the San Angelo area, and two each in the San Antonio and Midland areas and East Central Texas.

Oil discoveries included 13 in West Central Texas, nine each in North Texas and the Midland area, seven in deep South Texas, six each in East Texas and the Refugio and San Angelo areas, five in Southeast Texas, three in the Panhandle, two in the Lubbock area, and one in East Central Texas.

Through the first eight months of this year, there have been 993 gas and 435 oil discoveries throughout the state. For the same period last year, there were 841 gas and 420 oil discoveries.

In August, operators reported 322 exploratory and field tests wound up as dry holes. New applications for permits to drill oil and gas tests totaled 2,510 in August compared with 3,388 in the same period of 1981.

Applications to drill, de-

open, plug back and for service wells in August amounted to 2,913 against

3,724 a year earlier. Operators filed 845 amended applications to

drill. A year earlier they submitted 874 amended requests.

REMEMBERING BACK...Residents of the Muleshoe Nursing Home as well as the staff enjoyed a fun day and dressed in the styles of the 1950's Thursday. Pictured are the employees and one of the residents.

Brewer Gets \$1,000 Clark Scholarship

Dana Brewer, a 1982 graduate of Muleshoe High School, was recently awarded a \$1,000 Clark Foundation scholarship by the Texas Interscholastic League Foundation. The Clark Foundation provided funds for the grant, given by TILF on the basis of extracurricular activity participation and other academic considerations.

Brewer earned eligibility for the grant by placing third in the 1982 UIL State Meet debate contest. She was also a member of the one-act play and the band, winning all-region honors.

She was a member of the National Honor Society, Future Teachers of America, Student Council and Debate Club, serving as captain. She won the Debate Award and was elected DECA secretary. She is attending West Texas State University.

Threeway School News

FABULOUS FIRST

The first grade has added four new members to their roll. Melissa Bennett, Rocia Munoy, Roxaina Rodriguez, and Simon Lopez.

All the members of the class are interested in the Science project that they helped put together. It is a terrarium with plants and shells with several small frogs hopping around. Members of the class take turns with the care of the terrarium and feeding of the frogs.

THUNDERING THIRD

We got a new girl, Cynthia Bennett. Cynthia was here last year and we are glad she is back. We dismissed at 2:30 on Monday so some of us could go to the fair at Lubbock. We have been studying for six weeks tests. Marc Tucker was sick two days this week. We are glad he is back. We had a junior high pep rally Thursday. It must have worked, as the boys won. We hope the high school boys win too.

Malisa Guillen Reporter

FOURTH GRADE

This week our creative writing topic was to write a story about being Super-Human. Some ideas expressed in our stories were to do magic, catch robbers, fly through the air like a

bird, being super-strong, be able to disappear, make things suddenly appear, being able to see through doors and walls, and enjoy listening to each other's stories and guessing who wrote them.

FAR OUT FIFTH

This week the fifth grade got a new student, his name is Jamie Morrow. He is a good student, and the fifth graders wish him goodluck throughout the year.

This is the sixth week of school, and the fifth graders are looking forward to getting their report cards.

SUPER SIXES

Our baby hamsters are growing like weeds. The fish still hasn't had her babies, but don't give up hope! We've been doing all kinds of new things, thanks to Mrs. Brown. We've made a chart and it is about "Fall is..." We put descriptions of fall on it.

Three Way Junior High played Whitharral Sept. 30. We won, 21 to 19 was the score. Tomorrow the high school boys will play Whitharral. We sure hope we beat them. We are having a caravan to raise their spirit and it will begin around 5:15. Wish them luck!!!

Super Sixes by Misti Oxford

SPLENDID SEVENTH

This week the Junior High had a football game with Whitharral. I thank goodness we won! The score was 21 to 19. We

won it at the last seconds. Saul Guillen (our class president) played quarterback the whole game.

We had six weeks test in Science and in English.

We didn't have a class meeting because we had a National Honor Society in our cafeteria.

EXCELLENT EIGHTH

This week the Junior High Football Team will be getting ready for Cotton Center on October 7th. The two previous games we've played we won one and lost one. The first game when we played Dawson we lost 48 to 16. In this game we had the help of Jesse Medina who had two touchdowns. The next week we played Whitharral. In that game we won 21 to 19. In this game we played alot better. Also the cheerleaders did a good job on pep rallies and locker tags. Last, I'd like to thank Coach Peel who helped us and encouraged us to win.

Charles Latimer JUNIOR HIGH PEP CLUB

The Three Way Junior High had a game September 30. We played Whitharral and beat them good. The score was 21 to 19. The cheerleaders were great!! Our next game will be at Cotton Center. We sure hope we win!! Wish them luck!!!

Junior High Pep Club by Misti Oxford

JAUNTY JUNIORS

This week we are playing Cotton Center here and after the game we are having a supper. We will serve Brisket, potato salad, beans, hot rolls, all kinds of cobbler, and tea or coffee. This will be \$3.50 for adults and \$2.50 for child plates. Please come and support the Junior class.

SENSATIONAL SENIORS

Our special Senior for this week is Luis Banda, son of Mr. and Mrs. Fidencio Banda. Luis was born in Muleshoe on October 23, 1962. His favorite food is chicken fried steak and anything blue and red in color.

Luis likes math because it's his best subject and that makes it easy. Luis wants to go to college and be a Highway Patrolman after graduation. Luis thinks the best thing about being a senior is getting to go to lunch first. When asked what he expected out of his senior year, Luis said, "Remembering the good times."

About a dozen states have recently passed laws to assist Vietnam veterans who fear long-term health damage from exposure to the herbicide Agent Orange. Thirty-three states and the District of Columbia offer care for elderly vets in state soldiers' homes.

In Washington state, the Department of Veterans Affairs this year opened a statewide toll-free hotline for veterans and dependents. Illinois recently passed legislation providing up to \$1,670 to certain disabled vets for remodeling a home to meet their needs - in addition to the \$5,000 available from the Veterans Administration for this purpose.

HVI Cotton Classing Holds Potential

Producing a better product over the long haul may help turn cotton market conditions around. High volume instrument (HVI) classing of cotton could help in this effort.

"Essentially, HVI classing (compared to manual examination by a trained classer) can improve the marketability of cotton by giving textile mills more accurate and specific information of its qualities," said Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System.

"HVI classing will help textile mills get a more uniform product that they can depend on the thus will help cotton compete more effectively with manmade fibers," added Anderson. "From a producer standpoint, HVI classing can offer some incentive to farmers to produce better quality cotton because the

Ag Leaders Plan Study '83 Farm Program

A Farm Leadership Conference will be held in Lubbock, Texas, on October 21, 1982. The purpose of the meeting is to analyze the 1983 farm programs and the importance of farmers' participation in them. It is planned primarily for the agricultural news media and officers and leaders of agricultural organizations and commodity groups who will be responsible for disseminating information about the 1983 programs to their members. Leaders of the nation's major farm organizations are expected to be present.

The 1983 programs for feed grains, wheat, cotton, rice and soybeans will be reviewed along with the basic alternatives of each. An comparison of the effects of full participation versus low farmer participation will be made.

The meeting is scheduled to begin at 10 a.m. at Plains Co-Op Oil Mill, 2901 Avenue A, Lubbock, Texas. Sponsoring organizations include: Texas Association of Cotton Producer Organizations, Grain Sorghum Producers Association, Texas Corn Growers Association, Texas Wheat Growers Association, Texas Soybean Association, American Rice, Inc., and Women Involved in Farm Economics.

Veterans can get more information and assistance from any American Legion Post or Veterans Administration Office. - Jack Flynt, National Commander.

The doctor may not know what's wrong with you, but he is confident, at least.

end-use value will be better identified and has the potential for commanding better prices for farmers in the future," said Dr. Bob Metzger, Extension cotton specialist. "HVI classing will 'tell it like it is' as far as cotton quality is concerned. So, top quality cotton will benefit but cotton of lower quality will likely be identified more clearly and discounted at the market place."

Cotton classing operations are under the direction of the Agricultural Marketing Service of the U.S. Department of Agriculture. Supported by local growers, a HVI classing office opened at Lamesa, Tex., in 1980 and has gained considerable favor among farmers, said Anderson.

HVI classing systems are currently being installed at Lubbock, Tex., and Altus, Okla., and should be ready for operation with the upcoming harvest for growers who choose to have their cotton classed by instruments. HVI classing fees currently run \$1.10 per bale at Lubbock and Altus to offset part of the equipment cost compared to 67 cents per bale for regular classing. However, since producers funded a portion of the cost to establish the Lamesa system, the fee there will be 67 cents a bale.

Farmers and ginners in other cotton growing areas of Texas are also becoming interested in HVI classing, said Metzger, because of its potential to the industry. A special conference on instrument cotton classing will be held Oct. 15, in Corpus Christi for farmers and ginners in coastal and southern areas. That conference will begin at 9 a.m. at the Hilton Inn.

HVI classing systems operate with reliability, speed and economy and provide meaningful quality information on each bale of cotton, explained Anderson. They can measure: color,

length, fineness (micronaire), strength and length uniformity. However, the current marketing system is not yet ready to handle the separate factors of color and trash, so a classer must still assess the grade and visually judge trash content.

"HVI classing provides

for more exact measurements of quality characteristics which help cotton's use value in manufacturing and consumption and enables more efficient pricing of cotton lint," Anderson pointed out. "The advent of HVI classing systems offers the potential for dramatic improvements in describing spinning pro-

erties of cotton." HVI classing tied to a pricing system that will entice producers to grow top quality cotton will go a long way in improving cotton marketing, noted Metzger. This will allow textile mills to achieve quality control and to gain more confidence in cotton as a reliable product.

Local Woman's Mother

Dies In Lubbock

Funeral services for Mrs. J.L. Birdwell, 88, of Lubbock were held at 2 p.m. Saturday, October 4, at the Central Baptist Church. Dr. John M. Adams, pastor, and the Rev. Jack A. Welch, pastor emeritus of the church, officiating.

Private entombment at Resthaven Mausoleum followed, under the direction of Rix Funeral Directors.

Mrs. Birdwell died at 10 p.m., Thursday, at Frances Hospitality House following a lengthy illness.

She was born March 15, 1894, in Scurry County and married John L. Birdwell on December 24, 1915, in Snyder. He died May 23, 1972. She was a longtime member of the Central Baptist Church and had

been a Lubbock resident since 1939, having moved from Ralls.

Survivors include one son, J.E. Birdwell of Lubbock; three daughters, Mrs. Ray Brown of Rotan, Mrs. W.E. Keeney of Lubbock and Mrs. Bernard Phelps of Muleshoe; three brothers, Floyd Golden of Amarillo, Ward Golden of Dimmitt, and Pete Golden of Brownfield, 14 grandchildren; and 13 great grandchildren.

The family suggests memorial to a favorite charity.

Pallbearers were Stan Brown, Elwood Keeney, John Birdwell, Clay Birdwell, Britt Birdwell, Scott Birdwell and Matt Phelps.

Mrs. Holmes Services

Held Saturday

Services for Florence Holmes, 74, were held at 10 a.m. Saturday, October 9, at the Calvary Baptist Church with the Rev. James Williams, pastor, and the Rev. Brock Sanders, pastor of the Richland Hills Baptist Church, officiating.

Rebekah graveside services were conducted in Bailey County Memorial Park. Burial was under the direction of Ellis Funeral Home. Mrs. Holmes died at 12 p.m. Thursday, in West Plains Medical Center.

She was born on October 27, 1909 in Quinlan, Texas, and moved to Muleshoe in 1934 from Abilene. Her husband, J. W. "Shorty" Holmes died in November 1981. She was a housewife, a member of the Muleshoe Rebekah Lodge No. 114, and the Calvar Baptist Church member.

Survivors include two daughters, Mrs. Carolyn Maxwell of Muleshoe and Mrs. Alice Elliott of Odessa; two sons, Claude Holmes and Wayne Holmes, both of Muleshoe; one brother, Buster McDaniel of Terrell; and 12 grandchildren.

FLORENCE HOLMES

Beene Services Conducted

In Circleback

Funeral services for Bertha Beene, 78, of the Needmore Community were held at 2 p.m., Saturday, October 9, in the Circleback Baptist Church with the Rev. Oscar Newell, Baptist minister from Slaton, and the Rev. Lesley Welch, pastor of the Circleback Baptist Church, officiating.

Burial was in Bailey County Memorial Park under the direction of Ellis Funeral Home of Muleshoe. Mrs. Beene died at 8:45 a.m., Friday, in the Methodist Hospital at Lubbock.

ghter, Mrs. Christine Smith of Lubbock; one son, J.E. Luce of Covington, La.; one step son, Eddie Beene of Needmore; four sisters, Mrs. Louis Davis of Houston, Mrs. Jerry O'Brien of Albuquerque, N.M., Mrs. Dot Blanton of Houston and Mrs. Beulah Luce of Cypress, Calif.; one brother, H.F. Wooten of San Angelo; 10 grandchildren; and four great grandchildren.

BERTHA BEENE

She was born February 26, 1904, in Bee Bee, Indian Territory, Oklahoma, and moved to the Needmore Community 25 years ago from Clovis, N.M. She married, Fred Beene on August 30, 1957 in Clovis, N.M. She was in the retail clothiers business, a member of the Circleback Baptist Church and the Pythian Sisters in San Angelo.

Survivors include her husband, Fred; one dau-

Hightower Says Proposition 3 Needs 'Yes' Vote November

Jim Hightower, Democratic nominee for Agriculture Commissioner, Friday urged voters to "take one little step that will help our family farmers and ranchers in a big way - vote for Proposition 3 on November 2."

Proposition 3 is the proposed constitutional amendment that would exempt farm and ranch equipment from ad valorem taxes.

"The taxes currently collected on agricultural tools and machinery amount to only one-eighth of one percent of all tax revenues, but the collection of the tax from the individual farmer can be enough to put a depressing red blotch on the debit side of his balance sheet," Hightower said. "In other words, government is not getting enough from the tax to do them any good, but the tax taken from the individual farmer can do them real harm."

"Texas farmers and ranchers already are at the breaking point financially - the Farmers Home Administration reports that 55 percent of its Texas borrowers are so strapped this year that they can't make

their operating loan payments - it makes no sense to continue taxing the tools that hard-hit people like these must have to stay in business," Hightower said.

"It is tremendously expensive to try to farm these days - a standard tractor costs about \$40,000, a combine will run you around \$85,000, a round baler will cost you \$9,500, and you'll put down \$5,500 for a planter. These are no simple 'implements of husbandry' as the tax code calls them, and application of

this tax to a modern incorporated farm family could take as much as \$3,000 a year out of the family's pocket," Hightower said.

"Most businesses can pay their taxes by just raising the price of their goods or services, but the farmers have to take whatever price is being offered by the market for their bale of cotton or bushel of wheat. Farmers already pay high taxes on their land holdings. Extra tax on the equipment needed to make that land productive is un-

fair," Hightower said.

"Taxation of farm and ranch equipment is an idea whose time has pass-

ed, if there ever was a time," said Hightower, "and Proposition 3 is the way to give this tax a decent burial. As I travel a-

round to the cities of Texas in the next few weeks, I'll be making a major effort to drum up support for Proposition 3.

A friend in Need...

The Bible tells the story of the Good Samaritan, who gave aid to a traveler that had been beaten and robbed and left to die. The churches have made it possible for us to have hospitals and care for those in need of medical help. It is also the church's desire to be a friend in time of spiritual need. "Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Seeing America is a good way for Americans to spend their time and money.

Too many youngsters think they should start out in the business world at the top.

We wonder if the stars in the entertainment world think they are worth what they are paid.

Nursing Home News

By: Joy Stancell

Thurs. morning, Sharon Williams came to have a Devotional with the residents.

Tues. at noon, the ladies W.M.U. Class of the Trinity Baptist Church made and served homemade pies for the residents dinner.

Josie Flowers brought watermelon for the residents, Friday morning. We all enjoyed the watermelon party.

Friday afternoon, Brother John Boor from the American Blvd., Church of Christ, came to have a Devotional.

Sunday morning, E. B. Wilson came to have Bible Study with the residents. Sunday afternoon, members of the Methodist Church came to Lag to the residents.

Tuesday afternoon, the Hospital and Nursing Home Aux., came to shampoo and set the ladies hair and give manicures.

Glenda Jennings, Jackie Johnson, and Bro. Louis Crenshaw of the Lazbuddie Methodist Church came to have a sing-a-long with the residents, Wednesday afternoon.

We were honored to have the Senior Citizen's Kitchen Band from Clovis to entertain us Saturday afternoon. Many thanks to Marjorie Precure for helping with the refreshments. We appreciate the attendance of the nice folks in the Muleshoe area.

Wednesday morning, Carolyn Wisemon and Gwyn Murry ministered to us in song and music. We thank them for us.

Ora Roberts was visited Tuesday, by her grandson, Allen, his wife, Barbara & their daughter, Sally.

Bunnie Hurd was visited by Glenna, & Mary. Her son, August, installed her a T.V. last week.

Cordelia Cochran was visited by Mr. and Mrs. Jason Myers of Calif., Mrs. Hazei Robinson, Mrs. Roy Thomas, Jewel Strong, Clarence Mc Mahan. Mrs. Cochran visited the Farwell Convalescence Home, Friday.

Mrs. Whisenhunt was visited by Lucy, John and "son". She has finished piecing a quilt.

Adell Beaty celebrated her birthday, Saturday. Her family was here to join in. Betty Jo Beaty, made her a birthday cake.

Clara Weaver was visited by Glenda Jennings, Jerry Hutton, and Cheryl.

Alma Henley's daughter, Cleo, took her shopping Friday. Visiting her in the Nursing Home were Mrs. Baker, Jerry Hutton, Retta Shipp, and Mrs. Clinton Busby.

Ethel Armstrong celebrated her birthday, Monday, here.
