MOORE about... EASTLAND by Virgil E. Moore

There's nothing just like it,
Thanksgiving I mean,—
With the turkey and dressing,
And junk in between.
I marveled last Thursday,
At all I could eat,
But after 'twas over,
All I could do was beat.
This morning I noticed,
As I came into town,
That others were struggling,
To keep down a frown.
It seems that in Eastland,
All over the nation,
After Thanksgiving,
A day of consternation,
The druggists and doctors,
Were right busy today,
Too much juicy dressing,
Will get you that way.
The trouble with eating,
All that you can eat,
Is that sometimes the effort
Fits lead in your feet,
I've pondered the question,
Until I'm almost beserk,
And have firmly decided
That I must be a jerk.
Why did I ever reach for
That last slice of pie?
The way I ache now
I am sure I will die!
The fact that others, too,
Overstuffed their hides
Doesn't aid me at all
With this pain in my sides.
But as the publisher says,
We must go to press.
Although that I'm certain
He must note by distress,
The Eastland Telegram must,
In its usual way,
Tell you all that Eastland
Had a wonderful day.
We must tell of the turkey
That all of us ate,
And the kinfolks who came
And helped clean up the plate.
Yes, there's nothing quite like it,
Thanksgiving I mean.
To make you realize,
How you like that old bean.
But, luckily for all,
It's now over again.
Put watch out for Christmas,
That is if you can.
This poetry I've written,
May not please you all,
But consider my condition
(I had to write on the wall.)

Lucas Service Station Installs Washing System

Charlie Lucas, owner of Lucas Texaco Service Station, today announced he has installed a "Modern Spray Away Car Washing System."

Lucas said the new scientific washing "device, using a special shampoo, washes cars cleaner and faster, getting hard to get spots as clean as the rest of the car."

The new system, Lucas said, never injures the car's surface.

Mrs. Johnson's Services Set for Sunday

Mrs. J. L. Johnson, a longtime Eastland resident, died Saturday morning in Eastland.

Funeral services will be held at 2 p.m. Sunday in the Hammer Funeral Chapel with Rev. Ray Heckendorn, pastor of the First Christian Church, officiating, assisted by Rev. Lester Davenport of Fort Worth.

Burial will be in the Eastland Cemetery.

County Has 13th Fatality

One person was killed and at least five others injured in highway mishaps over the county Wednesday. The fatal Cisco accident marked the 13th fatality in the county this year.

Violent deaths in Texas started mounting Thursday in Texas as the long holiday got underway. Other highway accidents occurred throughout the nation.

Joe Alsbrook, 76, of Cisco, was killed in a traffic accident Wednesday afternoon when he was struck by a car when crossing a street. The impact knocked him about 45 feet. He was dead upon arrival at

Graham Hospital in Cisco. Funeral services were held at 10 a.m. Friday in the First Christian Church of Cisco with Rev. Clyde D. Lindsley, pastor, officiating.

Five Gorman teenagers were injured, when the car in which they were riding overturned on Old State Highway 6, about two miles west of Gorman, about midnight Wednesday.

Injured were Eddie Gregg, a student at Tarleton College, with a broken ankle; Eddie Browning a student at Cisco Junior College, who suffered shock; Fatsy Rawls, high school student; Judy Beth and Emma Jane Skaggs, daughters of Mr. and Mrs. Archie Skaggs. Judy Beth is a student at Tarleton College and Emma Jane is a student at Gorman High School. Judy Beth suffered face and head cuts with a possible concussion. Exact injuries of Emma Jane were unknown.

Miss Rawls was treated and released. The others were in Blackwell Hospital at Gorman, at last report.

Queen Candidates Receive Letters

Letters to contestants and prospective contestants in the queen contest of the Sixth Annual Pecan Show have been sent out by the Ranger Chamber of Commerce.

Judging of the Eastland County Pecan Queen will be held Thursday, Dec. 11, at 8 p.m. in the high school auditorium. The one selected will reign over the two day Pecan Show, set Dec. 12-13 in the Joseph Building.

She will also be sent by the Eastland County Pecan Growers Association to the state convention to be held in July, and will compete for State Pecan Queen.

Contestants will assemble at the High School library reading room for a 30-minute briefing on contest procedure at 6 p.m. that day, to be given by Mrs. C. E. May, Jr., president of the 1947 Club which is sponsoring the contest. They will re-assemble in the same room at 8 p.m. to prepare for the contest.

Contestants will not wear ribbons or badges indicating their name of their community, nor will they be accompanied by escorts.

Judging will be on the basis of appearance (maximum of 40 points), poise (20 points), and personality (40 points).

Donald Webb Completes Seven Month Navy Tour

LONG BEACH, Calif. — Donald R. Webb, fire control technician third class, USN, son of Mr. and Mrs. James R. Webb of 401 W. Sadosa St., Eastland, and husband of the former Miss Lola C. Williamson of Saint Jo, returned to Long Beach, Calif., Nov. 20 aboard the destroyer USS Mansfield after a seven-month tour of duty with the U. S. Seventh Fleet in the Western Pacific.

The Mansfield took part in "Operation Hardtack" in July at the Atomic Proving Grounds surrounding the Marshall Islands of Eniwetok and Bikini, thus giving the crew a first hand insight into atomic warfare. The ship later operated out of Yokosuka, Japan, providing an escort for the attack aircraft carrier USS Shangri-La, and on Aug. 29, rescued a pilot from that carrier who went down at sea.

On Sept. 7 the Mansfield joined Task Force 72 off Formosa and provided escort duties for ships relieving bombarded Matsuyama and Quemooy. The destroyer later joined another task group for more air operations with the Shangri-La.

The Mansfield departed Japan for the U. S. on Nov. 5.

Farm to Market Repair Bill In County Revealed

The Texas Highway Department will spend \$108,000 for Farm to Market road improvements in Eastland county during 1959, Robert J. Milligan, District 23 Engineer, has announced. This is in addition to the regular construction and maintenance program.

At the Nov. 20 meeting of the State Highway Commission, \$670,000.00 was appropriated for improvements designed for capital betterment or perpetuation on Farm to Market road system in District 23 of the Texas Highway Department, 164.3 miles of Farm to Market roads in District 23 will be improved under this program of work. Narrow pavements will be widened, and shoulders improved. Culverts and structures at hazardous locations will be widened, and dangerous curves flattened. Badly cracked and uneven surfaces will be sealed and leveled. "We expect to get all work under way on this improvement program as early as possible in the calendar year of 1959," Milligan stated.

Projects for Eastland County are:

Recondition, widen and resurface Farm to Market Road 1027 from Farm to Market Road 587 near Comanche County Line, North, a distance of approximately 6.7 miles.

Recondition, widen and resurface Farm to Market Road 587 from State Highway 36, East to Comanche County Line, a distance of approximately 1.1 miles.

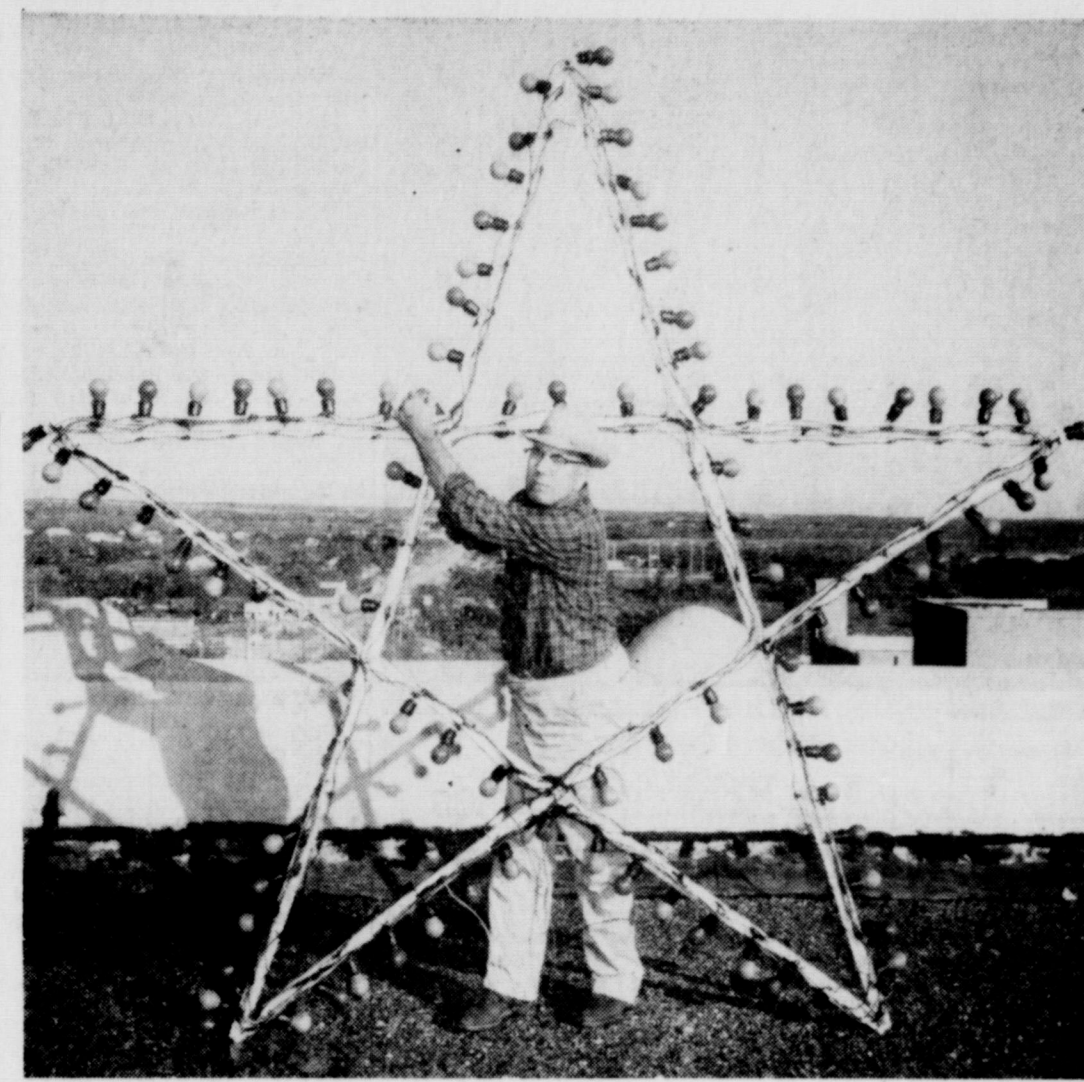

Reconstruct three Leon River relief bridges and approaches on Farm to Market Road 571 from 4.8 miles North of Farm to Market Road 8, North, a distance of approximately 0.3 miles.

Ferguson Opens Electric Shop

Tommy Ferguson announced today the opening of his electric shop in the Grimes building.

Ferguson comes to Eastland from Houston. He lived in Olden until 1941, however.

Mr. and Mrs. Ferguson will make their home in Olden.

BIGGER THAN IT LOOKS—The red and green blinking star on top of the courthouse doesn't appear to be very large from the ground, but here's proof the star is more than 10 feet tall. J. L. Ward, of Texas Electric Service Co., holds the large star on the roof of the courthouse. Eastland Christmas lights were turned on for the first time this year Thanksgiving night.

Snow Falls... (Just A Little)

Eastland got a snow early Friday morning, but if you slept late you probably didn't know it.

Snow flakes fell here for several minutes and in parts of Eastland covered the ground briefly. They melted in a matter of minutes, however.

Surplus Food Distribution Dates Revealed

Next issue dates for USDA surplus good commodities in Eastland County will be Dec. 8, 9, and 10, J. J. Porter Sr., administrator of the county program, has announced.

Monday, Dec. 8 will be the pick-up date for residents of Eastland, Olden and Ranger. Tuesday, Dec. 9 residents of Rising Star, Okra, Carbon, Gorman and Desdemona can pick up their foodstuff and Wednesday, Dec. 10 is distribution date for Cisco, Pioneer, Nimrod, and Scranston residents.

Police Selling Tickets Now, Not Given 'Em

Police Chief Ray Laney and his police crew are busy this week and up until Dec. 12 selling tickets to the 19th Annual Policeman's Ball. Chief Laney said today this year's program looked as if it would be one of the best held in the 10 years since the department has been staging the policeman's ball.

Chief Laney said the department was fortunate in getting the Musical Ramblers, featuring Dave Duncan on his steel guitar, as the musical organization for this year's ball. The Ramblers have always been known as the musical group offering the best in music and entertainment in this area. They have a reputation for playing both the standards and novelty numbers that entertain and please all hearers.

As is the usual custom, the ball this year will be held at the American Legion Hall in City Park. Tickets are only \$1.50 and any policeman on the force or the chief himself will be able to furnish anyone interested in seeing the proceeds go to a good cause can get tickets from any of the "boys on the force."

The profits from the Ball are used to buy essential items for the police force that aren't included in the city's budget for the force. The service pistols policemen wear were paid for with

profits made from past Balls. Also the department has purchased a Polaroid camera, which is extremely useful in making photographic records of auto accidents and other disturbances right on the scene. It's one of those cameras that offers fully developed pictures in one minute.

The efficient operation of a modern police force is more complicated than most laymen on the subject realize.

From time to time, Chief Laney said today, situations arise where the department needs money for some unexpected expenditure that the city commission has made an appropriation for in the city budget, and from time to time the force needs to purchase some item without taking it to the city treasurer, who might be busy elsewhere, or because of the shortage of time, it might be impossible to get in touch with him. It is from the fund created by the Policeman's Annual Ball that such items as these are paid for and purchased for cash.

Chief Laney said he and his men hoped to see every interested person in Eastland about the purchase of a ticket. But if he didn't get around personally to anyone who wanted one, stop him or one of the men on the streets and they'll be happy to sell a ticket to any citizen who wants one.

This is the time of the year when the police department and its members are actually more interested in selling a ticket than writing one.

How Do You Stand On New Phone System?

What do you think about the proposed tri-city telephone extended area service plan?

Under the plan Eastland residents could phone Ranger and Cisco numbers without going through a long distance operator. Such service would cost additional monthly payments, however.

The Telegram is making a survey seeking to find out how local citizens feel about the matter. Letters and cards are invited. Names will be withheld if the writer requests, but all letters should be signed.

Just write the editor, Eastland Telegram and say if you are for or against the plan. You may elaborate if you choose.

The Telegram Speaks

Our County Needs One Phone System

(An Editorial)

What is the price of community betterment? The Telegram believes firmly that the biggest price is hard work. There is nothing worth having that does not have a price tag on it. That price tag may be money or it may just be a lot of elbow grease.

We believe, as we have often said before, that a community either moves forward or it moves backward. There is no standing still. We also believe that the strength of Eastland County lies in unity.

With those beliefs again expressed, the Telegram climbs once again upon the apple box to express its opinion on a vital matter. Having studied the proposal of Southwestern Bell Telephone Co. to give extended service which would allow citizens in Eastland to call Ranger and Cisco phone subscribers on a local basis, we wish to openly endorse the plan.

We have no stock in AT&T. We do, however, have a big stock in Eastland County. And we believe that the tri-cities phone hook-up

would be a great step forward in uniting Eastland, Ranger, and Cisco.

What about the increased rates? We said earlier that anything worth having costs. A tri-city hook-up will cost, too, as you well know. The question is this: Will the service rendered be worth the price asked?

The Telegram believes that it would. We ask that you consider this question after first getting all facts available.

What is the cost of tri-cities service? Bell officials, after being asked by Eastland, Cisco and Ranger city officials to make a survey, have come back with their report. Let us not try to hid facts and figures. If you live in Eastland it will cost you 75c a month more to be able to call Ranger and Cisco on a local basis if you have a private residential phone. If your phone is a two-party line the cost will be 50c more a month. And if you have a business phone the cost will increase \$3.25 per month. (Don't forget the Federal 10 percent tax either.)

This is the cost of the service. The gains are too many to list. It will mean that we can call our friends in the two cities. It will mean that we will all become closer friends. And it will mean that businesses can operate on a county-wide basis, increasing their chances of making profit.

Remember, when we speak of calling Cisco and Ranger numbers, we talk not only of calls in those cities, but large rural areas served by those two exchanges. (Included in this area, by the way, is Lake Leon. Today when you call Lake Leon you must call long distance through Ranger.)

When first shown the price increase, we at the Telegram wondered if it was fair and equal. We asked for a comparison of prices in other towns which we know have similar service. (For instance, we know that folks in McAllen can call Edinburg locally.) Here is what we found out:

| Comparison Chart | | | |
|------------------|----------|---------|---------|
| | Business | Private | 2-Party |
| City | Phone | Line | Line |
| Eastland | \$12.25 | \$5.75 | \$4.50 |
| McAllen | 14.50 | 5.50 | 4.50 |
| Houston | 16.50 | 5.90 | 4.85 |
| Dallas | 15.50 | 5.50 | 4.70 |
| Ft. Worth | 15.50 | 5.50 | 4.70 |

The larger cities were used in the chart above for the simple reason that few small cities have extended service. We think the service we would receive would be equal to that the larger cities have.

You will note that the price of a business phone in Eastland would be cheaper than in any of the other areas. Only the private home phone would be higher.

We would propose that Bell reconsider the 75c one-party residential increase. We think perhaps that a 50c charge, making Eastland and McAllen's rates the same, would be fairer. Bell, of course, (Continued on Page Four)

Post Office Is Ready for Record Christmas Rush

Postmaster Mrs. Marene Johnson is pleased with the prompt response to her recently announced "Mail Early for Christmas" Campaign. She said today, "The biggest single factor in getting all mail delivered before Christmas is the full cooperation of the public in early mailing of all Christmas cards and gifts. Post Office facilities have been expanded, extra personnel will be available, and everything is geared up to handle a record Christmas mail in Eastland this year."

With Christmas only a month away, the Postmaster says it's not a bit too soon to start following these three simple rules to insure delivery of your gifts before Christmas: 1. Wrap them securely, 2. Address them correctly, and 3. Mail Them Early.

The Postmaster said you shouldn't take chances on mailing poorly wrapped packages. Use corrugated mailing cartons, plenty of heavy brown wrapping paper, and be sure that every package is tied with strong cord. Cartons containing several gift packages should be stuffed with tissue or old newspapers to cushion the contents.

The Postmaster also reminds you that size and weight limitations for Parcel Post packages vary according to place of mailing and destination. He suggests that you secure Pamphlet No. 2 at the Post Office, which tells all about packaging and wrapping parcels. Always include an extra label with your return address and the recipients address inside the carton or package before it is wrapped.

"Careful addressing of your Christmas cards is equally important." (Continued On Page Four)

County Maintains Bond Sales Lead

Eastland County U. S. Savings Bonds sales continued to lead all other counties' sales in District 16 during October, the latest Treasurer Department figures show.

During October, Eastland County sales were \$52,987, pushing total sales for the year to \$625,628. The county's 1958 goal was just \$507,000, thus the total sales are already \$118,628 above the goal. Sales represent 123 percent of the county's goal.

No other county in District 16 has reached its goal. Taylor County ranks second with 96 percent.

Guy Parker of Eastland is county chairman.

"Under a recent change in Treasury regulations, individuals, who hold F and G Bonds that mature after Sept. 1, may invest the proceeds from the maturing bonds in E and H Bonds without regard to annual purchase limits," Parker announced. "This information should be of interest to hundreds of people in this area who hold maturing F and G Bonds," he concluded.

Mrs. Richard Bumpass

Miss Nancy Ann Roberts Becomes Bride of Richard Bumpass Friday

Miss Nancy Ann Roberts of Fort Worth became the bride of Richard Bumpass of Fort Worth, formerly of Eastland, in an evening ceremony performed in the First Baptist Church in Terrell, Friday at 7 o'clock.

Mr. and Mrs. Willard L. Roberts of 402 Johnson, Terrell, are the parents of the bride. The bridegroom's mother is Mrs. Clinton (Anna Grace) Garrett of 3111 Oddie, Ranger.

Rev. John Stepp, pastor of the First Baptist Church in Terrell, officiated the double ring ceremony amid a nuptial setting of red roses and greenery flanked with white candles.

"O Perfect Love," "O Lord Most Holy," "Bridal March" by Lohengrin, "Wedding Prayer" and "Recessional" by Beethoven were among the nuptial selections presented by Mrs. Jimmy Sullivan of Atoka, Oklahoma, and John Hammond of Terrell.

Given in marriage by her father, the bride wore a white empire gown of silk taffeta fashioned with a neckline of re-embroidered Alencon lace with pearl applique. Featuring long tapered sleeves and trapezidrape topped with a bow falling from the yoke, the bouffant skirt formed a chapel train.

Her fingertip veil of silk illusion fell from a lace crown trimmed with pearls. The bride carried a cascade arrangement of white roses on a white pearl prayer book.

Miss Gay Carson of Arlington was maid of honor and Mrs. Betty Thomas of Eastland, sister of the bridegroom, was matron of honor. They wore identically styled dresses of champagne bouquet taffeta. The street length, empire dresses featured trapezidrape from the yoke. They wore matching cascade bouquets of red roses.

Connie Thomas of Eastland, niece of the bridegroom, dressed in a red, velvet dress styled with a flared skirt, was flower girl. She wore a matching ribbon headpiece.

Lloyd Roberts of Terrell, brother of the bride, was best man. Jim Best of Fort Worth, Charles G. Burne of Fort Worth and Ted Howard of Dallas were ushers.

Mrs. Roberts chose an ice blue, chantilly lace dress for her daughter's wedding. Mrs. Garrett, mother of the bridegroom, wore a pink lace dress. Both mothers wore baby orchid corsages.

Following the ceremony, a reception was hosted by the bride's parents in their home. Members of the house-party included Mmes. Paul Steel, Jack Trowbridge, Bob Clayton and Miss Shirley Allen, all of Dallas; Mr. Charles Horton of Fort Worth, Mrs. Roy Carter of Big Springs, Mrs. Jerry McAlister, Mrs. Bill Patterson, Miss Inace Watts, Mrs. Al Pizarro of Houston, Mrs. Dewey Samuels of Terrell and Mrs. Tom Joseph of Austin.

An arrangement of red roses flanked with white candles centered the bride's table which held the four tiered champagne colored cake.

The bride chose a charcoal grey suit with white hat and gloves and black shoes and bag for her going away costume.

The young couple are making their home at 3608 University in Fort Worth.

Mrs. Bumpass, a graduate of Baylor University, is a teacher of special education in Dallas and Fort Worth Public Schools. She was a member of Chi's, Kappa, Kappa, Iota while attending Baylor.

Her husband is a graduate of Texas A&M and a student at Southwestern Baptist Theological Seminary in Fort Worth. He is pastor of a church in Atoka, Oklahoma.

Maybe You Don't Need Insurance
... If you don't own a home, furniture, jewelry or a car you can get along without the services of an insurance agent. But for the most of us life is not that simple. Modern living has become so complex that the protection of property and liability is a major problem, and we must be insured. The individual you can always depend on for accurate solutions of your insurance problems is your local agent.

Mrs. Earley Presents Program On 'Friendship' for Zeta Pi's

"Friendship" was the program topic presented by Mrs. J. D. Earley at the meeting of the Zeta Pi Chapter of Beta Sigma. Mrs. Wilma Moore was hostess to the group in her home, 809 South Halbray, Tuesday evening.

FAVORITE RECIPES

Thanksgiving is over—but the left over turkey and dressing is still to be eaten. Do you need something to touch up your turkey and dressing? Here is two good salad recipes which will complete your meal. These recipes will also be good for that big Christmas dinner.

Mrs. Dick Yielding presented the recipe of "Italian Cranberry Salad" and Mrs. George Fox presented the "Philadelphia Cream Cheese Salad."

Italian Cranberry Salad
Ingredients
1 pound box of cranberries
No. 2 can crushed pineapple
1 cup chopped celery
1 cup chopped nuts
2 cups sugar
2 packages jello (cherry and raspberry)

Grid cranberries and save juice. Drain pineapple and save juice. Mix juices and add water making two cups. Heat juice and add to jello and stir. After adding other ingredients, pineapple, cranberries, celery, nuts and sugar, place in refrigerator until set.

Philadelphia Cream Cheese Salad
Ingredients
2 packages jello (orange and lime)
1 small can crushed pineapple
1/2 pound marshmallow (diced)
1/2 cup salad dressing
1 cup whipped cream
2 small packages Philadelphia cream cheese.

Prepare orange jello in boiling water and add marshmallows and stir until melted. Add pineapple, cream cheese and salad dressing while warm. Chill. When cool fold in whip cream and let set in refrigerator.

Before mixing ingredients prepare lime jello and when the jello has thickened pour over first mixture.

Church of Christ

Otta Johnson, minister

The sermon subject for the Sunday morning service will be: "We Are Members of His Body." This lesson shows that every member of the church is needed in the church work, and that each member is as important to the church as a hand or an eye is important to our physical bodies. Sermon subject for Sunday night service will be: "The Mirror of God" this shows that God's word is like a mirror, in which we can see our true image and will be enabled to correct any thing that is not-right in our lives.

Times of Sunday service are:
9:30 a.m.—Bible School Classes
10:20 a.m.—Worship service and sermon.
7:00 p.m.—Evening worship hour and sermon.

Episcopal Church

Rev. W. B. Washington Jr., curate

Morning Prayer and Church School begins at 9 a.m.

Keep these announcements in mind. On Friday and Saturday, Dec. 5 and 6, the Deacons Young People will gather in Wichita Falls for their semi-annual meeting. All young people between the ages of 12 and 21 are eligible to attend. Please speak to Fr. Washington this week if you are planning to attend so that the reservations may be sent in on time.

The clergy will be in Mineral Wells December 10 and 11 for a special clergy conference called by the Bishop.

As the Advent Season approaches we may bear in mind the coming of our Blessed Lord as the true meaning of Christmas, and not let this be overshadowed by secular meaning which so often are attributed to it. May this Advent season be a joy to us all, as well as a preparation for the feast of the Nativity of our Blessed Lord.

We cordially invite all our friends and neighbors to attend our services.

OLDEN Junior Highlights
By Caroline Covington

The Olden Junior High boys and girls basketball teams journeyed to Scranton Nov. 24 determined to win both games.

The girls' gave their fans their money's worth by staging a thriller. From the beginning it was a fast game. First one side would score and then the other causing the game to be tied several times. They were given three minutes, 24 seconds to play the first tie off. There were two successive ties within this period. One of the Scranton girls fouled giving Olden the chance to make the extra point. This they did, as the final whistle blew, to give them a one-point victory. The score was 23-22.

The boys did equally as well, or better, but won their game without the suspense as they were ahead most of the time. Billy Horn, Budba Everett and Donny Kelley made most of the points. Donny did a fine job with the rebounds and passing to the other boys on the team. Their score was 29-17.

Olden Junior High will play Carbon Monday night Dec. 1 at Carbon. Come over and watch us.

TELEPHONE TALK
by W. H. McAnally, Manager

In answer to demands of citizens and civic organizations in the Tri-City area, a plan has been presented to permit calling between Cisco and Eastland and between Ranger and Eastland without long distance telephone charges. Under this plan which we call Extended Area Service, there will be no change in the long distance charges between Cisco and Ranger.

We feel that the plan we have submitted is the only economical method of providing the service people of this area have requested.

At present, long distance rates between Cisco and Eastland and between Ranger and Eastland are 35c for a three minute person to person call and 45c for a three minute station-to-station call.

The cost of providing Extended Area Service which would eliminate these long distance charges are outlined in the proposed schedule of rates as follows:

| | Cisco | Eastland | Ranger |
|---------------------|---------|----------|---------|
| Business Service | \$11.25 | \$12.25 | \$11.25 |
| Residence—one party | 5.75 | 5.75 | 5.75 |
| Residence—two party | 4.50 | 4.50 | 4.50 |
| Residence—rural | 4.25 | 4.25 | 4.25 |

These rates are subject to 10% Federal Tax

Christian Science

Gratitude for God's infinite goodness and power was the theme of the special service held at the Christian Science Church Thanksgiving Day.

A period devoted to voluntary statements of gratitude is included in the Thanksgiving Day Service in all Christian Science churches. The spontaneous testimonies included reports of the healing of sickness and sin as well as the solution of other serious problems through prayer on spiritual understanding of God.

"Thanksgiving" was the subject of the Lesson-Sermon read from the desk. Especially prepared for the day, it consisted of selections from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

ant," the Postmaster said. Bring your Christmas card mailing list up-to-date and be certain that you have the complete name, address, zone number, city and state for everyone on your list.

Always send your Christmas cards by First Class mail. They will be processed and delivered quicker and they'll be forwarded or returned, if it becomes necessary. Christmas cards sent by First Class mail may carry written messages; whereas, cards sent with Third Class three cent postage may only have a written signature.

Don't fail to put your return address on your Christmas card envelopes. This is not only socially correct, but it will enable both you and your friends to keep your mailing lists up-to-date.

All mail going long distances should be sent well before Dec. 10, and Christmas packages for local delivery should be mailed by Dec. 15. Mail all Christmas cards for nearby destinations by at least a week before Christmas.

Science finds healing substance that relieves pain—Shrinks Hemorrhoids

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne*)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H.* At all drug counters—money back guarantee. *

REMEMBER WHEN?

By Milton Fullen

In this day and age when breaking through the sound barrier has become commonplace, 400 miles an hour doesn't sound very fast. But when it's done on land, it's fast... and the first time it happened it made front page headlines.

The driver was John Cobb. He already held most of the world's speed records, and he had brought his sleek racing car to the Salt Flats at Bonneville, Utah, for another try. There was a flock of reporters and newsreel cameramen on hand to see if the world's fastest driver could break through the "400" barrier.

On the southward run, Cobb pushed his car over 385 MPH. Then, on the return sprint, he pushed his foot to the floor. The needle climbed until it hit the incredible speed of 403.1 miles per hour! Another "unreachable" mark had been broken!

Remember the year?

That was a year when there were long waiting lists of people wanting to buy new cars. When they came through, a buyer took the extras that were on the car, and took the deal he could get.

The year was 1947.

Times have changed. When you buy one of our new CHEVROLETS at FULLEN MOTOR CO., you can almost name your own deal. You CAN name exactly the extras you want... and you'll get a higher trade-in that will make your monthly payments easy. Make your deal now, at FULLEN MOTOR CO., East Main, Phone 44.
