County Teachers Hold Fall Meeting Tuesday

DR. PAUL SOUTHERN

O. L. Stamey, president of Eastland County Teachers Association announces that the association will hold its fall meeting on Tuesday, Oct. 4 at the Eastland High School Auditorium at 7:30 p.m.

Mrs. Harold Durham, chairman of the program committee, has arranged a program that promises to be both instructive and inspirational to the teachers and laymembers attending.

Dr. Paul Southern, read of the Department of Bible at Abilene Christian College of Abilene, will address the group; using some phases of mental health. Dr. Southern holds membership in the National Association of Biblical Instructors, and is past-president of the southwest section. He is president of the Texas Mental Health Association and in March, 1958 was presented that association-

highest honor, the Hogg Foundation Award.

A representative of the Texas State Teachers Association, A. H. Hooser is scheduled to speak to the teachers on the Legislative Program for 1960-61. Hooser holds degrees from Wayland College and Texas Technological College and has been active in public school work at both the local and state level.

"We feel that we are fortunate in bringing such an interesting and informative program to the people of Eastland County", a spokesman said.

A social period has been arranged by the social committee with Chairman Charles Marshall in charge.

Leadership for Girl Scouts to Begin Tuesday

Girl Scouts in Action

Leadership training for all Girl Scout leaders and interested mothers will begin Tuesday, October 4, at the First Presbyterian Church in Breckenridge. A Girl Scout worker from the Heart of Texas Girl Scout Council in Brownwood will be instructor for the training.

The leadership course consists of three training sessions, a total of sixteen hours. All women successfully completing the entire course are awarded Girl Scout leadership certificates from the Council. Presentation of the certificates will be made at the last session of the course.

Mrs. James Campbell, training chairman for the Eastland Girl Scout Association, emphasized that "This training is planned to familiarize new leaders with the program, to help all leaders do their job easier and better, and to acquaint the leaders and troop mothers with other women with like interests."

Each student is to bring pencil and paper, a sack lunch, and any Girl Scout books she already has. Each session will run from 9:00 a.m. until 2:30 p.m. A nursery will be provided for children not in school.

Anyone interested in attending may contact Mrs. James Campbell for details concerning the nursery and transportation arrangements.

Brownies Organize

The Brownies of the third grade organized at the American Legion hall with Mrs. John Graham and Mrs. Minton Hanna leading the troop. At the first meeting, the girls and their leaders explained scouting to the mothers present. The girls told of their experiences last year and the leaders outlined the plans for this year.

Mrs. Graham and Mrs. Hanna served cookies to Mmes. Tom Wilson, David Fry, R. L. Smith, B. R. Sullivent, R. Sikes and James Smith; the members of the troop, Shannon Wilson, Barbara White, Irene Sullivent, Cynthia Smith, Belinda Herring Kathy Insoy, Diana Fry, Marsha Hanna, Stephanie Pogue, Janie Graham, Vivian Kay Smith, Edilee Sikes.

Stephanie Pogue transferred to this troop from a Brownie troop in Japan, where her father was stationed with the armed forces.

Leaders are Named

A new Brownie Girl Scout troop has been organized for the girls in the second grade. Mrs. D. B. Young and W. B. Washington are leaders of the troop, which meets each Thursday at 3:15 p.m. at the American Legion Hall.

Members of the troop are Susan Guess, Kay Hoffmann, Carla Roney, Mildred Penland, Sharon Hughes, Christy Jolly, Connie Thomas, Linda Owens, Shirley Christian, Cathy Ables, Marsha Griffin, Margaret Ann Walker, Joann Baker, Melissa Courtney, Gloria McDonald, Katie Capers, Pamela Young, and Sharon Stedum.

At the first meeting, Mmes. Young and Washington explained the various phases of scouting to the mothers present.

After the meeting, the girls served cookies. Attending were the leaders, the members of the troop and Mmes. Harold Courtney, William Penland, Earl Thomas, Norman Guess, Bill Hoffmann, William Owens, Gerald Ables, Williard Owens. (Continued on Page 2)

DISTINGUISHED CIVILIAN SERVICE AWARD is presented by Secretary of the Army Wilbur M. Brucker to Brig. Gen. S. L. A. Marshall, U.S. Army Reserve Officer. Attending the ceremony held at the Pentagon, Washington, D.C., is General Lyman L. Lemnitzer, U.S. Army Chief of Staff. Brig. Gen. Marshall is a renowned professional military author and analyst. The citation for the award was in recognition of his distinguished service as advisor to the Office of the Chief of Information from March 21, 1948 to July 31, 1960.

THREE DIRECTORS NAMED

Hospital Meet Comes Off Calm

In a meeting which was a lot calmer than pre-billed, two new members were elected to the Eastland Memorial Hospital board of directors and one director was re-elected Friday night.

Virgil Seaberry Jr. and Milton Fullen are the new members and Mrs. Buda Butler was re-elected to the board in voting which predominantly featured proxy votes.

The hospital meeting had drawn a lot of street-corner conversation during the week, but everything was calm and collected Friday night.

The biggest block of proxy votes was held by Jack Frost. He cast 289 1/2 votes for the three winning candidates, who were all named by the nominating committee.

There was one nomination from the floor, but the nominee, R. M. Sneed, failed to get enough votes to go on the board. Billy Frost, chairman of the board, presided over the meeting.

are Bill Frost, Henry Van Geem, Wayne Caton, Wenzel Siebert, H. T. Weaver and Curtis Koen.

Little League Baseball Meeting Called for Tuesday

There will be an important meeting of all coaches, managers and dads, of all boys who played in the Teen-Age Baseball Clubs this past summer in the Conference Room of the Texas Electric Service Company promptly at 6:30 p.m. Tuesday night, Oct. 4.

The meeting is being called to briefly review the financial status of the clubs, the season's records and to make some preliminary plans for the 1961 season.

The meeting will get started on time and will be over in time for those who wish to attend the meeting and barbecue at the City Park, it was said.

Big Turnout Expected For Democrat Rally

One thousand Democrats are expected to attend the barbecue Tuesday night at 6:30 p.m. in the Eastland City Park in Eastland at which Congressman Jim Wright of Weatherford will be the featured speaker.

Visiting dignitaries for the barbecue will be Hon. Randall Jackson, member of the State Democratic Executive Committee, of Baird, Mrs. Randall Jackson, chairman of the Women's Activities of the 17th Congressional District, of Baird, Hon. Wiley Connally, representing his brother Ed Connally, state chairman of the Democrat Executive Committee, of Abilene.

Grady Hogue, president of the Cisco Junior College, will be master of ceremonies. Representative elect Bailey will present the welcome and Mrs. Roscoe Hopper, Ranger, co-chairman of Eastland County campaign, will give a report on the campaign progress.

Entertainment will be furnished by the Eastland High School Band, the Teddy Bears of Ranger High School and the Cisco Junior College choir.

Tickets at \$1.00 per plate are now on sale throughout the county.

Bond Sales In County Are Above Average

Savings Bond sales in Texas increased 15 percent in August over the same period of 1959. This report was made today by Guy Parker, chairman of Eastland County Savings Bonds Committee.

"August Savings Bond sales in our county were \$25,746. Sales for the first eight months amounted to \$38,054 which was 74.2 percent of our county's 1960 goal," Parker reported.

Texas bond sales for the first eight months of the year totaled \$105,607,518 which represents 63.8 percent of the state goal.

"The role of the Savings Bonds Program in light of world conditions cannot be overemphasized. Buying of Savings Bonds is a tangible way that each American can demonstrate his patriotic support of our great Nation," Parker said in announcing the sales for his county.

Hon. Virgil Musick, co-chairman of Democratic campaign in the 17th Congressional District, of Abilene; Hon. Richard Moore, co-chairman of Eastland County campaign; Cisco; Hon. Scott Bailey, State Representative of Cisco; and Hon. French Robertson, Democratic Executive Committee man of Abilene.

Electrical Device Introduced For Voiceless by SW Bell

"The electronic larynx is small and compact, weighing only seven ounces," Archer Marx, manager for Southwestern Bell here, said. "This small, unobtrusive size also is an advantage to the user."

Southwestern Bell will make the electronic larynx available to laryngectomized persons at a price of \$45. Marx said this price is the cost of manufacturing the device by Western Electric Company, manufacturing unit of the Bell System.

"We are not trying to make a (Continued on Page Three)

Now there is a new voice for the thousands of voiceless people in the United States—an electronic larynx that is being introduced in this area by Southwestern Bell Telephone Company. The electronic device was invented by scientists at Bell Telephone Laboratories to provide a substitute for the sound of the vocal cords for a person whose human larynx has been removed or paralyzed.

This new electronic larynx looks much like a modern electric shaver. The user holds it against the outside of his throat while operating it. The electronic larynx transmits sound waves into the throat cavity replacing those normally produced by air passing over the vocal cords. Speech is produced by forming words with teeth, tongue and lips, just as in normal talking.

Earnest Curt Is Elected Director Of SVGP Monday

Earnest Curt of Gorman was elected as director of the Sabanna Valley Game Preserve Monday evening. Others officers remained the same.

Plans were made for the annual barbecue to be held October 10 at 6:30 p.m. Tickets are \$1.00 for adults and 60 cents for children.

Will Ussey of Carbon is program chairman for the barbecue. Entertainment will include films and a stage show.

At the next meeting to be held October 3 at 8 p.m. the SVGP will renew their contract for the next five years. Plans for a watermelon slicing have been made for October 3.

Gray Matter

By JOE GRAY

When the local boys got together and decided to organize a local unit of the Jaycees the boys did a real good job. Their annual Peanut Bowl is something that may, and I think it will, develop into something that will be on a par with just about all of the other bowls in the country.

This is something that will grow and grow over the years. And this year's bowl was gotten up on a very short notice and with very little time to get things done. But the boys delivered the goods in a manner they can well be proud of.

Nothing of this sort takes place without a lot of hard work and the boys are to be congratulated for the wonderful job they did on the first annual Peanut Bowl parade and football game. From the looks of things now I guess we'll have to enlarge Maverick Stadium seating capacity to take care of the crowds that will be coming to these annual football games. This is something that Eastland Jaycees can brag about.

Another thing Eastland can brag about this year is the current edition of the Maverick Band. Eastland High School Band is one of the best this year I've seen in a long time, and I pride myself on knowing a good band when I see and hear one.

Phil Hewett has accomplished something in the brief year he's been connected with the Eastland school that he too could well be proud of. I guess it would be permissible for him to do a little bragging about his band.

Incidentally, the four bands playing in the Jaycee Parade was the largest number of bands I remember seeing in any parade in Eastland. I don't recall that many at any one time at all in the past.

Happy birthdays, to Barbara Ables, Leona Jones, Little Fox, Shirley Clifton, Myrtle Richardson, Della Davis, Ethel Daniels, Bettye Rich and Sandra Wharton. Lucille Johnsons son, Roy, is among the group of agricultural students attending Tarelton State College in Stephenville that are making a tour of the western states. They are scheduled to visit New Mexico, Arizona and California, where they will visit Hollywood studios, Disneyland, Knotts Berry farm, farm markets and marine land.

Nice to see Geneva Hanson back at work after a leave of absence.

We were sorry to hear about Mrs. Dudley's brother-in-law's death. Our sympathy is extended to the Dudley family.

Our infant was saddened to hear about the passing of Mr. Kirkland in De-demora. He is the father of Billy Faye Knoone, line three supervisor. Our prayers and sympathy goes to the Kirklands today.

Also, Myrtle Thurman and Nellie White lost a beloved niece the past week.

Delores Wrinkle underwent surgery in the Eastland Memorial Hospital Tuesday morning. Alora Haynes was a medical patient but has gone to her son's home to recuperate.

Lonie Abbott is still out due to a recent fall and several of our girls have colds due to the change in weather.

Recent visitors in our plant were Dale Posey of Paris, Tex. and Mrs. Vera Cook of Dallas. Vera is a former overall inspector from our plant. Buster Nelson also visited recently.

Bobby Foote is a new bride and has joined us old married women.

Mrs. Fuller is in the Gorman Hospital.

Danny Young and family, plus Andy Gosnell (that's us) and family were Fort Worth visitors over the weekend.

Hope you are each enjoying the nice rain we have had.

artificial larynges available at non-profit costs since 1926, as we are doing with the electronic larynx." Come 20,000 persons in this country are without the power of speech, as a result of paralysis or surgical removal of the human

larynx and must depend on either esophageal speech or an artificial larynx to talk. "Many of these people can learn esophageal speech," Marx said. "The electronic larynx is not intended as a substitute for esophageal speech."

"For this reason, we strongly urge all laryngectomized persons to consult their own doctors before deciding to purchase the electronic larynx," he added.

The electronic larynx is produced in two models—one has a high pitch to simulate the female voice and the other has a lower pitch for men.

The electronic larynx is designed to fit the hand and has a thumb switch control which enables the user to vary the pitch of his voice over a half-octave range in order to produce more natural inflections of speech and to emphasize words and phrases. The speech volume is equivalent to a normal talker speaking at a conversational level.

"Most people can learn to talk with the electronic larynx after a relatively short period of practice, generally about an hour or so," Marx said. "Further practice enables the user to learn the operation of the pitch control to

produce a more natural sounding speech."

This device uses Bell transistors and is powered by self-contained mercury batteries. Battery life ranges up to several months, depending on the amount of use.

The electronic larynx is essentially trouble-free, the manager said. Each new unit carries a one-year guarantee against manufacturing defects. After the guarantee period has expired, Western Electric will repair the unit at a small, non-profit cost.

Batteries for the electronic larynx may be purchased at any radio supply store.

Marx said telephone company representatives will be trained to demonstrate the electronic larynx to interested persons.

"We urge people who are interested in the electronic larynx to first consult their doctors about using it," he added. "Then they should call their local telephone business office for more information or arranging a demonstration by our representative."

He said the electronic larynx will be made available to customers on a first-come, first-served basis and that there might be short delays in deliveries on early orders since the device will be in short supply until about mid-October.

The new electronic larynx will supersede earlier model artificial larynges provided by the Bell System but parts for the older models will continue to be available.

Bell labs scientists worked with a number of medical authorities, including the National Hospital for Speech Disorders, to develop the electronic larynx.

Gray Matter—

(Continued from Page One)

The Jaycee Parade was a good one too. It was one that would be a credit to a town many, many times as large as Eastland, and of course it's something the Jaycees can rightly boast about.

I was thinking about the crowd that watched the Jaycee Parade too. This must have been the largest crowd to witness a parade in Eastland since the Klu Klux Klan parade way back in the 20's. That's the parade the Klu Kluxers wore their white robes and hoods; they didn't want anyone to know who they were. It was a nighttime parade and people came into Eastland for miles and miles around to witness the great display of Klu Kluxism. It was held on a Fourth of July, if my memory serves me correctly.

One of the prominent attorneys of that time had the unpleasant experience of having his dog following along sniffing at his heels. His dog was known by everybody in town so it wasn't any use for the "Judge" as everyone called him to deny the next day being in the parade.

This Peanut Bowl thing can grow and grow. There's really no telling where this will end or what it might develop into, but I'm making one recommendation to the Jaycees right now while there is plenty of time to do it that a complete record be kept of the football game, that it be recorded statistically so that we can determine how many tackles each player made, how long every punt was, how long every runback was and so forth. Then all of this information be placed in a safe place for establishment of a Peanut Bowl Hall of Fame.

Then in future years the public can read about each game any time one wants to and easily see and find out just what each player did on each play.

This sort of thing is something I think our town can make something out of. Again the Jaycees could be congratulated on a good job well done.

want the two county colleges again because they want to help them in every way they can. We also know they have drawn interest of several other colleges. One source is very interested in pitting an Oklahoma junior college team against a Texas JC team with the winner being crowned as Peanut Bowl champions. Since the two states are among the largest producers of peanuts the idea may be a good one.

That's about it for now. See you Tuesday.

Squeaky floors are not the results of overactive spooks in our homes. But regardless of the cause, a squeaky floor is a nuisance. Fortunately, it can generally be eliminated.

The squeaking of wooden floors is caused by the rubbing of the tongue of one strip of flooring in the groove of the adjoining strip. Floors will squeak if the floor

joists and sub-floor foundations are not straight and anchored tightly. A slight deflection can be sufficient to cause movement between the tongue and groove joint and create squeaking.

Floor squeaks can be eliminated in several ways. Finish nails can be driven through the face of the offending flooring strips to prevent movement. These nails should be driven close to the tongue

edge of the strip, through the sub-floor and, if possible, into a joist. The nails should then be set about 1-16" deep and the hole filled. Another method to control squeaking is to fasten the sub-floor to the finished flooring with screws from underneath. Often, floor squeaking can be controlled by lubricating the tongue and groove joints with small amounts of mineral oil.

Calvary Baptist Church

Rev. Floyd Osburn pastor

The month of October will be a big month for the Calvary Baptist Church. Oct. 2 will begin our program of "Fall Roundup" which will end Oct. 30. We are endeavoring to round up all the absentees, prospects and visitors to come and be with us during these special drives for each Sunday.

Our services will be western style, patterned after the old time round up days of the past. The last Sunday of the month will be the climax of the program. We would like to see how many we can round up for that special day.

Following Sunday morning services, dinner will be served from an old fashioned church wagon. Everyone is invited to come and join the growing church. Services will begin at 10:00 Sunday morning with prayer service at 7:00 p.m. Preaching will begin at 7:30 Sunday evening. Wednesday evening services will begin at 7:30 p.m., also.
