"COVERING EASTLAND COUNTY"

VOL. NO. 30

EASTLAND, TEXAS, SUNDAY, AUGUST 16, 1959

No. 45

MOORE about... EASTLAND by Virgil E. Moore

The Arkansas state champion Babe Ruth teenage baseball team stopped at the White Elephant restaurant enroute to El Paso one night this week.

The Elephant is gaining a lot of recognition throughout the country. We had several folks tell us in Big Spring the other day that they knew just two things about our city: That it was the home of Old Rip and the White Elephant.

You'll be interested in reading a letter to the editor in today's program. The editor takes a leading for straddling the fence. H. K., who penned the note, knows how much we dislike fence straddlers, so he is really putting it to old Moore About.

So far we've only said we think that the public has the right to decide on all issues. And we do. Undoubtedly we will get wrapped up in this beer election one way or the other before it is over, because, like H. K. said, we do like to say what we think.

We predict that Texans will start smoking their cigarettes shorter when the new tax comes in. That's the only solution to the problem. Take an extra puff and get your money's worth.

We for one didn't get excited about the new tax on cigarettes. We think the boys should have to pay for their luxury. But why, we demand to know, did the Legislature place a bigger tax burden on essentials such as cigars?

There is a lot of talk going on concerning a big paving job on North College. That's the street where the Hollywood V-Ette Vasarette plant is located. Sounds like a wonderful project to us. Nothing sure about the project, it's still in the talking stage.

A tip of the hat to Mode-O-Day Dress Shop. Mode-O-Day is now in its 11th year in Eastland and is celebrating with a big sale. The firm is a fine asset to our city.

Herman Walters, one of our paper boys, came in drinking a quart of chocolate milk the other day. We couldn't help but overhear his conversation with another of the paper boys.

"How about that," Herman declared, "This milk is even cheaper than dill pickles."

You don't figure things like that out without a little education!

We've been most neglectful in calling attention to the beautiful yard of Mr. and Mrs. Jim Horton, at the corner of Hal-bryan and Pershing streets. Their home is just a bit off our beaten path, but it is certainly one of the prettiest places in town. If you haven't looked at it recently, drive out that way and fill yourself with envy.

The ratings in District 7-AA came as a surprise to this department. Cisco, of course, is the easy selection as the number one team, but some of the other choices seem strange. Ranger is back in the cellar spot. We remember the last time the Dogs were rated there, they won the district and bi-district honors. Eastland is rated a little high in our opinion, considering the fact that Coleman is pretty rough company.

See you Tuesday.

Try and buy the popular, smart new Rambler, truly a teeny-weezy gas burner. Famous for fun, resale, quality and economy.

TWICE A DAY

Mavs Open Drills Monday

Twice weekly football drills will begin Monday for the 1959 Eastland Mavericks. Coach Carroll Shelton will issue equipment Monday and then get down to the serious business of drills.

Most of the Mavs are expected to report in good physical condition. Those who haven't worked themselves into "shape" will probably find the going rough for the first week.

Some 40 players headed by tri-captains Billy Don Turner, Marvin Agnew and Gary Lusk are due to report for drills. The Mavs lost 10 players off last year's team, including such stalwarts as Larry Hollis, Charles Martin, Stanley Reed, Knicky Arther, Clinton Humphreys, Charles Chaney, Michael Lisenbee, Mike Manning, Don Hull and Denny Dukes.

Back from last year's traveling squad in addition to the three captains are John Stroud, Mickey Garner, Jerry Chaney, Rodger Taylor, Phillip Lewis, James McElreath and Don Hazard. In addition, a good crew of B-team players are due to move up to the varsity.

Coach Shelton has at least three scrimmage games on schedule in the next few days. He will be assisted this year by William Dukes, new line coach, Bennett Ragsdale and Joe Ingram. Ingram will coach the Junior High team.

Murry Cox to Show Films at Annual Barbecue

The annual Sabanno Valley Game Preserve Association will hold its annual barbecue and get together Wednesday at 7 p.m. at the Center Point community house four miles south of Carbon.

Murry Cox will be present to show recent films he has made and Al Anderson and his string band from Cisco will provide musical entertainment.

Prices are 75c for adults and 50c for children. All members and other interested persons have been urged to attend.

Nancy Owen Is Listed On UT Dean's Honor Roll

Nancy Lou Owen, an honor graduate of Eastland High School, was listed on the dean's honor roll during the spring semester at the University of Texas.

She achieved *apluram laude*. Nancy, a fine arts student, is the daughter of Mr. and Mrs. J. L. Owen, 501 East Sadosa.

Band Rehearsal Schedule Listed By New Director

A rehearsal schedule for Eastland High Band members for this week was announced today by Phillip Hewett, band director.

Band members will hold twice daily drills Monday, Tuesday, Wednesday and Thursday. Morning drills will be from 8 a.m. until 10 a.m. and afternoon rehearsals are scheduled from 6:45 p.m. to 8:30 p.m.

Trespass Law Violators Face Stiff Penalties

A new trespass law will be effective in Texas October 14, it has been announced by the assistant secretary of the Game and Fish Commission in Austin. The law which is covered in HB 36, will become effective without the signature of the governor.

It provides penalties of up to 30 days in jail and a \$500 fine and forfeiture of hunting or fishing licenses for a period of three years, upon conviction.

The law makes it illegal for any person to hunt, fish or camp on the enclosed property of another person without the consent of the owner or other person in authority.

The new law is enforceable by any peace officer and arrests may be made without a warrant.

"The trespass problem is a major one in the protection of wildlife," the secretary said. "Persons who climb fences to illegally hunt on the property of others don't usually regard either the season or the bag limit. As a result, prosecutions have been heavy."

"Under the new law, however, enforcement of the trespass law is the work of peace enforcement officers, which preclude the game warden. Now when the game warden finds a poacher the only thing he can do is to notify the landowner. The landowner then can make a complaint and cause the arrest to be made by a peace officer."

Gas Well Tested In Eastland Co.

Paramount Oil, Inc., of Abilene has an apparent Lake sand gas discovery five miles south of Cisco in Eastland County.

The prospector, No. 1 F. E. Clark, flowed gas at the estimated rate of 4,500,000 cubic feet daily on a drillstem test at 3,198-3,210 feet, with tool open 30 minutes. Gas surfaced in one minute. It returned five feet of mud.

Earlier, No. 1 Clark flowed gas at an estimated rate during a drillstem test in the Caddo at 2,772-2,785 feet. Recovery was 10 feet of oil and gas-cut mud.

Location is in Section 82, Block 3, H & TC Survey.

Singing At Bullock Sunday, Aug. 16

The monthly singing will be held at Bullock Sunday afternoon, August 16, at 2 p.m. Everyone is invited to attend.

SNAKE FAMILY—Mrs. George Hill holds up Mr. and Mrs. Rattlesnake and 13 children which her husband killed recently on the Hank Sims farm near Mangum. Hill first noticed the rattler on the left, killed it, then found himself confronted with a second grown snake. He killed it too, then turned over a rock and found the 13 small snakes. (Moderne Photo).

FROM OUR FILES

August 16, 1929
Nick Yotis of the Club Cafe and Mike Andrews made splendid catches while fishing in Lake Eastland Saturday. Included in the catch made by Yotis was a 17-1/2 pound blue cat. Andrews catch included a 14 inch bass.

The Eastland High School Mavericks will begin football practice Monday, September 2, according to coach Gibson, who was in Eastland Sunday and Monday after returning from a vacation trip. Coach Gibson will attend the Rockne-Warner Coaching School at S.M.U. in Dallas.

A meeting of the Eastland-Calhoun counties medical society has been set for tonight at 7:30 at Gorman. Prominent doctors from Temple and Fort Worth are on the program.

A one-day short course for country Home Demonstration Club members will be conducted Wednesday at 9 a.m. in the City Park in Eastland.

Mrs. Owen Hinman of Ranger is to serve as chairman of the meeting.

With the lowest bid, the Eastland Telegram has been awarded contract for printing of the catalog for the Eastland County Fair it was announced Wednesday by fair officials.

August 16, 1949
R. V. David of San Angelo has announced that a liquidation sale will be held at White's Auto Associate Store, formerly operated by Tony Falletti, beginning Saturday morning at 9.

Household and piece goods have been added to the regular stock for the close of business sale.

Students who will be entering Eastland Public School for the first time this year, should be vaccinated for small pox before the opening of school on Tuesday, Sept. 6, Supt. W. G. Womack stated.

Kirk Elected President of School Board
At a recent meeting of the County School Board, W. G. Kirk, president of the First National Bank at Gorman, was elected president of the County Board of School Trustees. I. C. Inzer Eastland druggist, was elected vice-president.

Other members of the board are: Jay Koonce, Rising Star; J. D. Lauderdale, Cisco; and Lloyd L. Rucker, Ranger.
H. R. Garrett, county school superintendent, reported to the Board that all schools in the county are in good shape for the opening of the school year of 1959-60. Most schools plan to open on Aug. 31.

Seven Entered In Farm Bureau Queen Contest

Final plans for the annual Farm Bureau barbecue and queen contest were completed at a planning meeting Thursday night, Mrs. Bill

New State Law Passed Recently

The Director of the Texas Department of Public Safety in Austin cautioned today that a new state law provides for the suspension of the license of any driver convicted of four moving traffic violations within a 12-month period.

Col. Homer Garrison, Jr., said the new law, passed by the recent session of the Legislature and signed by Governor Price Daniel August 5, for the first time defines the term "habitual violator." The definition is as follows: "The term 'habitual violator' as used herein, shall mean any person with four or more convictions arising out of different transactions in a consecutive period of 12 months, or seven or more convictions arising out of different transactions within a period of 24 months, such convictions being for moving violations of the traffic laws of the State of Texas or its political subdivisions."

Garrison said if a justice of the peace or other designated magistrate finds a driver to be a habitual violator, the Department of Public Safety is authorized to suspend the driver's license for any period up to one year.

The new law also establishes detailed procedures for appeals of persons whose licenses have been suspended and requires the courts to give priority to the setting of such cases. It designates local prosecuting attorneys to represent the state in such appeals cases.

Olden Native Is Associated With Memphis Agency

James E. Freeman, a native of Olden, has been appointed to the staff of the Memphis agency of Connecticut General Life Insurance Company.

He is a son of Mr. and Mrs. John A. Freeman, formerly of Olden and now residents of Memphis.

He will be a brokerage consultant and will work with independent general insurance men and their clients in providing all forms of personal insurance.

Freeman is a graduate of Eastland High School and the University of Arizona.

Eastland Co. Oil Well Completed

A regular field well was completed six miles north of Cisco at Jocelyn - Varn Oil Co. of Abilene No. 1 First National Bank of Fort Worth, trustee. Location is in Section 69, Block 4, H & TC Survey.

Daily potential was 34 barrels of 37.8 gravity oil. Flow was through a 10-64-inch choke and four perforations per foot at 3,976-80 feet. Casing is set at 3,998 feet, and the hole bottomed at 4,033 feet. Gas-oil ratio was 760-1.

Under these rulings, he said, wages or payments in lieu of wages for periods of absence due to other actual sickness occurring during a period of pregnancy may qualify for the exclusion, but not pregnancy alone. However, no exclusion is allowed for wages received for the first week of absence from work in any case unless the taxpayer is hospitalized at least one day during the absence, he added.

In general, claims for refund of tax may be filed for 1956, 1957, or 1958. Claims should be filed on Form 843 by those who can qualify for the exclusion Mr. Pogle said.

Blank Forms 843 and assistance may be obtained at the IRS office at 289 Pine St., Abilene.

Tucker, office secretary, revealed today.

Time for the festivities to begin is 7 p.m. Friday at Eastland City Park. All Farm Bureau members, their families and friends and all other interested persons have been urged to attend.

Crowning of the queen will follow the barbecue at 8 p.m. The contest is a statewide event to promote recognition of the farm and ranch girls in Texas. Each county winner will be eligible to enter the district contest. Eastland County is in District 7, composed of 13 counties.

Mrs. Joe Bob Browning of Gorman and her committee members, Mrs. Pat Kincaid, Mrs. Larie Broussard and Mrs. Glen Justice, and Mrs. Ben Freeman have secured the following girls who will compete for the queen's title: Paula Coats, 17, daughter of Mr. and Mrs. Clyde Coats, Route 1, Cisco, is a junior in Cisco High School; Darlene Stevenson, 17, granddaughter of Mr. and Mrs. Walter Duncan, Route 1, Eastland, is a senior in Olden High School; Kay Miller, 18, daughter of Mr. and Mrs. L. M. Miller, Route 1, Gorman, is a 1959 graduate of Gorman High; Janie Morton, 18, daughter of Mr. and Mrs. J. B. Morton, Eastland, is a senior in Eastland High School; Venita Coats, 17, daughter Mr. and Mrs. Reuben Coats, Route 1, Cisco, is a senior in Cisco High School; Linda Pinpen, 17, daughter of Mr.

Internal Revenue Facts on Sick Pay

A Federal tax ruling of probable benefit to many mothers of Texas was explained today by Arthur E. Pogle, Jr., Administrative Officer of the Abilene office, in amplifying Revenue Ruling 55-263, C. B. 1955-1, 16.

He explained: "The ruling holds that sickness for the purpose of the \$100 per week 'sick pay' exclusion exists from the commencement of labor to termination of the period during which a woman is physically incapacitated as a result of childbirth or miscarriage."

"This means that wages or payments in lieu of wages, up to a maximum of \$100 per week, received for such period of incapacity can be excluded from income on the Federal income tax return."

Mr. Pogle said the ruling also provides that a written statement by a physician that the taxpayer was advised to remain at home for a specified time or times because of a substantial danger of miscarriage, will also generally be considered sufficient to establish "sickness" for purposes of the sick-pay exclusion.

Under these rulings, he said, wages or payments in lieu of wages for periods of absence due to other actual sickness occurring during a period of pregnancy may qualify for the exclusion, but not pregnancy alone. However, no exclusion is allowed for wages received for the first week of absence from work in any case unless the taxpayer is hospitalized at least one day during the absence, he added.

In general, claims for refund of tax may be filed for 1956, 1957, or 1958. Claims should be filed on Form 843 by those who can qualify for the exclusion Mr. Pogle said.

Blank Forms 843 and assistance may be obtained at the IRS office at 289 Pine St., Abilene.

Scribe Picks Upset In 7-AA This Year

By VIRGIL E. MOORE
With football season just around the corner, it's time again for sports writers across the nation to come forth with their yearly predictions on the various out-catch districts.

In District 7-AA that would seem to be an easy matter, for the mighty Cisco Lobos are all-time favorites to repeat as district champions. Cisco has a fine opportunity to do just that, but this department goes against the grain in predicting that the Lobos will finish second in the district behind the highly talented Bulldogs eleven.

We believe Cisco and Ballinger will fight it down to the wire, with the title decision coming on the night they play each other. While we string with Ballinger, a

and Mrs. Clifford Fippen of Cisco, is a senior at Cisco High; Patsy Rawls, daughter of Mr. and Mrs. H. T. Rawls of Gorman.

Master of ceremonies for the occasion will be A. Z. Myrick of Cisco. Out-of-town judges have been secured. They are Mr. and Mrs. V. C. Clements and Mrs. Billy Joe Grist, of Abilene, and Mr. and Mrs. Hezzie Dean of Comanche.

News From Area Towns

CARBON FACULTY IS COMPLETE
The Carbon School faculty for 1959-60 has been completed with the hiring of two new teachers at a meeting of the school board last Saturday night.

Daie Key of Rising Star was elected as high school principal and high school football and basketball coach. Key is a graduate of Rising Star High school and attended Howard Payne College in Brownwood. He replaces Garner Rice who served in that capacity last year. Mr. Rice will be connected with the Gorman school this coming year.

Wilbourn Wood, son of Mr. and Mrs. Floyd Wood, was also elected as teacher in the high school. Wilbourn is well known here having finished high school here and also a graduate of A & M College.

HIGH SCHOOL STUDENTS REGISTER AUG. 28

Superintendent Sam Jones announced this week that the Rising Star High School faculty meeting would be held Aug. 28 at 10 a.m. at the high school building. Registration of the high school students will also be held Aug. 28. Juniors and Seniors will register from 1 to 2:30 p.m. and Freshmen and Sophomores will register from 2:30 to 4 p.m. at the high school building.

LOBOS GET NEW ASSISTANT COACH

The two assistant coaching positions at Cisco High School, left vacant with the resignations of George Owens and Kenneth Mays, were filled early this week, according to an announcement by Coach Zac Henderson Wednesday.

Derrill Rice of Rochelle and Keith Miles of Abilene will be the new Lobo assistants when grid practice opens Monday afternoon on the practice area near Chesley Field.

MINIMUM WATER RATE WILL NOT BE RAISED

The city council voted Monday night to up the city's water rates effective with the bills which water customers will get Oct. 1 to obtain revenue for a water production and water storage expansion program.

Under the schedule of rates as adopted by the Stephenville council water customers will continue to get 3,000 gallons of water monthly for the minimum \$2.50 monthly bill—just as they do at present.

The story is different for water consumed each month over 3,000 gallons. Water customers now pay a flat 25 cents per thousand gallons for all water used each month over the 3,000 gallon minimum. Starting with bills they will receive in October the water users will pay 75 cents per thousand gallons for the first 2,000 gallons of excess water—making the bill for 5,000 gallons of water \$4 instead of the present \$3.

FAIR FEATURES HOMECOMING FOOTBALL GAME

The 1959 Rising Star Fall Fair will open with a parade at 6 p.m. Thursday, Sept. 3, to last three days and conclude with a High School Homecoming and a football game between Rising Star and Melvin High Schools at the Rising Star stadium Saturday evening at 8 o'clock.

In between will be a queen coronation on a rodeo, a series of entertainments at the exhibit building on South Main Street and the showing of agriculture products, livestock and other interesting exhibits from the Rising Star area. Carnival shows at the exhibit grounds will provide further entertainment for the crowds.

NEW IMPROVEMENTS—H. B. MacMoy, owner of the Super Save store here, looks over one of his new cases recently installed. This is the dairy case, but MacMoy is just as proud of his large frozen food cases. The dairy case is something brand new in the grocery business. MacMoy was one of the first persons to buy the new type case. (Moderne Photo).

WHAT IS IN THE BIBLE FOR ME?
In 1526 for daring to translate and print the Bible into the language of common people William Tyndale of England was strangled and his body burned. He is not the only one to die because of his faith in this remarkable book. Hundreds have willingly gone to the martyr's death because of their desire for other men to know and believe the message of the Bible. They believed there was something in the Bible for the people.
One of the oldest books, and larger than most, the Bible was about 1500 years in the making and was written by nearly 40 different men. Five hundred years ago when the printing press was invented the Bible as we know it was already more than a thousand years old yet it was the first book to be printed. Since that first edition it has never been off the presses. It continues to be the best-selling book year after year after year. Surely these very facts make you curious. You say, "What is in the Bible for me?" Let the Bible itself answer your question: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works" (2 Timothy 3:16-17). Also, "Thy word have I hid in mine heart, that I might not sin against thee" (Psalm 119:11).
The Bible is your guidebook for belief and behaviour and is supreme over all creeds and declarations of faith. It is the all-sufficient revelation of God to you. It will show you the way to God, will explain the conditions of your salvation from sin, and will guide you in godly living.
Sir Walter Scott, man of letters and author of many books, when he lay dying, said: "Bring me the book." His devoted attendant, perplexed by such an order from a man whose library contained thousands of volumes, asked which one Scott wanted. And the weak but clear reply came: "There is but one book—bring me the Bible."
Baptists believe that other books will help you to understand God and to appreciate the message of the Bible; but they most emphatically say no other book and no other utterance can take the place of the Bible or stand equal with it in importance.
Why not read it and find its message for you?

FIRST BAPTIST CHURCH
AT THE
HEAR THE MESSAGE OF CHRIST
Harvey Kimbler, Pastor Plummer at Lamar

AS IT LOOKS FROM HERE

WASHINGTON, D. C.—Dr. Ward Necomb, a Nebraska dentist, has successfully fitted cows with steel false teeth.
After some period of experimentation, it is found that the cow with good teeth will live longer and produce more.
Breeding cows beyond eight or nine years of age usually become unproductive. After their teeth are worn down to the gums by constant cropping of tough grass, they find it hard to live and do well. This is the case in the Western Plains Area.
In easier, more lush areas of the East cows live longer and produce calves up to the end of their life.
Dr. Necomb devised a set of false teeth with crowns of stainless steel that can be lined with cement and crimped down around a cow's old teeth.
Since cows grazed on more plentiful and more lush grass are known to live and produce up to sixteen to twenty years of age, possibly the productive life of those in the arid areas can be prolonged.
A proposal has been made by Senator Johnson of Mississippi for the creation of a twelve-man Agriculture Policy Commission to make a thorough study of farm legislation.
Ordinarily, a commission or a committee is a place to bury problems, but certainly in this instance something is needed.
The congress, the administration, and farm organizations have floundered through months of futile squabbling over farm problems, chiefly because there is no well-defined policy for guidance.
Senator Stennis says he is convinced that, if we do not come up with a more realistic program, which would meet certain objectives, our agriculture program, as we know it today, is doomed to greater criticism and eventually, complete collapse.
A new and powerful "United States of Europe" is taking shape and is already having noticeable impact on the economy of America.
The United States is still tied to domestic and foreign economic policies that are based on the wornout idea of a weak Western Europe that can not survive in freedom without the aid of American dollars.
France, Germany, Belgium, and Holland have formed a solid industrial power that is already beating the United States, not only in foreign markets but right here at home.
England has also bolstered up her economy, by American gifts, grants and loans, and at the same time giving American producers a tough time at home and abroad.

Japan is doing the same.
The result is that the United States is heading toward economic decline while nations we are aiding are following policies leading to greater solvency and renewed world power.
This stepped-up competition is causing the outflow of American gold to other countries. The value of the American dollar has not only shrunk at home, but also abroad. Even the Russians want to get on the green train.
From all indications, other countries in Europe will in the near future band together in an economic alliance as a part of the United States of Europe. Italy, and probably Spain and Portugal, will be added to the Western European economic alliance.
The advance of such an economic bloc in Europe is not entirely tied to cooperation between these nations. Lower labor cost is a big factor in producing cheaper goods to compete with the United States.
Our "Higher Standard of Living" is pricing us out of the world market. Too long we have thought of ourselves as being dominant and indispensable to the rest of the world.

VISITS PARENTS
Mr. and Mrs. Homer White enjoyed having their children visit them recently. They were Capt. and Mrs. Dalton White and son, Don of Vandenberg AFB, California, Mr. and Mrs. Morris White and son, Douglas of Dyess AFB, Abilene, Mrs. Nina Hanset of Belleville, Kansas. Also Mr. and Mrs. J. I. Capers, Mr. and Mrs. Charles Capers of Houston, all brothers of Mrs. White.

Assembly of God HENLEY PRUITT, pastor

The Assembly of God, the church where you will find a welcome, invites you to attend each of the following services: Sunday School at 10 a.m.; preaching service at 11. Wednesday night service, 7:45. The church is located at 701 South Lamar Street.

First Christian Church Rev. Ray Heckendorn, pastor

Sunday Services 9:45—Bible School 11:00—Morning Worship. Sermon: "Worship" 7:30—Evening Vespers All women are urged to bring their school supplies for Juliette Fowler Homes.

READ THE CLASSIFIEDS

Calvary Baptist Church Rev. Earl Williams, pastor

You are cordially invited to attend any and all of our worship services this week.

On Sunday morning, our services begin with Sunday School at 10 a.m., Song Service at 10:45, followed by the preaching hour at 11 a.m. On Sunday night, Prayer Meeting begins at 7:15 p.m., Song Service at 7:30, and the Preaching Hour at 7:45 p.m.

Our Mid-Week worship service on Wednesday nights begin with Song Service at 7:30, followed by the Preaching Hour, and closing with an Open Prayer Service. Beginning this past Wednesday night, Rev. Williams is bringing a series of sermons on the Ten Commandments, dealing with one commandment each Wednesday night. We are sure you will be blessed by hearing these commandments explained in detail.

Last Thursday night, Fellowship following visitation was held at the home of Brother and Sister Blackie Fox in Olden. Fellowship this next Thursday night is scheduled to be in the home of Brother and Sister J. C. Berry.

Again, we wish to urge you, if you have no church of your choice, to come and visit with us. We think you will receive a blessing from it, and know we will be blessed by having you.

Episcopal Church Rev. W. B. Washington Jr., curate

Sunday, August 16, 10 a.m. Holy Eucharist

Wednesday, August 10, 9:00 Holy Eucharist.

The children's catechism class is off to a good start and will continue through the middle of this week. Those present have included Hank Cutting, Anne Whittington, Marcella and Patricia Slaughter.

All men of the parish interested in attending the Bishop's retreat at Camp Crucis over the Labor Day weekend please get in their applications by the end of this week.

The Altar Guild is now under the direction of Mrs. Jack Carothers and Mrs. Richard Cutting. All altar guild business will be transacted through either of these two ladies.

We welcome our friends and neighbors to come and worship with us. The Episcopal Church welcomes you.

First Baptist Church Rev. Harvey Kimbler, pastor

Announcements for the week at First Baptist include the following: Sunday: Sunday School, 9:45; Morning Worship, 11 with the pastor bringing the message and R. B. Hall, Jr., directing the choir. The special music by the choir will be "O Divine Redeemer" with Mrs. D. L. Kinnaird at the organ. Training Union time is 7 p.m. with the Evening Service at 8.

The Royal Ambassadors, Girl's Auxiliary, Young Woman's Auxiliary, Sunbeams, and Sunday School Departmental superintendents will have meetings at 7 p.m. Wednesday, Teacher's Meeting, 7:15; Prayer Meeting at 8:00; and Chancel Choir, 8:45.

The ladies of the church are urged to come for visitation Thursday morning at 9:30 and 2 p.m. and the men at 7 p.m.

First Methodist Church Rev. James Campbell, pastor

Church School begins at 9:45 with classes for all ages. The morning worship service is at 10:50. Rev. James H. Campbell, the pastor, will bring the sermon titled: "God's Tomorrow". Mrs. Art Johnson will direct the choir in the song service and the special number.

The Youth Fellowship will meet at 6:15.

The evening worship service begins at 7 o'clock. Rev. James H. Campbell will again bring the message.

LETTERS TO THE EDITOR

I'm surely disappointed in the editor's fence - straddling on the beer issues. You have always said what you thought. Why not now? Harvey Kimbler

VISITS GRANDMOTHER

Mr. and Mrs. Larry Powell visited in the home of their grandmother, Mrs. Mattie Miller, recently. Mr. Powell is leaving for Crougton, England, Aug. 16, where he will be stationed for three years with the United States Air Force.

Traveling on the Highways-

... one has a chance to observe what's going on, here and there. It may be just a roadside collision or a modern farm home with every convenience. If within a city it may be the sight of a huge explosion that has wrecked a great building or a park with children playing everywhere. If one travels he cannot help but observe and back of these observations stands something that is strong and enduring which protects and preserves our way of life, for better living. That's Insurance.

LACASA LINES
Mrs. D. B. Raney.

By Mrs. D. B. Raney
Mrs. Effie Newnam and Hazel moved from this community to Breckenridge last week.

Mr. and Mrs. D. B. Raney, Ann and James are visiting Mr. and Mrs. Charles Raney in Lancaster, California.

Mrs. Gladys Macdonal suffered burns while trying to fight a grass fire on the farm of her parents, Mr. and Mrs. W. R. Havens.

Mrs. Comer Clay and daughter Linda of Fort Worth are visiting Mrs. Clay's parents, Mr. and Mrs. J. T. McCleskey.

Mrs. Millard Tuttle of Breckenridge visited in the H. L. Caraway home Sunday.

Rev. and Mrs. Frank Brooks and son are visiting her parents, Mr. and Mrs. Ralph Carr this week. The grandparents will keep the baby while Bro. and Mrs. Brooks are in a revival meeting at Hastings, Okla., next week.

Mrs. Effie Newnam and Hazel Newnam of Breckenridge visited in the home of Mrs. Cordia Lambert Sunday.

Robert Jackson is recovering from a leg injury.

Several people from this community and Ranger visited in the Wilson Watson home over the weekend. Watson has returned to work after recovering from an accident last week.

Mrs. Marion Graham's father is seriously ill at her home in Strawn. He will be remembered as Mr. Gold who lived here for a number of years.

Mrs. W. R. Havens and Gladys visited in the D. Z. Herrington home last Friday.

**Webb Reunion to
Be Held 22-23 In
Harbin Home**

The descendants of C. T. (Uncle Pete) and Lucy Webb will meet in the home of Mr. and Mrs. Wylie Harbin for the annual family reunion August 22 and 23. Mr. and Mrs. A. D. Webb will be the co-host and hostess.

All friends and relatives are invited to attend the affair.

VISITS EASTLAND

Mr. and Mrs. Jeff Woods have returned from Phoenix, Ariz., where they visited their daughter, Mrs. Dean Butler and Mr. Butler. While there they attended the wedding of their granddaughter, Dixie to Randall Stone. Enroute they visited Mrs. Woods' sister, Mrs. Arthur Horn and Mr. Horn in El Paso. They visited Mr. Wood's niece, Mrs. Elsie Allridge and Mr. Allridge in Midland. Buddy Woods accompanied Mr. and Mrs. Woods home for a visit. Buddy was formerly a carrier boy for the Eastland Telegram before his family moved to Arizona.

**State Department
Of Health**

People who know say a single rat can wade through \$2 worth of dry corn without any trouble whatever, and despoil another \$20 worth in the process.

They're mighty expensive critters to tolerate in town or country, both by virtue of the food they eat and the some 27 diseases—including typhus fever and bubonic plague—they are known to spread.

This time of year rats will be in field burrows. Soon though, with rural harvest well underway and cooler weather coming, they'll move into grain bins and feed stacks and buildings where food is stored.

If you're interested in keeping them out of your place, now's the time to formulate a plan to deprive them of food and shelter this winter and avoid a repetition of last year's record - breaking infestation.

Start by burning or piling scrap lumber at least two feet off the ground. Scatter feed stack chaff and manure piles over fields. And keep the inevitable weeds and grass around outbuildings cut so as not to attract rats.

Rats breed so rapidly that mere killing campaigns without accompanying sanitation are worthless. On the other hand, striking reductions in rat populations have been made by rat proofing without killing procedures.

Farm buildings in good repair are seldom infested with rats, so it follows that's the way to keep them. Check to make sure walls are tight and that floors and foundations are crack-less. A strip of galvanized metal three feet or so high, placed around the base of a building will keep rats out—provided they can't get through the floors.

By and large, rats as a group probably prefer grain to any other type food. Which is a good argument in favor of building new granaries tight and off the ground.

All known rat runs ought to be baited with poison. In one closely supervised campaign, almost 12,000 rats were killed at a cost of about 4 cents per rat. Warfarin bait was used, and the amount required to kill a rat averaged slightly less than a quarter pound.

Other effective poisons are available but many of them must be used with extreme caution. Persons unfamiliar with rodenticides should get expert advice before attempting to use them. (A weekly feature of the Health Education Division, State Health Department.)

Card of Thanks

We wish to take this opportunity to express our sincere thanks to our many friends and neighbors for each act of kindness shown us during the loss of our loved one.

For the floral offerings, food, cards and the beautiful service, we express our heartfelt gratitude.

The Williamson Family

VISITS IN EASTLAND

Mrs. Sterling Dolberry of Tyler has been visiting the past week with her mother, Mrs. Mattie Miller.

CULINARY ARTISTS—Army Mess Stewards Frederick W. Landon (left) of Mountain Lake Park, Md., and Winesford Crum of Sharples, W. Va., will return to their Nike units with skills learned in eight weeks from Anthony Macerello, head chef of Washington's Mayflower Hotel. The Statler Hilton Hotel also participates in the Military District of Washington course.

**NEWS FROM
DESDEMONA**

The annual Homecoming was held here Saturday. A nice program worked out by the program committee was enjoyed by a large crowd. The Gospelaries had charge of the night session with some local talent between times.

Attendance at the different churches was at low tide Sunday due partly to the heavy weekend activities.

Mr. Ed Riggs who has been in the Gorman Hospital for several days has improved and is expected to be home the first part of this week.

The Roy Gutherys had most of their children home on the weekend.

The Bernard Keith family of Cisco was here Saturday to visit Ethel Keith and attended the Homecoming.

Attending the funeral services of Mr. Si Trice Sunday afternoon from here were Rev. and Mrs. Buel Bryan, Docy Williams, Mr. and Mrs. C. E. Ragland, Mr. and Mrs. Raymond Lindley, Mr. and Mrs. H. H. Echols and Mr. and Mrs. Lloyd Glasson. Mr. Trice was a brother to Mrs. Lonnie Williamson.

The children of Mr. and Mrs. Rufus Buckley were here on the weekend to be at the bedside of their mother, Mrs. Claudia Buckley, who is quite ill in the Ranger hospital.

Visiting Mrs. Nora Wall on Sunday were her sons, Pete and Elbert Walls and their families.

Visitors with the Jim Huffs for the weekend was a son, E. J. Huff

and family of Odessa and a brother, Matt Huff and family of Vernon.

Captain and Mrs. Bobbie Burleson and son, Jerrel Lynn, of San Marcus were here on the weekend to attend the funeral of her uncle, Si Trice, on Sunday.

N-A-T-O
 4 letters
 that spell peace

What is NATO? It stands for North Atlantic Treaty Organization, an alliance of 15 free nations, including the United States, which have banded together to protect themselves against aggression. These nations are Belgium, Canada, Denmark, France, Germany, Greece, Iceland, Italy, Luxembourg, Netherlands, Norway, Portugal, Turkey, the United Kingdom and the United States.

What is its purpose? Primarily, NATO is a military alliance, but its great purpose is peace, not war. The 15 members of NATO have pledged that they will regard an attack upon any one of them as an attack upon all. They have also pledged to work together politically and to increase their ability to defend themselves by self-help and mutual aid.

How does NATO function? Each of the 15 member nations is represented in important discussions held regularly. Their main function is to defend a line which stretches from the Aleutians to the Middle East. A line which is manned by Greek patrol boats, Norwegian ski troops, French engineers, Canadian jet pilots—strength to which every NATO country contributes.

What has it accomplished? Before NATO Russia had seized country after country—enslaved 90 million people. The Soviets threatened to engulf the whole of Europe . . . ultimately to dominate the world. Since NATO not an inch of territory has been lost in the Atlantic area. And by sharing our obligations this 10-year watch has cost us less than a few months of the cost of World War II.

What is its future? So long as there remains a threat to liberty, NATO has a job to do. Slowly a strong shield of freedom has emerged. Secure behind this shield, the peoples of the Atlantic community are working together toward greater political, economic and social well-being.

NATO needs your support

New challenges face NATO every day. It can meet them and grow even stronger . . . but only if all NATO nations continue to work together in that spirit of co-operation that first made NATO possible. NATO deserves your support to this end. For the full story on NATO write for the free booklet. Write:

NATO Information Box 88, New York 21, N.Y.

The Travelers' Hotel in Cotulla set a good table and so the traveling salesman who made the territory regularly would arrive in time for supper, spend the day calling on their customers in the area and get back for another supper.

Among the regular patrons of the dining room was a rancher of about my age. He was nice-looking, with a quiet way about him

Ranger JC Picked Ninth In South

The National Junior College Athletic Association rates Ranger College as ninth in the south. Following is the results of the voting by the Association.

Boise, Idaho, winner of the 1958 NJCAA championship Football game is the solid choice of the nation's Juco coaches to repeat as the superior grid squad in the NJCAA's Northern division. Coach Lyle Smith's Broncos, operating from a powerful single wing offense, climaxed an undefeated season last year with a 22-0 victory over Tyler, Texas.

The voting wasn't even close, as Boise had a total of 282 points and 17 first place votes, compared with two first place tallies and a total of 100 points for Grand Rapids, Michigan, the second place choice.

Coach Floyd Wagstaff's tough Apaches from Tyler have retained the respect of most of the grid coaches and appear as the best bet to capture the top spot in the NJCAA's Southern Division. A perennial powerhouse, the Apaches doubled the score count on their nearest rival, newcomer, New Mexico Military Institute of Roswell, New Mexico.

N. M. M. I. had a remarkable season in 1958, winning 11 and losing none. Their phenomenal freshman halfback, Joey Hernandez, scored 23 touchdowns and gained 1848 yards in 186 carries for an average of 9.9 yards per carry. With Hernandez returning the Broncos will be tough again in 1959.

Here is how the Association rated the Southern Division teams:

1. Tyler
2. New Mexico M. I.
3. Texarkana
4. Victoria
5. Wharton
6. Wingate (North Carolina)
7. Gardner-Webb (N. C.)
8. Del Mar
9. Ranger
10. Henderson Co.
11. Kilgore
12. San Angelo
13. Paris
14. Navarro

SOCIAL CALENDAR

Monday, August 17
7:30 p.m.—The Odfellow Lodge No. 120 will meet in the IOOF Hall for their regular meeting.

7:30 p.m.—The Pythian Sisters will meet at Castle Hall for their regular meeting.

6 p.m.—Mrs. Nora Vaught and her daughter, Mrs. Charles P. Mason, of Dallas, will be hostesses to the members of the Fifty Year Pioneer Club at a picnic in the City Park. Members are to bring their own dishes but no food.

LETTERS TO EDITOR

Dear Mr. Dick:
I had the pleasure of serving as a member of the legislature with Mr. Paul Brashear during the regular session and the three special sessions just concluded. I think the people of Eastland County are to be congratulated upon their selection of Mr. Brashear as their representative.

In all matters during those trying sessions, I found Mr. Brashear to be firm in his convictions and perfectly fair with those who opposed him. If all members of the legislature had his attributes as a legislator, there would be no concern about the future of Texas.

Sincerely,
James M. Cotten
State Representative
Weatherford

IN MIDLAND
George Harris, son of Mr. and Mrs. Charles B. Harris, is now in Midland where he will teach in Alamo Junior High this year. Harris will teach general science.

Harts Return to Home From Trip To California

Mr. and Mrs. H. M. Hart returned by plane Wednesday to Love Field from a vacation in California. They drove from Dallas Wednesday afternoon.

While in California they went sightseeing in San Francisco, Oakland, Berkeley, Richmond, San Rafael, San Leandro, Sausalito and Santa Rosa.

They took a tour to Fortuna, 260 miles north of San Francisco, along the Redwood Highway 101, a winding highway following the Russian River.

In Richmond they visited Mr. and Mrs. Virgil Williams, Mr. and Mrs. Carl Pharis and Mr. and Mrs. Camille Veilleux. They visited in San Rafael with Mr. and Mrs. Frances Thomas and daughter, Anita, and Mr. and Mrs. Harry Pharis.

On their tour through the Redwoods they visited with Mrs. Myrtle Kemp, Mrs. Emma Smith and Mr. and Mrs. Festus House, all of Shirely. Mrs. Kemp, Mrs. Smith, Mrs. Thomas and Mr. House are former residents of Eastland.

Mrs. Williams is the daughter of Mr. and Mrs. Hart. The Harts were gone ten days and reported having a wonderful time.

LEGAL NOTICE

NOTICE TO THE PUBLIC Under the Laws, Rules and Regulations governing Lake Leon as passed and put into effect as of 7/12/55, ARTICLE X, Section 8 has been revised as follows:

No person, persons, firm or corporation shall hunt, fish, or have, operate, or on the waters of Lake Leon, or on the waters of a craft or boat in or on the waters of Lake Leon, without having first procured a recreation license from the District. Fees for said recreation license shall be:

Individual Annual Permit \$5.00
Includes Wife \$5.00
Daily Permit Individual 50c

No fee shall be charged for children under 17 years of age. Daily permits shall be considered to be in effect from midnight to midnight. Annual permits shall be considered to be in effect September 1st to September 1st.

Effective September 1, 1959, all persons of sixty-five (65) years of age and over will be permitted to fish in Lake Leon free, provided that person has in his possession an Exemption Certificate from the State of Texas.

Christian Science

The spiritual relationship of God and man will be set forth in the Lesson - Sermon entitled "Soul" at Christian Science services Sunday.

Opening selections to be read from the Bible present these verses from Psalms (63:1,2): "O God, thou art my God; early will I seek thee; my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is; To see thy power and thy glory, so as I have seen thee in the sanctuary."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, this citation will be read (120:4): "Soul, or Spirit, is God, unchangeable and eternal; and man coexists with and reflects Soul, God, for man is God's image."

The Golden Text is also from Psalms (99:9): "Exalt the Lord our God, and worship at his holy hill; for the Lord our God is holy."

First Presbyterian Church

Corner Walnut & Valley Streets Eastland

Following vacation-time, services resume on this Sunday. Morning Worship begins at 11 o'clock. The sermon subject is, "Reformed Faith and Worship". The Scripture Lesson is Romans 8:26-39, and the Text is Romans 8:28.

Sunday Church School begins at 9:45 a.m. The Women's Association meets Tuesday morning at 9:30. In addition to business and devotional, there will be a lesson, led by Mrs. LeRoy Arnold.

USDA Announces 1960 Conservation Reserve Program

College Station, Aug.—Texas Farmers will receive a basic rate of \$12 an acre under announced plans for the Conservation Reserve of the Soil Bank for the 1960 crop season by the U.S. Department of Agriculture. A tentative goal of 452,000 additional acres was also announced for the State.

Principal changes listed for the 1960 Conservation Reserve in the USDA announcement include regulations relating to publicly owned land, tenure of ownership, method of setting payment rates and the determination of priorities when more applications are received than can be accepted.

Land owned by a state, county, town or local government will be ineligible for the program. This rule is already in effect on federally owned land. Land which has changed ownership (except through inheritance) since December 31, 1956 is ineligible to enter the program in 1960.

If land under a 1960 Conservation Reserve contract is sold, the contract generally may be assumed by the purchaser only after it has been in effect for three years.

The priority system of accepting applications has been modified to assure first consideration to farmers who are unable to participate in the 1959 program because of lack of funds.

Detailed information as to the application of these and other changes to individual farm situations will not be available in county ASC offices until mid-August, stated the USDA announcement.
