EASTLAND, TEXAS, TUESDAY, AUGUST 4, 1959

No. 40

MOORE about... EASTLAND by Virgil E. Moore

Eugene Surface, Presbyterian minister, spoke to Eastland Rotarians Monday and in the process read a little clipping he picked up somewhere down the line entitled "Consider the Preacher." It went like this:

The preacher has a good time. If his hair is gray, he is old. If he is a young man, he hasn't had experience. If he has 10 children, he has too many, if he has none, he isn't setting a good example. If his wife sings in the choir, she is presuming; if she doesn't, she isn't interested in her husband's work. If a preacher reads from notes, he is a bore; if he speaks extemporaneously, he isn't deep enough. If he stays at home in his study, he doesn't mix enough with the people; if he is seen around the streets, he ought to be at home getting up a good sermon. If he calls on some poor family, he is playing to the grandstand; if he calls at the home of the wealthy, he is an aristocrat. Whatever he does, someone could have told him how to do it better.

Mrs. Joseph M. Perkins says one of the biggest surprises she came across on her trip to the Far East was seeing a work. If a V-Eite Vassarite advertisement on the front page of a Hong Kong newspaper.

Game Tournament Set For Friday At Woman's Club

A Game Tournament will be held Friday at the Woman's Club to raise money for clubhouse repairs. Sponsoring the tourney will be the Clubhouse Board.

Bridge, Eighty-four, Canasta and Forty-two will be played beginning at 7:30 p.m.

Tickets will sell for 50c. This will be the fifth in a series of benefits sponsored by the women's clubs of Eastland.

"We invite you to come and enjoy an evening of games with us," a spokesman said.

Do hungry teenagers raid the refrigerator and keep the cupboard bare? If so, maybe it might be a good idea to keep plenty of milk and dairy products on hand at all times.

These foods are favorites with teenagers. What's more important, dairy products are especially rich sources of the protein, minerals and vitamins needed by boys and girls during these years when they're growing so fast.

A French toasted cheese sandwich hits the spot as a late evening snack. Simply put a slice of American cheese between two slices of plain or whole wheat bread, dip entire sandwich into a mixture of beaten eggs, milk, salt and pepper, and brown in butter in skillet. With a glass of good milk, this would make a perfect ending to an evening of fun and activity.

For something sweet, try this Orange Fluff. Put 1-2 pint vanilla ice cream into a large bowl and let soften a little. Add to the ice cream 1 can frozen concentrated orange juice and 2 cups cold water. Beat with rotary egg beater or electric mixer until fluffy. Pour at once into tall cold glasses and top with the remaining 1-2 pint of ice cream, half slice of orange and sprig of

Rev. Surface Is Guest Speaker At Rotary Club

Rev. Eugene Surface, pastor of the First Presbyterian Church, was guest speaker at the Eastland Rotary Club Monday.

Rev. Surface spoke on "A Preacher's Job." He reasoned that most individuals do not understand the duties of the preacher, and said that everyone needs to "be charitable in our judgment of one another, for we do not understand as well as we ought each other's job."

Shep Fields to Play Friday at Lone Cedar Club

Shep Fields and his orchestra, known for their "Rippling Rhythm," will play at Lone Cedar Country Club Friday night, August 7.

At the beginning of his career, Shep Fields had tried hundreds of innovations to musically describe his "Rippling Rhythm." An Enroute to New York for his first important engagement, he was ready to give up when he noticed his wife mulling over a soda and humming through a straw. This was the inspiration for the trademark that identifies him and his music.

In addition to his many New York appearances in hotels and theatres, his engagements have included the Palmer house in Chicago and the Coconut Grove and other top clubs on the West Coast.

Julie Frost Is Winner of Camp Senior Medal

Julie Frost has been awarded the senior medal for outstanding achievement in the land sports department at Heart O'The Hills for junior girls. At closing ceremonies, "The Naming of the Braves," this silver award was presented on the basis of attitude, interest, attendance, credit, participation, and advancement of skill in the field. Awards were presented by Mrs. Kitty Magee, director of the camp. Julie is the 13-year-old daughter of Mr. and Mrs. Billy C. Frost, 402 S. Dixie.

Heart O'The Hills Camp for junior girls, which opened its seventh season this summer employs the facilities of the Heart O'The Hills Inn near Kerrville. A capacity enrollment of 126 girls from Texas, Oklahoma and Louisiana attended the second four-week session.

WILD TERROR IN CALIFORNIA—A doe dashes in blind fear as flames leap from a brush fire in Hidden Valley, Calif. Firefighters halted this blaze after it blackened nearly 200 acres — one of many fires which hit as the dry season set in throughout many sections of the nation.

Area Scouts to Conduct Swim Meet Aug. 14

Boy Scouts and Explorers from this area of Comanche Trail Council will conduct their annual swim meet in the City Pool in Breckenridge on Friday, August 14 at 7:00 p.m.

Dr. T. C. Ford of Breckenridge is Chairman of the Health and Safety Committee and in charge of the contests. Events will include contests using breast, crawl, side, and back strokes. There will be a comedy race with lemon and spoon for non-swimmers.

There are two divisions—Boy Scouts and For Explorers—with ribbon awards being presented at the conclusion of the events.

"The public is invited to attend and will find the contests interesting and worthwhile," according to Dr. Ford.

Scouts are taught "Health through Knowledge — Safety through Skill" in a learn-by-doing program which develops skill in and near the water.

Loves Represent County at Farm Bureau Institute

The Eastland County Farm Bureau is being represented at the eleventh annual Texas Farm Bureau Institute being held at the Adolphus Hotel in Dallas, August 2-5.

Purpose of the school is to train county Farm Bureau leaders for better service in the operation of a grass root farm and ranch organization on the county level. The theme of this year's Institute is "The Challenge of Change." Among the teachers is Dr. John Stevens of Abilene Christian College.

Attending the Institute from Eastland County are John Love, president of the Eastland County Farm Bureau, Mrs. John Love, service agent, and Lovesta Love, all of Ranger. Mr. and Mrs. Joe Bob Browning of Gorman were unable to attend, due to illness.

NEXT TIME, WITH FEELING — Brandishing their machetes, a group of farmers from Cuba's Oriente Province seem to lack the proper accompanying facial expressions. They marched on Havana for the anniversary of the first rebel attack on the former government.

Twenty-Nine New Citizens Welcomed

Eastland's citizenship list continues to gain. The welcome receptions was busy in July, greeting 11 new families.

Among the city's newcomers are:

Mr. and Mrs. E. M. Watts of Dallas. Watts is with the Highway Patrol here. They are living in apartment 19, Hillside Apartments, and are Baptist.

Also former Dallas residents are Mr. and Mrs. J. M. Reeve, 103 North Ammerman. The Reeves also are members of the Baptist Church, and he is a service station attendant. They have three sons, ages five, three and three months.

Mr. and Mrs. W. D. Ivie moved to Eastland from Kermit. He is a mechanic with Fuller Mochor Co. and they are living at 1209 West Commerce. The Ivies are members of the Church of Christ.

Mrs. Mary Odum, a former Lamesa resident, is now living at 207 West Patterson. She is employed by the Village Hotel Coffee Shop and is a member of the Church of the Nazarene.

Moving here from Temple, Okla., was Mrs. Edith Dobbs. She is living at 316 East Main and is a member of the Baptist Church. Mrs. Dobbs is Mrs. Dale Trout's mother. Mrs. Trout is the wife of the new Eastland Memorial Hospital administrator.

The Wayne Lopers have moved to Eastland from Ranger and are living at 102 North Oak. He is employed by Lone Star, and they attend the Baptist Church.

The Lopers are the parents of two girls, ages two and two months.

Rev. and Mrs. Warner B. Washington are now at home at 705 South Daugherty. He is curate of the Episcopal Church, and they moved here from Breckenridge.

Landowners Still Can Stock Quail

AUSTIN — Some 34,000 quail have been released on Texas lands since January through the Game and Fish Commission's restocking program, according to the assistant executive secretary.

Of this number there were 18,000 bobwhites and 14,000 cottontails. They have been planted on farms and ranches where there are suitable conditions both as to cover and feed.

"Even though there has been a steady increase in quail populations throughout the State in the last year or so," Mr. Curbitt said, "many areas remain underpopulated. Landowners usually know if their particular area is short of quail."

The Commission's game farm at Tyler is maintaining a large supply of quail for stocking such areas. Landowners can mail their applications directly to the Austin office or contact their local game wardens.

To insure landowners that quail will survive on a particular piece of land, a game warden checks the area to be stocked soon after applications are received. If the land is satisfactory quail habitat, the hatchery will ship the number of birds requested at 50 cents each.

Hearings on Bow Season to be Held

AUSTIN — Bow and arrow hunters will have an opportunity to pass on recommendations on their proposed pre-season hunt this year to the Game and Fish Commission, it has been announced by the executive secretary. Hearings will be held in each of the regulatory authority areas, where these suggestions may be passed on either in person or in writing.

The meeting dates and locations will be set as soon as possible after August 11, effective date of the enabling act passed by the Legislature.

These hearings affect only the counties under regulatory authority. Although the act calls for a 30 day pre-season hunting will be permitted in each county only for a duration equivalent to the regular open season. This means if the regular deer hunting season is only 10 days, then the pre-season hunt can be for only 10 days.

Three counties in Texas, Parker, Wise and Jack, are limited in their hunting to local residents only. This limitation was placed in the bill by local representatives.

In other counties covered by the general laws it will not be necessary to hold hearings.

Wildlife Hints Offered For Conservation

COLLEGE STATION — Research in fish farming, the process whereby agricultural crops and fish are grown in rotation, is being started by the U. S. Fish and Wildlife Service, said Ed Cooper, extension wildlife specialist. The purpose of this study is to provide practical ways by which fish-farming can be conducted profitably in conjunction with agricultural crop growing.

Numerous problems on stocking, disease control, predation, competition, and reservoir management must be solved before fish-farming can be economically feasible. This research program will be followed closely and results will be reported when available, Cooper added.

Cooper also said that the pelleted form of 2,4-D shows some promise in controlling aquatic vegetation, particularly the emergent vegetation in shallow water around

More research is needed, he said, the edges of ponds and lakes. before definite recommendations can be made. At the present time the sale and use of pelleted 2,4-D is governed by regulations pertaining to hormone-type herbicides. The material may not be sold or used in those counties specified in the Herbicide Regulation.

And last, he cautions against trying to control pond weeds or fertilizing your pond now. These practices are effective in spring or early summer. It is too late in the summer now for effective work of this type. Either practice during late summer will likely result in oxygen depletion and loss of fish.

If oxygen depletion hits your pond, Cooper suggests using an outboard motor, either on a boat or fixed to a stationary object, to aerate the water. Circulating water by pumping will get oxygen into it and the more splash the better, he says.

WE NEED MORE MONTHLY SAVINGS ACCOUNTS

and by this we mean more people who put in a certain sum each month like \$5.00, \$10.00, \$25.00 or any other amount. You will be surprised how quickly one of the monthly savings accounts will some day add up to \$1,000.00 or if you want to you do not necessarily have to put in the same amount each month nor do you have to pay in every month. You could start with \$5.00 or more and add to the account in any amount and it doesn't necessarily have to be the same amount each month or you can skip a month or two. On this kind of account your dividends at 4% per annum will be added to the principal each six months and remember you can always get your money at any time with no advance notice being necessary.

Miss Kay Kelley Is Honored On Sixth Birthday

On July 22 Kay Kelley, daughter of Mr. and Mrs. R. D. Kelley of Leon Village, celebrated her sixth birthday with a party. The guests arrived at 11 a.m. Movies were made of the group and games were played. The presents were opened before lunch was served. A meal of barbecue hamburgers, beans, pickles, fritos, potato chips and chocolate cupcakes was served to Becky Pool, Carolyn Goldston, Christy Jolly, Susan Kimbler, Kathy Jones, Ann Kelley and Kay Kelley. After lunch, the children played until about 1:30 p.m. Favors for the girls were candy, gum and a bottle of nail polish.

RETURNS HOME

Mr. and Mrs. Lewis Fagan and Marilyn have returned to their home in Eastland after a weeks vacation in South Texas and Old Mexico. They visited his brother Mr. and Mrs. Leland Fagan at Humble Colorado Camp in Hebbronville. During their eight seeing tour they crossed the Falcon Dam, visited the Corpus Christi Bay, then to San Antonio where they toured the Alamo and Breckenridge Park. They also visited in Austin. They then went to Suerro and Reynosa, Old Mexico.

VISIT IN MARLIN

Mr. and Mrs. Willis Moore and Wayne visited in Marlin over the weekend with his parents, Mr. and Mrs. A. L. Moore, and his brother and sister-in-law, Mr. and Mrs. L. D. Moore. Elbie Moore of Fort Worth accompanied the Willis Moores. Mrs. Willis Moore remained in Marlin for an extended visit to be with her mother-in-law who will be released from the hospital Tuesday.

DALLAS VISITORS

Mr. and Mrs. Allan Miller of Dallas are at Lake Leon fishing and visiting with relatives and friends in Eastland.

VISITS EASTLAND

Mr. and Mrs. Gordon Schmidt and son, Colonel Fred Scott, who is stationed in Vienna, Italy, visited in the Kenneth Butler home Sunday enroute to White Sands, New Mexico. Mr. Schmidt is Mrs. Butler's sister. Colonel Scott lived in Eastland in '34 and '35 with Mr. and Mrs. George Hipp.

OKLAHOMA VISITORS

Mr. and Mrs. Noah Byars of Tulsa, Oklahoma, visited in the home of Mr. Byars's sister, Mrs. Laura Lou Trammel and Dickie, over the weekend.

GUESTS

Mr. and Mrs. Vern Garrett of Route 2, Gorman, were dinner guests in the home of Mrs. Willie Mae Hendricks Sunday. Other dinner guests included Mr. and Mrs. Jimmy Dale Hendricks and Kathi of Eastland, Mrs. Lora Norris of Eastland.

CALIFORNIA GUESTS

Mrs. Jeannie Hopps and Drew of Los Angeles, California, have been guests in the home of Mr. and Mrs. Jack Mace for the past week.

EUNICE GUESTS

AUTOMATIC ELECTRIC DISHWASHER

An Electric Dishwasher not only eliminates dishwashing drudgery, it gets dishes hygienically clean because it uses water hotter than hands can stand. Tests show that the bacteria count of electrically-washed dishes is well below that of dishes washed by hand. An Electric Dishwasher helps protect the health of your family... and at the same time relieves you of the time-consuming chore of washing and drying dishes by hand.

See your favorite appliance dealer for an automatic electric dishwasher that will help you Live Better... Electrically.

Retirement Party Honors Mrs. Ruby Carr After 38 Years Service

The West of the Brazos Telephone Pioneer Club sponsored a retirement party for Mrs. Ruby Carr, Thursday in the Southwestern Bell Telephone Company Building at Cisco.

Mrs. Carr's retirement ended 38 years of service with the company. Her telephone career started in Oklahoma. She then transferred to Breckenridge and remained there until the dial conversion, at which time she transferred to Cisco.

A lifetime Pioneer Member Certificate was presented to Mrs. Carr by O. M. Wilkinson, who is also a lifetime member of the Pioneer Club.

District Traffic Superintendent Fred Nevius presented a billfold, a gift from the company. Fellow employees filled the billfold with money. She also received an orchid corsage, a table lamp, a set of TV snack trays, two beautiful wall plaques and several individual gifts from co-workers.

Secretary of the Brazos Club, A. J. Sanders, presented her with a hand tooled book titled "My Retirement Party." Pictures of former co-workers, as well as present co-workers, were included in the book.

Decorations of pink balloons, carnations, crepe paper and party chimes were used throughout the building.

The table centerpiece was made by Mrs. A. J. Sanders. It was miniature telephone poles and lines, a miniature switchboard, a miniature operator, and to make it more realistic, Mrs. Sanders supplied the operator with a miniature head set, pencil and a stack of long distance tickets.

The day was made more memorable for Mrs. Carr by the timing of the opening of the gifts. They were divided into groups to be opened at different times.

A telegram was received from West of Brazos president, J. W. Smith and family, who are vacationing in Colorado and a letter from T. A. Thomas, president of the Northern Council.

Refreshments of sandwiches, olives, potato chips, pickles, cake and pink lemonade were served from 11:30 a.m. on throughout the day in order that fellow-workers and clubmembers from Cisco, Albany, Dublin, Breckenridge, Ranger and Eastland might participate in the party.

Sixty guests registered in "My Retirement Party" book and included Mr. Dinwiddie, District Plant Supt., Fred Nevius, District Traffic Supt., Mrs. Modene Montgomery, secretary of District Traffic Supt. all of Mineral Wells. Mrs. Huel Herring, former chief operator of Breckenridge, and Mrs. Nellie Wyatt, service representative also of Breckenridge.

Mrs. H. T. Weaver To Host Hospital Auxiliary Thurs.

All members of the Eastland Memorial Hospital Auxiliary are urged to attend the meeting scheduled for Thursday morning at 10 a.m. in the home of Mrs. H. T. Weaver, 803 South Seaman.

Mrs. Weaver, vice-president, will preside over the meeting in the absence of the president, Mrs. D. L. Houle.

VACATIONS IN EASTLAND

Mr. and Mrs. Glen Garrett and daughter, Teresa, from Pasadena are vacationing in Eastland with his parents, Mr. and Mrs. Kenneth Garrett. They will be here for a week. They are also visiting her parents, Mr. and Mrs. Mole Byrd of Carbon.

Also visiting in the Garrett home is Brenda Hoosier of Big Spring. She is a niece of Mr. and Mrs. Garrett.

SUNDAY VISITORS

Mrs. Jimmy Little, Ray Neal and Nelda of Route 2, Eastland, spent Sunday in the home of Mrs. Little's sister, Mrs. Jerry Hallmark, West Commerce.

VISITS SISTER

Mr. and Mrs. Lewis Fagan and Marilyn visited in the home of Mr. and Mrs. Finis Johnson Sunday evening. Mrs. Johnson, sister of Mrs. Fagan, has returned home after undergoing surgery in Blackwell Hospital in Gorman.

RETURNS FROM VACATION

Mr. and Mrs. W. E. Lawson have returned from a vacation in Houston, South Texas and Mexico. They visited Larado and Mexico City. After they returned home they accompanied their son Mr. and Mrs. Jack Lawson and son, Charles, to Dallas where they took the plane to San Juan, Puerto Rico.

VISIT IN MONAHANS

Mrs. T. M. Alford and Ann Page have returned from Monahans where they visited with Mr. and Mrs. Truman Bryan and Mr. and Mrs. Oran Lucky.

N-A-T-O

4 letters
that spell peace

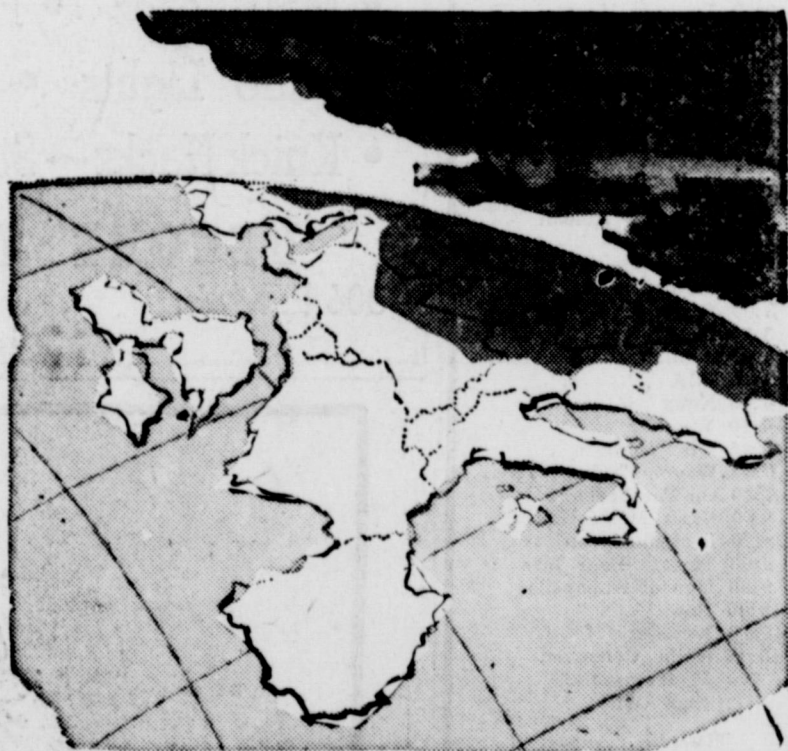

What is NATO? It stands for North Atlantic Treaty Organization, an alliance of 15 free nations, including the United States, which have banded together to protect themselves against aggression. These nations are Belgium, Canada, Denmark, France, Germany, Greece, Iceland, Italy, Luxembourg, Netherlands, Norway, Portugal, Turkey, the United Kingdom and the United States.

What is its purpose? Primarily, NATO is a military alliance, but its great purpose is peace, not war. The 15 members of NATO have pledged that they will regard an attack upon any one of them as an attack upon all. They have also pledged to work together politically and to increase their ability to defend themselves by self-help and mutual aid.

How does NATO function? Each of the 15 member nations is represented in important discussions held regularly. Their main function is to defend a line which stretches from the Aleutians to the Middle East. A line which is manned by Greek patrol boats, Norwegian ski troops, French engineers, Canadian jet pilots—strength to which every NATO country contributes.

What has it accomplished? Before NATO Russia had seized country after country—enslaved 90 million people. The Soviets threatened to engulf the whole of Europe . . . ultimately to dominate the world. Since NATO not an inch of territory has been lost in the Atlantic area. And by sharing our obligations this 10-year watch has cost us less than a few months of the cost of World War II.

What is its future? So long as there remains a threat to liberty, NATO has a job to do. Slowly a strong shield of freedom has emerged. Secure behind this shield, the peoples of the Atlantic community are working together toward greater political, economic and social well-being.

NATO needs your support

New challenges face NATO every day. It can meet them and grow even stronger . . . but only if all NATO nations continue to work together in that spirit of co-operation that first made NATO possible. NATO deserves your support to this end. For the full story on NATO write for the free booklet. Write:

Careless Hauling Of Livestock Show Big Loss

COLLEGE STATION — Careless hauling and handling of livestock can cost producers a lot of money, says U. D. Thompson, extension animal husbandman. A recent USDA study shows the loss from careless hauling of livestock amounts to about \$100 million annually for the nation.

Four major causes account for most of this loss, says Thompson. First, almost a fourth of all trucks hauled either too many or too few livestock. Animals shouldn't be crowded but the load needs to be fairly snug to avoid shifting. Marketing agencies and most truckers have charts which tell how to load according to type of animal and available floor space.

Day 919—Night 911

Second, only half of the loads were partitioned by type of animal. Horned cattle were seldom partitioned, resulting in much bruising and crippling. Partitions need to be put up between animals of different sizes and types, the husbandman says.

Third, almost 30 percent of the trucks had little or no bedding, leaving the danger of animals slipping or falling. Floors need to be "slip-proofed" with sand, shavings or sawdust, and a straw covering should be used to absorb moisture.

And fourth, the animals weren't handled properly when loaded and unloaded. Some truckers—and farmers too—used clubs, shovels and sticks. More than half the dogs and a fourth the cattle were mishandled as a result. Thompson says the only proper way to urge livestock along is with canvas slappers or electric prods, as clubs will injure the flesh.

In order to avoid losses, Thompson urges growers to make sure their livestock are hauled by reliable truckers. And be on hand when your cattle, hogs or sheep go into and out of the truck. Until old, it's still your livestock. Producers eventually pay for these injuries, despite hauling insurance, he adds.

Final Year For WW II Veterans GI Loans

World War II veterans were reminded today they have entered the final year in which application may be made for a GI home, farm or business loan.

Stanley M. Cowan, Acting Manager of the Veterans Administration Regional Office in Dallas, said Congress has set July 25, 1960, as the cut-off date in the post-war program that has already seen nearly 5 million World War II veterans take advantage of the GI Bill loan provisions since June 22, 1944, and, to date, a total of 89,000 loans have been guaranteed for the Dallas Region.

The law allows an additional year, or until July 25, 1961, for the processing and actual closing of loans, but application must be made during the ensuing year under present legislation.

Cowan said these dates do not pertain to Korean veterans who have until January 31, 1965, to make loan applications. World War II veterans who also served in Korea are considered Korean veterans for loan purposes.

In all, 35 percent of the eligible World War II veterans have taken advantage of the loan program, Cowan said. He pointed out that an exceptionally low record

of defaults has won the approval of the nation's financial leaders and that an extremely high percentage of the loans have already been repaid in advance of the final due dates.

Through May 31, 1959, a total of 4,955,300 World War II veterans have made GI loans for a total face value of \$39,220,600. Of this total, 4,657,100 loans were made for homes, 228,400 for business ventures and 69,800 for farms and equipment.
